This-n-That from the Editor's Desk

Okay, okay, what's up? Why did only a very few reporters make the deadline for this issue? I have found it impossible for a report that is post marked September 4, to arrive by September 3! My beautiful helper that did lay-outs and paste-ups is no longer able to help. So until you volunteer, that leaves 'I'll ol' me! Since I am not coordinated enough to answer the phone and type while doing lay out-and paste-ups, it does take a wee bit of time. Therefore, don't ever expect that your news and schedule is going to be included in the **Promenader** if they aren't on my desk by the dead line listed below!

QUIZ

1. If a doctor have you 3 pills and told you to take 1 ever half-hour, how long would they last?
2. I have in my hand 2 U.S. coins which is a total of 55 cents. One is not a nickel. What are the two coins?
3. Do they have a 4th of July in England?
4. If you went to bed at 8:00 at night and set the alarm to get up at 9:00 the next morning, how many hours of sleep would this permit you to have?
5. How many birthdays does the average man have?
6. Why can't a man living in Winston-Salem, NC, be buried west of the Mississippi River?
7. If you have only one match and entered a room in which there was a kerosene lamp, and oil stove, and a wood burning stove, which would you light first?
8. Some months have 30 days, some have 31, how many have 28 days?
9. How far can a dog run into the woods?
10. A man builds a house with 4 sides to it and it is rectangular in shape. Each side has a southern exposure. A big bear comes wondering by. What color is the bear?

At this point in time, most of the Open Houses are over with. I hope all the clubs have been successful in recruiting new classes.

Demonstrations at the malls worked out fine. There was a lot of interest from the watchers. We were a little disappointed at the turnout at Midtown on August 29. We would like to thank the Senior Group for a great turnout at Midtown on September 8. Turnout at Long Ridge and Marketplace was large and exuberant.

Please take note the location of the Federation Meetings has changed. We are now meeting at the Alpha Lutheran Church at 1969 South Clinton Avenue at 7:30. Our next meeting is October 3.

I am looking forward to seeing everyone at the Empire State Festival in Albany. Thanks to Ed and Janet Leurgans for making the stand for the Federation Flag. I will be taking it to Albany.

Familiar and Predictable

On my way to work the other day I heard on the radio that a survey concluded the kind of TV programs most people like are those that are familiar and predictable. For years we have been lamenting we are losing out to the couch potato. We wonder why fewer and fewer people enter our beginner classes and still fewer remain to dance with the club. Maybe this is a clue and we ought to sit up and listen. Would we like to tap this vast resource - or, at least, stop the leak?

Assuming the survey was true, I made a list of the qualities I thought a successful TV show, i.e. the *Cosby Show*, should have. I came up with:

Familiar and predictable most of the time

Entertaining - simple humor that most can relate to

Variety of situations within a limited framework

Non-offending to any particular group

Convenient - "prime time"

How many of these qualities do we need in our square dance programs? How can we apply this to the square dance environment?

Callers and many dancers alike have been preaching just the opposite for maximum pleasure - unfamiliar and unpredictable. We think the dancer has to be constantly challenged or he will go away.

Some prominent caller-educators believe that the majority of current dancers represent "survivors" who, having endured the indignities bestowed on a new dancer, thrive on a high learning pace because of the excitement of more challenge and the desire to excel. They also believe that too much challenge fosters competition and division of abilities rather than the cohesive atmosphere there should be in a club. If this is true, where does this leave those who are out for a social night of fun and friendship? Are these the couch potatoes who have tried square dancing and returned to being couch potatoes?

Familiar and Predictable Continued

How does this relate to the "rush to plus"? How much dancer success is necessary to keep the new graduate in the activity - or better yet, have him remain a member of your club? How can this be combined with sufficient variety to satisfy the experienced club member? These are good questions, but ones which have no simple answer and are dependent on the attitude of the club and the ability and judgment of the caller.

Even though it may appear they do not practice it, many callers realize that high dancer success (not breaking down much) is a key to retention. Most callers also realize that a certain amount of challenge is necessary to add excitement and variety to the evening. Actually the most difficult part of a caller's job is to know how much challenge to add in without significantly affecting dancer success. As you know, some of us do it better than others.

