SQUAREDANCING

ROCHESTER AREA FEDERATION OF WESTERN ROUND AND SQUARE DANCE CLUBS INC.

CHUCKY HOEDOWN

ISN'T FUN "U" WITHOUT YOU

COVER BY: C. PRISTER

Editor's Note:

A few opportunities that have crossed my desk:

-Dance at the Lilac Festival. Fri. May 25, at 11:00 - 12:00. Mike Herne calling. Call 426-2339 for more information. As many dancers as possible are needed for a good showing.

-Dome Arena Building #1. Sun. May 27 at 1:00. This is a real special and fun demonstration. Mike Herne calling. Info: 426-2339.

-If you happen to be in Washington D.C. on June 27, the National Folk Dance Committee is sponsoring a large square dance on the West Terrace. If you've never danced at our nation's capitol, you're missing quite an experience! Information 494-2102.

ROCHESTER AREA FEDERATION MEETINGS

Three copies of the minutes of the meetings of the Rochester Area Federation of Western Round and Square Dance Clubs, Inc. (take a new breath) are mailed out to each of the affiliated clubs: one copy to the President of the club and one copy to each of two pairs or couples of club representatives. There's no way that the Corresponding Secretary of the Federation can send mail to somebody whose name & address she/he doesn't know. It is the responsibility of somebody from the club to see that the Secretary is kept informed of the names and addresses of the current occupants of these positions. If somebody out there doesn't know what's going on because he/she isn't getting a copy of the minutes that she/he is supposed to get, better make sure that the Corresponding Secretary knows who and where you are!

Federation meetings are rotated from Monday to Thursday night of the week, so that the interference with club dances is held to a minimum, and doesn't always happen to the reps of the same clubs.

SILVER CLUB

- 25 -

Dance with 25 callers and get their signatures in the Silver Club booklet, to earn the right to wear a very special rich-looking dangle. At least 15 of the callers must be Federation callers. A Federation caller is one who is a regular caller or class teacher for a Federation club, or a member of the Callers' Cooperative of Rochester, which is one of the groups affiliated with the Federation.

Up to 10 of the signatures may be visiting callers at any Federation club or Federation-sponsored dance, for instance Dance-O-Rama. Callers that aren't eligible to go in your Silver Club booklet are any out-of-town callers at an out-of-town dance that you may be visiting on vacation (but we hope you will get their signatures in your Century Club booklet).

Eligible callers were listed on the back cover of the booklet when it was printed, but there have been some changes since then. For instance, Jack Barnes has become the regular caller for the Country Twirlers in place of Jim McQuade, so Jack is OK but Jim no longer qualifies to be one of the 15 local callers.

If you have any questions or want to get booklets, ask your Federation representative, one of the Federation officers, or call 225-2796. If you get your booklet now, you will be all set to get the signatures of three or four of the visiting callers at Dance-O-Rama, and four of the local callers at the CCR Trail-In dance on April 28.

Carmen's Column

Jerry Carmen

We are fortunate in this area to have a callers organization that comprises most of the callers in the Rochester area who work reasonably well together. That organization is the Callers Co-op of Rochester otherwise known as the CCR. Many of you are probably not aware there is a callers organization and most probably do not know how we are organized nor what we do.

Basically, our organization is set up to provide fellowship and the free exchange of ideas among callers, as well as to promote personal improvement. We want to help develop better callers and leaders which in turn will help sustain the square dance activity we enjoy so much in the Rochester area. Membership is not limited to callers but is available to anyone who desires to improve modern square and round dance leadership

All this is fine, you say, but how can the CCR serve YOU, the dancer, directly? The CCR is not an exclusive group and there are many ways you can have an input to express your views. Our direct connections to dancers are (1) the individual caller-member, (2) the Rochester Area Federation of Clubs, (3) our monthly meetings, and (4) the U.S. mail. The CCR welcomes constructive criticism and we are eager to promote or discuss any ideas which will improve the square dance picture. Since we are an organization of callers, ours is an ideal place to contact if you need a caller for a special project or even to interview for your club. Is there something unethical or disturbing that is bothering you? Ours is the place to bring it up. Do you need an opinion on calls, callers or programs? See us. You can approach us with virtually anything you want except personal attacks on individuals. We try not to deal with personalities. Here's some more about our avenues of communication:

