*from the Editor's Desk*

This has not been an easy issue to put together. The better half of this team, Jerry was hospitalized Aug. 30th and had surgery Sept. 1st. So please understand if there are errors in typing, spelling, etc. There just wasn't enough time to get things as organized as we'd like to.

Club reporters are invited to the next Federation meeting on Monday, October 4th. We have been asked to do a little workshop on how the Promenader is put together from start to finish. We promise not to bore you or make it too time-consuming but there may be some helpful tips for you new (and no so new) reporters. Please come and ask questions.

Please remember that the next issue is November and is the month of using the words "prizes", "raffies", "win" "50/50". Please do not use these terms as postal regulations prohibit us from referring to it. If you sometimes see the wording of your articles changed, that's why.

Hope all club classes are in full swing and successful.

*Joan and Jerry Sanford*

The Federation will have a dance at Long Ridge Mall, Saturday, October 16, at 1:30pm. Bring information about your club. We would like all clubs represented.

We have been in contact with a square dance group in St. Louis, MO, that are raising funds to help flood victims. We would like the clubs to make a donation towards a fund that the Rochester Federation will send to an appropriate agency that will help victims. We will talk more about this at the Federation meetings. We hope everyone will be interested in this project.

We went on the Circuit-8-tors trip to Boston and Cape Cod in September. Hope some of you can join us on one of these trips sometime.

We hope everyone is having a class this year, because we need new dancers. Remember if you don't have enough people to have a class, please send them to another class so we don't lose them.

Your Federation Officers are all looking forward to an exciting year. Come and join us at a Federation meeting. Everyone is welcome.

As Presidents of the Federation and a recipient of the Circle of Service which was presented to us in 1990 by the Vice Chairmen of the 46th National Square Dance Convention, Duke & Doris McCleskey in Florida, and along with Ed & Millie Briggs who were presented the Circle of Service from the Secretary of the National Square Dance Campers, Lou & Dottie Vogel, we would like to welcome the newest recipient of the Circle of Service in the Rochester area, Andy & Marge Hamlin.

### MAINSTREAM QUARTERLY SELECTION

Walt Cooley, Chairman of the Mainstream Quarterly Selection Committee, has announced that the Committee has selected **ACEY DEUCEY** as the Mainstream Quarterly Selection for the period Sept. 1, 1993 to January 1, 1994. Quarterly selections are provided as optional material for those callers and/or clubs wishing to include a workshop in their programs. Quarterly Selections should not be used unless it is walked through or workshoped first.

### ACEY DEUCEY

**STARTING FORMATION:** Ocean Waves (most common), Two-Faced Lines or other formations where there are ends that can circulate without becoming centers.

**ENDING FORMATION:** From Ocean Waves, the result is waves; from Two-Faced Lines; from lines facing out the result is Lines Facing In (ending position depends on starting position).

**THE ACTION:** Ends Circulate as Centers Trade (if centers are both facing the same direction this is a Partner Trade; if ends are both facing in the same direction they will usually pass someone).

## LETTERS TO THE EDITOR

The following is the second part of a partial reprint from June/July 1993 URDC Newsletter:

### "LOOKING CIRCLES"

What if there are so many dancers taking Round Dance instruction that two dancing circles are needed? No problem.

Two dancing circles are formed for dancing and when instruction or viewing time--Looking Circle time--is called for, those dancing in the inner circle should return to the outer circle, forming the original "one dancer behind the other" Looking Circle. (By the way, when dancing is resumed after Looking Circle time, dancers should return to the DANCING circle they originally chose or were assigned to.)

If, as often happens at larger conventions, a particular dance or clinician happens to be very popular, THREE dancing circles may be needed.

In this instance, when a Looking Circle is called for, those dancing in the outer circle nearest the wall and those in the inner circle nearest the center of the hall should join the middle circle of dancers to form the Looking Circle--that is to say those in the outer of the three circles would be moving in toward the center with those in the inner of the three circles moving outward.

There are times when a clinician wants only a quick span of time and will say "retain your places" or "don't form a Looking Circle, this will only take a moment". Dance partners should immediately stand one in front of the other to allow more viewing space for those behind and around them. They should be careful not to form a solid wall of bodies.

