**EDITOR'S
NOTE:**

Many items cross an editor's desk. One difficult problem is to determine which items are of value (and to what degree) to the readers. Following are a few items. (Call me if you want further information on any of them.)

United Square Dancers of America sent the annual meeting report, agenda of Mid-year meeting, and Insurance Information.

National Square Dance Directory -1988 Edition- went to press in January. The huge quantity of information it contains should interest all Square Dancers, not just travelers!

The Sets In Order American Square Dance Society sent information about extensive work in a Square Dance Exchange with China. A good cause and a direct way to break down the barriers of culture differences.

Callerlab sent information on the Contra and Traditional Committee and election results.

Mike Callahan sent an article "Where Are All The Dancers". If you don't see it in this issue, look for it in a future issue. Thanks, Mike.

A big sigh of appreciation to CCR for taking the survey, and supplying for publication. Thanks CCR.

Some people think I'm a wit, but my husband says they're only half-right. *Bob + Maryln*

SPOTLIGHT ON

HENRIETTA FRIENDSHIP SQUARES

Henrietta Friendship Squares had its beginning in 1964 as a caller-run club, led by Don Pratt. Don and his wife Lucille had become interested in square dancing and joined the Genesee Dancers in the late 1950's. In 1962, Don became disabled with a back injury. While he was recuperating, he began studying square dance calling. Later that year, Don and Lucille started holding square dance parties in their basement, with Don as caller. From these basement dance parties emerged the Henrietta Friendship Squares.

The first Open House was held in September 1964 at the Winslow School in Henrietta. George and Mary Tompkins, friends of the Pratts, led the club as presidents. When a full slate of officers was installed, it was decided that Henrietta Friendship Squares should be the club's name. Don Pratt later formed two other "Friendship" clubs, one in Geneva in 1966 and one in Penn Yan in 1967.

Don Pratt's era with Henrietta Friendship Squares ended in 1971, when the long driving distance from his Penn Yan home became too time-consuming. Two young callers, Mike Callahan and Bruce Shaw, became club caller and class instructor from 1971 to 1976.

Ben McGilvery led the club until 1981, when Ron Fotch assumed the roles of caller and instructor. He remained with Henrietta until 1984, when he and his wife, Betty, moved to Florida.

The Friendship Squares were once again searching for a caller/instructor. Gary Bubel and his wife Alice were the unanimous choice of the board. Since 1985, they have been calling and cuing for the club, as well as instructing classes in both square and round dancing.

Henrietta Friendship Squares is responsible for the creation of two major events in the square dancing season. In 1975, Jim and Connie Harper joined other club members to sponsor the first Leukemia dance. With several callers donating time, couples danced on the Harper's front lawn. The theme of the dance was "Happiness is a Cure". All proceeds were sent to support children with leukemia. Thus, the Cure Childhood Cancer Association was formed. A dance is held every year for the benefit of children with cancer.

The George Washington Birthday Ball was also instituted by Henrietta Friendship Squares. This dance, now referred to as the President's Ball, is one of the early club/class dances. The dance will be held February 27, 1988 at Roth School in Henrietta. It's sure to be a great mid-winter blues chaser!

Square dancing has had its ups and downs in Henrietta, just as it has in most square dance clubs. After many years at the Pinnacle Lutheran Church in Henrietta, the club had to relocate because of classroom construction at the church. We are now dancing at a beautiful facility - the Fyle School in Volkmer Parkway in Henrietta. We dance two Saturday evenings a month from 8:00 until 10:30. The evenings vary, depending on the school schedule, so check your **Promenader** for the night to visit us.

After a year without a class, plus a dwindling club membership list, this coming year promises to bring new life into our club. We have an enthusiastic class of nine couples. They are progressing very rapidly, under the patient instruction of Gary Bubel.

Henrietta Friendship Squares' main objective is the promotion of all phases of Western Square Dancing. At the same time, we are having a lot of fun! Come and dance with us... Remember, "Friendship" is our middle name! For information call 624-3061 or 254-8869.

Letter
to the
Editor

Dear Bob and Marilyn,

On behalf of the Festival '87 Executive Board, the 1900 dancers (many of whom were your Federation members and workers), and ourselves, we wish to thank, with this letter to the Editor in the *Promenader*, all of the Rochester Federation square and round dancers who had any part in making our first venture such a successful one. And a special thank you to the Editors of the *Promenader* for the fine publicity in the pre-Festival Issues.

We trust that all of the contributors and participants to Festival '87 will soon complete their Festival '88 Registration and Hotel Applications and get committed to the "Buffalo Bash", from October 07-09, 1988. Wouldn't it be nice to just attend and participate without the voluntary burdens of hosting such a massive event!

Thanks to all, and see you in a square before or at the Buffalo Convention Center.

Lee and Dick Ellis
General Chairpersons
Festival '87 and '88
Box 444, Rd 02
Voorheesville, NY 12186

We, the Rochester Host Committee Co-chairpersons, also wish to extend our thanks to ALL the clubs and individuals who contributed and worked so hard to make the 1st Empire State Square and Round Dance Festival held in our own city of Rochester, a huge success!

