DO YOU BELIEVE THIS?

Thirty-year-old Dave McGregor of Evansville, Ind. is suing his former square-dance partner for "negligent, unreasonable, and uncontrolled dancing." McGregor claims that his left leg was broken by a wild kick executed by Connie Coston while both attended Evansville's Freedom Festival on July 3, 1982. According to McGregor, he has incurred over \$2,000 in medical expenses and has walked with a painful limp ever since. His complaint alleges that Coston danced "in a way not called for" during the square dance.

Glass Slippers

Thanks to all of our hard working members, our Pat Torpey dance was a success. Our Cowboy hats go off to the Groves, the Losers, the Grahams, the Tripps and Sue Peake. They were on the committee and put many hours of planning into our Celebrity Dance. Who could forget our own very Special Elsie Epke? She always manages to give us her assistance and wonderful advice. We couldn't get along with you Elsie. It was also nice of the Palmateers to "delay" their trip just so they could help us out by greeting our dancers at the door.

Ron and Betty Fotch will be taking a much needed Spring vacation. We will be having 2 weeks of guest callers. March 6th Mike Callahan will be squaring up with us at 7:30. March 13th with our St. Patrick's "wearing of the green", we will have Jerry Carmen to start rounds at 7:30.

Now that we will be springing out very lively into our March schedule, we hope to have plenty of visitors find the trail out to Brockport. We are continuing with our rounds at 7:30 and squares at 8:00 on our Wednesday nights by the Turtle.

Copy Cats

WOW! Are we ever having fun at our new location! If you haven't danced with us at Scribner Road, make a point to.

March 9 we welcome Dick Casper and Jody Mattice - let's show our support for our guest caller/cuer. And on March 23, we will once again have our "Swap-Around" - this will be our fifth year of "bargaining" for the super sales. Hey Wanda - give Mike some extra money!!

Attention Round Dancers - the Copy Cats will have a permanent cuer next year - Roy and Carol Keppen will help us "glide" across the floor. A great big "hello" from the Copy Cats - and thanks, it'll be fun next year.

Looking ahead to April - our Club/Class "Dessert Social" on the 13th - "look out Tummies, here come the yummys!"

Tecumseh Squares

By the time this issue of the PROMENADER is printed and sent out Tecumseh Squares would have had their Mid-Term Ball/Valentine Dance held on Feb. 8th. I'm sure all those who attended had a great time as in previous years. The meal was delicious and weren't those home-made pies "yummy"! No time was lost in working off the "meal" - Bruce saw to that. Nice to see our class members there as well as other club members.

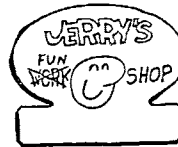

In looking ahead, there will be no dancing on Friday April 5th. This day is Good Friday.

The square dance season is filled with dancing every Friday night year round starting at 8 o'clock. Be sure to come out - you never know who your corner may be!

Be sure to join us in all the fun.

The second and fourth Sundays, we will dance A1 from 6:30 to 8:15 and A2 from 8:15 to 10:00. All guests welcome.

Lima Grand Squares

Along with March winds and the promise of spring come a couple of special events with the Lima Grand Squares. Our St. Patrick's dance will be March 15. Our own Leprechaun, Jean LaBore, will hopefully lead us in some familiar Irish melodies and we'll have a "bit-of-fun".

On March 29 we'll have our annual fashion show. The Carriage House from Auburn will show the new spring square dance fashions. A good chance to freshen our wardrobes and get in the swing of spring. Some of our club gals will be modeling for us, and it's a good pick-me-up after a long winter. Both club and class invited to this one. Hope many of you will head South to join us.

Thanks to the Web Spinners and Happy Hoofers for inviting us to dance with them in January. A good time was had by those who were able to attend.

Our St. Patrick's Day Special on March 18 will be for class and club people. Mike Herne will be doing his usual great job of calling, and we hope lots of you will join us for the fun. Happy dancing.

