*This-n-That* from the Editor's Desk

Green things abound this month and by now, I'm sure everyone is looking for green grass instead of the white stuff we have all been seeing so much of this winter.

Check the Dance-O-Rama flyer insert in this month's issue for information about the DOR '94 calling staff and how to get your ticket. Support your local area dance and get your class out there for their first "big outing" in the square dance community. We are also featuring biographies of the staff in this and the April issue.

David Fisher, last year's Daphne-Norma Leadership Award recipient, is looking for nominations for this year's award. Read his article and send him any suggestions you might have.

Do you want to be an editor? Here's your chance! Beginning with the November 1994 issue--you just need a little computer knowledge, typing skills, record-keeping and bookkeeping and billing talent.

**THE PROMENADER NEEDS YOU!**

Plans for Dance-O-Rama are well under way. Please have your club take an active part in all phases of DOR. The theme of DOR is "Hearts and Flowers", and each club is

being asked to send a group picture of their class attached to a heart of a color of their choosing. This is a dance that should be a highlight for every dancer. Come and make it a success.

Your Federation Representatives will be selling the tickets at your club. Help to make their job easy by offering to buy a ticket. There are dinner tickets available, get your reservation in early to Ralph Dell, Treasurer of DOR, check the reservation form.

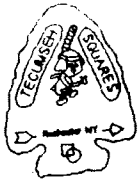

On a sad note, we all lost a good friend when Chuck Prister passed away January 13th. Chuck and Gerry were active in the Federation and all phases of Square Dancing for 33 years. He will be missed.

Walt & Sally Baechle  
Federation Presidents

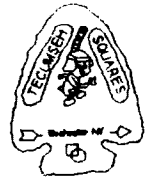

It is with profound sadness that we report the sudden death of long time member and friend, Chuck Prister on January 13th. Chuck was both a caller and a teacher and many of us are in dancing today because of him. He will

be truly missed. We express our deepest sympathy to Gerry and the family—a loss we all share with them.

# JERRY STORY

## ONE OF AMERICA'S MOST SOUGHT AFTER CALLERS

### JERRY STORY

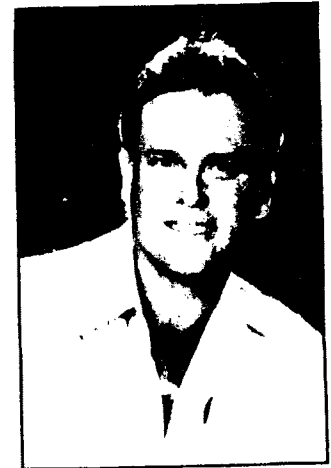

Jerry is starting his 25TH year of square dance calling, and 18 year of traveling the full-time calling circuit.

Jerry has been featured at many Festivals and Weekends throughout the United States and Canada. His biggest accomplishment has been to call eight times in Saudi Arabia and numerous cities in Europe. He calls annual weekends in Sweden and England. In July 1986, Jerry was one of the featured callers at a Festival in Japan and in 1991 in West Germany. Many upstate New York square dancers will remember Jerry's featured appearance calling at the New York State Convention in Buffalo several years ago.

Jerry has recorded on Outlaw, Roadrunner and Rhythm labels. He is now co-owner of ROYAL RECORDS, INC. His latest releases are "CHARLIE BROWN", and "I'VE GOT A WINNER IN YOU".

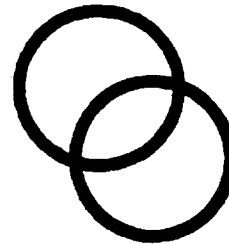

In the winter months, he resides with his wife Kristy, and sons Joshua (17) and Jacob (13) in Mission, Texas where he runs a square dance program at El Valle Del Sol (Peppermint Palace). From the middle of April to the end of October he tours across the United States and Abroad.

In his free time he loves to golf, or fish and play football with his sons.

## DANCING OR FUN?

A while back--December 1992 actually--the American Squaredance Magazine quoted a letter from a caller that was printed in 1982. It said, "Recently, as I was calling a dance, one of the dancers noticed my little badge that has the letters L.P.T.D.B.I.S.D. on it. He asked what the letters meant and I said, 'It's for LET'S PUT THE DANCE BACK IN 6 SQUARE DANCING.' He then replied, 'That's great, but I think even more importantly we should put an "F" in place of the "D" and let it mean LET'S PUT THE FUN BACK IN SQUARE DANCING.'"

