PRESIDENTS' CORNER

Greetings, to the happiest people on earth. Did you ever reflect on how lucky we are to be Round and Square Dancers? We are you know!

Let's enumerate just a few of the reasons.

1. Ever feel lonely, depressed, bored, or just have cabin fever? (Sure you did.) People who don't square dance have few and inadequate escapes from these emotions. Tranquillizers, TV, a movie, trip to neighborhood tavern to consume drinks with others who are suffering the same negative feelings. These are some of the diversions and often make the feelings worse. But how about you? Will you stay depressed or bored? I doubt it. Seven days a week on any night, you can open your trusty **Promenader** and find from two to five dances that you can attend. Just say, "Hey, Honey, let's go the Triggers (or whatever) and have a little fun." I don't care how bad you feel, when that music starts and your feet start to move to the directions, there's going to be joy in your heart and pep to you step. You may be dancing with many old friends, or you might not know a soul in the hall, but when the evening is over, you will have new friends and your spirit will have been lifted. You'll breeze through the next three days, or until your next dancing "fix". Square dancers are friendly, affectionate, cheerful, moral-lifting people. What a fantastic advantage we have over the rest of the world!

2. How much does entertainment cost these days? A movie is \$8.00 to \$10.00 a couple, (not always satisfying either); dining out is \$20.00 to \$45.00. Other entertainment is quite expensive and often a lonely activity. Square dancers can square dance for peanuts. For \$4 or \$5 you can spend an evening with happy friends who enjoy your company. I defy anyone to beat that kind of dollar value in today's inflated economy. There are great square dances and several round dances we can enjoy any night of the week.

For my third point, I'll mention "Challenge". We could dance every night for the next thirty years and still not know it all. We never stop learning. What a joy! What an interesting and soul-satisfying hobby! Aren't we lucky to be Western round and square dancers? You bet we are! Keep dancing and you'll keep interested and caring and most fortunately, keep enjoying! It's great to be a dancer.

SPECIAL EVENTS

NEW CRITERIA

At the January 12 meeting of the Federation, the following recommendations for the Special Events Calendar were accepted:

1. Each listing for each special event should be submitted to the Editor of the **Promenader**, who shall be the new Keeper of the Calendar since it is more feasible that the information be sent to one central place.
2. A nominal fee of \$5.00 shall accompany each Special Event listing based on the assumption that if one couple attends the special dance the listing has served its purpose.
3. The listing may include club/class dances (to be so indicated). The \$5.00 fee will be a one-time charge for each event until the date of the event has elapsed.
4. The Special Event should contain the date of the Special Event, the sponsor of the event, and/or name of the caller.
5. The Special Event shall be listed in each issue of the **Promenader** including the month of the scheduled event.
6. This new policy will commence with the April 1987 issue of the **Promenader**. For printing in the April issue, the information and check must reach the Editor no later than March 3, 1987.
7. The sponsors of Special Events currently listed in the **Promenader** will be contacted by the Federation explaining the new criteria for Special Events.

Caller Profile

BILL RYAN

We welcome Bill Ryan to the Rochester area and to the Rochester Callers' Coop. In 1961, as a teenager, Billy went as a non-dancer with his parents to a dance weekend in Pennsylvania and there he decided to learn to dance and call. In September he attended class and by the following June he was calling dances!

Bill, the club caller for the Glass Slippers Club in Brockport, says that he really enjoys having all the sets moving when he is calling. His goal is to work out interesting patterns for the dancers to go through. He likes it to be something a little different, but something he can help the dancers through.

Calling is both a hobby and supplemental income for Bill, who has four sons. His wife Connie, who has three children under two years old (yes, there are twins), finds time and energy to help Bill put on special-occasion dinner dances for his five Buffalo clubs. All Rochester dancers will be able to enjoy Bill's calling at Dance-O-Rama in May.

SPOTLIGHT ON

BOOTS 'N SLIPPERS

In the peaceful village of Hilton our group of lively square dancers meets on Friday nights. Our club members and guests enjoy many merry evenings of fun and fellowship. It is our policy to promote square dancing, by encouraging class members and welcoming guests.

