This-n-That from the Editor's Desk

New square dancers, this may be your first issue of the **Promenader**. Hope you enjoy it! The **Promenader** sends you these first four issues (May, Summer, September, October) free of charge to introduce you to the **Promenader**, and because we want you to continue square dancing. You must have a thousand questions about square dancing;-- what are they? If you're in the dark about something, this paper wants to help. Jot down your questions or comments and send them to me, or just call 494-2102. It would help these Editors and be appreciated - lots!

Next fall your subscriptions will expire so be sure to renew in September or October.

Reporters and advertisers: remember next issue is the Summer issue, covering the months of June, July and August. I suggest you start working on material for publication early, and mail early. Remember, deadline is May 3: that's on my desk by May 3.

Bob & Maryln Dailey

Roger Gilbert will be sadly missed by his fellow square dancers. He and his wife, Peggy, are members of the Glass Slippers and Sets-in-Motion Square Dance Clubs. Among Roger's many contributions to square dancing are the D-O-R signs. For many years Roger and Peggy maintained, stored, and on the day of Dance-O-Rama placed them out on the streets of Brockport. In spirit he will be with us for many years to come.

We all extend our sympathies to Peggy and family.

One of the important news items at the time of this writing is that Bud and Flo Parker have agreed to chair the nomination committee for new Federation officers. All dancers should remember that the Federation cannot operate without officers, **and**, according to Chape Blake, there are now 20 clubs and over 1300 dancers covered by the Federation's group insurance policy with the United Square Dancers of America. Those 20 clubs should remember that without the Federation they would have to scratch elsewhere for their insurance, and the Federation can't exist without people willing to take on the responsibility of the Federation offices.

What this all says to me is that the affiliated clubs had better take on a serious interest in the welfare of the Federation, or they're likely to find themselves in a real bind!

The other problem the RAF is facing right now is the future of Dance-O-Rama. I have received just three responses (less than 10%) to the questionnaires that Dick and Mary Kosbab (of Boots & Slippers) made sure got into the hands of the presidents of each Federation club. One club thinks that DOR should be dumped, one thinks it's fine the way it is and pledges the whole-hearted cooperation of the club in staging DOR, and the third wants to leave the DOR program the way it is but have it in a different place.

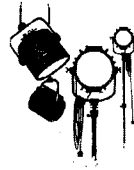

Anyone who agrees with the third answer should be aware that the present DOR program requires five dance halls. The possibility of finding better accommodations has been studied for several years without coming up with any good answers. So the choices are: (1) continue as we are, (2) dump Dance-O-Rama completely and come up with some other way to find funds to operate the Federation, (3) find a better place to hold DOR in its present form, which nobody has been able to do yet, or (4) cut down on the DOR program to require fewer halls, and then find a place that will accommodate the reduced program.

Meanwhile, Dick & Mary have resigned from the DOR Committee. However, we have been able to find an excellent pair to do the job: Roger and Nancy Dart, of the Promenading B's. So it looks like DOR is safe through 1990, at least.

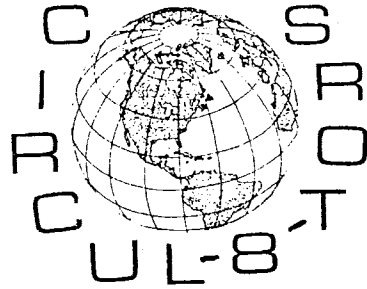

The committee is of course always glad to hear suggestions for the improvement of DOR. The other side of this coin is, don't be surprised if the suggestion has been made before, and someone has already considered the undesirable side-effects that haven't occurred to you.

Just don't forget that it takes more than a small committee to put on a successful Dance-O-Rama; it takes the enthusiastic cooperation of all of the Federation clubs. Don't say no when you are asked to contribute your share of the effort.

SPOTLIGHT ON

'Twas a dark and stormy night in January, 1970 when several square dancing couples gathered together to form a traveling club composed of dancers from other clubs. Their first trip was to Hawaii. 250 people went on a two-week, first-class tour for \$515.00 each! Non-dancers helped fill the second plane on that not-to-be-forgotten journey in February, 1972. Returning home, Rochester airport was snowbound, so all passengers (and pineapples) had an overnight stay in New Jersey added to their itinerary. Friendships made on that trip are still in existence today.

Since then, the Circul-8-tors have had a diversity of trips. We have been to Europe, Spain and Portugal, Nashville, the British Isles, Hawaii (again), Nova Scotia, Holland (Mi.), Mexico, Agawa Canyon in Canada and the MASDA Festival in Montreal. Our September, 1987, trip was to Quebec City, the Laurentian Mountains, and Toronto.

