Thanksgiving

ROCHESTER AREA FEDERATION OF WESTERN ROUND AND SQUARE DANCE CLUBS INC.

from the Editor's Desk

It's time to give thanks once again during this season when we sit down to our dinner tables and celebrate this wonderful season with our family and friends. We hope your Thanksgiving is a blessed and joyous one.

Reporters, remember that the next issue is due November 1st and is a combined issue for December/January. Your club news should reflect two months of schedules, news, and advertisements.

We hope that Open Houses went well and all clubs were blessed with many new prospective dancers for the 1993 season.

The Promenader hopes to get a new look by the first of the year--a sewing column and a recipe column. We have found two dedicated dancers who are willing to take on this task. We welcome and thank them both!

FEDERATION MEETINGS

Meetings are held at the Alpha Lutheran Church for the Deaf at 1969 Clinton Avenue South, starting at 7:30pm. Meetings are open, everybody welcome.

PRESIDENTS'

CORNER

ROCHESTER AREA FEDERATION

We were pleased to have 28 square dance couples at the exhibition dance the Federation had a Long Ridge Mall, September 12th. We were able to use the Mall at the last minute and tried to contact all Presidents to inform them of the occasion. We would like to thank Mike Callahan and Brian Adams for donating their time, to help us promote Square and Round Dancing.

Club Presidents should encourage all their Federation Representatives to attend the Federation meetings each month, so they can participate in discussions and decisions that are made.

We hope that all clubs were successful in getting enough people to form a class. If a club only has a few couples and cannot afford to have a class, why not check with other clubs to find the interested people a class so we will not lose potential square dancers.

Let the Federation know when your club is having an exhibition dance, so a list can be compiled, and other clubs can help your club in the promotion of Square Dancing in your area.

May everyone have a happy Thanksgiving!

DANCING TIPS

WHAT IS A BEGINNER? Beginner square dancers come in assorted sizes and varying ages. One could be a portly grandfather and another the skinny kid next door. Most of the males are good looking and all of the females are pretty. Some beginners take up square dancing to stop being pestered by their friends, even though they know it isn't for them. However they are good enough sports to admit they were wrong.

A beginner still thinks his caller is wonderful, never objects to taking his turn at kitchen duty, considers a visit to another club an outstanding event and finds an evening of square dancing for a couple of dollars is a bargain.

If his square breaks down, a beginner will often apologize rather than start telling the other seven people where they went wrong. Most beginners confess that they have one disability--two left feet. Oddly enough, they do not seem to notice that this is offset by their two right hands...Both handicaps disappear around the twelfth lesson.

A beginner is old-fashioned. He thinks he should attend class as regularly as possible, arrive on time and stop talking when the caller is explaining something. A beginner has the enthusiasm of a press agent, the dedication of the Pony Express, the spontaneity of a surprise party and the eagerness of a puppy...A beginner was no doubt the original inspiration for the expression--"SQUARE DANCERS ARE NICE PEOPLE".

A View From the Square

There are very few feelings worse than the ones you get when you join three other couples in a square, and the dancers already there either frown, glare at you silently, or have no greeting for you at all. The only worse situation is when you are one of the first two couples in a square, and you hold up your fingers for one or two more couples, and dancers walk through your square in order to square up somewhere else, or leave the floor rather than square up with you.

I have often seen three couples be forced to leave the floor and skip a tip, even though there are five or six couples sitting apathetically on the sidelines. Sometimes, if you are not a round dancer, you don't have a prayer in the world of getting into a square, when the rounds end. You and your partner took the time and trouble to come to the dance, you paid the entry fee, and therefore you have a *right* to dance.

Most advanced and challenge dances use a "number" system to ensure that no couple sits out too many times, and that each couple dances with as many different couples as possible. The system works as follows: each couple receives a number as they pay the dance fee. Then before each tip, the caller announces or displays a letter, and the dancers consult a chart, to find out where they dance based on the letter and their couple number. These systems are flexible enough to handle the cases where a couple comes in late or leaves early.

There are variations to the number system that allow "free" tips, so that dancers may choose to dance with specific couples during the dance. A club might have the first and last tips of a dance designated as "free" or "open" (no number system) to allow dancers to rest or join their friends in a square. Another flavor of the system is to have one tip off the numbers followed by two tips on the numbers.

