RESOLVED: To thank the club caller and cuer at the end of the dance for a job well done.

RESOLVED: To take an active part in promoting the fun and fellowship of square dancing.

PRESIDENTS' CORNER

ROCHESTER AREA FEDERATION

The meeting for all club Presidents and Vice Presidents was held at the cabin in Brighton Town Park on Sunday, October 18th. The meeting was preceded by a pot-luck supper. Educational material was distributed. The United Square Dancers of America publications "LEADERSHIP", which outlines the duties of all club officers, organization notebooks, help with solving club problems, explains about the corporation, and a great deal more helpful information. "TAKE THE FIRST STEP", the other publication, is a series of handouts for the class dancers to inform them about Square Dancing. Some of the subjects are: dress, the club, history, organizations, and courtesy. This book has a lot of information that all dancers would be interested in.

As Federation Presidents, we will be contacting each club to ask for an invitation to a dance for the Federation Officers so we may visit your club and meet its members.

Everyone's goal is to have more dancers, so if we all work together, clubs and dancers, we can reach this goal. With this thought, working together, let us all support Dance-O-Rama with our Ideas, Help, and Attendance! This is your dance. If we all support it and help by getting involved, we can make Dance-O-Rama a success and have FUN doing it!

The Federation Officers and Club Representatives discussed the use of the word "couples" in advertising. The final decision was that everyone, including the Singles Club Representative, was in unanimous agreement that the use of the word "couples" in advertising was not a problem or offensive;--that Square and Round Dancing is done by couples, and usually everyone goes to a dance as couples. Also everyone agreed that at times, there are exceptions.

May all of you have a Happy Holiday Season, and may the New Year be good to YOU!

IN MEMORIAM

Leland (Lee) Zilker, caller for The Dalton Gang, passed away on October 12, 1992. He was 58 years old. Lee had been a round and square dancer for 27 years. He was a member of the Friendship Swingers Club in Wellsville. Lee called for The Dalton Gang and the Cloverleaf Swingers 4H clubs for approximately four years. He was always willing to call for demonstrations at nursing homes, parades, campgrounds, and any occasion that kept people dancing and laughing. Lee will be missed by his many friends, multiplied by his dancing and calling activities. He always said that to make friends with a square dancer was to have a friend for life. How true.

Our condolences to the family of Bill Klein, former member of the Swingin' Eights. Bill passed away in October.

A View From the Square

When a dance ad states, "For Couples", this announces, pure and simple, "Stay away from this dance unless you bring a partner." I can see no other reasonable interpretation. If it is the policy of clubs in this area to confine dancers without partners to the three singles clubs, then let that be stated outright. This would mean that if a dancer lost their partner because of death, divorce, temporary or permanent disability, or whatever the circumstance, that dancer would be banished to the singles clubs.

Certainly, a dancer without a partner takes a chance that there will be exactly an even number of dancers in attendance. But then folks take turns dancing with this person, or the caller's spouse needs a partner, or dancers take turns sitting out tips. On myriad occasions, my wife and I have split up at a dance to accommodate a single. Callahan and Carmen state that, "square dancing is regarded as a couples activity." Horse feathers! Square dancing is an activity for sets of eight human beings, regardless of sex, race, color, belief, or sexual preference. The Great Orlo declares that a lone single at a dance is resented, that the club should not be expected to provide partners for singles. What is intrinsically wrong with dancers volunteering to pair off with a single who walks in off the street, unannounced? What do clubs fear, when they restrict membership to couples?

More than a dozen times, I have seen a man or woman who has lost their mate, be drawn out of a prolonged bereavement by attendance at square dancing at their original club: at the first several dances, they are understandably quiet, just testing the waters. Then they might stay home for several weeks. Then they start showing up on a more regular basis, perhaps smiling a little more, talking a little more. Eventually they realize that though life will never be the same, companionship is still enjoyable. It's none of my business why a person shows up at a dance without a partner; I will be more than happy to dance with any man, woman, or child that shows up at any dance.

Callerlab has struck again. The terms APD and DBD are now out of vogue. Callerlab has published a list of "Standard Positions" for every call. If the calls are given from any other position, then that dance is considered to be more difficult and is discouraged for normal Mainstream events. For example, a *swing thru* should be called only with men on the end of the wave and ladies in the center. This is really an intelligence - insulting policy. How many of you, class or club, would have problems with this: heads pass the ocean, heads swing thru, extend, all swing thru.

