If you read this issue closely, you'll realize how very much we owe the advertisers. The financial aspect is probably the last thing you would consider, with information and interest being among the first. Be sure to patronize our advertisers, and take just take three seconds to thank them for supporting the **Promenader**. (That's all it takes.)

We've included information from national organizations, but Letters to the Editor have been notably scarce! Truly there are interesting topics on which you have an opinion. Suggestion! What makes for a good feeling at a dance? Let's share some incidents that made for a memorable dance.

ROCHESTER AREA FEDERATION NEWS

Fellow dancers, it is the beginning of a new year. I wish everyone a happy and prosperous new year and hope all had a merry Christmas. The new year signals the start of class-club dances, many of them will be listed in this **Promenader**. I hope the new dancers will take advantage of this chance to dance to different callers.

It is not too soon to be thinking about Dance-O-Rama in May. It is the first big festival for new dancers. Club officers and callers, please take a few minutes to explain DOR to your classes. There are dance programs for everyone at this dance. Come one, come all. See you there.

Have a nice year.

RAF President

FLASH! FLASH! FLASH! FLASH!

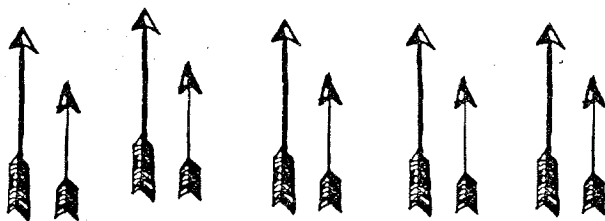

CLUBS IN TROUBLE

The Y'all Come Square Dance Club is having real problems. Once a 100-couple club dancing 15+ squares every Tuesday night, they are now lucky to muster three squares. The only thing that keeps them afloat is the well-attended Beginners Ball they sponsor every spring. This is considered unusual because they were unable to assemble a class for the last two years. Of the last class they had, only one couple out of two squares remained after graduation. Some members are complaining about the level being too low and threaten to leave if it isn't raised. Three members were heard to mutter, if the level were raised, THEY would not be coming anymore. Others say if they had a better caller, the club would grow. Still others say there are too many poor dancers in the group and if the officers would get rid of them, more guests would be willing to come. The nominating committee just reported they could find no one willing to run for office on the board. Party dances were cut back because they could find no one to chair them. So were refreshments because no one volunteered to bring anything. The word was around that all the club people had "done their part" and it was up to someone else to pick up the ball.

Sound familiar? What! You've heard all or most of this before? Is this your club? Take heart, because as serious as this sounds, it can be corrected with good, strong, practical leadership. Although we are urging ALL club officers to attend, all square dancers are welcome to the

LEADERSHIP CONFERENCE & DANCER FORUM '91, sponsored by the Callers' Co-op of Rochester, and hear how some clubs with just these problems were able to overcome them and make their club grow. You will also get some advice on what YOU can do to help keep your club healthy. It's being held Sunday, Feb. 10th 2-5 PM at the Covenant United Methodist Church, 1124 Culver Rd., corner Parsells Ave., Rochester. A pot-luck supper immediately after the forum is planned, followed by a short dance featuring CCR members.

If you are coming and plan to stay for the supper, please call Ron Brown, 315-524-7960 or Rita Hoadley 225-2796 so we can plan properly. *See you there!*

The kindness and sympathy shown to us by our many dance friends during this time of sorrow will always be remembered by the family of Paul N. Klafehn.

June Klafehn

(Editors note: Before Paul's sudden demise on 12/23/90, he and June danced with Country Twirlers, Two Steppers, and Shamrock Squares. I was amazed that June, in this time of bereavement, had the courage and thoughtfulness to submit the above paragraph.)

Dancers from the era of Merry Mixers will be saddened to learn that Sadie McGilverly passed away in Houston, Texas on Sunday, January 6, 1991, after undergoing heart surgery in December.

