LEADERSHIP CONFERENCE

Dancers from twenty-five clubs and representatives from Buffalo and Syracuse attended the Leadership Conference on Feb. 5. Attendees received information on new clubs, caller changes, location changes, classes, associate membership, and round dancing from a panel of experienced club officers and leaders. The Publicity Committee summarized its '83 Campaign and is awaiting direction from the square dance community on its future efforts.

Bruce Shaw presented a new Proposal on dancer retention. The focus of this proposal is the recommendation that Plus Work Shops be postponed until the fall dance season to give our new graduates time to enjoy and experience what they have learned in classes. The intention is to reduce pressure on the new dancer to move quickly to the Plus Program. The chart below indicates how the proposal would work.

A follow up meeting will be held on March 4, 3:00 pm, at The Covenant Methodist Church, 1124 Culver Road, to discuss this proposal and other topics. All interested dancers are welcome.

The article by Paul Rosenberg in last month's "Promenader" regarding the appeal of Folk Music could have been a very interesting article. Unfortunately, I would venture to guess that 90% of the readers lost interest by the fourth paragraph because of the vocabulary used by the writer.

It is fine to have a command of sophisticated vocabulary. It also takes a certain amount of judgement where and when to use it. Mr. Rosenberg used poor judgement when he decided to use the type of vocabulary that he did. He turned what could have been an interesting article into something completely over most people's heads.

I'm rather surprised that the editor did not ask the writer to rewrite the article in plain, ordinary, conversational English.

Let this be a lesson to all of us who write articles for any public publication.

Rules for Banner Stealing

1. Clubs wishing to take part in Banner Stealing, must register with the local Banner Stealing Association. (Rochester Federation)
2. Those clubs Registering with the Association, must have a miniature Banner (Traveling) that will be used for stealing.
3. In order to steal a member club's banner, the visiting (Stealing Club) Club, must have no less than Four (4) couples (One Square), who have paid the guest fee at the host club. A Representative of the stealing club, must then make it known to the President of the host Club that, they are attending the dance for the Purpose of Stealing the host club's Banner.
4. In the event that more than one club is in attendance for the purpose of stealing the host club's Banner, then it will be the duty of the President of the Host Club to determine some fair way in which to determine which of the visiting (stealing) club's will be awarded the banner.
5. Once a club's banner has been stolen, that club may retrieve said banner by sending no less than four couples to the stealing club's dance and then they can take their banner back home. If a retrieving club also wishes to be eligible to steal the banner of their hosts, they must then have a second four (4) couples in order to be eligible.

SNOOTY DANCERS

Jerry Carmen had a "snooty dancer" test in the February issue, and I took it. Most of the questions have got a good point, but most of the questions have also got more angles than just black or white. Here are my answers to the same questions.

- Q: Do you get annoyed at those who make mistakes?
A: No, I don't get annoyed at people just for making mistakes. I get annoyed at people who are making mistakes all the time and don't even know or care that they are making mistakes. I also get annoyed with people who are always bugging the caller to call the latest fancy calls, and can't do the simple basics.
- Q: Have you ever walked by a square that wasn't full?
A: Yes, when I have already waved and started to a square across the hall that needs a couple, and some others get up off their chairs and try to intercept me halfway across. I also sometimes make detours to avoid the people in the first question.
- Q: Have you ever danced in set-up squares more than twice?
A: No, but sometimes I like to be sure of dancing with some special friends, and I don't think once or twice in an evening is too often.
- Q: Have you ever danced while guests sat out because they couldn't get into a square?
A: This one's got more angles to it than a lawyer. In the first place, are you talking about guests who are invited to the dance and don't pay to get in, or paying visitors? In a large club anybody who wants to can practically always get into a square if they'll jump up and get in as soon as the music starts, and if they just sit until everybody else is squared up should somebody else be responsible for it? Besides, in a large club, if somebody is supposed to be responsible, the responsibility should be passed around.
- Q: Did you ever avoid a square because it was all beginners?
A: Yes, after I've been in one a couple of times. I also try to break them up and get them spread around with older dancers.
- Q: Do you stay away from "low level" clubs?
A: What do you mean by "low level"? If you mean they don't know a lot of calls, a good caller can take almost any old bunch of calls and give everybody a real fun dance. If you mean a low level of dancing ability, the answer to the first question still goes.
- Q: Have you ever walked out of a square?
A: No, and I wouldn't do it except in the worst circumstances, like some guy using really crude language to my wife.

