HAPPY VALENTINE'S DAY

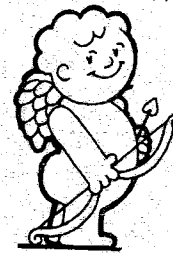

HAPPY PRESIDENTS' DAY

HAPPY SQUARE DANCING

Happy Groundhog's Day

ROCHESTER AREA FEDERATION OF WESTERN ROUND AND SQUARE DANCE CLUBS INC.

From the Editor's Desk
Jerry & Joan Sanford

Our Christmas wish was to receive just one letter to the editor. Santa answered with all his courserers. Read some of these worthwhile messages, digest them, discuss them and put them to good use.

We welcome a new club, Cayuga Cut-Ups from Auburn to the Federation and to the **PROMENADER**, but we also say goodbye to the Happy Hoofers. Some of our clubs are struggling to stay afloat--it puts me in mind of a front cover issue of the **PROMENADER** depicting a horse sitting in a wagon with the caption: "Who's Going to Pull the Wagon When All the Horses Want to Ride?" We have to do our share when we join any organization. We can't sit back and let the same team of horses pull the load all the time.

Thanks to all our reporters and advertisers for getting their news in by the 3rd of the month. It made our job so much easier--hats off to all of you!

ATTENTION ALL YOU CLUB REPORTERS OUT THERE: The **PROMENADER**, in conjunction with the Federation, will continue to offer four months of complimentary issues to the class graduates of 1992--the May, Summer, September and October **PROMENADER'S**. Please start compiling your list, with complete names and addresses to the Subscription Editors Bud and Nancy Lang, 17 Mill Valley Road, Pittsford, N.Y. 14534 no later than March 15th. Please make sure your list is accurate--an incomplete name and address does not ensure a speedy delivery by the Post Office.

The **PROMENADER** Gang wishes you a Happy Groundhog Day, Happy Valentine's Day and Happy President's Day.

A View From the Square

CARMEN'S COLUMN in November was pretty much right on the money. If you have a club dancing any amount of Plus material, you cannot mix in new class graduates without either frustrating and losing the graduates, or lowering the level thereby frustrating and losing the experienced dancers.

My solution is not to have classes directly associated with clubs, but rather have the Federation operate a small number of large classes at geographically strategic locations. Class graduates could decide on any future course of action, ranging from joining an easy level mainstream club to starting on a Plus class. They would not be "guilted" into staying with the club that graduated them.

The benefits of classes not linked to clubs are many. It is always more attractive to participate in a class with six squares than just one or two; the activity would seem to be more alive and flourishing. There would be less chance of having a student sit out a tip. Angels would not have to attend as many dances. You could use the area's most competent teachers to impress the students. Money could be saved by renting fewer halls for classes, and paying fewer teachers. You might even save enough to cut the students' dance fee. More important than any other issue is that the Federation as a whole would lose fewer dancers.

On another topic, please be careful about call definition books. We recently received one in the mail that contains many distorted and dead-wrong call descriptions. My favorite example in the book dealt with the call "recycle". The definition given: 1. From a wave, women u-turn. 2. Couples turn to center. 3. Ending. My opinion is that the definition may as well have been written in ancient Gaelic.

There are several ways that you could be thinking about **recycle**. The 1960's definition is not too bad: Centers of the wave fold on the nearest end; then the four dancers single file promenade one quarter around their box; then all turn to face the center of the box; ends in facing couples. My 1991 definition is a tiny bit more accurate: all hinge, all split circulate, then all turn to face the center of the box. Finally, the advanced dancer should learn **recycle** as follows: centers fold while the end steps ahead slightly, and all form normal columns (1/3); all split counter rotate (2/3) and roll (3/3). Notice that nothing is mentioned about people of specific sex, or anybody doing a u-turn.

YES, LET'S STOP THE BLEEDING

First we must have a community of togetherness. To accomplish this, we must have an effective center point. I believe that the FEDERATION, as it is now, is not the center.

Mr. Webster defines FEDERATION: as a forming of a union of states or groups by agreement and each member to subordinate its powers to the central authority. We do not have this type of organization, due to improperly written and interpreted by-laws. We have about 35 organizations going in no particular direction.

We must look back from where we came to and correct any errors that need correction. This is to make our Present into a brighter Future.

The quality and quantity of communication is of prime importance.

I recommend that a council of perhaps 11 past club Presidents and members of the Caller's Co-op be established to sort out any wrongs and make recommendations directly to club officers to pass judgement on and return to the Council.

This will take time. We are now 10 years of going downhill. Now we need to level off for an upward climb.