The Spirit of Square Dancing

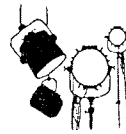

Contest v.s. Social Activity. Sometimes it's good to sit back and review in our own minds why we are involved in square dancing; what gives us pleasure, why we keep coming back, why we have joined a particular club. We are all involved for different reasons. Some need or desire the constant feel of mental challenge and surprise. They compare their ability to execute calls with other dancers and other clubs. Sometimes they dare the caller to break them down. Others prefer predictable patterns so they can move smoothly and comfortably to well-phrased music. Just as people have different attitudes, so do the makeup of the various clubs, taking on the personality of the dominant members and the caller. The ultimate goal, however, is to have harmony by developing a program that satisfies all the members' wants. Now we know this is impossible, and, in practice, the leadership tends to drive the club in the direction they want it to go. Clubs range between two extremes: social or puzzle-solving. The social groups like to go along at a predictable pace and seem to exist as much for social purposes as well as dancing. The puzzle-solving groups always want something new and appear to resent it if the caller hasn't broken them down a couple of times during the evening. Both groups can exist in a club with one or the other group being dominant.

The Social People. If you are part of the social group, you will resent the caller putting you in what you feel is the opposite sex's position or unfamiliar setups. You will say, "Now what's he doing all that weird stuff for?" An audible groan might be heard from you when the caller announces, "This tip we're going to learn a new call." You have no fear at all sitting out the workshop tip. After all, the others will help you through. However, when you miss a couple of dances, you will fear rejection by other members (the puzzle-solvers) because there will be things called you don't know, and you know some of them will be upset at you breaking down the square. You volunteer readily to be a class angel because you know you can relax.

The Puzzle-Solvers. If you are part of the puzzle-solving group, you feel bored and frustrated if you can't say you've danced something different. On the way home you discuss anything new you have learned during the evening and try to commit it to memory. You probably will attend as many out-of-town guest caller dances as you can at various clubs. You tend to stay away from open houses, class-level dances, and graduations because there's too many breakdowns and, besides, they are boring.

Let's Co-exist. There is nothing at all wrong about being part of any of the two groups just described. In fact, most people are a mixture of both. We need them both, for one group enjoys what we have, and the other explores new horizons. They represent different expectations and desires of what we want to get out of the activity. Callers generally realize this and attempt to compensate, presenting something special during the evening just to please each group. That's why there are 'relaxed' tips and 'hot hash' tips. That's why there is a workshop tip and an occasional evening without anything new being presented. The problem arises

when one group does not tolerate the other. The club that tries to change things to the exclusion of the other group is in trouble.

True Spirit. We say that square dancing is friendship set to music. We say that we are promoting cooperation and not competition. The spirit of square dancing means the club environment should provide a platform for all these things. There should be no place for competition among dancers. I like to think of square dancing as *sharing* set to music. Sharing means giving up something so someone else can have enjoyment. We must all learn to give a little as well as take. If some of your pleasure does not also come from helping others to succeed, perhaps you are in the wrong activity - or at least, the wrong club, for you are not an asset to the activity. People who are there for the joy of sharing help create a happy atmosphere. Their enthusiasm spreads. It is to these people we owe the success of our open houses and classes, guests returning time after time, and new members joining our club. If we are a puzzle-solver, we should not insist that each tip be different and challenging and that the club level be raised. If we are social dancers, we should not complain when new calls are workshopped occasionally and the dance level is increased a tip or two during the evening. We also should realize we need each other to fill the squares, so no matter what happens, let's smile and behave like ladies and gentlemen. Emphasize the good part of the evening and the rest will soon become insignificant.

Legacy's **Club Leadership Journal** has completed its first year of publication, with subscriptions in 41 states, four Canadian provinces, Australia, and Germany. An evaluation form was sent to all subscribers to determine if the **Journal** is performing as intended. Thirty percent of the questionnaires were returned, a percentage well above the average for surveys of this type. Comments were very positive and several good suggestions were given to improve the journal. Adding a "Letters to the Editor" column was the Number One idea. This column will appear regularly, depending on incoming mail.

Bob and Becky Osgood will become regular contributors to the **Journal** starting in 1991. They will join the **Journal's** other regular writers, Walt and Louise Cole and Cathie and Stan Burdick.

Several subscribers asked for two- and three-year subscription rates. Effective immediately, **Club Leadership Journal** will accept subscriptions at \$30 for one year, \$50 for two years, and \$60 for three years. All renewals will be given the opportunity to take advantage of this two- and three-year subscription plan.