Our congenial caller, Mike Callahan, and courteous cuer, Brian Adams, make a pleasing pair for an enjoyable evening. Mike calls from 7:30 to 8:00 to those who wish to brush up on any troublesome calls. Brian starts rounds at 8:00. Square dancing starts at 8:30, and we dance until 10:30. We end the evening with a delicious assortment of refreshments. Mike Harris ably instructs our class on Friday nights starting in September and ending in May.

Our club was organized in 1963 with twenty-three couples as charter members. Bob Brunshilde was our class caller. Some of our first club callers were Bill Bartsch, Jerry Carmen, Al Howe, Don Pratt, and finally Mike Callahan. Mike had to leave us for a while to do his patriotic duty with the army, but he returned to us and has been our club caller since. Howie and Dot DeGrave were our round cuers until Brian and Judy.

Our members enjoy our Annual Steak Roast and New Years Eve Party. We sponsor the popular Blizzard Ball which is always a good dance, especially for beginners. Our community sees us each year participating in community affairs when we dance on a float in our local parades. Come visit our club, we are young in years and in heart. We promise you a great time.

Spring

Dance-O-Rama

Dear Friends,
 Plans for D-O-R are right on schedule. Flyers are being sent out to each club in the Federation. Please observe the deadline.

Callers and cuers are all set to give us a good time dancing.

We need clubs to volunteer to set up, and clean up the various halls. My telephone number is 637-4755; and I'm at home early mornings and around dinner time, so please feel free to call.

This year's theme is "That's my kind of music!". Think about the decorations you can use for that theme!

We would like door prizes from each club. Free passes to your club dances are always welcome. If you have good ideas for other types of prizes, please share them with us.

Remember the old saying: "Many hands make light work." and join in the fun and excitement of all of us working together to make a very special and successful D-O-R 1987.

Elsie Epke, Chairperson

THE MAILBOX

Dear Editor,

Recently I re-read September's article concerning creating an ideal club atmosphere. I have a suggestion for one way to literally improve the atmosphere at square dances: Limit Smoking.

Although there are only a few smokers at the clubs we regularly attend, it only takes a few smokers to foul the air. We unfortunately run into a lot of pipes and cigars and find the smoke from these particularly bothersome. I am dismayed at the thoughtless behavior of these smokers who fill their needs regardless of the discomfort it may cause others. No one has ever asked me if I minded!

Perhaps the worst offender is the CURE dance. I am amazed that a dance to raise money for a cancer support group would not protect non-smokers. The one room where snacks are available has been so smoke filled that I could barely see across the room, let alone breathe.

Considering the probable upcoming state-wide restrictions on smoking, square dance clubs may be wise to develop a few rules of their own.

Some suggestions are:

1. Under no circumstances should smoking be permitted in the dance hall, either before or after the dance or between tips; by dancers, observers, or club workers.
2. An area should be designated where smokers can indulge. This area should be separate from the snack table. Nor should this area be the Ladies Restroom!
3. Special events (such as club dinners) should reserve some smoke-free tables.
4. Large dances (such as CURE, Dance-0-Rama, and hopefully E.S.S.A.R.D.F.) should provide a smoke-free lounge where dancers can relax, chat, and have a cup of coffee without being subjected to second-hand smoke.
5. Cigars and pipes should be left in the car!
6. Smokers should remember that we are delighted to have them dance with us. However, many of us are bothered very much by your smoke. Please abide by restrictions and be considerate of the health of others.

From the suggestions in September's article, the keys to having a good club seem to be communication and consideration. With these keys, smokers and non-smokers should be able to continue to work together for an ideal club atmosphere.

Name withheld upon request

Dear Bob and Maryln:

It is most surprising to find such a dearth of information about the callers coming to ESSARDF. Since the Festival is being held in Rochester, wouldn't it be nice if the 'local' people knew about those calling?

Enclosed is a copy of an article taken from the January-February issue of the **FLAC Coordinator**. Of special interest is the fact the original article was published in the Winter 1986 issue of the **FLADA Flyer**. Perhaps you can use it in the **Promenader**.

Isn't someone providing the **Promenader** with articles about ESSARDF? There are a number of people from the Rochester area on its Board. Surely someone is doing publicity!

Sincerely,
Lorraine Chamberlain

DANCE-0-RAMA

CALLERS

CLIFF AUSTIN

Cliff Austin comes to Dance-0-Rama from Rome, New York. He is a well known caller in the eastern and central part of the state. It's time western New York State was exposed to his abilities. He's been calling for eighteen years with experience from teaching classes to the Advanced 2 Program. Currently he's teaching and calling for three clubs regularly in the Syracuse area. He has called for numerous state wide clubs and festivals.

