EDITOR'S
NOTE:

Thank you for supporting the PROMENADER's Fall Get-Together so very well. It was nice to see so many of you that live on the other side of the city. Seems we only get together on special occasions. It was special, thanks to Mike and Mary Jane Herne, Chairpersons.

This issue begins our twenty-second year. Quite a record, we think, considering it's all been volunteer work. Seems like there's more people volunteering to help with the PROMENADER. This help couldn't be more appreciated! In fact, the lovely lady that comes every day to help with paste-ups, got her salary doubled twice so far. (2 X 0 = 0) How about that!

The preciseness of the subscription editors is reflected each time you receive your issue. They're starting their third year! Of course if it wasn't for the reporters and columnists down through the years, we'd all be out of a job.

But I find these people all have a little secret that they hardly ever mention. In fact I don't think I've ever heard one actually put it into words. They know and enjoy friendships that are priceless because they have volunteered. These people get to know and enjoy some of the most beautiful friends that are so willing to do the work.

What I haven't been able to figure out, is: How come most of them come from the smaller clubs??

PRESIDENTS'

CORNER

The Federation meeting for September was a busy one. A number of changes in the By-Laws had been proposed in June, and a decision on each one was required.

The most important change was in the definition of a quorum of the members which can legally do business at a meeting. The old requirement was so large that it was almost never attained, and we greatly appreciate the cooperation of all the people who made a special effort to attend this meeting to approve the new rule.

A slight change was made to the conditions under which a caller-operated club can become affiliated with the Federation, intended to ensure that the delegates represent the dancers rather than the caller. (Callers are represented in the Federation by delegates from the Callers' Co-op.)

In the past, a club whose delegates could not attend a given meeting could be represented only by its two principal officers. This was changed to allow any member of the club to be appointed to attend and vote. It was separately ruled that minutes of the meeting would be sent only to the regular delegate, not to the substitute. Attendance by regular delegates is important to the continuity of Federation work, but in their necessary absence substitute delegates are helpful.

The Publicity Committee reported on the TV commercial activity and were warmly applauded for their good work on this important activity. We hope you all saw both the 10-second and the 30-second versions during the campaign and that the effort helped bring recruits into your classes. (We have noted with appreciation that several club Open Houses have been listed in newspaper calendars. Nice work, club officers.)

In our last column we asked for your comments on Federation and related activities. We got no response at all. No problems? No interest? Poor season to ask, what with Labor Day etc.? We still want your ideas: just drop us a line at 225 Cobb Terrace, 14620, call us at 473-7672, or leave a message on Jim's answering machine, day or night, at 422-9075.

SUGGESTIONS FOR SINGLES

SQUARE DANCING GROWTH

While perusing the 1983 National Square Dance Directory, I noticed that the Dallas-Ft. Worth area has seven singles clubs, while the Kansas City area also seven, and the Tulsa area has six. The single Square Dance dynamism in these cities is part of an accelerating national trend.

Considering that Tulsa is a city of equal magnitude to Rochester it is valid to assume that Rochester also has the potential to house six or more single Square Dance Clubs. In Rochester, Mike Harris, Mike Callahan and Jerry Carmen have pioneered in singles club calling.

I believe these three callers can be pivotal in determining whether Rochester single square dancing can grow to six or more clubs in the next couple of years. Toward this end it would be very desirable for these three callers and other dedicated square dance activists to establish some kind of committee of the Federation charged with coordinating single square dance development.

Continued next column.

For sound and not haphazard single square dance growth in its present embryonic stage, it is important for such a committee to systematically organize the entire annual calendar and schedule of single square dance activities so that each single square dancer is afforded the maximum number of conveniently timed square and round classes as well as dances. This, of course, means eliminating conflicting classes and dances, which needlessly pit singles clubs against each other vying for the same pool of dancers. But the committee ought to go far beyond simply eliminating conflicts.