Several subscribers asked why we don't accept advertising to reduce the cost of producing the **Journal**. Individual letters were sent to those subscribers who identified themselves, explaining Legacy's "non-compete" philosophy with Legacy members. In brief, **Club Leadership Journal** does not accept advertising because, if we did, we would be competing for the advertising dollars that are now going to other square dance publications.

If you would like to receive a copy of the questionnaire or a free copy of the **Journal** on a one-time basis, write to: **Club Leadership Journal**, P. O. Box 766, Plover WI 54467-0766.

The International Association of Round Dance Teachers, Inc.

In response to requests from dancers, Glenn Records and its own membership, last June at its annual convention Roundalab created a new committee: Standardization of Classic Dance Cues. Its purpose is to try and arrive at some standard cues for the Classic round dances that traveling dancers will encounter no matter where they are dancing.

Over two dozen leaders volunteered to assist the committee which is chaired by Phil and Royna Thomas of Plant City, Florida. Other Round Dance Leaders from all over the world, as well as the original choreographer, were also contacted during the summer and fall, and asked to submit their cuing words for dances on the Roundalab Golden Classic Listing.

All of their replies were then compared, and compilations prepared using Roundalab-approved standardized cues wherever possible. The revised cue sheets were then sent to the entire committee for another review. Once a cue sheet has been given final approval by the committee and choreographer, it will be published.

Since we now have established there are many calls that are in the "list" that we don't know well, here is an opportunity to increase our knowledge, hence, **RAISE THE CLUB LEVEL**. Just as your board of directors was insistent learning the PLUS calls and raising the club level, now is the time to be equally as insistent on learning the MAINSTREAM calls. Maybe we can be a little militant about it. Approach the caller and the club president and say, "If you don't raise the club level and teach us the mainstream calls, I'm going to join another club." Sound like you mean it and put a little fear in them. If you are competent in all the MAINSTREAM calls and you are in a square where people break down on them, say with a little disdain in your voice, "You PLUS dancers should go to a workshop and learn how to dance.", or something clever like, "You can always tell new dancers. They know all the PLUS calls, but screw up the MAINSTREAM calls." This should get a laugh out of your friends. After all, what's so bad about reverse snobbery? I have heard of club executive boards telling the caller to use every PLUS call during the evening. Why not also tell him to use every MAINSTREAM call during the evening. If he has forgotten how to call them, offer him a scholarship to beginners class so he can learn them.

All kidding aside, most callers try to be responsive to what dancers want. Within the caller's capability, *you will get what you ask for*. Why don't you hear more calls from the mainstream program? Because, like it or not, most people can learn only so much in a given amount of time. In a situation where new people are coming into the club annually, to absorb the PLUS vocabulary, something has to be sacrificed, and that is much of the the mainstream program.

If you truly want to be considered a good PLUS dancer, you must also be able to dance all the programs preceding it at least from the standard positions. May I also remind you that MAINSTREAM dancing is not necessarily easy dancing.

Henrietta Friendship Squares

Our traditional big dance is the President's Ball which is held in February. Classes are invited. Good calling, good friends, good food, good dancing, good prizes (and many of them) are some of the reasons to join us on February 23. The presidents, of course, are Abe and George so there is a patriotic theme of red, white and blue. We always have a great time. We hope to see you there.

Club members, please note that there isn't a regular dance the preceding Wednesday. Class lessons are held each Wednesday from 7:00 to 8:30.

Kuntry Kuzzins celebrate Valentine's early, with Bud Hands calling on February 9. Dottie Reed will cue the rounds. Bring your sweet-heart for this one.

On February 23, Bob Schlenker will call squares, and our sweetheart cuer, Dottie Reed, will do rounds. Come, enjoy the Valentine month with the Kuntry Kuzzins at Kelley School in Newark, New York at 8:00.

Circul-8-tors

Now that mid-winter is upon us, it's time to shake off that case of "cabin fever" by joining the Circul-8-tors for a lively Sunday afternoon of round and square dancing. Our February dance is on the 24th at 2:00 p.m. at the Green Lantern Inn in Fairport. The caller-cuer combo of Jerry and Betty Carmen will be entertaining us with snappy Plus figures and whirlaway rounds. Following the dance, we'll have our annual pot luck dinner, so please bring a dish to pass and join us. We're a real convivial group!