ATTENTION ALL CLUBS

The Federation is putting together a quilted badge/banner wall hanging of all the area clubs that belong to the Rochester Area Federation. This is a special project, and Jim and Connie have volunteered to coordinate it. Please give them your help.

Quilters, get your needles ready. Check with your President or Federation Representative about the kit coming to your club with some of the materials and all the instructions for your club. Any volunteers to assist with the final quilting will be greatly appreciated. To volunteer, call or write:

Jim & Connie
6900 East Ridge Road
Sodus, NY 14551

If you call, be prepared to leave a message and we will get back to you. The best time to reach us is between 5:00 and 6:00 PM. Even that is no guarantee you will find us home.

We would like to encourage any other clubs who used to belong to the Federation, to participate in this event--we cannot tell you the reason why at this time but it will have a special significance at a future time. Just contact Jim and Connie.

LETTERS TO THE EDITOR

I was pleased to read a response to my September column in the PROMENADER. It is generous of the PROMENADER staff to provide a platform for opinions and opposing points of view. It is only through this type of interchange we can get to know what our real problems are and look for ways to fix them.

In reply to Ron Ehrlich, who wrote the letter, his response is a good example of how much the details mean to us depending where we are in the program ladder. Most people don't give a hoot as long as they don't mess up the square. Without being specific, definitions describe the action of a particular call so others can replicate them. The definitions are rules, which in a lot of cases are made to be broken, altered, spindled or in other ways mutilated. Although I think he missed the point of the article, he is correct in assuming that I think each dancer has his own set of rules and each caller has his own ideas on how to teach the calls. Has he ever watched a square *circle to a line*? I also know that some calls are done differently in different parts of the country. I have seen differing interpretations time and time again right up through C-1 (which is as far as I go). Several times I have taught a call reciting the CALLERLAB definition only to have experienced dancers say "We don't do it that way" or, "That isn't how I learned it." I wrote a call myself some years back I didn't recognize when it was published in the square dance "dictionary". Over the years, a number of calls have been changed so more could be done with them. I can name others which are taught one way to beginners and another way when you are more "advanced". I am guilty of similar transgressions, transforming the definition when I think it will help the dancers learn the call easier.

All of the above are meaningless details to most dancers. Ultimately, the caller wants to present danceable choreographic patterns and the dancer wants to be able to follow the caller. If the two can get together no matter what the level, then both are happy. If the caller says *two men chain*, and the floor can do it, who gives a darn if it doesn't fit the definition? Note: our basic program list does not have *men chain* - only *ladies chain*!

Jerry Carmen

Orlo Hoadley's letter "Let's Stop the Bleeding!" in the December/January PROMENADER has sparked some thoughts.

Times change. So do lifestyles, fashions, social attitudes, and yes, even recreations. In order to be a successful leader, caller, business person, sales person, or whatever your life's endeavor is, you must change and be willing to adapt to new ideas. The "good old days" are gone forever and, no doubt, today's ideals will someday be the "good old days" for my generation.

Like it or not, modern square dancing has evolved into what it is today. Square dancing is not for everyone. Neither is golf, bowling, cross-country skiing, nor playing bridge. Compare a person's time for recreation to a pie that square dancing is competing with other recreations for a slice. That slice is a lot smaller than it was 20 years ago. Perhaps we should try to think of new recruiting methods that will make square dancing more attractive to today's lifestyle.

Lastly, I must take exception to Orlo's making no effort to get anybody interested in square dancing because he "refuses to be a person who sells the poor innocents a bill of goods." How can we be a judge of what a person will or will not like? Sure, there will be dropouts just as there are in any other recreation. But there also will be people who will enjoy the exercise, the sociability, the traveling and, yes, even the challenge.

- Submitted by Mike Callahan

Orlo Hoadley makes good points in the December issue about making square dancing more attractive to new dancers. I agree that "we do not get repeat business if the customer is not satisfied."

Jerry Carmen, in his November column, explained the problems: too long a learning period, and dancers unwilling to dance at the Mainstream level. The result: discouraged class graduates who soon decide that square dancing is not for them.

Since hundreds of clubs have tried their best ideas with little success, perhaps it is time to look at the other side of the ledger: to the professionals. Specifically, this means CALLERLAB, where callers make up lists of "levels." It is these professionals who set the tone, who can lead dancers to feel that they must dance at some level to be considered "good dancers," or who can lead them away from the idea.

Perhaps we should look back to about 1970, when square dancing was active and growing, and ask what was different. First, there were no formal levels such as we have today. There was an informal "club level" that varied some from place to place. Almost everyone danced at Club Level and they were obviously enjoying it.