My case is illustrative of the present amorphousness of single square dancing in Rochester and of how the above committee could instill planned scheduling here enabling the vigorous growth of clubs seen in Tulsa, etc.

Living, as many singles, an hour from Rochester, I am realistically able to commute to Rochester singles dancing once a week, on Saturday or Sunday. By combing the PROMENADER, I learned that my best option to pack the most single dancing into one day, was to attend the Libertis' round lessons Sunday afternoon and the Cloverleaf Sunday night square dancing, both in Greece.

This option does not give me what I need for maximum personal advancement, but it is the best compromise. If the above type committee were to organize the Rochester singles dance calendar, I and other singles would advance our skills much faster.

I have graduated from mainstream classes, but I lack plus. I go to Cloverleaf and guess through the plus calls. This isn't my fault. Plus singles classes are presently taught in Rochester May-October. Here I am in the October-May cycle stranded with other singles who need plus now.

The aspiration of myself and many Rochester singles is to eventually graduate into advanced single square dancing. Rochester is ripening for an advanced single club, which would logically be Rochester's fourth, bringing us closer to Kansas City, Tulsa, and the big league cities. But to make Rochester a big leaguer in singles dancing, we need a more organized schedule for our presently amorphous farm system.

To enable myself and all singles to train and prepare for tomorrow's advanced and other clubs that can and should emerge in Rochester, there should be singles mainstream, plus and advanced classes running both cycles May-October and October-May.

LETTER, con't from page 3.

Where in the present October-May cycle Rochester has three competing mainstream single classes (yet no plus or advanced classes) the above committee could effect a division of labor. For example, Merry Mixers could run the mainstream class, Cloverleaf could run the plus and Swinging Singles the advanced class.

The above committee's correction of the present inefficient singles scheduling would inspire class and singles dancers in Rochester, as has been achieved in Dallas and Kansas City.

CARMEN'S COLUMN

Jerry Carmen

Probably you have never thought of learning new calls as an art, but we have all seen some people soak up calls as if they were a sponge, and we have seen others flounder around as if they were trying to follow a Greek auctioneer (yes, there are auctioneers in Greece)! Why do some seem to have a natural ability to retain and build on what is being taught and others seem to have difficulty discerning their right hand from their left? I believe I have noticed some differences between the 'slow learners' and those who catch on quickly. The two major differences which separate the groups are (1) they are observant and (2) they pay attention - they listen. Plying upon the old adage between the donkey and the two-by-four, I believe this is a direct challenge to callers as teachers. Before you can teach anything, you've just got to get their attention. This is the callers most difficult job and one which I'm sure most callers are working on to improve.

Specifically, what can we as dancers do to improve in learning? Well, just as one can train to be an artist, we can also train ourselves to learn; that is, to be observant and listen. I find occasionally to direct people into a certain formation I will say things such as, the men should all be holding right hands with a girl, and, invariably, there will be a man holding left hands with a girl who will not budge. He is obviously not listening and this is the most important rule. Always assume the caller is talking to you! Never assume you know what's going to happen next and get ahead of the instruction. Many times you will not only confuse yourself, but seven other people as well. This is also one of the reasons 'experienced' dancers break down or make mistakes at a class session.

The next most important rule is to be observant. All calls start from a certain formation such as lines or ocean waves. Notice what the formation is. Notice where you are when you start the call and where you are when you complete it. What! You say you can't remember? Take a small pad with you and write it down. You forgot by the time the tip ended? Go ask the caller. He'll be glad to explain it again.

Some people genuinely have difficulty remembering all the moves they are asked to make and, indeed, as the quantity and complexity of the calls grow, this becomes a real problem. At this point, if we use our number one rule of listening, we will find the caller will often describe the call as we do it. There are many other tricks that some experienced dancers have learned, such as walking around with your hands up about shoulder high so someone can guide you, or watching what their opposite person is doing since square dancing is generally symmetrical.