(Coming next month: "COURTESIES")

CHEF'S CORNER  
By John Zlerie

October is the time for Halloween parties. Here is a finger food for which we never can have enough recipes.

### COCKTAIL REUBENS

36 slices cocktail rye bread, toasted  
1/2 cup Thousand Island dressing  
1 can (8 oz.) sauerkraut, rinsed & drained  
1/4 lb. thinly sliced corned beef  
1 6 oz. pkg. Swiss cheese slices,  
each cut into 4 squares

Arrange 9 slices bread on paper towel lined plate. Spread each slice with about 3/4 tsp. dressing. Add small amount of sauerkraut and corned beef to each slice. Top each with one square of Swiss cheese. Microwave at 70% power level for 1-1/2 to 2 minutes or until cheese melts, rotating plate once or twice. Repeat with remaining ingredients. Enjoy! Chef Z.

## CARMEN'S COLUMN

### Dance Suggestions for Singles

The following is adapted from an article by Paul Burke of the Washington DC area for contra dancers, but applies to square dancers as well.

**Can we build community?** *Oldtimers:* if you see a beginner couple, take another oldtimer and ask them both to dance. Smile and people will like dancing with you more. Once a month dance the opposite sex's part to see what it's like. Each evening it's good to dance with *a.* your favorite partner, *b.* a beginner and *c.* someone who's name you want to know. If you date a dancer and break up, discuss how to divide the dances so each of you goes to some.

**Change partners after each dance.** *New dancers:* learn by dancing with good dancers. When you find a good dancer in your square, compliment her or him and ask for the next dance. If you're sitting, ask as soon as the tip ends; Men and women ask; it doesn't mean romance. In counting the next dance, mixers and couple dances don't count.

**Can we agree on twirls?** Be sensitive to the other's veto. If her left hand presses down at all or is at her waist height or if he keeps their hands low, she won't twirl. If both agree and she twirls, his hand should be above her head and move very little so she can brace against it and twirl herself. Don't crank like a pepper grinder and don't twirl beginners.

**Can we dance more to the music?** If you tend to finish early or late analyze whether it is you or the caller. You should be taking one step for each beat of music. Figures like GRAND SQUARE require a specific pattern to be followed.

**Can we decrease injuries?** If you're hurt, say "ouch" and/or go limp. Don't just say it's all right. Admit that it did hurt. By saying something you protect yourself and others. If someone too rough or too strong asks you to dance, it's OK to say no. If you bump someone or step on feet twice at a dance, you may be tired. Think about sitting out or going home. If you're uncomfortable about how someone's holding you, say how you want to be held. *Men:* holding a stranger very close makes her feel uncomfortable and earns you a bad reputation. *Women:* if anyone's offensive to you and persists, ask someone in charge of the dance to tell him to stop or leave.

### Triggers

Wasn't September fun---getting back into our dancing after a long, lazy summer! It was a challenge, but Bob Schlenker pulled us through as always and we are on our way for another fun year.

Our new Presidents, John and Paulette Bo, met with the Board at a combined picnic/meeting at the home of Jim and Ruth Appleton. Following a delicious meal, the yearly schedule of events was completed and we will have many special dances. On October 26th, we will be celebrating Hallowe'en. Put on your ugly face and your funny costumes and join us. Maybe you'll conquer and take home a treasure!

## Batavia Silver Stars

After having a great summer of dancing in the Mall, we are back at our regular place, BOCES (Bldg. C Spec. Ed. Bldg.), 820 State Street, Batavia. It is not hard to find--across from Batavia High School. So if you haven't been out to see us before, come and look us up. We are looking forward to another great year with Bob Meagher calling squares and Nancy Fincher cuing rounds. We have our Halloween Dance on Oct. 25--which is always a fun time. Drive out some Monday night and join us.

## Victor Swing-A-Longs

Our thanks to everyone who supported us in the Square Dance demo at the "Hang Around Victor Day" on Sept. 11th. It's always a lot of fun to dance and walk along Main Street visiting with old and new acquaintances, sampling from the multitude of goodies.

Our club is so happy to be dancing at a new "old" location this year at the Intermediate School cafeteria at Victor Central on High Street. It's the place we started out in many years ago, where many of you came to join us at our Annual Sno-Ball Dance in January. Mike Herne is our main club caller. We dance from 7:30-10:00 with Mike cuing rounds between tips. We have scheduled several guest callers for the coming year and look forward to enjoying them all. October's guest caller will be Dick Schweitzer on Oct. 21st. He will be doing all singing calls.