What is challenging to a new grad is not necessarily challenging to the experienced dancer. If a club were to apply the criteria of the successful TV program to its new graduates, how many would they retain vs. how many current club members would leave in search of more challenge? It's my guess more would be retained than lost. If this is true, we have our choice. We can dance a high level with few dancers or we can dance a lower level with many.

Our survival strongly depends on a constant flow of new people coming into the club. If this flow should stop, it's like shutting off the faucet to the sink with a leaky drain. The sink will eventually empty. Club officers are faced with a dilemma. Keep the level high and discourage most of the new people or lower the level and risk losing some of the others. Club officers have to realize that every one cannot be pleased the entire evening and some will be louder than others on the parts that they don't particularly like. One might ask if we really want to retain those that are only concerned with their own pleasure and are unwilling to compromise to help the club grow? It's a difficult choice, but one that has to be weighed and made. When doing this, keep in mind that businessmen know that a satisfied customer will keep on returning but probably not say much, but a dissatisfied one will not only stay away, but will tell everyone who will listen what a bad deal he got. Since our classes largely rely on new members bringing in next year's crop, it is to our benefit not to turn these people off. Our activity has always relied mostly on word of mouth and friends bringing in friends to grow.

SPOTLIGHT ON CLUB PRESIDENTS

Web Spinners

WEBSPINNERS Square Dance Club will begin their new season in September with a new concept in leadership

Bob & Lyla Bonnett pictured above on the left and Jack & Betty Ferrara, on the right will be the first couple to preside as co-presidents of WEBSPINNERS.

The Bonnetts have been dancing for 19 years and have been married for 19 years. The Ferraras have danced for 15 years and have been married for 32 years. The Bonnetts have served as Angels for their class.

Both couples have held many offices, served on many committees throughout the years and are round dancers and avid campers.

Many years of square dancing have brought them numerous new friends and great experiences.

This year they are looking forward to continuing the WEBSPINNERS motto.....

"GOOD DANCING, FRIENDLINESS AND FUN!"

Happy Hoofers

As Presidents of HAPPY HOOFERS, Bill & Barbara Hossler have been dancing on and off since 1970. They are currently taking round dance lessons.

Barbara is employed by Marine Midland Bank in Bushnells Basin. Bill is self-employed in a mobile bookkeeping service.

Bill and Barbara have four children. The oldest daughter and only grandson live in Germany. Bill and Barbara celebrated their 32nd wedding anniversary this past August.

They enjoy vacationing, camping, walking, running and old cars. Bill and Barbara were Presidents of the Rochester Area Federation in 1989-90 and will serve as Vice-Presidents in 1990-1991.

Ours hats off to two very active people in the square dance community.

Belles 'N' Beaus

Bob and Glenna Lovall, Presidents of BELLES 'N' BEAUS have been members of the BELLES 'N' BEAUS Club for the past 4 years.

They were married in 1985 and both retired from Kodak in 1985. With their two combined families, they have eight children and twenty grandchildren, all of whom they are very proud of.

During the warmer months, they enjoy playing golf two or three times a week. Of course, they also enjoy babysitting their wonderful grandchildren whenever they are needed.

They also like to travel and usually plan at least two trips a year.

Cloverleaf Squares

The string of badges in Alan Butenhofs apartment reaches from the ceiling to the floor, not counting the misplaced Honeys & Bunnies badge he earned when he was a youngster.

Growing up in a family of dancers, he has been dancing for as long as he can remember. Alan has danced from Phoenix to London, sometimes 7 nights a week. He also dances contra, Folk, English Country, and swing.

Alan has promoted square dancing through his support of the new teen class of CLOVERLEAF SQUARES. He is also active with the Mainstream club, demonstrations, and has served as Federation Rep. for several years. As President of the CLOVERLEAFS, his fun and easy going personality creates a comfortable atmosphere for all to enjoy. THANK YOU, Alan from the CLOVERLEAF SQUARES.

When he is not dancing he is an electronics technician at Kodak, and enjoys computers, video games, science fiction, bicycling, skiing, and going to camp.

Our first month of dancing with three dances in September got us off to a flying start. We are sure that you all had a very good time at the Special Driveway dance at the VanApeldorns. Thank you Jean and Sid for your hospitality.