Now, something about that has bugged me ever since, and I finally figured out what it was. It sounds like that second fella didn't think that square dancing is fun, and now what's bugging me is wondering what sort of thing he thought FUN was if it wasn't the dancing. For one thing, if the dancing isn't important, why bother with the music? It would make things a lot cheaper, because the callers wouldn't need to put money into a lot of expensive records, or pay the big copyright fees to ASCAP and BMI.

If the fun is the fellowship and partying, it doesn't make sense to pay a caller to come in and break up the gab sessions by making everybody get out on the floor and square up. If the fun is in having a common interest, there are a lot of interests that are common to a lot more people than square dancing, which after all is a pretty uncommon interest. Things like charities, excursion trips, hiking, gardening, you name it.

I guess the real answer is the exercise. Line Dancing is getting to be more and more like aerobic exercises every day, and we see a lot more rhythm and moving to the music in the Bally Club TV ads than in a lot of square dancing. The only thing missing is that the square dance clubs don't provide the little stools for the dancers to hop up on and down from.

### KEVIN BACON MEMORIAL FUND

Kevin Bacon was a popular square dance caller from Texas who was murdered as an innocent bystander in the Food Court of Irving, TX on Dec. 27, 1993. He was with his wife and two daughters (ages 2 and 4) when a gang-related shooting began. He was killed instantly when a stray bullet hit him in the right temple.

Kevin did not have life insurance. To help his wife, Cyndi and their two daughters, a number of fund-raising square dance events are being planned. In addition, a "Kevin Bacon Memorial Fund" is being established. If anyone of you individually wishes to act, we are being requested to furnish the necessary information below.

### SAM LOWE

Sam Lowe learned to dance in 1980, and upon completion of lessons he tried his hand at calling until 1984, when he called his first complete dance. Since that time he has become an accredited member of Callerlab, a member of its full-time caller committee, and a member of South Carolina's Square Dance Caller's Assoc.

Sam calls for the Pendleton Swingers, the Paws & Taws, and conducts workshops for beginners through A-2 in the Greenville, S.C. area. He has been on the programs of the National Square Dance Conventions since 1985 and is on the staff at English Mountain Resort, Sevierville, Tenn. and Lionshead Resort, W. Yellowstone, Mont. He has been featured at area and state festivals across the country, and records for Quadrille Records.

In 1990, Sam chose to pursue professional calling on a full-time traveling basis. He attended Greenville Technical College and received a degree in Business Administration, with a major in Management and Marketing.

## JOAN AND ARMAND DAVIAU

Joan and Armand began round dancing in 1983 and in 1985, they began cuing for square dance clubs in the area. That same year, they began teaching a basic class. They are leaders of three round dance clubs in the Springfield, Mass. area, dancing phases II through VI.

They have been featured on staff as cuers/teachers/clinicians for several New England Conventions and festivals including the 1992 National Square Dance Convention in Ohio, and various other festivals and weekends.

They are members of the New England Screening Committee, Mayflower Teachers Assoc., Dixie Round Dance Council, URDC, and Roundalab. They have composed dances in all phases, some of which include Midnight Stroll, Hello Baby, Tennessee Rock, and Oh Yeah!

They try to attend as many clinics as possible to gain more knowledge.

---

## WADE JOHNSON

Wade Johnson began Western Style Square dance calling in 1974 and attended the Lasry & Schneider Callers School. He is a member of the Pittsburgh Area Callers Assoc. and Callerlab. Wade calls for various clubs in a 5-state area around his home in Washington, PA and has called at five National Conventions, one Ohio Convention, and 19 West Virginia conventions.

He is currently calling and teaching for two local clubs at the Mainstream thru A2 levels and can call some C1 star tips.

Wade and his wife enjoy vacationing and traveling in their motorhome, and he enjoys fishing, hunting, and sailing with their grandson.

