A LETTER TO OUR 1993 GRADUATING CLASS

ROCHESTER AREA FEDERATION OF WESTERN ROUND AND SQUARE DANCE CLUBS INC.

"Square dancers are some of the most friendly and helpful people in the world," you have heard. Perhaps this version is more accurate. "Some of the most friendly and helpful people in the world are square dancers." You have finished your classes, and we hope you have attended class dances and other functions. We hope that you are pleased with what you have experienced and plan to continue with your club. But just possibly you have had some incidents that have not pleased you. You may even be thinking of dropping out. **PLEASE DON'T!** We need you--the future of square dancing is with the new dancers.

You have invested a lot in your training and so have we. A little patience or forbearance on the part of all of us will result in many good times ahead, and enough dancers in our clubs to keep square dancing alive in our area.

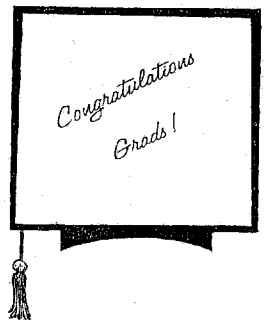

In any activity you enter--bridge, tennis, bowling, clubs of all kinds and even church work--you will find people who are warm and friendly to newcomers, who can enjoy their hobby at any level, and who like to help beginners. You will also find those who are competitive, who are anxious to learn advanced types of activity, and who then want to participate only on that level. Square dancing is no exception. In square dancing, as you already know, there are established programs, and you are now ready for the program known as Mainstream. As long as you attend a club or dance that is listed for that level, you should have little trouble.

You may also have learned that most of the clubs in the area dance a program called Mainstream Plus. Most dancers find this the most enjoyable program, using a few more calls but still not requiring constant attendance and effort to keep up. There are workshop dances to help you get to that program, and we recommend you attend a series of these when you can.

If you are finding real difficulty with club dancing, many clubs that sponsor classes will be delighted to have you join their club and then attend the coming year's classes as "class angels." Many who have had trouble learning have done this and have become skilled and enthusiastic dancers.

But whatever you decide to do: **Don't quit. Hang in there! We need you!**

With this Issue, we welcome the graduating classes of 1993 and dedicate this issue to you! We hope you will keep dancing through the summer months and return to your club in September, bringing new friends with you to Open Houses. You are the "Mainstream" of square dancing!

The **Promenader** extends to you three complimentary issues and we hope you will continue to subscribe to our magazine in September.

The Promenader Bouquet this month goes to Roy and Carolyn Schumacher and their committee for doing such a good job of filling in for the Langs (who are on a well-deserved vacation in Florida.) They volunteered to take on the monumental task of seeing to it that you got your issue on time this month. A GREAT BIG THANK YOU!

Joan and Jerry Sanford

PRESIDENTS'

CORNER

ROCHESTER AREA FEDERATION

After our trip to Texas for the United Square Dancers of America midyear meeting we continued on to Arizona for a visit. While there we were invited to attend a meeting for the Grand Canyon Square Dance Association in Phoenix. They asked us about the Rochester Federation--we gave a talk about our Square Dance Organization. We also attended a Mini-Legacy meeting sponsored by the Grand Canyon Square Dance Association and presented by Walt and Louise Cole of Legacy. We were invited to a campout with the Superstition Square Wheelers Chapter #125 of the National Square Dance Campers Organization and we took Gloria with us. We were pleased to be part of all the activities.

We had a great time dancing in Arizona to a number of nationally-known callers. We went to dances with Ben and Cay McGilvery from Rochester. Ben is a caller and Cay was Federation President and **Promenader** Editor. We also danced and had a long visit with Mike and Linda Liberti--they are enjoying their new home in Arizona.

We know Dance-O-Rama will be a great success. We will see you there!

**SQUARE
 DANCING
 IS FUN**

THREAD THE NEEDLE
 By Pat Flynt

Almost all square dance outfits have ruffles or flounces and learning how to gather these quickly and easily saves lots of time and aggravation.

This is the fastest, most fool-proof gathering method for the long strips used on square dance dresses. With a wide width, medium length zigzag, stitch over but not catching, heavy thread, like buttonhole twist. Secure one end and pull on the other to gather the edge--VIOLA--no more broken gathering threads! If this doesn't give you a fine enough gather, run another row next to the first.

The secret to evenly adjusted gathers is to always divide the skirt edge and the ruffle into quarters and mark these divisions clearly. On especially wide skirts or heavy fabrics, divide into eighths. Pin the edges together at the markings and pull up the gathering cords between the marks. You'll find it works better to do this on a table rather than holding it on your lap.

One of the problems of attaching a gathered edge to a straight edge is that with some fabrics, the gathers tend to bunch together and lump up during the sewing. To prevent this, after the gathers are adjusted and pinned, put a strip of masking tape below the stitching line, about 7/8" from the raw edge. Stitch with the gathered piece up.