The travel committee, working with the club officers, has come up with an exciting proposal for our annual trip later this year. Compared with last year's adventure, this tour will be shorter (six days) and more relaxed, with less time on the road and more time at the destinations. The complete itinerary will be presented at this month's dance, and non-members are always welcome to travel with us, so come and get all the details.

Our two open houses last fall brought us more than fifteen new member couples and we are delighted to see all the new faces at the monthly dances. As usual, the Christmas Party was very enjoyable and we thank everyone who brought gifts for the Hillside Children's Center. They were much appreciated. The Snowflake Dance was well attended and very topical, it fit right in with the season.

Come and join us on the 24th. We guarantee an afternoon of fun and friendship. And who knows, perhaps we can interest you in traveling with us. Our tours are always stimulating and enjoyable!

Country Twirlers

All square dancers, please note! As of our first dance in January and at all dances thereafter we will start square dancing at 8:00 with a regular two-plus-two dance.

Jack Barnes has asked that he be relieved of his duties as club caller for the Country Twirlers as of June 1991. He and Joan want the time to do the things that retired people do, like getting in their motor home and exploring this great country of ours. We as Country Twirlers will miss him on the mike, and always remember the good times on the dance floor we've had with him.

For the '91-'92 dancing season we are putting together what we believe to be a truly great program for our dancing pleasure. On two nights a month, Gary Bubei will call the squares and Alice Bubei will cue the rounds. The rest of the month will be filled with a mix of local and national callers. Make sure you check our schedule in the *Promenader* for some truly great dancing in the next season.

While I was in California visiting my son and daughter, I was able to get in quite a bit of square dancing. (My daughter, Jean, is now a square dancer.) The caller at one of the dances I attended was Lee Schmidt from Anaheim California. Of all the callers I have danced to in my twenty-five years, I put him on the list as one of the best. He will be calling somewhere in New York this coming summer. As soon as I receive his schedule I shall post it in this column.

Once again the holiday festivities are over and we can settle down to serious dancing. By this time all our class members are going out to the other clubs to dance at fairly regular times and it seems good to see all the enthusiasm at the "Class and Club" dances.

We are very proud of our class and the progress they are making, and very grateful to Ron Brown for his patient teaching. From our nineteen-year view point we know how hard you are all working, but we can also see the long vista of enjoyment ahead of you. Believe me, it is worth all the effort!

We are very sorry that Clarence Graham has had such a difficult time. You are in our prayers, Clarence. With your courage and determination we are sure that things will go well with you. Lorraine Eaton has also been laid up. We miss you folks and hope you will soon be a good as new!

Good news! Frank and Lucy Lewis are back on the dance floor. We are glad to have our corners back.

Don't miss our Sweetheart Ball on February 14. This will be a Class and Club Dance and we hope to see a lot of our friends out. Please come.

The Holidays are over and once again we settle down to the long winter months, but we can still enjoy our round and square dancing at BOCES with Bob Meagher calling the squares and Nancy Fincher cuing the rounds.

A good time was had by all at the Christmas Party. It was great to see Hazel and Ed Miller again, even though they didn't square up with us. Ed is making a fine recovery after surgery.

Our Valentine's Party will be on February 11, so bring your sweetheart for a sweet time.

Copy Cats

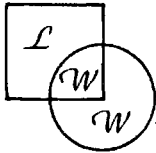

What a wonderful kick-off to the holiday season we had dancing for the residents of Hill Haven in Webster. What interesting people to talk to between tips. A special thanks to the Cloverleaves who joined us for this special occasion.

Mike Callahan and George Burch were at their best for all the class dancers that thought they had two left feet and still joined us for our gala Christmas dinner and dance. The food, the decorations, the company and especially the dancing make the evening a night to be remembered. Chip Kellogg, instructor for the Copy Cats, graciously called for one tip. He and Mike did an impromptu duet for the grand finale of the evening.

You will have another opportunity to bring you class members to a special dance Saturday, February 10, when we have a Valentine's Dance for class dancers. It will be at 8:00.