- (1) The caller-member. Got something you want to say? Discuss it with your club caller who probably is a CCR member. If he feels it is worthwhile, he will be glad to bring up your topic for discussion.
- (2) The Federation. The CCR is a member of the Federation and we generally have a representative there. Approach us by that means through your Federation representative.
- (3) Our monthly meetings. Our meetings are generally open to anyone who wishes to attend. They are held once a month on a Sunday afternoon. To find out about them ask any caller. To promote communication between callers and dancers, we sponsor a leadership conference in cooperation with the Federation. The square dance community is invited to attend and this would be an excellent time to express your views.
- (4) The U.S. mail. Are you better at writing than speaking? The CCR meetings are guided by two elected members called Moderators. At present, Mike Callahan and myself, Jerry Carmen are the CCR moderators. Drop us a line.

ATTENTION!

Any square dancer who is a marketing or advertising executive, or a motivational consultant, please call Orlo Hoadley at 225-2796.

BETTY & COVIE DUNCAN

If you see Covie and Betty at a dance, don't hesitate to make their acquaintance. You'll be glad you did. This friendly couple has been contributing to square dancing for five years, every since they started. The Promenading B's, Cedergrove Cloggers, Fun Luvin, and Circulators Clubs have them as members. While they were representing the Promenading B's at the Rochester Area Federation, they became involved with the Demonstration Committee.

Heading the Demonstration Committee for the Federation has kept them busy for the past three years. They seem to accomplish the impossible by setting up demonstrations at festivals, events, malls and gathering gatherings.

When an opportunity to present square dancing occurs, Betty and Covie go into action. Making contacts with the organization and setting up time and place is a lot of work but they don't stop there. Next they get a caller and dancers so they're sure of a successful demonstration.

The following demonstrations attest to their expertise: Lilac Festivals, Parks, Fair, Mid-town, Churches, Dome Ariena, Nursing Homes, and Malls. If you are willing occasionally to dance at a demonstration, call Betty at 426-2339. You'll be glad you did. You get a free dance, a grand sense of contributing, and a chance to meet some super people. No two demonstrations are the same.

Presently, they're working at setting up a demonstration at the Genesee Valley Park on July 8th as part of the Susquicentennial Celebration.

They're working on this year's Lilac Festival, but details have not yet been worked out as of this writing. Give Betty a call if you want a really special time and share in this year's Lilac Festival. Phone 426-2339.

Sunday, May 27th at the Dome Arena Building #1 will be a lovely demonstration. That has been a really fun time in the past. Don your square dancing clothes and come at 1:00 PM. Mike herne will call for awhile, and there will be lots of other good entertainment that you'll want to see. We need as many square dancers as possible as it's a large building. Plan to stay for the afternoon because (believe me) once you're there you won't want to leave! There'll be lots of things going on there. Call 426-2339 for information.

THE STORY OF MY LIFE

A Round Dance Fable by John Oakley

Despondent from my disagreement with my girl friend, Betty, I sat and stared at the *FOUR WALLS*. I decided to try to make up so I went out and bought some *ROSES FOR ELIZABETH*. I asked her to go to the Japanese restaurant for some *SUKIYAKI* but she said she'd rather go to *NEW YORK, NEW YORK*. I said "Why don't we go to the *STREET FAIR* and do some *FUN STUFF?*" but she wouldn't *ANSWER ME*. Finally she said what she really wanted was to go to a *LOUISIANA SATURDAY NIGHT*.

From the look in her *CRAZY EYES* I could see she would be *NEVER SATISFIED* so I wandered *SOUTH OF THE BORDER* and met a girl called *MEXICALI ROSE*. I loved her *SPANISH EYES* and she and I went *WALKIN' AFTER MID-NIGHT BY THE LIGHT OF THE SILVERY MOON*. I stayed with her *ALL NIGHT* but I knew it couldn't last as I stood on the pier and watched her boat *SAIL AWAY* and go *CRUISIN' DOWN THE RIVER*.

I decided to *WALK RIGHT BACK* home and one night *FEELIN' LONESOME AGAIN* I went to a party. I met a *BEAUTIFUL LADY* and said "*CAN I HAVE THIS DANCE?*". She replied "*YOU DON'T KNOW ME!*" I asked her name and what she did and she said "They call me *SWEET CAROLINE* and I'm a poet". We walked out and watched the *LITTLE WHITE MOON* making *DANCING SHADOWS* through the trees. I was humming a little *SONG IN THE NIGHT* but she kissed the *TIPS OF MY FINGERS* and murmured, "*HUSH, just HOLD ME and WHISPER YOUR LOVE!*". I kissed her *HOT LIPS* and said, "*YOU ARE MY FAVORITE THING!*". And *TODAY, THE POET AND I* are happily married and living in a vine covered cottage on *PRIMROSE LANE* and I've *NEVER BEEN SO LOVED*.