## HERE IS THE LATEST FROM THE ROVING REPORTER:

The other day your reporter heard Dr. Dean Edell on WHAM. The good doctor was extolling the virtues of dancing and the healthful benefits of such activity. He stated that a square dancer on a good night went through an aerobic trot of over five miles! No wonder I am tired at the end of a dance! In any case, it prompted me to think of other benefits to our health gained from square dancing.

Where else can you go on New Year's Eve or any big party night and have a great time without alcohol? As has been noted, a dancer with six cream ales or five Beekeeper Martinis under their belt will have a real problem with Relay the Deucey. Sure makes square dancing a great place for folks who want to stay away from booze or drugs.

How about stress relief?? Can you really think about the big order you lost while going through "Spin chain and exchange the gears"? The fact that your sixteen year old is out with your new car gets forgotten in the middle of "Running Bear". So next time you get all dressed up for a dance, think about what a great thing you are doing for yourself.

## CHEF'S CORNER

After bringing this Pate' to the Tecumseh Squares Holiday Party and the New Year's Eve Party, I received many requests to share it in this column.

## CHICKEN LIVER TERRINE

1 qt. boiling water	1 celery stalk
2 parsley sprigs	1 cup soft butter
6 whole peppercorns	1 lb. chicken liver
3/4 tsp. salt	1/2 tsp. grated nutmeg
2 tsp. dry mustard	1/4 tsp. powdered clove
5 tbsp. minced onion	2 tbsp. cognac
1/2 clove chopped garlic	1 pinch cayenne

To the boiling water add the celery, parsley, and peppercorns. Reduce heat and simmer 5 min. Add the chicken livers and cook, covered, 10 min. Drain and grind all, using finest knife of food grinder or processor. Add salt, cayenne, butter, mustard, cloves, onion, garlic and cognac. Blend thoroughly. Pack the pate' into a tureen, bowl, or mold and chill thoroughly. Unmold and garnish, if desired, with sliced green olives or chopped hard-cooked eggs. Serve as a spread on buttered toast points or a variety of crackers. Enjoy!

## RUSSIAN VISITORS SQUARE UP

During a September business trip to the City of Neberneszhne-Chelney, about 600 miles east of Moscow, six local health professionals were invited to join full costumed dancers in a version of a Russian square dance.

Knowing that the Tatarstani delegation would visit Rochester in November, Phil Kassirer of Tecumseh Squares, with the assistance of Joe Kane and caller Bruce Shaw, organized three squares of dancers at a dinner meeting at the Holodrome.

A rather dull event was transformed into a rollicking evening of do-si-dos and promenades. Small world, isn't it?...

## DAPHNE-NORMA LEADERSHIP AWARD

### BACKGROUND

The Leadership Award was established in 1977, by Frank Salvagio and John Fink in honor of their wives, Norma & Daphne. The purpose of the award is to show appreciation for **EXTENSIVE AND SUSTAINED LEADERSHIP OVER AN EXTENDED PERIOD OF YEARS** in square, round, or contra dancing. Leadership, service, and motivation are considered when evaluating candidates for this award. A candidate need not demonstrate leadership in all areas, nor is each area given equal consideration. Areas of leadership may include, but are not limited to:

1. Years of dancing or calling
2. Membership, committee service, or officer role in any of the following: Square, round, or contra club; Rochester Area Federation; Promenader; DanceO-Rama; NYS Association, or National Associations.
3. Promoting the activity through calling or teaching, and other leadership roles which benefit the community through the dancing activity.
4. Finally, consideration is given to candidate's attitude and continuing willingness to take on responsibilities in the dancing community.

An individual or couple may win the award only once. The award may not be given if the Selection Committee unanimously agrees no one met the criteria. Anyone in the dancing community is welcome to nominate people for the Leadership Award. If you know of someone you feel should be considered, please send a note identifying the individual or couple and their qualifications. Send the information to Dave Fisher, 81 Curtis Rd., Hilton, NY 14468 (Tel: 392-7737).

One of the most popular patterns for square dance skirts is the "eight-gore" skirt. If you like to create as well as sew, the eight-gore can be the basis of many distinctive outfits. For example: Cut 8 identical full-length gores or panels from your favorite solid color or one of the luscious new spring prints, add an elastic waistband and a machine hem: 3-1/2 yards + 45 minutes = one new skirt.