Our first caller Don Pratt and his wife went on many of the trips with us. When he retired, we were fortunate in securing two more top-notch callers. Jerry Carmen and Chip Kellogg alternate their calling duties during our September-through-May dances. These are held one Sunday a month in Penn Yan or Fairport. After the dance and brief business meeting, we go forth to a nearby restaurant for dinner. Visitors are always welcome. At the same time that Jerry and Chip joined us, we were also happy to be able to add Betty Carmen and Dottie Reed, everyone's favorite cuers, to share cuing responsibilities. In August we have a campout-picnic. Originally, this was a picnic-only held at Bonnie Brae in Prattsburg. It was moved to Keuka Lake State Park and is now held at a private campground. During the dance season we have an Open House, Potluck Dinner, Christmas Party, Silent Auction, and Presidents' Day Dance.

Our membership currently covers the greater Rochester area, the Finger Lakes region, the Southern Tier and Shinglehouse, Pa. Our members are of a most generous and cooperative nature. They give willingly of their time and talents, which are much in evidence when gifts are presented to Hillside Children's Center at Christmas time, and we donated \$200 to CURE in 1987. This was raised by selling members and friends their own color snapshot taken at our February dance, which had a red, white, and blue theme.

Our 1988 trip will be to Germany, Austria, and Switzerland in the fall. Won't you join us?

TO NEW SQUARE DANCERS

Welcome to our world! The square dance community hopes you will enjoy square dancing as much as we do, because you are our future. We need you, and want to keep you in square dancing as long as you enjoy it.

You are probably just beginning to get acquainted with the club that has sponsored your first lessons. (A lot of effort went into arranging for all of that.) In this area, that club is probably affiliated with the Rochester Area Federation. The Federation, as we call it, is a communications organization. Individuals from various clubs get together to discuss common problems and ways to cooperating with each other to further the interests of square dancing, in this area and world wide.

Our Federation is a very vital part of the New York State organization; in fact we hosted the first Empire State Festival here last year. That Festival, being the first, proved new frontiers exist and can be conquered for the betterment of square dancing. That Festival established a loose state organization of Federations and Associations working together.

The Federation is also affiliated with the United Square Dancers of America. That's the national organization of square dancers.

So you see, by becoming a club member you are becoming a part of all these organizations too. They're all your friends, - some you haven't met yet, but probably will.

Square dancing has a lot to offer you. It can further almost any special interest or talent you have; offering you, as an individual, personal growth and development.

It's an activity that is great for single individuals, and sure keeps a marriage interesting! It supplies an unlimited amount of friends. Any square dancer is a friend, even if you haven't met him yet. These special friends enjoy good times together, and see us through some pretty dark times. Ask some "old timers" why they're still square dancing. You'll probably find yet another benefit of square dancing.

You have probably met, or will, some disparaging individuals that don't appreciate a good thing when they see it. Please don't judge us all by one or two. Please stay with us long enough to see what this World of Square Dancing has to offer you. The possibilities are almost limitless.

You are our future. You come to us with a whole set of new friends that haven't heard about square dancing. (Our friends are sick of hearing about it!) Please invite your friends to join you in the activity that you enjoy. Bring them to the Open Houses next fall. Help make their first experiences in square dancing even better than yours.

The World of Square Dancing is changing. You come to us with new enthusiasm, ideas, and back grounds. We "old timers" entered square dancing before cable television, V.C.R.'s, and women's lib. If square dancing is to continue, you must help us adapt to the changing times. We can't possibly do it without you. We've set the stage, please help us take it from here.

A wise old man once said, "You get out of an organization what you put in." Seems to me, square dancing has returned 100 times what I've put in. What and how much do you want out of square dancing?

Letters to the Editor

Dear Editors,

I started lessons for square dancing at the Alcott Center. I saw your **Promenader** and would like it. Could you start with March Issue?

I didn't know Seniors could have so much fun, but square dancing does it all!

Evelyn Gray

Dear Editor,

Rumor has it that the "Dance-O-Rama Chorale" who sang at the Boots and Slippers' Jim Lee dance in Brockport has threatened to visit every club to sing their rendition of "Pack Up Your Petticoats and Dancing Gear" unless Dance-O-Rama tickets are reported to be at an all-time high. So do yourself and your club a favor. Buy your Dance-O-Rama tickets now. Tickets are on sale at all Federation-affiliated clubs.