This number philosophy can cure your club of experienced dancers locking recently graduated dancers out of their square. It can help shy, under-confident couples to be paired up with those who can demonstrate competent dancing skills. In larger clubs, the number system introduces couples that would never have made contact otherwise.

In an effort to take the "black art" aspect out of square dancing, callers should be more helpful with instructions in a squared set situation. If the call is *heads right and left thru*, there is no specific rule (just vague tradition), as to whether the heads should stay in the middle or not. Better callers are using wording such as, "heads dance into the middle and do a right and left thru, and then back away." That way there can be no confusion as to the state of the square following the call. This also allows *right and left thru* from a squared set to be defined exactly as it is done from facing lines, or from an eight chain thru setup. This makes calls simpler and more fun to learn.

LETTERS TO THE EDITOR

I have to disagree with Ron Ehrlich's opinion that a recent "Promenader" ad that advertised a dance "for couples" was in poor taste. Square and round dancing is a couples activity. I know of no club in this area that does not welcome singles to their dances as long as they have a partner for the dance. There is nothing worse for a single person than to come to a dance, pay the admission donation for the dance, and then have to sit on the sidelines for the evening because everyone else has a partner. For the single person with no partner, there are two great singles clubs in this area: Lilac Squares and Cloverleaf Squares.

-Submitted by Mike Callahan

I quite agree with Mike Callahan's comments on single dancers. I believe that club members feel a certain amount of resentment at a lone single at a club dance who sits on the sidelines and, by his or her presence, tries to put the blame on them for not furnishing a partner.

Mike did forget to mention another club for singles, even though he calls for it himself: the Silver Squares. Admittedly it is limited to those who have the time to dance on Monday afternoons.

On another tack, I don't think much of the idea of singles asking the management of conventions and festivals to provide a special ribbon or badge. My suggestion is that the national singles' organizations should adopt a permanent "SOLO" badge that each dancer would buy for himself/herself, and wear on any suitable occasion. Following the comments by Carolyn Hebblethwaite in the Cayuga Cutups column, such a badge might also have a mark to identify those who can dance the part of the opposite sex.

-submitted by Orlo Hoadley

When Ron Ehrlich lambasted a local club advertising a dance "for couples" in his column in the October issue, I had to look it up in the September issue. It sounded like unmarried people were specifically excluded. It turned out to be an announcement of a workshop by a club that caters to couples (which most clubs do). If Ron thought the ad meant you had to be married and attend with your spouse, he has a point. If he interpreted it, as I did, as meaning people had to have a partner to attend, I think his comment was out of line and unfair and he owes an apology to the club he doubtlessly offended.

To begin with, square dancing is regarded as a couples activity; that is, a partner is needed to participate. Nowhere did it state that singles with a partner were not welcome. In fact, other than one geared to singles, I consider it thoughtless and inconsiderate for an individual to go solo unannounced to any club function, and expect the club to provide a partner. It certainly isn't realistic for someone to go to such a dance and hope there will be someone there for them. This applies especially to a progressive workshop where continuity of participation is necessary. People who attend couples club dances as a solo (and there are many of them) have an understanding with the club and that detail is worked out by mutual agreement.

As a single college student and member of the university square dance club many years ago, we came to our own dance as solos, but we never thought of attending an outside dance unless we had partners.

Most clubs advertise their dance fees (or donations if you prefer) by the couple. Many, if not most, restrict their membership to couples. Whether clubs should open their memberships to solo dancers is another issue.

Shooting Stars

Well, depressing as it may be, Fall is really here, and that nasty white stuff can't be far behind. Luckily, we have that all-time favorite indoor hobby on which to rely--SQUARE(AND ROUND) DANCING!

We hope everyone had successful Open Houses and that the classes are going well. In our first ever attempt, we have an enthusiastic group of novices on Tuesday nights. They have varied backgrounds, varied abilities--but they all figure that if the caller got through, so can they!

Our 2nd Annual Turkey Dance is planned for Tues., November 10th. Both Mike Herne and Bill Saintley are "tuning up" their vocal chords, since this is our dance with the Merry Go Rounds round dance club. Come and join us for an evening of virtually continuous music. Full tips of rounds and squares alternating to give even the most avid dancer an evening full of fun and tired feet. So--get those turkey feathers ruffled and ready, and come join us Nov. 10 at 7:30!

