**Editor's
Note:**

Growing old doesn't seem so bad when you consider the alternative! ... The main trouble with the "straight and narrow" is there is no place to park. (**Bow and Swing**, May '86)

Hope you're enjoying the "Caller's Profile" and "Club Spotlight" columns. Ruth Harris has put a lot of work into the Caller's Profile, and I see a lot of thought and effort put into the Club Spotlight columns by the clubs. Thanks.

As you've probably noticed the club logos and club names that go with the news in each issue are in drastic need of revitalizing. We have a professional photographer - square dancer, Hal Kilthaw, who is willing to do the necessary work. Jean Fisher is trying to collect a sample badge from each club for Hal. She's got half of them collected so far and will return them when Hal is finished. So when Jean Fisher asks your club for a badge, she isn't intending to join them all; she just wants to help your club's news look good in print.

Attention reporters and clubs: Club/Class dances should be sent in to the Sanfords (See Special Events Calendar for address) by October 1 for publication in the special Class Dances listing in the November issue.

I answered an ad for a device to keep down electric bills and they sent me a paper weight! Such is life.

Caller Profile

BOB SCHLENKER

If your 'Lock-its' are not 'Coordinated', Bob Schlenker, a cosmetologist who hopes to become a full-time caller, will be able to 'Curlicue' them for you. Bob is from Kanona in the Southern Tier. His sixty-acre woodland home is marked by a real "Yellow Rock" given to him by square dancers.

Bob and Sue began square dancing in 1975. After five years of active club leadership, Bob, who loves to sing, decided to take up calling. Strongly motivated by the private tutorage of Dick Jones, Bob believes there should be a place for everyone to dance. He calls for two Senior Citizens' Clubs in the Corning area, teaches a Community Square Dance Program for New York State Elderhostel, calls for a Plus club, and teaches a Basics class in his home area. He is the caller for the Promenading B's in Bergen, and has taught an A-1 Class for Jerry's Funshop.

Bob is a member of Callerlab, Callers' Co-Op of Rochester, and the Tiers Association of Callers and Teachers. Bob is certainly an asset to our Rochester Area and we're proud to have him.

SPOTLIGHT ON

Irondequoit Squares

The Irondequoit Squares started in 1959-60 when postage was just three cents. Callers over the years were: Jack Wilhelm, Hal Mason, Don Kennedy, Al Schmidt, Wild Bill Wilcox, and currently Jon McNally.

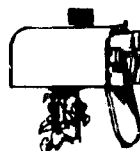

The couple who started the club in 1959, Helen and Ernie Johnston, became our first round dance cuers. Helen was able to attend our 25th anniversary dance a few years ago.

Club philosophy is "Friendliness and Fun", and a commitment to the Plus program of square dancing and club level of round dancing. We're fortunate in having one of the top callers in Jon McNally and cuer Brian Adams. Join us on the first, third, and fifth Saturday nights of the month for an enjoyable evening. You may be one of the lucky ones to win a guest ticket to return as Irondequoit Square's guest.

We have two 'club' guest nights, one for Mainstream and one for Plus level dancing. It allows us to reciprocate those who have invited us as guests, and it also allows you to become exposed to our club, caller, and cuer. This year we are planning on a Plus program class preceding our regular Plus program dance and with the class joining the club for the first tip. Should be fun for all.

Irondequoit Squares has had its ups and downs, from acoustic problems to financial. (In the early 70's the officers loaned the club money to keep going.) Today we're in a rebuilding phase after trying to subsidize Mainstream classes, and run both Mainstream and Plus dances for awhile. We recognize our commitment to the Plus program and are fortunate in having the top combination of caller and cuer in the area.

Join us for an evening and you'll find you will want to come back. Remember Irondequoit Squares! For more information watch you **Promenader** or call 436-6281.

HOW TO BE A GOOD ANGEL

GOOD angel!! Is there any other kind?? Well, the kind of angels in Heaven are perfect, but the angels that help us so much with our square-dance classes are still here on earth, and being human, they are still subject to error. And the message of this notice is how to help the class members without passing your errors on to them, who don't yet know nearly as much about square dancing as you have learned.

Let's start off by setting down the Golden Rule for angels, and then seeing some of the different ways to follow that rule. It may involve some angles (Angles on Angels?) that you never thought of. The rule is:

IN ANY CLASS, THERE IS ONLY ONE TEACHER!