To repeat what has been said many times in this column: at each different dance callers should have the leeway to adjust dance degree of difficulty, up or down, based on observed competence of the dancers in that hall on that particular evening, so that the dancers are neither bored nor frustrated. Diane and I wish everyone a fantastic, healthy holiday season.-- Ron Ehrlich

LETTERS TO THE EDITOR

Again I have to take issue with Ron Ehrlich in his reference to the call RIGHT & LEFT THRU and "better callers". He states that "better callers" will tell the dancers to back away after calling RIGHT & LEFT THRU from a static square. Well, Ron, I hate to disappoint you, but "better callers" are those who give their dancers a better evening of fun than the next guy. This is determined by more than just precision of terminology. On the other hand, "better dancers" should know that in the case of calls like RIGHT & LEFT THRU and LADIES CHAIN, the call ends in the formation it started from UNLESS the next call dictates otherwise. Thus, HEADS RIGHT & LEFT THRU or HEADS TO THE RIGHT, RIGHT & LEFT THRU should always end in a squared up set. From facing lines of four, HEADS DIAGONALLY RIGHT & LEFT THRU will end in facing lines of four. Likewise, CONCENTRIC RIGHT & LEFT THRU will end in lines if started from lines and a starting double pass thru position if started that way. As a dancer, if I hear HEADS RIGHT & LEFT THRU, SIDES STAR THRU, as a head couple I will automatically back away. The problem Ron describes is inattentiveness and anticipation of the next call.

Jerry Carmen

Having read Ron Ehrlich's comments in "A View From the Square" for several months, not to mention the responses, I am convinced that he is providing a disservice to square dancing. Square dance leaders throughout the country work hard to promote this activity in a positive and constructive manner.

In my opinion, his remarks last Spring concerning a class that had learned some Plus calls prior to their graduation was out of line. I believe his remark about the caller being under house arrest and the students' diplomas confiscated, whether it was his idea of humor or not, was a totally inappropriate comment and not a proper forum for that complaint. Any new graduate reading this column might think that he/she had done something wrong. Several of the topics he has discussed in past columns are in my opinion, so inaccurate that he is guaranteed responses refuting his position.

I sincerely hope that Ron Ehrlich would concentrate on topics that promote square dancing without polarizing the square dance community. If his articles are intended to be controversial, let's make them constructive.

Lighten up Ron, and get with the program--think positive and promote the activity, don't drag it down.

Chats on Square Dancing - PART 2 Excerpts from a letter to a new dancer.

COMMENTS ON SOME OF YOUR PET PEEVES:

Apparent lack of uniform instruction program: CALLERLAB, again, issues lists of the various "programs" (lists of calls in each level) and a recommended teaching order. We, members of CCR, have agreed to follow the CALLERLAB recommended teaching order and each month we would do as you have suggested - inform the other members where we are with our classes. The problem is there are many "mavericks" around. That is, callers who are not members of the CCR and those who want to beat their own drum regardless of what others are doing. So any coordination that could exist is destroyed by other callers who want to do their own thing. In addition the CCR as a group has agreed that the class level dances should be used for dancers TO PRACTICE WHAT THEY HAVE LEARNED - not as a platform for callers to impress the dancers by introducing or using calls they haven't yet had. The teaching is supposed to be left to the dancers' own instructors, yet many callers, for some reason, feel they have to teach plus calls at a class dance.

Calls you learn but never hear again: It's true there are several calls or variations of calls that are rarely or never called by most callers. That is the choice each individual caller consciously or unconsciously makes in his programming. You probably have by now noticed that calls you never hear from one caller you hear quite frequently from another. The point I'm trying to make, is while not all callers use all the calls available to them, all calls are used (on a nationwide basis) when you consider callers as a group. This is the advantage of branching out and dancing to different callers when you have the opportunity. You get variety in the way the calls are used as well as exposure to calls you do not hear frequently from your club caller. As a rule, no caller uses all the calls available at each dance, but all callers should, I believe, use them during the course of the dance season. In spite of what I have just said, I know I am guilty of neglecting some calls, and that is an oversight in my programming. All the lists of calls are subject to revision every few years, and eventually, some calls which are not used for whatever reason get deleted and new ones added. Once again, I repeat, to get variety you should dance to different callers.

Recovering from breakdowns: There is a standard way suggested by CALLERLAB to teach dancers how to recover from breakdowns. I include it in my program, but apparently other callers do not, or use a different method. This is at each individual callers discretion as is evidenced by your experiences. Callers have a wide range of freedom in deciding what they will and will not include in the class programs. Most, I believe, will change their programs to accommodate what the board of directors wants included or deleted.

About Quarterly Selections such as CLOVERFLOW, GRAND SWEEP: Every three months a CALLERLAB committee of callers nationwide vote on and choose calls that are RECOMMENDED to be workshopped at club dances. The purpose is to provide dancers to exposure to the same calls in the same time frame to provide uniformity as to which new calls the dancers are exposed to. These calls can be used at each caller's discretion, but are supposed to be reviewed and walked through at EACH DANCE before they are used. It is not the intent to add them to the dancer's repertoire. Consequently, you may dance the call for an evening and not hear it again. However, if the callers decides to use it another evening, there should be a walk-thru first.

Changing terminology from caller to caller such as STEP TO A WAVE before SWING THRU: Again, each caller has his own way of presenting calls and the way he uses them. It may be done subconsciously (habit), to help in timing, or an attempt to help the dancers get through the pattern. Some uses, like the example you mentioned, are redundant because the definition requires you to make a right-handed wave first if the call is given when two couples are facing. Then again, the uses reflect back to the callers education and his individual knowledge of the calls and how they are used. Like a dancer, if the caller has never heard it any other way, he may not be aware how else it can be used. In the case of Jon, I suspect it is a combination of habit and his desire to help the dancer execute the pattern. This is another case for dancing to different callers.