Happy Anniversary to Dale and Charlie Nientimp and congrats on upcoming GRANDPARENTHOOD! A warm welcome back to Marge and Val Goreczny after a summer of "legs up" for Marge, and a big welcome back to Al & Maria Zinn, after a year of health problems on Maria's part. They're finding it's just like riding a bike--get back on--you don't forget a thing. It comes right back (or is that left back?)

In case you have lost us, we ARE at the Holmes Road School every Tuesday night: class at 6:30 and the club at 8:00. Please come and pay us a visit. The Copy Cats did, and somehow our banner was gone at the end of the dance. Hmmm. I wonder where it might be? See ya 'round a square.

CARMEN'S COLUMN

Chats on Square Dancing - PART 1

I was looking at a letter I sent to a new dancer a few years ago, and I happened to think that it might also be of interest to other dancers, especially those relatively new to the activity. It's rather long, so I have divided it into two parts.

Dear Will,

Seeing you Wednesday evening, I was finally able to associate your name with your face. My (poor) memory was jogged, and I decided it was time to sit down and reply to your letter which I really do appreciate you taking the time to write.

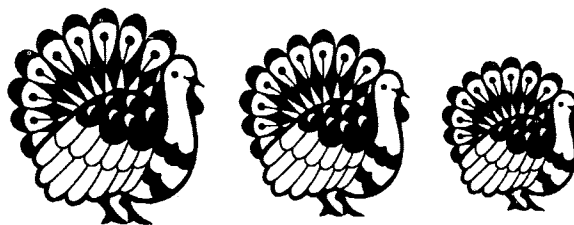

First let me say I'm impressed with the interest and perception you have shown so early in the process. You hit the nail on the head on several points and I'd like to reply in a clarifying manner to fill in missing blanks which you are probably not yet aware of. I am only providing you with information - not answers to problems.

NUMBERS OF SQUARE DANCERS: There are no exact numbers as to how many people square dance western style. What you hear is an extrapolation from various polls and compilations. Regardless of what the actual numbers are, it is generally agreed by CALLERLAB and those that are involved in the national scene that the numbers have decreased significantly in certain areas in recent years. Keep in mind that the greatest decreases are occurring in the populous east and west coasts and in large urban areas. It is in these areas where "plus" level dancing is dominant and mainstream dances are virtually non-existent. Strangely enough, the central states report their clubs as healthy as ever and claim (in general) that they do not have the problems with class sizes and membership retention that the other areas do. Most dancing (so I'm told) is mainstream with maybe a few plus calls included. They do not have large summer programs and workshops like we do. I suppose some conclusions can be drawn, and indeed, many have been. Here are a few reasons given for the reduction in numbers of square dancers:

Too much to learn ... Class length too long ... No good "entry level" program ... Club members unfriendly to new members - unwilling to help and encourage them ... Changing society - both partners working, high divorce rate, goals of society different than a decade ago ... Popularity of VCRs & home movies keep more people in (couch potatoes)

DANCER RETENTION: All the things you mention can come under a heading we call dancer retention. Each February the Rochester Federation and the Callers Co-op of Rochester (CCR) sponsor a seminar we call the Leadership Conference. For several years running, dancer retention was the main theme of the convention. Class length, quantity of material to be learned, attitude, courtesy, relationships of class, club, caller and club leadership, involvement of the Federation were all discussed in great detail with many good ideas and suggestions presented. The real problem, as it turns out, is not in deciding what's wrong and what to do about it. The real problem is in implementation, getting a diverse group with narrow goals to work together for the common good. Everyone to a person agreed what our problems were, but no one in sufficient numbers wanted to take the steps necessary to correct them. After several years of this, dancer attitude toward the Leadership Conference was, "if your going to talk about THAT again, I'm not going to come". Our attendance dropped accordingly, and we were forced to change the topics.

Continued next issue

Cayuga Cut-Ups

We have slipped from Spring right into Fall. Somewhere I have gotten this strange idea that we have four seasons. New York weather can be as trying as our political leaders.

Has anyone ever noticed that when you talk to someone about square dancing that they have this impression that square dancing is for "OLD FOLKS".

We have young blood in our class and club. I know that some people do not like dancing with the YOUNGER FOLKS (say age 10-14) because they fool around from time to time and do whatever kids do at that age. Well PEOPLE, these so-called "KIDS" are our way of keeping our clubs alive. Now if we can convince these "KIDS" that square dancing is not just for "OLD FOLKS", we will have it made.