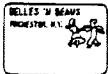

- Q: Do you stay home or go to another dance when your club has an open house?
A: Yes. After several years I feel like we've paid our dues, and it's time for the newer members to take over. Besides, we don't have as much spare energy as we used to, and it's more tiring to help out in an open house or class than to go to a good dance. We would go to an open house if we were taking some recruits with us.
- Q: Do you feel because you paid you can dance with anyone you want to?
A: I don't get this one. Do you mean about staying out of squares with all beginners, or do you mean I go to a club where they dance a lot of calls I don't know, and try to get into a square with their best dancers so they can pull me through?
- Q: Do you stay away when your club has a class-level dance?
A: I guess you mean that "level" is how many calls they know. Like I said, a good caller can take some basic calls, like for instance the calls the class has already learned, and give everybody a fun dance.
- Q: Have you ever been so upset that you walked away at the end of a tip without saying thank you?
A: No. You only get upset if you don't get something you think you ought to. I dance to have fun, and sometimes a set can get into such a mess that it's a real gasser. If somebody else gets upset because he didn't have any fun, I can at least thank him for putting up with me till the end of the tip.
- Q: Do you dance only in the plus or higher level halls at a festival?
A: No. I already said it twice, that a good caller can put on a real fun dance without using a lot of "high level" calls, and when we go to a festival we expect there'll be some good callers in the Mainstream hall.
- Q: Have you ever danced a whole evening in squares without any guests, if any were present?
A: Yes. If there are 10 or 12 squares on the floor, and only 3 or 4 guest or visitor couples, it's real easy.
- Q: Do you leave early if the level is too low?
A: There's that word "level" again. If we leave early it's because we're not having much fun, for one reason or another, or because we're too tired out to dance any more.
- Q: Have you ever told someone if they can't dance the level they shouldn't be there?
A: Sure, when it was somebody else's club I was talking about. No for my own club, but if I ever felt it would be good for that someone to be wised up, I'd say something like this: "The caller seems to be giving you a hard time. Did you ever think of trying someone else? Clubs aren't all alike, you know. You might really enjoy Sam Singalong at the Cozy Squares." What really pulls my cork is for a club to recruit a class and tell them that 25 or 30 lessons are going to make them real square dancers, and then pull that line on them after they graduate. It's even worse if they just dump them, and don't even bother to tell them that there are other clubs around that might be glad to have them.

CLUB

NEWS

Belles & Beaus

We'd like to offer a hearty welcome to new members Bill and Pauline Keyes. We know you'll find Belles 'n. Beaus a warm and friendly club the way all the rest of us have.

On the sick list Rita Stein from our class is recovering and will soon be back dancing. Stan Kubasiewicz is recuperating from his heart attack and we're anxiously looking forward to seeing him and Arlene in a square again.

Our combined club and class Valentine Pot Luck Dinner and Dance was held February 20 at Wesley Methodist Church and was a great success. The ladies as always provided delicious salads, vegetables and desserts while Cliff Laundry and his helpers handled the kitchen chores and cooked the meat. The evening was finished off by dancing to Art Harris's usual fine calling.

On February 27, we all enjoyed dancing to our guest caller Mike Harris and guest cuer Jody Mattice.

We congratulate Ton and Carolyn Stewart and Ed and Irene Zabelny on the birth of their new grandchildren.

At each of our dances, rounds begin at 8:00.

On April 5, we will be dancing to guest caller Jerry Carmen with Betty Carmen as guest cuer, so let's all turn out and give them a big Belles 'N Beaus welcome.

Boots n' Slippers

We would like to thank all dancers who made our Blizzard Ball a great Success. A very big thank you goes to Mike Harris for his outstanding calling. On March 16, we will have our St. Patrick's Dance. Visitors are always welcome. Mike Callahan is still holding his half hour refresher time from 7:30 to 8:00 on the nights he calls.

Our rounds start at 8:00.

Checkmates

Checkmates are dancing at every Tuesday night at 8:00, First United Methodist Church in Fairport. Guests are very welcome. Dick Casper calls his A1 with some Dancing by Definition. Keeps us alert!

In January Jim and Laurie Ross presented the club with its new banner, a reproduction of our badge: royal blue satin shield with white trim and letters. It hangs from a gold battle ax. Now that's an elegant flag, Jim, and the club really appreciates your lovely gift. Many thanks!

On Valentine's Day we had a Pot Luck Supper preceding the dance with Janet Leurgans in charge. The food was delicious and the special touches made it very festive. Square Dancers are the nicest people!

Cloverleaf Squares

Hi there!

Our February Activity was midnight bowling at Olympic Bowl on February 18. We all had a great time bowling and even a greater time stuffing ourselves at the buffet.

Our Valentine's Day dance was held February 12 as a class/club combined dance. The club enjoyed dancing with the class and getting to know them.

The guys sat back on February 26 at our Sadie Hawkins dance while the girls made their moves.

Winter Weekend is on its way March 16-18.

We're all looking forward to submerging into the mountains for a weekend. When we return on Sunday,

February 18, we will be having a come-as-you-are St. Patrick's Day dance including an ice cream social to celebrate Cloverleaf's Birthday. Why don't you join us for a fun filled evening of ice cream and dancing? The dance is a class/club level dance starting at 8:00 P.M.