Today, Jerry Carmen's teaching list has 77 calls (plus variations) for Mainstream. Then there are 29 more for Plus Level--108 for today's standard level. On the 1971 list, there were 50 Basics and 25 "Extended Basics." Those 75 were what everyone was expected to know. By today's measure there were only about 65, because some were variations of other basics or too simple to list (one was "Walk").

Why then, were dancers happy with 65 calls in 1971 and unhappy in 1991 with 108? I think the answer is that people want to dance for fun and sociability, not to be continually challenged. Was it boring with only 65 basics? No, because callers were accustomed to creating variety with basics, and because frequently some new experimental call was introduced. The important difference was: we were not expected to remember these calls. They were learned and enjoyed for an evening, and then forgotten.

Another unfortunate result of the "levels" is that the dancer-operated club--the heart of the hobby--gets hit from both ends: it is hard to get new members, and then the more enthusiastic ones are drained off by the "Advanced" clubs, where they no longer help to bring in beginners.

My message to callers is this: "Go back and listen to the tapes and records, and read the magazines, of the 70's. Recall what it was that brought people into square dancing and kept them there. Take this message to CALLERLAB and start working for sensible programs that promote fun and sociability instead of competition and ill feeling. It will take a few years to turn the trend around. But we must get started or there will be fewer and fewer dancers to pay your fees."

LETTERS TO THE EDITOR

In November the Caller's Cooperative of Rochester (CCR) held a very informative and interesting round table discussion of square dancing concerns and problems. A number of club officers, callers, cuers, Federation reps, **PROMENADER** editors, reporters, and dancers participated in a lively session discussing many topics.

One concern that has been around as long as square dancing itself is R & R, or recruitment and retention of dancers. Orlo Hoadley made some very apt comments about this aspect in the last issue of the **PROMENADER**. But other comments and questions about our activity were also raised, which deserve further deliberation. Some of these were:

- 1) How can the relationship between the Federation, CCR, and the clubs be improved?
- 2) Why doesn't the Federation promote dancing for the clubs?
- 3) Is a 30-week commitment for class too long?
- 4) Why are some clubs more successful than others in recruitment?
- 5) How can we attract young people to square dancing?
- 6) Mall demonstrations are ineffective for recruiting new dancers.
- 7) New club officers are uninformed and ill-prepared.
- 8) Club presidents should meet to discuss topics of mutual interest.

These matters have been kicked around for years at various forums and meetings, and it sometimes seems that we are getting no closer to resolving them than we ever were. But there are new people joining the activity every year with new ideas, and we should seek their input.

Another opportunity for discussion and debate is the annual Leadership Conference and Dancer Forum sponsored by CCR to be held on Sunday, February 2. This event will involve a panel discussion and is scheduled to start at 2:00 p.m. at the Covenant United Methodist Church, 1124 Culver Road. Everyone who is interested in the future of square dancing is urged to attend and put forth their opinions and ideas. Who knows--someone may come up with just the right idea or plan to rejuvenate our activity.

DANCE-O-RAMA UPDATE

To those of you familiar with "DOR" (hopefully most of you!) This is a reminder that it will be held May 2nd this year--so please save that date!

To those who don't recognize these three letters, they stand for "Dance-O-Rama" the Federation-wide dance that occurs each year the first Saturday in May. You will hear more about DOR in the **Promenader**, but for now, I suggest that you too should reserve the date.

Tickets will be distributed to Federation clubs this month and your club should be contacted by a member of the DOR Committee. If this does not happen, or if you have any questions, please contact me.

To begin your "education" on the 1992 DOR, we would like to tell you about the great staff we have lined up. They include:

- Callers:
- Curly Custer Hagerstown, MD
 - Lou Flego Northport, NY
 - Jim Wheeler Orchard Park, NY

Round Dance Leaders: Ron & Ree Rumble Lakehurst, NJ

We will be discussing each of these folks in depth before May, and we begin this month with:

LOU FLEGO

Lou Flego has been calling dances since the mid-70's, and presently calls for six groups in the Long Island area ranging from Plus through C-1.

As an undergraduate, Lou went to school on a football scholarship and also played lacrosse, golf, and squash. He received All-American honors in lacrosse and has been inducted into his university's Athletics Hall of Fame. Lou coached lacrosse at the university level for ten years and won several championships. He also coached two national North/South lacrosse games.

Employed by the Plainview-Old Bethpage School District on Long Island as a district-wide administrator, Lou's responsibilities include physical education, health education, and adult education, to mention a few. Lou lives in Northport with his wife Sue, who is an avid square dancer.

Shooting Stars

Winter! Bah, Humbug! Thank heavens for dancing or we'd all probably become TV-addicted couch potatoes, glued to the boob tube with our eyes slowly bugging out of their sockets and oozing down our cheeks.