Ruffler attachments and/or a gathering foot are available for your machine. These will create a ruffle and attach it to a flat piece of fabric in one step. To use them successfully takes practice and since each fabric gathers differently, you must always make a sample ruffle. If you use gathers a lot, it is worth learning to develop the "touch" you need for this attachment, but for an occasional outfit the zigzag and cord works best.

Does Anybody Care Anymore

Do Callers really care about dancers or do they just want to make as much money as they can, or prove what hot shots they are?

Do Dancers care about their clubs or are they more interested in doing their own thing instead of thinking of the welfare of their club?

A caller once said that We Callers should never forget that We were once dancers. We are hired to work for the club that books us, not as Broadway Stars with greatly inflated egos. We must do what the clubs tell us to do, not as we please, since they are paying us. This same Caller also said--"any caller can break a floor down but it takes a good caller to keep 85% of the floor dancing all the time". After all aren't the dancers paying to dance and not stand? DID THAT CALLER CARE ABOUT THE DANCERS? More and more callers are complaining because they had to join Callerlab now and that we have to be licensed. These are the callers that do their own thing, teach what they want when they want, instead of staying with the Callerlab list so that the students all over are doing the same thing. They teach old calls that have been dropped but are their favorite, or teach movements out of order like Teacup Chain (Mainstream Plus) the 1st or 2nd lesson. Do these callers care about the dancers?

That caller cared, he put the dancers ahead of his ego. You clubs can control the rest of us. If we don't give you 100% at each dance, don't hire us. The clubs have the control because if you don't book us, we can't call. WE WILL THEN HAVE TO START TO CARE OR SELL OUR EQUIPMENT.

If dancers cared about their clubs, more of you would attend your club sponsored dances no matter who was calling. I hear a lot by just listening. I hear dancers ask others if they are going to their next club dance & most will ask in return, Who is calling? Ask dancers to participate in a banner raid, what do they ask? Who is calling? Just ask a group of dancer friends to go to any dance and what's the question? - You got it - Who is calling?

Dancers don't go to a dance anymore, they go to a caller. Even if it is their own club, if the caller doesn't suit their taste, the heck with the club. Do these dancers care about their club?

I have heard the same story from many clubs all over, "We can only get 25 to 40% of our members to attend our club dances". They ask me why. Why is this happening? Does anybody care why? I can remember a time when dancers went to nearly all their club dances, just to have fun with all the members. Now stand back and look at your club, how many little groups do you see that stay together most of the time, and then go dance with someone else a tip or two and say "we did our duty, we mingled". Do these dancers care?

We are losing more and more dancers each year, especially new grads. Just think about the clubs, how many are in serious trouble, memberships are down, classes are down and if this keeps going, more clubs will fold. No one wants to take an office or become active in a committee. Are you becoming a dancing snob? DOES ANYBODY CARE? ANYBODY??? I DO!

LETTERS TO THE EDITOR

Belles 'N Beaus Celebrating 35 Years of Fun

In the Fall of 1957, Bernie and Jean Boulet, along with Fred and Dot Retaillick, started a square dance group. The following year, January 6th, they called the group "Belles and Beaus."

Belles 'N Beaus' first presidents were Dot and Fred Retaillick. The first club dance was held at West Ridge School and the classes were held at Craig Hill School.

In 1959, Art Harris and Tink Tinkler took over and became both caller and teacher. Art Harris continued both roles for 30 years until his retirement. His son, Mike took over as caller for the club.

Belles 'N Beaus has had a yearly car rally for the last 20 years headed by Hal and Fran Abberger. There is also Scotch Golf, a Steak Roast, and Golf League--to name a few more activities.

Some of our first dancers still belong, like Ed and Doris Haddleton and Ruth and John Gosling.

We celebrated our 35th anniversary with a dinner dance held at Doud Post on April 24th. Many former members were back to renew old friendships.

Belles 'N Beaus motto is summed up in just one word--"FUN".

Shooting Stars

Winter is gone..and what a WINTER it was: SNOW, WIND, ICE, COLD, etc. BUT..there are some good memories too. For instance..

Couch Potato(E) 2, the sequel, finally took place--only one month late. Weather kept the attendance down but not the spirits of the dancers. A good night of PLUS dancing with good refreshments and surprises for all. Congrats to Sunday for her vast knowledge of trivia.

Also, the Chicken B.B.Q. in Ellison Park has passed. 16 couples from Shooting Stars, Web Spinners and Victor Swing-A-Longs shared food, games, and dancing. Thanks to Tom and Sunday for all their hard work!