Another very helpful thing is to train yourself early in the game how to know whether you've done a 1/4, 1/2, or 3/4 turn. Develop your own system and practice it and you'll find it will be useful all your dancing life.

I hope these thoughts have helped someone. Remember, you can either listen or talk. You can't do both. So, while the dance is in progress, keep listening!

CLUB

NEWS

Belles & Beaus

Autumn is here with its cool crisp days and nights and our club is getting back into the swing of things. Also a big thank you to the club members for recruiting a fine group for our class.

By the time you read this our 25th Anniversary Party shall be history. A great big thank you to Fran and Hal Abberger and their committee who worked so hard in order that we could have a memorable celebration. The next time you see a club member, look for the new 25 year addition to our club badges.

We are sorry to hear that Ed Haddleton had a relapse and ended up in the hospital again, but last report was that he is now home and on his way to recovery. Ed, we know it is hard to keep a good man down. Also on our sick list are Carolyn Zoller, John Downs and Pat Wallace. We all wish them a speedy recovery.

It is nice to see all the guests who have been visiting our club. It gives us a chance to meet and dance with the different club members. So if you do not see us at Holmes Road look for the Bells 'n Beaus at you next dance.

Also in the near future club members will be sporting new jackets with the Club's colors.

So until next month - Happy Thanksgiving - and when you have had your fill of turkey, dressing and pie, do not forget to give thanks as we all have so much to be thankful for.

Cloverleaf Squares

Hello Dancers,

I can hardly believe it's November already. A couple of things are in store for us this month. I guess the most important thing would be nominations and election of new officers. Elections will be held at our Thanksgiving dinner dance, which is a class/club dance. Dinner, in which everyone will bring a dish to pass, will be at 6:00 pm and the dance will be from 8:00 - 10:30. I hope people are starting to think about an office they would like to run for.

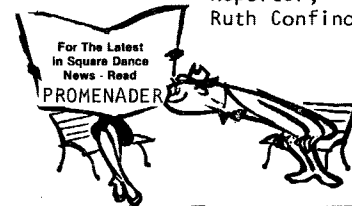

Our 'activity of the month' for October was a hayride hosted by Joe Sweeney. It's been years since I've been on a hayride and I thought it was fantastic. Actually, I think everyone had a great time. There was certainly enough cider and donuts.

On October 16, the Cloverleaf Squares had a very special national caller. Dick Bayer came to Rochester and called for us at the BIC Bowl. We had a great turnout and Dick Bayer really out did himself.

Save the date. November 12. Cloverleaf Squares will be having a big band dance held at the BIC Bowl. The star of the show will be Freddie Beck. We will also be having round dancing cued by Brian Adams. It really should be a lot of fun.

I would like to wish all a Happy Thanksgiving.

Checkmates

Be sure you have voted before dancing on the 8th! In September, Joyce Connors treated us with her delicious Birthday Cake. Helen and Arvin White missed two dances in September while they attended the Annual Square Dance Ball in Myrtle Beach, S.C. They turned this into a ten day vacation.

Checkmates membership now also embraces A.J. and Aileen Leonard, Ed and Janet Leurgans, Earl and Virginia Lupold, Jim and Georgia Powell, and Arvin and Helen White.

The threat of winter chased away Ray and Julia Pacek after our last dance in October. They've moved to their home in Sun City, Arizona. They'll continue dancing two or three times a week 'til they return to us in May.

Happy Thanksgiving to you and your families from Checkmates. You know you'll need the exercise, so bring all your friends and dance with the ghost on the 29th for sure!

TIPS for TIPS

- DO pretend to be having a good time even if you are bored. Perhaps the other seven are enjoying themselves. If you want a real challenge, try dancing with the seven weakest dancers there and guide them through a dance. Maybe you are that good!
- DO take you turn at responsibility in the square dance picture as officers in the club, on the serving committee, in any way that you can help others rather than be catered to always. If you never help or take a job, don't gripe.
- DON'T be a "competitive" dancer, i.e., selfish rather than co-operative. It takes eight people to make a good square.