Unless he himself asks for assistance, that teacher should always be the person that your club is paying to come and conduct the class. He not only knows what to teach, but he has in all probability had a lot of experience in how to teach.

DO...be quiet while the teacher is talking or calling; don't drown him out, don't say or do anything that will distract the student from what the caller is saying. Especially don't try to add helpful comments, because you will only confuse the poor student who is trying to listen to two sets of instructions at the same time.

DO...listen carefully while the teacher is talking or calling: show the students by example that the teacher needs and deserves their full attention. Who knows?-- maybe you will learn something about the basic calls that slipped past you the first time around.

DO...listen carefully to what the teacher is saying: be sure you understand what he wants the students to do and exactly how he wants them to do it. And do it that way yourself. Don't introduce twirls and other flourishes to the class, and especially don't substitute a "Hungarian Swing" for a proper Dos-A-Dos;-- they'll learn bad habits soon enough without your help.

DO...help the students by being exactly where you are supposed to be at all times. Be guideposts to help the students locate themselves, and teach them by example how important is precise positioning.

DO...by your example, help teach the dancers to take hands whenever possible. Among several other advantages, this is a great source of guidance and assurance to the students. But your guidance should be confined to gentle hints; don't try to push or pull them around. They will learn much faster and better when they are allowed to make their own mistakes. Pointing or some other hand gesture will often be enough. Verbal comments should be limited to a quick "Turn left," "Stand still," etc. said in a low voice to someone who is right next to you, if you see they are confused in the middle of a movement.

DO...after the end of a tip, tell the teacher about anyone who seems to be having special difficulty with a movement. Don't try to straighten him/her/they out by yourself. Send them to the teacher for extra help, even if they ask you questions about the square-dance movements. Besides giving the students an answer straight from the horse's mouth, it will also help the teacher to keep in touch with the progress of his class.

CLUB

NEWS

Diamond Squares

Hello, we are Bud and Marie Heisler. The responsibility of reporting the Diamond Squares news for this coming year has been given to us. We will do our best to give you the facts, scoops, and activities as they happen. Many thanks to Jerry and Joan Sanford for the great job they have done since 1982. The Promenader will miss their month-to-month reports. They are the Host and Chairpersons for the 1987 Empire State Square and Round Festival. Our best wishes for a successful convention.

Congratulations from all of us to Grandma and Grandpa Ayling: "It's a girl", born August 3rd. All club members are happy to have Bob and Nancy Wright dancing with us again. Nancy has been recovering from recent surgery. We would like to extend a warm welcome to Red and Margaret Zettel, who have just joined our club. They live in Florida and come north every summer.

Fall is almost here and everyone in the club is settling in for a good year of fun and dancing. We are eagerly looking forward to our Halloween Party at the end of the month.

We have a very enthusiastic class learning the A-1 program with our caller Bob Ellis. The "Silver Fox" will celebrate a birthday on October 18th. A very happy birthday from all of us. Guess who it is? Art and June Goodnough have celebrated birthdays also. Have many more happy ones. Anniversary wishes go out to Mike and Joyce Ford.

Cloverleaf Squares

Cloverleaf Squares was well represented at the National Singles Convention in Milwaukee as they presented their bid for the 1988 Convention in Rochester. The bid was successful! **Cloverleafs and Rochester Area Square Dancers will host 1988 Single Square Dancers U.S.A. National Convention.** Thank you to the people that helped secure this bid and we anticipate their continued support in this huge undertaking. Keep Labor Day Weekend of 1988 open for this Special Event.

Our Open Houses brought out a number of new dancers and on October 5 at 5:30 the new class begins. Jerry and Betty Carmen will be our guest callers and cuer that evening. We will start our new fall schedule then too.

- 5:30 - Class
- 7:30 - 8:00 Rounds Workshop
- 8:00 - 10:30 Club level plus dancing with rounds

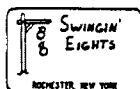

On October 12 caller Mike Callahan and cuers Mike and Linda Liberti return from their travels. October 19 will be the first of our monthly guest nights and October 26 will be our Halloween Party. Come in costume and join the fun. The October Social event will probably be a hayride.

