SWING INTO SPRING

from the Editor's Desk

Is everybody getting sick of winter and ready to welcome the Spring? We sure are, and we're looking forward to Dance-O-Rama at Churchville-Chili High School on May 2nd. Lots of good staff--hope you are encouraging your new graduates to attend.

We are going to be changing our deadline dates to the 1st of the month beginning with the September issue, so please take note now and look at the revised deadline dates.

Take the time to read the Letters to the Editor articles in this issue--there are many good ones. They all say just as much or more than we could--so we'll sign off for this month. Have a great March and a Happy St. Patrick's Day.

Joan and Jerry Sanford

P.S. A special thanks to Judy Rockafellow who volunteered to do extra duty this month. Two of our right arms, the Hoadleys, are on a well-deserved holiday and Judy stepped right in and offered her assistance. When you see her, be sure and thank her for helping us get this issue of the Promenader to you on time.

A View From the Square

Thirty years ago, a significant attraction to new dancers was the opportunity to participate in an activity dressed in flamboyant Olde Western costumes. It was as if you were being transported via time machine to the year 1850, to the state of Kansas on a Saturday night, to an atmosphere of kerosene lanterns, wood floors, barbershop quartets, and live musicians. The dance hall would boast dozens of squares of brightly dressed dancers moving gaily to the beat. When a dancer entered the door to a square dance in 1968, like EKC-O Squares, the old west nostalgia was overpowering. Newly graduated square dancers eagerly anticipated the ritual of picking out their first western outfit for graduation. Dancers of every age group were in abundance.

In 1992, our clubs are smaller, and, regrettably more subdued. The western flavor has begun to disappear. The average dancer age is above 55. Some dancers feel that if they can't wear street clothes to a dance, they would rather drop the entire activity. Some dancers that do dress western would rather not attend dances where some of the other people show up in street clothes.

We may never be able to recapture the flavor of 1960 dancing. Not everyone can afford to make or buy western wardrobes. What we may be able to do in each club, is to structure dress codes to accommodate differing tastes. Dancers in each club could vote to make their club one of the following types:

- Type A: members and guests are expected to wear western clothes to every dance

- Type B: some dances will be exclusively western dress, while other dances will be targeted as informal dress

- Type C: all dances will be targeted as informal dress

Once the members voted to make their club one of these three types, that choice would be displayed next to the dance listings at the back of the **Promenader**. That way, no one would show up at a dance dressed improperly.

Each club would also need to explicitly define "western dress" as it applied to that club's dances. Men required to wear ties or boots or slacks with big belt loops? Ladies required to wear skirts or dresses or petticoats?

Shifting to choreography discussion, let's look at the call, Wheel Around, called from an all four couples promenading star setup. It is really important, from a square survival standpoint, that following a Wheel Around, all dancers line themselves up with either a head wall or a side wall. When a set is in a facing lines of four setup, it is imperative that these lines be parallel to either a head or side wall, rather than diagonally oriented. In fact, the only formations that are exceptions to this rule are Circles and Alamos.

Look at this scenario: couples are promenading, and the calls Heads Wheel Around, Pass Thru, and Bend the Line are given. There is a major probability of square breakdown here if the entire set does not agree to be parallel to either the North-South walls or the East-West walls. Take the time when you see your alignment becoming diagonal, to adjust your square back to wall orientation. This will also give a more uniform look to any spectators.

LETTERS TO THE EDITOR

"HOW DO WE STOP THE BLEEDING"

Square dancing in general has been losing dancers at an alarming rate. Yet, while some square dance clubs are weak and even dying, others are vibrantly alive and growing. What makes the difference?

1) First and most important, dancers and clubs must have a positive attitude!

2) We must constantly promote square dancing to attract new dancers.

3) We must provide the dancing skills to allow dancers to reach a level that they will enjoy.

4) We must have square dance clubs that provide such an enjoyable experience that dancers remain dancing.

5) We must attempt to attract the drop-out dancers back to dancing.

The five points are easy to outline but how do we implement these ideas? Here are some ideas:

A POSITIVE ATTITUDE: Some people always have a positive attitude, some have it sometimes, some never have it. I'm betting on square dancers predominately having a positive attitude! It's the nature of people that once, twice, or more times a week, join fellow dancers in an evening of fun and fellowship! Next time you are in a square, smile and let your fellow dancers know how much fun you are having. A smile is a very powerful tool. If you are not having fun, analyze the situation and try to determine why you are not. Communicate your feelings to your club officers.