Well, Will, I've been long-winded enough and I hope I have replied satisfactorily to your queries and concerns. I wish you a long, fun-filled experience in square dancing. I also hope you keep your eye on the main goal of the square dance experience and that's FUN & FRIENDSHIP. Always try to help your neighbor, be sympathetic to those less accomplished than yourself, get the team spirit, and never, never place perfect execution of the square above the feelings of your fellow dancers. The spirit in which we dance should be more important than what we dance.

See you in a square,

Jerry

Lima Grand Squares

Well, the Thanksgiving holiday is over and now we start with the Christmas holiday. I hope that you did not eat too much turkey, all the trimmings, or the great pies that are all part of the Thanksgiving dinners. If you did, it would be wise to get some exercise, and what better exercise than square dancing. Our December dances are December 04 and 11. We will be having a Christmas Dinner Dance on December 18. Dinner will start at 7:00pm--please bring a dish to pass and, most important, your table service. Dancing will start at 8:30pm with Santa's helpers, Gary and Alice Bubel calling and cuing, for a great night of holiday joy. Anyone who wishes may bring a gift to exchange--we ask that it be a \$5.00 value. There will be NO DANCE on 12/25 as Santa, I'm sure, will be bringing all good little square dancers some special presents. On December 31 we will hold our New Year's Eve Dance. It will start at 9:00pm with Gary and Alice calling and cuing til the midnight hour, followed by a midnight brunch. RESERVATIONS ARE REQUIRED--please call (716)624-1989 by 12/23/92. Donation per couple is \$12.00.

Are you tired of dressing up? Take a break and attend our Casual Nite on January 8th at 8:30pm. Come dressed in whatever you are comfortable in for an easy night of dancing. On January 15 we will have an outstanding guest caller in Jerry Carmen. Come out and dance with us.

We will be holding our Annual "HAWAIIAN LUAU DANCE" on January 22. If you have ever attended this in the past, you know what a great time this is. You will see all kinds of grass skirts and not just on the females. Also with muumuus and brightly flowered shirts on many others. Make an effort to come to "SUNNY" Lima where the tropical breezes blow. We encourage all, if you have a grass skirt, muumuus, or bright shirts, to wear them as this is part of the fun of this dance. Hope to see you all there--"ALOHA".

Web Spinners

The Web Spinners would like to invite all clubs to our "OPEN" NEW YEARS EVE DANCE: see flyer in this issue. We also recommend that all club angels accompany their new dancers to our CLASS LEVEL BEGINNERS BALL on January 08, 1993. Flyers will be out soon.

Well, here we are, entering into the best dancing season of the year. A time when we can introduce our new class to the best part of square dancing: confidence building, fun, and making new friends. All we have to do, as members, is take them to the 21 open class level club dances listed in the **Promenader** Special Events Calendar and practice what we have been telling them.

Our Christmas Dance on December 18 is sure to put us into the holiday spirit, as it is chaired by Webster's happiest dancing couple, Betty & Everett Herman. Our class is doing well, thanks to Mike and all the Web angels and will be ready to travel with us to the Copy Cats' class level Christmas Dance.

The traveling Webs have been represented this fall on the Branson Dance tour and Fling Fantastic Canada. Everyone that went met new friends and had a heck of a lot of fun.

The Web Spinners wish each of you a Very Merry Christmas and a Prosperous New Year with many more happy years of round and square dancing. We are looking forward to dancing with you.

Genesee Dancers

Here I am writing for the end of the year already, planning our Christmas and New Year's parties.

Our Turkey Trot was a big success--five happy couples went home with turkeys. I could almost smell them cooking in the oven as they went out the door.

Our Christmas Dinner Dance will be at the Green Lantern Inn on December 10th. Come, dine and dance with us in your holiday finery. Phone Jack and Trudy Cayo at 381-7284 for your reservations. Deadline is December 1, 1992.

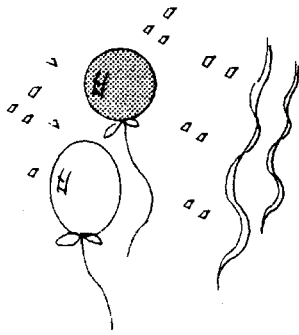

Our club has again been invited to join Web Spinners of Webster for a combined New Year's Eve Party on December 31st. It will be held at the Webster Fireman's Exempt Building on Sanford Drive. Hors d'oeuvres at 7:00pm and buffet at 7:30pm, dancing from 9 to 1. Midnight Champagne Toast at midnight. For our club, call Ray and Emma Schlesing at 377-3577 for your reservations. Deadline is December 18th. We had a good time last year--we know we will again this year.

In between the parties, we're dancing at 805 Blossom Road, at the Brighton Reformed Church every Thursday night. Come join us for fun and fellowship.