His other occupation is an officer for the Rome Savings Bank. This is getting to be a common occupation for square dancers!

CLIFF BRODEUR

Cliff has been a full time caller since 1965. He has traveled over a half million miles in his career. He has appeared at many major festivals on the East Coast and Canada. He also records for the Red Boot Star label. His motto, "Dance with enthusiasm", is a trademark at his beginner classes as well as the other dances he calls. He is as proficient in the mainstream program as at the A-2 program.

He and his wife, of nineteen years, have three daughters.

KEN RITUCCI

Ken Ritucci, of Holyoke, Maine, comes to us with extensive qualifications. He's been calling for ten years, has called regularly at the New England and Connecticut Conventions, and repeatedly at the Canadian and USA Conventions.

His winning personality and expertise in calling has made him a staff member at the Earl Johnson - Al Brundage Callers School. You'll find Ken intriguing in the mainstream program up to the C-2 program.

JERRY CARMEN

Most dancers in this area know Jerry, and his calling abilities. You may not be aware of the following items concerning Jerry. (Rarely does he speak about himself.) He's been calling for eighteen years, for seventeen years has prompted and taught contras. He has been on the staff of many weekends and festivals. Calls all programs up to and including A-2.

His membership in CCR started in 1970, and in Callerlab International in 1976. He's attended the Johnston-Brundage Callers School, and the Dick Jones' Callers School.

NATIONAL SQUARE DANCE ORGANIZATIONS

Last month the **Promenader** carried information on local square dance organizations. This month we'll highlight some National Organizations.

CALLERLAB, the International Association of Square Dance Callers, is an organization of callers, to promote, promulgate and improve square dancing in all its forms. It provides leadership and direction for the calling profession. This organization is responsible for establishing the Basic, Mainstream, Advanced, and Challenge Programs. It has established a Code of Ethics for callers, an accreditation system for callers, and caller's school curriculum. Many of our Rochester callers are members of this organization.

LEGACY is a leadership, communication, resource center, attempting to establish a public trust for the continued development of square dancing. Legacy represents Square and Round dancers, Organizations, publications, record companies, and suppliers. It has drawn up the Leadership Manual - a must for persons in square dance offices and leadership roles. Legacy conducts the biennial Legacy Survey, which provides insights into the strengths and weaknesses of square dancing. We have many Legacy members in the Rochester Area.

UNITED SQUARE DANCERS OF AMERICA, created in June 1981, represents the square dancer through state and regional dancer organizations such as Rochester Area Federation. As a united voice U.S.D.A. is able to express the view of the dancer on a national level. Some current U.S.D.A. programs are:

1. Dancer Accident and group liability insurance,
2. Forum for encouraging the benefits of dancer-leader interaction,
3. Active programs for Handicapable Dancers,
4. Square dance museum and Hall of Fame to recognize dancer contributions,
5. Assistance for groups desiring organization for betterment of square dancing.

This organization meets twice a year; at the national convention and in January. Rochester hosted this meeting for the first time in January this year. This meeting was organized by the Rochester Area Federation Representative at Large, Orlo Hoadley. (See report of the meeting this issue.)

ROUNDALAB is a professional Round Dance teachers' organization, to promote, protect, and perpetuate the general round dance movement. It developed a Code of Ethics and Dress for round dancers. It is standardizing definitions, and developing procedures for accreditation of teacher-training schools.

These are some of the more prominent national organizations. The officers and members of these organizations put forth a lot of energy, time, and money to support the successful continuation of square dancing. These organizations provide a framework for square dancing at the national level. Contact the **Promenader** if you desire addresses or further information concerning them.

steadily, that participation in the insurance program is also growing, especially in the West, and that efforts to get Congress to name the Square Dance as the National Folk Dance are being pursued with renewed vigor. Two documents were accepted by the Executive Board for presentation to the Board of Governors in June: one is a Code of Ethics and the other is Suggested Simplified Rules of Order for Square-Dance Organizations. If approved, they will be added to the information resources of the USDA and recommended to the attention of member groups.

For further information about the USDA, write to the Director of Information: Jim and Kathy Maczko - 3061 East Fox Run Way - San Diego CA 92111, or call 225-2796.

