SEXIST CALLS

Callers like to say you should learn to execute calls from all positions and formations, and some even attempt to teach that way. So we say, don't think of a man's or lady's part, but rather think of a right or left-side, center or end dancer part. Now this is true of most all calls that have been "invented" in the past 20 years, and virtually all that are being conceived now. In the early days, square dancing differentiated between men and women and gave them specific parts. So, surviving in our basics lists are many calls which harken back to the golden age of square dancing when these differences were recognized. The following is a list of calls in which the definition of them require the man to do one part and the lady another. For example, *star thru* requires the man to be facing a lady and to use a specific hand, *slide thru* requires the men to turn 1/4 right and the ladies 1/4 left after a pass thru; *california twirl* specifically requires the lady to be to the man's right for execution. Anything else is considered "gimmicky" or illegal, and doesn't conform to the accepted definition of the call. CALLERLAB has recognized this and has attempted - without much success - to replace the term APD (all-position dancing) with DBD (dancing by definition).

- CALIFORNIA TWIRL

These are all I could come up with in current use. You studious types might find more! Whatever you do, remember our goal is to have FUN!

This being said, do not berate your caller for throwing in "two men chain" or "ladies california twirl the men". He knows he is not being technically correct and is just trying to add a little fun to the evening. Whoever said square dancing was an exact science, anyway?

LETTERS TO THE EDITOR

Dear Promenader Editor:

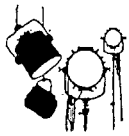

Can the Federation pull together to get a youth club going? Rather than have scattered efforts, why not join forces and get at least one strong club.

Cloverleaf Squares have been sponsoring a youth club for two years. The kids have chosen the name "Four Leaf Clovers" and have elected officers. They dance at West Ridge School on the second and fourth Fridays of each month, at 7:00 during the school year. Les Bradt calls the squares and Natalie Turner teaches line dances. The club welcomes newcomers from fifth to twelfth grade. Believe it or not, there are more boys than girls at the moment.

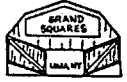

The club has a lot going for it, but like all clubs it needs many more members to survive. Let's all invest in the future of square dancing by introducing the next generation to this wonderful activity. The kids really enjoy it once they find out that it's not like square dancing in gym class. Bring a car full of young neighbors, friends, or relatives to the free open house, at 7:00 on September 13, at the West Ridge School (Chesterton Road entrance). There is shopping at near-by malls for the adults or come in and join us.

Phone 987-5972 for more information.

SPOTLIGHT ON CLUB PRESIDENTS

Lima Grand Squares

The Fredericks, Ken and Donna, Presidents of LIMA GRAND SQUARES, have been dancing with the club for the last five years. They feel that LIMA GRAND SQUARES has a super caller and cuer in Gary and Alice Bubel. They also have a great hall and very friendly people. The club has been very successful in recent years, and the Fredericks hope to continue encouraging its growth.

Donna and Ken have been married for 36 years and they have two sons, one daughter and a two-year-old grandson. They both enjoy cross-country skiing, hiking, biking, and they like to read. In addition, Ken also hunts and runs, and Donna likes to garden, sew and swim.

The PROMENADER salutes Ken and Donna Frederick, the Presidents of LIMA GRAND SQUARES.

Letter to Readers

Most of you know how very much Bob and I have enjoyed doing the Promenader. It has been a heartwarming, and exciting experience. The work was plentiful, but always fun and challenging. The Promenader has become so much a part of our lives we will miss it - a lot.

So why give it up?

The Promenader is an outstanding local publication. It's the best one I've seen. An old Editor is hard pressed for new insights, ideas, and methods. New blood is vital for top quality.

More personally, Bob's and my life has changed drastically since January. That was when, after 24 years with Unisys, Bob was laid off because of workforce reduction. (Not a new story these days.) The stress, fear and depression was difficult. He has an excellent reputation in his field of computer analysts, but the scarcity of jobs during this recession, and the fact that he's over 50, did not paint a very hopeful picture.