Happy Holidays to everyone from the Genesee Dancers!

Village Squares

As anticipated by your reporters, our Halloween Dance was loads of fun. Just about everyone attending came dressed in costume. Winners of the "best dressed" parade were Lucille & George Adams (Chinese couple), Norah & Charlie Tierney (Wizards), and Helen & Bill Haefele (Minnie & Mickey).

Banner stealing and retrieving was planned for November. If all went as planned, we now possess a Lima Grand Squares banner and have recovered the banner stolen from us by the Copy Cats. NOTICE TO OTHER CLUBS: do not be surprised if "bandits" from Village Squares show up at your club.

Christmas and New Year holidays are quickly coming upon us. Hope you've done all your shopping and can just enjoy the rest of December attending holiday parties. Reminder, our lasagna dinner and Christmas Dance will be held December 16. Bring your table settings.

Will Herzog says our beginners class (though small) is progressing well. They will be ready to join us at our Snow Flake Dance on January 20. If you enjoy good ice cream and other goodies, along with a fun time, this is not a dance to miss. Let class members from other clubs know about this dance--it is open to all new dancers and an excellent opportunity for them to start circulating and dancing with others.

Happy Holidays and a Healthy and Prosperous New Year to all. See you on the dance floor. Keep smiling!

THREAD THE NEEDLE

By Pat Flynt

Your feet may not remember that old call, "thread the needle", but here's hoping that all you seamstresses or "wanna-be" seamstresses, will heed the call and begin to put together a new, special outfit for the holiday and mid-term dances coming up.

Why sew your own? Cost is one reason--you can usually save at least 50% when you make your own outfits--that means you can have twice as many!

But the biggest reasons people sew or have someone sew for them, is variety and fit. A custom outfit is unique to you--no one else will have one like it. And it will fit you--no more too tight--sleeves or too-long (or short) skirts. You can pick colors that are different or especially becoming for you, or prints that are special for a season or holiday. And when you make your own, you'll have scraps to make a belt or carry bag or a tie for your partner.

Two companies that have square dance patterns are:
Double D Productions or Shirley's Square Dance Shop
4110 Willow Ridge Rd. Route 9D, Box 423
Douglasville, GA 30135 Hughsonville, NY 12537

Send them a dollar and they'll send you a catalog.

So get your pattern, a knock-em-dead fabric and go to it. Don't forget--a great new outfit, just for you, is sure to make you a better dancer!

Next time, the undercover story.....

Victor Swing-A-Longs

Here we are in the midst of the Holidays. We of the Victor Swing-A-Longs hope that yours are filled with all those things which are most meaningful to each and every one.

PLEASE NOTE: Our dancing location has been moved back to the Victory Primary Building, where we might or might not stay--sorry for the confusion, but you can always find us in the right building by way of the signs.

Just to recap some of our past happenings: In October we spent a fun-filled evening visiting the Wayne Westerners, and now have one of their travel banners decorating our dance hall.

November 07 was our special HARVEST DANCE. It was a great success and much fun was had by all. Jerry Carmen did a great job, and thanks to all who came to our Great Event of the Fall Season.

Thanks to Triggers and Wayne Westerners for their invites to dance with them. We thoroughly enjoyed ourselves. Our Christmas Dance/Dinner Party is planned for December 17. We'd love to have company--bring a dish to pass, your own table service, and a small gift to exchange. We eat at 6:30 sharp; dancing begins at 7:30 with our favorite Jolly Ol' Caller Mike Hernel

On January 07 we'll hold our Winter Commencement Dance. January 30 is our Annual Sno-Ball. The Hip Boot Boys will be calling for us again this year. Do encourage your class members to come with your club members. It's always exciting to meet new square dancers.

Wishing you all a Blessed and Joyous Christmas and a Most Happy and Healthy New Year.

Tecumseh Squares

Our first nursing-home visit of this dance season was held at Hamilton Manor on Long Pond Road. Tom Turcotte helped us entertain a very appreciative group, who did some of their own hooting and hollering.

Belles 'n Beaus and Cloverleaf Squares came to do some banner stealing early in October. Bruce assembled all 24 dancers in two squares: the gals one square and the guys in the other, with three dancers in each position. Needless to say, it was most entertaining to watch this traffic-jam tip.

Fling was again Fantastic this year--just ask any of the 88 club members that attended. This was the first year that two group pictures were taken instead of just one. Last year, Wanda had to stand so far back to get everybody in the picture that it was hard to see everybody's face.

The Halloween Dance was well attended. The decorations were fabulous and the costumes were great; the judges had a tough task picking the best ones. Many thanks for a great party to Bill and Dorothy and their committee.

It was nice to hear that Kay Zierle is recovering; she appreciated the cards and prayers of the club members. It was good to see Judy Eisenstat dancing at the Halloween dance. If you saw the picture of her in the D&C of her encounter with a LARGE truck, you know she had to have her guardian angel with her.

We hope that you'll be joining us for our upcoming special events: the New Year's Eve Dinner Dance (hosted jointly with the Copy Cats) and the Tim Crawford dance on January 22. Save these dates, and have a safe, happy, and holy holiday season.