WHAT IS THE USDA?

We are not talking about the U. S. Department of Agriculture, although we might think about grading dancers and callers as Prime, Choice, Good, Standard, and Utility. Nor is it any of these:

Urban Sprawl Deletion Advisors,
Understanding Silliness and Doltish Antics,
Useless and Slow Deliberations, Always,
United Satire and Double-talk Association,
Unicorns, Stags, and Dromedaries Assembled.

What the initials do stand for is the United Square Dancers of America. One of its founders, Charles Naddeo, is also the founder and president of the Square Dancers of America, which is the organization that put the square-dance float in the Rose Parade. He is currently the chairman of the Insurance Committee of the USDA, and its Parliamentarian.

The USDA was formed in California in 1982. It was formed by dancers, for dancers, and is under the control of dancers. It was intended to be a national organization of state-wide square-dance associations or federations, but the Bylaws have been amended to provide for affiliation by local-area federations of square-dance clubs, such as the Rochester Area Federation. All clubs and individual dancers belonging to an affiliated organization are considered to be members of the United Square Dancers of America.

The purposes of the USDA are to promote square dancing with its related forms of dancing, and to represent it to the public as a wholesome family type recreation; to provide communication and education among dancers and square-dance organizations; to encourage cooperation between member groups and all organizations involved in the promotion of square dancing. Activities of committees of the USDA include:

---A program to pursue the permanent designation of Square Dancing as the National Folk Dance of the USA;

---Attempting to obtain the publication of a Square Dance Commemorative Postage Stamp;

---Supporting the activities of persons and organizations who provide dancing for "Handicapable" dancers;

---Providing an educational program and educational materials for dancers and leaders;

---Providing USDA costumes, jackets, badges, banners, decals, bumper stickers, etc. to all dancers desiring them;

---Promoting regional dance conventions in the four regional areas of the USDA.

---One of the most popular and valued activities of the USDA is the provision of economical Accident and Group Liability Insurance to affiliated groups. Other groups can obtain coverage, but at a somewhat higher cost.

Voting powers of the USDA lie in the Board of Governors, which consists of the delegates designated by the member associations, and meets on Friday afternoon of the National Square-Dance Convention each year. The Executive Board consists of the President, Howard and Loraine Backus of Arkansas, the four regional Vice Presidents, the Secretary, and the Treasurer. The Executive Board meets three times a year:--the new Board, after elections at the Governors' meeting, meets on the next day, a mid-year meeting is held in January, and the final meeting is the day before the National Convention starts.

The four regions are Eastern (from Virginia north), Central (including the deep South), Plains, and Western Region. Besides the RAF, the only affiliates in the Eastern Region are the Worcester (Mass) Area Coordinators Association and the Federation of Delaware Valley S/R Dancers. The RAF representatives to the USDA are Rita and Orlo Hoadley, and they are also the Vice President for the Eastern Region.

The midyear meeting of the Executive Board was held in Rochester this year, on January 23-4. Several local dancer/leaders attended the meeting on the 24th, including two from the Buffalo area. It was reported that participation in the Handicapable program is growing

NEWS

Thank You to the wonderful people for the support you've given us in our new location. It was heartwarming on January 31 to see thirty-one guest couples enjoying Jon and Brian's expertise, good fellowship, food and dancing. The Tim Crawford dance was a smash hit sell-out. Thanks. You make it all happen.

We have more fun things in store for you in March and April. On the 7th of March, is our regular format with our dynamic duo Jon and Brian. March 21 brings our Shamrock dance with the same super pair. On April 4th at 6:15, we're having our second Annual Dinner Dance at Seneca United Methodist Church, 121 Scholfield Road: steamship round of beef with all the goodies to go along with it, prepared and served by yours truly. Plus a super evening of fun and dancing with Jon and Brian - all for the nominal sum of \$17.00 a couple. Sorry but space demands we limit reservations to fifty couples and quite a few are already spoken for. So get reservations in soon to Pauline Gaul, 68 Wendhurst Drive, Rochester, N. Y. 14616. Payable to Irondequoit Squares.

Be sure you mark June 6th on your calendar as a real "biggy"! Cubby VanLoon of Southern Tier Wheelers fame is coming to Rochester for the first time - and we've got him. Believe me, he's the Granddaddy of all the greats in square dancing. Don't miss it!