ATTRACTING NEW DANCERS: After various parade floats, public demonstrations and prime newspaper coverage of Boots 'N' Slippers, my conclusion is...one on one, person to person, word of mouth advertising is the best way to attract new dancers!

DANCING SKILLS: I believe that for the most part our square dance teachers and club callers do a great job keeping our dancing skills where they should be. If you believe otherwise, share your concerns with your teacher, caller, and officers.

ENJOYABLE DANCING: "We throw a party every Friday night...at this party we dance." I quote Manny Schwartz. Manny has been very successful with this approach. When was the last time your club threw a party?

DROP-OUTS: Approach your drop-outs, invite them back and make the return to dancing easy. **BOOTS 'N' SLIPPERS** is offering workshops for returning drop-outs. Ask the hard questions to find out why they "really" left your club. It might tell you something about your club that you NEED to know.

CLUB OFFICERS: It is up to YOU to guide your club to success. In some cases you must be willing to change, to see a new point of view. Seek out those people that have special talents and get them involved. You must give your dancers a sense of belonging and commitment.

DANCERS: Help your officers, they have much to do. If you have a real concern, bring it to an OFFICERS MEETING. If the concern remains, remember: that we elect new officers each year!

How do we stop the bleeding? We don't! The bleeding will always be with us, life is that way. But we can and must SLOW the bleeding and with the INFUSION of new blood, your club and square dancing can and will grow healthier!

President, Boots 'N' Slippers

DO SQUARE DANCERS GROW ON TREES?

No, they do not and I agree with Orlo, the blood bank is quite dry. Square dancers do not grow on trees, but they seem to be still living in the trees and the leaves are withering and blowing away.

It's a known fact that men must reproduce themselves. The real struggle began when we started to become civilized and had to earn a living. First apprenticeship days. Then we worked and had leisure time. We used this time to play games like golf, which started in the 14th century in the Netherlands, then baseball which started in 1879--square dancing came much later. Henry Ford was an avid square dancer. Golf is a very large sponsor and subsidizer of teenage people. Baseball does likewise.

Square dancers think new dancers grow on trees. They don't. Where are our teenage clubs? We really should try to organize them. It would give them an alternative to the alcohol, drug and bed activity. It would be very nice if we could have a Federation that could have as one of its goals the organizing of the teenagers.

It has been mentioned that we lose many class people before graduation. This is very true. Again, it seems as though poor organization and improper use of "angels"--some who are unskilled and, especially after the 12th week, could be the reason. New members lost after graduation is mostly due to inconsiderate remarks made by experienced dancers who forget they were once class graduates. Also lack of fun, sociability and stress of level.

-Submitted by E.R. Haddleton

Paul and I have been dancing 24 years. We have danced with the Davidsons', Hoadleys', Ehrlich's, Mike Callahan, Jerry Carmen, et. al. We have danced at many levels.

As we read the **PROMENADER**, we feel the clubs represented therein radiate pleasure with the social side, as well as dancing.

We have attended CCR, Leadership and Federation meetings. The problem of recruiting and retaining club members has always been on the agenda.

It appears that the complaint being made is with levels. Our observation is that the people who have gone on to higher levels, did so because they enjoyed the challenge to their minds and bodies. (Most would have dropped out of dancing if they had not been offered more challenging calls.) We think the people who are unhappy with levels are forgetting that the Challenge dancers are still part of the square dance community.

Mike Callahan was right in saying "dancing is just a piece of the recreational pie". If you look at any recreation - jogging (some go one mile--others five), tennis (some play for fun--others competitively). Bowlers, bridge, swimming all are the same--even walkers vary their time and length of their walk.

As people look for inexpensive ways to have fun, more will join square dancing. We need more newspaper ads for Open Houses.

DANCE-O-RAMA UPDATE

We were saddened to hear of the untimely passing of Dick Bayer who was to be one of our featured callers this May. Those of us who had not had the pleasure of dancing to Dick before are especially disappointed, since those who have, speak so highly of him.