That brings me right to the point of this column...our COUCH POTATO dance on February 25th. We're planning a club-level break from the TV shows and all of the class dances of the season. Our caller, Mike Herne, promises to use the Plus program to the best of his ability(?), as well as raising the roof with wild and woolly singing calls.

Other special things are planned for that night, so come on over and join us. Remember, your vision might depend on it!!!!

Belated thanks to the Hyders and the Nientimps for their work on the November Turkey Shoot. These couples were the Shooting Stars coordinators for that dance, held jointly with the Merry-Go-Round round dance club. And a good time was had by all!!!!

Speaking of the Hyders, Tom (a bus driver???) has gotten a new computer and is the one responsible for the great flyers that you see from our club. His lovely wife, Sunday (the better half!) is our talented seamstress. She designed and made our banners and our mascot-Twinkle, the shooting star. She also supplied the turkey pins for our dance.

While I have a chance...BIG time apologies to Frank and Wendy for December 10th. They brought a group of visitors and, unfortunately, we had been forced to cancel (due to RTS). SORRY! SORRY! SORRY!

Lastly, our caller's law, Nancy, said goodbye to 1991 with a flair. Not only was she an integral part of a great New Year's Eve in Webster, BUT, earlier in the day, the bank in which she works was robbed by a pair of rifle-wielding crazies. Despite shot nerves (nice wording, Mike) she made it to 1:30 AM before unwinding. Nice story for the grandchildren, as well as the dance floor.

We're not dancing on the 18th, due to school closing, but please come and join us on the other Tuesday nights. **WE WANT YOU!!!!**

Boots 'N Slippers

The Boots N' Slippers give a very HARDY THANK YOU to EVERYONE for your support at our Blizzard Ball. A great time was had by all. We all enjoy welcoming our new dancers to the fun of square dancing.

We are still holding our refresher class, which has given an opportunity to those we have missed to brush up on whatever calls they need to become active dancers again. There is always room for more. This is a class you can join anytime. We meet at 7:00 P.M. each night the club dances. Some have already started staying and continuing to dance with the club.

The Club is off to a great year as we welcome Les and Sheila Kuhn to the helm as presidents. Our membership has grown during the fall, thanks to the great, hard work of Vince & Betty Huber.

The WELCOME MAT is always out. Come and join us for a night of good dancing.

Tecumseh Squares

It may seem like ages ago but still newsworthy; our trip to Fulton to attend a Saturday-night dance called by Bruce was a fun time. Forty-nine of us made the 75 mile trek: first, dinner at a great restaurant (Lock Three), and then dancing with the Shirts and Skirts and their guests. To say the least, we lived up the place. We were there so early that the Rohrs bought some cards at a local store and played Euchre before the dance. Everyone had a great time.

The Mardi Gras dance was successful; great decorations, good crowd, neat costumes, and a short parade. We certainly made a bad choice by turning the lights down for the parade. Mac McDonald video-taped the festivities but the tape was practically blank at the point where the lights were killed. Thanks anyhow, Mac, and to everyone on the committee who worked so hard to ensure a fun evening.

Our annual holiday dinner dance had its largest turnout; 109 at the Pot Luck Dinner. Thanks to the the Redmen's Club for providing the meat and rolls and to the Bordens and their committee for all their work.

Don't forget our upcoming guest callers: Mike Harris on February 21 and Geoff Ford from Canada on Friday the 13th of March. Mark your calendars and join us for the fun.

Congratulations to Don Jermyn, Paul Randall, Mel Miller, and Jerry Merritt on their retirement from Kodak. We hope that their wives can survive their retirements. We're glad to see the Munchkins, Gordy and Betty Thomson, back on the dance floor. Gordy had recent eye surgery and has recovered nicely. Our condolences to Lois Burke on the death of her sister in South Carolina.

Genesee Dancers

It's 1992--a new year of square dancing!

We have a new slate of officers to guide us through this new year. Let us introduce them:

Co-presidents: Jack and Trudy Cayo, Mase and Ginn Fitch; co-vice presidents: Joe and Pat Hammele, Dick and Adrienne Hutcheson; treasurers: Ed and Mary Bottomley; secretaries: Gil and Betty Langswager; program chairpersons: Art and Kris Martz.

The club went through some difficult times last year, but thanks to the very capable leadership of Ray and Emma Schlesing we are now doing very well at our new location at Brighton Reformed Church. Our attendance has picked up and we're having a good time.

Our Holiday Dinner Dance was a fabulous party. There were over 100 dancers for dinner and several more joined us for dancing. Mike and Bob treated us to some wonderful dances.