Fortunately, in June one of his applications was given a second glance and he accepted a job with Datronics. Unfortunately, this job required that he relocate to Atlanta, Georgia for six months, (we don't know where after that). So he's there, and I'm here. He finds it very lonely and hot there. (His address is: Bob Dailey, 3357 Seven Pines Court, Atlanta, Ga. 30339, just in case you want to drop him a cheery note.)

Many of you know our son, Don, because he loves square dancing too. He is starting his second year at R.I.T. and is doing exceptionally well there, in computer engineering (doesn't it figure). Don and I appreciate the tremendous sacrifice that Bob is making for us. He certainly deserves a medal. I am hoping to go to work full-time to help pay for maintaining two residences and college expenses.

For all of these reasons, it was a blessing when Joan and Jerry volunteered to take the Promenader. I am sure it's in very good hands, and look forward to seeing this publication climb to even greater heights.

LETTERS TO THE EDITOR

Dear Editor:

I would like make some criticisms and suggestions that may help people who make up flyers. I hope some of my personal experiences will help others advertise more effectively, what their clubs are offering.

Last year I saw one flyer promoting a dance at the "town hall" but there was no clue what town. The club's name wasn't descriptive enough to help me out. The dance schedule in the back of the Promenader didn't specify either! Many flyers fail to mention on what day of the week the dance is being held. So if the dance is a month or more away I don't know whether the dance is on a free night or a busy night. I hate to take home flyers and then discover I have wasted someone's flyer just because the dance is being held on a night I am always busy.

My chief suggestion is: anyone who regularly makes flyers, should make a master list of things that need to be included (or at least considered) every time. Then type up the list with lots of space to fill in the specifics for a particular dance and make copies of this master list. When you have included all the items for a particular dance, you should have all the needed information in your flyer. Other folks can tell you how to make your flyer neat, attractive, catchy etc., but first, let the flyer be complete!

Such a list should include these items: correct name of club, date including year, day of week, time of day the dance begins and ends, half-hour of founds first perhaps, place of dance including name or type of building, address, and city or town, how to get there, perhaps including a map, caller's name and where from if not local, same for cuer, price per couple or single (specify which), designated dance program, phone number for information, special shoe requirement if applicable, other special features such as St. Patrick's, Pie Night, Black Cat, finger foods or special attire desired, or casual dress.

Hope the master list idea is as helpful to others as it has been to me. I have already revised my list several times!

Sincerely,
Marje Aude

Lima Grand Squares

Although Lima Grand Squares have not danced officially for a couple of months, we did keep in touch, with a demonstration at the Lima Carnival, a dance at the Fish's (not in the pond, in the barn), and some of us even showed up at the Monroe County Fair for a "twirl or two" demonstration for the fair-goers.

Our Trail-In Dinner, along with our first dance of the season starts at 7:00 on September 6. Make something good or gooey (or both), and show up on time, with table service and hungry. The reason we suggested getting to the dinner promptly is that one year our caller came late and couldn't find anything left to eat. So don't take any chances; we have some great cooks and hungry dancers in Lima.

For most of us the end of summer is not a welcome time. No more hot, humid days, bug bites, or soggy potato salad. Oh, well, at least we can look forward to September 13 and 20, when Lima Grand Squares will hold Open Houses from 8:00 to 10:30. Pry some of your new and old friends off their lawn chairs and bring them to the Lima Town Hall on either or both of those Friday nights. While they are there, introduce them to our new officers: Presidents Alan and Ellen Fish, Vice Presidents Don and Shirley Larson, and Secretary-Treasurers Ray and Donna McCagg.

All those people you brought to the open houses can start classes from 7:00 to 8:30 on September 27. That's also the night that regular dance hours begin, - 8:30 to 10:30, for club members. So, buy a new petticoat (ladies only, please) and square 'em up!

Promenading B's

Welcome, welcome, welcome! Swing along with your partner to the Bee's Hive and Do-si-do to the corner of Route 262 and West Bergen Road. It's the old school house, the Byron-Bergen Elementary School where we meet every Friday night to join in the fun with our friendly couples and singles. Our most capable caller, Bob Schlenker, and popular cuer, Betty Wolcott, will be on hand to lead us into our fall dancing schedule of both rounds and squares.