Happily, we have been able to find a replacement who we think you will enjoy very much. She is Cindy Whitaker from Quincy, IL. You will be hearing more about her in this column in the future.

By the time you read this, your club should have received tickets and flyers on the upcoming D.O.R. I hope the date has been on your calendar for some time already. Now, I would urge you to get your tickets--saving yourselves some money and helping us accomplish our administrative tasks effectively.

Here is some more background on the staff that will be welcoming you on May 2nd.

-Dave Fisher

Jim Wheeler

Jim Wheeler resides in Orchard Park, NY with his wife, Lynnea. He called his first square dance in 1958 and has called in 15 states and Canada and currently calls square dances in the Buffalo area. He travels regionally in New York, Pennsylvania, and Ontario and calls "One Nighters" for Beginners locally. Jim writes a regular feature "The Caller's Corner", for a Western N.Y. square dance publication and has also been published in American Square Dance. Jim records with Red Boot Productions.

Jim is Department Chair for Office Technology at Erie Community College where he teaches communications and interpersonal relationships. He is also on the staff of the American Institute of Banking and has served as a consultant to many organizations. He has been a guest speaker at many functions and has made numerous presentations at Callerlab.

CURLEY CUSTER

Curley Custer and his wife, Ruthie, have been active in western style square dancing since 1956. He is a full-time caller and has been on the staff at many festivals, conventions, and dance vacation institutes throughout the U.S. and Canada. He has made guest appearances on many radio and TV shows, including a guest spot on the "Merv Griffin Show."

Curley began playing the fiddle at the age of 8, made a radio appearance at the age of 10, and won the National Fiddling Championship at the age of 19. He calls regularly for six clubs and firmly believes that all callers should teach a beginners class each year.

Curley is a member of "Callerlab" and is a past member of the Board of Governors and Executive Board. He has recorded on numerous labels. He feels that his whole purpose as a caller is to graduate good dancers who appreciate good dancing at a comfortable tempo and his greatest satisfaction is to call to a floor full of dancers who realize that music and choreography go hand in hand.

When Curley isn't calling he is involved with the Custer Channel Wing Aircraft, invented by his father. Curley and Ruthie are the parents of two daughters and two granddaughters.

LETTERS TO THE EDITOR

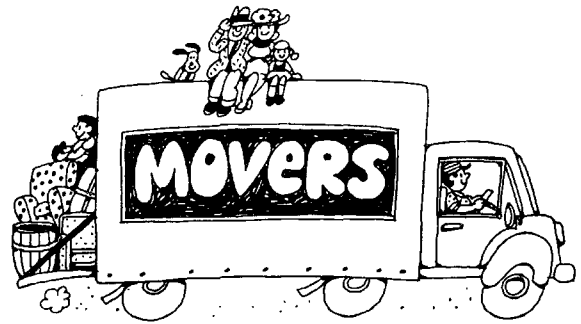

There have been many articles lately about what is causing the demise of square dancing with a multitude of various reasons given.

However, one of the most important has not been mentioned. That is the fact that clubs should respect each other. Just recently, two clubs planned a class level dance on the same night. All that this accomplished was to cheat new dancers out of a dance.

We are fortunate to have the **Promenader**. There is a listing of scheduled dances in the front of the magazine. Why not utilize this to enable all clubs to give the best opportunities to all dancers--thereby keeping them interested.

There is no secret to having a successful club. What happens to square dancers is burn-out. If we keep square dancing fun, there will be less disinterest and happier dancers.

(The author of this letter wishes to remain anonymous and the **Promenader** will respect his/her wishes.)

Spring is sprung,
The grass is riz-

I wonder where the dancers' is???

Hopefully, now that better weather has arrived, everyone is ready to put their dancing shoes on and join us for our "Friday Evening Party". You never know what will happen! We welcome all the snowbirds back as well as all the lucky winter vacationers.

Remember, our refresher course with Mike Callahan is at 7:00 PM, rounds at 8:00 PM and squares at 8:30 PM. This refresher course has brought people back to dancing from as long ago as 15 to 20 years. Welcome back!

We know all you lovers enjoyed our Valentine Dance. If you missed it, you missed a great time and some very 'interesting' decorations.