Copy Cats

It's a mystery, sometimes called a mystery ride. Your reporters should report on the absolutely wonderful time the Copy Cats had on their mystery ride Oct. 22. However, it will be past tense as you read this but due to our lead times, the event is ahead of your writing this article. The mystery ride is such a mystery that your mysterious ride planners, Liz and Jim Culp, won't tell your reporters about the mystery. However, if you make it (made it), we'll bet you had an absolutely wonderful and mysterious time.

Fourteen Copy Cat couples were among the more than 140 couples enjoying the Fling Fantastic at Niagara Falls late in September. Fun and frolics (and there were lots of frolics) centered around the calling of Mike Callahan and Bruce Shaw, who were absolutely great. Try it sometime: square workshop in the morning, round workshop in the afternoon, dance till 11:30, eat from a marvelous table at midnight, take a swim or two, sing with friends, drink - just a little - and guess what - it's time for breakfast and workshop again. Great time had by all.

The Copy Cats will have their Pot Luck Supper and Turkey Dance on November 12. Mike Callahan will call squares at this gobbler with Slomcenski calling rounds. Come one and all and take a fat bird home or join in the bird calls.

On November 26, Chip Kellogg will call with Mattice on rounds. We always enjoy Chip and invite all our friends to join us.

EKC-O Squares

Hi Square Dancers!

We are well into the square dance season. We've had some good calling and dancing at Kodak. We were all glad to have Ken Anderson back calling for us, in September, even if it was only for one night. Seemed like old times. Thanks to all the dancers who were there to give Ken the warm welcome he so justly deserves.

We have a very happy and enthusiastic group of people in our up and coming class, for this square dance season. We wish them all happy dancing and with Jack Sadwick as their teacher, they should all be great dancers in no time.

Betty Wolcott would like to do some Round Dance teaching if there is enough interest by people who have not tried it, but would like to. See Betty if you are interested, for all the details.

We have a National Caller, Cliff Brodeur, calling Nov. 18th. He is a very good caller, young and cute, for the ladies. If you haven't danced to him yet, (Kodak has hosted him several times) come and find out for yourself. See you in a square!

Glass Slippers

We are real proud of our class. They are doing a super job learning the calls and listening to Ron, our caller. It sure is a pleasure to see five or six sets on the dance floor.

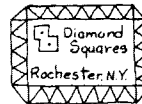

On Nov. 9th, we are having a "Wine 'n Cheese" dance. It will be held in the main Fire House on Market Street in Brockport. We will be upstairs and there will be plenty of wine and cheese for all. There is usually a great variety of both wines and cheese to sample. What better way to relax and enjoy fellow dancers and have a tasting party all in one night. Hope to see you there.

The officers and members of the Glass Slippers wish a happy Thanksgiving to all dancers. Remember, what better time to say "Thank You" to the two most important people at any square dance - the Caller and his Honey. Without them it sure would be dull. So let's use the month of November and make a special effort to go out of our way and say thanks to the caller and his Honey at every dance we attend this month.

Diamond Squares

Well, we sure are having a busy month, what with the Thanksgiving holiday and the Christmas season almost upon us. But don't forget to come and join us on Wednesday night for an evening of fun-filled dancing, with Dottie Reed Cueing rounds on the 1st and 3rd Wednesdays of the month. Our sister club, Emerald Squares, will be hosting a fashion show on November 8th at the Green Lantern Inn with fashions from the Carriage House. This would be a good place to shop for your new Christmas outfit.

Don't forget our New Year's Eve party - the reservations are starting to come in already. If you want to celebrate the arrival of 1984 and the demise of 1983, contact Bob and Nancy Ellis and get your name in early for this gala affair.

Our condolences to Len Prescott, whose sister passed away in September. Also, we were saddened to learn that Bob Mendell, a charter member of Diamond Squares, passed away. Our sympathies to his wife, Betty.