Note that if no facing direction is given, the movement ends as in Tag the Line, with dancers in single file awaiting the next command.

Timing: 6 beats.

Roundalab will conduct Round Dance Seminars entitled, "Roundalab in Action", "What is Roundalab?", "Roundalab Phases II & III", "Roundalab Phases IV & V". Location of these seminars will be found in the convention program book.

Celebrate September as Square Dance Month along with thousands of dancers throughout the world! Beginning this year Square Dance Week has become a whole month - 30 days to promote our favorite activity! This change was made by Legacy International at its biennial meeting in St. Louis, Mo. last year in order to get more areas to participate. Many people found the third week in September was too late to promote dances before classes began; and others had area celebrations early in the month which could feature Square Dancing more easily. Hence, the change of dates. So, PARTICIPATE! Plan your events now. Ideas for promotions may be obtained by writing to Harvy and Gerry Hanggi, Square Dance Month Chairmen, 395 West Minnesota Ave., Roseville, Minnesota 55113.

Dancer Answer is provided by Legacy and is a listing of leaders from many states who have volunteered to assist in getting answers to inquiries concerning the square dance activity. For the New York State area call Bill Jenkins 518-251-2835.

Legacy extends an invitation to all dancers attending the 33rd National Square Dance Convention to participate in an after party on Thursday evening June 28 at the Arena-Civic Center in Baltimore, Md. From 11 pm to 1 am, Legacy will present an opportunity for dancers to dance thru the last forty years of Square Dance history.

Belles & Beaus

Another season of dancing at Belles 'n Beaus will soon be over. Our class will graduate May 7 and will be with us at our Trail End Dance and dinner at the Three Acre Party House on May 18. After all the bad weather we've had many of us are looking forward to some outdoor activities. But the end of our formal dancing season does not mean the fun is over. On June 10, we will have our ever popular car rally with games and picnic followed by dancing to our own Art Harris.

On July 22, all the experts and duffers alike will have an opportunity to show their skills at the Scotch Golf outing. The golf will also be followed by a picnic. On the weekend of July 27 and 28 many of our members will travel to Niagara Falls to dance to Art Harris in that city's annual celebration.

On March 17, ten couples from Belles 'n Beaus joined Harris Squares in Niagara Falls for their annual St. Patrick's day party. There was much good food and good dancing and a very relaxing evening.

Don't forget to bring friends, acquaintances, relatives and even strangers to our open house on May 9. Our club is strong and new members will help keep it that way.

Until next month, best wishes from your Reporters,

Happy Spring! It's finally here. In April a group of us went out to Hamlin Beach State Park for a bike ride followed by a very challenging Easter Egg Hunt.

I would like to thank our guest callers, Mike Herne and Jack Sadwick, for doing a great job of calling for us on the 8th and 15th of April. It took a great amount of courage. One never knows what will happen at Cloverleaf Squares.

May holds a number of fun activities. May 13 is Mother's Day and mom's get in free! On May 26 we have our Swinging Singles/Cloverleaf Squares Memorial Day Picnic at which the Clovers will undoubtedly kill the Singles in the annual softball game.

DOR is here and it's an event you won't want to miss. See you there. Ron Libby's coming very soon. June 3 at the Redman's Club. Save the date so you're not sorry.

Happy Dancing!

LEGACY NOTES (Continued from page 5.)

The National Square Dance Convention in Baltimore in 1984 will be three days filled with some of the best dancing anywhere, but dancing is only part of the fun filled convention. Education is a very important part of the total program and Legacy invites all of the dancers and leaders attending to plan to include some of the seminars and panels in their daily schedule. Please check you Convention Program Book for the location of these panels.

Where has the winter gone? Seems like we had our rusty hinge dance just the other day and here we are planning for class graduation. The Copy Cats will have their new grads in black academic caps on May 1st as they receive their diplomas and become members of our dancing community.

The dessert social on April 14 was really yummy. The guys outdid themselves and the Copy Cats and guests sampled the greatest spread of sweets seen since our last dessert social. What's a few extra pounds among friends?

