VOL. XXXI, No. 3

ROCHESTER, NEW YORK

February 1993

ROCHESTER AREA FEDERATION OF WESTERN ROUND AND SQUARE DANCE CLUBS INC.

From the Editor's Desk

What a short and busy month February is! Lots of club/class events, Valentine's Day Dances and lots of other special dances. Be watching for the upcoming DOR articles and biographies about the staff which begin in this issue and will continue through the month of May. The Presidents' Page is also included in this issue.

Now, down to business. When submitting your ads, please be careful and proofread what you are submitting. There were several Dec/Jan. ads that had wrong dates and information. The Promenader is not responsible for these errors and we do not check the flyers and ads you submit. These ads are your responsibility and we trust that since you are paying for these ads, they should contain the correct information. We cannot take responsibility for each club ad.

Reporters, please confine your club news to approximately 250 words or 1/4 page of news. We realize that sometimes special things may occur that make your club news longer than usual but please try to limit your articles to the prescribed space allowed. We do not like to delete or omit anything but we are compelled to since it is an additional expense to the Promenader by utilizing too much space. You reporters are all doing such a great job and a special thank you to all the past reporters. Without you, there wouldn't be a Promenader.

Happy Valentine's Day and bring your sweetheart to a whole bunch of dances this month.

Joan and Jerry Sanford

DOR UPDATE

We have enjoyed meeting and discussing our upcoming DOR with many of you at your clubs or at some of the special dances this past month. If we've missed you so far, look for us in the next couple of months!

Tickets for DOR are available now from your Federation representatives--get yours now and beat the rush! (and save money, too!)

We hope to see you all (new and old dancers) this year at "New Beginnings" (our 1993 theme) on May Day (May 1st).

We begin this month with short background pieces on our featured staff. First up are Derek and Jean Tonks, our Round Dance leaders. The remaining staff will be covered in March and April.

'93 DOR Committee

DEREK & JEAN TONKS

Started ballroom dancing together over 30 years ago in England and emigrated to Canada in 1974. They began square dancing in 1978 and round dancing in 1979 and started teaching rounds in 1981.

They have traveled quite extensively in the U.S. and Canada and have taught at many conventions and festivals in both Canada and the U.S.

They have taught round dance classes from beginner level through advanced and have taught over 30 social ballroom courses. Currently they teach two classes a week covering Phases IV, V and VI.

Their choreography includes Sunflower, Sweet Nothings, Everything Waltz, Trumpet Tango, Sabrosa Cha, It's Cha Cha Three, Lady Greensleeves, and many more.

They are members of Round A Lab, Dixie Round Dance Council, and U.R.D.C. where they serve on the Technical Advisory Committee.

They now reside in Lakeland, FLA for the winter and in Bayfield, Ontario in the summer. They have two sons and two grandkids who have Grandad wound around their little fingers.

PRESIDENTS'

CORNER

ROCHESTER AREA FEDERATION

The beginning of a new year brings many new challenges. We are all looking forward to Dance-O-Rama on May 1st. The Federation Representatives will have DOR tickets available at all clubs starting in January. They will be wearing a distinctive badge. Plan to attend this year's DOR, as the committee has plans for an exciting dance! Please encourage your new dancers to attend also.

When all clubs and dancers participate in "Working Together" to help with DOR, the enjoyment of the dance is enhanced for everyone!

There have been a lot of good discussions and ideas at the Federation meetings this year. Let us all keep "Working Together" as this makes for a stronger organization. The Federation also has its fun times too. Our December Christmas meeting was complete with refreshments and an appearance by Mr. & Mrs. Santa Claus.

There will not be a Federation meeting in February. Please remember the next meeting is March 9, 1993 at the Brighton Town Hall at 7:30.

A View From the Square

To change, or not to change, that is the question. Whether 'tis nobler to remain in the same dance program, bored and unhappy, or to move to another program, where the choreography is slightly beyond your ability...Hamlet's quandary was certainly more serious, but many dancers do need guidance when they face the issue of switching programs. There is no magic formula to determine the time to move to the Plus or Advanced programs. Some couples are ready sooner than others, while some should probably never move.