Until next month, keep dancing and keep smiling!

TIPS for TIPS

- DO "check in" when you start a Right and Left Grand. That is, take a good look at this lady/gent and know that you're going to get back to the same person at the end of the movement. Of course you do the same thing for all the variations of Right and Left Grand: Weave the Ring, Grand Sashay, Daisy Chain, and Weave the Daisy are the most familiar.
- DO "check in" the same way when you start a Spin the Top. Your neighbor at the beginning of the movement is also going to be your neighbor at the finish, even though the whole set is arranged quite differently from when you started. Do it for Relay the Deucey, too.

Copy Cats

The Copy Cats had a great dance on January 28, with Mike Callahan calling an interesting and exciting dance. Jody Mattice on the rounds had all hands out on the floor in a specialty dance. Excellent evening.

The annual Valentine Dance was held on February 11. Again, it was Mike Callahan and Jody Mattice joining to call a sweetheart's night to remember. The hall was beautifully decorated by Barb and Brad Higgins along with Ralph and Jean Tilly. It was class level dance with many of our new friends joining in the fun.

Of general news, seven new couples have joined the Copy Cats coming from Chip Kellogg's refresher course. Also, we understand that the acoustics are to be improved at the Penfield Christian School hall used for the club's dances. The Copy Cats will retain their \$4.00 per couple guest donation so come out and join us soon.