Come one, come all to our "Wearin' of the Green" on March 13th with Mr. Irish himself, Mike Callahan. You'll be in for some big surprises!

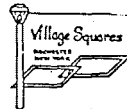

Congratulations to new officers for 1992: Les and Sheila Kuhn, President; Gene and Linda Krist, Vice President; Carl and Barbara Sherwood, Treasurer; and Clark and Dorothy Webster, Secretary.

Our class couples are progressing well--they can't believe all they learned and how it all finally does come together.

See you on the dance floor.

Village Squares

January 15th was an appropriately snowy evening, as Village Squares members and guests gathered for our "Snowflake" dance; another opportunity for class members to become involved in the fun side of square dancing. Seven squares were whirling about the floor--among the snowflakes with which Dottie and Elmer Pankratz had decorated Council Rock School cafeteria. Refreshments were the order of the evening after Jerry gave us a breather from the music. Homemade apple pie, with ice cream, gained everyone's admiration. We even found a bonus of someone's cherry and blueberry pies. Seconds were available, as some of us would testify.

As you read this, our Valentine's Dinner Dance will be history. Club and class members traveled on February 12th to Glendoveers Party House on Old Brown-croft Road for dinner and dancing. Festive reds and hearts were the order of the evening.

We are moving. East Rochester's First Presbyterian Church at 109 East Avenue is where we shall be, beginning on March 11th. Some great calling and cuing. Pass the word to your friends.

Our new dance home gets initiated on March 11th with our first annual "Flashlight Dance." Flashlight--that's what you used during the ice storm! How could you forget? Better bring your flashlight so we can really recapture the experience--of all our darkened houses. See our ad for the icy details.

We have banners. On January 22nd, six couples from Tecumseh Squares visited us to retrieve their traveling banner which had decorated our wall since November 28th. Thursday, January 23rd found us at Victor Swing-a-Longs to win another for our now vacant wall space. Mike Herne, a long-ago Village Squares member, put us through some intricate paces.

It's preview time. Mark your calendars for our Hobo Dance on April 15th. Watch this space for details.

Cicul-8-tors

With the long, dreary winter winding down, it's time to blow away those wintertime blues and join the Circul-8-tors for an entertaining afternoon of Plus level dancing. The date is Sunday, March 15th; the time is 2:00 PM; and the place is the Green Lantern Inn in Fairport. Our two callers switched places in February and March, so this month it's Jerry Carmen's turn to call and Betty Carmen's to lead the rounds.

Elections for offices of President and Vice President will be held this month and the nominating committee is working feverishly to come up with an outstanding slate of candidates.

This year's travel program is proving to be very popular and the motorcoach is filling up fast. The destination is Branson, Missouri and the Ozarks, and the dates are September 26 to October 4. Branson rivals Nashville as the capitol of country music USA, and a number of shows are included in our itinerary. A stop in St. Louis and an all-day visit to Ameriflora in Columbus are also included, as are most meals. You don't have to be a member to join us, so if this sounds interesting, call the number below for more information. Better yet, join us for our last regularly scheduled dance at the Green Lantern Inn on the 15th, and get the scoop on what promises to be a most exciting fall excursion!

Shooting Stars

With March, comes the first signs of SPRING!!!! We notice the longer days, the sun seeming brighter and warmer, the return of robins (I've noticed that already), the honking of returning geese, and there is one beautiful crocus pushing through the ground alongside our home here in Irondequoit. The earth renews itself, again!!!

Spring also means Dance-O-Rama, a subject close to my heart. As a past DOR chairman, I know how much effort is required to present this annual get-together. All the work is done by VOLUNTEERS. The only people to be paid are the headline callers and cuers. Has your club volunteered to do a job? Ours has! Come on! Join in!! Let's get full participation this year. Remember--DOR is not just for new grads. There are programs for all dancers--Mainstream, Plus, Advanced, and two (count 'em--two) Round Dance halls. Call Dave Fisher now and get involved!!!

Speaking of involved and new grads, Shooting Stars is making plans to sponsor a summer introduction to Plus program, much as we did last year. More information will be available to you when it is available to us! Keep watching!

Between now and Dance-O-Rama, we sure would enjoy having you folks drop in on a Tuesday evening and help us raise the proverbial roof. We start at 7:30 (give or take) and dance the Plus program, as well as any "glitch" calls that you may have. Till then.....