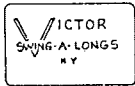

I have also noticed that not many clubs will accept singles unless you have a partner. Being a single myself, it makes me angry and disappointed that we are looked upon as outsiders. Some of us are single by choice; others are not. We do have a lot to offer. I have noticed singles are able to find and/or make time to help the club. Where some "couples" have a reason why they can't help out their club, I have taken it upon myself to learn the male part. Now I can help our club finish making that square by asking another single person to dance.

Thanks for letting me bend your ear. If you haven't noticed, it is election time. Please vote. If you don't vote, you have no right to complain.

Thanksgiving

Victor Swing-A-Longs

Our big event for November is our HARVEST DANCE with guest caller, Jerry Carmen. We invite you to join us from 7:30 to 10:00 for Mainstream, Plus, and Rounds.

We had a great time in October when several couples joined us for our Falling Leaves Dance as well as for our Halloween Ghost Dance. Our Banner Bandits were out in October too, and we have some nice new banners decorating our walls. We're looking forward to these clubs coming to visit us in Victor.

Sad to announce, our club was unable to generate enough interest for a class this Fall. It was disappointing, since so many of us spent hours stuffing flyers in paper boxes and advertising on TV, radio, and in newspapers. If any of you out there have any ideas for helping us locate all those potential Victor dancers, please let us know! We appreciated the enthusiasm of Jodi Mattice who had planned to teach the class, and felt sorry to have to cancel out.

Our location has changed from the carpeted floor of the Primary cafeteria to the tiled floor of the Junior High--same address on High St.--just a different building.

Our club caller, Mike Herne, will be workshopping with us each night from 7:30 to 8:00--anyone interested in this is welcome to join us.

HAPPY THANKSGIVING AND HAPPY DANCING TO EVERYONE!!

Boots 'N Slippers

Believe it or not, the Fall season is almost over! Once Thanksgiving comes, can Christmas be far behind? Unfortunately, most of our snowbirds have either left or are preparing to leave the "cold north". We'll miss you all, hope you have a good winter--keep on dancing!

Our class couples with Bob Meagher are making great strides. It's wonderful to have such a good group. Keep up the excellent work!

We have an exciting month planned. November 7th, Brian Adams will begin teaching "Texas Two-Step" from 7-8:30pm. He plans to follow up with more instruction on November 13th and 20th from 8-8:30pm. Don't forget, Mike Callahan is offering a refresher class each week at 7:00pm.

We are all looking forward to our DOUBLE FUN DANCE with Tecumseh Squares on November 13th (Friday the 13th) at the Greece Community Center. This should be quite a party! Join us for the fun!!

November 20th will be our Thanksgiving Dance and we're not sure what Les Kuhn has planned for all the "turkeys". We wish you all a blessed Thanksgiving.

See you on the dance floor.

Circul-8-tors

Happy Fall, everyone. The leaves have changed and now is the season to get back to square dancing.

The members of our group who took advantage of our yearly trip are now back from Branson. One and all had a good time. This is one of the advantages of the Circul-8-tors. Every year we have a trip; one year a long one, and the next year a short one. This is a great way to be with your square dancing friends and travel too. All this, along with great dancing with great callers and cuers, and great friends also.

We had a great time at our October 18th dance at the Penn Yan Grange Hall. It was our first Open House of the year. Jerry and Betty Carmen put us through our paces. After the short meeting, a group of us went out to dinner at a local restaurant.

Our next dance is on November 15th at the Covenant United Methodist Church at Culver and Parsells. Note, this is a new location for the Circul-8-tors. This is another Open House and all non-members are invited to attend as our guests. Chip Kellogg will be our caller that day, and Dottie and Jerry Reed the cuers. Come and join us to dance and see what a nice, friendly club we are. See you then.

ROUND TOWNERS

November is again a month with fun and games galore. We're dancing every Sunday night, and then there's even more. On Saturday the 21st we'll have a Round Dance Party--at Webster Covenant United Church--so if you are a smartie, you'll show up there at 8:00 o'clock bright-eyed and bushy-tailed. And dance until 10:30 or till all the others fail. It really isn't difficult--it's phases II through V. I know that, when it's finished, you'll be glad you're alive.

Oh well, you know it's all in fun, and that's what we're about. We need the chance to sing and dance and let our feelings out.