Cloverleaf Squares

We are certainly getting the most from winter this year! Our February activity was a cross-country skiing outing followed by a pizza party. Thanks to Dave Fisher of our Hospitality committee for being the host and to all those who contributed to its success. On March 15 to 17 we will depart to Camp Oswegatchie in the Adirondacks for our Winter Weekend. Movies, games, and enjoying the great outdoors are some of the planned activities. We may even find time to do some dancing too.

The Valentine's Day Dance held on February 10 went over well. March will bring an exciting month of dancing. There will be four regular club dances on Sunday nights starting at 8 pm to the calling of Mike Callahan and the cueing of Mike and Linda Liberti. In addition to this will be the Anniversary-St. Patrick's Day-Come As You Are Dance on March 17. It will be a class/club affair for those who survived the Winter Weekend. Others will be welcome too.

We will have two square dance tips that night. We are currently working on the dances "Pearlie Shells" and "Sunrise, Sunset".

Come join our fun and friendliness.

EKC-O Squares

Hi Square Dancers!

Winter is almost over. Neither rain, sleet, or snow will keep a square dancer from making it to his favorite dance. We all should be proud of ourselves and feel sorry for all those chicken friends of ours who flew South.

March will be an exciting month at EKC-O Squares. Jerry Carmen will be calling his usual good dance and there will be two visiting callers, Bruce Shaw and Mike Callahan. On the 19th when Mike is our caller our dance theme for the month will appropriately be "Left Over Irish". So come wearing your Green. Thanks to Ed and Ellie O'Grady, who are naturals for planning our Irish Dance.

The dances are all held at Kodak Office which is at 343 State St. in downtown Rochester. There is parking across the street and also to the South of the entrance (small & large parking lot).

Betty is teaching rounds starting at 6:45 p.m. or 7:00 p.m. and then has rounds at 7:30 until they join the rest of the club at 8:00 for square and round dancing.

Class is still progressing nicely under the expert teaching of Jack Sadwick.

So, till April, keep dancing, think Spring and enjoy.

Wayne Westerners

We're shaking off winter's doldrums in March with some changes which have made our dancing even more fun!

Our caller Jeff Elmore continues to introduce new singing calls, more often combining in lovely duets with his wife Sally. We're now challenged each club night by the addition of a hot hash at the end of the last tip.

The Wayne Westerners were "wearing the green" at our annual St. Patrick's Day Dance on March 14th. We all enjoyed guest callers Chip Kellogg and Dottie Reed. We never found the Blarney Stone, but "Green Rocks" were abundant.

We're all looking ahead to an upcoming special event--the "School's Out Camping Weekend" at Wagon Wheel Camp-ground, Prattsburg, NY on June 28-30, 1985. Our own Jeff and Sally Elmore along with Al and Evy Overlaugh will call for the dancing/camping weekend. Informational flyers are available now through the Wayne Westerners.

Finally, an advanced notice for our upcoming Guest Night on April 25th. Get your calendars out Geneva Friendship Squares, Fun Luvin' Squares, Henrietta Friendship Squares, Irondequoit Squares, Lima Grand Squares, Merry Mixers, Tecumseh Squares and EKC-O Squares - we're looking forward to your visit!

Belles & Beaus

March starts us thinking that Spring is out there somewhere and that we can look forward to a world that's green instead of white.

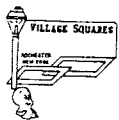

Our potluck supper and dance was held February 18 at Wesley Methodist Church with our class joining us for the first time. Both the food and the dancing were superb. We offer special thanks to Cliff and Evelyn Laundry and their committee for the outstanding job they did in organizing and putting on this event.

Our heartiest congratulations go to Doris and Ed Haddleton who celebrated their 50th wedding anniversary February 23 with family and friends. For 26 of those years they have been members of Belles 'N' Beaus!

Again we wish to remind you Belles 'N' Beaus and all square dancers to support the CURE dance. If you can't attend the dance please buy tickets anyway. The money from your tickets goes to the CURE organization. Let's show the Rochester area that square dancers really care about their community.

Teresa Farnand is on the sick list. We hope to see her and Ray back on the dance floor soon.