George Burch and Jackie Koetz have been working very hard teaching us some easy dances so we can dance when we visit other clubs. The Cat Burglars always have a good time stealing banners and then again when they go to retrieve our banners.

The Irish Children's Program of Rochester, Inc. is an ecumenical, non-political, and tax-deductible charity 501 (c)(3). We are a legally recognized not-for-profit corporation in the State of New York. This organization brings children ages 10-13 from Belfast, Northern Ireland to the United States for a six-week period during each summer.

One hundred eighty-four children and eight adult chaperones have been placed with host families in the greater Rochester area during the past nine summers. The ICP provides funds for the children's travel expenses and insurance. The host families provide "love, room, and board".

There are Irish Children's Programs in several United States cities, however, our local program operates as an independent unit...both financially and administratively. We do not support any Irish organization or political group. Our focus is totally on the children and providing them with an American holiday away from the violence that marks the "mad summer months" in Northern Ireland.

**Through the generosity of the previous six square
dances, six children have enjoyed a wonderful summer here.
Come & help us to bring another child this summer!!!**

Twinkle Shoes

What a way to wind-up a great year! Our Christmas party was fantastic! Too much to eat but everyone enjoyed!

We all missed our Vice Presidents, Al and Helen Scheg. So sorry they had to resign but hopefully, they'll be able to get back in the "Swing" in the not too distant future. Al Rappl was elected to fill the vacancy and his input is a delightful addition.

Did you notice we have a new name and address for the Greece Senior Community Center? It is now Westridge Senior Center, 300 Chesterton Road, but you need not be a Senior to join us!

On November 29th, we started swinging to Calendar Girl '88 and are currently learning the Sugar Push and a beautiful waltz to Desert Song.

Hope you have recovered from the hectic Holiday Season, because Valentine's Day is drawing near! Grab your favorite partner and join us on the 14th! Singles are just as welcome, so come--we'll supply the partner. Our angels, Marion Sargent and Elsie Epke, are terrific! Information Reporter,

Geneva Friendship Squares

If you're spending some or all of the winter up north, remember that square dancing keeps you warm and limber, and all those hugs are good for the body and spirit! Friendship Squares of Geneva dances the 8th and the 15th in February, the latter being our Annual Heart Dance. We are usually able to send a nice check to the Heart Association afterwards. Cayuga Cut-Ups will be our guests that evening, and we hope to have many visitors. West Street School is just about three or four blocks north of Routes 5 & 20. Turn North near Arby's onto West Street to reach us.

Save Sunday afternoon, March 17, for our "Wearin' of the Green" dance with Mike Callahan and Bob Slomcenski.

Greetings from the Bees!

A new year of square dancing is underway, and here are some of the up-coming events:

March 15, we will have guest caller Greg Marling of the Hip Boot Boys. He will be taking Hip-Boot Schlenker's spot with the Bees.

The club will be having Plus workshops starting at 7:30 before the dances. If you are a little rusty or uncertain about a call this is your chance to learn and review the Plus calls. We will do the whole list.

The Mystery Ride was to Lima Grand Squares, where we had a great time. They had a fashion show and we got to see some great outfits. We thank the Lima Grand Squares for their hospitality.

The Christmas party was well attended. Santa and Mrs. Claus arrived after supper. They had a bag of gifts and candy canes that they passed out. It was a great night of fun and dancing!

Our Valentine's Dance will be February 16. Don't forget to keep March 23 open for the big Black Light Dance. The dance will be at Churchville-Chili High School. This is a special time and if you haven't danced under black light you won't want to miss it.

Keep the dance in your life and drop out to the Bee-Hive. We will be looking for you.

We are pleased and proud to be starting our 35th year of dancing. A new season is starting and the following officers have been installed for 1991:

Presidents	Ray & Emma Schlesing
Vice Presidents	Jack & Trudy Cayo
Treasurers	Ed & Mary Bottomley
Secretaries	Bob & Avis Clark
Program Chairmen	Bill and Marge Winslow

Come out and support this fine Board in all ways possible with your efforts and endeavors, your caring and cooperation, and your time and talent. Remember, many hands make light work! We welcome this slate of officers and want to say a big thank you to Dot Clause and Marsha and Ark Tillson, outgoing Presidents, for a superb job. Well done! You made 1990 a successful and memorable year!