Boots 'N Slippers

November was quite a month! We started off by learning the Texas Two-Step, with Brian Adams's guidance. It's a good thing that he's patient with us! What did you think of that DOUBLE FUN DANCE with Tecumseh? I think we should make it an annual event. Our Thanksgiving dance was a huge success.

We are planning a Christmas dance for December 18. I'm sure we'll see a sea of red and green on the dance floor. We will be holding our New Year's Eve Dance once again at the Spencerport Masonic Lodge. This year we will have hors d'oeuvres at 8pm, dance, and then have coffee and Danish after midnight. Because our class with Bob Meagher is making such great strides, they will be invited to this dance. The requested donation will be \$12 per couple for club members and \$16 per couple for visitors. Hurry and sign up, as we can have only a limited number. For more information contact Les Kuhn at 964-3576.

We hope all classes will plan on joining us on January 23 for our BLIZZARD BALL--see ad in this issue. Please don't miss this dance; it's a great opportunity for you to dance with people from other classes. It's always a great night of fun and a chance to meet other new square dancers. We hope we don't have a blizzard to keep you away!

Come join our parties; we guarantee a fun time. We wish each of you a Happy Holiday Season and Healthy New Year.

Copy Cats

Fall has been a fun time for the Copy Cats. Our Black Cat Dance for Halloween was a great success. Awards were presented for best costumes. The witch took home the broom; the mice captured the cat; and the burglars walked off with the basket of apples. Congratulations to these couples and thanks to all who came, in or out of costume, to enjoy Chip's calling and Jody's cuing.

Our nursing-home demo was at St. Ann's, with two full squares plus relief. A special thank-you to all who planned and danced for the wonderful residents there.

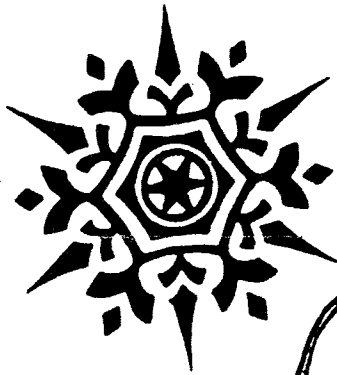

Winter finds us busy with the Christmas Dance on December 12. This is a class-club dance. Our Tween Dance (between Christmas and New Year's) will be on December 26. Invited guests for January are Genesee Dancers and Lilac Squares on the 9th, and Boots 'n Slippers and Emerald Squares on the 23rd.

Have a Happy, Safe Holiday Season!

ROUND TOWNERS

December looks formidable with rain and sleet and snow. And January's even worse as wintry winds do blow. But not to worry, bundle up and don't despair or fear, it's normal here in Rochester for starting out the year. You needn't sit around and mope, or hang around the house. Get up and out and look for dances with your loving spouse. Don't waste your time with dreams sublime about the summer coming. Remember last year's debacle and get your body humming. There's much to do and life is short, so quit procrastinating. The fun you missed last week is gone, so stop your hesitating. We never know from day to day just what tomorrow brings. For time and unforeseen events befall both slaves and kings. So make the best of what you have--don't flush it down the sink. The way things are today, it could be later than you think. I hate to seem a fatalist, but friend, you know it's true. It happens to the other guy, not me, or you, or you. So don't delay, resolve today to make life more exciting. For, two years down the road, who knows what battle we'd be fighting?

So stop and smell the roses, while you have the time and fill your life with gladness as you laugh and sing and dance. Please join us on December 06 at 2:00pm at the Green Lantern Inn for our annual dinner dance and again, on December 31 at 7:30 at the Redmen's Party House--also a dinner dance. More info, please call Marlene at 226-8984.

Dancing Shadows

Dancing Shadows continues to dance easy level (Phase II) from 8:30-10:30pm, preceded by a one-hour Phase III workshop. We have completed our basic Phase III Rumba and Tango figures, and are now about to begin Cha Cha.

The early workshop has been extremely well received, and we are all happy to have been joined by many additional dancers, who enjoy not only the workshop but the entire evening. We plan to complete the Phase III workshop sometime next spring.

Don't forget the Holiday Round-Up Dinner Dance on Sunday December 06 from 2:00-10:00pm, at the Green Lantern Inn in Fairport. Teaches will be Phases II-III, and party dancing in the evening will be mostly II-III, with an occasional Phase IV as a possibility. If you haven't registered yet, give me a call right away and we'll see that you are included.

We wish you all peace and happiness during the holiday season, and throughout the new year.

Triggers

We hope everyone had a safe and happy Thanksgiving and now back to dancing. Our snowbirds have all fled south for the season which tells us that winter is close by. Our class, with instructor, Ron Brown, is going great guns.