If you missed Tom Turcotte and our own Mikey at the Webspinners, you can catch them in Penn Yan on May 29, serenading with all singing calls. Mike and Bill Saintey are teaming up for two camping weekends this summer; one at Rocky's in Boonville and one at Camp Bell in Campbell. Check the dates and info on flyers.

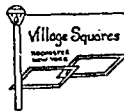

Speaking of summer, Shooting Stars will be having a summer workshop for Mainstream review and Intro to Plus. We will be dancing on Wednesday nights at the Westridge Center (Chesterton Rd.) from 7:30-9:45. These dances will run from June 16 to Aug 18. Please come and join us!

Our first class is graduated and doing really well. With the help of our club angels and some who are refreshing, the class managed to survive Mike's instruction and learn anyway! They are: Lee Kyle & Mary Jane Bagnato; Jim Schulz & Carol Droney; Ron and Ann Moden, and Stefan and Fran Tschokasch. Welcome to the wonderful world of Square Dancing!

By now, D.O.R. is either coming soon or just past. We hope you all attended and had a WONDERFUL time. We wish you all a great summer and hope to see you some Wed. night.

Village Squares

The Village Squares will end the 1992-93 dance year with a month of fun dances. On May 5, we will celebrate the graduation of our hardworking Mainstream dancers. This will be a happy occasion for club members and new graduates alike. I expect to see a BIG SMILE on the faces of Rita & Ken Tucker--as Vice Presidents they are responsible for the class. I wonder if the new graduates have some type of entertainment planned?

Our Trails End Dance will be held on May 12 at the Green Lantern Inn, Fairport. Newly-elected officers will be installed during the sit-down dinner preceding the dance. Following dinner, Jerry Carmen will be calling and Bill Saintey will be cuing. A great dance is anticipated.

A Casual Dance is scheduled for May 19 at our regular meeting hall. Dress may be casual but, knowing Jerry Carmen, the dancing will be first class. We will end the dance year on May 26 with an Open House. Contact your friends and neighbors and invite them to attend. Escort them to Open House and share with them the enjoyment and fun of Western style square dancing. Maybe they would like to take lessons next year.

Plan now to attend Village Squares' annual camp-out at Camp Bell (Campbell, NY) the weekend of July 30. It will be a fun-filled weekend. Reservations are required. Pick up a flyer for details or contact Rita Tucker (315-524-8088).

See you on the dance floor. Keep smiling!

Genesee Dancers

It almost seemed that Spring would never arrive, what with that 130 inches of snow, including the "Snow of the Century", drifting right in on top of us. It was so cold that the dancing smokers stayed outside for only a moment to indulge themselves. And, misery of miseries, Genesee Dancers had to cancel one evening because of the terrible weather. It had better not happen again, so our dancers won't miss their weekly "fix" of dancing.

Genesee Dancers has been into Maypole dances in recent years, even if no-one really knew what a Maypole was. But who cares? Chairperson Dot Clause made sure that everyone had fun. Now, instead of a Maypole, Genesee official have a "Flashlight" dance. Sounds weird, but weird dances are always a good time. So come along and see what it's all about.

In April we celebrated a couple of events. The first one was our April Fools Dance on the first. The way it started out, one would think there was a full moon too. But it all came out OK because Mike and Bob called and cued so well that nobody looked like a fool. The big event of the month was the graduation of our refresher class. No finer group of dancers could ever be found. Thanks to Ernie Hargreaves for chairing this activity.

Keep dancing and keep smiling!

Tecumseh Squares

If you weren't fortunate enough to make it to our St. Patrick's dance with national caller Cindy Whitaker, you're in luck--she is coming back on July 16th. Mark that date on your calendar, and dance to a highly entertaining caller who will move you around the floor like you never have before. This dance was held on the evening before BLIZZARD 1993, so the 25 squares that attended had a fantastic time before being snowed in for the weekend.

Congratulations to our recent class graduates: Joan & Bart Levinson, Martha & Miles Shaffel, Mary Jeanette & Ben Ebenhack, Katie Rohr, Dave Hamelinck & Sue Pilcher, Mary & Al La Rocque. We enjoyed helping you through the classes and look forward to dancing with you in the future.

Somehow we survived our dance at Grande-Vie Adult Home in Penfield. Our caller, Tom Turcotte, went to Grandeville Adult Home at 7PM. It was around 7:30 when Tom arrived at Grande-Vie to call for us. In the meantime, Phil Kassirer and Bill Mc Neill decided to write a series of calls for us. Bruce certainly doesn't have to worry about his job. Thanks to all who danced that night and also those who joined us at Park Ridge Nursing Home. Join us next time.