Come on out to our opening night with a yummy Pot Luck Supper on September 6, by 6:30. Bring along your favorite partner and favorite casserole, salad, or dessert. A special entertainment is being planned, followed by dancing at 8:00.

September 13 and 20 are our open house dates. These events will start at 8:00 and last until 10:30. Invite your friends and acquaintances to join with a real fun group and a special welcome back to any returnee's for renew and revue. On September 27, class will begin at 7:00, followed by a regular dance at 8:00.

Our summer dancing of the Promenading Bee's went quite well, and those couples who joined in had a real ball at the Churchville Legion. Glad to have you folks gather with us.

See you soon at the Bee Hive.

ROUND TOWNERS

Here we are, September already. Mark and Marlene have taught many Phase III and IV dances through summer and will continue every Sunday from 7:00 to 10:00, at Covenant United Methodist Church, 1124 Culver Road. They focus on the classics.

Another fantastic dinner-dance will replace our regular Sunday dance on September 29, at the Redmen's Club from 2:00 to 10:00. No Sunday dance is scheduled for September 1, due to Labor Day weekend, nor on September 22, because Mark and Marlene will be cuing at Tecumseh's special dance with Jerry Story.

Come join the fun and try Mark's great cuing on Sunday nights. See you there.

Silver Squares

"A great time was had by all". Silver Squares had their annual picnic at Hamlin State Park on June 24. The weather was perfect, food was delicious, and Boccie games and Horse Shoe pitching kept things moving while Phil got the charcoal hot. He was joined by Leo and George. The hots and hamburgers were perfect. Thanks, guys! Mabel Wordingham did an excellent job of ordering the food. Delicious, Mabel!

Silver Squares start their fall dancing on September 9, at the Westridge Community Center, 300 Chesterton Road in Greece. We will be having Open House at a date to be announced next month.

Tecumseh Squares

On Memorial Day weekend thirteen Tecumseh couples braved the hot weather to attend a great weekend of dancing in Gettysburg, Pa. Our club had the second highest attendance of all clubs participating in the festivities. In July, another contingent of Tecumseh hopped aboard the Keuka Maid for a dinner-dance cruise on Keuka Lake. Tecumseh have a new meaning for the call "Load the Boat". A smaller group is scheduled to attend the Bagpipe Festival/Tattoo at Fergus, Ontario on the weekend of August 9, in order to harass Bruce while he does his thing.

Our annual showcase of square dancing starts on Sunday, September 29, with our first Open House followed by a second one on October 6. Be there and bring a friend to introduce to the wonderful world of Western square dancing. The lifeblood of square dancing is new dancers, so talk it up with your friends and accompany them to the open houses.

Be sure to mark Sunday, September 22 on your calendar and join us that night for a special dance at Greece Athena High School. Jerry Story, a national caller from Texas, will be calling for us. Those who danced to Jerry at the National Convention in Memphis can safely say that you will enjoy dancing that night. Advanced tickets can be purchased at the club any Friday Night and of course at the door on the 22nd.

We wish to thank all the dancers that attended our summer workshop/dances, especially the faithful group from Country Twirlers. We enjoyed having you all, and hope that we helped you learn some new calls. Good luck, enjoy many more years of dancing, and come visit us. Don't forget the Pot Luck Supper on Friday September 6.

TEL-O-MARK ROUNDS

Attention round dancers! On September 29 Tel-O-Mark Rounds are holding their third annual "Festival of Leaves" dinner party at the Redmen's Club, featuring (as guest leaders), John and Jean Wilkinson from Schenectady, New York. What a great way to wind up the first month of the fall season.

The summer is over, while many clubs are getting back into the "swing of things", Tel-O-Mark Rounds will continue to execute many nice dances in the months ahead. One of the highlights of the past month was Mark and Marlene's teach on "Someone Like You". This dance was written by Peter and Beryl Barton in 1979 and was the dance that launched them into the national spotlight. Since then, they have written many dances that have been voted into the U.R.D.C. Hall of Fame.