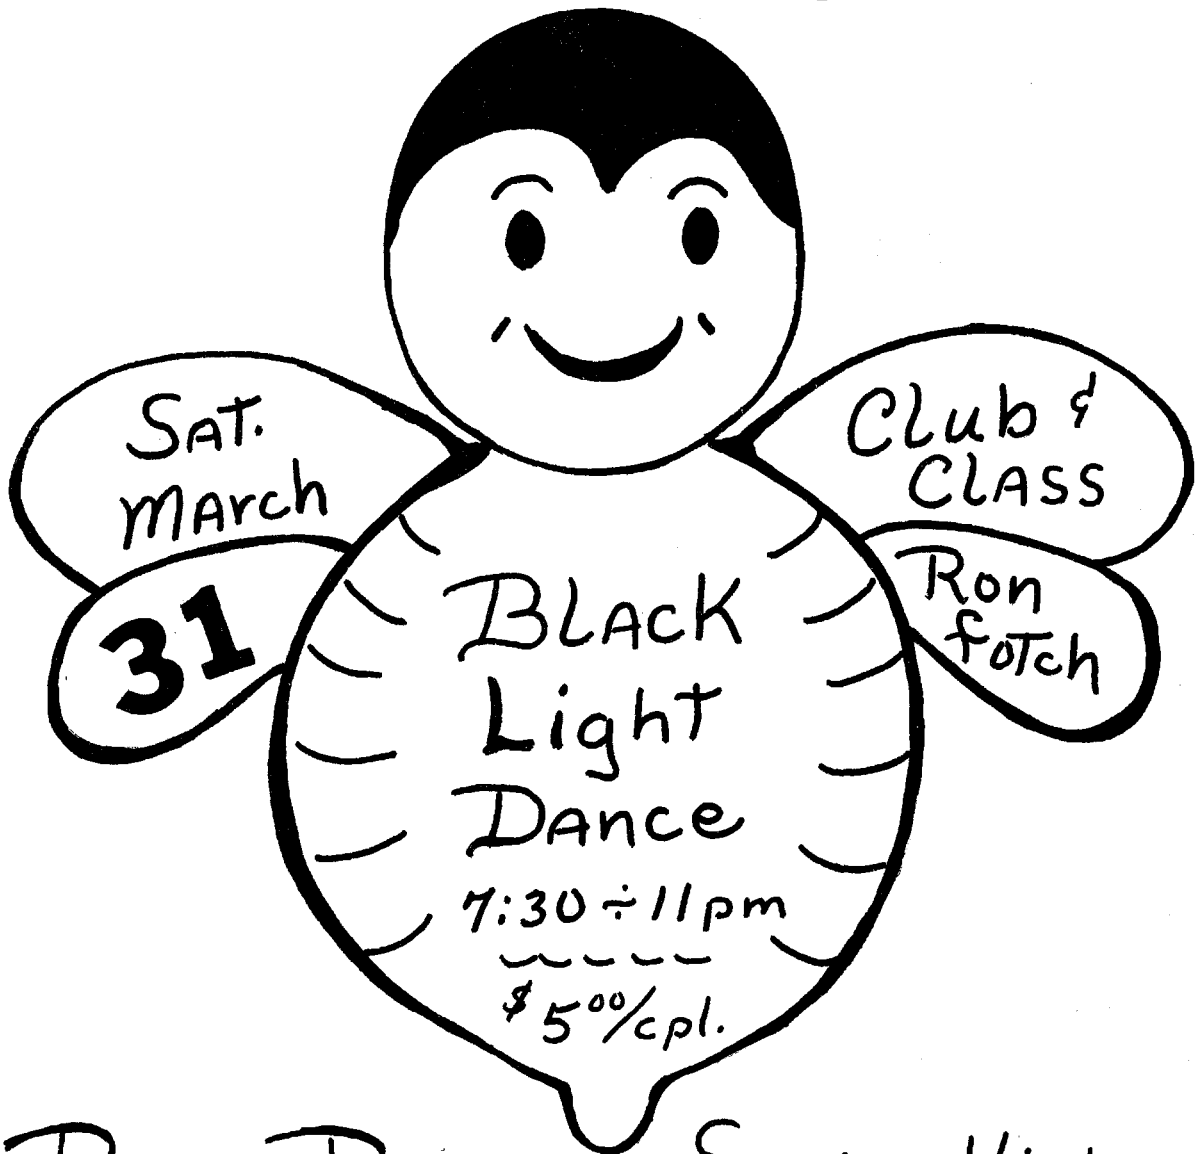

On March 10, lively Dick Casper will call squares with Linda Liberti on the rounds at 7:30: at the Christian School. March 24 will see the annual Swap Around dance which has created good interest in past years. Dancers bring their "white elephants" which are sold by bids. Lots of crazy items and every now and then someone finds a treasure. Mike Callahan will call with Betty Wolcott on the rounds 7:30.

Many square dancers called me last year to ask why Country Dancers didn't participate in Dance-O-Rama. For those that would like to try some traditional dancing, we will be with you at Brockport this May. Our out-of-town caller, Roger Whynot, will be with us again. Roger called for us the first year we had a full time contra hall - in 1977. Looking back in my old records, I see that Jerry Carmen was listed along with our club's regular callers. Since Roger Whynot also calls squares and has been featured at festivals and dances sponsored by Northway Squares, we hope he will have a slot in the dancer-graduate hall. More of that later. Sallie and Ken Paul will act as our official hosts, with the able assistance of two other couples from CDR.

Remember, we hope all of you can visit our club - come alone or with a partner. Square dancing experience is helpful, but not necessary. Our March 10th dance will be at Covenant Church - possibly with Ted Crane from out-of-town. Phone me if interested.

Each of our dances this month features live music. Information Reporter Barb Butenhof 244-1375

RULES FOR BANNER STEALING ..Cont. from pg. 3.

- At no time can a member club allow any other club to take a banner belonging to another club. Also, when a club steals a banner from a club, it is the receiving club's duty to safeguard at all times the banner they have stolen. If said banner has not been retrieved by the owning club within a reasonable period of time (Three months), the banner should be returned to the owning club.
- Banner Stealing shall be restricted to regular club dances only, and does not include any special dances a club might hold and so designate. In addition to those dances so designated, any dance which has a caller other than the regular club caller shall be a special dance. If a club does not have a regular caller, all dances shall be regular club dances unless so designated.

TIPS for TIPS

DO keep your sets compact: stay close to the other dancers in the square. Spreading out not only makes you travel farther to do each call, but also takes up more than your fair share of floor space.

TIPS for TIPS

DO look around when you square up, and make sure that you're not bumping against another set on one side while there's lots of space to move into on the opposite side.

Country Twirlers

Everyone is invited to dance with us in March! Jack Barnes is calling four dances on March 3, 10, 24, and 31, with rounds from 8-8:30. On March 17 we welcome Lew Terwilliger as our guest caller. This should be a real treat.

March 31 will be a Box Dessert Night. Every couple is asked to bring dessert for two wrapped in a box. For refreshments everyone will pick a surprise dessert. It should be fun! Please remember that this dance will be at the Florence Brasser School, 1000 Coldwater Road.

Start thinking about our "Rusty Hinges" dances starting Thursday May 3. These dances are a great chance for new graduates to keep going and practicing new calls. They are also an opportunity for experienced dancers to brush up and practice. Either way, they'll be fun!

Fun Luvin' Squares

Roar! That was March coming in like a lion. Let's hope that soon rising temperatures and soft warm breezes will have the early spring flowers popping up to say, "Hello".

We welcome two new members to our little gang, Blaine and Josephine French. They graduated in 1977 and later had to leave the activity because of other commitments. We're glad that they chose our clan to restart with.

March 7, Wednesday, will be our second travel date this year. As a group, we are going to go out and visit the Rimon Squares and share a night of fun with them and Mike Harris. Let our Mike and Mary Jane know it you're going, so we can give you directions and also warn Rimon how many to look for, fun, fun, fun!

A large "Thanks" goes to that fun-luvin' group, Glass Slippers from Brockport, for coming in to visit us on Washington's Birthday. Your company was sure appreciated. Just a thought, maybe next year we get all three Wednesday Night Clubs together for one night - wow!

Fun luvers, don't forget the C.U.R.E. Dance on April 7th. A good cause and we can become the first club to repeat with the highest percentage of attendance. Also, Dance-O-Rama, May 5th, keep that date open and get your tickets early.