December 6th is a dinner dance and my, how time doth fly. It will be here before you know, so make your plans right now, to be with us on Sunday--then reserve and don't be slow. It's at the Green Lantern, starts at two and ends at ten. It only happens once a year, so come and bring your friends. Dick and Shirley, as you know, I've penned this just for you. So I sure hope that you will do the best that you can do to get yourselves to Fairport and join this swell affair, and dance with all your loving friends--you know we'll all be there. So polish up your dancing shoes and wax the soles and heels. And get prepared to do those flares and fans and dips and wheels.

And now, I've told you all about the way November looks. Get out and have a lot of fun! Don't waste it reading books! Let's make November 1992 the best round dance month ever.

Dancing Shadows

Dancing Shadows is an Easy Level Round Dance Club and meets every Monday evening at the United Methodist Church, 570 Old Ridge Road, West Webster. (See schedule in back for specific dates.) We dance at the Phase II level from 8:30pm-10:30pm.

PLEASE NOTE: From 7:30-8:30pm, immediately preceding the regular club dance program, there is an Intermediate Clinic, where the emphasis is on Phase III rhythms and figures. This clinic started on September 14th and is open to anyone who is interested in brushing up on their Phase III basics. We expect the clinic sessions to continue into May '93, giving us plenty of time to cover the basic of Rumba, Cha, Jive, Tango, Waltz, and Foxtrot.

The door donation for the entire evening (7:30-10:30) will be \$6.00. If you are not interested in the clinic, but wish to dance club level from 8:30-10:30, the door donation is \$5.00.

We are looking forward to the "Holiday Round Up" Dinner Dance on Sunday, December 6th from 2:00pm-10:00pm at the Green Lantern in Fairport. This is a Phase II, III, IV dance being planned by Jerri and Bill Saintey and Marlene and Mark Thone. Watch for flyers and plan to join us. (See separate ad in this issue for details.)

Friendship Squares of Geneva

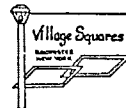

Class dancers are invited to our Class/Club dance and fashion show to be held Friday night, November 6th at 8:00pm at our usual dance location--West Street School in Geneva, NY. Fill up a car and let them learn to travel and hear another caller, our own Dick Schweitzer. Find West Street on 5 & 20 very near Arby's. go north past three stop signs to reach the school.

Ken Ritucci will journey from West Springfield, Mass. to be the featured caller for our Sunday afternoon dance on November 8th from 2 to 5pm at DeSales High School in Geneva NY. The popular team of Dottie and Jerry Reed from Newark NY will lead a round dance party starting at 1:30pm and between square dance tips. Ritucci stepped in at almost the last moment a year ago for our Watkins Glen dance when Red Bates could not come, and did a superb job for us. We are sure you will enjoy his calling. He has also called for the Cayuga Cut-Ups this past summer. See our ad in this issue for details.

Fantastically colored mini hot-air-balloon decorations set a happy tone for our "Up, Up, and Away" dance weekend in Watkins Glen in September, and the rain came only after all campers were safely tucked in bed Friday night. We think everyone had a wonderful time and look forward to next September's dance.

Village Squares

The faces of your reporters are red. We anticipated a large turnout for our Open House in September and reported in the October Club News that our Open House "was a smashing success". Enough of "crystal ball" reporting. As it turns out, we had fewer than four prospective new couples attend. However, as we write this column, Rita and Ken Tucker and others are searching for new dancers. We may yet have a new class.

By the time you read this column, this year's Halloween Dance will be history. We're confident the costumes were either interesting, spooky, or not so spooky. It is safe to predict that Jerry Carmen called, as usual, a dance that was enjoyed by all. Our special dance in November is the Pilgrim Dance on November 18th. Be sure to attend. There will be turkeys given away. Be sure to get your ticket--you never know!

Our club gave a demonstration dance at Crest Manor Nursing Home on October 15th. Will Herzog called.

Just a reminder: there will be no dance on the 25th of November because of the long Thanksgiving weekend. Have a happy Thanksgiving. But, please don't overdo that turkey dinner.

See you on the dance floor. Keep smiling!

Silver Squares

Our new season is off to a good start. We are always happy to receive new members, so if you are 55 or older, singles or couples, come dance with us every Monday afternoon from 1-3pm. Mike Callahan calls Mainstream and some Plus.

We hear Bob Wahl and his wife Ann may return to Rochester. We will welcome them back to Silver Squares. Lou Stoltz is recuperating from back surgery so we hope she and Al will soon be back dancing again. Sally Alpaugh is back from a trip to Nashville--she had a grand time.

Happy Thanksgiving everyone!