Rochester was well represented at the U.R.D.C. convention, which was held in Denver from July 24 to 28. In attendance were four couples from the Tel-O-Mark Rounds. Hopefully, some of the dances presented will be picked up at the club. Included in the program were Numero Ono (tango), December in July (rhumba), Sound of Music (fox trot), Hot! Hot! Hot! (merengue), Baby Elephant Walk (jive) and Honkey Tonkin (West Coast swing). The clinics and teaches were varied and extensive, and I'm sure all the people that attended the clinics will retain at least some of the material to improve their dancing. There will not be a monthly dance party in September, because of the Festival of Leaves party mentioned above.

Until next month, be sure round dancing is near the top of your priority list.

Hope all you round dancers were as busy as our group this summer. We certainly enjoyed "strutting our stuff" at the Dome Arena this summer!

Our annual picnic was held August 15 at the Shoreline Pavilion at Ontario Beach Park. It was delightful, and surprised loads of people who enthusiastically joined our fun. A business meeting followed, and new officers were elected.

We are looking forward to scheduling several events for future months. Why don't you add a little more zest to your lives and join us! Everyone is welcome!

Triggers

Welcome back from a wonderful summer. The Triggers' first regular dance of the new season is Tuesday, September 10, 1991, at Parkland School. We are looking forward to seeing all of our friends again.

At the officers picnic, held on June 23 at the Appletons', the '90-91 board of directors turned over the reins to the newly-elected board for the 1991-1992 dancing season. We would like to take this time to thank the retiring board headed by Presidents Renee and Bob Deckard for a job well done. We also want to wish the incoming board, headed by Presidents Carol and Russ Phillips, all the best. We know that we (Trigger members) are going to have a great dancing year with Mike Harris calling the do-si-dos for us.

The July 14 picnic at Braddock Bay Park was a superb success, and all who attended had a splendid time.

The Triggers' Open House is scheduled for Thursdays September 5 and 12 at English Village School. Our instructor, Jody Mattice, is looking forward to again teaching a new group the fun of square dancing.

Village Squares

Welcome back from summer. Now is the time to mark your calendars for another good year of square dancing. Let's get started with our "Back-in-the-Swing" dance on September 11---remind your friends.

Before you come, be sure to check your map. After these many years the Village Squares are leaving Fairport. Our new dancing home is the Council Rock Elementary School, 600 Grosvenor Avenue, Brighton. Just go toward the city on East Avenue; turn left onto Highland Avenue and go about four streets; turn left on Grosvenor. Jerry will have the music going for you.

After we get our shoes warmed up on September 11, be sure to put Saturday, September 14 on the calendar. Tom Trainor, our national caller from Arizona, will be here for a "second annual" fall appearance. If you were at last year's dance you remember how much fun we had. If you missed it, come this year and see for yourself. Note that for this special dance we will return to the First Methodist Church in Fairport.

Your new officers have been meeting and you will be seeing announcements about programs for the coming year. When you come in, say hello to: Presidents Gary and Corrine Baccaro, First Vice Presidents Al and Joan Siegl, Second Vice Presidents Ken and Rita Tucker, Secretaries George and Ginny Dormer, and Treasurers Charles and Shirley Lowe.

We want new dancers! You have heard that before. Open House will be on September 18. This is the time for you to invite that couple who haven't yet discovered square dancing. Bring them, and let Jerry Carmen show them how much fun we have. Our class will be taught by Jerry, ably assisted by our own Will Herzog.

Here's looking forward to seeing you in a square.

All summer we have been picking things---strawberries, sweet cherries, raspberries, blueberries---and it will soon be time to pick apples. So be sure to come to the Annual Apple Harvest Dance. If you attended last year's dance you'll remember what a great time everyone had. It will be even better this year, I promise you!

Our club has undergone a change. We are now dancing on the first and third Fridays and the second and fourth Thursdays. Keep your eyes on the schedule and be sure to come to visit us and bring your friends. We are looking forward to a great year.