Note. We dance in the Fellowship Hall except on the first Wednesday of the month. On that Wednesday, we dance in the Church, but not on March 7th.

EKC-O Squares

March has arrived and we're all looking forward to spring and the migration of our many club members and other many friends that dance with us to start arriving back here in the friendly North.

The long walk to the dance hall is almost over. On March 28th, we move back to Kodak Office and also change back to Wednesday night dancing.

Our March 16th dance will be a St. Patrick's Day Dance, so be sure to wear your Green or Orange (whatever). We always have a few people who aren't Irish.

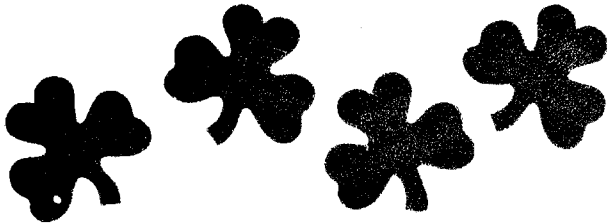

There are a lot of dear old friends who aren't dancing with us anymore, either because of illness or other reasons. If any of our present members know how these friends are, or even where they are, would they let us know. I'm sure the club members would like to know how and where these friends are.

Our rounds start at 7:30.

See you all in a square.

Genesee Dancers

We are pleased to announce that our guest caller for March 8th will be Ben McGilvery. Ben is a former Rochester caller now living in Saudi Arabia and is currently calling for four Square Dance Clubs a week. Ben and his wife, Sadie, are back in the States on vacation. Ben will cue the Round Dances and call the Squares. We know that you will enjoy dancing to this fine caller, so let's all come and give Ben a Genesee Dancers welcome. His many friends from other clubs are also welcome. This dance will start at 8:00 o'clock.

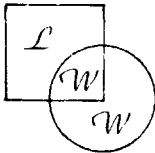

Our usual starting time is 8:15, with rounds beginning at 7:45.

Our 1984 Committees are: Social - Joe and Carm Dellapietra, Charles and Margaret Nemyier; Membership - Gordon and Bernice Nichols, Al Vroom and Marian Adkins; Publicity - Ben and May Young; Hospitality - Graham and Lorraine Chamberlain; Sunshine - Harold and Delora Greenlee; Historian - Dick and Neomi Kingsley; Senior Federation Representatives - Ray and Emma Schlesing; Junior Federation Representatives - Jack and Marion Hoyt.

Upon reading February PROMENADER, we discovered a mix-up in our listing of the 1984 Officers. The 1984 Officers of Genesee Dancers are: President Flo and Bud Parker, Vice Presidents Dot and Al Burnett, Secretary Nancy and Andy Andrews, Treasurer Lois and Mac Campbell, Program Helen Castor and Helen Kotwas.

February was a fun month at Geneva Friendship Squares. The class is progressing well - they keep the club members on their toes! Our annual Heart Fund Dance, February 10th, brought a big crowd. Thanks to all the dancers who donated to our heart fund and added excitement to our club dance. To round out the month, Guest Night, on February 24th was really great.

As for up coming events, don't forget to join us at the North Street School in Geneva, March 11. Mike Callahan and Bob and Nora Slomcenski will provide the entertainment beginning at 1:30 pm, with a round dance party followed by three more hours of toe-tapping fun.

March 23rd is our annual Cancer Fund Dance. (Club dance 8:00 pm at the Geneva Civic Center.) Please come and help us make the biggest fund dance ever!

Henrietta Friendship Squares

On behalf of all the new officers, we would like to say to our club members, "Thank you for putting your confidence in us." We are all looking forward to this next year.

The first officers' meeting was a success. Many new and interesting things were suggested for the upcoming year. So, keep your eyes on this column for news about: an all-singing-call night, a springtime "Square Dance Garage Sale", and possibly a friendship camping weekend.

Ron's Monday evening mainstream class is still going strong. The classes are held at Roth High School, in Henrietta at 7:30 pm. Anyone interested in a little brush-up is invited to join in the fun.

The plus-level group keeps Ron jumping on Tues. evenings. They also meet at 7:30 pm. at Roth High School. There is always room for more, and everyone is welcome.

March 10th and 24th, you'll find our club dancing at Pinnacle Lutheran Church, in Henrietta. We start at 8:00 and would love to see some new faces.

Our Country Western Celebrity Dance, with over 200 dancers attending, was a tremendous success, although the crowd had an initial disappointment. Because of a serious family illness, Pat Torpey couldn't be here. We had the 'Flower City Junction', a Ladies Quartet, who put on an entertaining show of barber shop harmonizing. With our very cooperative class helping the club, we had plenty of good sandwiches and cookies to serve. Because of the huge gym we were scheduled to use, there was a problem with acoustics. With Ron's patient persistence, his great showmanship, and his Honey, Betty's help, all difficulties were ironed out. Dancing progressed with fun for all!