October 28th Mike Herne will be doing our TRICK OR TREAT DANCE. You can expect he will have some "Spooky" and "Tricky" moves in store for all who come that night.

Our anticipated class this season will be formed through the cooperative effort of VICTOR SWING-A-LONGS and the Victor School Continuing Ed. Program. Jodi Mattice will be teaching on Thursday nights in the Junior High School. If you know anyone in our area who might be interested, please have them get in touch with our information #.

Mark your calendars for our special HARVEST DANCE on Saturday, November 6th. This would be an especially good dance for all you new graduates who have been learning Plus calls during the summer. Watch for our ad elsewhere in this PROMENADER with more information to follow next month.

Happy Autumn Dancing!!!

## Genesee Dancers

Wow! Have you ever seen anything whip by so fast as the month of September? It started with the Trail Back Bash at the Green Lantern where visceral pleasures abound. Then it was fun getting back into the Square and Round mode after a long, lazy summer of goofy golf, waterskiing, picnics and slapping mosquitoes. Labor Day hurried right past and all of a sudden, it's fall. Before they knew it, Chairs Avis & Bob Clark announced it was time for that famous Silent Auction Night. Everybody brought good stuff they couldn't use, donated it to the club and it was auctioned off. Turns out to be an everybody-wins activity and funnier than a stand-up comic. It's amazing how much fun Genesee Dancers can cook up.

On Oct. 28 while everyone else plans to scare the bejeepers out of their friends and enemies at Halloween time, Genesee Dancers will take another opportunity to have a superb pot-luck dinner, called the "Halloweenie Roast." Don't you believe it, it's gourmet and of course, post-prandial, dancing as usual at 8:00.

Genesee Dancers is up to its public service activities again. Oct. 7th is the last open house for retreats. If you know of any folks who are on the edge of getting back into the Square and Round Fraternity, send them over. We'll get them back up to speed and motivated for you. If they miss the open house, not to worry. Chairfolks Norsens' and Andersons' tell us they can still join the fun group at 6:45 of a Thursday at Brighton Reformed.

## Circu-8-tors

The dancing season is in full swing again. Maybe it is time to try out the Circul-8-tors. We are a Plus Square and Round Dance Club which is also a traveling club. A group of us went to Boston and New England last month and really enjoyed ourselves. We usually have a long trip one year and a short trip the next year. These trips are a lot of fun and you can spend time with dancing friends who are great to be with. Also the attractions are interesting and educational. Come and find out more about the Circul-8-tors. Our next dance is on Oct. 17, 1993 at Penn Yan Grange Hall, Route 54A in Penn Yan. This is an open house so non-members are invited compliments of the club. Jerry Carmen will be the caller and Betty Carmen, the cuer. Our November dance is also an open house and will be at Covenant United Methodist Church, Culver and Parsells in Rochester on Nov. 21st. Chip Kellogg will be the caller and Dottie Reed, the cuer. This is also a complimentary dance to non-members. We usually dance in the spring and fall in Penn Yan and during the winter in Rochester. Come by yourselves or with Circul-8-tor members. We'll be happy to see you.

Our last dance was on Sept. 19th and we enjoyed the calling of Chip Kellogg and the cuing of Dottie Reed. After a business meeting was held, a group of us went out to dinner at a local restaurant. Walk-ins are always welcome at the Circul-8-tors and the ride down to Penn Yan is very enjoyable.

Hope to see all members and many non-members at our Open Houses. Keep dancing.

## Web Spinners

The Web Spinners are in high gear now, after our Open House nights and a very nice driveway dance hosted by the Bizubs. Thank you, Dick and Ginny! Now October promises to bring some very special dances along with our regular dates.

We hope that any will attend the Elvis Presley Square Dance Night on Saturday, October 2 at the Ridgecrest Senior Center in Webster. This dance is co-sponsored by the Shooting Stars and Web-Spinners and should be a "night to remember". Come, bring your friends (Elvis look-alikes also encouraged) and enjoy a pleasant dance evening with songs by Mike "Elvis" Herne.