It would be virtually impossible to name clubs and individuals who contributed so willingly without omitting someone. It was a success because of you, the dancers, who gave us your whole-hearted support. You came through for us again, and we thank each and every one of you!

To the *Promenader* editors, our grateful appreciation for all your wonderful coverage and assistance publicizing this event. Rochester dancers and organizations are truly wonderful and we know you will continue to support the State Festival. It's in Buffalo in '88.

WHERE ARE ALL THE DANCERS?

Have you noticed square dancing isn't what it used to be? If you've been dancing at least five years, you know what I'm talking about. Clubs that have existed for years are folding faster than new ones are starting. Many callers have given up and quit. New callers are few and far between. Classes are down or non-existent. Class "angels" have become an endangered species and young couple involvement in square dancing is nearly gone.

Things can't be the way they used to be, but in the case of square dancing, they should be better! With the recent trend towards the exercise craze, square dancing should be growing by leaps and bounds, but it isn't! Why? (Continued next column.)

There are three major problems with recruiting new dancers.

First is that we don't get square dancing in front of the public! With all the advertisement geared towards the exercise programs on television, the competition for new square dancers is monumental. If John Q. Public doesn't know we exist, how can we recruit him? When we get to a potential dancer, he's already involved in another type of exercise program. How does he know that our activity is highly recommended by many specialists as a substitute for those needing exercise and is mental relaxation for those people in high stress vocations?

How about the fun, fellowship, and making of new friendships for life? Let's go public with the most well kept secret in the world today! While we're at it, let's find a way to involve the younger generation!

The second problem is caused by the above situation! Most square dancers today have been dancing long enough that they've tried recruiting everyone they know personally and have become disenchanted with recruiting new dancers. Because new blood isn't continually brought into the square dance world, we've narrowed our potential for growing.

New square dancers beget new square dancers! Lack of new classes has caused many club members (especially the class helpers) to move into the higher level programs or rounds. Once this happens, it becomes even more difficult to start classes because these dancers are tied up with their own workshops/lessons and can't help with classes and tend not to recruit because they can't attend lessons to "angel" their new recruits.

BE AN ANGEL!

Our third problem is the many different programs. When we try to recruit new dancers, they want to know how long they must commit their time to learn to square dance. This time varies, from area to area, but generally, it's between 25 to 40 weeks and who knows what programs they can dance when they graduate! Are they Basic, Mainstream or Plus dancers?

The new dancers don't really care until they find out they can't dance with their friends who recruited them. They discover that they don't know that particular program or they're forced to dance with other new dancers because the experienced dancers avoid them. They either drop out or finally learn whatever program their friends are dancing. Often, the new dancer is forced to dance with other new dancers in the back of the hall and continually break down, become discouraged and leave, never to return.

If they do make it and seem to have that extra potential that some have, they're besieged by others to seek a higher program before they have time to enjoy the program that they graduated into. Why can't we have only one program (not including the A and C programs) and just call it "Square Dancing"?

I don't care which combined, reduced, integrated or whatever list we use just as long as it can be taught in one season and the new dancer can dance with whoever and wherever he wants! I know each area has its own program and each caller/dancer has his own opinion but for the future of square dancing, let's combine our efforts to make "Square Dancing the activity it was ment to be!"

If you have any ideas/opinions to share with me, I urge you to write me and I'll compile and forward your comments to organizations that concern themselves with problems in square dancing. Maybe someone has an idea that will excite us all and do something great for our activity! Please write me!

Sincerely,
Keith Rippetto, Chairman

Rochester Caller's Co-op

RESPONSES TO THE CCR 1987 QUESTIONNAIRE

At the request of the Callers' Cooperative of Rochester, a questionnaire was circulated through the presidents and Federation representatives of the RAF clubs, last November. 159 responses were received, and here is a summary of those responses. I consider this an excellent return, especially since 45% of the returns also had written comments in addition to simple answers to the questions. Both figures tell us that there are many dancers in the Rochester Area who are really interested in the welfare of square dancing.

This month we present a summary of the answers to the questionnaire; next month we will print all of the added comments.

The answers to Question 12: How Do You Feel About Square Dancing Today are so important that I'm going to start out with the responses to that question, and see how they relate to all the other questions. What I mean is that the answers to Question 12 say that 128 of the people responding are "Thoroughly Enjoying" square dancing, but 20% are not:--- 26 are "Beginning to think that something is wrong", 3 are "Wondering where all the fun is", 3 are "Rapidly approaching complete burnout". In other words, 20% are less than completely enchanted with square dancing in the Rochester Area.

Considering that anyone with a worse feeling about square dancing has already dropped out and is not available to give us answers, I think that these 32 responses are saying something very important to us. So, in this report I include the statistics from the 32 responses, putting them in parentheses with an asterisk: (*). If they feel the same way as the rest of the dancers, their response figures should be close to 1/5 of the overall responses, so if their figures for any question don't come out that way, we'd better take a close look at that particular question.

1. One Dancer or a Couple?

64 (*10) marked down 1 dancer, although a part of them may well have been both members of a couple making separate returns.