There are many inappropriate reasons for moving to another square dance program. Your boredom problem might be solved by switching to another club at the same program. Dancing to only one caller, week after week, same 'ole music, same 'ole figures, can get pretty tiresome, depending on the caller. To quote from an article by Ken Ritucci in the Nov. 1992 issue of American Square Dance magazine, "Mainstream is boring because callers are boring. Mainstream is boring because callers are bored with calling the level. Because callers are lazy and don't want to do the work necessary to make it fun and interesting for the dancers. Mainstream is boring because dancers get bored with themselves and have to reach for the next level of excitement."

If you have made a thorough investigation of all the local clubs and callers in your program and still want more complex choreography, you might be ready to approach the next program. But don't leap into classes for a new program unless all the calls in your current program are almost second nature to you; otherwise, you will frustrate yourself and the dancers around you. It's not a matter of the number of months or years you have been dancing at your current program. One idea may be to ask your current caller to watch you dance and to advise you on your readiness for another program.

Each one of the ten programs in square dancing today builds on all the calls in all the prior levels, requiring a cumulative knowledge base; you don't just drop one list of calls and go on to another. Before starting classes for a new program, it is advisable to watch dances from that level to get some flavor for the choreography and complexity. Another way to get a taste of a new dance program is to order a teach tape for that program. Audio and video are available and come in two- or four-couple varieties. Many couples learn a new program from a set of tapes and also take live lessons for that program to gain additional strength. It may also be helpful to order a book that shows a graphical representation of the calls in your new program, pictures that show the flow of each dancer during all parts of the new call.

One of the best indicators that you are ready to proceed to a new program is your ability to understand why your square breaks down at your current program and what could have been done to prevent the collapse: did a dancer forget part of the call? Did the caller give a wrong cue? Was the square in the wrong setup?

It is important that both partners, not just one, have a real desire to embark on a new program. Don't let other couples pull you ahead against your better judgement. Also loyalty to a particular club should not hold you back if you are dissatisfied. Don't change programs if you merely need to change clubs, and definitely don't drop out of square dancing altogether if simply changing clubs or programs will make you a more contented dancer. We don't want to lose anybody for any reason.

-Ron Ehrlich

THREAD THE NEEDLE

By Pat Flynt

And now for the undercover story--pettipants and petticoats. You can sew pettipants yourself if you want to: Kwik Sew has two patterns for square dancers, #1481 and #1466. By the time you acquire the pattern, thread, fabric and 18 yds. of lace, it is almost cheaper to buy them ready-made. Kwik Sew #1481 is also a petticoat pattern but is only a 32 yarder and a soft style--hardly worth all the effort when there are so many sources for ready-made petticoats in beautiful colors and fabrics.

Petticoats are meant to show and not only complete an outfit but can add spark to a dress you have gotten tired of wearing. The petticoat should be the same length as your dress or 1/2 inch shorter. If your outfit has a gathered waistline, you should wear a petticoat with a short yoke. The very full ones, 70 or 80 yards are often used for round dance. If your dress has a gored or circle skirt with the flare beginning at the hip, get a petticoat with a longer yoke (about 4" or 5") and a 50 yarder gives a lovely look.

There is really no successful way to renew or restore a petticoat--they all go down in time, but there are some things you can do to prolong their life. First look for a petticoat labeled "crystal", "sparkle", or "twinkle". They are nylon but unlike nylon organdy, they are full without being stiff and will fluff out and outlive the organdy. Never hang a petticoat between wearings--put it in a big box or pillowcase and set it on a shelf.

More about washing and refreshing petticoats in the next issue.

CHEF'S CORNER

by John Zierle

This is the first of a sometimes, once in a while, occasional, regular column. The recipes I'll share have all been tested in the famous, spotless kitchens of Chez Zierlein. After a couple of columns, if you have a special recipe to share with our square dance community, send it to the "Chef" c/o this publication. We'll try to include them in future columns. The first recipe is a tasty, nutritious European tidbit called:

SWISS SPAGHETTI

- 1 lb. ground beef
- 2 cups canned tomato
- 4 Tbsp. butter/margarine
- 1 medium chopped onion
- 1 medium chopped green pepper
- 1-1/2 tsp. salt
- 1/2 tsp. pepper
- 3/4 lb. cubed swiss cheese
- 1 lb. cooked spaghetti
- 1/2 cup grated swiss cheese

In saucepan melt butter and saute onion and green pepper, about 5 min. Add beef and cook over high heat until brown. Add tomatoes, salt and pepper. Cover and simmer 1 hr. Add cubed cheese and cook 5 min. Add spaghetti and toss. Serve with grated cheese. Enjoy!!