Ah, yes, if you find mistakes

In this publication, please consider that they are there for a purpose. We publish something for everyone, and some people are always looking for mistakes!!

THE SQUARE DANCE VOLUNTEER

*The Volunteer is a dancer who has dared to care; who is willing to risk the exasperation of his associates while taking the time to learn.

*In his caring the Volunteer knows that his responsibility is to do better than his best for the purpose he is serving.

*He has no desire to hide his efforts; he is a team player and will endeavor to listen, observe, and accept constructive suggestions.

*The Volunteer does not get paid—because no amount of money exists that could pay for the gifts of time and talent offered.

*The Volunteer hardly ever receives enough credit because, as in the case of love, words are never strong enough to express deep gratitude.

*As the Volunteer serves he is providing inspiration and even direction, in order that his club, his entire area, might flourish.

*In each step of his involvement he is becoming a better and wiser person, increasing his knowledge of the job, and more important, his knowledge of HIMSELF. Perhaps this is the real reward of the Volunteer.

Everything is looking good with St. Patrick's Day and then the first day of Spring. I'm sure we are all excited about that. Hopefully by the time you read this, Ernestine and Ralph Parry have all their health problems under control (and will be back dancing). Mary Miller is back kicking up a storm after her surgery.

Nick and Claudette went to Florida on vacation and came back owning a condo. Bob and Carol also took a couple of weeks in Florida to bask in the sun.

Understand there was a great surprise birthday party for Dave Roberts--we missed that one, darn! I hate it when they schedule two parties the same night. Anyway Dave, how is the big 6-0?

Our traveling dentist and wife, Wayne and Janet Seeley, took their whole staff to Hawaii, WOW! Where to next Wayne?

We have two new retirees, Bob Dutcher and Don Trescott.

Happy St. Patrick's Day!

Cayuga Cut-Ups

The Cayuga Cut-ups have all kinds of neat things lined up to help us forget that white stuff outside.

Thirty people saw the New Year In with a celebration of Food, Folks, Fun, Dancing at the Masonic Temple in Auburn, N.Y.

On February 1st we honored Punxsutawney Phil with a Groundhog Day celebration by bowling away the winter blues. Punxsutawney Phil (known as Punx by his close friends) can't think of a better way to celebrate such a joyous occasion. He regrets that he is unable to join us due to previous commitments.

March has a lot in store for the Cut-ups. We will celebrate St. Patrick's Day (3-13) with a dish to pass supper (bring your own setting). The club and class will dance from 8:00 to 10:30 PM. March 26th--our guest caller will be Jerry Carmen.

Watch for Cayuga Cut-ups ad for our May 16, 1992 Spring Swing Dance with Mike Conning of Monroeton, PA and Dottie Reed of Newark, N.Y.--Fabian's Western Wear will also be there.

We dance every Thursday 8:00 to 10:30 PM at the Federate Church in Sennett, N.Y.

Glass Slippers

The night of February 12th was definitely a night for sweethearts. It was our Sweetheart's Valentine Dance. We had 'special' squares and rounds and lots of sweets to eat. A big "Thank you" to our callers and to all who contributed to making the evening a fun time for everyone.

Our SADIE HAWKINS DANCE will be on March 11, 1992. All the ladies of the Glass Slippers will be planning games, and surprises. Some innovative ideas are in the works. Come on out to Brockport (it's really not that far) and find out what the ladies are planning (for both sexes). Remember, our club dances from 8:30 to 10:30 PM and the class dances from 7:00 to 8:30 PM.

Next month is our Ice Cream Social/April Fool's Dance. Remember how delicious the giant sundae was? Will we plan an April Fool's joke on everyone? More details next month.

"Wearin' O' the Green" is the theme for our March 15th dance with calls by Mike Callahan and cuing by Bob and Nora Slomcenski. This is a Sunday afternoon dance with half an hour of rounds at 1:30 followed by alternating squares and rounds. We expect good weather and lots of finger foods for all--and that's no blarney. This dance will be at the Bristol Gym of Hobart College off Pulteney Street--see the map in our ad. Signs will be posted.