The Copy Cats will hold dances all summer long. This is unusual for a club and we hope all our friends will drop in and keep their dancing tuned. Keep looking for further news?

The plans are in hand for the Trails End Dance on June 23. Mike Callahan will make it a singing call night. That's right, its an all singing call dance. Be looking for you folks as our season winds down. Information Reporters,

With the coming of Spring, we welcome back our snowbirds. We have missed all of you throughout this long and hard winter. We will be having an A1 workshop starting May 18th at Covenant United Church at 8:00 pm for those dancers wishing to bridge the gap from the Plus Program to the Advanced 1 Program and also for those who want to brush up on their A1 dancing. If you're taking A1 elsewhere, double up on your lessons and come and join us. We dance rounds with Dottie Reed at 7:30 on the 1st and 3rd Wednesdays each month. See the Wednesday night schedule.

Thanks to the Coco's and Licata's for their decorations and goodies at the St. Patrick's Day Dance. They did a fine job and a good time was shared by all. The flea market in April was a success thanks to the Statts - the proceeds go to the Sunshine Fund to send cards to members like Bob Smith who is recovering nicely from eye surgery and to Stan Kubasiewicz who is recovering from a heart attack. We hope to see both couples on the dance floor very soon.

Terry Veniskey became a grandmother again - the boys are now ahead of the girls 5 to 3.

Check on flyers for our A1 campouts - the 1st one will be on June 15, 16, and 17 at "Camp in the Woods" just outside Canadaigua. They serve great group breakfasts and chicken BBQs. In case of cancellations due to inclement weather (shouldn't happen now) or for any other reason, remember to tune in to radio station WVOR for announcements in the future. Your reporters are leaving for a Carribean Cruise this month so we'll see you in June. If you feel a desire to get away from Rochester during the winter of 1985, check into our Hawaiian Cruise.

Come on out and join us some Wednesday night for lots of fun. We'd love to see you.

Checkmates

Checkmates are into a changed schedule for May. Dick Casper starts his class for A1 on Tuesday May 15 at 8:00 pm. These will continue each Tuesday into August at the First United Methodist Church in Fairport. If you are ready to add new calls to your present skills with A1 - or want to review or improve your A1 - we'll see you in class on May 15.

The regular club dance is Tuesday, May 1 at 8:00 pm and this ends the winter schedule. The only other May dance is on Wednesday May 16. Of course, guests are very welcome.

On March 28 Checkmates were able to surprise Dick on his birthday by all showing for his guest caller appearance at Ekco Squares.

Having been snowed out for our planned club Pizza Party, we are all looking forward to bursting out with spring in our steps. May is full of lots of plans.

Our eager class is working hard to prepare for their Graduation. The club is planning a Pot Luck Supper on May 9th to honor our graduates.

May 16th we will be having Jerry Carmen as guest caller, because Ron and Betty will be off on an Educational Vacation. We're sure Ron will pick up a lot of great Tips to make our dancing even more exciting.

May 23rd, we will be having a special celebration for our 10th Anniversary of the club. We wish to see many guests. For Memorial we'll be wearing lots of Red, White and Blue on May 30th.

Let's have lots of dancing feet from our class and club at the Dance -O- Rama. As recent class members, we know what fun it was last year to watch all the various dance programs, while our own feet needed to rest.

Come to Brockport to square-up with us on Wednesday nights!

(COUPLES TOO!)

- 1) SINGLE ROUND DANCE GROWTH HAS GIVEN BIRTH TO SINGLE'S ROUND DANCE CLUBS IN LOUISVILLE AND OTHER CITIES. ISN'T ROCHESTER READY FOR A SINGLE'S ROUND DANCE CLUB TOO?
- 2) DON'T WE NEED A CLUB WHERE SINGLES CAN RAISE THEIR SKILLS BEYOND THE ELEMENTARY ROUNDS WHICH ARE THE CEILING AT SQUARE DANCE CLUBS?
- 3) A ROCHESTER CUER IS WILLING TO HELP A SINGLE'S ROUND DANCE CLUB EVOLVE - IF WE DEMONSTRATE INTEREST.
- 4) VOTE FOR THIS IDEA BY SENDING ME YOUR NAME AND ADDRESS. WHEN WE COLLECT A COUPLE DOZEN SUPPORTERS, WE CAN SECURE A HALL - AND START DANCING!