Village Squares

Despite the harsh winter weather, our regular Wednesday night dances have seen a good turnout of club and guest dancers. It seems that the bitter cold temperatures quickly rise with the challenging rapid-fire calling of Dick Casper.

Our big March event is the annual CLASS DANCE on Saturday the 16th. This year's theme is "Under the Rainbow" and our enthusiastic class has been working hard in planning a fun-filled evening. The club has challenged the class to get at least 15 squares on the floor. If they succeed, our President gets a pie in the face; if they fail, the class president gets it. All club and class members are invited to join us for a "smashing" evening!

Keep your calendar clear for our big CARNIVAL DANCE on Saturday, April 20. Plenty of prizes will be given away and a good time is promised for everyone. Look for more details next month.

Genesee Dancers

Mike will be continuing the workshops for people wishing to return to square dancing every Thursday at 6:45 p.m. It's not too late to join in.

Genesee Dancers will be wearing the green on March 14. We'll be celebrating St. Patrick's Day a few days early with Mike calling at 8:15 and Bob O'Slomcenski cueing the rounds.

Brian and Judy Adams will be our round dance cuers on March 28.

Guests are always welcome at Genesee Dancers. Round dancing begins promptly at 7:45 p.m.

Country Twirlers

February was an exciting and busy month as usual for the Country Twirlers. Jack Barnes called the squares and cued the rounds for three dances, one being the Class/Club Valentine Dance on the 9th. Many of the new dancers from throughout the Rochester area attended. The quality of dancing was testimony to the quality of the instructions they received from their class teachers. To all of you, "Welcome to the wonderful world of Square Dancing!"

February was capped off with a fantastic dance by our guest caller Ed Foote.

March is shaping up as a full and interesting month. With five Saturdays during the month, Country Twirlers have five dances scheduled. Four of the dances will be with Jack Barnes, one being our St. Patrick's Party on the 16th. Like February we will cap the month off with another guest caller. This time we are going across the border to Canada. Ernie Carviel will bring his talent plus a busload of dancers to Rochester on March 30th for an evening of fun and dance.

If you're looking for a place to go on Saturday evenings during the month of March then look to the Country Twirlers.

See you on the dance floor!

IRONDEQUOIT SQUARES

Hi! Look what we have done. We have moved!!! Even if we have had good times and pleasant dances at the Rochester Christian School, we are planning on having great times and fantastic dances at our new locations.

As of Saturday March 2nd we are dancing at the Bay Trail School cafeteria on Scribner Road. To start the month off with a spring flair we have Brian Adams cueing rounds at 7:30 and special guest caller Larry Dunn getting the square dancing underway at 8:00. Do you think we'll see any of those "little green men" still following him around?

On Friday March 8th our caller Jon McNally is setting up shop at the Brighton Reformed Church Fellowship Lodge and HEAR THIS, all beginner class-club members are invited to attend these Mainstream dances from now on. Do come join us in this newly decorated hall.

On Saturday March 16th we are back at Bay Trail School, but this evening we will be dancing in the gym, so just follow the signs and be ready for rounds at 7:30 and squares at 8:00.

What better way to welcome in spring on Friday March 22nd than a Shimmering, Shining Shamrock Caper with our very own Leprechaun, Jon McNally calling a Class-Club dance. Who knows, maybe we'll learn a Leprechaun Leap or Shamrock Shuffle, but we know, the committee is planning some nice surprises. Please note that we will be in the gym again and that this evening we will be dancing from 7:30 to 10:00.

To end our month we'll be in the cafeteria at Bay Trail on Saturday March 30th - rounds at 7:30 and squares at 8:00.

We really are looking forward to dancing with all of you and to welcoming the newcomers to the "Wonderful World of Square Dancing."

Promenading B's

The Promenading B's has had a busy schedule since the beginning of the new year. Even a major snowstorm could not keep the B's from circling around the cafeteria of the Byron-Bergen Elementary School! Our Craft/Hobby Fair and Carnival Night dances were great fun. Our Amateur Caller Night was a success as well.