Club President Bill Newman and Bob Stern have arranged a dinner dance for March 8th for our club, together with Finger Lakes Squares. Dinner reservations will be at Club 86, and we will have a dance floor lined up shortly after this news deadline! We expect a fun time for all.

Lima Grand Squares

This is the month of the lion, lamb, lads and, oh yes, Lima Grand Square's more popular and famous than ever this year--St. Patrick's Day Dance on the 13th of March. Green is the "going" color, but if it doesn't match your eyes, put on any favorite square dance costume and come on out to Lima for a jig or two, square dance style. The leprechauns are sure to be makin' an appearance, and will bring you all the luck of the Irish.

Our Luau in February brought out the Hawaiian in us all, and some of us even discovered we could do an awesome Hula. Hope you discovered at least one old and one new sweetheart on Valentine's Day. You are welcome, very welcome any Friday night in Lima for our 8:30 dance. We know how to treat strangers, and new friends. Try us!!!!

On the 20th, because the school will be closed, we will transport our dance hall to the Ontario Baptist Church and Chip Kellogg will be calling. Come and join us for an evening of good dancing!

A hurricane can level a building, but not a class (unless they're under it!)

All dance programs can be challenging, but try to challenge a level!

You can dance a Mainstream Program, but how do you dance a level?

A level is a carpenter's tool; a program is a dance term.

Triggers

To those of you who attend our 9th Annual Bunny Hop on March 3rd, you will be in for a treat. Calling for this dance will be the fabulous Hip Boot Boys. This dance is open to all class and club members so come on down to Westridge School, 200 Alcott Road in Greece and enjoy the calling and clowning of the Hip Boot Boys.

Beginning March 10th and for the rest of this dance season, the guest donations at the Triggers will be reduced to \$3.00 per couple.

Wishing a speedy recovery to Russ Phillips who slipped and broke his foot. Last year at this time, his wife Carol, was recovering from a broken ankle. Such luck. Also wishing a quick return to dancing to Peg Huss who recently underwent eye surgery.

ROUNDS

With the month of March we say "goodbye" to Winter and say "hello" to Spring. Because of the three week honeymoon of Mark and Marlene, we welcome the return to dancing and hope all of you share the same enthusiasm after our brief hiatus.

The highlight on the teaching agenda for March is a dance entitled "Days of Wine and Roses." Like most of the material we have been exposed to lately, this dance has been well received at all weekend festivals in the U.S. and Canada.

Our Saturday dances will resume again this month with the first one scheduled for March 28th. All levels are cued and everyone in attendance has a good time. Perhaps you would like to be exposed to round dancing at a phase higher than you are doing now. There is no better opportunity available to accomplish this than by dropping in sometime and giving it a try. Everyone is welcome as we desire to spread the word of Round Dancing to every corner of the activity.

Until next month, stay well; keep smiling; and "may your feet forever be in a dancing mode."

Warm greetings to all in the dance community. By the time you read this our leaders, Mark Thone and Marlene Henrie will have been Mark and Marlene Thone for at least two weeks. Although we regret the three-week lapse in our dance schedule, our hearts and our best wishes are with them as they honeymoon in warmer climates. We expect to resume our normal program of every Sunday night from 8:00-10:30 on March 8, 1992. In addition, we're offering a Saturday Nite Round Dance Party on March 28th. Our Saturday parties are designed to give everyone a full evening of fun and dancing pleasure, and most can dance at least three, if not four, out of any tip of five dances. Hospitality is open all night with many munchies and a variety of soft drinks. There is a request sheet and Mark tries to please everyone. Some couples come from as far as Syracuse and Elmira. These dances are held at the United Methodist Church of West Webster at 570 Old Ridge Road!

From the middle of December to the latter part of January we worked on learning and polishing the feather and weave figures which, thanks to Mark's patience, we have all become proficient with. We look forward to incorporating our new skills into the many dances that Mark and Marlene will be teaching us in the near future.

So come one, come all--you're cordially invited to join us and share in our enjoyment of fun and dancing.

Spring is just around the corner. Time to start thinking flowers and mowing the lawn. We hope you all had a good winter. Time flies when you are having fun.

Our New Year's Eve party was a great success. We hope all our guests had a good time. Thanks to all of you who made it so nice--you did a lot of work.