The refresher class is progressing very well. Some of them danced with us at the Holiday Party. The class will continue through March. Thank you, angels, for helping.

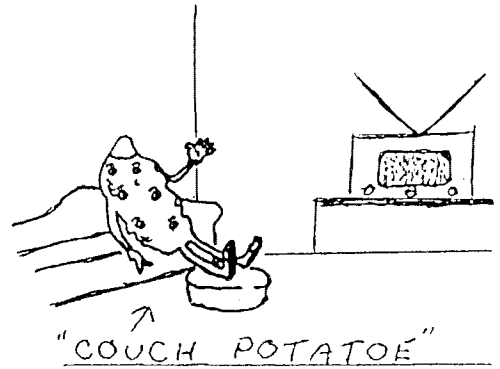

We all had a great time with the Web-Spinners at our joint New Year's Eve Party. What a happy way to welcome in the new year.

Our Annual Valentine's "Pot Luck" Dinner Dance will be held February 13th. Dinner will start at 6:45 P.M. Bring a dish to pass and your own table service.

Happy dancing to you all.

Village Squares

We trust that everyone has had a wonderful holiday season; and now your calendars are already full for the coming months? You have reserved Wednesday nights for Village Squares--of course!

To recap events that may already seem like ancient history--ten Village Squares couples went visiting to Tecumseh Squares on November 28th on a banner-stealing expedition. Their traveling banner now resides with us, awaiting retrieval. Perhaps we may say again, expect a good show when they come to reclaim it. Bruce Shaw's bagpiping is worth seeing.

Our Christmas Party was held at St. Nicholas Hall, East Rochester, on December 18. Need we say that the pot luck dinner was definitely up to the usual standards. This was the first square-dancing social event for our Village Squares class of '92. Their dancing reflects the attention they have been giving to Jerry and Will. Their skit about the twelve lessons of square dancing was a highlight of the evening--they definitely know their left hand from their right!

Class members are invited to be part of the club again for the Valentine's Day Dinner Dance, on February 12. Check your map--we are leaving Council Rock School for this party and going to the Glendoveers Party House on Browncroft Road. See our ad elsewhere in this issue. Check for dinner reservations. Be sure to wear your Valentine red.

Circul-8-tors

Now that we are halfway thru the long winter season, it's time to come out of hibernation and join the Circul-8-tors for an enjoyable Sunday afternoon of round and square dancing. February's dance is on the 16th at 2:00 p.m. As usual for our winter dances, we will be at the Green Lantern Inn in Fairport. The popular husband/wife team of Jerry and Betty Carmen will be calling the squares and leading the rounds. Our annual potluck dinner follows the dance and everyone is welcome to join in--just bring a dish to pass.

Once again the Christmas dinner/dance was a very enjoyable time. We thank everyone who brought a gift for the Hillside Children's Center--the recipients were very grateful. And again this year, the January Snowflake Dance was right in step with the season!

The travel committee has come up with a real exciting trip for 1992. We're planning to visit an Ozark mountain "Jamboree" with a 9 day motorcoach tour this fall! Our destination is Branson, Missouri, which rivals Nashville as the country music capital, with first class entertainers and shows. Stopovers in St. Louis and other points of interest are also included. As always, the Circul-8-tors trips are open to non-members. Call the number below for more information or a flyer. Or better still, come to the dance and get all the details first hand. See you on the 16th!

Wildlife, glaciers and historic ports, PLUS nationally known callers, workshops, the Juneau Spin and more!

Don't miss this unusual chance to combine the pleasures of square dancing with an Alaska cruise vacation — as The World's Best Cruise Line inaugurates Alaska Promenade cruises.

This full week exploring luxury shipboard life and the beauties of Alaska with fellow square dancers is an experience you'll always cherish ... whether you travel aboard the elegant ms Nieuw Amsterdam or our proud flagship, the ss Rotterdam, one of the world's most famous pleasure ships.

Each of these grand ladies is well suited to dancers' needs — with spacious teak decks, parquet wooden dance floors, ship stabilizers that make the sea feel like a pond, and lounges and live music to match every mood from jazz to disco, from classical to big band to — square dance!

Each Promenade Cruise features a daily square dance event — a dance, a workshop or a reception — hosted by well-known national callers. In addition to our usual Broadway-style shows, you'll enjoy square-dance-themed entertainment.

And you'll share the square dance spirit in Alaska's beautiful capital, as we take you ashore to square up with local dancers for a gala Juneau Spin! Aboard

and ashore, you'll meet fellow squares from around the country — and maybe introduce some new friends to the fun of square dancing.