Our first dinner dance, October 19, is going to feature an International Cuisine, and is being chaired by the Bodensteiner's. Tell your friends in other clubs. Flyers will be available. A change in the dinner dance is that we are going to be able to use the facilities and hold the dance in our regular hall at the United Methodist Church

Belles 'N' Beaus

With the spectacular fall leaves and the crispness of the air we are looking forward to a busy and exciting dancing season. We want to thank our callers, guests and visitors, especially our graduates, who have shared the good times with the Belles 'N' Beaus. Don't forget on October 8, we will be dancing at Wesley Methodist Church on Dewey Avenue. Our Halloween Party Dance will be on October 29. Costumes are not required but they add a special touch to the evenings festivities, so start getting your costumes ready now. We are still welcoming prospective newcomers to our beginners' class on Wednesday evenings at 7:30.

Following successful surgery, Trudy Smith suffered a debilitating illness. Our prayers and thoughts are with her. We are saddened to report the death of Ed Tongue. Our sympathy is extended to Fran and her family.

We will be needing a new Board of Directors. If you are approached to serve, please consider serving your club.

May life always be gentle with you.

Happy Hoofers

Happy Hoofers will not dance October 6, because of the Empire State Festival in Albany. We will be back in our dancing shoes October 20, with Chip Kellogg calling. We are now in a bad news--good news situation. Because of his expanding calling opportunities, Al Overslaugh will now be cuing rounds only on the first Saturday of the month. Mark Thone will be cuer on the third Saturday. Rounds will start one-half-hour earlier, at 7:30.

We're happy to have the Village Squares and the Copy Cats as our guests on the 20th. Mark your calendar Saturday November 3. Join the Happy Hoofers Harvest Dance. Bruce Williamson will be calling this special dance.

Cloverleaf Squares

The leaves will be falling soon, so while you're raking, think about joining the Cloverleaf Squares for all these special events in October:

The Mainstream Club will continue through the Fall. In October we'll meet from 7:30 to 10:00 on Wednesdays, October 3 and 17, at the Church. Mainstream APD can be very challenging and will do wonders to reinforce your dancing awareness. If you haven't been able to join us during the summer, we hope you'll be able to visit us this Fall!

Our Youth Club will kick off again in October, just in time to entice the next generation with two free Open Houses scheduled for Friday evenings, October 12, and 26, from 7:00 to 9:00. Young adults from the 5th grade and up are welcome to join in on the fun! Deadlines for scheduling Fall events does not yet allow us to announce the location, so please call our information number (below) in late September or early October to find out where we'll meet.

On October 20, we'll be having a hay-ride at McCracken's Farm in Brockport. Despite the rains last year, we all had a great time on the ride, and later eating hot dogs and smores, and singing round the campfire!

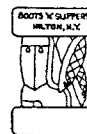

And a great time is always had by all who attend our Annual Halloween Party! Costumes are encouraged (although not require), and let me say we do have some very creative and industrious costume designs each year! Our Halloween Party is set for Sunday October 28, so come join us for the fun, and to wonder at everyone's vivid imaginations in costuming.

One final event to post on your calendar is our upcoming Annual Fall Showcase, scheduled for Sunday, November 4. We're excited and proud to present, from Bethlehem PA, Ted Knauss, Dait Young, and "Friends" for your calling and "entertainment" pleasure! Please note the special ad in this issue.

And remember, if you need information or have specific questions on any of our activities, just call our Information Number listed below and leave a message. We'll get back to you ASAP!