The Club does not have a regular dance on October 15 so everyone is encouraged to participate in the annual Apple Harvest Dance, sponsored by our "Good Neighbors", the Wayne Westerners. This event promises to be very exciting with the Hip Boot Boys at the mike. If you haven't seen them in action, now is the time! More details will be available at our regular dances.

The end of the month, Fri., Oct. 29 brings our annual Halloween Dance. Mike Herne will be providing the "scary" calls and Bill Saintey will cue the "mystery" rounds. Watch for further information. Everyone has enjoyed this one in the past and we expect to see some very ingenious costumes again!

That's it for now. But remember that your help may be requested to assist new class people. So please help if you can. Happy dancing.

## Lilac Squares

Wonderful! Our club is starting out the month in a fantastic way! The fabulous Richard Lane will be here October the 4th! He's the type of caller that gets you gliding (not colliding) out on the dance floor. His type of calling leaves you with a smile on your face, your feet a-tapping and that feeling "Boy, I'm glad we came tonight." We all hope to see you out really enjoying yourself on the dance floor.

October the eleventh, we will be enjoying a regular dance. Of course with the wonderful people in Lilac Squares, even the "regular" nights are great.

October the eighteenth will find the dance hall just filled with all sorts of simply delicious aromas as we will be having a bake auction. Come one, come all! We're sure Jerry will do his best to help us burn up the extra calories. Ymmmm--I can smell that fresh home baked bread.

October the twenty-fifth will be our Halloween dance. It will be an opportunity to test your costume before you wear it at your club. Perhaps you will take home one of our scary awards.

We hope to have you over at our Red, White & Blue dance the second weekend in November. Just a note--we'll be having an interesting dance the end of November--it will be really, very irregular.

## Tecumseh Squares

October is the time of year when the talk turns to the weather and Fling Fantastic (not necessarily in that order). Those with reservations are looking forward to a great time as usual and those without reservations will be sorry if they can't make them. Other coming events this month include a dance sponsored jointly by Tecumseh and Copy Cats on October 3rd with Ken Ritucci from West Springfield, Mass. calling. This is a Sunday afternoon dance that will be held in the big hall with squares starting at 2:00pm. Redmen's will be offering a buffet dinner at 5:30; menu and outlay not yet available. We round out the month with our Halloween Dance on the 29th.

Come on over on Sunday nights at 7:00 and be an angel to our class of 1994. They will surely appreciate it and we guarantee that you'll have a good time. Don't forget that someone was an angel for you and now's your chance to be an angel.

I'll bet that most people attending the Gourmet Dessert Dance never saw that many desserts in a long time. I put on a few pounds just looking at all the delicious goodies. Thanks Jean & Marv Berner and their committee for a fine job.

Plans are underway for the November dance co-sponsored by Boots 'N Slippers at the Greece Community Center on November 19. Bruce Shaw and Mike Callahan will be calling along with cuers Mark Thone and Brian Adams. This dance drew quite a crowd last year and most everyone attending had a good time. Mark this date on your calendar.

## Country Twirlers

Hi dancers! Now that our club is in full swing, we're looking forward to our October dances. Our September Open House was a great success and there's still time to invite your friends to our square dance classes which begin on Saturday, October 2nd and every Saturday night from 7:15-9:15. Classes are taught by our seasoned instructor, Les Bradt with refreshments and socializing after classes. The Country Twirlers will be celebrating their 34th anniversary in October. Come and celebrate with us while we have such guests are: Mike Callahan, Bob Slomcenski, Tim Crawford, Brian Adams, Dan Dedo, and our own Gary and Alice Bubel.

Check the calendar for dates and times. We look forward to seeing you...visitors are always welcome.

## Stardusters

October's going to be a great, fun month for round dancers. First, on October 8 and 9, Richard and Joanne Lawson from Alabama will be in Albany to teach and cue at the State Festival. Those who've danced to and learned so much from them at other weekends and at national conventions sing their praises as among the few very top cuers in the country. As a bonus, our own Nora and Bob Slomcenski will be teaching and cuing too, as this year's state cuers.

Then, on October 17, Irv and Betty Easterday will be at the Green Lantern Inn in Fairport for an afternoon and evening teaching and cuing Phases IV, V, & VI. The Easterdays have been among the top cuers nationally for many years and have a knack for making learning easy and dancing fun. The dance and dinner combined are \$40 per couple donation. For more information, call A.J. and Joe Caracci at 223-0906.