Our holiday dinner dance was great; a delicious meal and a crowded floor in a "sea of red". We were pleased to have the refresher course couples join our festivities and show us their expertise under the tutelage of Mike Callahan. We now have a second Refresher Course with ten couples under way at the Green Lantern with our coordinators, Gil and Betty Langswager, in charge. Angels are needed and always welcome, folks.

Our annual Valentine's "Pot Luck" Dinner Dance will be February 14. We hope all our club members will attend for an evening of good food, good fun, and good friendship. This has always been a popular event, when we can expect our members to show off their culinary specialties. Dinner is at 6:45 and guests are welcome to dance starting at 8:00.

Our heartfelt condolences are extended to the families and friends of 3 long-time club members: Frank Boas, Hall Downey, and Joe Phillips. We will miss you in our squares.

Stardusters

In October of last year, Bernie and Rita Hayward retired from cuing. We are saddened to lose them as leaders and salute them for the many years of devoted leadership they have provided. For several years, they have been the leaders of chapter #52 of the National Carousels Round Dance Clubs - an organization whose goal is to promote Round Dancing at all levels and establish a common set of dance teaches across the country (so that traveling dancers will feel comfortable wherever they go). Stardusters now have the great honor of taking over chapter #52 of the National Carousels. In addition, Bob has acquired several "hard to get" classic records from Bernie and will be working teaches to these dances into the club program over the next several months.

This month, the Stardusters are starting an Intermediate Workshop. It is aimed at Phase III and Phase IV dancers who want to progress into the Phase IV and V levels. The workshop will be from 6:45 to 8:15 on Tuesdays, with the normal club dance following from 8:15 to 10:30. It will run for an extended period of time and will allow dancers to progress at a reasonable pace into the higher levels of Waltz, Foxtrot, Cha-Cha, Rumba, Jive, etc. We cordially invite Phase III and Phase IV dancers to join us for this workshop. Well (the word "Well" though grammatically unnecessary is used here to set the reader at ease and at the same time create an anticipatory tone), here we are in February. I can tell that it worked. You've settled in and have just read "here we are in February."

Frankly, that about does it for February. Hey, it's not my fault that February comes after Christmas and New Year's when we've over-partied, over-spent, and over-eaten. It's not my fault that spring is still a couple of months away. Nor is it my fault that many of our friends have retired to the sunny south for the winter. Face it: if it weren't for St. Valentine, February would be a month to leave off the calendar.

O.K., let's make the best of a bad situation and go to the Valentine's Dance on February 8, at 8:30. Names will be drawn for partners for one tip. Who knows, you might get lucky (I'll be the one with the white shirt and red tie).

The holidays are behind us and we have all gone on diets to lose those pounds we put on with Christmas goodies. Now we look forward to Valentine's Day, and then Easter. Wow! We'll have to dance every night of the week to keep in shape.

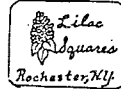

Good to see Skeeter and Ed back dancing after their surgeries. We will not be having a dance on February 21, as Bob and Carol will be in Colorado to visit their son. On February 14, we'll have a Valentine's Dance: come and join us and swing-a-ling, a-ling, a-ling. Be careful of that one, Bob.

Lorraine and Bruce are off to Florida in their new motorhome, then to Cayman Islands for a month, then back to Florida. After that they'll meet us for the cruise in March. Tough life!

Round Towners

Christmas and New Year's have come and gone. Winter "blahs" are advancing. Now's a good time to put fun in your life. How about Round Dancing!

The Round Towners are dancing every Sunday night at 8:00, at the Covenant United Methodist Church, 1124 Culver Road, Rochester. The pre-dance workshop continues at 7:00. If you need a brush-up or want to put that finishing touch on your styling, this is the perfect opportunity (Phase III and IV).

We are all planning to attend Mark and Marlene's February Dance Party, Saturday, February 23 at the United Methodist Church of West Webster, from 8:00 to 11:00. These parties are just for fun--dancing all levels and no teaches. Hope to see you "a-round".