This year we are starting our Plus Workshop earlier; May 7th is the first scheduled night--running every Friday through August 27th except for July 16th. The workshop dances consist of three segments: 7:30-8:30 Plus calls will be taught, 8:30-9:45 dancing with Plus calls previously taught, and 9:45-10:30 will be Plus level dancing. See the flyer in this issue for further details. Join us in the air conditioned comfort of our recently remodeled dance hall. Square dance attire is optional.

The DALTON GANG

What a snowstorm we had in the Southern Tier! After having to cancel two nights of regular dancing, we got back into the swing of things with a St. Patrick's Day dance on March 16, reciprocating our club's invitations from the Buds 'N Blossoms, Copy Cats, Country Twirlers, and Village Squares by inviting them to join us.

We have enjoyed having experienced square dancers Bill & Mary Ellen Kegel from New Jersey; Dick & Mary VanDerwarker from Angelica; and Dennis & Sharon Woods from Dalton join our Gang this year. They recently were presented with our Club badges--in time for Dance-O-Rama.

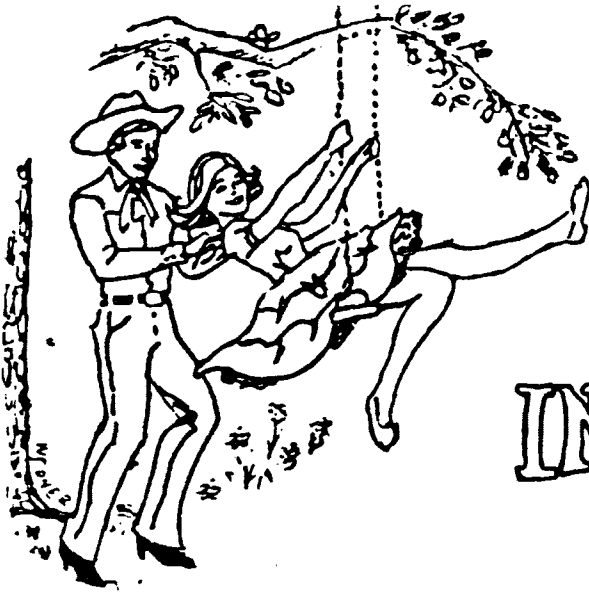

Our caller, Will Herzog, has introduced line dancing during our breaks and everyone seems to enjoy participating--either by dancing or watching.

In memory of Lee Zilker, our previous caller, the Friendship Swingers in Cuba are having an Ice Cream Social on May 22, 1993 from 8 to 10:30pm. Steve Crowley will be the caller.

Reminder to include the date of our Dalton Gang ROUND-UP on your calendars now: Saturday, May 29, 1993, 8pm at the Dalton Elementary School. We appreciated the Federation clubs' support at our special dance last May and look forward to welcoming you and your friends back again. Carolyn & Roy Schumacher joined the Dalton Gang at our Christmas party, and we would enjoy having them and other Federation officers "come on down"!

Our last two dances of the season are May 8th and 15th, with Gary and Alice Bubel. After our Trail End Dinner at the First Baptist Church of Chili, the dance will start at 8:00pm as usual--also at the First Baptist Church, 3182 Chili Avenue (opposite K-Mart) and guests are welcome.

After the Trail End Dance, our new slate of officers will be led by Bob and Kathy Plantz as Presidents. Thanks to Chuck and Leslie Bellinger for all their time and effort the past two years as Vice-Pres. and then as Presidents. They have done a fine job, along with the rest of their board; the Plantzes, Scotts, Raymonds, O'Sheas, VanPuttes, Dell, and Georgers.

Web Spinners

Well gang, it's over till September but we had a great year dancing under the watchful eye of Marion and with the strapped up knee of Arnie. Many will also remember this year each time they slip on their commemorative 25th anniversary shirts.

Don and Lin Kwarta have guided the following six new couples through a successful year of Square Dancing with the help of Mike Herne:

John Briggs & Barbara Donohu John & Joan Carson
Bart & Joan Levenson Harry & Gail French
Larry & Nancy Melrose Al & Kathy Serfass

We congratulate and wish them many happy healthy fun-filled years of dancing. I know that many of us look forward to dancing with them this summer at a workshop.

Speaking of Summer, we don't want you to forget our Summer Picnic with the Victor Swing-A-Longs and Shooting Stars.

Our Trails End Dance on April 30th was well attended, but most were conserving energy for the Dance-O-Rama May 1st at Churchville-Chilli High School.

Our new leaders, Presidents Don and Lin Kwarta, have spent many hours stoking the boiler, coupling up the cars, and now have a firm hand on the throttle waiting for a full head of steam to take this train out of the Web Spinner Station in September. Head conductors Tom and Sunday Hyder (Vice Presidents) have issued new ticket punches and their new crew is eager to assist.

See you at DANCE-O-RAMA on May 1st.