Boots 'N' Slippers

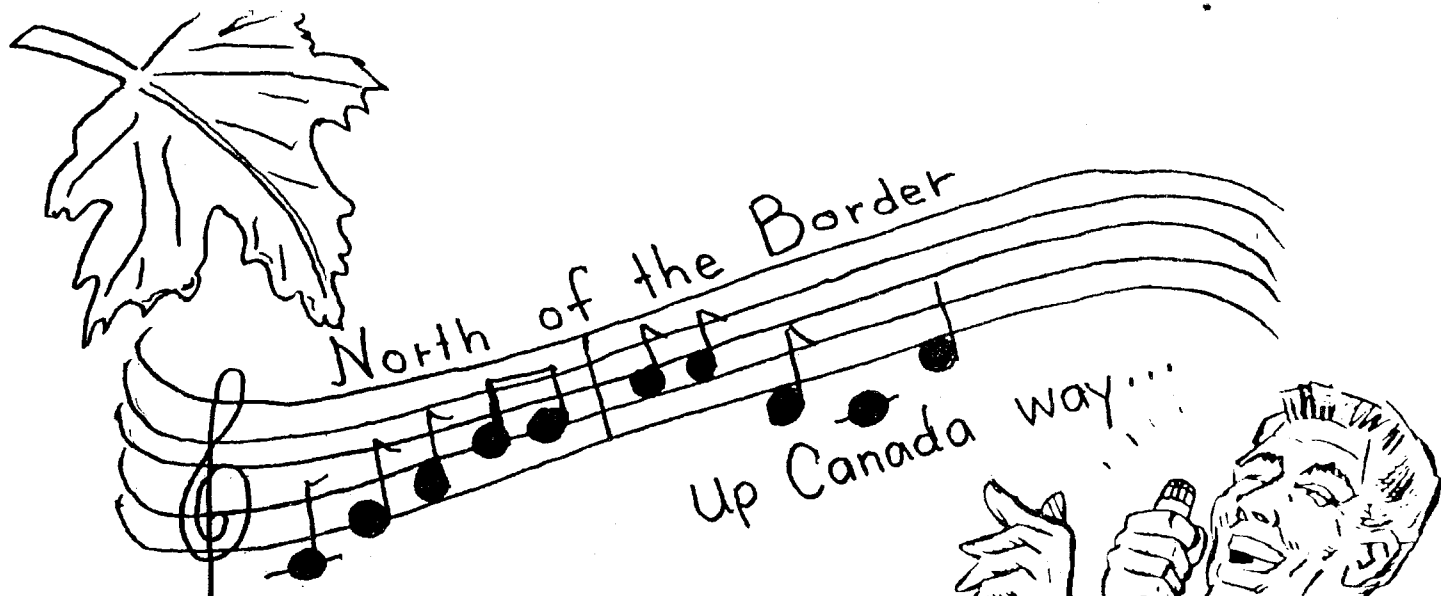

It's been great to see every one after summer vacations. If you have friends you would like to introduce to the fun of square dancing we will be accepting class members until October 12. We have found that having our class the same night the club dances allows them to mingle faster with club members and club members turn into angels when needed. Everyone enjoys refreshments together.

We remind everyone we will be dancing at the Henry Street Center during October. Jack Barnes is our guest caller and cuer on October 19.

The welcome mat and red carpet are always out for those looking for a fun club to dance with on Friday evenings.

Tecumseh Squares

As the leaves fall, we begin another dancing season. It's nice to see the faces that have been missing most of the summer. We have some great special events coming up, and the first one is just around the corner: Tim Crawford brings his special style of calling from across the border in Ontario. Join us on October 12 and enjoy a night with Tim.

If you missed the Circus Dance last fall, you'll have an opportunity to enjoy the efforts of Gerry and Howie Borden and their committee as they round up bunch of buckaroos for the November Rodeo. Mark November 9 on your calendar and come on down to the Tecumseh Dude Ranch for a fun evening.

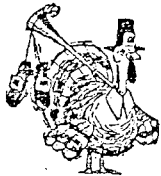

It may seem early, but don't forget to reserve New Years' Eve for the Annual Tecumseh New Year's Eve Dance. We'll guarantee good food and a great time with fantastic friends.

My apologies to Lena Kane. In the last issue I called her Irene. It's too bad that senility is already setting in and I can't remember the name of a good friend.

We look forward to seeing you all this fall on Friday nights with Bruce Shaw and the rest of the zany crew.

Batavia Silver Stars

It seems like just yesterday, we were waiting for spring and now fall is upon us. How time flies, when you're having fun with the Batavia Silver Stars. We danced all summer at the Genesee Country Mall. Now we are looking forward to dancing at our new hall at BOCES, 8250 State Street, Batavia, across from the High School, with Bob Meagher as our caller.

We are having "Pie Night" on October 15 and our Halloween Party on the 29th. So please bring your partners and we'll dance up a storm.

Country Twirlers

If you are unable to attend the Empire State Festival October 5, 6, and 7, we will be having a dance with Mike Harris on October 6. We know Burt and Eille Bennett will be attending the Festival since they won two free tickets at Dance-O-Rama. On October 13, Jack Barnes will be here for his only dance in October.

Anne and Joe Uebelacker were scheduled to call for us on October 20, but they canceled out saying they are leaving for Florida October 6. Gary and Alice Bubel will replace them.