Nick and Fran Haldoupis did a wonderful job at our Beginners Ball. We would like to thank them and their committee. Glad to see all the class members so gung-ho about square dancing.

March 13th is our St. Patrick's Dance with O'Herne and O'Saintey calling and cuing--it is always a fun time. Don and Lyn O'Kwarta are in charge of this dance.

By now some of our snow birds have come back to their nests. Hope you all had a good time in the sun. See you on the dance floor.

Spring is just around the corner--so they say. It hasn't been that bad a winter, has it?

Anyway, we've had a good time dancing. Our Valentine's Day Dance was a lot of fun, with the hall decorated in red hearts and white lace. We all had more than enough to eat at the "Potluck" supper. Thanks to Ginny and Al Kalin and Kris and Art Martz for a fantastic party.

This month is another party, to honor St. Patrick and Mike Callahan. On the twelfth we're having another Potluck supper for the club with open dancing at 8:15. We're also going to have a silent auction to exchange some treasures and pick up a little green.

There is a sense of renewed enthusiasm in the club that goes along with our cozy new location. We always have several visitors from many different clubs. We have a lot of fun!

Come dance with us.

We are looking forward to our annual Winter Picnic on March 14th at Braddocks Bay Park. Everybody is required to bring a can of soup, a dish to pass and their own table service. We all had such a good time last year at this event. For lunch we mixed all the cans of soup together. It was the most delicious soup I ever tasted.

We will be serving hots and hamburgers with your dish to pass for supper. This is a very nice way to end the winter.

We hope to get a large group of people to go to King of Prussia the weekend of March 27, 28, and 29. This event is sponsored by the Bo's and B's. If we get enough people we can charter a bus.

Cloverleaf Squares is always busy with new activities so please check our information number at any time for information and specific details on all our latest events.

Country Twirlers

It's March, time to review the seed catalogs and make a decision as to what we should be planting in our gardens this spring. The big question will be, what do the woodchucks like the best. We can also give thanks that in a couple of more weeks, we can put away the snowblower and start to get the Rototiller in shape.

March is also going to bring us a fine mix of callers and cuers for our dancing pleasure. Mike Callahan, with Bob Slomcenski, will kick off the first dance of the month followed by Gary and Alice. March 21st will be the last time that you will be able to dance to Tim Crawford's calling this season. Don't miss it. Gary and Alice will wind up the month on the 28th.

Spring is coming and Ed and Millie Briggs will be hard at work to make sure that the Country Twirlers campout will run very smooth. Ed and Millie Briggs graduated and joined Country Twirlers in the spring of '69. Ed and Millie served as Vice Presidents in 1970 and again in 1978--they were Presidents in 1978. Ed and Millie have done yeoman service for the club through the years.

Our visit to the Spencerport Nursing Home last February 11th was all we expected of this lively group. George Burch had chosen a medley of different rhythms to entertain the residents and they seemed to enjoy all of them.

They especially liked the lively tunes-- it gets them toe tapping, so we had them join us in a few dances. George picked "Yakety Bump" and "The Lion Sleeps Tonight" and it brought a lot of laughs and fun for all of us. We hope we gave their day a little lift because they certainly gave ours one.

We have been enjoying a newcomer to our group, namely Ruth Beeman. She is a nice addition to the club and we all welcome her. Ruth will soon see that it's not all dancing on Thursday afternoon, there's a break for "goodies". One of the best "goodie bringers" is Nellie Santelli. She makes, among other things, one great pizzelle. Thanks Nellie-- they're great.

March brings us to St. Patrick's Day and we wish a happy one to all the clubs and if you're dancing that day, "think green".

Promenading B's

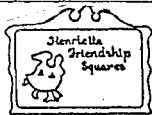

We are coasting along at the Bee-hive, with lots of enthusiasm at our dances. The special weekend at the Watson Homestead was a wintry blast for all who attended with good FOOD, good lodging and really good DANCING. Sorry for those who missed it. At our Valentine's Day club dance, a lucky couple were chosen to reign as King and Queen for the year. This is a special honor also with special privileges and duties. It was fun for all.

It is so nice to go visit other clubs and join with them in celebrating their special dances. We really enjoyed the BEACH PARTY at the Glass Slippers not so long ago.