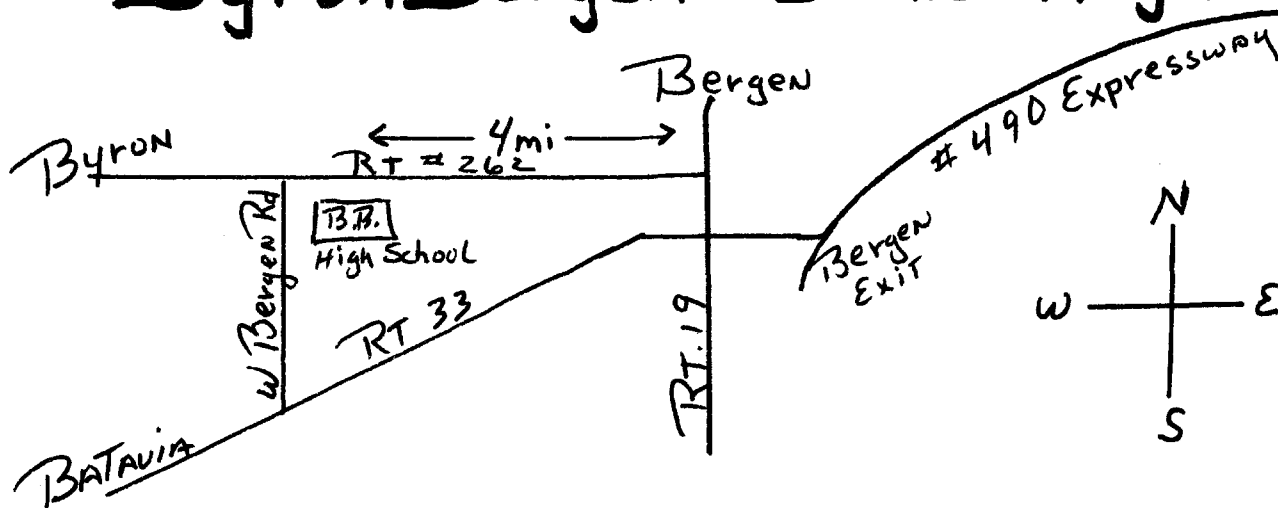

Now we are looking forward to our BLACK LIGHT DANCE, on Saturday, March 30. It will be held at the Byron-Bergen Senior High School from 8:00 to 11:00 P.M. with our favorite caller, Ron Fotch putting us through the routines. Sets in Motion

On Jan. 20, 1985 twenty couples and three children met at Brighton Town Park for an afternoon of winter fun, which was followed with a delicious Pot Luck Supper and dancing. We had quite a square dance with Mike Herne, Mike Harris, Jody Mattice, and Dick Sage all calling together. A short meeting was held. New officers were introduced and camping dates for the '85 season were revealed.

On March 10, 1985 we will hold an open house at Brighton Town Park from 1-9:30 p.m. and welcome anyone who is interested in joining our square dance camping club. Just bring a casserole dish, your own table service and we guarantee you will have a fun day of dinner, dancing, and good fellowship.

See you there.

Callers' Co-op

The Leadership Conference, co-sponsored by the CCR and the Federation is over and done...and what a time we had! Mike Harris did his usual fine job organizing and getting an excellent program for us this year. There were 140 attendees at the Green Lantern Inn for the meeting. Topics presented were: "Caller and Dancer Burnout" - Wanda Callahan, "Do They Dance What They Advertise?" - Luke & Marlis Whitcomb and Gary & Bettelu Hults, and "Dance-O-Rama - Mike Herne & Bob Meagher.

Wanda shared a presentation which she made earlier at a CCR meeting. You had to be there to appreciate this one. Do they dance what they advertise? The answer was an emphatic "NO!". This topic drew so much discussion, we could easily have had the entire conference centered about it. Bob Meagher presented a history of D-O-R and Mike Herne shared criticisms and suggestions for improving future D-O-R's. After the customary delicious buffet served by the Green Lantern Inn, an evening program of square and round dancing staffed by CCR members was enjoyed by all.