See you on the dance floor.

Lima Grand Squares

Hey, Lima Grand Squares wants to thank all those hula dancers who braved the Arctic cold (a real three dog night) and came out to our luau. You helped make it the fun time it was.

March may come in like a lamb or a lion, but it won't keep us from the wearing of the green. March 13th is our St. Patrick's dance and Lima club extends a special invitation to you to come and join the fun. Gary Bubel is a master at generating a fun evening and we know he'll be in top form when he starts chanting those "Grand" old Irish square dance calls.

Our Gary just celebrated his birthday on January 31st. Many happy returns, Gary. For an "old feller," you're a right nice caller.

Circle the date March 27 on your calendar. That is the night of our style show. The food folks from the Carriage House will bring boxes and boxes of gorgeous square dancing togs and accessories that they will lay out for your perusal and purchase. It's almost like Christmas watching them open bags and boxes to bring out those goodies. So chase those winter blahs by coming down and join us for a fun time on the 27th.

It's been a very busy winter--the club's activities have kept the members really hopping, er, I mean dancing. By the way, one of our most exciting events for all class members of all clubs is our annual "Bunny Hop". It will be on Tuesday, March 10, at Parkland School, starts at 8:00 with rounds at 7:30 for a half hour before the dance starts. There will be lots of prizes and refreshments, and a promise of some "Special Entertainment" that is sure to please you. We'll top it all off with some great square dancing, so come on class members - take advantage of this unique opportunity and plan to join us.

We had our Valentine Dance last month, what a lovely evening it was with all the Triggers heart-felt friendship. Also, our special winter cabin party was a huge success. That's one good reason to live in Rochester - don't have to worry about not having enough snow for a winter outing.

Some other dates to plan for this month - March 3 is our special "Mardi Gras" and birthday night, March 17 is the St Patricks dance. Be sure to wear something green - how about a hat? Also, next month don't forget our Mystery Ride/Ice Cream Social is April 28.

We're pleased to report that both Jean McConkey and Mary Roy are doing well following their recent illness. Warm wishes to Fayne and Paul Doering on Paul's job transfer to Boston - all the Triggers wish him well in his new endeavor.

Diamond Squares

The month of March is upon us with lots going for the Diamonds. Coming events are as follows: We will not be dancing on March 4th. Our St. Patrick's Day Dance will be on the 11th of March. Let's see a lot of green outfits on that night. On March 25th, a garage sale will be held, so bring in your unwanted items marked with a price, to sell. All proceeds go to the Sunshine Fund. Lots of bargains and fun for all.

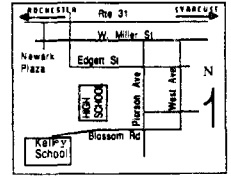

Let's give a big welcome to Sam and Jennie Pulford. This couple drives all the way from Owego, N. Y., in the Southern Tier, to dance with us. Al Ayling is still on the sick list, Hurry and get well, Al. We all miss you and Lorraine. Diamonds are planning a Rainbow Weekend, April 24th through 26th. It's a motel weekend with meals, dancing, and a lot of fun. If you have some time, please join us. Call Bob and Nancy Ellis or us for details. Diamond Squares have chosen royal blue for the club color. Girls' two-piece dresses are royal blue with rhinestones, and men's are royal blue shirts with white ties, real sharp. We are going to order new jackets, two types will be available. Place your order with Nancy any dance night. Remember, send in your reservations for the New York Festival if you haven't already done so.

See you next month.

Kuntry Kuzzins

On January 10, 1987 the Kuntry Kuzzins Square Dance Club of Newark New York held its second annual Free Dance/Charity Fund Raiser. The money raised through this dance was presented to the Jean Fisher Pediatrics Unit of the Newark Wayne Community Hospital in Newark.

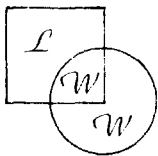

The money raised was used to purchase VCR teaching tapes for children requiring surgery, etc. at the hospital. These tapes will be beneficial in helping children understand what will be occurring with and for them while at the hospital.

Approximately ten square dance clubs were represented and participated in this event. Guest caller Gary Bubel provided the squares and rounds were cued by Dottie Reed. President of the Kuntry Kuzzins, Gene Block did an excellent job in coordinating all the activity for this fund raiser.