ACROSS THE MILES

from: Bob & Marilyn
Dailey

Square dancing is an extraordinary activity! When a change of jobs required our moving to Atlanta, Georgia, we knew no one. Bob met a square dancer at work. Through that connection, we were able to start square dancing and make some friends.

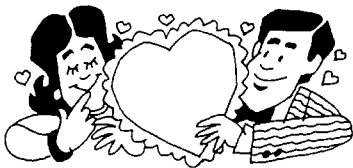

It was difficult leaving our Rochester area square dance friends and square dancing as we knew it. We would like to share the southern square dance scene with each of you personally, but that will have to wait until you all come down to visit. Meanwhile, I'll try to relate what we've learned about square dancing here, in a three part article. In no way am I suggesting that this is a better system - it isn't! The finer points are different, but not necessarily better.

The hospitality is strikingly different. When a square dancer greets another at a dance, the gentleman puts his arm around the lady from the side, says hello and other welcoming statements. The ladies do likewise. The gentlemen shake hands with a friendly greeting. It's a friendly, warm, greeting and encourages conversation. This hospitality greets each square dancer at the door.

This format is repeated in each square before the tip begins. Each man goes around the square and greets each of the ladies in this fashion, and the ladies say "Hello." To a northerner, this seems a little over done, but is the custom. Sure enough, it is repeated after the tip is completed. Each individual thanks each of the other dancers, both male and female.

Most clubs here dance twice a month, alternating mainstream and plus tips. Rounds are cued between the tips. There are both caller-run clubs, and dancer-run clubs.

We have joined one of each because we like to dance more than twice a month. Next issue I'll tell you about each of these clubs.

ADVANCED QUARTERLY SELECTION FOR 1/1/93 SHAKEDOWN

New Empire State Outfit

modeled by Shirley & Harold Eck

In 1989, Ardeeth Crouse and Arlene Keller designed an outfit for the Host Committee for Festival '90, which was held in Albany. This outfit of hand made hot air balloon appliques for the ladies on a white skirt, with a royal blue blouse, royal blue or white petticoat and pettipants and white shoes, and the gentlemen's coordinating outfit of

royal blue shirt, white trousers and a silk screened blue hot air balloon on a white tie, was also worn by the Host Committee at the Albany '91 Festival.

The outfit made quite a hit with not only the Host Committee but many other dancers, so Shirley Eck entered it in the Festival '92 State Outfit Contest. She and Harold modeled it in the fashion show, and it was voted to be the Official State Outfit for the period 1992-1997.

The words on the large balloon applique and on the men's tie, are EMPIRE STATE FESTIVAL: the smaller balloons will have the names of the cities where the Festival has been held, Rochester, Buffalo, Albany, White Plains.

About December 1st, screen printed balloon appliques and ties will be available for sale from The Eck Distributors, 53 Harrison Avenue, Delmar, NY 12054, with complete instructions for applying (the appliques) to a white skirt. Tee shirts and sweat shirts, with the screened large balloon, will also be available, all at a reasonable cost, yet to be determined. Any "profits" after the start-up costs are recovered, will be returned to the State Festival Treasury. Samples and order blanks will be in the Empire State Square Dance Shops. Shooting Stars

Yup, another holiday season is behind us. We at Shooting Stars hope that all your wishes came true and that all your Kitty Surprises, new gloves, and ALL your new unmentionables were just the thing to rekindle your faith in Santa!

Shooting Stars had a great holiday dance on December 22. We even had those banner-stealing thieves from the Victor Swing-A-Longs join us that night. A fond farewell was bid to our second traveling banner, but WATCH OUT!! Copy Cats and Victor--we'll be baackk! Good thing you made two; right, Sunday?

Our class is cruising along very well under the fine instruction of Mike Herne. They're getting out to the class dances, along with supporting club members. We look forward to having them join us as full club members, come May 1st or so.

A BIG Shooting Stars thank you to Walt & Sally Baechle, Federation Presidents. The entire Federation Board was invited to join us on December 15, and Walt and Sally were the only board members to take us up on the invite. Needless to say, we were disappointed. We realize the holiday season can be very busy, but after all, it was a gratuity dance! We hope to see others of the board out and about at other dances.