Curley Custer from Hagerstown, Maryland, will be here on October 27. This will be a treat for all of us since Curley hasn't been in the area for several years. Bob Slomcenski will cue the rounds.

Ralph Dell, our club Publicity Director, is recovering from open-heart surgery, so we are the substitute reporters for awhile. Get well soon, Ralph.

Country Dancers of Rochester

I hope some of you read last month's Calendar carefully enough to note our Open House with Eric Rounds. For some reason, it wasn't on the list of Open House nights - probably because we are a Contra Club. As our faithful readers know, all our dances are open to the public. The difference is that we charge an instructional fee except for this once a year dance. We pay a band as well as a caller and for use of the hall. This year our Board decided we needed to go up \$.50 per person. We have member and non-member fees. Also, we are asking more for out-of-town groups to help with their traveling expenses. Gas has gone up!

This summer has seen our members traveling around the country to various dance camps. Alan Butenhof returned to Pinewoods for English and American dance week. His parents returned to Copecrest - a square dance resort near Dillard, Georgia - for the Lloyd Shaw dance week. Ed was on the staff. Several people attended folk dance weeks and/or contra sessions in New England. All summer long, CDR attendance was strong and many new folks tried us out.

This is a reminder to note our annual Thanksgiving weekend Contra party here in Rochester. I'll have more information next month, or phone George Sperry at 271-7041. We hope to have a swing-dancing workshop. Information Reporter, Barb Butenhof 586-1984

Dancing Shadows Round Dance Club meets every Monday evening from 8:00 to 10:30 at the United Methodist Church of West Webster, 570 Old Ridge Road. We dance and teach at the Phase II and III level. It looks as though our fall and winter program will be just as busy as the summer one was. But even though the club works hard, there is always time or the unexpected. You never know who Mark's partner for the teach might be. If you see Chuck Claus, ask him about it. But Chuck, you need to learn to "follow" when you dance with the cuer! If you dance at the Phase II - III level and enjoy having fun while you learn, you should come out and dance with us at Dancing Shadows.

Finger Lakes Squares

The cool crisp fall weather brings the time to really enjoy dancing, the beautiful foliage, and Halloween. Many of us have enjoyed the square dance weekends this summer. Montreal was better than ever. Seven couples have signed up for next year already. Then there was Sampson and Bob's A2 at the Brown Barn. Liz and Vern Marshall had the club over for an after party with ice cream and all the fixings on our last summer dance in August.

We welcome the new class learning A1 and A2. Bob will call continually from 7:45 to 10:30. He will alternate teach and A2 from 7:45 to 9:45, then straight A2 from 9:45 to 10:30. We will be at the Empire State Festival on October 5, 6, & 7...Don't forget.

Swingin' Eights

Come celebrate thirty-two years of square dancing with the Swingin' Eights, by attending our free dance on October 13. This is the last chance you will have to dance with the Swingin' Eights, because the time has come for our club to end. In true Swingin' Eights' style, though, this will be an evening to be enjoyed. Bill Saintey will cue the rounds beginning at 7:30, and Bruce Shaw will call squares at 8:00.

The Swingin' Eights have had an interesting history. First organized in 1958 by "Tink" Tinkler and a group of interested newcomers to Western style square dancing, The Swingin' Eights first danced at Summer-ville Presbyterian Church.

By 1960, Tinkler was teaching beginners under the umbrella of the Irondequoit Recreation Commission. Graduates signed a "gallows" as they entered the world of square dancing and joined the club. Through the years names covered almost every inch of space on the wooden structure.

The club has contributed much to the area's square dance culture. Many presidents of the Federation have been Swingin' Eights. The Rochester Callers Association (predecessor of Callers Co-op) was begun with the help of many Swingin' Eights members.

The Swingin' Eights main contribution, however, has been to the fun of square dancing. "Through the years," says Helen Jones, a Board member, "The Swingin' Eights never lost sight of this purpose."

The Swingin' Eights have marched in parades, demonstrated at nursing homes and shopping malls, and have even found themselves on stage for a historical production. Swingin' Eights members have helped each other during times of personal joys and sorrows. Our caller, Bruce Shaw, has supported us above and beyond the call of duty.