The Kuntry Kuzzins dance the 1st and 3rd Saturday evenings of each month at the Kelley School in Newark. We have two dances scheduled for March. On March 14th, Bob Schlenker will call the squares and Dottie Reed will cue the rounds. On March the 28th, Bob Ellis will call squares and Dottie Reed will cue the rounds.

March brings St. Patrick's Day and thoughts of spring. We will be "Wearing the Green" at our dance on March 12. Brian Adams will be cueing rounds for us on March 26.

A new committee has been added this year - Class Coordinator. Rajinder and Lynda Khosia have volunteered to take over this very demanding task of taking charge of the class. A big "Thank You" to them.

Cupids and hearts abounded at our annual Valentine Pot Luck Dinner. The dance was attended by our class. Our caller got into the spirit and called some Valentine singing calls. The class is really doing well and they had a great time. Our class will be graduating on April 23.

Our dances are always open to visitors, rounds start at 7:45 with Bob Slomcenski and squares at 8:15 with Mike Callahan.

Happy St. Patrick's Day!

Boots n' Slippers

We would like to thank all those dancers who turned out for our Blizzard Ball, making it a tremendous success. Mike and Jody did an excellent job calling and cueing. A special Thank You to all the club members who helped with the planning, decorating, refreshments, and clean-up. Without everyone pitching in this special night would not have been possible.

March 13th will find us dressed in green for our St. Patrick's Day dance. This will also be a good luck dance so wear your black cat badges and come join us.

Mike will be conducting a half hour refresher class from 7:30 to 8:00 for those of you who are a little rusty or are having trouble mastering that latest new call.

Gary and Alice Babel call and cue on March 3. On March 17th, the Blarney Stone Specialist Mike Callahan will put all the Leprechaun's feet to dancing at Kodak. Belles & Beaus

We are all saddened by the death of our friend, Marge Tracy. She and her husband, Don, were very active in Belles 'N Beaus and several round dance clubs. They served our club as Vice Presidents, Social Directors, Federation Representatives, and Promenader Reporters. Her artistic and culinary talents will be missed at charity dances, special celebrations and, as a former teacher, at Spencerport School District Functions. Our deepest sympathy to her husband, Don, and her sister Jane Ross.

Our sympathy also to Bill Walker on the death of his father and to the families of Robert Tyo and Marty Myers, who had all retired to Florida. We are hoping to see Dottie Adams and Don back dancing with us soon.

March 9th is guest night. We have invited the Country Twirlers, the Promenading B's, Irondequoit Squares and the Diamond Squares. Welcome friends to "Fun" dancing. Let's all turn out for our guest caller, Bill Ryan, on March 23. We'll give him a big welcome.

The Blizzard Ball, held at Mother of Sorrows Church, brought out twenty-one couples from Belles 'N Beaus. Congratulations! We won the prize for the largest attendance. (A case of styrofoam cups. We can surely use them.) Happy Dancing.

"THINK IRISH"

Cloverleaf Squares

February provided lots of fun dancing, with Mike Harris and Bob Ellis making guest appearances. A great time was had by all who attended the cross-country ski party on February 21.

There will be no class or club on March 1. However, the treat of the month will be a busy time! March 13-15 is the annual Winter Weekend trek to Camp Oswegatchee in the Adirondacks. This event is open to all club and class members. Be listening to announcements for more information, and flyers will be available at the dances. Upon returning from the mountains on March 15, we will have a Come-as-you-are and Ice Cream Social. This will be a class/club dance beginning at 7:30. Guests are welcome.

March 22 is guest night for Swingin' Eights and Singing Singles. March 29 is a regular dance.

Looking ahead to April 5, Cloverleafs are preparing for the 17th Anniversary of the club by planning a special dance. All proceeds from that evening will go to the C.U.R.E. Foundation.

Come join us any Sunday evening. The class dances from 5:30 to 7:30, and the club dances from 8:00 to 10:30, with a half-hour workshop at 7:30.

Circu-8-tors

Well, our February dance was great fun. The dancers looked so nice in their red, white and blue outfits. It sure made one feel patriotic! The pot luck dinner after the dance was delicious.