2. Length of time dancing since graduation:

Less than 1 year: 7 (*2)....One year: 11 (*0)....

2 years: 10 (*2).... 3 years: 15 (*0).... 4 years:

6(*0)...5-8 years: 34(*9)...over 8 years: 74(*19).

Note that, except for the 4-year group, the most-interested dancers were the ones with the longest experience, with 68% (*88%) of the responders having over 5 years.

3. How often do you dance?:

Less than 3 times per month: 20 (*6).... 3-4 times:

56 (*13)... 5-6 times: 30 (*6).... Over 6: 51 (*7).

4. What type of square dancing? (first choice includes those who are workshoping, and number after the hyphen represents second choice):

Mainstream: 38-41 (*5-9)....Plus: 107-24 (*20-8)

A1: 20-14 (*6-2)....A2: 17-0 (*3-0)

C1: 4-0 (*1-0).

Not very surprising, unless it's the number who take MS as second choice.

5. 96 (60%) (*25-78%) are now or have recently been a club officer.

6. How many clubs do you regularly dance with?

One club: 69 (*17)....2 clubs: 49 (*10)

3 clubs: 23 (*4)....More than 3: 16 (*1).

7. How many callers do you regularly dance with?

One caller: 60 (*16)....2 callers: 50 (*8)

3 callers: 25 (*5)....More than 3: 21 (*3).

We also have some cross-comparisons here: 57 responses (36%) danced at 1 club to 1 caller....32 (20%) at 2 clubs to 2 callers....9 for 3 clubs and callers.... 12 at more than three of each.

While one might expect dancers to follow a favorite caller to more than one club, just the opposite happens: there are 15 that dance at one more club than caller, and 2 that claim one caller at 3 clubs. On the other side there are 29 who put down one more caller than clubs, and 2 with two clubs and 4 callers. The most likely explanation is that they belong to at least one club that has more than one regular caller.

8. Time of year dancing in Rochester:

All year: 100 (*16)....Not in summer: 51 (*15)

Not in winter: 7 (*1).

Maybe we were too late in the year to catch a lot of the snow-birds. No information on whether one-third of the dancers prefer not to dance in the summer, or their club is unable to hold summer sessions.

9. Dance during extended stays out of town:

Regularly: 21 (*4)....Occasionally: 37 (*11)

Never: 39 (*9).

10. Dance while traveling:

Frequently: 18 (*4)....Occasionally: 57 (*12)

Never: 57 (*14).

11. Travel to conventions, festivals, party weekends, &c

Frequently: 25 (*4)....Occasionally: 85 (*20)

Never: 40 (*8).

--- The following ratings are on a scale of 1 to 5:

13. The idea of this question is to get a dancer's rating of his original class teacher, after he/she has had enough experience in club dancing to be able to evaluate how good his instruction was. A minimum of 30 dances with callers other than the class teacher were asked for. The responses were:

Excellent (5): 54 (*9)....Good (4): 52 (*10)

Fair (3): 6 (*4)....Poor (1): 1 (*1).

The Area dancers appear to be well-satisfied with their class instruction, although the 32 commenters are a little less so than the others (Remember that the starred answers are also included in the total count, so for instance there are only 2 'Fair' answers outside the group of 32).

14. Dancers were asked to write in ratings for as many local callers as they had had experience with, with a minimum of 3 dances with the caller. The dancers were asked to write the figures in the order of the amount of experience they had with each caller up to a total of five callers. There were 67 (*14) that rated only one caller, and 30 (*27) that did not put down any rating. The three figures below are the numbers of responses for ratings of 5 - 4 - 3 (only one return gave a rating of 1 in the fifth place):

First caller: 72-53-5....Second caller: 36-20-5

Third caller: 10-22-13....Fourth caller: 7-9-4

Fifth caller: 1-2-7.

Altogether, it appears that Rochester dancers are well-satisfied with at least several of the local callers. Callers' names were listed on several of the returns, and these will not be divulged, except that two or three of the returns, apparently from Geneva, mentioned Cubby Van Loon.

15. Do you think your club is losing dancers because of the caller?:

No: 118....No answer: 33 (*7)....Yes: 8 (6).

The number of people who could not answer No should be considered a danger sign. (Continued next page.)

Callers Co-op (continued)

16. Does your caller/class teacher lose patience with his dancers? (Answers in the order Never-Occ.-Yes):

Club: 141-3-1 (*28-1-0)...Class: 86-2-8 (*15-2-4).

The high number of yeses for the class is regrettable. We do not have any way of finding out how many callers are responsible for these answers.

17. Do you think your caller draws dancers to the club?:

Yes: 111 (*16)...Not sure: 3 (*1)...No: 20 (*9).

Some of the no-answers and the negative answers indicated that there were other reasons that their club attracts dancers (sociability, friendliness, etc.).