Don't forget "pie in your eye" night December 1, when we will be auctioning off pies and other goodies between tips. Welcome back to Russ and Carol Phillips who visited relatives in Canada and celebrated with them a Canadian Thanksgiving. To Joe LoVerde, hurry up and get well--we miss dancing with you and Lucy. Nice to see Bob and Renee Deckard drop in for a visit. We'll be glad when they are up to dancing again. Five Triggers couples went a-visiting and had a great time dancing in Niagara Falls on a "Fling Fantastic" weekend. We really enjoy dancing and visiting with all of you--come anytime.

December 22 is our Christmas party featuring a great pot luck dinner starting at 6:30. Bring a dish to pass and each person bring a one pound gift to exchange. Also don't forget those canned goods for the Greece Food Shelf.

When you get your 1993 calendar be sure and circle March 2 for the Triggers class/club Bunny Hop. The Triggers wish everyone a very Merry Christmas and a safe and prosperous New Year. God Bless each and everyone.

All singing calls by Dick Schweitzer will be the special attraction on Friday, December 18th. Come dance off a few holiday pounds! Guests are most welcome--we're at West Street School, a few blocks north of 5 and 20. West Street is near Arby's on 5 and 20.

The DALTON GANG

After a leisurely summer of dancing every other week and two successful Open House nights, our square dance world crumbled with the unexpected death of our caller, Lee Zilker, on October 12.

Lee came to our first September dance sporting a new western hat that quickly became a trademark. He was so proud of that hat. It was synonymous with the pride he took in giving people the enjoyment of square dancing.

The Dalton Gang vowed to make our club a living memorial to Lee. Our 29 enthusiastic members reached out for new members, beginners and experienced. We explored the caller availability and invited Mr. & Mrs. Will Herzog to become acquainted with us at our annual dish-to-pass Halloween party at the Trailside Lodge in Letchworth Park on Tuesday October 28. Not only did Will and Muriel attend, but so did two guests and 42 Dalton Gang club and class members!

What better tribute could we pay to Lee and his wife, Audrey for the time they have dedicated to the art of square dancing.

Put the date of our Dalton Gang ROUND-UP on your calendars now--Saturday May 29, 1993 at the Dalton Elementary School. The Federation clubs were well-represented at our special dance last May, and we look forward to welcoming you and your friends back again.

Country Twirlers

Our Christmas Party will be held on December 19th at the First Baptist Church of Chili, 3182 Chili Avenue. We will have a pot-luck supper at 6:00pm. Our dance begins at 8:00 at the Church and guests are welcome. On January 16th we will have a silent auction. This promises to be a lot of fun! Dave Hutchinson was highly recommended to us. We hope you can dance with us on January 23rd when he will be calling for us.

Millie Briggs has been very ill. I'm sure many of you know Millie and Ed. They have been active Country Twirlers members for almost 25 years. They have also been very involved in camping, especially in running the Country Twirlers Campout every June. We wish Millie well and hope to see them at our dance soon.

Jean Dysart is feeling great these days and it's good to see Lloyd and Jean dancing again. They too, have been active members of the Country Twirlers and have held several different offices, including President in 1983. Merry Christmas and Happy New Year!!

The "Pie Night" was a super evening--the pies were scrumptious and the guests were many, so-o-o the evening was enjoyed by all. Also, our Sadie Hawkins Dance was a fun evening, especially for the ladies who took over the evening's activities. A BIG "thank you" to our caller Bob Meagher and our cuer Nancy Fincher, and to all who contributed in any way to making these events a success.

As we approach the holiday season, the Glass Slippers are planning a P.J. Party on December 9th. On December 16th we will have our Christmas Party/Pot Luck Supper. The Pot Luck Supper will be at 7:00pm and followed by a Class/Club Dance starting at around 8:00 until 10:00pm.

On January 13 it will be our pleasure to invite the Country Twirlers and Tecumseh Squares to join us for an evening of fun and dancing. Our third annual Beach Party will be January 27.

Circul-8-tors

The holiday season is about to begin. We had a nice dance at our new location, Covenant United Methodist Church, on Sunday November 15. It was an open house and everyone enjoyed themselves. We enjoyed seeing all the new faces and hope that one and all will join the Circul-8-tors so that we can dance with them again. Chip Kellogg was our caller, and Dottie and Jerry Reed our cuers. After a short meeting, a group of us went out to supper at a local restaurant.

Our next dance will be our annual Christmas dance on December 20th at the Green Lantern Inn in Fairport. We will be having a Christmas dinner after the dance at the Green Lantern. Reservations are required for the dinner but the dance is open and anyone can come. Jerry Carmen will be the caller and Betty Carmen the cuer. Come join us for this annual Christmas dance.

Our January dance will be on January 17th at the Covenant United Methodist Church, Culver and Parsells. Chip Kellogg will be the caller and George Burch will be cuing.

This will be our annual Snowflake Dance, where everyone will wear white and black. Hope to see you there to break up the winter blues. By then, we should have some plans about our annual trip for 1993.

Have a happy holiday season, all square dancers and their loved ones.

Finger Lakes Squares

We hope all square dancers are ready for the holiday season, parties, family, and friends;...we are. Our club has been in full swing all Fall. Darn good group here.