Shamrocks were our guests the last Sunday in March, and we were glad to have them dancing with us. Several of our couples enjoyed going to FLAC in March and to Clinton in April. We hope to see everyone at DOR.

We dance Advanced, the second, third and fourth Sundays of the month from 7:30 to 10:00. Guests are always welcome. See schedule for place.

We wish all Mothers, a Happy Mother's Day.

EKC-O Squares

Hi Square Dancers!

We have a great list of callers for May, so come and try dancing with us in a great hall, the Kodak office. Many of our snowbirds have returned North and are dancing with us again.

There is no excuse for not getting out and dancing with us anymore. You can't complain about the long week, or the weather or the sound, and it's air-conditioned if it should get too warm. So lets see all our friends dancing in May.

The Dance-O-Rama is a fun dance to get out to also. So let's get dancing. It's good exercise too for all of us who need a little something to help offset the Easter candy we had to sample.

The class with Jack Sadwick is coming along nicely and it won't be long before MAY 30th when they graduate.

As of our first June dance, the class will be official members of EKC-O Squares and will be a welcome asset to the club.

See you dancing! Remember its good for you!

Kuntry Kuzzins

May brings to the Kuntry Kuzzins Jack Sadwick on May 12th. Dottie Reed will be cueing rounds. 8:00pm at Kelley School in Newark, New York

At our class-club dance recently, it was good to see so many class members having a good time.

The Kuntry Kuzzins are looking forward to having Jerry DeVaul call on June 9th. This will be a very special dance for Kuntry Kuzzins. Come and enjoy the fun. More and more people are round dancing. Our Kuntry Kuzzins are most fortunate to have Dottie Reed as our cuer. We thank you Dottie for making all of our dances round and square. We see more feet in motion, and many happy faces.

Promenading B's

Swing into Spring with the B's. Get out those flowered colored outfits and come dance. Ron Fotch will be calling all month at the Byron-Bergen Elementary School for us. So you can bet to have a great time!

On May 18, we welcome our new members in. Their graduation will bring them memories, as sweet as honey, in years to come. For the rest of us B's it means more fun in the hive, and new friends in the future.

So come dance with us and meet the new "B's" in the square.

Merry Mixers

At last, the merry month of May with thoughts of the coming summer and our singles convention in Orlando, Florida!

Our graduating class had a momentous evening with a pre-party at Rosemary Mykin's, mortar boards, diplomas, and club party. Gert Hauck, our most creative president, baked them a beautiful cake in the shape of the square dance insignia with their initials on it.

Please do not forget our Trails End Dinner Dance on June 15 at the Red Men's Party House, 1001 Lexington Avenue.

Larry (Curly Top) McGilvery left in March with his parents, Sadie and Ben, for a visit in Saudi Arabia. Sorry to hear that Ben was ill while in Rochester. By the way, Sadie and Ben were the originators of the Merry Mixers Club way back in 1970.

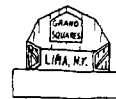

Grads and everyone, try to make the Dance-o-Rama in Brockport. There is fun for all at every level - even no level (spectators).

As I am writing this, my last report, my mind and heart are remembering many happy memories of square dancing in Rochester. Aside from the fun of dancing, the lovely people one meets through dancing is so very heartwarming. This association is giving me the confidence to move to Florida with my family, knowing the square dance community there will help me ease in. Much affection to all of you.

And, singles, come dance with me at the Singles Convention in Orlando in August!

Triggers

Our March mystery ride to Brighton Town Park (Carmen Clark Lodge) under the direction of the Bos was a big surprise. We thank them for a well-planned and enjoyable affair. It was nice having the Muras and Haungs join us that evening.

This is graduation time for Triggers. Jody Mattice's round dance class graduated April 10. It is so nice to have the Appletons, Halls, Herkos, McConkeys, Pounds, Raymonds, Sabernicks, Sages and Tshokaschs round dancing.

On May 8, we welcome our square dance class graduates -- Walt and Helen Brown, Irene and Peter McNaughton, Hazel and Bob Stenzel and Ross and Walt Zeller. We know you will enjoy dancing.

We're looking forward on May 1 to guests from Cloverleaf Squares, Geneva Friendship Squares, Kuntz Kuzzins, Merry Mixers, Tecumseh Squares and the Village Squares. We hope other clubs will join us, too - that night or any Tuesday night through May 15.

We are all sorry that Bob McConkey was hospitalized recently. By now we hope he is back dancing with us. Best wishes, Bob.