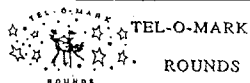

Information Reporter,

Dancing Shadows

Dancing Shadows will be dancing every Monday evening in February. We encourage all round dancers to attend our Saturday Evening Round Dance Party on February 23, here at the United Methodist Church as we dance all level request rounds and always have a good time.

Our basics class is doing very well, having just completed waltz. They are currently working on two-step. The group has just reviewed "Feelin" and "Neapolitan Waltz" for those never exposed to the classics, and learned "Please Don't Talk About Me" and "Waltz Rhapsody". These are Phase II - III easy level rounds. We hope you will come join us!

When this issue of the Promenader reaches you, we will be starting the second month of the New Year. Mark and Marlene did a super job of providing a most enjoyable evening on New Year's Eve. The food was excellent, the cuing was great, and the decorations were extremely artistic. Over the years, I have attended many New Year's Eve Round Dance parties, and this one rates near the top.

Since the last issue, we received a review on Amour Cha and Shall We Dance. A great many "glitches" were ironed out. Next, we received a teach on Cavatina, followed by a review. Since this is a Barton dance, it is programmed on many week-end and week-long festivals in the area. Everybody in the club considered it well worth the effort to learn it.

During the past month we have been working on "Tea for Two Cha". As far as we know now, this will be followed by "All I Do is Dream of You". In any event, the coming months will provide many enjoyable dances. Come out and visit us any Wednesday at the United Methodist Church in West Webster. Our monthly dances continue to be well attended. The next one is Saturday, February 23. Everyone is welcome and all phases are cued. Happy dancing!

Cloverleaf Squares

Halfway through a long winter and Cloverleaf Squares are as busy as can be (just trying to stay warm)! Actually, we're all hoping for snow for our annual cross-country ski party this month, scheduled for Saturday the 16th, at Dave Fisher's home in Hilton. Over the last few years there has not been much snow for our parties, so we did not get much "skiing" in, although we did manage a fair share of "partying"! So snow or no snow, Cloverleaf Squares always have a good time!

Our Mainstream Club is thriving and will continue to meet in February, on Wednesdays the 6th, and 20th, from 7:30 to 10:00 at the church. To help chase the mid-winter doldrums, come and try Mainstream APD. It's a great way to stay in step and stay warm!

We're also teaching some new steps to the Four Leaf Clovers Youth Club; they're always teaching us new things too! New members and visitors, fifth-grade and up, are always welcome. In February, the club meets Fridays the 8th and 22nd, from 7:00 to 9:00 at the West Ridge Elementary School, (formerly the Greece Community Center). Please check the ad in this issue of the **Promenader** for more details.

Major upcoming events for Cloverleaf Squares include our St. Patrick's Day Party in March, graduation in May (our class is doing absolutely terrific), and our Annual Spring Showcase, with Ron Libby, in June. Cloverleaf Squares is always busy with new activities, so please check our information number at any time for information and specific details on all our latest events.

As we enter a new year, we have a new slate of officers to lead us into the nineties. Congratulations to: Presidents Howie and Gerry Borden, Vice Presidents Joe and Lena Kane, Treasurers Sel and Millie Snow, George and Jean Cowley, Secretaries John and Kay Zierle, Financial Secretaries Angus MacDonald and Jane Schuth, Membership Don and Carol Jermy, Federation Representatives Jack and Mirf Manning, Jerry and Joan Sanford, Publicity John and Sally McNeill, Refreshments Marv and Jean Berner, Mark and Judy Devaney, Sunshine Ruth Payne. You'll notice the absence of Manny and Ellie Schwartz on the slate. In the past three years the Schwartzes have put in countless hours and effort to pick up this club off the floor, and turn it into a very successful club. We wouldn't be where we are today without Manny and Ellie. We offer our sincere thanks for a job well done.

Since September we have danced at five area nursing homes. Our callers have been Greg Marling, Bruce Shaw, and Jerry Carmen. Each time, we have an extremely appreciative audience that always ask us to come back. These are fun nights that put a smile on the face of all those in the audience. If you've never volunteered for this endeavor, we'd appreciate your signing up the next opportunity.

Our sympathy is extended to Herm Veil and his family on the recent loss of his partner and mother within hours of each other. We hope and pray that Jack Manning will be back on the dance floor soon. Be sure to join us on the 22nd for an enjoyable evening with Tim Crawford. Tim was unable to be with us in October, so we look forward to his visit.