NEWS

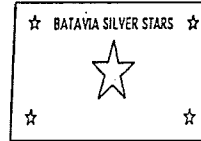

Belles 'N Beaus

This month I better start with some old news. Mystery Dance on March 26. A bus load to Kuntry Kuzins in Newark, run by Judy and Duane Rockafellow, after dinner at the Redman's was a very good success. Everyone had a good time. On the 25th the Belles 'n Beaus were guests at Tecumseh Squares, and many attended the Red Men's Club for a fish fry before the dance. This was another very good time.

We extend our deepest sympathy to the following: Betty Griswald on death of her mother, Wanda Thrash on death of her sister, John Bennett on death of his sister. We are looking forward to the 13th for our Trail End Dinner Dance. We are looking to Summer for the Car Rally and Scotch Golf.

Batavia Silver Stars

Spring is delightfully here and summer's balmy breezes will be coming soon. Our square dance classes are happily anticipating graduation on June 7th. Some of our club members will be coming back from Florida. We have missed them and welcome them back.

Quite a few of our members (class and club) are looking forward to Dance-O-Rama.

Remember that the Batavia Silver Stars with Bill Ryan calling dance all year around. Our summer dances are at the Genesee Country Mall on Main street in Batavia. It's air conditioned! Drive down some night - you'll have a good time.

At Boots 'n Slippers we're gearing down to the last few dances of the year. Time sure does fly while you're having fun.

Our class will be graduating on May 6th; we hope to have nine couples joining our club as full-fledged members. We would like to thank those club members who have taken time to be Angels throughout the past year.

On May 21st, we will be celebrating the end of dancing with our Trail's End Dance. Mike Herne and Jody Mattice will be calling and cuing for us. Hope everyone can be there for our last dance.

Cloverleaf Squares

May 1 and 8 are regular dance nights at Cloverleafs. Look for our booth at Dance-O-Rama too, for information and registration for the National Singles Convention coming up in September.

May 15 is a special occasion and a milestone as we graduate one of the largest classes in our history - 60 new dancers have completed instruction with our fine teacher, Mike Callahan. Festivities begin with dinner and include a Fashion Show featuring Linda's Western Wear. Dancing following and graduation ceremonies will make for a full evening.

May 22 will be Guest Night for Country Twirlers and Belles and Beaus as well as the start of our summer schedule. All dancers and especially new graduates from other clubs are welcome to join us as we dance all summer and we know many clubs do not. We will continue our popular summer program with something for everyone:

6:30-7:30 Mainstream review (including all positions and styling);

7:30-8:30 Plus Program Workshop - learning calls number 69 through 96;

8:30-9:00 Rounds Workshop;

9:00-10:00 Plus Program with rounds (no rounds from 6:30 to 8:30).

Saturday May 28 we will hold our annual Memorial Day Picnic with the Swinging Singles at Braddock Bay State Park - always a fun-filled day.

May 29 will again be a regular dance on the summer schedule.

Mark your calendars now for June 5. Ron Libby is coming to town. Our own Mike Callahan will share the calling. There will be two halls at the newly-remodeled Redmen's Club, one for Mainstream and one for the Plus Program. Mike and Linda Libbertl will cue rounds. (Mike is back and in fine form.) Mike and Linda's shop "Linda's Western Wear" will be there too. A very special evening - always one of our biggest dances. (See flyer in this issue.)

Glass Slippers

In the month of May we will be dancing only three nights: the 4th, 11th, and our final dance on May 18. We've decided to turn the May 18th dance into an old-fashioned ice cream social with lots of ooey-goey toppings to enhance the ice cream.

We have enjoyed our new caller and his taw, Bob and Jeannette Meagher, very much. Our Plus dancing has really improved as we've continued the Plus workshops. Thank you, Bob and Jeannette, for stepping in to fill the gap when we needed you. It has been a pleasure dancing with you.

To Carol and Gene Grove and to Dorinda and Jerry Gohhin, we say a great big "Welcome to the Glass Slippers Club."

We urge all new dancers (as well as the old pros) to enjoy Dance-O-Rama at S.U.N.Y. Brockport on May 7. It's a real fun day!

Don't forget to keep on dancing this summer to keep those skills sharp.

Mother's Day

Genesee Dancers

Hip Hip Hooray, the month of May, our snowbirds have returned we are glad to say! So nice to see friendships rekindled as the snowbird dancers are joining us once again on the dance floor. Welcome back friends!