Promenading Bee's are sponsoring their annual **BLACK LIGHT DANCE** on Saturday March 28, 1992, at Byron-Bergen High School. Its located on the corner of Route 262 and West Bergen Rd.--so come on out and socialize with other clubs for an evening of excitement and a little Mystery when those hands are aglow with the lights dimmed. Time 7:30-11:00 PM. See you then.

During March we have our regular club dance on the 4th of March. On March 11th is our St. Patrick's Dance and we have invited Lima Grand Squares to join us. There will be a brief officers meeting on March 11th--7:30 to 8:00 PM.

On March 20th (Friday night) we will have a mystery dance with the Promenading B's starting at 8:00 PM at Byron Bergen Middle School, across from the Gilliam Grand Center, off Route 261--four miles out of Bergen on the left side. We hope many club members will join us with the B's for a Friday night of dancing.

We will not be dancing on March 18th due to this Friday event. Also, here is advance notice that we are welcoming a guest caller on April 15th. He is Ben McGilvery and has just returned to Rochester after spending some years calling in Saudi Arabia. Plan to join us on April 15th to hear Ben call for the evening.

I goofed in the last issue by not mentioning our annual change of officers. We thank Gerry and Howie Borden, our outgoing Presidents, for all their time and effort to ensure a great year of dancing. Forty-three club members gathered at Agatina's on February 8th for an appreciation dinner. Manny and Ellie Schwartz are back for another stint as Presidents and will be ably assisted by: Joe and Lena Kane (Vice Presidents); Ed and Marita Fredette and Frank and Florence Whitty (Treasurers); Mac MacDonald and Jane Schuth (Financial Secretaries); John and Kay Zierle (Secretaries) and the rest of the board members.

We opened up the new year with a memorable New Year's Dinner Dance at the Redmen's Club. Although the numbers weren't as expected, those that attended had a great time. Many thanks to Mark and Judy Devaney and their committee who worked so hard to ensure a fun evening.

Tim Crawford braved a snowy evening (January 24th) and made it in from Hamilton, Ontario just in time for the first tip. Tim didn't have time for dinner, so galloping gourmet Giuseppe Kane had to whip up a quick entree so that Tim had enough energy to call for us. We danced in the big hall and had an entertaining night (guys just love to dance with other guys.)

By a unanimous vote at our last board meeting, Mark and Marlene Thone were elected club cuers.

Don't forget Friday the 13th when another Canadian, Geoff Ford, joins us for our St. Patrick's Dance. Put on the green, join us and you may even get a glimpse of the cutest leprechauns that you've ever seen.

Our deepest sympathy to Nancy Jennings, our Vice President, for the loss of her husband, Charles, on January 25th. He will surely be missed.

On March 2nd we will celebrate the 2nd anniversary of our name change from Swinging Singles to Lilac Squares. We are still a singles-couples club, as always, and this dance will be a class-club affair and classes from other clubs are invited to join us.

Are those green outfits ready for our St. Patrick's Day celebration on Monday, March 16th?

March 30th will be a Hot Dog Roast at 6:00 PM so the class can join us for dinner and still have their class at 6:30. More information will be available at a later date as to the rest of the meal.

We always look forward to having guests with us so we are inviting Village Squares and Triggers to join us on Monday, April 6th.

Our classes are on Mondays at 6:30 for the class and 8:00-10:30 for the club with Jerry and Betty Carmen calling squares and cuing rounds at the Penfield Baptist Church.

Red certainly dominated our Valentine Dance--costumes, decorations and food, all adding to the ambiance of the evening. Put that together with Mike Callahan calling and George Burch cuing--a good time was had by all.

With March winds blowing, the smell of spring must be just around the corner. Mike Callahan and George Burch will do their best to help you get rid of cabin fever with the Copy Cats on Saturday, March 14th and Chip Kellogg will help George on March 28th at our usual spot on East Avenue in East Rochester. We're looking forward to dancing with you.

Our men are honing their culinary skills for the Dessert Social/Swap-Around April 11th--another class club dance. This is a perfect opportunity to get some treasures for your home, and for your class members to have a chance to dance to the fun loving Mike Herne.

The quilting coming in is spectacular and most appreciated. I hope you are having as good a time with it as I am. Any questions, call me at 315-482-4970.