Our hearts are with A.J. and Joe on the loss of their daughter, Joanne.

## Wayne Westerners

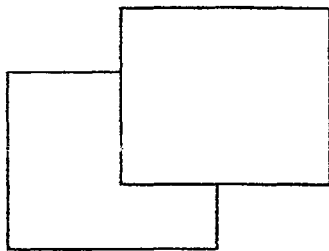

It sure feels good to be back dancing and socializing with our friends. In September we hosted two class open houses which were both successful and fun. It's not too late to still join our fall classes. If you know anyone who might be interested, please extend our invitation. Classes start Monday, October 4 at 7:30pm in the Marion Elementary School under the leadership and guidance of caller Ron Brown.

Well, it's almost here. The dance we all look forward to, the annual APPLE HARVEST DANCE, will be held on Friday, October 15 starting at 8:00pm. The dance will be at the Williamson Middle School (not to be confused with the Williamson High School where it is normally held). It's a Plus level dance with the Hip Boot Boys challenging us in the squares and Dottie Reed circling us through the rounds. And don't forget about the famous silent auction held throughout the evening where you can bid on those delicious homemade baked apple goodies. As always, it should be a festive event celebrating Wayne County's apple harvest. So remember to mark your calendars and we hope to see you there.

## Kuntry Kuzzins

At our first Kuntry Kuzzins dance of the season, Bob Stern and Dottie Reed certainly got us back into the rhythm of dancing at "The beat goes on" dance that kicked off the season. I could see why Gene has the title of "official dipper" as he scooped out the ice cream for the much appreciated sundaes after the dance.

Gary Bubel and Dottie Reed were great helping us celebrate at the "Harvest Festival" dance. The harvests that came in and found new homes certainly prove that generosity is alive and well among square dances.

Another Gary, Gary Pruyne, of Southern Tier fame, is calling at our "Columbus Day" (wear red, white and blue) dance Oct. 9. Dottie Reed is cuing.

Oct. 23 will be a traveling "Mystery Ride". We'll meet at the Kelley School in Newark off Pierson St. at 6:15 for instructions and leave at 6:30. N, S, E or --who knows where we'll end up. I do. Can you guess?

We Kuntry Kuzzins are having an extra "5th" Saturday horrendously, spooky, special, Halloween Dance Oct. 30. Kostumes or Kasual will be the order of the evening with Mike Callahan kalling, Dottie Reed cuing. Special awards and pumpkin pie will polish off the evening.

Looking ahead to November, we'll be having a craft night--just in time for the holiday season.

Looking forward to seeing you.

## Cloverleaf Squares

The leaves are starting to turn and another summer is only a memory. What makes this almost bearable is the fact that we actually HAD a summer this year and that Fall is an exciting season in the square dance community. Many clubs that don't dance in the summer are well into a new season and all of us are welcoming new faces into our classes and our squares. Welcome, new and newly graduated square dancers!

Many of the Cloverleaves journeyed south over Labor Day weekend to attend the National Singles Convention in Valley Forge, PA. We all had a wonderful time dancing to the fantastic callers and cuers in the company of old friends and new. On the home front, our Open Houses on September 12th and 19th were a huge success. It looks like we should have a large class of eager beginner square dancers this year. Our annual clambake was held on September 18th at the home of Dave and Mary Fisher. We all enjoyed the class and the chicken dinner and had a lot of fun socializing and playing volleyball, bocci, and croquet.

Looking ahead, we will be having our annual October hayride and hotdog roast at McCracken Farms. Not sure of the date yet, so be sure to check the information line.

As always, Cloverleaf Squares is busy planning other new and exciting activities, so please check our information line for details on all our latest events.

### Silver Squares

We should be in full swing by now. Hopefully with old and new members. Betty Selbert was in the hospital in August. She is gradually regaining her strength and we hope she will again join us on Monday afternoons. The Connors spent a week in Northern Canada with family and went looking for moose--but to no avail! The McNamaras will be in North and South Carolina for a couple of weeks in October.

Our club will celebrate Halloween on Oct. 25th--the crazier the better! Our Xmas party will be at the Grange in December--join us for a great turkey dinner and dancing.