Everyone is to bring a dish to pass and it is to start at 6:30. Dinner will be followed by an evening of dancing. This has been one of our favorite dances, so we hope to see all our members there.

Our first Open house will be Friday September 20, starting at 8:00. Our second will be Friday September 27. This Open House will be from 6:30 to 8:00, followed by a regular dance.

We would like to thank all the dancers who participated at the Webster Grange on May 4, and at Ontario Days on June 1.

We will still be dancing at the Mall on September 9, 16, and 23. On September 30, we will have our Open House. Lessons will start on October 7 and the first five lessons will be free of charge. So please bring your friends, relatives, and neighbors and let them see what square dancing is all about!

The Fall Schedule will start with a kick-off Pot Luck Supper. Everyone is invited. Give us a call to let us know you're coming.

Our Club has been hard at work this summer, planning a refresher class for those who have been missing on the dance floor. This class will be taught by Mike Callahan starting September 27, at 7:00. Mike will monitor the group and teach according to their needs, in order for everyone to feel comfortable as they square up again. If you know of ex-dancers who would really like to brush up on their skills, please let them know our welcome mat is out.

We will also be continuing our Round Dance Class, taught by Brian Adams. Brian tells us he plans to begin with the basic waltz. This class was enjoyed by many last year. Many were able to join in the rounds during our regular dances. This class will also start at 7:00 on September 27 at the Henry Street Center.

Our summer picnic was enjoyed by many. We were lucky to get a cool night. Our great cooks provided many interesting dishes. It turned out to be a real fun night.

We'll be looking forward to seeing you this fall.

Dancing Shadows

Dancing Shadows is an Easy Level (Phase II) round dance club. We meet every Monday evening at the United Methodist Church of West Webster, 570 Old Ridge Road, from 8:00 to 10:30.

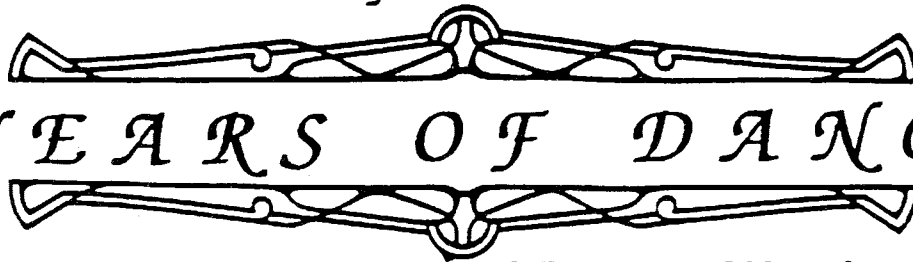

Now that most of the summer heat and humidity is behind us, we hope more of you will plan to join us. Each week, along with a full dance program, we enjoy learning a new dance or reviewing the dance we learned the previous week.

All of the dances we do on Monday nights are the same level that most of you dance at your square dance clubs. Come on out and work on your two-step and waltz with us. We're sure you'll have a good time, too!

Copy Cats

As I sit here listening to a cardinal's morning song, my mind wanders to the places we've traveled to dance this summer: Cass Park in Ithaca to Tom Trainor, Wagon Wheel campgrounds in Prattsburg to Chip Kellogg, Clute Park in Watkins Glen to Bob Stern, the Grange in Penn Yan to Bruce Shaw, and the Country Kuzzins in Newark to Red Bates and Ken Anderson. Don't ask me to pick a favorite.

It looks like we're off to another great year. Barb and Brad Higgins, new Copy Cats presidents, have already been very busy planning and executing the '91-92 dance season. Wonderful times were had at the demos at Ginegaw Park in Macedon and at Webster Good Neighbor Days. Both included mixers with the crowd. At the Webster demo, all our gourmet bakers had a chance to show off their talents at the bake sale.

Chip Kellogg's annual Plus class picnic had to do without Nature's fireworks that accompanied last year's picnic, but still, a wonderful time was had by all.