FROM - 7:00 TO 11:00 PM ROUTE 33

Country Dancers has decided to rejoin the Federation so we will once more be listing our dances. For new Club members, as well as a reminder to the "old timers" we are a Contra club with a variety of callers---and always live music. Each program is a little different but the calls, for the most part, are the ones you learned in your first few weeks of lessons. The nice part is that you dance with lots of different people and let your feet move to the music while you rest your brain. Some callers (Eric Rounds and Roger Whynot) use two or three sets of squares per night--while other callers may only have one set. We always have some mixers and some couple dances (free styled polka and/or waltz). Country dances are a bit more energetic than club squares due to the swinging and balance steps--but it can be fun for most everyone. Feel free to visit us--bring your friends even if they haven't taken any square dance lessons. Contra dancing is spreading all over the country. While New England is one of the major centers there is a lot in the Baltimore area, in California and the state of Washington. The Ohio groups were formed from Western square dancers and seem to be content with recorded music. Each year we find new areas where contra groups that have been meeting for years, have finally gotten organized enough to start newsletters and let people know they exist.

Debby Gray, our caller on March 30th is from Albany. This will be her first time with CDR. It's a Saturday dance and our own Overacker band will be playing.

Boots n' Slippers

Our RD dance cuer (Brian & Judy Adams) and some of our dancers just returned from a cruise to sunny Mexico. Had sunshine, clear blue waters, great food, much pampering, lots of fun and many fond memories! Our thanks to all the dancers who came out and helped to make our Blizzard Ball a tremendous success. An extra thank you to Mike Harris for his excellent calling and his good sense of humor, also Eleanore Miller, chairperson for the beautiful flowers on stage and the corsages for all the ladies, and all around excellence in planning. March 15 will find most of us wearing green for our St. Patrick's dance, with Bruce Shaw calling. Mike Callahan is still holding his half-hour refresher time from 7:30-8:00 p.m. on the nights he calls.

THE CURE DANCE IS COMING!

SATURDAY APRIL 13.

Diamond Squares

Sure and begorra - 'tis the month for the wearin' of the green and the celebratin' of St. Patrick's Day. Our St. Pat's Day dance will be held on the 13th of March - we trust we'll be seein' a lot of green outfits on that night.

You've heard of "load the boat", "trade the wave", and "pass the ocean". On that note, we welcome back all our travelers from the island of Hawaii and we're sure they'll have a lot of exciting stories to tell about their cruise. The Heindenreich's and Statts recently returned from a cruise to Mexico. Their vacation was a sort of rocky one the first day but they weathered the storm and had a good time anyway. We heard Chris Statts played Bingo while John was spending a few uncomfortable moments inside their cabin. Also, the Rawlings returned from a winter vacation in the Carribean. We were sorry to learn that Ray had the flu throughout most of the trip. Can't do that Ray, it's no fun to get sick any time but to do it on your vacation is unthinkable. Better luck next year!

We'll be having our Easter Bonnet Parade dance on April 3rd so lads and lassies, create your own Easter bonnets and wear them that night. I'm sure we have a lot of artistic talent in our club and we can come up with some very creative ideas.

Remember to buy your tickets for the C.U.R.E. Dance on April 13th - our own Bob Ellis will be calling. Dancers, please support this very worthy cause. See your club rep for tickets. Also don't forget D.O.R. coming up on May 5th.

We dance every Wednesday nite with Dottie Reed cueing rounds on the 6th and 20th of March at 7:30 p.m. On alternate weeks Bob Ellis cues rounds and the dancing commences at 8:00 p.m. with rounds between tips. Please come and be our guest for some fun Al dancing. Happy St. Patrick's Day to all and come and celebrate with us. Our thanks to the many clubs who have invited us to dance with them.

Web Spinners

Well Web Spinners, we whipped February's winter with wondrous, winning calling from Jeff Elmore, Mike Callahan and our own Jerry Carmen. Betty and Everett Herman were our Valentines on February 15 - beautiful job for a fun and loving dance! And things are looking up for March too! We'll break winter's grip with our own incomparable St. Patrick's Day dinner-dance. Sid and Jean Van Apeldoorn tell us their production will exceed all prior magnificent efforts. As usual, it will be a closed dance with the new class invited and reservations are required in advance. Sid and Jean, you give us hope that Spring must be right around the corner.