18. Do you think you gain or lose dancers because of

(a) Location: Gain 73 (*14), Lose 19 (*7)

(b) Dance night, Gain 59 (*14), Lose 42 (*9)

(c) Club's attitude to strangers, 98 (*19), 12 (*2)

(d) Attitude toward new dancers?: 83 (*14), 21 (*7)

Four additional sections of this question were poorly constructed, so that dancers were confused at how to answer, and the meaning of their answers was difficult to determine.... The answers to question (d) reinforce the widespread opinion that many club dancers, especially in Plus clubs, do not like dancers who "drag down the level" of the dancing.

19. a. Is there something you do not like about your caller?: No: 115 (*17), Yes: 22 (*11)

b. Do you wish you could talk to him about it?: No: 40 (*7), Yes: 10 (*5)

c. Would you like to replace him?:

No: 88 (*16), Yes: 2 (*0), Not sure: 3

It's too bad that there is **any** dancer who feels that his/her caller can't accept suggestions.

20. How would you go about replacing your caller?

The large majority of those responding (108) marked the obvious compromise answer: Have a serious conference with the caller to correct his actions before firing him. 16 would like to ask for advice, but a majority of these did not have any idea where to ask. Two each voted for hire first then fire, and fire before hiring.

21. Do you feel that you can talk to your caller about problems? The responses were 131 (*24) yes, 4 (*3) no.

The no's here and even the 24 no-answer's are most unfortunate. Again, we don't know how many callers these responses apply to.

22. Rate the teacher of your present class (again in the numbers of 5's - 4's - 3's):

Club caller teaches: 31-31-8 (*2-10-3);

Other caller teaches: 11-17-5 (*0-6-2).

It seems that the 32 commenters think there's not much excellence in class teaching.

23. 4 (*2) think the caller is paid too much, 20 (*4) think he should get more, and 86 (*21) think it's just about right. Lots didn't know how much their caller is getting paid.

24. 21 had attended at least one Leadership meeting. There were not enough ratings to be meaningful, and all comments are included in a separate section. See next month's **Promenader**.

IT TAKES ALL KINDS!

Here's to the dancers who are different;
The ones who don't always execute;
The dancers who aren't fast as most
Who aren't as sure afoot.

Here's to the dancers who are just out of step;
The ones who are referred to as "Gees";
The dancers who aren't always full of pep;
The ones who are always trying to please.

Here's to the dancers who are different,
The ones who are blamed in a square.
These are the ones who are trying,
The ones who are used to compare.

Here's to the dancers who haven't learned yet;
The ones who aren't considered cute;
The ones you want out of the set --
You even would like to boot.

Here's to the dancers who are different,
Without whom the club would sink.
We are the ones who pay the callers
And make the good dancers great -- THEY think!

Here's to the dancers who fill a square;
That's when you're thankful we show
We're just part of the bill affair --
We are the ones who make a square go.

Belles 'N Beaus

Although we had a wonderful year as a club, some of our members didn't end the year so well. We are especially sad to have lost our friend Bob Weaver. Our condolences to his family.

Norm Rosenburgh has had a very hard year but happily is improving. Doris Haddleton is recovering well from a broken arm. Eleanor Macomber had a double whammy; she had a broken arm from an auto accident and another broken arm when she fell at a dance. John Butler is having serious spine trouble. Alberta DeRycke is recovering from a broken foot. Don and Dottie Adams have missed most of the dancing this last fall, alternating between bronchitis and flu. Ruth Greene has a serious problem with disintegrating bones in her knees. And Pauline Keyes is still having problems from a ski injury last winter. May all these fine people improve and have a happier New Year.

January 3rd we had our "Baton Dinner" at Bosdyk's, where we transferred the responsibilities of the Club to our new Officers. It portends to be a good year as many of the new officers have served before. Experience is a plus. The new officers are: President Al and Bernie Blossom, Vice Presidents Jim and Jean Patrick-Maxwell, Treasurers Don and Fran Mooney, Secretaries Jack and Evelyn Lawson, Social Directors Dale and Pat Hurley, Edgar Wardell and Gert Hauck, Bob and Helen Weillert, and Ed and Helen Dugan.

Mike Harris will be our guest caller February 1st and 8th, replacing his father Art, who is conducting a tour of Puerto Vallarta. These tours that Art hosts include dancers from his Buffalo club and our own Belles and Beaus. They always have a good time.

February 15th is our annual Valentine Dance. We invite our new class members to join us in a pot-luck supper at 6:00, and dancing later. Bring a dish to pass and your own table service. We dance that evening at Wesley Methodist Church on Dewey Avenue. February 29th is the Leap Year Dance, plans incomplete.

Cloverleaf Squares

We are pleased to welcome the new club officers for 1988: President Faith Giambol, Vice President Laura Hansen, Secretary Jerri Seeger, Treasurer Allan Walker, Hospitality Joyce Clarke, Joyce Levandowski, Dennis Mann, Cheryl Perman, Federation Representatives Ralph Dell and Alan Butenhof.

On February 7, Cloverleaf Squares presents a Winter Showcase featuring Dean Crowell from Texas at the Redmen's Club from 7:30 to 10:30. The class will be at the regular time and place with Mike Callahan instructing. Then on February 13th, we will have our annual cross-country ski party at Dave Fisher's house. We will be having Mike Harris as our guest caller on February 21. That evening Swinging Singles, Boots and Slippers, and Circulators will be our guests.