The Copy Cats' two free trial classes for the Copy Kittens will be held Tuesday October 1 and 8, from 8:00 to 10:30, at The Good Shepherd Church on the corner of Route 250 and State Road in Webster NY.

We are looking forward to giving everyone's joints an opportunity to loosen up at our Copy Cat Rusty Hinge Dance on Saturday, September 14. We have the honor of having Mike Callahan calling for us and George Burch culling, with Jackie Koetz assisting. We hope that when your feet feel like dancing on a Saturday night you will join us on the second and fourth Saturdays at the First Presbyterian Church on East Avenue in East Rochester.

Circul-8-tors

Now that the long, hot (and dry) summer is winding down, it's time to get out your dancing shoes again and swing through with the Circul-8-tors! Our first dance of the season is on Sunday, September 22. We'll be squaring up at the Penn Yan Grange Hall on outer Elm Street (Route 54A) at 2:00 pm.

Our "old reliable" callers and cuers are back with us again for another season, and starting off this month are Chip Kellogg calling tips and Dottie Reed leading rounds. As is our custom, we go out to dinner as a group to a local restaurant following the dance. Visitors are always welcome to join us for this pleasant repast.

We welcome our new officers: Bob and Lyla Bonnett as Secretaries and Aubrey and Alice Hale as Treasurers. Covie and Betty Duncan continue another year as Presidents, as do Bill and Marge Leeson as Vice Presidents.

Our summer activities were limited to the annual campout and picnic which was as usual a big success, and a pre-departure picnic for the Williamsburg tour participants. Incidentally, last-minute cancellations have opened up a couple of seats, so if you're interested in joining us for the Virginia extravaganza on October 1 through 6, just call the number below for details. We'd love to have you join us.

We hope to see you in Penn Yan on the 22nd. We guarantee a great time with a terrific group of people!

Country Twirlers

Country Twirlers started the dancing season on Saturday, July 27 at the Chili-Paul Plaza. Gary Bubel called the squares and Alice did the rounds. Dancers from Cloverleaf Squares, Lilac Squares, and Tecumseh Squares joined us to help put on a very presentable demonstration. Dancing on macadam was hard on the shoes, but the weather was perfect and it turned out to be a very fun dance.

We are looking forward to a great dancing season with Gary and Alice as the anchor caller and cuer. Dances will start at 8:00, with two rounds by Alice followed by squares by Gary. Our schedule will remain the same this year, with a refreshment break at 9:30 and dancing until 10:45. Tim Crawford will be calling on September 28, with Mike and Linda Liberti doing the rounds. On October 5, Mike Harris will do the honors.

Our club officers for the '91-92 season are: Presidents Keith and Mary Kay Schwab 889-4454, Vice Presidents Chuck and Leslie Bellinger 247-7405, Treasurers Bernie and Denise Heroux 227-4444, Secretaries Bill and Ann Uebelacker 247-0432, Publicity Ralph Dell 235-0477, Social Chairmen Tom and Diane Yehl 889-4804, Federation Representatives Bill and Marilyn Raymond 663-8807. Suggestions from club members that could improve our club will be welcome.

If you have not filled in and returned the cards giving me names of possible class members, please do so. A class is very important for the continuing health of Country Twirlers.

Jerry is starting his 22nd year of square dance calling, and 15 year of traveling the full-time calling circuit.

Jerry has been featured at many Festivals and Weekends throughout the United States and Canada. His biggest accomplishment has been to call eight times in Saudi Arabia and numerous cities in Europe. He calls annual weekends in Sweden and England. In July 1986, Jerry was one of the featured callers at a Festival in Japan. This fall he is booked in West Germany. Many upstate New York square dancers will remember Jerry's featured appearance calling at the New York State Convention in Buffalo several years ago.

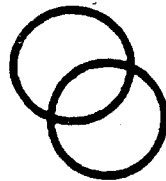

Square Dancers have toured with Jerry and his wife to the Caribbean and Hawaii. They are scheduled for 7 days in The Mexican Riviera June 9-16, 1991.