The Genesee Dancers are just recuperating from an extra special graduation night, held on April 28th. The club officers planned a Steamship Round Dinner-Dance honoring our new dancers. The class instructor, Ron Cole, has done a fine job teaching them. These graduates were listed in the April Promenader issue with one omission. Katrina Chubbuck should be added to the '87-'88 class list. (Your reporters goofed.)

As the new graduates arrived for the evening's ceremony they were met by a "club sponsor" who pinned a flower on each graduate. Presidents Lois and Mac Campbell introduced each graduate, and Class Coordinators (our chairmen for Vice) Dottie and Pete Robinson presented each couple with a diploma. Then the graduates were pinned with their official Genesee Dancers Club badge, again through the courtesy of their evening's sponsor. Following the badge pinning the entire club welcomed each new club member.

Following the formal ceremony the fun began. Everyone danced in shoe boxes or with brooms, creating lots of laughs. The Program Chairmen, Becky and Tom Wells, really planned an evening to remember for many graduations to come.

On May 12th Chip Kellogg will be our guest caller. Many Genesee Dancers enjoy dancing under Chip's guidance, including these reporters! The dance schedule remains the same: pre-rounds at 7:45 and square dance at 8:15. The round dance cuer for May 26th will be Roy Keppen.

As the reader can see, Genesee Dancers are enjoying their square dance night. Guests are always welcome; the club policy is "dances are always open to everyone". Come Yellowrock with us!

EKC-O Squares

Our own Jerry Carmen will start our month off on May 3rd by calling squares while Jody Mattice cues for rounds. On May 10th, Tim Crawford will be with us to call squares. Tim is a very popular caller and has a good following locally. We invite all of you to join us for his excellent calling and for the unsurpassed round dance cuing of Mike and Linda Liberti. Round dancers are extremely lucky, because the next week, on May 17th, we will have Betty and Bert Wolcott with us to cue rounds. It would be hard to name anyone who has been more closely associated with the EKC-O name than Betty and Bert. To have them back before the last dance will be wonderful. On May 17th, Jerry Carmen will call. May 24th will be the last dance of EKC-O Squares. Bruce Shaw will call and Roy Keppen will cue for rounds. Bruce has been visible to EKC-O members for a number of years. Remember the days when he taught the class - then at graduation led them into the hall in his "Kilts"? What classes they must have been with the Shaw/Callahan show. We hope many of our square dance friends from the square dance community will join with us to dance to Bruce's calling, and to help this be an upbeat dance.

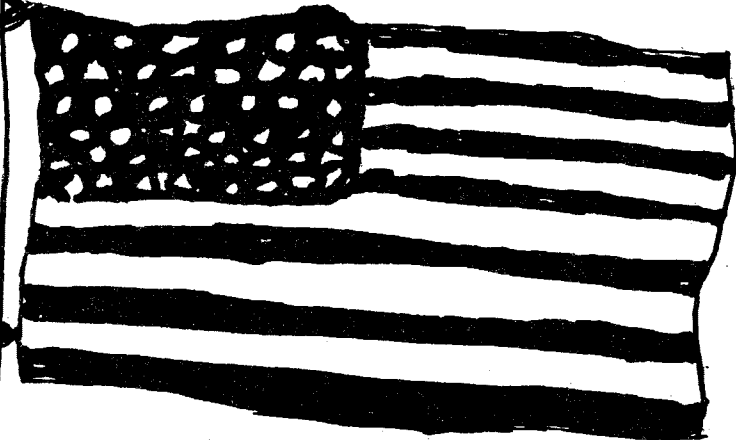

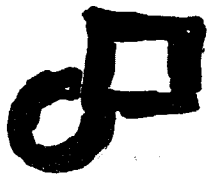

On Friday, May 20, 1988, members will be going out to dinner and square dancing afterwards. Any EKC-O members interested in joining the group should contact Sally McNeil, 247-5543, for information.

After twenty-seven years of being an active square dance club, EKC-O Squares will cease to exist at the close of the dance on Tuesday, May 24th. We have much to remember with joy, and little to remember with sadness. The love of square dancing remains very much alive with the remaining members of EKC-O. We do not intend to "steal silently away into the night", rather, we intend to continue with the activity that has brought us many hours of fun and friendships. Some of us will try to join a club that will enable us to continue dancing together. Others of us will seek a club that fits our family schedule best. You'll probably see the EKC-O Badge at dances because some of us intend to continue to use it as our "name tag". The membership appreciates all the kind words received from members of the local square dance community as word of our decision not to continue has spread. Our thanks to you all.