On Saturday, November 1st, Cloverleafs are proud to present their Fall Showcase, featuring the popular Canadian caller, Jim Lee. See our flyer elsewhere in this issue for further information.

It's always fun dancing at Cloverleafs - guests are most welcome anytime.

Swingin' Eights

The Swingin' Eights will welcome Jody Mattice to cue rounds at the October 4 and October 18 dances. Rounds will begin at 7:30 pm, our new starting time. Squares will begin at 8:00 pm, with Bruce Shaw instructing a half-hour workshop.

Ghosts and goblins will gather for our annual Halloween Dance, with the Irondequoit Squares as co-hosts (or co-ghosts) on October 25 at our haunted house. Feel welcome to come in costume. Prizes will be awarded to those in the most interesting attire.

"Tally-Ho" to the Pedens, who will be drinking their tea in London during the month of October, where Bob is on assignment from Kodak. Bob and Dee are planning to travel in Europe while they are there. We wish them a bon voyage.

Ken and Joan Blind are seeing America first. They are now in the Wild West, touring national parks, exploring the California coastline, and hopefully not losing their shirts in Las Vegas. Ken is able to take this extended vacation because he has recently retired. Marv Berner has also now retired. The Swingin' Eights wish both many fulfilling years ahead.

Lima Grand Squares

Hi!

Did you get ready? Our big 25th Anniversary Dance is all set for the 24th of October. Gary and Alice are doing the calling honors and we're going to have a great time. Come out to Lima and share the fun. Your presence there makes the night special. How about making it a habit? Come dance with us the next week and catch a glimpse of our infamous Halloween spooks, ghosties, and assorted bag ladies. Remember, the chance to view these spectacular characters comes just once a year.

The good times roll on. Put the date of November 21 on your calendar and make an early New Year's resolution to come to our annual pizza party. Before you stuff that turkey, indulge yourself with our delicious pizza. Magnifico.

On a less gastronomical note, the Lima Grand Squares are pleased to welcome Les Bradt as our class caller. Les has been calling in the Spencerport area for a number of years. We're happy that he and his wife Janice are joining us out in Lima for the '86-'87 dancing season.

TIPS for TIPS

DO remember this quote from caller Harold Bausch:
 "The biggest secret to learning to square dance is to learn to listen."

Genesee Dancers

The frost is on the pumpkin and it's time for our Halloweenie Dance. The dinner is for members only but the dancing, of course, is for everyone. On this night we start dancing at 8:00 with Mike Callahan for squares and have rounds with Bob Slomcenski as per usual between tips.

We want to welcome four new member couples to our roster: Fran and Betty Fouquet, Howard and Stella Hendrickson, Jim and Sue Stevens, Bob and Lou Vincent. We look forward to having you in our squares.

Brian Adams will be our cuer on October 23rd.

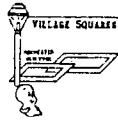

It is renewal time for subscriptions to the **Promenader**. Please send your checks for \$5.50 to the Hoyts (checks made out to the **Promenader**) before October 6th so your **Promenader** will come without skipping a month. At this time let us all thank the volunteers who work for our square dance magazine. They are listed on the back of page 1. They do a great job putting all the information together and getting it out on the first of each month.

We had a busy summer with dancing each week and we look forward to welcoming everyone in the Plus program starting in September. Some eight couples went to the Montreal Convention - they thought it was great.

Don't let the Goblins get you. We'll be back next month.

Village Squares

We want you to know who we are, and we're going to make it easy for you to pick us out in a crowd. There'll be no more need for you to squint at our name badges to know we're members of the Village Squares. As a result of a consensus vote from our membership, we're going to adopt club colors. Each member couple will soon be wearing color-coordinated outfits to make us easily identifiable as we make visitations to other club dances and promote club spirit at our own special events within both the club and Mainstream class.

Fostering the spirit of a good, wholesome form of recreation is uppermost for us. To make square dancing more fun, especially as we make visitations to other clubs and dance to callers whose voices are less familiar, calls need to be second nature to us. Dick Casper is making sure we put our best foot forward by teaching us all-position dancing, and class members will gradually begin to learn these techniques - and club dancers' form refreshed - as the year progresses.