Jerry has recorded on Outlaw, Roadrunner and Rhythm labels. He is now co-owner of ROYAL RECORDS, INC. His latest releases are "CHARLIE BROWN", and "I'VE GO A WINNER IN YOU".

What a beautiful summer it has been! Now to get back to some serious dancing. Come on out, you dancers, we haven't seen you all summer. We're not mentioning any names, but let's get with it; we need you.

We've been having good turnouts all summer, in spite of the hot evenings. Several large fans keep the hall reasonably comfortable. We celebrated a couple of 50th birthdays, Dick's and Jody's. Liz and Vern's ice cream social was great as usual. How does Vern grow all those luscious berries and toppings?

Many have enjoyed dancing on the new floor at Bob Stern's and Carol's weekends at the Brown Barn. You can still enjoy one more A2 weekend at the Barn on September 27 to 29. There was quite a gang of us at the Montreal Area Square Dance Festival. All had great dancing and much fun!

The Empire State Festival is coming up in October; see you there.

We'll be back every Thursday at the North Street Elementary School in Geneva for our regular fall-winter-spring season, starting September 12. Bob will be having the Advanced teaches starting September 26. He will start at 7:45 and call straight through to 10:30. The last hour will be A2---see the ad in the Promenader. All Plus and Advanced dancers welcome. Y'all come out now and learn Advanced dancing with us; we'll help.

Geneva Friendship Squares

Many Rochester area dancers have enjoyed our "Sampson Fall Festival" in previous years, but sometimes there wasn't room for everyone who wanted to come. Also, non-campers did not have a place to stay. For several reasons, Geneva has now scheduled our Fall Weekend in Watkins Glen instead of Sampson, and we are very excited about this new facility.

The hall is in a village-owned campground at the very end of Seneca Lake, and what a beautiful hall it is! The floor is wood and has no posts. The sound is excellent by all accounts, and the hall will hold many more dancers than before. There are motels, restaurants, and shopping in Watkins Glen. As this is written in late July, there is room for several more squares, so do not hesitate to phone or write for a reservation for September 13 through 15. See the ad in this issue. New this year also is an optional chicken barbecue available Saturday, reservations limited. Hope to see you there!

Save Sunday afternoon, November 10 for a special dance to the calling and singing of Ray Taylor of Bainbridge, New York. Ray has a very fine voice you will greatly enjoy. Mark Thone will cue.

Glass Slippers

The Glass Slippers' annual summer picnic was held on July 28, 1991. We enjoyed the sun, the fun, and the food!

The Glass Slippers have planned an exciting year of square dancing. Our Welcome Back Pot Luck Supper and Dance will be on Wednesday September 4, 1991 at 7:00, with Bob Meagher calling. Open House will be held on September 11 and 18, from 7:00 to 8:30. The club will dance from 8:30 to 10:00. Classes begin on September 25, at 7:00 and continue until 8:30, followed by club dancing from 8:30 to 10:30.

Our special event for the month of September is Apple Night, to be held on September 25, beginning at 8:30. Apples, naturally, will be included in the refreshments, which to me means apple pie. Come join us for great dancing and delicious refreshments.

We ended the season on June 27 with our Trail End Dinner Dance. There were ninety-seven people attending. The theme was moving, and the decorations carried that theme out with a mail box at each place containing the new address. A moving van was on each table, and suitcases and packing boxes were stacked along the wall. The girls did a great job creating the miniature mailboxes and moving vans.

Yes, we are moving. Our dances will now be held at the Brighton Reformed Church at 805 Blossom Road.

The family picnic was held at Harris-Whalen Park on August 25. As always, a great time at a summer outing. Nancy and Bud Lang organized the golf tournament held in conjunction with the picnic. This year it was designated the "Frank Boas Open". Twenty-four couples participated at the Island Valley Course.

It has been decided to combine the Trail Back Dinner Dance with our 35th Anniversary Celebration. It will be held September 5 at the Green Lantern Inn in Fairport. It is an open dance, come help us celebrate.

There will be two free lessons for the refresher course September 12 and 19. See our ad in this issue.