Among our recent travelers were the Herkos who had a good time in Texas visiting their daughter and son-in-law. Stefan and Francesca Tshokasch were Atlantic City bound. Would you believe Francesca hit the \$100 jackpot in Atlantic City. The Sabernicks enjoyed their Atlantic City outing, too.

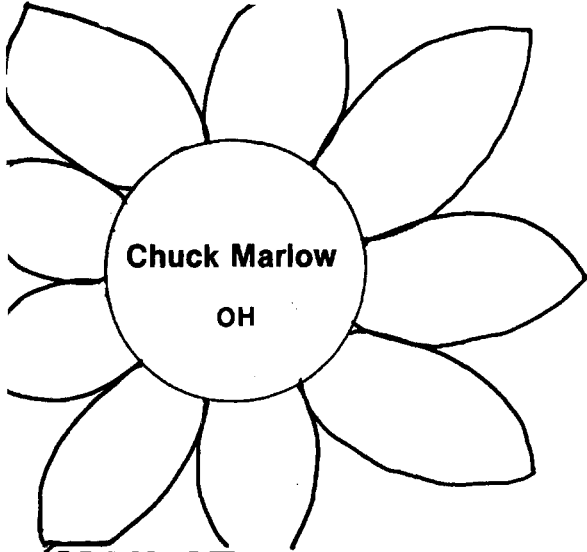

Won't you join us at the Edgewater Restaurant on Edgemere Dr. for dinner and dancing on May 15 when we end this season with our Spring Fling in blue, yellow and white commemorating the sesquicentennial? All square dancers are invited. Call Betsy and Ed Herko at 663-7981 for reservations.

Swinging Singles

Welcome Graduates! We are looking forward to having you dance with us. The class-club dances I've attended seem full of new class dancers. That means a big increase in square dancing and great fun.

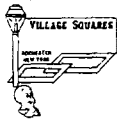

What a wonderful evening Swinging Singles and the Cloverleaves and Merry Mixers had on our mystery ride - to Case's California Ranch on Honeoye Lake. The music was tops. We danced and danced. Hey Guys, we sure could have used a few more of you. Keep an eye out for flyers. We'll be having another outing like this soon.

Have you made arrangements for Dance-O-Rama? The Mike Hernes have done a great job in putting this affair together. They're having five out-of-town call callers and cuers this year. Join the fun to make this the biggest and best Dance-O-Rama yet.

Saturday, May 19th, is the date set for our bike ride. May is the time to be outdoors, and the ice cream party along our route is especially enjoyable. Monday, May 28th, is the official holiday for Memorial Day, and there will be no class or club dance that evening. Do join us for the annual Cloverleaves - Swinging Singles picnic that weekend. Watch for the announcements.

Village Squares

The class St. Patrick's dance was a howling success with the hall filled to capacity. The decorations and snacks were superb and the class is to be congratulated for all their hard work. The beautiful shamrock pins made by Muriel Herzog are a lovely memento and were a big hit with all the ladies. A highlight of the evening was the awarding of the losers' prize - a whipped cream pie in the face. With class guests outnumbering club guests, club members Elmer Pankratz and Ron Lochner received the pies ably heaved by our caller Dick Casper and class member Bud Heisler. Elmer and Ron were good sports and are gleefully looking forward to getting their revenge on graduation night.

Another event in March was the celebration of Dick Casper's birthday on class night. The surprise gift was the appearance of a lovely French maid who read a poem and gave our blushing "Friendly Ghost" a birthday kiss. That's one birthday he will never forget!

The big event coming up in May is our annual Carnival Dance on Saturday, the 12th at 8:00. This has been a great success in the past. Once again this year the Tallest Square Dancers will be with us providing something to look up to. There will be plenty of prizes and it promises to be a night of much fun and good dancing. Don't miss it.

The Trail End dinner dance will be on the 21st at the Green Lantern. The happy hour will begin at 6:15 and dinner will be at 6:45. Reservations are necessary. We're looking forward to seeing all our club members that night for one last party before the summer workshops begin. Let's have a good turnout.

May has always been a big month for the Wayne Westerners, and this year is no exception. Williamson's Apple Blossom Parade will be held on May 19, and the Wayne Westerners will have their float in the parade as usual. Rain or shine, we dance on the float to the calls of our own caller, Jeff Elmore. The float always draws much comment and applause from the crowds.