Now, for those of you who need a respite from the gloom of winter, Shooting Stars presents its 2nd annual Couch Potato(e) Dance on February 9. Come and join us for a rousing Plus-level dance with Mike Herne, and a chance to test your trivia knowledge. A good couch potato(e) knows his trivia!!

If you're looking for a good, fun dance some Tuesday, come and join us at the Holmes Rd. School. Unless an emergency arises, if there's school, there's Shooting Stars. We'd love to have you visit and can guarantee a fun (if not interesting) evening of dancing. Club time is 8-10. We could use the company, as we've sent our snow-birds off to Florida. Hope you'll take us up on the offer and that we'll see you soon!!

Believe it or not, both Christmas and New Year's celebrations are now just happy memories. Again this year the Genesee Dancers collaborated with us for a sell-out New Year's Eve extravaganza of dinner, dancing, and the usual midnight noise and champagne toast.

Our Annual Beginners Ball was a terrific success thanks to Sunday and Tom Hyder. The style show this year was presented by the Carriage House Fashions from Auburn. Most area clubs were represented by a majority of their class dancers--each one exhibiting their proficiency and all seemed to enjoy their second coming-out dance of their career.

Holy cow! It's February already; the month that brings us two of the best dances of the season. The first is a sweetheart of a dance on Feb. 12th with Eileen and Tom chairing our colorful Valentine's Dance.

The Web Spinners thank all who attended our Beginners Ball and invite them to join us again Friday, Feb. 19th when Shirley and John Johnston will present another CLASS LEVEL DANCE commemorating George Washington's Birthday.

Looking forward to dancing in your square soon, as we have only ten more dances remaining this season.

One of the biggest club/class events of the season, the Mid-Term Ball, will be held on Saturday, February 6th at the Redmen's Party House--get your class members out to attend this gala affair. We will feature fashions by the Carriage House of Auburn.

We welcome the new slate of officers who will be giving their time and talents to ensure another successful dance year: Presidents: Joe & Lena Kane; Vice-Presidents: Lou & Pat Flynt; Secretaries: John & Kay Zierle; Treasurers: Larry & Anne Slotnik/Don & Jo Kesel; Financial Secretaries: Angus MacDonald and Jane Schuth. These folks need the help of all club members so don't hesitate if you're asked to help out in the many events of the coming year.

We continue to dance at area nursing homes--many thanks to Tom Turcotte for calling for us, and club members who danced with us as well as other club members who joined us. Don't hesitate to sign up for the next one--you definitely will be rewarded. When dancing at St. John's we had an unannounced dancer: Dr. Clayton Connolly who was making rounds and wandered down to the dance hall.

The Holiday Dance Party was postponed a week, due to the heavy snowfall that blanketed the area. The Agliettis and their committee did a fine job at this event. It was great dancing with our class members, who were attending their first dance. Katie Rohr looked good in the outfit that her mom, Joan, made.

Our combined New Year's Eve Dinner/Dance with the Copy Cats was a huge success, with over 160 dancers attending. Noisemakers, good dancing, a fine meal, and good fellowship provided a warm welcome to the year 1993.

Don't forget to join us on the 26th when National Caller Ken Daub from Erie, PA will be our guest caller.

Cloverleaf Squares

Welcome to the New year, everyone! We hope that each and every one of you had a safe and happy holiday season.

By the time you read this, we will have already held our annual bowling party on January 16th. I'm sure a great time was had by all. By now we will have also enjoyed our Super-Bowl party with football-shaped cakes for both class and club and a television for the die-hard fans.

Looking ahead, February 13th is the date for this year's cross-country ski party. This event is always a good time, and will be held as usual at the home of Dave Fisher and Mary Adams. There is skiing and hiking for the outdoor enthusiasts, with the fun of the player piano, pool table, card games, and plenty of great food for everyone. Dave and Mary provide drinks, serve up the chili and snack contributions brought by everyone, and generally live up to their reputations as first-class hosts.

We would like to invite everyone, but most especially all class members, to two upcoming class/club dances that we are hosting: a Valentine's Dance on February 14th, and our club's 23rd Anniversary Dance on March 14th. See the ad in this issue of the **Promenader** for further information. See you there!

As always, Cloverleaf Squares is busy planning other new and exciting activities, so please check our information number for details on all our latest events.