One of the first opportunities for club members to visit a fellow club and to demonstrate their abilities will be this month. The Mystery Ride always generates enthusiasm and is the opening feature in our list of special events. The car caravan offers a driving challenge, and our reward is meeting and dancing with new people.

By now our class has started, providing the open houses were attended well.

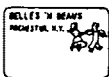

There will be no dance on October 10, due to most dancers attending the Fling Fantastic. Also our club will be going on a mystery ride on October 24, so we will not be dancing at the Red Men's Club.

On October 31, we will have our Halloween Party. Come in costume if you wish.

Do drop in some Friday night for a night of fun and dancing. 'Till next month keep those feet a-moving.

Barbara Downs was hospitalized for hip surgery in September. We hope to see her dancing again soon.

In September, Belles 'N Beaus held two successful open houses. Don't forget these new dancers, give them a call to check on their progress. Better yet, visit class and offer your encouragement.

Morton Country Swingers

The September 11 Welcome Back Dance was cancelled because our caller was hospitalized. Al Howe, however, was in full action at the September 18th Open House. The Morton Country Swingers are thankful for the return of our caller Al Howe and cuer George Burch, who are the main factors in our recent success.

The October 9th dance is scheduled for all singing calls by Al Howe;-- the Grand Swinger promises a real swinging occasion. Visitors and members and class will be able to enjoy the singing and the rounds cued by George Burch. The November 6th dance will be all singing calls as well as round dancing.

Our Open House season ends with the October 2nd dance. Class instruction will begin at 7:00 pm, October 9. Al Howe will instruct the class.

The Grand Swinger has scheduled a Costume Party for the Halloween on October 30th. The Morton Country Swingers will be even more mysterious, if possible, in costume. Visitors are welcome with or without a mask. The Grand Swinger will remove his mask for this dance only.

We were delighted at our great turn-out for our Pot Luck Dinner Kick-off Dance, despite the change in location. We hope that everyone who was coming was able to find us. We will be dancing at the Mervin Williams Junior High School until the end of October.

We will be dancing October 3 with Al Howe calling, and Jodi Mattice cueing.

On October 10, we won't be dancing (the class only) but we'll be back on October 17 and 24 with Mike Callahan calling and Brian Adams cueing. On October 31, Mike Callahan and Brian Adams will be spinning the spooks for our Halloween Dance.

We know it's a little early, but be sure to put our Annual Blizzard Ball on your calendar! This date will be January 17. Mike Callahan will be calling and class members are especially welcome! More details later.

Our first dance of the season was on September 28th at Penn Yan and it was a great success. We all had a lot of fun looking at the pictures some of the members took on our trip to 1000 Islands, Ottawa, and the Mont-real Square Dance Convention.

Our next dance will be at Penn Yan again in the Grange Hall on Route 54A. The time is 3:00 pm on Sunday, October 26. Jerry Carmen will be calling and Betty Carmen will cue the rounds. Won't you join us - guests are always welcome and you'll have a great time.

Keep the date of November 23rd open, it's the date of our Open House. It will be held at the Green Lantern Inn in Fairport at 2:00 pm and all guests will be admitted free.

We'll see you square dancing.

Web Spinners

We have started dancing again and this season looks better than ever with our caller Jerry Carmen and our cuer Jody Mattice. We had many guests at our open house on September 12th. We hope they choose to continue with square dancing, for we are sure they will grow to greatly enjoy it.

Our guest caller on September 19th was Mike Herne. He did his usual fine job, adding his good humor and calling to our evening's enjoyment. On the 26th of September we attended a dance hosted by the Promenading B's in Bergen. It was great fun.

We have an "All Singing Calls" Night coming on October 10th with Bill Wilcox, who does a super job with the singing calls. October 17th is our "Octoberfest," thanks to the Wilberts and their committee. This is a closed club dance.

We have a fabulous Web Spinner Goodie Book cook book available, for \$3.00 a copy. It is the result of the work of Hilda and Len Fischer.

The rapidly shortening days of October remind us that fall is really here with its longer evenings. Funshop dancing is even better now as we gather with friends to brighten our dancing with Advance figures from our sparkling caller Jerry Carmen.

Our normal dance schedule of second, third, and fourth Sundays holds this month, with A-1 dancing starting at 6:30 and the A-2 session beginning at 8:00 p.m. Don't forget to allow for the change to Standard Time. And don't forget to join us for a fun-filled Halloween Dance on the 26th.