"Although our Club is ending, the friendships will continue," emphasized Ellie Anderson, co-president with her husband Tom. "Swingin' Eights members are already talking about dancing together at other clubs, having a Christmas party, and a picnic next summer. The ties we've made through the years are valuable ones."

The last dance will not be one of sadness, but a celebration of all those good times through the years. The Swingin' Eights will go out swingin'. We hope to see you on October 13.

Circul-8-tors

Enjoy the refreshing fall air with a scenic drive to Penn Yan for our October dance, Sunday the 21st at the Grange Hall on Route 54A, out at the edge of town. The dancing starts at 2:00, with Chip Kellogg and Dottie Reed doing the calling and cuing. This is an Open House, our first ever in Penn Yan, and non-members are invited to join us at no charge; absolutely free!

Our travelers are still buzzing about the spectacular Alaska trip this summer. It was a once-in-a-lifetime adventure which included such features as glaciers, waterfalls, gold mines, forest fires, lots of wildlife, and the "Cremation of Sam McGee". It's a big, wild country up north! The officers are planning the 1991 "short" trip and are open to suggestions. Traveling with the Circul-8-tors is just one of the many reasons to join our fun group.

The annual campout was also a big success this year with close to thirty couples enjoying an almost rain-free dance with a very friendly group! Join us for dinner at a local restaurant after the dance also. That's another Circul-8-Tors tradition.

What fun it is to watch prospective square dancers as they begin to discover what square dancing is all about! Our two Open Houses brought out more people than we have had in several years. There does seem to be an upsurge in interest in square dancing at the present time. Now it's up to the callers and the club angels to be sure that the new dancers stay with it.

On October 10, when "Columbus Discovers Brockport", our guests will be the Batavia Silver Stars and the Promenading B's.

We are looking forward to our Spooks and Goblins Shindig which falls right on that scary date, Halloween Night, the 31st.

Our regular schedule is in effect: 7:00 to 8:30 is new dancers' instruction, from 8:30 to 9:00 is plus workshop, and from 9:30 to 10:30 is squares and rounds.

It is good to be back to the regularity of the square dance season even though the summer was exceptionally fine (and too short!).

See you in a square.

Genesee Dancers Golf Classic at Island Valley was a great success last August and just may become an annual event. First prize in the ladies' division went to Rita Boas with a score of 50 and the men's division had a three-way tie of 43 for Frank Boas, Jack Dodsworth and Bud Lang. It was a good day on the golf course!

As scheduled, our Trail Back Dinner Dance was a New Year's Party complete with good food, good folks, and good fun. After our busy summer activities, 'tis the start of another year of square dancing. Please remember the importance of regular attendance (especially for the newer dancers). We realize people can't come every week, but once-a-month attendance sometimes causes dancing problems. Square dancing involves a commitment. This is the way the recreation has evolved. Come one, come all! Square dancing is friendship set to music.

Ghost and goblin time is approaching. Our Halloweenie Roast will be held on October 18, under the direction of the Wuests. Festivities for club members will begin with refreshments at 6:15 and dinner at 6:45. Sign up for a dish-to-pass at the Treasurer's table. Dancing will begin at 8:00 and is open to all.

Boy, did the rust come off at our Rusty Hinge Dance September 8! Mike Callahan had us really hopping by the end of the evening. We are pleased to have George Burch, cuer and Jackie Koetz, rounds instructor, with us this year.

What an exciting evening the night of the tornado warnings turned out to be. Chip Kellogg and Sue Yara had invited the Copy Cats and other members of their summer PHD Class, to a final picnic and dance at their Melody Acres. Shortly after we had all arrived, there was a loud, continuous crackling noise, a black-out and an enormous blue sparkler sparkling across the road from the driveway where one end of a power line was shorting out in the grass. Fortunately the lights came on while we ate. Chip prepared his generator so we could continue dancing while they fixed the lines. Not only are we getting a gravel dangle for dancing in the driveway, but we are getting a fireworks dangle for dancing in the dark, in the driveway.

You will have the opportunity to start energizing yourself for the Thanksgiving holiday at the CC's Turkey Party Dance Saturday, November 10. See calendar.

Tuesday evenings the Copy Kittens will be learning Basics and Mainstream. Chip Kellogg will be teaching at the Church of the Good Shepherd, corner of Route 250 and State Road in Webster. The two free open houses are October 2 and 9. If you have friends unable to attend any September open houses and are available Tuesday evenings, I highly recommend Chip for a teacher. Classes run from 8:00 to 10:30.