ROUND TOWNERS

PLEASE NOTE: During February, the floor of the Covenant United Methodist Church is to be replaced. This process will take about 4 weeks and is scheduled to begin on Monday 2/8/93. Also, in early February Mark and Marlene will be on vacation (from 1/30-2/16/93). Both of these "happenings" create a challenge--where to dance while the floor is being replaced and who to lead the club during Mark and Marlene's vacation. The plan is to have the Round Towners temporarily join the Monday night group, Dancing Shadows (570 Old Ridge Rd., W. Webster) where Bill and Jerri Saintey will be covering while Mark and Marlene are on vacation. The program will be a mix of Sunday and Monday night levels.

I have some disappointing news; now please don't be upset. We're dancing only twice this month, but it's an even bet, that Mark and Marlene come back from Fla. all tanned and rested too, prepared to give us all the super dancing we can do. But don't despair or tear your hair, there are some other dances, on Monday night and Tuesday too, so go and take your chances. Have fun and keep your skills alive, so you'll be ready when the 21st of Feb. arrives and Mark comes back again.

We'll miss you, both dear Mark and Mar, but know you need a break. We wish for you the best of all vacations you could take. So have some fun, and get some sun, but don't forget your friends. We're waiting here in Rochester, freezing our little ends. So swim and ski and scuba dive, and see the sights and all: Cape Kennedy and Disney world, and have yourselves a ball!

Well, 92 is over--93 has just begun. What memories we made last year!--we had a lot of fun. We learned a pile of dances and enjoyed the ones we knew. We made a lot of new friends and we kept the old ones too. So let's make 93 a year that hasn't any equal. Don't miss a chance, get out and dance. Then make each week a sequel. See you all, back on the dance floor Sunday nite February 21st at 8:00pm.

Genesee Dancers

The holidays are over! Now we're going into the snow month: February. At least there will be one bright spot: our Valentine Dinner Dance on February 11. We always have a good time, with lots to eat and hearts and flowers all over the place.

Our Christmas Party at the Green Lantern Inn was well attended in spite of the worst snow storm of the season. Everyone who signed up made it. Mike Callahan made it all the way from Hilton. We were warm and snug and enjoyed a delicious dinner. Mike called some Christmas dances and Bob cued some too. A great time for all!

We celebrated New Years Eve with the Web-Spinners at the Webster Fireman's Exempt. We loaded our plates with lots of delicious food. Mike Herne got us up to dance it off and Bill Saintey cued the rounds. We toasted in the New Year with lots of noise and then had a Danish brunch before going out to face the world.

Our refresher course continues with Mike teaching Plus calls. Our class members are: Charles & Lucy Eygabroad, Newell & Eula Whiting, Don & Donna Norsen, Jack & Erma Bowdey. There's plenty of room for more. We welcome anyone who wants to brush up their dancing skills to come join. Class coordinators are Nell Buechel & Ernie Hargreaves.

New officers are now getting used to steering the club. They are: Presidents: Pat & Joe Hammele/Marion & Jack Hoyt; Vice-Presidents: Judy & Bob Berray/Kris & Art Martz; Secretaries: Woody & Fred Halik; Treasurers: Flo & Bud Parker. Woody & Fred Halik will also serve as reporters for the Promenader.

That's it for this month and for your reporters, Betty & Gil Langswager. Have a good year of dancing!

Happy New Year to all you square dancers, and welcome back.

Our Christmas party was a huge success, with all the dancers dressed in the holiday colors. We had a good turnout in spite of the snow storm. Thanks to the social directors for the colorful decorations. Nice calling, Mike!

Everybody had a good time at the White Elephant Gift Exchange, both class and club night. Some of the gifts were out of this world!!!

25 dancers surprised the Curly Q's of Lockport and came home with their flag. What a friendly club! The Pot Luck Dinner Dance for both club and class will be on February 15th. Don't forget to sign up. This is a great time to welcome the class and let them show you how advanced they are. Great job, Mike!

The new slate of officers for 1993 was accepted unanimously: President, Eric & Karen Mansfield; Vice-President, Duane & Judy Rockafellow; Secretary, Ed & Joan DeTamble; Treasurer, Jerry & Ellen Linger; Social Directors, Chuck & Rose Thiel/Stu & Jane Jones; **Promenader:** Sally Foos.

The club extends their thanks to the outgoing officers for the job well done in giving us a fun year of dancing. The club extends condolences to Ed & Irene Zabelny on the loss of their granddaughter. We hope Elmer Stein is on the mend. Hurry back Elmer--we miss you at our dances.