This month we are planning a March 14th St. Patrick's Dance and a March 28th Oldies but Goodies Dance.

This year the club will be celebrating their 10th anniversary. A special celebration is being planned April 11th. More details about that next month.

Hope to see you all at one of our Wednesday night dances.

The Hilton Hillbillies Square Dance Club is the only teen group in the Rochester Area at present. The club is having financial difficulties.

On March 10, they are holding a special dance.

The entire square dance community is invited to join in their fun. Perhaps by our presence, we will be able to help them financially while having a "Rip Snorting" time. Hope to see many of you there.

IRONDEQUOIT SQUARES

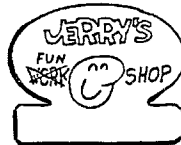

We're now dancing every week and you're invited to join in the fun. Our plus program dances are 1st, 3rd, and 5th Saturdays and on the 2nd and 4th Fridays we dance Mainstream to offer experience and confidence to new dancers as well as relaxed dancing for experienced dancers. Square dance attire is optional at Friday dances. A warm welcome to Dan and Cindy Warren and Ted and Aggie Taylor who have been our guests for some time and have recently joined us as members. Make Merry with Mike on March 3rd, as Mike Callahan calls for us and Brian Adams cues.

We'll be "Wearin' the Green and Dancin' a Jig" for sure on March 17, with a fun-filled St. Patrick's Day Party. Come twirl and whirl with those Irishmen: Jon and Sue McNally and Brian and Judi Adams. Pres. Bob Bierre will be providing the Blarney! We'll be trimmin' the hall and servin' those special refreshments. You're all welcome as can be!

Hope to spend Saturday evening, April 7th with all of you as we open our hearts to children thru the C.U.R.E. Dance at Churchville-Chili Sr. High. Please join us in T.L.C.

We hope by the time you read this, spring will be on the way, and as I write this it is very cold out.

Two of our couples, the Pankratz's and the Lupold's went to Philadelphia for a square dance weekend. Marian Ellinwood should have by now the full use of her left hand after her operation in December. We thank Mike and Joyce Ford for the use of their basement when the boiler quit one cold Sunday night.

We welcome all guests, dancing Advanced the 2nd, 3rd, and 4th Sundays of the month. See schedule for time and place. Happy Square Dancing.

BANNER STEALING

A new club dancer cornered me with the quiz, What is Banner Stealing? Is it a fun thing or a felony?" I whipped out the latest Federation Banner Stealing Rules and gave him a copy and an explanation.

Whew! ..I was off the hook!..or was I..?

It wasn't always that simple, you know!.. I remember...

Years ago, when Dot and I were new dancers and looking for some answers, we were told that on a given night if four couples from our club danced at another club, this allowed us to take home their banner. If they came back with four couples they could retrieve their banner. With eight couples they could get their banner back and in addition take home our banner again. It was a good way of meeting other clubs, new people, dancing, and promoting square dance friendliness. Sounded simple,..not so!

Murphy's Law seemed to prevail.

One club actually had their club banner stolen during the course of a regular dance!..It was never located.

Another club refused to allow their banner to be removed because one of the four visiting couples had not arrived in time for the first tip!

A second club withheld their banner because one man from the visiting club was on crutches and couldn't dance!

Sounds like, Believe It Or Not, Ripley!

One club nixed the banner removal because it was alleged one of the visiting couples was a "Ringer" from another club using a borrowed badge.

Another club withheld their banner contending they had a "guest caller" that night, and that made it a "special dance". Similarly, another club called their Valentine Dance a "special dance".

We smiled when we learned about a new club that had their new banner challenged and their President remarked, "No way is this banner going anywhere. It just cost us \$140.00".

then there were times when there just wasn't any banner...

It was not uncommon for the club caller to give up his shirt if there was no banner available!

At one dance, however, the Caller's Taw would not let the caller remove his shirt! Everyone wondered why. It was only when we danced at the visiting club that we noticed a pair of bright red pettie pants displayed next to the banner! The Caller's Taw had graciously yielded them in place of the banner and the shirt. Why? She confided that she didn't want anyone to see holes in her hubby's undershirt!.. Could this be why that caller was asked to repeat the call, "Ladies in, Men Sashay", so often?

The club practice of not having enough traveling banners could be humorous, if carried to extremes. On one occasion our club gave a replica to the visiting club. It was a cuddly stuffed black cat.. It was a cute idea and went over favorably with the visiting club.

But what would have happened if we went dancing at some other area clubs and saw the following displayed: a bottle of Genny Lite, a Mixmaster, a Chess Piece, and Indian Head Penny, a Box of Morton Salt, an Allstate Good Hands Ad, a Ladies Plastic High Heel Shoe, a Big Bumble Bee, a Hangman's Noose, a Package of Lima Beans, an Indian Arrowhead, a Colt 45 Revolver, a Daddy Long Legs Spider, a Skein of Yarn, a Zircon Gem, or a Big Red Apple? (How many did you get right?) I guess one must use some common sense and keep banner stealing a fun thing...