Save March 27th! We will be introducing Art Tangen from Oklahoma to the Rochester Square Dance community. Look for more information in the March issue.

Boots 'N Slippers

We at Boots 'n Slippers hope you all had a healthy, happy Holiday Season. We rang in the New Year with laughter and dancing at our New Years Eve dance starting 1988 with a Yellowrock.

Our Blizzard Ball was a great time and very successful again this year. We would like to thank all the class and club members from all over Rochester for joining us, with a special thank you to those who stayed for a few extra minutes to help with clean up.

We would like to take this opportunity to thank our 1987 officers for a job well done and introduce our new officers: President Floyd and Barbara Backus, Vice President David and Jean Decker, Treasurer Jim and Sally Lee, Secretary Russell and Donna Thiel, Refreshment Chairmen Bob and Margaret Engel.

Coming up in February we will be dancing every Friday evening and we invite you to join us. A special invitation to our Valentine's Dance on the 12th. It promises to be a fun filled evening of Valentine goodies and Yellowrocks.

Mike Callahan will be holding his refresher workshop at 7:30. We look forward to seeing you across the square.

Batavia Silver Stars

If it's Tuesday, there's square dancing in Batavia - winter or summer. We are either at the John Kennedy School, the Genesee Country Mall, or the Salvation Army Building on Main Street (back door). Through the summer, we dance at the Genesee Country Mall. When school is closed, we dance at the Salvation Army Building.

Our recent "Pie Nite" was a delicious success. We had all varieties. One of our men chefs brought a super Elderberry Pie with whipped cream topping. Our Turkey Night with gift certificates as prizes was great.

With our good caller, Bill Ryan, square dancing is wonderfully relaxing, and it's fun to be with friends!

Copy Cats

Hi Dancers,

February is Sweetheart's month. Bring your sweetheart to the Copy Cats Annual Valentine's Dance on February 13th. This is a club-class dance with squares by Mike Callahan and rounds by Roy and Carol Keppen. All classes are welcome!

Come and enjoy yourselves on Saturday, February 27 with our regular Mainstream dance with Mike Callahan and the Keppens.

A reminder to Copy Cats...Annual dues are now payable.

Swingin' Eights

Swingin' Eights will bring their favorite covered dishes (Jan Brewer isn't allowed to bring anything but her delicious stewed fruit dish) to a potluck supper on February 6 at 6:30. Guests are welcome to join us for the Valentine Dance afterward. Squares will start after the supper at about 7:30. Bring your favorite sweetheart, and enjoy the music of Bruce Shaw and Linda Liberti.

Don't forget our regular dance on February 20. Forget the chill of winter with the friendly warmth of the Swingin' Eights.

Reserve the date of March 5, where Bruce Shaw and Mike Callahan will do their daring duo routine. This is historically our most popular dance of the year. You won't want to miss it!

We congratulate our new officers: President Tom and Helen Jones, Vice President Tom and Ellie Anderson, Secretary Tom and Jan Brewer, Treasurer Vern and Jane Avery (Vern is considering changing his first name to "Tom".)

The Swingin' Eights gratefully acknowledge the leadership of the former executive committee: Burt and Barb Rosik, who managed and led us well, working above and beyond the job description, Tom and Helen Jones, who developed an exciting dance schedule, Will and Arlene Shepler, whose minutes of meetings were organized (Arlene's mark) as well as humorous (Will's contribution), and Vern and Jane Avery, who managed to multiply our treasury balance.

By the time you receive this Promenader Mike Liberti will have had hip surgery. Our thoughts are with him. Soon, we hope to have Mike square up with us between round dances.

Genesee Dancers

Hello out there, we are writing this article as the year begins; a beginning for us as club reporters and the new year, 1988.

The club's Holiday Dinner Dance was a great time. The club members were reminiscing how it was at their first dance and the class members showed traditional apprehension as the dance tips began. We writers were able to dance with three class couples and found their new expertise capable for club caller Mike Callahan. (Thank you Instructor Ron Cole!) The decorations for the hall brightened up the place and put all in a festive mood, thanks to Flora and Al Bello, Irma and Jack Bowdey, and Emma and Ray Schlesing.

Now on to a new regime. Our new Board of Directors have taken over the helm with the exchange of the gavel on Thursday, December 17th. The new officers are: President Lois and Mac Campbell, Vice Presidents Dottie and Pete Robinson, Secretaries Betty and Jack Wilson, Treasurers Sallie and Ken Paul, Program Chairmen Becky and Tom Wells. The new officers have already planned something for us to look forward to. On Thursday, February 11th, the annual Valentine Pot Luck Dinner Dance will take place. Members only should sign up for a dish to pass on the sign-up sheet located on the treasurers table. Dinner is at 6:45. Dancing will begin at 8:00 for everyone. No prerounds on February 11th.

We end this reporting with a big thank you to Ann and Ed Barney for their efforts as club presidents and their Board and Committee members for making 1987 a successful memorable year!