Some of our club members went to Atlantic City in October with Bob and Nancy and a good time was had by all. We spent all our money (some of us recouped some of our losses), ate good food and saw some entertaining shows.

Trivia question; At what campout on Yautzy Road did a certain member (maybe even two members) have an embarrassing moment when a rerun of "HeeHaw" was performed in a cornfield by five scarecrows? At this very same campout, we played many games including baseball, balloon toss, pingpong ball, relay races but the top prize went to Hal Connor who won the 'nipple' contest. hands down. Need we say more about this very questionable weekend? Thanks to John and Mary Ann Kurtz, who provided the games.

Until next month, many wonderful wishes for a Happy Thanksgiving and may you enjoy it in good health with those you love.

Thanksgiving

Genesee Dancers

Our Hallo-weenie roast was great fun for all. In addition to the good food, the club members were treated to special entertainment by "Sambo and Sunny Boy" - a top notch group recently come to Rochester from a very successful engagement in Niagara Falls, Canada. Ha! Ha!

The Genesee Dancers annual Thanksgiving Turkey Trot on Nov. 17 will again feature a couple of real turkeys - Tom and Tillie. George and Shirley Lupold have graciously offered to bring Tom and Tillie as our special guests that evening.

We are sorry to hear that Leo Marcoux and John Spencer are on the sick list. We wish them a speedy recovery and a quick return to dancing with us.

A hearty welcome back to Charles Nemyer and Charles Genese. We are happy to see they are well and dancing again.

There will not be any dancing on November 24, Thanksgiving Day. We wish all our members and readers a very Happy Thanksgiving.

Geneva Friendship Squares

Our dancing season so far has been lots of fun. With our regular dances every first and third Friday nights at the Civic Center in Geneva, caller Charlie Valent and cuer Al Overslaugh have provided us with lively dances. Then of course, the tenth annual Sampson Festival with callers Red Bates from Hampden, Mass. and Jerry Carmen from Spencerport, as well as cuers Bob and Nora Slomcenski from Rochester, brought together about 150 couples (one even from California!) Sept. 16-18 for a Fantastic camping/dancing weekend.

Our open house dance welcomed many interested couples from the area. Club angels and the class look forward to our Wednesday evening get-togethers with caller/teacher Chip Kellogg. We certainly have a great time!

Halloween did not go unnoticed this year. The club dance was full of spirit! (Good, of course.) Some of the outfits were very original. It just goes to show you, there is a little 'kid' in all of us.

Don't forget the first special Sunday dance November 6th at the North Street Elementary School from 2:00 to 5:00pm. Come and have a delightful afternoon dancing to Dick Casper and Dottie Reed.

Just a note for any new subscribers to the PROMENADER or recent class graduates: the Geneva Friendship Squares welcome all of you and your friends to our regular and special Sunday dances. Hope to see you!

In closing, the club and friends of Joe Bertino share in the bereavement of his wife Alice at his sudden death. Many of you probably knew him. Alice and Joe square and round danced at many clubs in the area. We will all miss him greatly.

IRONDEQUOIT SQUARES

The Irondequoit Squares are delighted with our new beginners club. Thursday evenings are proving to be a happy learning experience as well as an enjoyable social time among our newest friends. Let's support our class and our instructor, Bob Meagher, by dropping in whenever we can. It is one way we can help our club grow.

The Halloween Dance which was hosted with our friends, the Swinging Eights, was a fun filled night. We wish to thank the committee and the Swinging Eights for helping to make the night such a festive one.

With November comes the accelerated pace which anticipation of the holidays always brings. Margaret Pearson and her committee have their plans will under way for our harvest (tureen) supper-annual meeting night. This special event will be held at the Church of the Transfiguration on Nov. 19th at 6:30 pm. Please plan to attend. Our club is only as strong as each one of us make it. Here's the chance for our input to help further the smooth operation of our organization. Dancing will follow dinner prior to the business meeting. See you there.