Lilac Squares

Our previously scheduled Kissin' Kuzzins dance for Friday, February 12 at Covenant United Methodist Church has been cancelled because they will be repairing the dance hall floor.

On Monday, February 15 at 6:30pm we will have a Spaghetti Dinner at the Penfield Baptist Church. The dinner will be a donation of \$4.00. Please call me at 266-8629 to make reservations or leave a message on my answering machine so we will know how many to plan for. The dance donation is \$3.00 but only \$6.00 for both dinner and dance. This is a class-club dance evening.

February 1, 8, and 22 will be regular dances with the class from 6:30-8:00 and the club from 8:00-10:30 with Jerry and Betty Carmen calling and cuing.

Our President Sybil and Fred Northrup celebrated their second wedding anniversary on January 19--congratulations and many more.

Three years ago on February 25, Swinging Singles became LILAC SQUARES but it is still a Singles/Couples club and all are welcome.

Sybil and Fred Northrup and Nancy Jennings are enjoying the sunny south for a couple of months. Have fun! We hope they will bring some warm weather back with them.

Silver Squares

At this writing, illness has overtaken two of our faithful members, Betty Selbert and Arlene Harster. We hope the New Year will see them both back dancing and feeling fine again. On February 8th we will have a Valentine Dance - refreshments, etc. Can Spring be far away? Bring your favorite valentine and join us for an afternoon of fun and dancing. Our next party will be on May 10th when we will have ice cream and all the trimmings.

But even without goodies our Monday afternoon dances are fun. We are a friendly group--come and find out for yourself! We hope to grow each year.

Promenading B's

The Promenading B's will not be dancing on Friday, February 5, 1993 as we will be joining Bob and Sue Schlenker and Jerry and Betty Carmen at Watson Homestead for a weekend of fun, dancing, eating, dancing, and more fun! You really should come and join us! It's a great way to spend the weekend.

Miss May Bee will be wearing red for our Valentine Dance on Friday, February 12th. She has some surprises in store for all the "Sweethearts" that will be joining us in a square. Will we see you? We certainly hope so!

On Friday, February 26th, we will participate in "Running Bear" Night. If you haven't earned this dance, here is your chance. It's a fun dance and everyone can do it who listens "carelessly" as our caller would say.

Hope all of you had a safe and happy beginning in 1993. We hope part of your New Year's Resolution was to come and dance with the B's; it's a great way to get back in shape and have fun at the same time.

Happy dancing!!!!!!

Victor Swing-A-Longs

The holidays are over for another year! We of Victor Swing-A-Longs hope you all had a Grand and Glorious one!

By the time you read this, our Annual Sno-Ball, held on Jan. 30th will either "be" or is "about to be" history. Our many thanks to all you new class and club dancers who joined us for the fun and helped us to make it such a huge success. Those HIP BOOT BOYS know how to make for an exciting evening of dancing!

January was a busy month--we had our Winter Commencement Theme Dance Jan. 7th. On Jan. 14th we sponsored an Open House. If we spark enough interest we plan to get a new class going right away. We're keeping our fingers crossed for finding some interested future dancers. We'll keep you posted.

Our Banner Bandits have been very active--our walls are sporting four lovely banners! We do like to come visiting, and then to be "visited" in return is a lot of fun.

February 11 is our Sweetheart Dance. Don your red shirts and skirts, catch your favorite sweetheart by the hand, and join us for a sparkling evening of fun.

You might want to mark your calendars for Thursday April 1st. This is our April Fool's Fashion Dance--fashions are by the Carriage House of Auburn. This is an especially good time to encourage all class members to come see and/or pick out some pretty attire. Besides, this being April Fool's Night--who knows what Mike will have up his sleeve???

Might it be wistful thinking to say "Begin to Think Spring!?" HAPPY DANCING!

Dancing Shadows

Dancing Shadows is an Easy Level Round Dance Club and meets every Monday evening at the United Methodist Church, 570 Old Ridge Road, West Webster (see schedule in back for specific dates.) We dance at the Phase II-III level from 8:30pm-10:30pm.

PLEASE NOTE: From 7:30pm-8:30pm, immediately preceding the regular club dance program, there is an Intermediate Clinic, where the emphasis is on Phase III rhythms and figures. This clinic started on September 14 and is open to anyone who is interested in brushing up on their Phase III basics. We expect the clinic sessions to continue into May '93, giving us plenty of time to cover the basics of Rumba, Cha, Jive, Tango, Waltz, and Foxtrot.