By the way, speaking of the class, have you noticed how well they are dancing and enjoying dancing with each other? And how the club is enjoying having the class dance with them? What Spirit! Sure looks like a "Vintage" year coming up.

Don't forget, the classes start at 6:45 p.m. on Friday nights at Plank Road North School with Jerry Carmen teaching. Jerry invites the club members present to square up with the class and have a little Friendliness, Fun and Good Dancing. Round Dancers, Jody conducts a rounds workshop in the cafeteria before the regular dances between 7:45 p.m. and 8:15 p.m.

Kuntry Kuzzins

Ya, all come down to Kuntry Kuzzins in Newark, New York, at the Kelley School in March for three great dances, with three great callers and our own cuers Dottie and Jerry Reed. Our Presidents Jack & Rose Smith have engaged Bob Schlenker for March 9th, Dottie Reed cueing. This will be our St. Patrick's dance. On March 23rd Gary Bubel will be calling, Dottie Reed cueing. This will be a Class-Club dance, with a Fashion Show, a big night, for dancers. Then on March 30th, we feature Phil Eno calling, Dottie Reed cueing. See ya all at the dances.

Swingin' Eights

The Swingin' Eights are marching into March with two special events after our regular dance on March 2. We'll welcome all Irishmen and women (and those temporarily Irish) to our St. Patrick's Dance on March 16. Then on March 30, club and class members will co-sponsor our annual ice-cream social and class-level dance. Come meet us over a dish of ice-cream smothered with your favorite toppings! Bruce Shaw will call and Mike and Linda Liberti will cue rounds for each of our three March dances.

Our class this year has been blessed with a heavenly host of angels. Thanks to all of you who are helping our class members Thursday nights.

LABELLING YOUR DANCE

Notice, I have titled this article "Labelling Your Dance" instead of "Labelling Your Club". The intent of CALLERLAB in establishing the different programs was to indicate to people attending an open dance which calls they will be expected to know. Such listings are especially helpful in programming large dances where several halls are available for dancers with different levels of experience. So, ideally, we want to label the dance and not the club, for the level of the club changes as the new class graduates progress throughout the dance year.

There is a lot of confusion among clubs on how to identify their regular dances. First, very few want to be known as a mainstream club, so after workshoping a few PLUS calls from standard position, they advertise their club dances as PLUS. This can be confusing both to visitors and guest callers. The visitor is disappointed on how sparse the PLUS vocabulary is, and the guest caller often has to feel his way in determining which Plus calls the floor knows and which positions they can dance them in.

It seems that since very few (if any) clubs dance only the mainstream program and there are not many that dance the complete Plus program, there ought at least be a way they can indicate a dance with a partial program.

It is typical for a club to graduate its class and reduce the dancing level to that of the class. Throughout the dance year, the caller workshops the remaining calls he would like the club to know and builds the vocabulary (level) of the club. During this time, the club is in reality dancing more than a mainstream program since the dancers are expected to retain the calls that are introduced and eventually to know them without a walkthrough. In effect, the club is conducting a PLUS WORKSHOP, building up the dancers' vocabulary.

I don't mean to imply this is good or bad. I merely think we should let the outside world know what's going on, so when they come to visit your club they know what to expect. The best way to do this is through our dance listings in the PROMENADER. Since most clubs are dancing the Mainstream program with selected Plus calls, why not say it? In your advertising say, "MAINSTREAM PROGRAM WITH SELECTED PLUS CALLS". Perhaps the Promenader listing could read "M+" which would read the same on the legend. The same would apply to other programs. "B+" would be Basic with selected Mainstream calls, "A1+" would be A-1 with selected A-2 calls, etc. When you hire a guest caller, tell him what those selected calls are, and if possible, whether it's standard position or otherwise.

Please remember, when you are advertising a PLUS dance, CALLERLAB says you are telling the caller he can use any of the calls on the Plus list and visiting dancers should be able to dance them without a walkthrough.