In closing this, our last, news article, we want to say a very special thanks to some special people: to Jerry Carmen who took over as club caller in 1984; to Don and Eunie Naulin who, as presidents, faced the situation with the club and conscientiously set about trying to find a solution; to the current board who worked with the Naulins to try to find a solution, then used a sensible method of closing out the club; to Chuck and Gerry Prister who were with the club in the beginning lean year of 1961, the middle full-membership years of the 70's, and into the again-lean years of the 80's; to all the current membership who showed loyalty to the club to the end. We do not say good-bye - only, see you in a square!

Irondequoit Squares

May is a very busy month at the Irondequoit Squares. Our regular dance is on the 7th and our Special Starlight Ball is on May 21st. Prom or square dance attire is optional at the Ball. As part of the festivities, someone will be given an ice cream maker to help prepare for summer fun. Caller and cuer will be Jon McNally and Brian Adams, respectively, for both dances in May.

A Garage Sale is being held on May 14th from 10:00 a.m. to 6 p.m., and the 15th from noon to 6 p.m., at Pauline and Ray Gaul's home. That address is 68 Wendhurst Drive, Rochester 14616. Wendhurst Drive is located between Stone Road and Stonewood Avenue and between Lake Avenue and Dewey Avenue. Proceeds to benefit Irondequoit Squares.

Looking ahead to June 4th, the Irondequoit Squares are taking a Dream Cruise to Fantasy Island. Reservations are to be sent to Barbara Perricelli, 2855 Penfield Road, Macedon, New York 14502, telephone 377-2293. The cost of the cruise is \$19.00 per couple. Paid-up club members pay \$16. Those wishing to dance only donate \$5.00 at the gangplank. Who would want to miss Boeuf du Marseille? Space limit is 30, count 'em 30, couples. Be sure to see the flyers at our earlier dances.

Looking around, we see banners stolen from the Village Squares, Tecumseh Squares, and Boots and Slippers. We challenge you to come and dance with us to retrieve them and steal ours, if you can!

Until next issue, have good times and fun dancing.

Jerry's Funshop

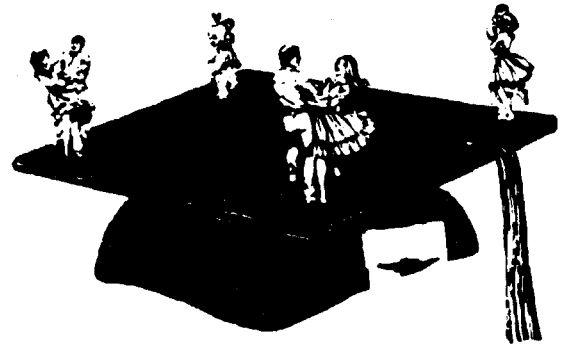

Back on our reporting job after several enjoyable weeks in the land of oranges, grapefruit, and baseball spring-training camps, our first priority is to thank Terry Veniskey for writing the column. Thank you, Terry. We had mixed emotions when Terry told us she had retired. Sure, it's nice for her. Already she's been gallivanting around to Atlanta, and elsewhere, and by now she has probably found that in retirement the best part of waking up is not Folger's in your cup (as the TV ads say), it's knowing you don't have to go to work and can do just about anything you want to that day. On the other hand, with Terry working in the Motor Vehicle Bureau, it was so convenient to get her in a corner at any of our dances and ask her questions to solve our personal motor vehicle problems. What are all of us dumbbells going to do now?

Joyce and Dawson (Mike) Ford had a great time when they hopped onto that big ship to see Carrie Beahan. (You probably didn't know that that lady discovered the sea now known as the Caribbean - so you learn something every day; you learn you can't believe everything some reporters write). Some tourists bring back rum and liquor. Joyce and Mike brought vim and vigor, and they have been dispensing it as Chair-People of Dance-O-Rama '88. They need support from all of us; let's give it to them.

Just a reminder to club members: in a small club, like ours, good attendance is important and the principle "The More the Merrier" really applies, so let's see your smiling faces. Guests welcome.

Wayne Westerners

May is a very busy and special month for the Wayne Westerners. We will be welcoming our class members into our club on May 5th with a Graduation Ceremony and Dance. Our annual Apple Blossom Dance will be held on Friday May 20th from 8 to 11, at Williamson High School. Local favorite Chip Kellogg will be calling squares along with Dottie Reed cuing Rounds. This Wayne Westerners' tradition promises to be as special as years past; we hope you'll come out to Williamson for this gala event! Check this month's Promenader advertisement for additional information!