Sharon seems to have a little trouble with black and blue shoes. We'll bet she has another pair somewhere. That doesn't necessarily make you a bad person. Besides, Sharon, I've got a pair or two just like those. The R&R camping weekend at Watkins Glen sounded liked real fun. A new card game, maybe? Seems a little kinky though, with the gals switching trailers every so often. We need more info on this caper. By the way, Dave, make sure those empties you toss under the Prairie Schooner are clean, so that I can redeem the deposit--I need the money.

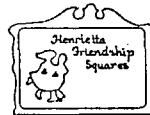

Cliff is having knee replacement November 18th. Everyone hopes that will improve his dancing.

Our Christmas party is December 17th--everybody brings goodies. Bob Stern and Bill Newman are hosting a New Year's Eve dance/party in Port Byron. For information, call Bob Dutcher--(315)776-4138.

Come dance with us this winter to chase away the blahs. We are a fun square dance club. Merry Christmas and Happy New Year.

Henrietta Friendship

We have a club dinner scheduled for December 16 at Abasciano Family Restaurant, 3118 E. Henrietta Rd. at 6:00pm, followed by dancing at Rush-Henrietta Junior High School, from 7:30pm to 9:45pm. These are our NEW CLUB DANCING HOURS: see also the full page announcement elsewhere in this issue of the **Promenader**. We do not dance on December 23rd and 30th due to the school being closed for the holidays. We will resume dancing on January 06, 1993.

Also see our full page ad regarding the Presidents' Ball in this issue of the **Promenader**. The date for the Ball is Friday February 26, from 8:00 to 11:00pm. This is usually a great dance, with many class members joining the clubs for a fun evening with calls by Gary Bubel and rounds cued by Alice Bubel. There will be some special awards to be given away.

Hope to see everyone on February 26th (or before!)

Cloverleaf Squares

We are as busy as we can be just trying to stay warm halfway through the winter.

We enjoyed sharing our food and fellowship at our annual Thanksgiving Dinner Dance. This event gave the class and club an opportunity to dance together.

We are looking forward to the Christmas Dinner, to be held at the Green Lantern Inn in Fairport. There will be a donation of \$13.00 for the dinner, but everything is provided, and no one is required to bring anything. There will be a donation of \$3.00 for the class club dance after dinner.

Cloverleaf Squares is always busy with new activities--no dances are scheduled for December 6th and 20th so please check our information number at any time for information and specific details on all our latest events!

Greetings

Belles 'N Beaus

Here comes December, and Christmas is just around the corner. Don't forget the Christmas Party December 11th at the Redmen's Party House. Hurry and get your tickets for this great dinner and colorful night of dancing to the calling of Mike Harris. Maybe he will throw in some Texas Two-Step also!

On December 14th, we will be hosting guest clubs so come join us and greet the clubs in a great night of dancing.

If you want to change your luck, why not rub shoulders with Danny O'Brien. I understand he walks away with the jackpot wherever he goes dancing!

Our class is progressing fantastically with Mike's directing. Come on out, club, and join us so you can meet the class and have a fun night.

October 26th we had a very nice dress-down or costume dance with a pumpkin carving contest--very good turnout and a good time had by all.

Cayuga Cut-Ups

How many of you out there went to the BIG dance on Columbus Day Week-End that is usually held in New York State? I have wanted to go but there comes a time when I usually go with other family members to York Beach, Maine. Walking that beach two to three times a day with the temperature 65-70° is almost as good as Square Dancing.

Our new class is doing just fine. Class time brings back memories when I was learning. I remember saying what I hear our class say--"I'll never get this." Time passes and things manage to register. Before you know it, you are dancing without having to say "What did he say?"

Our club has plans already in motion for our next Summer Week-End for 1993. It will be August 6,7,8. I will remind you about it from time to time so you won't forget.

Hope you didn't eat too much at Thanksgiving and your Christmas was Merry and your New Year will be better than the year before. Please DON'T DRINK AND DRIVE, not just during the Holidays but ALL THE TIME.

Stardusters

The holiday season is approaching and shopping is in full swing.

Our Tuesday Workshop is making excellent progress and will continue each Tuesday evening.

For the holiday season, there will not be a workshop on December 29th. In addition, there will not be a club dance on December 29th. The regular schedule for both will resume on January 5, 1993.

Seasons Greetings to all.

Promenading B's

Miss May Bee is looking forward to our dress-down "blue" dance on Friday December 04. You're invited to join us for a fun night of dancing at the Hive, with Bob Schlenker calling and cuing.

On Friday December 18 everyone in the Hive will enjoy our annual Christmas Buffet. Of course, red will be the color of the evening, in preparation for our visit from Santa and his elf. Our newest dancers will be joining us, so why don't you bring along your new dancers for a fun evening of pre-Holiday dancing?

All of us at the Hive wish each and every one of you a blessed and happy holiday season. Be sure one of your 1993 resolutions is to spend an evening dancing with us. We'll resume dancing on Friday January 08 at the regular place.