### Finger Lakes Squares

Our club is back in full swing after a hot summer. It sure is nice to dance with the cooler weather.

Bob has an "A" level class starting at 7:45--it isn't too late to join. The A2 weekend campout at the Brown Barn was just great. If you missed it all--too bad. But try next year.

See you all at the New York State Festival in Albany, October 8 and 9. If you haven't signed up, there still may be time.

Everyone in the club and guests want to thank Liz & Vern for the super Ice Cream Social. It was great. Thanks again, Liz and Vern.

### Belles 'N Beaus

On Sept. 13th we had our Round Up Dance. The jeans and cowboy hats and other Western wear made it a festive party. The Belles and Beaus Players put on a cute skit and we had plenty of goodies. From 8:00 to 9:45 we will alternate squares and rounds (rounds include Texas Two Step and Line Dances.) The last tip will be Hot Hash. The class is on Wednesday nights at 7:30 to 9:30. Be an Angel and come help. On Oct. 11th at Wesley Methodist Church, we will have a Pizza Party. On Wednesday, Oct. 27th, we will have a Halloween Party.

Hopefully Ralph Slocum, who broke an ankle in a motorcycle accident; Chuck Thiele who had a knee replacement, and Danny O'Brien, who had a shoulder operation, will soon be back dancing with us.

### Promenading B's

The Promenading B's have found a new HIVE to call home! The dancing year of '93-'94 will find all of us at the Churchville Elementary School. (parking behind the school off Park Rd.) What an exciting year so far! Caller Bob Schlenker is busy from 7-8:30 with the line dancers, etc. and then it's "Circle Right, Allemande Left, Promenade"--you know the rest.

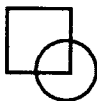

We are especially excited about our two open house dates, October 22 & 29. The open house of the 29th has an added feature as that is our annual Halloween Party. So join us anytime, especially for the Halloween Party. Costumes are optional but isn't it more fun to hide your identity? So get buzzin and mark your calendar to join the Promenading B's at their new HIVE at the Churchville Elementary School.

### If you find mistakes....

...in this magazine, please consider that they are there for a purpose. We publish something for everyone, and some people are always looking for mistakes!

The following New Dancers Bill of Rights was developed by the CALLERLAB Education Committee and adopted by the general membership at the 1988 CALLERLAB Convention in Reno.

#### NEW DANCERS' BILL OF RIGHTS

A new square dancer has the right:

1. To a class experience that is both educationally and socially enjoyable.
2. To patient and dignified treatment by the class instructor(s) and sponsors.
3. To gain experience dancing to other callers and, if possible, with dancers from other classes, prior to graduation.
4. To receive advice and assistance in acquiring appropriate clothing for square dancing.
5. To instruction and practice using the approved definitions, timing and styling for each listed call. (Basic, Mainstream, Etc.)
6. To information about the history and heritage of our present square dance program.

As stated above, this "Bill of Rights" was approved by our entire membership. We encourage ALL callers and square dancers alike to help put the FUN and FRIENDLINESS back into square dancing!

Happy Dancing! Keep 'em smiling! Remember, Friendship Is Square Dancing's Greatest Reward.

Copy Cats

On October 2nd, several of our club couples are planning to attend a Cayuga Cut-Up dance in Union Springs, NY featuring Richard Lane. We are planning to go by van and it should be a fun trip. Soon after we return from Union Springs, we have our long awaited dance featuring Ken Ritucci from West Springfield, Mass. Mark Thone will be cuing rounds and we will have a buffet dinner at the Redmen's Club immediately following the dance. This is a jointly sponsored dance by Copy Cats and Tecumseh Squares. Come and enjoy dinner and dancing with a national caller.

By the time you get this issue of the *Promenader*, most of the clubs will know how successful their OPEN HOUSES were in attracting new dancers. We are keeping our fingers crossed for our club; as I'm sure you are for yours. Our clubs success depends upon getting new people into square dancing.

We finish October with a Halloween costume dance. See our ad in the *Promenader*. Gary Bubel will be our guest caller. Please come in costume and enjoy a dance with the CopyCats and maybe bring home a treasure.