Web Spinners

September 12th was one of the best Sunny Saturdays we had this year and two squares of Web Spinners danced and distributed flyers at the Ontario Heritage Days Fair, after which all dancers were given complimentary lunch tickets.

Our 25th Anniversary Dance on October 9th was well attended and our Halloween Dance on October 30th was a smashing success, thanks to Tom and Sunday Hyder and their committee.

We are starting this year's class with seven new couples. So we will need Angels for sure. Please let Don or Lin Kwarta know when you are available.

All advanced orders for the Promenader have been processed, but if you call, you may still be able to subscribe for this year.

All the Board members wish each of you a Happy Thanksgiving and hope to dance in your square on December 4th.

Wayne Westerners

Our new class is doing very well. Both the new couples and the angels are having fun. We want to thank Lois VanDerlinde for all the hard work she is doing coordinating the class.

Jim & Jeanne Johnson are working on our banner stealing strategy--so all you other clubs, beware. This year we plan to have a traveling square bringing back some trophy banners to display on our Wayne Westerner wall of fame.

It wouldn't be right if we didn't take some time during this month to say THANKS.

Thanks to all the couples in our club and other clubs who come to dance with us.

Thanks to our officers who work at planning the calendar for the rest of us to enjoy.

Thanks to the many volunteer hours of our members who willingly pitch in and make it all happen.

Thanks to our new couples who bring new life, new enthusiasm, and new friendships.

Thanks to our callers and cuers who help us to have fun dancing every week.

Thanks to the Rochester Area Federation and to Callerlab for your leadership.

We wish all of you a Happy Thanksgiving.

Tecumseh Squares

As usual, we started off our 1992-93 season in grand style with our Welcome Back Pot Luck Dinner/Dance that included a ton of great food. Thanks to the Ham-lins and their committee for a job well done. It seems that some unknown short person went out of their way to insure that Audrey Miller was comfortable at the dinner table--as Aud seated herself. She was quite surprised by the booster seat on her chair.

Although the turnout at the Jerry Story dance was disappointing to say the least, those that attended were treated to a series of entertaining tips. Thanks to the Kanes and their committee for a fantastic job. The decoration crew under the direction of the Bordens and the refreshment crew, headed by the Devaneys, did a super job. Thanks also to the new committee faces, the Mc Atees and Stermans for their help. Many thanks also to Bruce for the installation and use of his sound equipment.

We hope that you will join us for the special dance on the 13th at the Greece Community Center. We have joined forces with Boots 'N Slippers to bring you Bruce Shaw, Mike Callahan, Bryan Adams and Mark Thone together on the same evening for your dancing pleasure.

Triggers

The Triggers have settled in at our new hall. We're now happily dancing at English Village School. This is the same place that for many years was home to our classes.

Everyone had a wonderful time at our Halloween-Octoberfest. It was fun for all and a great way to see our square-dancing friends enjoying themselves. Thanks to all who participated and for the delicious food.

Sure is nice to have Paulette Bo back dancing after recovering from a very serious elbow injury suffered in a fall during the summer. Renee Deckard is home recuperating from extensive surgery. Hurry and get well, Renee--we miss you and Bob in our square. Peg Huss is hobbling around after some surgery on her foot.

Keep December 1st open for our "Pie in Your Eye Night". This is sure to be a fun night for all.

Finger Lakes Squares

Here we are at turkey time again. Finger Lakes Squares have been having good turnouts on Thursday nights. It's nice to see the Newark dancers back. We're trying to keep them under control. Hi Gene!

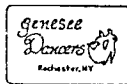

Sounds like a good time was had by all at the New York State Festival.

Maybe Jean Roberts will be back dancing by the time you read this. We miss Jean and Dave. If she gets real good on those crutches, Cliff and Jean can have a race or perhaps play that new game, Sequence.

Bob Stern is hosting a Caribbean cruise in February '93--if interested contact Bob. Also he is starting a C1 class in Cicero NY on Monday nights.

Genesee Dancers

We are well into our Fall schedule. Our refresher course is enjoying having 10 couples refresh their memories. They all seem to be doing a fine job and we hope they'll be future members of our great club.

Our Halloweenie Roast was a big success. Everyone got their fill of red and white hots, enough to last until next summer's picnics.

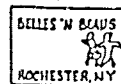

Our Turkey Trot Dance is November 19th. Everyone is invited to join us for an evening of dancing. We will have five turkeys for five lucky couples to take home.