Promenading B's

Now that the weather has improved, we're celebrating with a May Bee Dance on May 14th. We're hoping that you will join us for a night of fun dancing under the capable leadership of Bob Schlenker.

Our last dance of this season will be on June 4th. It will be our popular ice cream social--a great way to have a great ending to a super year of dancing. Keep dancing over the summer, and we'll see you all in a square next Fall when the Promenading B's return to the hive.

Silver Squares

Sally Alpaugh has written the following lines that say it all:

Swing Away

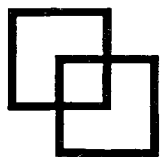

Al-amande left and do-si-do--swing your partner, then let them go. Circle round and don't be late, for here comes your lady and she won't wait. See the skirts just a-swishing by and take a look at each gentleman's tie. Smiling faces do abound as you swing your partner round and round. Keep your "rock" and keep your "roll", it's a lot more fun to do-si-do! So grab your coat and head our way at Westridge Center--to make your day--from 1 to 3 in the multi-hall. We hope to see you, one and all."

At this writing we are still up to our hips in snow but looking forward to spring flowers and showers. May 10th is our Ice Cream Social. You are all welcome to join us. Get rid of the winter blahs and help our club to grow.

Friendship Squares of Geneva

Larry Dunn of Kenmore, NY will be our guest caller on Sunday afternoon, May 16, 1993, at the cafeteria of the North St. School in Geneva. Mark and Marlene Thone will cue, starting a round dance party at 1:30, alternating with squares from 2 to 5. North Street is on the north side of Geneva. From Route 14, go west about 9/10 mile on North St.; or, from 5 & 20 from the west, go north on Pre-Emption Road near Pyramid Mall, then east on North St. about 8/10 mile. If you have a pink flyer about this dance--that location is wrong! We had so many dancers at our (rescheduled) March dance in that hall that we have now changed the location of this dance to a bigger hall. We look forward to dancing with Larry, Mark and Marlene, and hope many of you will join us.

We certainly hope that by now there will be no more snow storms, blizzards, etc.! We had three dances canceled by such nonsense! Twice the Geneva schools were ordered closed for the day in early morning, and that meant we had to cancel our dance, even though the weather had improved greatly by evening. We do apologize to any of you who tried to visit and were disappointed. As for the blizzard--well, nobody went anywhere!

Make a note on your calendar for these future dances: Wed., July 14, Cindy Whitaker and Brian Adams; Wed., August 11, Tom Trainor and Dottie Reed; Sept. 17-19, Fall Frolic, Watkins Glen, with Red Bates, Bob and Nora Slomcenski, and Dick Schweitzer.

Cayuga Cut-Ups

With the "Blizzard of '93" behind us, we can look forward to the May flowers and all that go with spring and summer.

Ron Brown is our guest caller this month. Please check in back of this book for time and place. We would be honored if you came and danced with us anytime.

Keep an eye open for the summer issue of the **Promenader**. It will have all our information on our Summer Weekend at Wells College on August 6,7,8. If any of you would like flyers for your club or yourself, give me a call at the number below.

I read where some clubs are graduating their class in April and May. Ours graduates in September after they have learned all the Mainstream and Plus level. Some people can't understand why? I remember when I started about 5 years ago. When they graduated us in May, I was under the impression that we could now dance anywhere. We were told you need to learn Plus level before we could do that. I asked why did the club have us graduate in May if we are not able to dance at other clubs. (Most all clubs are Plus level).

Our class graduates in September after they are done with Plus. Our caller Chip Kellogg likes the idea. No matter when you graduate it takes a year, to learn Mainstream and Plus level. After going through all this I strongly believe it would be to the benefit of the new dancers not to graduate until they have learned the Plus level. This would help prevent hurt and disappointment.

Keep dancing.

Cloverleaf Squares

The May flowers are blooming and DOR is almost upon us. Look for the Four Leaf Clovers Youth Club to do a demo again this year. These kids are cuter than cute, and also pretty talented square dancers. Don't miss it!

April was graduation month, and we graduated our current class of promising square dancers on Sunday April 25. Congratulations to you all! On Saturday April 17 we went on a mystery ride. Dennis Rossman, our Vice-President extraordinaire, organized this one, and we all enjoyed dinner and the dance in Penn Yan.

Looking ahead, we are all eagerly anticipating DOR on May 1. This will be a time of "new beginnings" for our class members, and a chance to see some old friends for the rest of us.

In personal club news, we had a wedding in the month of March. Janis Neff and Phil Castrogiovanni were married on March 13. Congratulations, Janis and Phil!

As always, Cloverleaf Squares is busy planning other new and exciting activities, so please check our information line for details on all our latest events.