We will be ending our regular dance year with another Wayne Westerner tradition, our Trail End Dinner-Dance on Thursday May 26 at 6:30. Interested past members and friends should contact Presidents Clarence and Shirley Graham at 315-483-8495 by May 10th. for more information and reservations for this dance finale.

Country Twirlers

The season's square dancing for a number of clubs, Country Twirlers included, is really winding down.

Don't forget the Dance-O-Rama Dance May 7th. Tickets are available at any local square dance club.

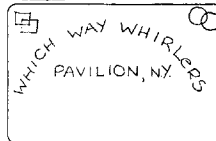

On May 14th we have our Trail's End Dinner and Dance at the First Baptist Church of Chili. Guests are welcome.

We have a Mystery Ride scheduled for May 21st; like the Trail's End, guests are welcome to join us for a bus trip to an unknown (to the riders) dance location for an evening of entertainment. The bus will leave approximately 6:00 pm from the parking lot in front of the Washington Irving School, 2400 Chili Avenue, and return approximately at midnight. If it sounds interesting, give us or the Georgers a call at either 663-3488 or 247-7259 and we will be glad to sign you up. Cost is \$16.00 per couple plus the donation price of the dance.

Memorial week-end starts the camping season, and that will lead us to our Camp Out and Picnic at Lake Side State Park on June 3, 4, and 5. Guest campers are also welcome for this event.

That's it for another month. We hope to see you all, if not on the dance floor, then at one of the Country Twirlers special events.

Which Way Whirlers

Spring is here, the robins and flowers are back, and once more our dances are winding down. Our Las Vegas Dance has come and gone. I am sure it was a fun time had by all. As we finish our dance season, one sad note remains: we are losing our beloved caller and cuer. How we wish they would stay with us. Maybe they will be back again someday. In Gary's place we are having Mike Herne. His calling is much like Gary's and he is a fun caller as Gary is. I am sure we will enjoy him very much and I hope he will learn to enjoy calling for us. As we close our dancing season, we will have a Potluck supper on May 11. Everyone is welcome to come and enjoy with us. There are many dances coming up throughout the summer. Perhaps I will see you on a corner.

Diamond Squares

Diamonds will not be dancing on the 4th, the first Wednesday of this month. Get those shoes polished up for May 7th at SUNY College at Brockport, New York. It's Dance-O-Rama. Hope to see lots of area dancers there. Diamonds have started a new program with Diamond and Double Diamonds dancing together using the A-2 Program, on Wednesday nights at Covenant United Methodist Church. Our A-2 class started on April 6th. All advanced dancers are welcome to join in the fun.

On the sick list are Al Ayling and Bill Hathaway. We wish the both of you a speedy recovery. Congratulations to John and Criss Statts, who just bought their mobile home in Florida. Winters will be much warmer now. Good to see Bud and Marie Heisler back dancing again. Until next month, "Keep the fun in Square Dancing".

Village Squares

A weekend of moonlit campfires, walks in the woods, poolside respites, and square and round dancing with friends can be yours for only \$38 and a two-hour drive south from Rochester. For the third consecutive year, Village Squares is hosting its annual campout at Camp Bell, June 24-26. Accommodations are of your choice - we've had tenters and motor home campers. Meals can be as gourmet or "trail easy" as you make them. However, we do provide a hot dog roast Saturday night and pancake breakfast Sunday morning, with a little help from our potlucking guests. It's a relaxing, fun three days.

This year Dick Casper will be our guest caller and Brian Adams will cue rounds. The dance hall is spacious and well ventilated if the days and nights are hot (a pleasant thought with a season of snow behind us). Representatives from the Carriage House will be there with an assortment of Western fashions.

All you need to do now is reserve the weekend and notify Village Squares Presidents, Vern and Carol Flowers, at 716-425-4305. Reservation forms are also printed at the bottom of flyers that have been distributed to each area club. If you've come before - spread the good word and come again! If this is your first experience - "try it, you'll like it!"

Trail's End is May 17, the last dance of our fall/spring season. Reservations are needed for this closed dance, for Village Squares' members only. If you haven't done so, call now to hold your spot for the buffet dinner and dance, scheduled in the Green Lantern Inn from 6:30 to 10:30. Officers for 1988-1989 will be announced.

Web Spinners

The Web Spinners have expressed their sympathy and sorrow to Barbara Straube and family. A memorial contribution was made to the Highland Hospital Oncology Department, where John had received considerate, concerned care.