DO...remember that square dancing is supposed to be fun. Being in a class can be a very enjoyable and satisfying experience, and so can being there as an angel to help them learn, even though the dancing is quite different from what you do at club dances. If you go to classes with that attitude, the students are bound to catch it from you.

DO...reassure the students when they do something right. Mostly, a smile and a nod are enough.

DO...remember that people learn things at different rates and degrees of ease. Be especially friendly and encouraging to those who learn more slowly than others. Very often these, with help lasting through the class and after graduation too, will become very good dancers and still be supporting the club long after the hot-shots have either gone on to "higher" things or have burned themselves out and disappeared.

DO...give the teacher a compliment once in a while for something he's done well. He's human too, and appreciates a kind word just like the rest of us.

DO...sit down and make friends with the class members during the rest periods, instead of gathering in one corner, in a walled camp of club members.

DO...especially the ladies, be prepared to answer questions about clothing and refer them to local sources, particularly the ones who advertise in the Promenader.

Above all, **DO** remember that you are not only helping the class members learn to dance, but also playing an important part in forming their attitude toward the square-dance world, and your own club in particular.

This column is written with you in mind. I hope that Country Dancers have made friends with a few of you through our association at D-O-R, and we see members of the Cloverleaf Club at our dances, now and then. I hope others of you will learn about us here on these pages.

While we call ourselves a contra club, we are more than that. We have different callers and different bands (live music at every dance)! Each dance has a "feel" of its own. Most of our bands play Scottish and French-Canadian reels and jigs - but waltzes, polkas, and schottisches are thrown in for good measure. Now and then we do English country dances with Tom Bohrer on Thursday nights, or a special series with Richard Sauvain once a month on Sunday. Our club also sponsors a once-a-month Saturday dance which may not be in this issue if I can't meet the deadline. The dance is usually the third Saturday at Covenant Methodist.

Our dances are always open to the public and previous experience is NOT necessary. Be sure to wear comfortable clothing - most anything goes.

In future issues I will tell you about other places where you can try contras and quadrilles. As a teaser, I will say that Ed and I have been enjoying Copecrest Resort for two years as part of the Lloyd Shaw week. More next month.

October brings brilliant colors to the trees, the scent of burning leaves to the air, and a new crop of eager beginners to our club.

With the start of our new class, we are changing our dancing night from Tuesdays at 7:00 to Thursdays at 8:30. The location will remain the same: the Crosman Community Center on East Avenue in Fairport. Our new class will meet at 7:00 pm on the same night. This way, any club members who wish to brush up on any areas in which they feel weak can come early for additional instruction.

Round dancers of all levels are always welcome, so come on out to Fairport on Thursday evenings for a fun time!

Country Twirlers

Our first dance of the season, a crisp cool evening, found everyone anxious to return to square dancing. Jack Barnes, who said he had been practicing his calling all summer, was in good form September 6th and kept the dancers moving and enjoying themselves. It was good to see so many familiar faces.

Our Open House was on Thursday, September 11th, with Gary Bubel as instructor.

The high light for September was our first national caller of the season, Gary Brown from Cayahoga, Ohio. Everyone had a good time!

In October: we have no dance on October 4th, two Jack Barnes dances, October 11th and 25th, and are looking forward to the return of Canadian Tim Crawford on October 20th with Dottie Reed cueing rounds.

Country Twirlers is still the best Saturday night dance in town, so why not join us real soon.

HOW TO BE A GOOD ANGEL

DO...if you think the teacher is overlooking something or is mistaken about something, ask him about it first. If you are still not satisfied with his answer, the next place to go is to one of the club officers. Don't get the students involved in something they are not yet equipped to understand, and especially don't say or do anything that might lessen the students' respect for their teacher. That would be doing a great disservice to the teacher, the class, the club, and eventually to yourself.

DO...remember that you are there to help the class learn. Good Angels on the floor will help them learn faster, but the main reason for having angels is to fill in squares so that no class member has to sit out and miss the practice that they need so much. The class members could get through a lot of material if there were three couples of expert dancers in each set, but remember that the important thing is for them to learn for themselves how to dance when there aren't a lot of angels around.