Come and join in our fun Thursday night. Genesee Dancers always enjoy dancing with guests!

Diamond Squares

Its the month of Hearts and Flowers and Candy, so a Happy Valentine's Day to all dancers in the Rochester area. Not much doing for the Diamonds this month. As you all know, Bob and Nancy will be off to beautiful Hawaii, with lots of happy people. Diamonds will not dance on February 10, 17, and 24. Our next dance will be March 2nd. A note of sympathy from our club to Bernie Weaver, whose husband, Robert, passed away on December 15th. They danced with us for many years, and we will miss him. Until next month, so long.

Our A2 class which starts at 6:30 on our regular dance nights is progressing well. On December 20th class members stayed with our A2 dance group in an enjoyable celebration of Christmas. We had plenty of munchables, delectables, and delightfals.

The next special on our calendar is the February 14th Valentine Party. Want a good tip on what to wear for that occasion? Wear a red outfit! Then if Cupid's arrow pierces your heart, the blood won't show as much.

As you brace yourselves for the onslaught of winter, take solace in the fact that they are predicting very little snow this year - for Florida.

Tecumseh Squares

We would like to thank all couples who attended our New Year's Eve dance, and look forward to seeing you again for this year's dance. Also thanks to those attending the Mid-Term Ball.

At our Christmas dance the following people were elected as officers for 1988: Presidents Manny and Eleanor Schwartz, Vice Presidents Jack and Mirf Manning, Secretaries Mary and Jean Berner, Treasurers Duane and Kathy Schommer, Sunshine Chairperson Ruth Payne, Refreshments George and May McNamara, Federation Representatives Jose and Marian Ballu, and Promenader Reporter Don and Carol Jermyn. To the out-going officers, thanks for a good year.

On February 12th, we will celebrate Valentines Day: Wear your reds!

Our rounds workshop is doing very well. George Burch is getting a few more couples each week. If you need some brushing up why not come some Friday evening at 7:30.

Work is progressing on remodeling our dance hall; a new entrance is now in. Come join in some fun with us on a Friday night. Bruce Shaw workshops from 8:00 to 8:20, dancing is from 8:20 to 10:14. George Burch cues our rounds between tips, plus workshopping at 7:30.

Morton Country Swingers

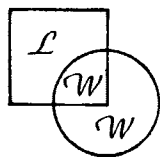

As we say goodbye to the holidays, we at the Morton Country Swingers also say goodbye to our former reporters, Bruce and Joan Hilton, who will be greatly missed by their friends. I hope I can fill the shoes left by them.

Now to the news: we would like to wish all our fellow round and square dancers a safe and Happy New Year. Next time you see Jan and Les Bradt, ask them about "The Grand Swinger." I'm sure you'll get a smile from them like we did when we heard "The Tale of the Grand Swinger."

We would like to have all of our round and square dance friends drive "all of the way out to the black North," and enjoy our club on any of the following nights, with rounds at 7pm followed by squares and rounds at 8pm: February 4 with Les and George, February 11 with Bob and George, February 18 with Les and George, February 25 with Bob and Bill, and March 3 with Les and George. Oh, yes---clubs beware or you could be missing your banner, or better yet, you may find ours gone from your collection. We are ready and will travel great distances for either stealing or retrieving: B-E-W-A-R-E! Well, until March we will be looking for you around a square.

SPECIAL AT LINDA'S

Wayne Westerners

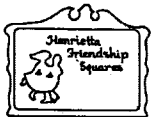

Winter has finally arrived here in Wayne County, but that doesn't deter us hardy Wayne Westerners! We just keep on dancing, never letting the snow stick to our dancing shoes!

We all enjoyed the recent holiday season and its many festivities, particularly our annual Christmas Potluck Dinner/Dance. In addition to the usual delicious (and fattening!) Wayne Westerners dishes, we had an opportunity to dance an entire evening with our new class couples. They're progressing beautifully and will soon be ready to join the club!

February's plans include a Valentine's Day Dance on the 11th and our 3rd annual "Snow Dance" for club members and families at the Closs's in North Rose. The club will also be electing new officers for 1988 - we'll introduce them in March's Promenader.

Henrietta Friendship Squares

Happy New Year! New years always seem to bring great expectations of great and better things to come! One of those expectations is an active and happy year of Square Dancing. We at Henrietta Friendship Squares are certainly going to try to make that dream come true!

With that in mind, we have two big events coming up in February. The first is our annual Valentine's Dance on the sixth. Bring your sweetheart and enjoy. The second, and our biggest event of the year, is the Presidents' Ball, to be held on the twenty-seventh at Roth High School. The details are in the ad in this issue.

We'd like to thank everyone who participated in the Craft and Baked Food Auction which was held in January. It was fun.

See you at the Presidents' Ball.

Happy Hoofers

We hope everyone had a Merry Christmas and is looking forward to a healthy and happy 1988.

As of the January 6 dance, our new officers are: Presidents Ed and Dorothy Bliet, Vice Presidents Floyd and Shirley Kuhn, Treasurers Hank and Bernice Rearson, Secretaries Ike and Nan DeWispelaere.