We will be dancing every Wednesday (when school is in session) at the same place; Rush-Henrietta Junior High from 8:30 to 10:30. This month, the Special Dance is October 31. Costumes are a must, although you will not be turned away if you don't come as something other than a square dancer.

The class meets from 7:00 to 8:30, and Angels are important not only to help the new class members, but also to make them feel welcome. Remember how you felt in that first year? They feel the same way.

This will be from 8:00 to 10:30. Wear your officer badges or dangles and only pay half the fee.

Then on October 29, we are having our Halloween Dance. There will be lots of tricks, treats, fun, and prizes for costumes. On August 27, we had our class graduation. Congratulations to all our new graduates. We wish them lots of luck and hope they continue their dancing. Just because summer is now over, don't think we don't have things planned. Triggers

The fall season is upon us and we are back to our fun evenings of square dancing. The summer ended with the August 29 Long Ridge demonstration dance which was well attended by Triggers with our Mike Harris calling.

On September 9, the Fifteenth Anniversary of Park Ridge Hospital Campus was celebrated with entertainment and a picnic. Triggers, as well as Cloverleaf Squares, with Mike Harris calling were invited to the birthday party as part of the entertainment.

Join us on November 13 when Dick Schweitzer from Syracuse will be guest caller with Jody Mattice cuing. Halloween is fast approaching. It is time to think of spooky costumes for our Halloween Party on October 30.

Don Flugel is doing well at home and thanks everyone for prayers and cards. We are sorry to hear of the death of Francesca's mother, and extend sympathy to the family.

Guests are always welcome. We're sure to show you a good time. Watch for Triggers popping in at other club dances.

ROUNDS

The Saturday Night Round Dance Party, on October 13, will be all levels. All round dancers are cordially invited. Refer to the advertisement in this issue for details.

Already, we are starting the second month of the current fall season. It hardly seems possible that just a few short months ago we wished everyone a "Happy New Year". In terms of round dance proficiency, Mark and Marlene have treated us to numerous figures and styling techniques during that period.

Some of our members attended the Toronto and District Round Dance Festival in Hamilton, Ontario the week of September 28-30. It is always a pleasure dancing with our Canadian friends and "brushing up" on the old standards at the Die-Hard Balls.

Coming up this month, the weekend of October 5-7 will be especially active. One group of our dancers will be attending the Empire State Square and Round Dance Festival, which is being held in Albany, New York. The group that I will be with will be attending the First Canadian Round Dance Festival, which is being held in Kingston, Ontario, Canada.

Until next month, keep smiling, keep dancing, and don't let Rainbow Connection Phase VI through you.

Have LOTS of

HALLOWEEN FUN!

Sets in Motion

At our campout in August our President appointed a nominating committee, and our election of officers takes place on October 21, at our Cabin Party at Henrietta Town Park. That day will also be our Annual Halloween Party. We'll be dancing to the calls of Gary Bubel from 3:00 to 5:00. At 5:30, we'll have a pot-luck supper. For everyone who may be interested in joining our camping club, this would be a good time to check us out as we'll all be looking our weirdest and acting the same. Call for details.

Our last campout of the 1990 season was at Springwater (Holiday Hill). We have so darn much fun, we hate to see summer end. 1991 hurry up and get here.

Twinkle Shoes

The round and square dancing demonstrated at Long Ridge Mall, Wednesday evening, August 29, was enjoyed by all! If you are looking for fun, exercise and warm companionship, our club is the place to come every Thursday, from 3:30 to 5:00pm at the New Greece Community Center on Alcott Road.

To expound on our weekend at Cape Vincent, Vie Hoevenaar (dressed in white shorts and top) stepped into a rubber raft, only to be dunked into the St. Lawrence River as it promptly overturned! We observed the ocean liner Louis Dreyfus, flying the French Flag, as the pilot crew navigated it down the river to continue its course to the Atlantic Ocean.

At our Thursday meeting we danced Step's Easy and are currently learning a routine to the music of Secret Love. Why don't you come and join us?

Stardusters

The fall and winter round dance program is off to a great start. Recent dance instruction include Sugar-Sugar and Memories. Additional new dances will be taught in the coming weeks, and a full evening of dancing is always enjoyable every Tuesday.