Add to this all the luxuries and service of The World's Best Cruise Line ... calls in totem-rich Ketchikan, Russian-flavored Sitka and historic Juneau ... exciting optional shore excursions to meet your special interests ... and you've got the vacation of a lifetime.

Lilac Squares

1992 should be a good year for dancing--doesn't it get better all the time? Nancy Lewis and Donald Serra met 2 years ago at Lilac Squares, when they each decided to learn to dance and then danced to the altar on Dec. 28--so our singles club has one more married couple.

We regret losing Edie Sprague so suddenly from a fall off a ladder. She was one who was always smiling and is missed very much.

Nancy (our vice president) and Charlie Jennings had a lovely 3 weeks at Thanksgiving time, visiting the children in Florida.

With a Christmas dinner, a New Year's Eve party, doing some eastern dancing with Art Teamerson, and being guests of Copy Cats, we are now ready for our Annual Club/Class Kissin' Kuzzins Valentine Dance, with Mike Harris calling the squares and Jody Mattice cuing the rounds on Friday, Feb. 14 at 8:00 p.m. at the Covenant United Methodist Church, 1124 Culver Road, corner of Parsells Avenue--see our ad in the last issue for more information.

February 3, 10, 17, and 24 will be our regular dances at the Penfield Baptist Church: 6:30 to 8:00 for the class and 8:00-10:30 for the club, with Jerry Carmen calling the squares and Betty Carmen cuing the rounds.

The Second Anniversary for our name change to Lilac Squares will be celebrated on March 2nd with our regular dance schedule.

Do come and help us celebrate!

Copy Cats

Come have fun with the Copy Cats at our class/club Valentine Dance Saturday, February 8. Look for us at our new special dance location at St. Thomas Church, 2000 Highland Ave., at the corner of Winton Rd. This is another fabulous opportunity for you to support your class members as they gain more confidence in their dancing ability. Mike Callahan will do the calling and George Burch the cuing.

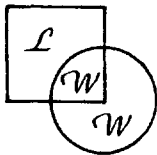

We've always enjoyed dancing with the Triggers, but it was a special treat to be their guests January 7. January 8 (busy, busy week) we were guests of the Village Squares. That meant four nights of dancing (busy, busy, busy) for some of us that week. What an enjoyable way to chase away some of that holiday-acquired poundage. Dancing wins as one of our favorite forms of exercise.

Some of us are going down to the Grange Hall in Penn Yan February 29 for their Leap Year Dance. It should be a good one.

The Copy Cats next class/club dance will be the Dessert Social and Swap-Around in April. This is when our men have the opportunity to show off their culinary skills with a dessert (made, maid, or purchased). Now is the time to start thinking about what white elephants you want to get rid of for the swap-around part of that dance.

Remember us for your Saturday night dancing pleasure, every second and fourth Saturday. Our regular home is still the First Presbyterian Church, East Ave., East Rochester.

ROUND TOWNERS

Attention All Round Dancers

Subject: Goals and Resolutions

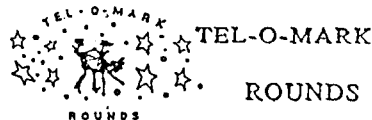

Unquestionably, one of the greatest joys in life is setting goals for ourselves and then achieving them. Add to that fun, fine fellowship, and a feeling of accomplishment in a relaxed atmosphere, and you have four F's that add up to proficiency and smoothness. These two qualities are highly desirable and sought after by all of us.

This is where to find it!: Learning dancing Phase 3 and 4, and the classics. Round Towners offers all this and more. You'll associate with dancers from Phase 2 all the way to Phase 6: some learning, others smoothing out what they have already learned. With Mark and Marlene's expert and patient way of teaching, you've got a bargain you can't afford to overlook. Imagine the joy and satisfaction of looking back in a year or even 6 months and realizing you've doubled your confidence and dancing skills and it was fun and easy! All you have to do is be there to prove to yourselves that with a little effort and a little help from your friends you can do it.

In retrospect, our all-level December 8th Holiday Roundup, New Year's Eve, and Saturday Night Round Dance Party on January 18th were well attended and greatly enjoyed by all present. Truly, fun for everyone. In conclusion we want your fine association and fellowship on and off the dance floor and look forward to watching you progress to achieving your goals. So please take this opportunity to prove to yourselves you can be twice as good as you already are.

This article is coming to you from the Orthopedic Department of Rochester General Hospital. What a way to celebrate New Years! I fell on a patch of ice Monday, December 30th and sustained a hairline fracture of the right pelvis. Now, to the subject at hand. The month of February represents a milestone for Tel-O-Mark Rounds because our leaders, Mark and Marlene, are "tying the knot". Everyone in the club extends best wishes to them for a long life of good health and happiness.