Our thanks to our retiring officers for a job well done. Come and dance with us for our Valentine Dance on February 6. Chip Kellogg and Al Overslaugh will be calling and cuing for us. Guests always welcome.

Glass Slippers

With the holiday season over and the wintry chills upon us, it's time to settle down to some serious dancing. Our class meets from 7:30 until 9:00. During the club dance we have Plus workshop. The Plus calls are incorporated into the dancing, along with some square dancers' rounds.

The new year brings with it some changes for the Glass Slippers. Bob Meagher will call for us on the first three Wednesdays of the month. The fourth Wednesday will feature guest callers from the Rochester area. Our February guest caller is Mike Herne.

We welcome visitors to join us for either class or club at the Ginther School in Brockport. (That's the school nearest the tennis courts.)

Glass Slippers would like to say, "Thank you, Bill Ryan!" for commuting from Buffalo for the past 2 1/2 years to be our caller. Best wishes for continued success in your teaching career as well as in the square dance world.

Swinging Singles

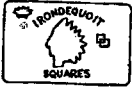

No body could be more glad to see Christmas over with than we are! We lost our shirts on the Christmas dance. It was a fun dance but nobody came, Bah, Humbug! (Isn't this a refreshing change from the usual flowery platitudes you read in these columns?)

By the time you read this our new class will have graduated. Congratulations to all! We need your continued high spirits to liven up our club dancing! Speaking of lively times, on February 6, at 8:00, we will hold our annual 'Kissin' Kuzzins' Valentines Dance with Mike Herne calling. Those of you who came last year remember well how long the dancing went on! Anything can happen at this dance! Last year we even had someone riding around the dance floor on a bicycle - it sort of gave a whole new meaning to the call "Wheel Around", to say nothing of what it did for the "St. Joe's Rollaways".

Irondequoit Squares

Although February is the shortest month, it usually seems longer while waiting for Spring. A great way to prepartate for the change in seasons is to attend the Irondequoit Squares Annual Plus Program Valentine Dance on Saturday, February 6th. This will be a gala event, with caller Jon McNally and cuer Brian Adams providing the best in dancing pleasure. Our next dance in February is on the 20th. Guests are most welcome so please come and share in our fun and good times.

Looking ahead, we see the Luck of the Irish dance and silent auction on Saturday, March 19th. Even further ahead on Saturday, April 30th, the Irondequoit Squares will have special guest caller Cubby VanLoon. Save these dates for some memorable good times.

Many thanks to our out-going club officers for a super year and a job well done. Good luck to our new officers for 1988. They are Presidents Dick and Janet Hamilton, Vice Presidents Ted and Ruth Phillips, Secretaries George and Sylvia LaFave, Treasurers Vince and Barbara Perricelli, Reporters Gene and Lorrie Richman, and the Social Committee Dave and Anita Sprague.

KEEP THE FUN IN SQUARE DANCING

AND YOU WILL KEEP YOUR

SQUARE DANCERS

Village Squares

Three nights each month during February, March, and April (be sure to check the monthly Promenader calendar), Bill Saintey will be teaching round dancing during the first hour of the regular dances of the Village Squares. From 7:30 to 8:30, and between tips on those nights, these lessons will add a new dancing dimension for club members and guests. We're retaining a half hour of Plus workshop each dance night as well as our other format of joining Mainstream and Plus calls for an hour, followed by a full hour of Plus dancing to end each evening. We hope many of you will join us in this new learning experience.

After midnight April 15, the stagecoach won't change into a pumpkin marking that magic hour, but the deadline certainly won't go unnoticed by millions of Americans - time has run out for submitting 1987 income tax returns. We figure its a grand time to celebrate with relief that the 1040's are finished - hopefully with expectations of generous returns. So break your pencils and put the calculators to rest and come to the First United Methodist Church, 31 West Church Street, Fairport, for our After Tax Dance. Jon and Bill will be calling squares and rounds alternately until 10:30. To spice things up, bring a can of stew - or your own concoction - to add to a big communal pot of hobo stew. We'll provide bowls and spoons and the fun.

EKC-O Squares

With one month to allow our stomachs to recoup from the holidays, we find ourselves faced with yet another excuse to break our New Year's resolution to cut down on eating sweets. February is the month for chocolates and red roses, time to let that special person know they're still number one in our hearts. EKC-O Squares will have a Sweetheart Dance on February 9th, when Jerry Carmen will call and Roy Keppen will cue rounds. The price is right! Come join us - instruction fee that night for visitors is \$1.00 per person.

But, before we get lovey on the 9th, we will have our own Jerry Carmen calling on the 2nd, and Jody Mattice will cue rounds. February 16th will find Mike Harris back to our stage to call and cue rounds. Somehow, Mike always finds a way to bring a smile to our faces and lively steps to our feet. Jerry and Jody will again call and cue for our pleasure on February 23rd.