We had a lot of discussion after the dance about our trip for this fall. The members seem quite excited about it. The trip will be nine days starting Saturday September 26th. We will spend two nights at the Chateau Frontenac in Quebec City, have guided tours, shopping sprees and other activities before leaving to go east on the St. Lawrence for some Whale Watching. We then travel north-west to the Laurentian Mountains for two days and nights in a Mountain lodge. Our final night will be in Toronto where we will have among all the other things, a square dance with Norm Wilcox calling.

Why don't you join us? The trip is for club members only, but it is real easy to join the Circu-8-tors. If you are interested, call the information number below, or come to any of our dances, we'll be glad to give you all the details.

Our March dance will be on the 29th at the Green Lantern Inn in Fairport, we will be dancing to the calling of Chip Kellogg and cueing of Dottie Reed. The dance starts at 2pm. Afterwards we will have elections of officers and some discussion on our picnic and camp-out for this summer. Lots of good things going on at Circu-8-tors.

Copy Cats

Hi Dancers!

It's nice to know that spring will soon be here, but it was dancing that warmed us up time and time again this winter.

The Copy Cats' last dance of winter and first dance of spring will be held on the 14th and 28th - the 2nd and 4th Saturdays in March. Both will feature Mike Callahan and Roy Keppen.

We will have our annual "Swap Around" at the dance on the 28th. This is a silent auction for unused treasures contributed by our members. Guests and members will be writing their bids on paper throughout the evening.

Members - please bring your donations to the dance on the 28th and be sure to tag each item with your estimate of its value, to make it easy for the committee to group the items.

Web Spinners

Our Valentine Dance was a smooching success. The Web Spinners are noted for being a very friendly group.

Later in February we spent a week-end at the Watson Homestead, along with the Promenading B's. It was great, with winter sports, dancing, swimming, good fellowship and many new and old friends.

We are looking forward to our annual St. Patrick's Day dance. It is a popular dance with us and starts our thoughts turning toward the spring of the year.

Luckily for us, Betty Carmen will be joining us as our cuer on March 20th. March 27th is scheduled for our election of officers. Can summer be far off?

Swingin' Eights

Bruce Shaw will march us into our March 7th dance with squares beginning at 8:00 p.m. Round dancing will begin at 7:30 with Mike and Linda Liberti.

The Swingin' Eights plan to welcome spring with a new-to-you sale. Clean out your basements and attack your attic to find those treasures you never use. Bring them to the Swingin' Eights dance on March 21, where your donations will be displayed for others to purchase between tips. All proceeds will go to the Swingin' Eights.

Helen Jones has been reappointed "Ms. Sunshine". Let her know when a Swingin' Eights member is ill or in need of a ray of sunshine, and Helen will mail an appropriate card.

The Swingin' Eights will be guests on April 5 at 8:00 p.m. at the Cloverleaf Squares. Gather your Swingin' Eights chums together, and join in for an evening of dancing.

Morton Country Swingers

It was 3:00 pm February 8, at dinner in the Village Inn, Childs, that the Morton Country Swingers bid good bye to our Caller Al Howe. The contribution Al made to our club resulted in our survival in square dancing. Caller Al and Cuer George always make dancing enjoyable for all dancers.

The Morton Country Swingers had to stop dancing in February 1984. Then Al Howe and George Burch attended our picnic in August and agreed to call and cue starting in September 1984. We have progressed from dead to perpetual life in dancing because of the fine contributions of Al and George. We will miss Al's beautiful singing. Al Howe goes to Florida and retirement with gratitude and best wishes, thanks from the Morton Country Swingers.

We are scheduling visiting callers for March dances and intend to appoint a caller to work with George Burch at our picnic in August 1987.

ATTENTION CLUB REPORTERS

Last year the Promenader offered free mini-subscriptions to any class graduate that desired one. These mini-subscriptions are for the May, Summer, Sept., and Oct. Issues. If your club would like to take advantage of this offer, would you please see that our subscription editors receive a listing of your graduates, with their complete addresses by April 1, 1987?

This program introduces these new square dancers to the Promenader and gives them square dance information when they need it most.

Send list to: Promenader, 80 Wolcott St., LeRoy, N. Y. 14482.

An important point was made at the Leadership Conference that should be reflected in your reports. By definition, there is NO such thing as "Mainstream Plus". Callerlab and convention dictates that these two words signify different items. The Mainstream Program is (or should be) a much different program than the Plus Program. Just as the Advanced 1 Program is much different than the Mainstream Program. When reporting the symbols for your dances, use either M (mainstream) OR P (plus). When you use both symbols, readers expect both programs to be presented. Also note: We always use the word "program". There are no "levels" in square dancing.