Our nominating committee is hard at work getting new officers for 1993.

A plus for subscribing to and reading the **Prom-nader** happened to me a few weeks ago. A grade school friend called me--she recognized my name as the reporter for the Genesee Dancers. She and I had lost touch for about 20 years. We had a nice visit catching up on old friends and relatives. Marie is a member of the Cloverleaf Squares. We hope to square up with you real soon on the dance floor.

The club's open house was well attended and we are looking forward to having another successful class this year. The club welcomes you new dancers to a fun year. So club members, why not be an "angel" and join the class on Wednesday nights and welcome our new dancers.

The Steak Roast held September 27th was a huge success, with card playing, bocce ball, and great square dancing called by our own Mike Harris. Thanks to Stan & Arlene Kubasiewicz, Bob & Betty Heindl for coordinating and presenting a good time for all.

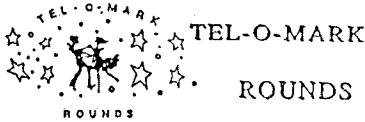

Wow! What a turnout for the "Texas Two-Step". It sure is meeting our expectations. Our thanks to Mike and Jodie for a swell job of teaching. I think I will make it this year, Mikel!!

Guest Night will be November 16th. Let's welcome them to a good time. Our Turkey Dance is November 23rd.

Welcome back Sam & Beryl Incardone after your illness. Fran Tongue is recuperating fine from her auto accident. Glad to hear Lowell Burke is doing OK from his surgery.

There will be a Phase II and a Phase III teach in the afternoon, followed by a very nice buffet and easy level dancing in the evening. Promenading B's

Don't forget!! Friday, November 6th, at 6:30pm is the yummy, yummy Pot Luck Dinner at the PROMENADING B's. Bring your table service and a dish to pass for all to enjoy. We will be eating right on time so our new dancers can be excused from the table at 7 PM for their special time with Bob Schlenker, our caller. Club dancing starts at 8:30pm.

Our Annual Turkey Night will be Friday, November 20th. In addition to the turkeys which will be donated, you also will have an opportunity to take home other goodies to complete your menu for the Big Gobble Gobble Day. Remember, if you don't come, you won't have the opportunity to share in the Thanksgiving treats and have a great time dancing!

Miss May Bee is sad that we won't be dancing on Friday, November 27th. However, she does wish all dancers, new and experienced, a blessed and happy Turkey Day on the 26th.

We will be dancing on Friday, December 4th. It's "Blue" evening so don't forget to wear your blue outfit. Miss May Bee just loves the "blues" and hopes that Bob will be including her favorite singing call.

Take care, and hope to see you in a square.

The Ghost and Goblins that came to the Halloween dance had great costumes, even though some we were not sure of. Gary was his usual scary self, but we still had great fun and dancing. Jack Barnes did a great job guest calling for the club on October 16th.

It looks like everyone is now back into dancing. The classes are in full swing, and I am sure that the classes could use "ANGELS". If you can, please help. Our class starts at 7:00pm till 8:30pm. On November 6th, the club will have a night of "ALL SINGING CALLS"---hope to see you there. On November 20th we will have a guest caller. Bob Ellis will be calling for which I am sure will be a fun evening. On November 27th there will be no dancing because of THANKSGIVING.

Our Halloween Party was a spooktacular evening. Some folks wore costumes, some wore masks, and some just came to enjoy the fun, and of course, the delicious refreshments.

Coming up on November 4th is "Pie Night" with (I hope) lots of different kinds of pies, such as chocolate cream, apple, pumpkin. Also, it will be our pleasure to have the Promenading B's and the Batavia Silver Stars as our guests that night.

We are not dancing on the 11th or the 25th of November as they are both school holidays and the school is closed. However, on November 18th we are having a Sadie Hawkins Dance. I'm looking forward to this dance, as we are planning a few surprises for everyone.

Come and join us any Wednesday night for a FUN-tastic evening of round and square dancing starting at 8:30pm (our new class dances from 7:00pm until 8:30pm). Our caller is Bob Meagher and Nancy Fincher cues the round dancing.

September has been a busy, fun-filled month for the Copy Cats. We had the pleasure of entertaining the senior citizens at Hill Haven Nursing Home. We can be proud of the turnout for the Federation demo at Long Ridge Mall. Our Rusty Hinge dance kicked off the season with a great success. Jody Mattice is teaching the Texas Two-Step at 7:30. We had a large turnout with a lot of fun.