Web Spinners

On December 21, we had our Christmas Party dance and we danced with our new class members. Everybody had a good time, especially the new class members who kept Mike Herne "all tied up" while he was trying to call. Congratulations to the class and Mike Herne for having progressed so well. Thanks also to Bob and Jean Smith and their committee for a job well done. Toys were collected for a donation to the Salvation Army Christmas program. We didn't have a dance scheduled for December 14, so Dick and Ginny Bizub led five other couples on a banner-stealing foray to the Lima Grand Squares. The couples were: Don and Lin Kwart, Ernie Hargreves and Elaine Fields, Nick and Fran Haldoupis, Bob and Jean Smith, and Jack and Betty Ferrara. They all reportedly had a "Grand" time.

Looking ahead, we have the Teddy Bears Dance Valentine's Party coming on February 15. Fliers are out to the other clubs and all are invited to participate. Reservations are not required. There will be prizes and refreshments.

The next week, on Friday February 22, we are going to pay our respects to the Father of our Country, George Washington. The Reads, Marion and Arnie, and their committee have promised a good time for all with refreshments attuned to the cherry theme. This will be a class-club dance. As usual we welcome visitors from other clubs and classes.

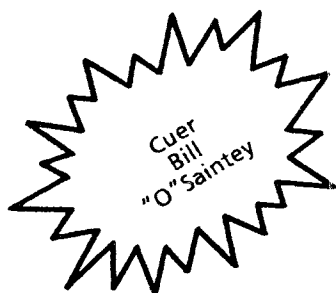

On March 1, the Web Spinners extend a special invitation to the following clubs to come and be our guests. Letters of invitation are being sent to: Belles 'N' Beaus, Boots 'N' Slippers, Circul-8-tors, Country Twirlers, Happy Hoofers, Promenading B's, and the Triggers. Club members, we need each one of you to attend this dance in order to show our guests a good time.

Triggers

A good time was had by all at our Christmas pot luck supper dance. The decorating committee did a bang-up job. It was fun being with Jodie's class. They have completed the Basics and are now into Mainstream and doing well. On January 16, Trigger officers had a belated holiday dinner and meeting. Amateur Night, January 29, was fun for all. What great talent!

Important dates in February are the Valentine's Dance (February 12) and Mardi Gras (February 26). There will be no dance on February 19. Plans are under way for our March 5 Bunny Hop. We hope that many of our friends from other clubs will join us on this special night.

We extend sympathy to the Deckard family on the recent death of Renee's mother. Paul Doering injured his legs in a rolling car mishap. We hope he will be back dancing soon.

There are many vacationers. Tiny and Grace are in Florida until April. Mabel Wordingham has been visiting in Washington, D. C. and in Florida. Congratulations to the Appletons, they're new grandparents again.

For a fun Tuesday night join us and our caller, Mike Harris. We'll be looking for you.

Glass Slippers

On February 6, the Glass Slippers are celebrating seventeen years as a square dance club. (The date in our December-January flyer is erroneous.) Our anniversary party is open to all class and club dancers, and there is no admission charge. Bob Meagher is our caller. He has promised us a fun-filled evening of dancing pleasure. We will move to the high school for this dance.

The school is easily reached by taking 31-A to Hartshorn Drive where there is a sign to direct you. Park on the west side of the high school near the entrance closest to the cafeteria.

Our Sweetheart Ball will be held on February 13. This is the dance when the gentlemen out-do themselves being courtly to the ladies - and how we love it!

Since school is closed for Presidents' Week break, we don't have a dance on the 20th. We'll be back in action on February 27.

Happy Groundhog's Day to you!

Emerald Squares

We are still enjoying ourselves out at the Green Lantern Inn in Fairport. At 7:00 sharp Bob Ellis has a workshop and review of the Country Western dancing. Several couples have been having quite a lot of fun with this type of dancing. Why not come out and join in the fun. For more information Call Bob Ellis at 526-5282. The regular Tuesday night dance begins at 8:00.

We are looking forward to Valentine's Day, which we'll celebrate on the 12th instead of the 14th. Let's all wear red and drive Bob crazy.