1984 is the silver anniversary of our club. We are bursting with plans for a sparkling year, culminating with a tribute to this important occasion at our Trails End Dance, chaired by Bob Weston.

We are finding that our 2 X 2 dance structure (2 squares alternating with 2 rounds) is very popular. Do join us for a full evening of both round and square dancing with Jon McNally calling and Brian Adams cuing. We'll be liiking for you.

Our Club is back in full swing again. We've enjoyed several visitors and have seen some old faces once again. It is so good to have all of you. Ron's really good calling and your presence make for fun squares and good conversation. Come back soon and bring your friends.

Thanksgiving day is almost here. You will notice we dance Sat. the 26th of November. Company for the holiday? Don't stay home with them. Bring them along to enjoy the music and fun of an evening. Maybe they will decide to become a class member next year.

Our new class members are finding out what fun we have and learning the calls quickly. By Christmas time they will be out in our squares in pretty new square dancing clothes. A big welcome to you all.

The Lima Grand Squares are off to a good start. We have an energetic class that is working hard. Our new caller, Gary Bubel, keeps us on our toes and makes for a lot of fun.

Our Halloween Dance was full of spooks and tricks but was still a treat.

We welcome visitors from other clubs to come and join the fun.

We will not be dancing Thanksgiving week. We'll break for feast and family.

Stuff that turkey, bake those pies and get ready for the Thanksgiving season but don't get too busy to remember that our dances are held on the 2nd, 3rd, and 4th Sundays of every month.

Congratulations to Mike and Joyce Ford who were elected to a 3 year term of office on our Board of Directors. Many thanks and much appreciation to the outgoing couple, Blakely and Ruth Harris for their contributions and able assistance to the club. Congratulations are also in order to the Federation Representatives who were elected: Ruth Harris, Ken Ford and Jerry and Joan Sanford. I am sure our club will be well represented at all Federation meetings.

Our deepest sympathy and condolences to Len Prescott, whose sister passed away recently.

We seem to attract dancers from far and wide. Some of our members come from as far away as Port Byron, Auburn, Caledonia, Savannah, Bath and Kanona. So if you're local in the Rochester area (and even if you're not), come out and dance with us some Sunday Evening. Distance seems to be no barrier to good dancing.

Happy Thanksgiving to everyone and we hope you enjoy a wonderful holiday with your family and loved ones.

Promenading B's

November is the time we stop to give thanks for friends and the bounty of the season.

The Promenading B's would like all our friends to come share in our seasonal celebration of thanks. Our Turkey Dance will be held November 18, 1983, at 8:00, at the Byron-Bergen Elementary School, Byron, New York. For a mere dollar a person, there will be dancing, giving, sharing and celebration. Along with 10 turkeys, there will be other donation gifts to possibly bring home.

So please come dance with us in November! God Bless and Happy Thanksgiving.

Swinging Singles

For those of you who enjoy dancing with goblins and ghosts, join us on Halloween evening for some spooky fun, with prizes to boot. I'm sure our President, Eleanore Miller, will have a few tricks up her sleeve and perhaps a treat or two from her kitchen.

Our new class of square dancers are doing just great, with the guidance of Bob Meagher as their caller on Tuesdays. Many thanks to all of our angels who have supported the class.

Well, here it is turkey time and we're planning a delicious Thanksgiving dinner on Monday, November 21, at 6:30 pm., with everyone bringing a dish to pass. Afterwards, we'll be dancing class/club under the direction of Jerry Carmen.

Mark your calendars now for Saturday, December 17th for our Christmas dance "Jingle Bell Rock" with Mike Herne calling at 8:00 P.M. I'm sure we'll have another successful evening of dancing for the class and club.

Merry Mixers

Finally, we have moved to our new home on Pinegrove Avenue. Now, that we have settled in very nicely, we would like to invite all of our friends old and new to visit us on Tuesday nights.

Summer is officially over but we are still "Pik-nik-ing". Last month, Rosemary Mykins hosted another fun picnic for us at her summer home.