At our September 26th dance, we welcomed Chip Kellogg as guest caller and many guest dancers.

November 14th is our special Turkey Party and Veterans Day Dance.

Guest dancers from Web Spinners and Belles 'N Beaus are invited to our November 28th dance. That night we will be dancing to guest cuer Mike Herne.

OLYMPIC OPENING CEREMONIES

Saturday, July 25, 1992
Barcelona, Spain

Among the many beautiful contemporary events was an extensive rendition of Spain's famous Flamenco dance, beautifully performed by unparalleled professionals. No doubt applauded generously by all viewers. The audience must have numbered in the billions. This brings our attention to a speculative thought' for the 1996 games scheduled for Atlanta, Georgia.

Since at least 17 states have officially adopted **SQUARE DANCING** as their folk dance, optimistically many more will soon accomplish the same, thus giving additional impetus to the nationwide drive to establish **SQUARE DANCING** as the National Folk Dance. With this in mind, why not begin now to establish **SQUARE DANCING** as the official dance of the 1996 Olympics? Just think of the impact this could have, and the celebrations that would take place, especially at the 44th and 45th National Square Dance Conventions scheduled for June 1995 and 1996.

YES! It's all possible. If the many devoted and dedicated square dancers will work together on this one project to get national recognition and then display our dance before the entire world! Lets put aside our personal egos and vanities and all pull together on this project. What do you say Square dancers? We can do it!!

Bill Crawford, Memphis

The above article was written by the editor of the Memphis Caller. He has requested that we reprint it and we have a special interest in doing so. We have been asked by the Legacy and USDA American Folk Dance Chairmen of the States, Frank and Helen Cavanaugh, to be Chairmen of the American Folk Dance of New York.

Over the past two years, we have been trying to find a legislator to sponsor a bill to make square dancing the American Folk Dance of New York State. There are currently 18 other states who have been successful in this endeavor. So far, after contacting many U.S. and State Senators, Assemblypersons, etc., we are still at a standstill.

Over 20 other states are working to attain this same goal. When all the states acknowledge, then we can go to Washington for permanent legislation to make square dancing the American Folk Dance of the USA. We feel that once this is accomplished, maybe we can get more bodies to join our ranks and promote square dancing. Please help us. If you know of someone who may have a political connection, please let us know--CONNECTIONS HELP!

And, when Election Day candidates emerge victorious, please contact your local legislator by letter or by phone and urge them to sponsor a bill to make square dancing the "American Folk Dance of New York." For further information, contact Jerry & Joan Sanford, 716-225-7246.

SQUARE DANCER

YOU

You may not think that the world needs you, but it does. For, you are unique, like no one that has ever been before or will come after. No one can speak with your voice, say your piece, smile your smile or shine your light. No one can take your place, for it is yours alone to fill. If you are not there to shine your light, who knows how many travelers will lose their way as they try to pass by your empty place in the darkness.

-Inspired by an old poem

The holidays are rolling around fast. We all look for something different to do with that leftover turkey. Here's a recipe you can try and it's always good on cold, gray days. And with ground turkey, calories and cholesterol are reduced!

Turkey Chili

1 1/2 lbs. ground turkey	1 medium onion
1 16 oz. can red kidney beans	2 cloves garlic
1 16 oz. can crushed tomatoes	1 tsp. chili powder
2 stalks finely chopped celery	1 tbsp. olive oil
1 medium green pepper, seeded and finely chopped	

In a heavy saucepan, heat olive oil and brown meat. Puree onion and garlic together in a blender, adding a little water to make it blend easily. Stir celery and green pepper into the turkey and add onion-garlic puree. Stir a scant teaspoon chili powder into the mixture and add tomatoes. Stir together and lower heat. Cover and simmer 20 to 30 minutes, stirring occasionally, and adding water if needed. Stir kidney beans into the chili and adjust seasoning. Cover and continue cooking 20 to 30 minutes longer.

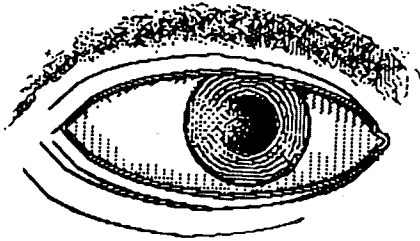

Garnish with fresh onion and chopped pepper. Serves 8. (Approximately 325 calories.)