The door donation for the entire evening (7:30-10:30) will be \$6.00. If you are not interested in the clinic, but wish to dance club level from 8:30-10:30, the door donation is \$5.00.

On February 1 and February 8 Bill and Jerri Saintey will be leading the club while Mark and Marlene are on vacation. On February 15, there will be no dance, as Bill and Jerri will also be on vacation.

We have invited our Sunday night group, Round Towners, to join us on Monday February 1 and February 8, as Bill and Jerri are not available to cue for them on Sunday nights and work will be starting on the floor where Round Towners dance. The program will include both Sunday and Monday night dance levels.

There will not be a Saturday night Round Dance Party in February, but there will be one on March 6, so plan accordingly!

Our lasagna dinner Christmas Dance was a huge success. There was plenty for all to eat. And all those desserts! What a treat! After dinner our class put on a fantastically funny skit, performing "Cinderella at the Square Dance Ball." Nice job class! It was great having Bill Saintey back to cue rounds. Jerry Carmen, as usual, called a fantastic dance. He did have a little help. The "Yule Tones" (Jerry Carmen and Gerry Schwartz) teamed up for a couple of Christmas songs. The "Yule Tones" were asked by our President to return next year.

Vice Presidents Rita and Ken Tucker have been saying for months that our class dancers are doing great. This assessment was proven correct when these class members joined us at our Christmas Dance and Snow Flake Dance. Club members are excited by the class members' dancing skills and their enthusiasm for square dancing. That a-way class!

Sorry, due to the small size of our class we have decided to cancel our club-sponsored class level dance scheduled for April. We hope to have a large enough class next year to sponsor a class dance again.

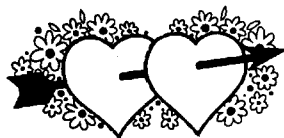

We are having good attendance by visitors and guests. We invited 24 clubs to dance with us this year. We're looking forward to having guests all throughout the dance year. Banner stealing and banner retrieving continues to go strong. We didn't keep the Lima Grand Squares banner very long before they were right back at our door, demanding it back. We'll see if the Copy Cats are as possessive.

The clubs' elected officers and Committee Chairman are meeting regularly.

See you on the dance floor. Keep smiling!

Kuntry Kuzzins

Kuntry Kuzzins will feature Bob Stern calling squares and George Burch cuing rounds on February 13th. We will have a silent auction at this Valentine's Dance. See you there.

Circul-8-tors

The winter is half behind us now, and what better way to complete the winter season than square dancing?

Our January dance, which was a Snowflake Dance, was a big success--all those people dressed in white and black dancing. There was a short meeting afterwards and then a group went out to dinner.

Come join the Circul-8-tors for our next dance on February 21, 1993. Of note, this will be at a different location for just the month of February. It will be at the First Baptist Church in Chili. This is located at the corner of Chili Avenue and Paul Road. The caller will be Jerry Carmen and the cuer, Betty Carmen. This will include a pot luck supper afterwards, so bring your favorite dish to pass and table setting. For Circul-8-tor members, there will be more details and directions to the dance in your newsletter.

Also plan to attend our March dance on March 21, 1993. It will be back at Covenant United Methodist Church, with Chip Kellogg calling and George Burch cuing.

We hope that all are well and hope that we see you out dancing soon. This will help keep away winter blues.

Country Twirlers

VARIETY is the theme for Country Twirlers during this month of February. On February 6th, Mike Callahan and Bob Slomcenski will be teaming up again for an enjoyable evening of dancing.

Our Annual Class/Club Valentine Dance will be held on February 13th. Bring your Valentine and for only \$5.00 per couple, come and get acquainted with some of our new dancers. Les Bradt will be calling and Bill Saintey will be cuing the rounds. Valentine treats will be served.

Gary and Alice Bubel will return from their cruise in time to call for us at our dance on February 20th. Let's hope they aren't too sun-burned to call!!! We will top off the month with another evening with Tim Crawford, who can always be counted on for a fun-filled evening. Bob Slomcenski will be cuing rounds.