Mike Haris is still keeping our enthusiastic class on their toes and we are having loads of fun with them. After their lesson, they dance with the club until 9:00.

Because one Tuesday a month our hall will be occupied, we are reinstating the "Traveling Turtles". This means all interested club members will meet at a restaurant, have dinner together then visit another club.

So, please, clubs watch out for us little turtles - we don't snap!

And speaking of traveling, two of our class members visited jolly old England last month. I'm not sure if they "Loaded the Boat" or "Spin Chained the Gears" in a plane but I am sure they did do a "Teacup Chain" at 4:00 PM everyday! Along with crumpets, of course.

Another class member ventured to adventure in Lake Placid.

Now, remember, y'all come over on Tuesdays, be kind to our turtles, have a Happy Thanksgiving and please, take pity on the poor Turkey!

Despite a lot of work and personal advertising, we have no response for Open House and a 1983-1984 Season Class. We'll try to build a stronger club with what we have - maybe pick up some past drop-outs. Our applefest, October 15, will be a big night with lots of dancer dancers, apples and a good time. Hope you are there at Medina YMCA, Pearl Street, to enjoy.

Swingin' Eights

Moved! The Swingin' Eights have moved. Our new home is the Church of the Ascension at Lake Avenue and Riverside. Four blocks South of Ridge. We've been busy this last month with a lot of changes. We only hope it doesn't cause too much of an inconvenience for your friends. It's time to start the holiday season and this month we're going to start with a guest caller, Mike Herne will be with us November 26.

Everyone has made it through Fling and when this comes out, we will have had a great time with the Irondequoit Squares, at our Halloween Party.

A few of our members are on the sick list and we wish them a speedy recovery. Knute Knudson has a broken ankle. Hope your back on both feet and dancing soon Knute.

At this time the Swingin' Eights would like to press our deepest sympathy to Mike Liberti and his family in the death of his father. Our prayers are with you, Mike.

Here's to a safe and happy Thanksgiving. Try not to eat too much.

Village Squares

Our 1983-84 season started off with a good turnout for the two open house nights, and there were many smiling faces. We have a fine class of enthusiastic couples eager to learn their Basics.

The October Tee-Shirt Night was well attended, and as we circled around the hall three couples were judged to be the most original. The winners were Lou Trabalzi and Gail Hopkins - first prize, Ken and Rita Tucker - second prize, and Jim and Laurie Ross - Third prize. Congratulations to them all.

November will be a very busy month at our club. On the 7th, we'll have our Mystery Ride. We will be meeting at the church to follow our "Fearless Leader", President Al Siegl, to wherever he takes us. Surprises are always fun so let's have all our members come out that night.

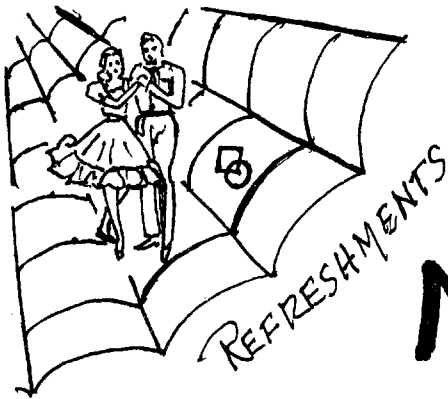

November 14th is our annual Banner Dance and you don't want to miss this one. Our "Banner Bandits" are busy stealing banners, and they will all be on display. We are looking forward to having all the clubs come to retrieve their banners on the 14th. We hope our entire club will be on hand to give them a warm welcome. This dance has been a big success in the past and we expect this year's to be even bigger and better. If you're looking for a good time and good dancing, come on over and join in the fun. You'll be glad you did.

November 28th will be Sundae on Monday Night. Forget about the calories and bring your favorite sundae topping. Ice cream will be provided and you can try as many toppings as you like.

We would like to wish everyone a happy Thanks - giving.