Also, May 18 is our big Apple Blossom Dance. This year's will be the biggest and best yet. Dick Eger is calling, and if past performances mean anything, this national caller should provide us with an evening of fun and really unique dancing, a night to remember. Our committee heads tell us that we should look for food and decorations that will make both our eyes and stomach happy.

As usual, the dance will be held at the High School on Rt. 21, in Williamson, N.Y. As an added attraction this year, and to make the dance even more fun, an Apple Blossom King and Queen will be chosen from our guests. We hope this will be the beginning of an annual event for future Apple Blossom Dances.

Dottie Reed will be cueing rounds for us and we always look forward to having her with us. Her colorful and unique dances are a pleasure for all who attend. Dottie helps to make a dance a special event. Come join us. It will be a great evening!

May 24 will be our Trail End Dinner at Zappia's in Newark.

Sorry we missed last month. Our appology. Now you will never know what wonderful things were said for April.

This will be our last comment for a very eventful year and with all due respect to anything else, we all are going to miss our caller Wild Bill Wilcox and his Taw Judy. We do wish them the best for the future in their retirement.

It never rains but it pours. We are also losing our lovable cuer couple Gordy and Sylvia Copeland. They are retiring to Florida. Oh, how we will miss you! Now I will never learn "side, step, step, side, step, step, and away two three and all those other quickies I have trouble with. Its been fun over the years.

This month with only two regular dances on the 4th and the 11th will all come to an end on the 18th with our Trails End dance at Webster Firemans Hall.

We are all glad to have heard that Dolores Harloff is recovering nicely from a sudden bit of surgery and that she will have come home by April 1st.

Our last dance in March with Charles Valent as guest caller was a wing-dinger with fun by all and many guests including our previous Web Spinner couple Claudette and Nick Calian, now from Canadagua and the Geneva Friendship Squares. Charles and his Taw will be most welcome anytime they can be prompted to make that long trip from Walkins Glen.

Swinging Eights

Welcome to spring! Warm weather and sunshine. The time has come to think of our Graduates. Best Wishes for a long and happy square dance life. I have a small item I would like to pass along that I think would be a help to the newest comers to dancing. This is from the AMERICAN SQUARE DANCE Magazine, March Issue. "If you are setting up a square with two couples of experienced dancers and two couples of newer dancers, put the newer couples across from each other. This way each dancer has an experienced corner to help him/her."

As usual a good time was had by all with Mike Herne. Thanks a lot Mike. It was good seeing you again.

Coming for May, it's time to put the diets away. It's Dessert Night at the Swingin' 8's on May 12th. Oh what fine goodies there will be! On May 19th, Bob Ellis will join us for a super night. It's always a pleasure to have him.

The Swingin' 8's has recently added some new family members. We would like to take this opportunity to welcome them. They are listed with the grads in this issue. What a fine group.

Tecumseh Squares

The May dance schedule starts us out on the right foot for the fun-filled summer season. On May 8th, by popular demand, the Tecumseh Squares presents Gourmet Dessert Night. This is always fun with the highlight being the delicious dessert table. The desserts are all home made (low-cal of course) all look good to eat. Happy to Have Jodi Mattice as our guest cuer this night.

Our class is graduating May 22. Come on out and join in the welcoming of our new members. Working with Jack Sadwick for the year, our new dancers will be ready to teach us a few new calls.

A white sweater and navy blue blazer was left at the St. Patrick's Dance held at the Redman's Party House on March 13th. If you want to claim any of these articles, please call our president Jose Baliu - 865-1415.

Until next time. Join us when you can.

Geneva Friendship Squares

This is the month our class square dancers have all been waiting for! The club is really proud of the fine dancers we have the pleasure to introduce at the graduation dance May 11th. It is a good time to extend our thanks to the teacher Chip Kellogg and the many devoted angels.

On the agenda for May 6 the Friendship Squares of Geneva are sponsoring a Sunday afternoon dance at the North Street School from 2:00 to 5:00 pm. Jim Lee and Al Overslaugh provide the entertainment. Hope to see many of you there. By the way, the last Sunday dance for the season will be June 3rd, featuring Ron Libby and Al Overslaugh. Keep that date in mind, too.

The club wants to express their many thanks to all of the visitors who made such special dances as our Valentine Heart Fund Dance, Cancer Dance, Fashion Show Club-Class Dance so successful. Visitors have added lots of excitement and fellowship throughout the year.