Triggers

Welcome back to all our snowbirds. It sure is nice to see everyone looking so fit and tanned, and it's good to be dancing with you all again. We sure enjoyed the Ice Cream and Toppings served at our April 6th dance. Our April Guest Night was great. Thanks to all who came. Without you, guest night would be just another night of dancing with our same friends. It sure is nice to dance with other clubs, get to meet new dancers, and get reacquainted with our dancing friends.

Don't forget May 18th: Spring Fling dinner dance at the Greece Grange. Cocktail hour starts at 6:00, and dinner will be served at 6:30. May 23rd is our 30th Anniversary Dance, which is also a MEMORIAL DANCE for MYRON HUSS. The dance will be held at the Chili American Legion Pavilion on Stryker Rd. at the corner of Route 386 in Chili. Dancing and festivities start at 2:00pm. Everyone is invited to come help us say goodbye to our very good friend, Myron.

Enjoy the summer and see you all in September.

Wayne Westerners

Thanks to all the people in the club who worked with and supported the class this year. Special thanks to our caller/teacher Ron Brown and to our class coordinator Lois VanDerlinde. Graduation has occurred and now we have new dancers and friends at Wayne Westerners. The club is both proud and excited as these new dancers begin to participate with us on a regular basis.

Shirley Graham asked us to extend a personal thank you on her behalf to all the dancers who supported the Yellow Rock Dance in memory of Clarence Graham. Because of you, Shirley was able to present the American Cancer Society with a donation of \$394.00, and Clarence's memory lives on through us.

Our Apple Blossom Dance will be happening on Friday, May 21 (see our ad). This year we are proud to present Jim Wheeler calling squares and Dottie Reed cuing rounds. This is our BIG EVENT and it will be held at the Williamson High School, where we have lots of room (20 squares at least). The donation is still only \$7.00/couple, refreshments are included all evening. Apple Blossom time is special in Wayne County, and the sweet aroma of the orchards is just another reason to come to Williamson on Friday, May 21st. We hope you will make a point of joining us for an evening of fun.

Lilac Squares

May 1st is the annual class-club Dance-O-Rama. We hope to see you all there.

This is also the month for our annual namesake, the "Lilac" celebration. We are looking forward to the Lilac Parade and demo at Highland Park and hope that many other clubs will join us. Any questions about it can be answered by calling Sybil Northrup at (716) 657-6136.

On Saturday May 15 we will have a Class-Club Lilac Festival Dance from 8-11pm at the Hollender U.S. Army Reserve Center, 515 Ridge Road, Webster, with Jerry and Betty Carmen calling and cuing. Look for a flier at your club for further details.

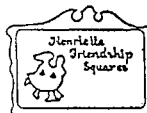

There won't be a dance on Monday, May 31st (enjoy the holiday, Memorial Day) but the other 4 Mondays will be at the Penfield Baptist Church from 8-10:30 with Jerry and Betty Carmen calling the squares and cuing the rounds. The class meets from 6:30-8:00.

June 7th will be Election Night, so give some thought to your choices for officers for the coming year.

We do enjoy having singles and couples join us so we'll be looking for **YOU!**

Due to Mother Nature, our "Leprechaun Twirl" had to be canceled, but hopefully we will have it on April 17th. The wearing of the green was more like dumping of the white!

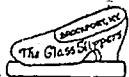

Graduation will be on May 10th. Bob Meagher has done a wonderful job with our new members.

The Tie and Sneakers Dance on April 7th was a fun evening. Our caller Bob Meagher and cuer Nancy Fincher added a little spice to the evening with some fast dances; and naturally we all enjoyed the scrumptious refreshments between tips.

On April 28th we had our Graduation Ceremony--a very special evening for our new dancers. CONGRATULATIONS to the class of 1992-93 and happy dancing!

For May we are planning a Mexican Dance (on May 12th). This sounds like a fun evening, with possibly some "hot" treats. Ole!

Our Trails-End Dance is May 19th, with a Pot Luck Supper at 7:00pm. Dancing should start around 8:00pm.

Boots 'N Slippers

April 30th marked Boots 'N' Slippers graduation night. With Bob Meagher's skillful instruction, seven couples successfully completed the course. Congratulations to: Randy & Joann Baxter; Ray & Jane Burlingame; Bob & Jean Mullins; Paul & Connie Siefert; Edward & Alrun Southwick; Dave & Barb Way, and Ron & Missy Way. We hope you will join us for our 3 dances in May on the 7th, 14th, and 21st (Trail End Dance). Keep dancing this summer and be back with us in the Fall.

We're looking forward to Dance-O-Rama May 1 at Churchville Chili High School. See Carolyn & Roy Schumacher for dinner and dance tickets. We hope for a good turnout from our club.

A refresher course for former square dancers will again be offered by Mike Callahan from 7-8 o'clock on our regular square dance nights this Fall. We would appreciate receiving names of those interested and we will contact them with further information.