We will continue to be introduced to the very newest in Advanced Rounds. One that comes to mind to be taught in the near future is "All Right You Win". The New Year's Eve party at the Redmen's Club was a huge success. From all the reports that I received, "a good time was had by all". Join us sometime at our monthly dances. We will not have one in February so the next one will be March 28th.

Until next month, keep dancing!

Silver Squares

Silver Squares

Silver Squares had their Dinner/Dance on November 27th. That went very well. Good food--lots of it. It was good to see some of our former dancers back--keep coming. We had our Christmas Party on December 16th. It was great. The staff at the Greece Grange made us a delicious turkey dinner, "Just like Grandma used to make." Our thanks to you all. Mabel Wordingham's decorating made it very festive. Bob Meagher did the calling--very well done. Thanks Bob! Several people weren't able to make it because of the flu. Also, our good wishes go to Theresa Closser, who fell and broke her foot. We hope it mends quickly.

Any square dancers who don't like to drive at night in the winter are welcome to dance with us from 1:00 - 3:00 P.M. every Monday at Westridge Community Center. It's friendly, cozy, and warm.

Promenading B's

A wonderful NEW YEAR to all our club members and dancers around the area; keep those happy smiles and toes a moving. Hope all of you enjoyed the holidays, and have made good resolutions to stay in the swing of promenading your partner.

We at the Bee-hive enjoyed a fun night at our Christmas Party in December. We had a great turn-out, all dressed in reds and greens to celebrate, good food, good friends, and lots of laughter with Santa and Mrs. Claus. The dancing was especially enjoyable in such a very relaxed atmosphere with gifts exchanged by all. Thanks to our caller Bob and Sue-bee and special committee, plus Betty on the rounds, so graceful.

Our club wishes to remind all square dancers about the "BLACK LIGHT DANCE" on Sat. March 28 at 7:30 PM (Class & Plus Club) in Byron-Bergen Sr. High School. All are invited to join us for this special evening.

Country Twirlers

Although February is the shortest month of the year, Country Twirlers is having five full evenings of dancing, with a different caller for every dance. Gary and Alice will start the month for us on the 1st, followed by Bob Ellis with Bill Saintey on the 8th. The 15th will be a class/club half-price dance for all guests. Les Bradt will be doing the calling with Betty Wolcott on the rounds. It is important for the future of square dancing to give a nice warm welcome to the classes of '92. I urge you to come one and come all and bring your friends to the best bargain of the year in square dancing.

The 22nd will be the highlight of the month, with Tim Crawford joined by Brian Adams on the rounds. The month will be finished off on the 29th with Mike Harris.

Even though it is just the start of the year, it is not too early to start to think about recruiting possible class members for next fall. At this time of the year you can point out to them that square dancing provides a way to get the exercise we need so badly in the winter months, and it's a lot cheaper and a lot more fun than going to gym. I have been told that one evening of square dancing is equal to a five-mile walk.

The DALTON GANG

Since our last article, the Dalton Gang held a Halloween Costume party and tureen supper at the Trail Lodge in Letchworth Park on Tuesday, October 29. Our well-attended Christmas and New Year's Eve parties were at Alice and Jerry Thompson's home in Hunt. Good food, songs, and games were enjoyed by all.

Club dances, consisting of Mainstream and Plus calls, are held at the Dalton Elementary School, corner of Church and Maple Streets, in Dalton NY on the first and third Tuesdays of the month, from 8:30 to 10:30 pm.

Our annual round and square dance (Club and Class) will be held at the Dalton School on Saturday, May 30, from 8 to 10:30 pm. Gary and Alice Bubel will be the callers. There will be prizes and refreshments. Donation is \$5.00 per couple.

Lima Grand Squares

Our dances in February offer some wonderful opportunities for Lima Grand Squarers to dance to two wonderful guest callers. On the first Friday of the month, Feb. 7th, Bob Ellis is going to call for us with dancing beginning at our usual time and place, Lima Town Hall, 8:30 p.m. The following Friday, February 14, is our St. Valentine's Dance. We are starting one half-hour earlier than usual, 8:00 p.m., and looking forward to greeting our class and guest caller, Jerry Carmen at this special dance.

Our neighbor club, The Henrietta Friendship Squares, has scheduled their Presidents' Ball for the 21st of February. We all enjoy that dance, so have decided to forego our own that night and dance in Henrietta. We urge all readers to do the same. It is always a wonderful dance.

Back to normal on Friday, Feb. 28th with a regular dance at Lima Town Hall, class beginning at 7:00 and club dancing at 8:30. We will be looking forward to having our "old" caller and cuer back!!