Not like one club officer phrased it, who happened to be a financial expert of a successful business, "All I see when a club comes here to retrieve their banner and take ours back is, 8 couples X \$4 = \$32 in the treasury". (This rates a TSK, TSK.!)

(Cont. next column.) (15)

Banner stealing can be lots of fun and good fellowship, but profit-wise remember what Michael Conrad, the police sergeant on Hill Street Blues, says each week as he points to his squad, "Remember, you be careful out there today".

Simpler, if banner stealing was called banner swapping, banner snitching, or banner bartering?? NAW, I LIKE IT THE WAY IT IS,...

Merry Mixers

Sure-n-Begorra if 'tain't' that time of year again! Now that February is behind us, we can look forward to the 'wearin' o' the green' and the lookin' to the spring.

We, at Merry Mixers, are looking forward to our class graduation on March 6th, with a pre-graduation party at the home of our gracious hostess, Rosemary Mykins.

On Tuesday, March 27th, we will be hosting a Styling Workshop given by our most able Caller, Mike Harris. This will be a great opportunity to learn how to put more beauty and gracefulness of flowing movement into your square dancing. We will be dancing in the large hall at Pinegrove that evening. For more information, please, read our ad in this PROMENADER.

June 15th will be our Trail's End Dinner-Dance at the Red Men's Party House. More information to follow.

Our member, Ruth Vaisey, is feeling better after her bout with pneumonia.

May the luck of the Irish be with you all and take a leprechaun by the hand and come dancing with the Merry Mixers!

The Mid-term Ball on January 20th was a fantastic success. A delicious roast beef dinner was prepared by the Redmen's Party House. You can be sure no time was lost in working off the delicious meal. We had twenty-two squares that evening. Can you imagine wall-to-wall dancers! Nice to see members from other clubs dancing with us.

March 13th is our St. Patrick's Dance when we will have on hand our class caller, Jack Sadwick, at the microphone. I'm sure his class will be joining him that night. You won't want to miss this one. Promenading B's

Spring, traditionally, signals a new beginning... new life, new hope, new friendships. They say a young man's fancy turns to thoughts of love .. no one seems to know what happens to a young girl's fancy.

Spring, as always, brings in March, that touchy month that can't seem to make up it's mind. Some say "in like a lion, out like a lamb". Some say the opposite. Most folks don't say.

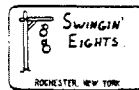

The Bees can't predict how March will come in, but we're planning on letting it go out in the dark. March 31st is our Annual Black Light Dance. Every other tip is danced under black lights, creating beautiful floating images across the floor.

The dance is held at the Byron-Bergen High School Gym, Townline Road, off Rt. 262, Bergen, New York. Ron Fotch calls all the sets. His calling combined with the music, decorations, lights, and friendship make for an exciting, enjoyable experience.

So bring your four-leaf clover and have some fun. We'll see you on the dance floor.

Happy St. Pat's to everyone. Not too much news this month. First off, I want to thank everyone for my cards and gifts while I was in the hospital. I'm back on the road to recovery and will be back dancing real soon.

We will have our St. Patrick's Dance March 17th, so put on your green and join us.

Bill and Helen Klien are on their way to Hawaii. Guess they need a break from the snow. Starting Thursday, March 8th, we will be sponsoring Class Level Dances at the Church of the Ascension, Lake Avenue at Riverside Avenue, four blocks South of Kodak Park. The time, 8:00 to 10:00 pm. Donation \$4.50 a couple.

I would like to add a note to Al and Sara Lichterman. We would like to extend our deepest sympathy on the loss of their son. Our prayers are with you. Well I'll close and keeping thoughts of warmer weather and sun. Don't forget Rounds at 8:00.

Each day brings us closer to spring. A great thought with all the classes that will soon be graduating many excellent square dancers this year.

February found us very busy with our spring Open House. Our new class has a lot of enthusiasm for square dancing under the guiding voice of Jerry Carmen

Wow - did we enjoy our 2nd annual Kissing Kuzzins Dance with Mike Herne calling. He sure had a knack for making us enjoy the Kissing and Yellow Rocks with his calls.

The March winds will be howling, but we will be inside enjoying our dances, starting with March 5th, as guest night. March 12th finds us enjoying and spreading much of the Green. March 19th will be a regular dance night. We will end the month with a Hawaiian Dance on March 26th.

We look forward to meeting and dancing with many of you during the month of March.

February was highlighted by the delightful Valentine's Dance chaired by Ron and Joan Magin. They and their committee provided a memorable fun-filled evening.

The Ski-Dance Trip to Old Forge was enjoyed by all attending.