Friday May 21 will be our Trail End Dance, which is a closed dance for members only. It will be held at the North Greece Firemen's Exempt off Latta Rd. (between North Greece Rd. and Manitou Rd.)

This summer we have planned a square dance to celebrate Boots 'N' Slippers 30th Birthday. It will be held on Saturday July 17, at the air-conditioned Greece Community Center. We invite all dancers to come help us celebrate. Mark your calendars now!

Finger Lakes Squares

Maytime is the time for spring flowers and square dancing around the Maypole with Bob Stern calling. The snowbirds should be drifting back north this month, ready for square dancing.

Flyers are out for the Brown Barn campouts; the first one is Memorial Day. They are always great weekends, with lots of squares, rounds, and just lots of darned good fun.

Watch out, gang! Bob has been to a Callers Convention. He'll have all kinds of new ideas to lay on us, maybe a new get-even call or two.

Those Whites are real gung ho dancers, even coming early these days so as not to miss any tips.

We hope Ed Leurgans is back with us soon.

Come join us in Geneva.

Copy Cats

May is the month for blooming flowers. It is also the month for new graduates to take their place in the world of square dancing. After the March blizzard and April showers; we welcome May with its blooming flowers. We also want to welcome our recent Copy Kitten graduates to the Copy Cat club. Hopefully, they will all be attending DOR. Recent graduates include: Mary Lou D'Angelo, Mark Herrman, Diane Hill, John Housel, Chuck & Theresa Longstreth and Gail Maybee.

Because of the big blizzard of March 13th, we had to cancel our dance, which included guests from Which Way Whirlers, Geneva Friendship Squares, Tecumseh Squares, and Cayuga Cut-Ups. We want to reschedule these clubs! For our May 8th dance we have invited Village Squares and Promenading B's. We will add Geneva Friendship Squares and Tecumseh Squares. For our June 12th dance we have invited Batavia Silver Stars and Silver Squares. We will add the Cayuga Cut-Ups. Our regular caller, Mike Callahan, will be calling and Jody Mattice will be cuing at these 3 dances.

We can't regulate the weather, but we can rein-vite you to another dance with the Copy Cats.

ROUND TOWNERS

This month should be bright and breezy.
Making life a bit more easy.
Replete with warm air, sun and showers.
We'll soon admire lovely flowers.
That rear their heads upon the hill,
The tulips, pansy, daffodil.
The world is alive again,
And summer's just around the bend.

We'll be dancing every Sunday in May except the 31st, which is Memorial Day weekend. Have a good spring and summer. See you around.

Dancing Shadows

Dancing Shadows is an Easy Level Round Dance Club and meets every Monday evening at the United Methodist Church, 570 Old Ridge Road, West Webster. (See schedule in back for specific dates.) We dance at the Phase II-III level from 8:30pm-10:30pm.

PLEASE NOTE: From 7:30pm-8:30pm, immediately preceding the regular club dance program, there is an Intermediate Clinic, where the emphasis is on Phase III rhythms and figures. This clinic started on September 14, 1992 and is open to anyone who is interested in brushing up on their Phase III basics. We expect the clinic sessions to continue into the summer of '93, giving us plenty of time to cover the basics of Rumba, Cha, Jive, Tango, Waltz, and Foxtrot. We have completed Rumba, Cha, Waltz, and Tango basics, and are now beginning to work on Jive, to be followed by Foxtrot.

There will be no dance on Monday, May 31 in observance of Memorial Day.

The door donation for the entire evening (7:30-10:30) will be \$6.00. If you are not interested in the clinic, but wish to dance club level from 8:30-10:30, the door donation is \$5.00.

There will be no Saturday Night Round Dance Party in May.

Victor Swing-A-Longs

We have had such a fun and exciting Springtime here in Victor with the SWING-A-LONGS. It has been great to have so many visitors come out on Thursday nights to dance with us. Also, the banners which have been decorating our walls during the Winter are slowly finding their way home, and we have been trying to retrieve ours!

Our club has felt the absence of "half of our President" for several weeks this Spring. Steve Hawkins has been working in sunny California. We suspect that Steve--a native Californian--just heard about the expected "Blizzard of '93" and decided it was time for a visit back home! His wife Linda did a great job of "presiding" while Steve was away!

CONGRATULATIONS to all those new dancers out there. It is wonderful to share in your enthusiasm for our favorite pastime! We WELCOME your visits to VICTOR SWING-A-LONGS anytime.

Our class, with instructor Jody Mattice, is moving along very well. They only started in January but it looks like a June graduation will be in order. They all had a terrific time when they traveled in Joanne VanAken's van to Buffalo for a dance with Harris Squares.

Our thanks and appreciation to Carol Dronoy and her committee who worked so hard to make Dance-O-Rama the success it always is. It is an event to look forward to each Spring--for both new and experienced dancers.