Country Dancers of Rochester

I'm sorry I have been missing deadlines, but often our schedule is not complete by the end of the month. This is especially true if out-of-town callers and bands are "passing through". I want to be sure to call your attention to several "special" dances in the near future.

Dan Pearl has called for us before and will be working with Overacker (our D-O-R band). This dance will probably have a good mixture of squares throughout the program and I assure you, Dan will keep things moving...jot down March 12 for him. That same week Ted Crane and his band, Fool's Gold, will be returning from Ithaca. I have not heard them, but is is a Saturday dance for those that prefer the weekends. Remember, we do a "wlaak thru" of all our dances so you "learn as you dance". Two very special April dances are scheduled for the 2nd and 9th when we will see two of the top New England bands return. I'll tell you more next month - but we expect a full house for both of them. George Wilson - Selma Kaplan on the 2nd and Wild Asparagus on the 9th. Don't miss either one.

Happy Hoofers

It is nice to have the activity of square dancing to chase away the winter time "Blahs". Last month we had our Valentine Dance to liven things up, and this month we are looking forward to our St. Patricks Dance on March 7. Come join us.

We certainly appreciated having the Fitzgeralds dancing with us again after Charlie's long recuperation. Now we are waiting for Maurice Brien to get rid of his cast.

A group of us finally managed to get to the Belles 'n Beaus to retrieve our banner and had an enjoyable time doing it. They are a great bunch. Now we are looking forward to their visit to retrieve their banner from us.

Tecumseh Squares

March is the month the wind moves things around. Here at Tecumseh Squares Bruce Shaw has our club and guests moving also. We now have a new format, a plus workshop from 8:00 to 8:30. Why not drop over some week and brush up your plus dancing while enjoying a fun evening.

We would like to present our new officers for 1987: Presidents - Don and Carol Jermy, Vice presidents - Manny and Eleanor Schwartz, Treasurers - Duane and Kathy Schommer, Secretarys - Marv and Jean Berner, Sunshine - Ruth Payne, Hospitality - John and Ann Jones, Refreshments - Bert and Nancyann LeMoyné, Federation Representatives - Jose and Marian Ballu.

March 13 will be our St. Patricks dance. Come join us wearing your Greens. This promises to be an evening in green.

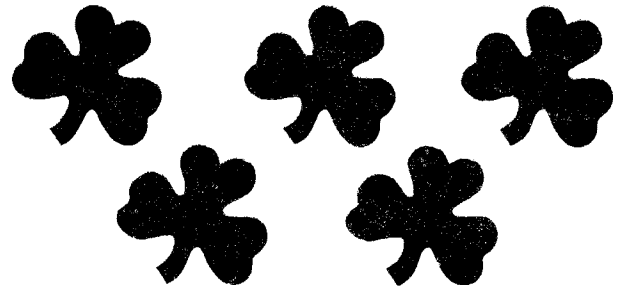

We dance every Friday in the Redmen's Club House. Go to the rear of the party house for parking and entrance.

TIPS for TIPS

- DO be quiet and attentive to the caller when he's teaching something, especially if you know what he's trying to explain. Someone else in your set may really need the information. It's even possible that you might hear something that you never heard before, or had forgotten.
- DO let the caller be the instructor: DON'T be a Know-It-All.

Silver Squares

Here is is time for another issue of the **Promenader**. Our invitations to the Senior Dancers are bringing results. Each week our attendance is getting larger. Some are coming back for return visits. We also have had a few more couples join our group. We do like to see a full floor of dancers and I'm sure it pleases our caller, Mike Callahan.

Dance-O-Rama time is coming up again and one of our dancers Elsie Epke, chairman of this event, has taken a little time off from her duties. She has taken a four day trip up the Mississippi on the Mississippi Queen. She reported plans for the dance are coming along very well. Anne Andria reported her son and his new wife have returned from their honeymoon. Your **Promenader** reporter is looking forward to a little warmth and sunshine on a cruise to St. Thomas, St. Croix, and Nassau this month. It won't be long before our dancers who spend the winter in Florida will be returning. We miss them.