Coming up in March is our first dance of the month with all Singing Calls, which are never better than when called by our own Wild Bill Wilcox.

I am reminded to remind all that the Web Spinners is a Mainstream Club. Bill is making our Second Tip "Hot Hash" leaving the end of our evening for more relaxed dancing.

Round dancing starts at 7:45 with Gordy work-shopping until the start of Square dancing at 8:15 and then cueing for rounds between the square dance tips for the rest of the evening.

March 16th is our Annual St. Patrick's Day Dinner Dance which will be held at the Webster Fireman's Hall on Sanford Street in the village. This is a closed dance. Reservations are required. Cocktails at 6:30 with supper around 7:00 and then dancing.

March 30th is Guest Caller Night with Charles Valente from the Geneva Friendship Squares doing the calling. Let's have a good turn out for him. Visitors are welcome.

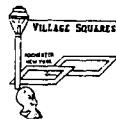

Last note. March 9th will be election of officers. Be sure to be there.

TIPS for TIPS

DO forgive the caller for his once-a-month mistakes. Do you really expect him to be the only person in the room that's perfect?

Village Squares

We had an exciting time at a class night in January when bride and groom Kathy and Jim Cutter attended within hours after their marriage. That is true loyalty! It was a festive occasion complete with punch and a beautiful wedding cake baked by Marie Heisler. We were happy to share their joy and offer our heartiest congratulations.

The leprechauns will be out in full force this month and there will be much "wearing o' the green". The big event coming up is the annual St. Patrick's Class and Club Dance on Saturday, March 3rd at 8:00. The challenge is on again this year between class and club as to which one will have the highest attendance. This is "no blarney". Someone will get a pie in the face! Be sure to come and join in the fun, and find out who the losers are. This energetic class, so full of ideas, has been working hard, and we're going to have a great time that evening.

The club's St. Patrick Dance will be on March 12th and our class is invited to come that night. We really enjoy dancing with this class and are looking forward to having them join the club next month when they graduate.

TIPS for TIPS

DO if you've ever heard the term "inactive couples," get rid of any idea that they're really inactive. "Inactive couples" very often have their own movements to make in a call, and they should keep track of what's going on just as sharply as the actives, so they are ready to move when their time comes.

Callers' Co-op

Callers Co-op has so much to be thankful for! On February 5th, our callers showed their talents behind the mike with wonderful support from the local round dance cuers, following the 1984 edition of the Leadership Conference. As Chairmen, Bruce and Shirley Shaw, with co-support from Myron and Peg Huss, presented a host of true "Leaders" in local area square/round dancing clubs, in a panel discussion. Ron and Joan Magin - Web Spinners, Bud and Nancy Lang - Genesee Dancers, Ken and Joan Blind - Swingin' Eights, Herm and Millie Mueller - Ekco Squares, Gary and Betty Hults - Rimons Squares, Bob and Nora Slomcenski - Stardusters.

A proposal has been presented by Bruce Shaw concerning the summer dancing program. Concerned with the drop out rate, should the area clubs refrain from teaching a plus program? What's your opinion? You have a chance to speak March 4th during a round table discussion, begins 3:00 pm, Sunday March 4th. Covenant United Methodist Church, 1124 Culver Road.

Now is the time to come to the aid of your callers! We need your input.

Special Surprises

Triggers

In February to help us escape the winter doldrums, Irene and Bernie Sabernick livened things up with a Frosty the Snowman night. While a square was dancing, dressed in humorously decorated billboards depicting snowmen, our caller Mike Herne, was wrapped in white tissue paper. Wearing gloves and a top hat, he looked like a real snowman. Bernie cleverly designed the billboards. Irene's unique homemade cake shaped like Frosty was beautifully decorated and delicious as well.

March 6 is guest night, and we hope to see dancers from Cloverleaf Squares, Ekco Squares, Iron-dequiot Squares, Kuntry Kuzzins, Merry Mixers, and Web Spinners.

Our round dance class under Jody Mattice's instruction is doing so well that each Tuesday night we have many enthusiastic round dancers enjoying themselves. Between tips, we have square dancer's rounds. Round dancing as well as square dancing is being emphasized by our caller.

On March 13, we'll be having dessert for two; everyone will bring something special, and we'll have fun sampling.

On March 20, for our mystery ride, we'll dress in our square dance togs and meet at Parkland School parking lot at 7:00 pm, to be taken on a "wild journey" by Paulette and John Bo. We will car pool.

Welcome to two couples who recently joined Trigger Triggers, Tiny and Grace Flugel, former members, and Mary and Creig Spell.

Congratulations to our youngest retiree from Kodak, Jim Appleton, with 30 years service. Ruth will keep him busy.

The Twietmeyers will be dancing the hula when they journey to Hawaii. Maybe Norma will teach us a hula line dance when they return!

Remember every Tuesday night we extend a warm welcome to square dancers from all clubs.