February is Heart Month. Have you had your blood pressure checked lately? Do you get enough physical exercise? Square dancing is recognized as an excellent way to help our vascular systems; it's not the only way to keep our hearts healthy, but it sure can help. Smiling and relaxing is also beneficial to our well-being. A local caller recently said, "I think the best thing that can happen to square dancing is that we put the fun back in and bring smiles to faces."

Come join EKC-O Squares on any Tuesday night - we'll try to bring a smile to your face. We're trying a different timetable for our dances. Starting at 7:30 each week we will have rounds only until 8:00 when the square dancing starts, then rounds alternating with squares. We have decided to end the dances at 10:00 instead of 10:30. After experimenting with this time frame, we will evaluate the situation to decide whether or not to continue.

Triggers

A great time was had by all at our Christmas Dance. It was a pleasure to dance with our class members and to see how great they are doing. They are such a friendly group. It was wonderful to have Mary Speer in attendance. Her ankle is steadily improving. Many thanks to all those on committee who helped to make the party such a great success.

January started out with our birthday night celebration and finished up with a wonderful party, our International Pot Luck Supper. As usual the Trigger cooks did a bang-up job. Everything was so delicious and the dance hall looked so festive.

Be sure to remember these important dates in February. The 9th will be our Valentine Dance. There will be no dance on February 16, due to the school recess, and on February 21 we will have our Winter Cabin Party for club members. Location will be announced later; it starts around 11:00 A.M.

Plans are also well under way for our Bunny Hop, to be held on March 22. Be sure to save this date. We hope that many of our friends from other clubs will join us for this fun night. Of course guests are always welcome at any of the Triggers dances.

Lima Grand Squares

Hope Frosty the Snowman hasn't given all you square dancers frostbite. Down here in the "Southern Clime" of Lima we are going strong, thanks to everyone who came out to make our Christmas dance a success. Of course that includes old Santa Claus, who was there with bells on, bouncing the ladies on his knee and handing out presents. A big thank-you goes to our last year's class, who worked hard helping our officers decorate. Their dedication was very much appreciated. They made our evening festive while, as usual, Gary and Alice made dancing around the Christmas tree great fun for all.

Our New Year's Eve dance found us dancing in the Lima school cafeteria, to songs from the 1950's and '60's, as well as doing the usual square dancing. Good to see those skirts and boots moving to the beat of the twist and the jitterbug, showing how versatile we all are. A New Year's Eve hug goes to our class, who are learning the dance steps so quickly and are already an asset to our club. Hey, you guys, we're proud of you-- and glad you're going to participate in our Valentine dance. This class-club dance will be held on the 12th. of February, and we invite everybody and their special Valentines to come on down. Guests are always welcome at Lima, and with Gary and Alice Bubel doing the honors you're sure to have a good time.

Miss May Bee is buzzin' around getting the hive in readiness for our special dance on Friday, February 5th. We have invited several clubs as special guests for that night and hope you will be there too. You just may be able to obtain a very special dessert! Bob Schlenker and Betty Wolcott will be calling and cueing for us.

Cupid will be visiting Miss May Bee at our dance on Friday, February 12th. Our class will be arranging this special Valentine Dance and will join us for an evening of fun dancing. Historically this has been a very special dance because the classes have enthusiastically used many of their ideas which are usually new ideas to square dancing. The Bees always look forward to this dance with great anticipation. This year's class is so varied and energetic, the dance they arrange has to be exceptional. Everyone is invited. Club dancing is at 8:00 at the Byron-Bergen Elementary School on Townline Road.

We will not have class or club dance on Friday, February 19th. Most of us will be enjoying our second Watson Weekend with Ecb and Sue Schlenker and Jerry and Betty Carmen. Miss May Bee is also looking forward to her second Watson Weekend.

Friday, February 26th, will also be a special night for the hive inhabitants. We have invited several Clubs in the area to join us. We have a surprise planned for all those who join us in a square that evening. Miss May Bee has buzzed it around that Bob Schlenker and Betty Wolcott will be calling and cueing - a honey of a time for everyone!

Mike Callahan will be calling at our Yellow Night on Friday, March 4th. This promises to be a good night for dancing as well as a pretty sight with everyone sporting their yellow outfits.

Don't forget, the Bees are invited to Belles 'n Beaus on Monday, March 7th.

The Irish Children's Program of Rochester, Inc. is an ecumenical, non-political, and tax-deductible charity 501 (c)(3). We are a legally recognized non-profit corporation in the state of New York. This organization brings children aged 9-11 from Belfast, Northern Ireland to the US for a six week period during each summer.

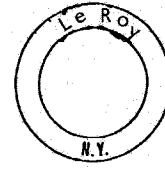

One hundred fifty children and six adult chaperones have been placed with host families in the greater Rochester area during the past six summers. The ICP provides funds for the children's travel expenses and insurance. The host families provide "love, room, and board".

There are Irish Children's Programs in several US cities, however our local program operates as an independent unit...both financially and administratively. We do not support any Irish organization or political group. Our focus is totally on the children and providing them with an American holiday away from the violence that marks the "mad summer months" in Northern Ireland.

Through the generosity of the previous three square dances...three children have enjoyed a wonderful summer in our area. Come and help us to bring two additional children this year!!!