The Web Spinners also acknowledge John and Barbara's contribution and work in promoting the club's activities and welfare.

Web Spinners' new officers for 1988-89 are: Presidents Nick and Fran Haldoupls, Vice Presidents - still need a volunteer, Secretary Arline and Joe Galen, Treasurer Shirley and John Johnston, First Board Officer Ernie Hargreves and Nell Buechel, Second Board Officer Marion and Arnie Read, Federation Representatives Jean and Bob Smith. Any one interested in the office of Vice President, please contact Nick Haldoupls.

Three couples have been instructed in Square Dancing and are now graduated from the Web Spinners Square Dance Class. They are Helen and Bill Beveridge, Helen and Walt Cone, and Betty and George Heissenberger. We congratulate them and welcome them to the club for many evenings of dancing pleasure.

No dance will be held on May 6th (Friday Night) due to the closeness of Dance-O-Rama, which is being held May 7th. See **Promenader** for details.

Our Trails End Dance is being chaired by Betty and Jack Ferrara. It's sure to be an enjoyable, gala affair under their direction. The date is May 13, the time 6:30, and the place is the Webster Firemen's Hall. Let's all attend the last and most prestigious dance of the season.

Swingin' Eights

When the moon hits your eye like a big pizza pie, you'll be dancing with the Swingin' Eights on May 14. Yes, Una Shaw is the godmother of a pizza party designed to delight the palate of all pizza-lovers. And yes, the Swingin' Eights will dance, too! Bruce Shaw will call squares and Mike and Linda Liberti will cue rounds. This is an event you won't want to miss.

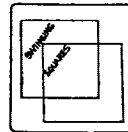

On May 21, we'll hold a regular dance. New graduates of Mike and Linda Liberti's round dancing class are encouraged to join us, to perfect those cues we learned. Mike and Linda promise to use many of the dances we struggled to learn. Don't let that knowledge of "Tamara" slip by. "Tamara" may be too late.

Run right to your calendar and write down Swingin' Eights' Trail's End Dance on June 4. Tickets are available at any Swingin' Eights' dance, or call the number below for your reservation. Guests are always warmly welcomed.

We are delighted to report that Mike Liberti is recovering nicely from hip surgery. Mike Prado is dancing again after a short hospital stay. And Gerry Dittman is almost ready to try those dancing feet again. We wish all three good health in the future.

TRIGGERS

Triggers

May is a special month for the Triggers. We will be having our class graduation on the 3rd of May and our special Anniversary Dance on May 17.

We wish to welcome our new graduates, Bob and Helen Reed, Norman and Jackie Hammond, Ann Halling, Syd and Kathy Gamlen, Don and Shirley Dietschler, John and Joan Neilon, Frank Iachetta, Louis and Zona Bagnato, and two couples who were former dancers and took the refresher lessons, Russ and Carol Phillips and Richard and Cindy Phillipson. They have all been a great class.

Our Special Anniversary will be at the Red Men's Party House. Triggers have been dancing for twenty-five years and our honored guests for the evening will be our club founders Peg and Myron Huss. The committee has planned a wonderful time for all who attend.

Last month our mystery ride was a big success. Many thanks to those who helped arrange it. Also we had a party for Mike and Nancy Herne at our April 12 Dance. The class had a hand in it also. By the time everyone reads this the new little Miss or Master Herne will have put in an appearance. All our best wishes to Nancy, Mike, and Baby.

We extend our heartfelt thanks to this year's Trigger Officers. They did a wonderful job and worked hard to make this an enjoyable year of dancing. We were very fortunate to have Mike as our caller again this year. He will be calling our summer dances that start May 31st. They are going to be held at the air-conditioned Ira Jacobson Post. The hours will be from 7:30 to 10:00. All class members are invited to attend. We will be doing a Mainstream review with an introduction to Plus calls.

Hope to see you all dancing.

DON'T FORGET

Mother's Day

Henrietta Friendship Squares

Gary Bubel, our caller, really outdid himself teaching nine eager and fun couples the intricate calls of square dancing. We welcomed them to our club on March 23rd with a Candlelight Ceremony. Joining us were Judi and Alan Friedman, Bill and Mary Leonard, George and Maureen Gibson, Gene and Margaret Warden, Bob and Betty Miller, Mary Lou and Hugh Hogle, Nancy and Bill Harper, Carol and Bob Ashe, and Jo and Cass Irvine. Welcome!

Time really flies when you are having a good time! We must have really enjoyed ourselves this past winter because it is difficult to believe it is coming to a close for the summer.