First, I want to give special thanks to all those who contributed in any way to making our Second Annual Beach Party a big success.

Coming up in February, we will have our Valentines/Sweetheart Dance on 2/12/92. Twinkle Shoes

Our club ended 1991 with Dot and Guy Dussett joining us again on Thursdays, and we were glad to welcome them back.

During January we worked on a program that we are bringing to the Spencerport Nursing Home on Tuesday the 11th of this month.

This will be a return visit for us and we are happy to bring a little entertainment to the residents again.

February finds us in the "Waltz Mode"--this follows the plan George Burch has been using with us; a different rhythm every month, that has included the fox trot, rhumba, cha-cha, and finally the waltz.

A review in March of the dances we have worked on will show us how well we remember the great input George has given us.

If you have some free time on a Thursday, come to the Westridge Senior Center from 3-5 P.M.--we'll be there having a good time while we learn western round dancing.

Belles 'N Beaus

The holiday dances were very special--our Xmas Party, everyone dressed so festive. The Jingle Bell dances and mixers, and the treat table were overflowing with goodies and beautifully decorated. Thanks to our generous "Belles".

We want to welcome to our club Nancy and Joe Elko (beautiful dancers). We are glad to have you.

It is that time of year when we pass the "Torch" to the new officers: Presidents: Dick and Gail Adamski; Vice-Presidents: Bob and Jo Kanis; Treasurers: Dave and Eileen Wasnock; Secretaries: Charles and Dolores Ketchum; Directors: Chuck and Rose Thiele, Barrie and Marylu Pack, Merle and Doris Toland, Art and Irene McMichael; PROMENADER Reporters: Gene and Tess Post.

I would like to take a moment here to express our deepest sympathy to Trudy Smith and family on the passing of her husband, Don "Tiger" Smith. Our thoughts and prayers are with her.

This is my last report. I have enjoyed writing for my club. Happy dancing.

Web Spinners

If you get to read this report before Jan. 31st, on that evening the Web Spinners are having an All-Singing-Call Dance with Mike Herne and guest caller Tom Turcott.

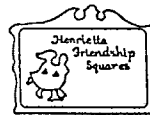

Now that all the holidays are over we are looking forward to a couple of nice dances for February. Friday Feb. 14th will be our Annual Valentine's Dance. We always have a great time at this one.

Friday Feb. 28th will be our biggie--we will have our Second Annual George Washington Dance. Everyone is welcome to attend, class members included. Admission will be \$6.00 per couple. The party will be at our regular dance hall, the United Methodist Church, 169 East Main St., Webster. The time will be 8:15 p.m. Remember those great cherry desserts last year--more of the same this year--only better.

Hope to see you there.

Hope everyone is enjoying 1992. During February our club has a very special dance--the President's Ball--on the 21st (see the ad in this month's Promenader). Also, we have our regular dance on February 5th and a Valentine's Dance on the 12th. We invited Boots 'n Slippers and Lilac Squares to join us during January. We will be inviting other clubs in future months.

Total floor space for Dancing equal to 8 football Fields in use at once

The space to be used for the 41st National Square Dance Convention will be over 273,000 square feet. To help you visualize that space, imagine 8 separate football fields in use at the same time...with dancers using every part of each field.

Square Dancing of all levels will use 152,987 square feet, distributed over several locations. This is enough space for 1,054 squares to dance at once.

Round Dancing will use 110,299 square feet, enough to accommodate over 3,000 couples.

Clogging will have 5,800 square feet assigned, Contra 4,400 and Hoedown 3,600.

Additional space has been reserved and allocated for non-dancing activities such as the Showcase of Ideas, Education Seminars, Sewing activities and, of course, space for vendors of every imaginable type of dance related merchandise.

Besides the Convention Center which we will occupy fully, the Convention organizers have been able to reserve excellent space in Riverfront Coliseum and in the 5 largest Downtown Hotels including the Clarion, the Hyatt Regency, the Westin, the Terrace Hilton and the Omni Netherland Plaza. All these hotels are just a short walk from the Convention Center. In addition, we will make good use of Riverfront Coliseum which is a short ride by shuttle bus from the Convention Center and the surrounding hotels. Aside from good dancing space, the Coliseum offers seating for 16,000 tired dancers to watch the Fashion Show, the Parade of States and the Bid Session for the 1996 Convention.

There will be continuous shuttle service between the Convention Center and the Coliseum and the various Hotels as well as the large camp grounds and certain hotels outside the Downtown area. And walking is easy since downtown Cincinnati features a series of Skywalks linking the hotels to the Convention Center.