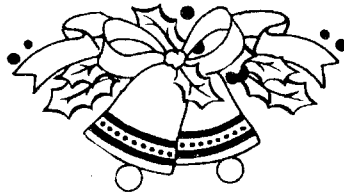

On Friday January 13 we're all buzzing in by 6:30pm to enjoy a delicious spaghetti dinner prepared by Chef DeFelice and his worker Bees. If you'd like to join us, call and make your reservation with Pete or Darlene at 352-1965. After dinner, Bob will be calling and cuing for your dancing pleasure. We won't be damming on January 29, as the school will be closed. However, we'll be buzzing around to steal a few banners.

SEE U IN A []!

Shooting Stars

Another Turkey Shoot is history. The joint Merry-Go-Rounds/Shooting Stars dance was a great success and a good time was had by all. Of course, Nancy and Jerri got to take home the biggest Turkeys! Oh well, such is their fate.

Our class is going quite well. Our caller Mike Herne is keeping everyone busy and thinking every Tuesday night. We may not be big, but we have fun.

Once again, the big holiday season is upon us. Dancing in December brings the sounds of the season with Mike. December 22 will be our seasonal party, with all the sweets included.

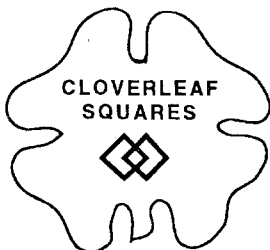

Come January, we'll still be at the Holmes Rd. School, giving people a chance to escape the winter blahs! We hope to see you all out at the class dances--get those class members out and get yourselves to support them! Remember, we all were beginners once.

For you club member dancers looking for a way to dance out the old and ring in the new, you'll find our caller Mike Herne, and the Merry-Go-Rounds cuer Bill Saintey together again, this time at the Web-Spinners New Year's Eve Party. Keep an eye out for flyers and more information.

MERRY CHRISTMAS, HAPPY HANNUKAH, HAPPY NEW YEAR from the Shooting Stars. See ya 'round the squares.

Wayne Westerners

Our new dancers have now completed two months of class and are beginning to talk about the upcoming class/club dances. All of us in the club share their excitement and enthusiasm as they learn the calls and develop their dancing skills.

Excitement is in the air as all of us in both the class and club work on our home-made gifts we will exchange at the club Christmas Dinner/Dance Party on December 18.

Our traveling square has been on the road, bringing back banners, and we are looking forward to these clubs coming out to retrieve them.

Many people have inquired about the Lewises, who have danced with our club for many years (since the beginning). We are sure that they (Frank & Lucy) would enjoy hearing from their many dancing friends this holiday season so we are including their address: Frank & Lucy Lewis, 4110 Circle Drive, Williamson, NY 14589.

The Wayne Westerners wish all our dancing friends a very happy holiday season, and we look forward to squaring up with you in 1993.

Sets in Motion

Sets in Motion held their annual elections of officers in October. President: Peg Gilbert; Vice President: Chuck & Joan Beer; Secretary: Phyllis Silsby; Treasurer: George & Delores Partis; Wagonmasters: Richard & Joan Reagan.

At our October cabin party we continued making plans for the NSDCA Camporee in July, 1993. The ladies worked on crafts and the men worked and played on the games equipment.

Santa came to our December cabin party and passed out gifts to all. Bob Sherwood did a fine job of planning the dinner and assigning what dishes we would bring to pass. Maybe Gloria helped a little. We understand she is spending a year with our club before finding a ride across the border into Canada. Ann must be ashamed of her looks, because she's made Bob leave her home. Gloria really could use a new dress and perhaps a new hairdo.

We won't be having a cabin party in February. We will meet next April--date to be announced. Sets in Motion wish everyone a Happy Holiday season and many fun square dances in the New Year.

NJ Square & Round Dance Convention

Square Dance Council of New Jersey

PUBLICITY COMMITTEE

Joan Lechner, Co-Chairman (609) 924-7545; Nat Matlin, Co-Chairman (215) 295-2032

For Immediate Release

October 29, 1992

Princeton, New Jersey

Get ready for the New Jersey State Convention! It is all day Saturday, April 17, 1993 at Trenton State College in Ewing, NJ. (See ad this issue.)

Square Dance Council of New Jersey is proud to present a true convention. That means your favorite local callers, cuers and leaders volunteer to keep your toes tapping. The NJ Convention is especially suitable for students, new dancers and mainstream and plus dancers.

An awesome feature is the Parade of Clubs at 7:00pm. At least 1500 massed, marching dancers is a spectacle (and feeling) never to be forgotten.

Trenton State College is centrally located just off I-95 in Ewing, NJ. There is plenty of free parking and space for self-contained RV's. The cafeteria at the Student Center will be open to serve the huge dancer appetite, or you can visit one of the local restaurants.

Watch for fliers at your local clubs or call Joan Lechner, 609-924-7545. Register with Bill and Donna Anderson, 215 Pottér Ave., Staten Island, NY 10314, 718-727-5141, right away and get a discount. Additional information can be obtained from the General Chairman, Frank & Jean Riviccio, 718-356-5323.