#### TIPS for TIPS

- DO remember that there is a lot more to square dancing than just going out in the evening and listening to a caller. Somebody has to do a lot of things, like finding a place to dance, providing refreshments, keeping track of how the money comes and goes, planning special parties, decorating, etc., etc., etc. Figure on doing your share as a volunteer in these activities, or paying someone else to do it.
- DO consider that you may get more satisfaction from the personal contacts and the feeling of cooperation if you join with the folks who are providing these necessary services. In other words:
- DO keep your membership in at least one club, and accept your full share of the responsibilities, as well as the privileges, of membership.

Lima Grand Squares

Another dance demonstration was held in Honeoye on August 7th, and most of us stayed for the beef dinner, prepared by the church members. As of this writing, we're still enjoying (?) the "dog days" of summer, with late August temperatures in the 90's. Quite a change from last year!

By now, we've enjoyed our Pot Luck dinner and opening dance on September 10th. We needed to dance after sampling from the many calorie-laden dishes. Here's hoping the Open House dances were very successful, leaving our guests anxious to begin classes.

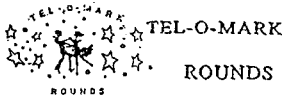

Our first class is October 1st, from 7-8:30, with the Club dance following from 8:30-10:30. We'll be having Jerry Carmen as our Guest Caller on October 8th, with the same time schedule. Regular class and club dances will be on Friday, October 15 and 22, with the excellent calling and cuing of Gary and Alice Bubel.

Get your thinking caps on--for costume ideas for the Halloween Party dance on October 29th. Our members imaginations seem to run wild every year at this time, but costumes are optional. Join us for an evening of dancing with ???

Drive on out to Lima any Friday night for a fun evening. It's not far, and you'll be glad you did.

Tel-O-Mark Rounds is a High Intermediate/Advanced level Round Dance Club which meets every Wednesday evening from 7:30-10:30pm at the West Webster United Methodist Church, 570 Old Ridge Road, West Webster. The purpose of the club is to learn the current and classic V-VI level dances which are danced at advanced weekends and festivals throughout the United States and Canada.

Starting on Wednesday, October 13, Mark and Marlene will be holding a Phase V workshop from 7:30-8:45pm preceding the regular club dancing. During this workshop, dancers will work on the skills needed to feel comfortable with the higher level dances. (See separate ad in this issue.)

The next Saturday Night Round Dance Party will be held on October 23 at the West Webster United Methodist Church from 8:00-11:00pm. This is an all level dance--Phases II-VI--which gives everyone a chance to practice their steps and to enjoy the camaraderie of the Round Dance community. A darkened room with a sparkling globe light gives the room a ballroom atmosphere and helps hide any "fudged" steps. It's a fun evening and all Round Dancers are welcome.

#### TIPS for TIPS

- DO tell your caller if you particularly enjoyed something he did: you will encourage him to do more of it. And after, but only after, you have done this:
- DO tell your caller if you particularly disliked something he did; be prepared to tell him why you disliked it and how he could have done it better. Nobody can be a caller without some dancers to call to; wise callers know this and listen to their dancers.

## Village Squares

After a glorious summer, the Village Squares are swinging into the fall season with renewed enthusiasm. Nearly the entire club turned out for the Trail Back Dinner Dance at the Green Lantern Inn on Sept. 8. Jerry Carmen helped us dust off our do-si-does and Bill Saintey cued us a-round and a-round.

Rita and Ken Tucker, caller Jerry Carmen and Mother Nature all collaborated to make the summer campout at Camp Bell the most successful ever. Mother Nature also smiled on the annual family picnic at Fellows Road Park. Over 60 members demolished the delicious array of salads and desserts, barbecued, and of course, danced.

Now, all you boos and ghouls, be sure to save **October 27** for our spooktacular **Halloween Dance**. Costumed dancers will receive a discount when registered and awards will be given for the most original outfits. In keeping with our western roots, a herd of Holstein cows joined in at last year's dance. Caller Jerry Carmen and cuer Bill Saintey are waiting apprehensively to see if the herd expands or mutates this year. So, do plan to howl with us at Halloween.

On Oct. 15 square dance lessons will begin under the able direction of Bob Meagher. Only the class will meet on **Oct. 22**.

### Follow the Oregon Trail

Square dancers with RV's, or traveling by car, are invited to follow the Oregon Trail to the 43rd National Square Dance Convention in Portland, Oregon, June 22 - 25, 1994.