Wayne Westerners

Presidents and Sweethearts! These are two special reasons to come out and square up with the Wayne Westerners in February (before we get another March storm!) On February 11th we will be honoring our class with a special class/club dance and Ron Brown will be calling. In case you can't tell, we're very proud of our class and the great job Ron has been doing at teaching them. We invite other clubs and classes to come and join us on the 11th.

Jim & Jeanne Johnson, our banner stealing coordinators, have reminded us that we still have travel banners waiting to be claimed. Why not plan to join us soon and we'll have the pleasure of welcoming you to our dance and enjoy the evening with you.

Next month, on March 19th, we're going to have a Yellow Rock Dance in memory of Clarence Graham. All proceeds will be donated to the American Cancer Society. Shirley Graham will be there to show us how to do those yellow rocks correctly so make sure you save the date. We'll have more details in the March issue.

Cayuga Cut-Ups

Well hello out there in snow country. Hope your New Year was a good one.

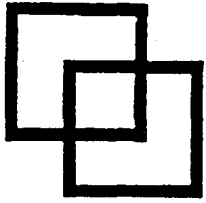

I am sure you all have heard of Mystery Rides. Well we went to the Copy Cats Veteran's Day & Turkey Party. Our Mystery Ride had a twist to it. It was a mystery on how about 40 people were going to get home when the bus did not show up. I want to thank all of you who stayed with us till the bus showed up about one hour later than requested.

We have some events planned for those who are unable to fly south for the winter. A Bowling Party and also a Valentine Party are planned for February. We are thinking of a bus trip with our treasury money. Will this be another mystery ride home again? We are in the process of working out having Ken Ritucci in March. Stay tuned for more information.

Also in February (18th) Phil Eno will be our guest caller. Well, stay warm, and no matter how bad the weather gets, remember one thing--it will be the same next year at this time.

Friendship Squares of Geneva

Don't suffer midwinter blues during February--haul out your red or pink fancy duds and sashay off to some of the Valentine's Day dances around the middle of the month. Ours, for example.

Classes of new dancers are especially invited to our Class/Club Heart Dance on Friday, February 12. There will be some kind of fund-raising gimmick to benefit the Heart Fund--most likely a Silent Auction. You may find a sweet treat, homemade bread, an attic treasure, dancing shoes only worn a bit--who knows! Club members will be asked to help, but anyone can participate in such a worthy cause. Round up some class members yourself or spread the word some other way. We are at West St. School, a few blocks north of Routes 5 & 20 in Geneva. West St. starts near Arby's. We also dance there February 26.

Save Sunday afternoon, March 14 for a special dance featuring Bob Stern and Bob Slomcenski at the mike, at the PENN YAN GRANGE.

Lima Grand Squares

It was great to see so many of you come to "SUNNY LIMA" for our annual Hawaiian Luau. The grass skirts, flowered print shirts, and Muumuus looked and made it feel that we were truly in the tropics.

We will have regular dancing on February 5th and 19th. Our VALENTINE'S DAY DANCE is a CLASS/CLUB dance which will be called by Bob Ellis--the time will be at 8:00pm. Those of you who have danced to Bob know that we will have a great night of dancing. Hope to see you there.

We will not be dancing on February 26th, as this is the night of the PRESIDENTS' BALL in Henrietta. Gary and Alice are calling and cuing for this dance.

Information Reporters,
 582-2617 Dale Chatterton

Batavia Silver Stars

Once again, the holiday festivities are over and we can settle down to serious dancing.

Our holiday dinner was great--a delicious meal, many received gifts, and a fun dance was had by all. We enjoyed having our class people!

On February 8th, we will have our Valentine's Dance, so bring your sweetheart for a gala evening at BOCES, on State St. Rd., Batavia.

We want to remind everyone of our "LEPRECHAUN TWIRL" coming up on March 13th, on SATURDAY NIGHT at JOHN KENNEDY SCHOOL, 166 Vine Street, Batavia.

Do come and help us celebrate!

Stardusters

This month tells us winter is half over and it's time to wish everyone a happy Valentine's Day.

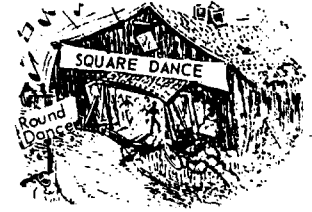

The Tuesday workshop is progressing nicely and everyone is doing very well. It will continue each week through March, followed by the regular club dance program starting at 8:15 to 10:30pm.

Information Reporters,
 225-8676 Don and Barbara Dunbar