Two important dates to mark on your calendars are: May 14 - Ice Cream Social, and May 28 - Trail's End Dance. We cordially invite other clubs to join us for both events. The actual Trail's End Picnic will be on at Joan and Dick Smith's home.

Tecumseh Squares

The month of May is here. It brings graduation for many clubs, and ours is no exception. Just think, classes, back in September you said, "What is square dancing?", and now you know. Our class was small but much fun was had by all. A big thank you to the angels who helped. On May 13th, the following couples will graduate from Tecumseh Squares: Al and Ruth Conn, Clayton and Louise Connolly and Ed and Muriel Schultz. To aid other new graduates on May 13th and 27th, we will have Mainstream Program dancing, see flyer in the issue of the *Promenader*.

Starting in June we begin our Summer program with a Plus workshop from 7:30 to 8:30, Mainstream-program dancing using the Plus calls learned from 8:30 to 9:45, and then Plus-program club dancing from 9:30 to 10:30. We will have more details in next month's *Promenader*, and flyers will be sent to all clubs.

We are sorry to learn that Ekc-o Squares find it necessary to fold. We enjoyed dancing with them and having their members with us. We extend an invitation to Ekc-o Members to join our club if your Friday nights are free. Membership is always available in Tecumseh Squares.

Due to the Dance-O-Rama on May 7th, our club will not be dancing on May 6th. May 13th and 27th will be Mainstream program dances, with graduation on the 13th. All are invited to attend. May 20th will be a Club Dance using the Plus program. Hope to see you in one of our squares some Friday night. We dance from 8:00 to 10:30 at the Red Men's Party House, 101 Lexington Avenue. Bruce Shaw calls our squares and George Burch cues rounds between tips.

Happy Hoofers

The Happy Hoofers don't have a dance on May 7th, so everyone can go to Dance-O-Rama. Our next dance, on May 21st, is our Trail-In Dance with our Pot-Luck Dinner at 6:30. Bring a dish to pass and your own table service. Come and join us, we always welcome guests. Chip Kellogg will be calling the squares and Al Over-slaugh will be cuing the rounds, so we can work off those calories.

We hope everyone has a nice summer and don't forget the Happy Hoofers Square Dance weekend at Springwater, New York, at Holiday Hills Campground. Send your reservations to the Kuhn's at 268 East Lake Road, Honeoye, New York 14471.

TIPS for TIPS

DO each time you square up, remember who you are: heads, sides, couple number, and in some cases whether you are a man or a lady. The latter can usually be determined by looking to see whether you are wearing pants or a skirt.

DO wear your badge high and in front. There's no point to a badge if people can't see it and read it easily. And they can't see it at all if you sit on it between tips.

LETTER OF THANKS

I would like to thank the many friends who sent get well cards, gifts and prayers during my recent surgery.

Thanks to all of you who helped Linda at the dances during my hospital stay and recuperation.

A very special thank you to my lovely wife, Linda, for all her love, help, patience, and understanding. Without her I couldn't have done it.

Hope to see you on the dance floor soon.

Mike Liberti

Lima Grand Squares

Many thanks to guests and club members who came out and danced to our guest caller, Mike Callahan, on April Fool's day. It was no fooling, we had a great time.

Hope to see you for a Maypole Dance on the 13th. It's a great way to usher in summer. What better way to celebrate summer than with ice cream at the end of the evening.

The 20th of May is our trail-end dance. Dinner at 7:00, bring a dish to pass. Guests are welcome. Have a great summer and see y'all in the fall.

Promenading B's

As you have no doubt guessed, Miss May Bee is looking forward to all those May flowers as much as our May dances.

Our dance on Friday, May 13th, will include election and installation of next year's officers. Dancing under the direction of Bob Schlenker and Betty Wolcott will commence at 8:00 in the Byron-Bergen Elementary School on West Bergen Road. Come and join us in a square!

Friday, May 20th, will be a gigantic Birthday Party Dance. Why don't you come and celebrate your special day with all your dancing friends at the Promenading B's? A great way to remember your birthday without getting any older, getting some good exercise, and having a fun time. See you all at 8:00 at the usual place.

The B's will Not be dancing on Friday, May 27th. He a safe Memorial Day Weekend whatever your plans "May Bee".

Friday, June 3rd, will be our Trail's End Dance at 8:00 at the Byron-Bergen Elementary School. We will have our Ice Cream Social that night so be sure to come and join us for good dancing (and good eats) with Bob and Sue and Betty and Bert.

Have a great summer, and we'll see you all in a square in September!