The RV 8'ers Square Dance Club of Portland has put together plans for a nine-day trip from Independence, Missouri, to Portland, Oregon. Square dance campers Ash and Ann Vernholm and Jerry and Dot Long will be Wagon Masters for the trip, and will prepare information packets for participants.

The kickoff celebration will be Monday morning, June 13 in Independence. Nightly rally points are planned all along the trail. Travelers will average 250 miles a day and sight-seeing opportunities will be suggested. Participants will determine their own travel times, and make their own arrangements for overnight parking. Dancers traveling by car are invited to follow the trail and attend the rallies, with overnight stops in motels. ### Japanese Garden

Within Portland's Washington Park lies the tranquil Japanese Garden. Built on the site of Portland's first zoo, the Japanese Garden celebrates its 30th birthday this year. Considered one of the finest Japanese gardens in the world outside of Japan, the garden offers more than 5 acres of pathways, waterscapes, greenery and flowers.

### National Square Dance Directory

The National Square Dance Directory is a handy reference for contact information about the 43rd National Square Dance Convention. It also contains information about dancing with local clubs in Oregon and is recommended as a resource for traveling square dancers. Included in the listings are contact names and phone numbers for over 10,000 dance clubs in the U.S. and other countries around the world. Dancers can easily arrange to visit and dance with clubs as they travel. There are listings for international, national, regional and local dance associations and dance publications, as well as callers, cuers, leaders and calendars of upcoming conventions and festivals around the world. Copies are available for \$8.95 plus postage, or a lifetime subscription is \$50.00. Write to: The National Square Dance Directory, P.O. Box 880, Brandon, MS 39043.

## Friendship Squares of Geneva

It was great to have some warm weather this summer as a change from 1992 but cooler weather inspires dancing more! Our club is looking forward to Pie Night Friday, Oct. 15 at West St. School, our usual location. West St. starts on 5 & 20 just east of Arby's; go north past two stop signs to the school, Wayne Westerners and Kuntry Kuzzins will be invited guests, but all others are welcome as well. Save tummy room! This dance was a big hit last year!

Save Sunday afternoon, Nov. 7 for a dance at DeSales High School in Geneva, with Stan Burdick calling and Linda Carnegie on rounds. Burdick and his wife, Cathie formerly owned and edited American Square Dance magazine. Stan has called in 50 states, 10 Canadian provinces, and 11 or more foreign countries. He has conducted seminars, clinics, and called "colleges" countrywide, and served in a number of square dance leadership roles. We hope you will come and enjoy!

## ROUND TOWNERS

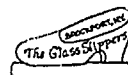

Round Towners is an intermediate level Round Dance Club dancing Phase III and IV, with teaches at Phase IV. We meet every Sunday evening at the Covenant United Methodist Church, 1124 Culver Road, Rochester from 8:00-10:30pm. (See schedule in back for specific dates.)

We enjoy the "classics" as well as the more contemporary or modern dances and we try to focus on those dances that are both fun and popular at weekends or at any other clubs you might visit, both locally and around the country.

### We will not be dancing on Sunday, October 17.

We have resumed our schedule of monthly (whenever possible) Saturday night Round Dance Parties. This month the date is October 23 from 8:00-11:00pm at the United Methodist Church of West Webster, 570 Old Ridge Road. (See separate ad in this issue.) These dances are all levels, Phase II-VI.

## Glass Slippers

The Glass Slippers started the new season with our Pot Luck Dinner and we certainly "lucked out"! The food was great and the companionship was even greater. Our open houses brought us some interested dancers, so the future looks good.

Halloween, and a time to dress up in other "funny clothes", is the next theme dance we all look forward to. Bob Meagher will do his part. Besides having music to fit the occasion he will undoubtedly be very creatively costumed.

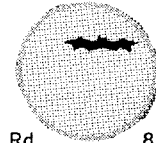

Our officers remain the same as last year. Dick and Karen Avery are our very competent presidents; Bob and Betty Coopenberg are our very peppy vice-presidents; and Bill and Charlotte Graham keep a sharp eye on financial matters. Only the secretary's position is vacant, and I'm the temporary correspondent.

We are dancing a good Plus program. Nancy Fincher's line dances and rounds complete the evening's fun. Guests are always welcome to join us at the Ginther School in Brockport.