We have some special dances coming up in May--the 13th is our Dress Down Dance; the 20th is the Ice Cream Social, and our last dance for the year will be our Picnic on May 27th. Mike Herne will be calling May 6, 13, and 27. Guest caller Tom Turcotte will be with us on May 20. HAPPY SPRING DANCING!!!

Wow, spring is here and what better way to enjoy it than square dancing. Our next dance is on May 16th at the Penn Yan Grange Hall. Come on down. It's a nice drive and spring should be busting out all over. And there will be great square and round dancing also. Chip Kellogg will be calling and Dottie Reed will be cuing--not a bad combination.

We enjoyed the dancing on April 18th to the calling of Jerry Carmen and the cuing of Betty Carmen. It was our annual Silent Auction, from which the proceeds will be used to finance our summer campout and picnic.

Speaking of our annual picnic and campout, as per the last 3 years, it will be at Woodstream Campgrounds on Aug. 20-22. So mark your calendar right now for some fun and camping.

The registration for our Boston trip is going very well. It is for 6 days and 5 nights and has many interesting attractions--all for a donation of \$649 a person. We will be opening up for non club members registration soon. If you are interested, contact us at the number below or any other club member.

See you at Dance-0-Rama.

Lima Grand Squares

The dancing year is now coming to a close this month. We will have our annual MAYPOLE DANCE AND ICE CREAM SOCIAL on May 7th. Dancing is to start at 8:00pm, with the goodies to be served at the end of the night. We ask that you please bring your favorite topping. May 14th is a special day for the club, as we will be graduating our class. They have worked long and hard since September, with this being their highlight of the year. As club members let us all show our support to the class on a job well done.

We will conclude our year of dancing on May 21st--this is our TRAILS-END DANCE. We will start the dinner at 7:00pm; we ask that you please bring a dish to pass and your table service. Following the dinner we will all meet up on the dance floor for our final sets of the year, to work off all the extra helpings from dinner and to dance with friends, new and old, met through Square Dancing. The officers and I wish to express to all dancers, a safe and WARM summer--see you in September.

TEL-O-MARK

ROUNDS

The TEL-O-MARK CLUB'S TOP 5 REASONS FOR JOINING THEM WEDNESDAY EVENINGS IN MAY:

- #5 - It signals that the work week is halfway over.
- #4 - It keeps your mind off all those spring housecleaning jobs that keep "gnawing" at you.
- #3 - It makes "escaping" to those spring house cleaning jobs a pleasure after 1/2 hour practicing the latest teach.
- #2 - It gives you a chance to sharpen your dancing skills for Dance-0-Rama.

BUT MOST OF ALL:

- #1 - To share in a great evening of dancing and fellowship.

The Tel-O-Mark Club is an intermediate/high level round dance club that meets Wednesdays at the United Methodist Church in West Webster. Dancing begins at 7:30. There is no Saturday dance in May. Instead, we hope to see you all at Dance-0-Rama on May 1.

CONVENTION UPDATE

All registered young people may march with "The Youth of America" group in the Parade, if they wish. A youth is classified as a person under the age of 19. No adult dancing will be allowed in the Youth halls.

226 Callers and 100 cuers have already been signed to call and cue at the convention.

Plans are being made to have shuttle buses pick up dancers at many Park & Ride areas, if enough bus passes are sold to people not staying at the designated hotels.

The Missouri Restaurant Association will provide an informational booklet to dancers listing various dining facilities. The Association will also man a booth to help with dinner reservations and questions.

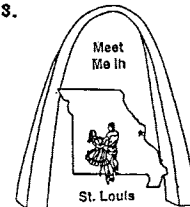

Security will be around-the-clock at the Campgrounds. Security measures are being planned at Cervantes Convention Center.

Bid Information on sounding the 42nd is being mailed to those who "made their intention to bid."

Two bid sessions (1997 and 1998) are being planned for Friday, along with the cities who state an "intent to bid."

The Parade of States will be indoors on Saturday evening at 6:30 p.m. After the Parade, the 1997 and 1998 National Conventions will be awarded.

Proper square dance attire for men and ladies is required in order to enter Cervantes Convention Center after 6 p.m. on Wednesday, and at all times on Thursday, Friday and Saturday. Prairie skirts are acceptable attire for the ladies.

HOSPITALITY

Marilyn and Joe Preis, Vice-Chairman of Hospitality are planning to make all visitors as comfortable as possible during their visit to St. Louis. They have been working very hard with their Assistant, and their Directors to make sure that every area of hospitality is covered.

FASHION SHOW

Be ready to expect something special at the St. Louis Fashion Show. John and Carol Schooley, Vice-Chairman, and their Assistants, have excellent imaginary ideas to keep you entertained.