On October 21, there will be the Annual Fall Dinner Dance at the Green Lantern Inn, in Fairport. Dancing will begin at 2:00. Guest cuers and instructors for the day will be Steve and Wendy Brady from Pennsylvania. All levels of round dancing will be on the program, for everyone to participate. Fliers are available at dance clubs, or contact the Dunbars by calling 225-8676.

All of the Stardusters miss Bob and Mary Ann Beikirch. Bob is recuperating from a recent illness and we hope to see them back on the dance floor real soon.

Lima Grand Squares

Having missed the initial publication of the **Promenader**, we have some catching up to do regarding summer activities. On behalf of the club, your reporters would like to thank Alan and Ellen Fish for the barn dance held July 7th at their place. Most people had a fair-to-middlin' time. We appreciate the effort you went to but hope you can do better next year.

Now, as Alan and Ellen Fish, we'd like to thank all those who attended (about 60) and helped put our empty barn to good use. Other, more successful events held during the summer months were demonstrations at Lima and Honeoye Falls and the annual picnic where a good time was had by all.

During September, we had two evenings of Open House. Were you there? To find out how successful they were...subscribe now to the **Promenader** and read the results in next month's issue.

And, don't forget the Halloween Party, October 26, at 8:30. Put on your favorite Halloween-type outfit. Then come early, say 7:00, and stand outside the Town Hall looking stupid for about an hour and a half. It may not be your idea of fun but at least it's cheap entertainment for the rest of the community.

Victor Swing-A-Longs

Our new officers for this year are: Presidents Jim and Sharon Balfour, Vice Presidents Ralph and Aline Kingsley, Secretary Phyllis Silsby, Treasurers Ted and Laura Palmer. To start the new dancing season off, we did a demonstration at Hang-Around-Victor Day on Saturday, September 8. It went very well.

Thank you o everyone who attended our open house dances. Discussion is still going on to decide when we will be starting a class. By changing our dance night to Thursday, we will be having more dance nights than in the past. If your club dances on another night and you feel like dancing on Thursday, come on out to Victor and join our fun.

Village Squares

Village Squares will be featuring a Country Barn Dance on Saturday, October 20, at 8:00, at the First United Methodist Church in Fairport. Gary Bubel will be our guest caller with rounds provided by Alice Bubel. We encourage dancers to dress in jeans or overalls. As an incentive, a fifty-cents discount will be given for those wearing the appropriate clothing.

On October 3, we will be introducing and workshoping Country Two-Steps. Our first workshop will feature the Texas Two-Step. We will continue to workshop other Country Two-Steps in the first Wednesday in November and December. Please join us in what should be fun dancing.

Finally, as a reminder, a Mainstream review and Plus workshop will be held at 7:00 to 8:00 on Wednesday nights at the First United Methodist Church in Fairport, prior to regular club dances. Jerry Carmen will be the caller/instructor. Guests are welcomed.

Wayne Westerners

The Wayne Westerners regret to hear of some clubs making the decision to come to an end. We have great sympathy for you because we have been in the same spot for several years, but because of several "helping hands", a sympathetic helpful caller, and our determination to keep going we have hung on, and if it is at all possible we hope to continue.

Don't give up dancing just because you have no home club. Try dancing with other clubs, you will help them out and perhaps find new joy with other friends. We all know square dancing is an enjoyable, healthful, and worthwhile pastime. Let's all pull together and keep it growing, new dancers and old all together.

We extend a heartfelt invitation to all of you to come dance with us any Thursday, and especially at our Second Annual Apple Harvest Dance on October 11. For an evening of food, fellowship, fun, and friendship, (also some good dancing) we'll see you there.

Promenading B's

As the days shorten and kids are back in school, the Bee's are busy preparing for another year of square dancing. We look forward to seeing all our old friends and welcoming many new ones.

The Bee's dance most every Friday night. On October 5 and 19, we are having a guest caller. On October 12 is a regular dance. October 26 is our Halloween Party. The welcome mat is always out. Come join us for a friendly time.

Square dancing with Bob Schlenker and round dancing with Betty Wolcott is a great way to enjoy an evening. The pace is lively all evening because we always have fun. We not only think you will have fun, but some people have reported a weight loss. We hope to see you all soon.