Let's invest a little more time and insert double-fold bias tape in a contrasting color, or narrow eyelet in each seam, or ribbon beading on each seam line. Or, fancier yet, cut 4 gores from a solid (maybe green for St. Patrick's Day), 2 gores from a corresponding print, and 2 gores from an eyelet. Place the eyelet center back and center front, one print gore at each side, and the 4 solid gores in between.

Or, cut about 4 inches off the bottom of the gore pattern piece and assemble the skirt in any combination of prints and solids. Then add a 4 inch ruffle to the bottom using one of the fabrics, or make a double ruffle using two fabrics. Or applique or fuse one of the new "cut-outs" on each gore; they range from Mickey Mouse to cats, dogs and hobbies of all sorts. What a great way to let your dancing friends know of your other interests!

By now I hope you can see some of the possibilities. This one little pattern piece has potential! And if you are like me, by the time you leave the fabric store with all your good ideas, you have more potential than the time to sew them up!

Football and winter sports have come to an end. However, square dancing is a year-round activity. Come join the Circul-8-tors for some of that activity.

Our next dance is on March 20, 1994 at 2:00pm at Covenant United Methodist Church, Culver and Parsells. Our caller will be Chip Kellogg and our cuer, Brian Adams. This is the day of our annual election. The nominating committee is busy lining up candidates for officers for next year.

Plans are under way for our annual trip. The club is sponsoring a trip to the Canadian Maritime Provinces, Sept. 8 to the 18th. This exciting trip will cost \$1099.00 per person for travel, lodging, entrance to attractions, and some meals. It will include a train trip through the area and 3 ferry rides. Reservations are filling fast, so send your deposit to Tony and Mary Culotta, 3584 Ontario Center Road, Walworth, NY 14568. If we have not met our quota, we will open to non-members and non-square dancers soon.

Send get-well wishes to Bob Bonnett, and we hope that he is back dancing soon after his recent illness.

## Belles 'N' Beaus

A good time was had by all at the February Sweetheart Dance. Thanks to Alice O'Brien, Florence Whitty, Marita Fredette, and Eileen Wasnock for organizing this wonderful event. After a pot luck supper provided by club members, class and club dancers joined together for an enjoyable evening of calls and cues by Mike Harris.

Events to come in the month of March: We will hold a Theme Dance (still a surprise to your reporters) on March 14 which will be open to both class and club. On March 21, our special guests will be the Circul-8-tors, Country Dancers, Sets in Motion, and Village Squares.

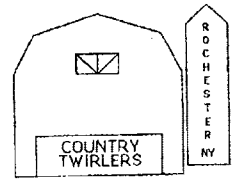

On Wednesday nights our classes (at Holmes Rd. School) now include an introduction to round dancing which began on February 2. If you are thinking about giving it a try, please join us.

We all wish a speedy recovery to Ethel Serafin and Rita Stein, and hope to see them back on the dance floor very soon.

Can you detect a breath of spring in the air? Hopefully winter is almost gone and spring is around the corner. Our St. Pat's Dance should chase away those winter blahs. Come and dance with us and Mike Callahan on March 19th. We're also looking eagerly forward to sponsoring Dave Hutchinson, from Canada, on March 12th. It will definitely be an outstanding evening.

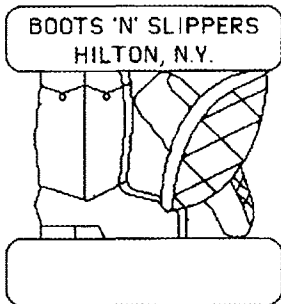

On the 26th we will be having a "Silent Auction". Bring an item from home which you don't need or use anymore and see what happens. Everyone goes home with some treasure. Enjoy this most unusual evening with us.

We're looking forward to Easter and warmer weather, but don't forget the "Ice Storm". Be prepared for anything and come join us for our exciting March dances.

Our club dances from 8:00 to 10:45 every Saturday night. See you on the dance floor.

Our thanks to callers Mike Callahan and Brian Adams for helping to make our Valentine's Dance a big success. We all had a great time.

Let's all join in the wearing of the green, as we celebrate St. Patrick's Day. We'll be dancing to Mike and

Brian on March 11th. Hope to see you there.

Boots and Slippers will hold four dances in March. We look forward to dancing to Mike Herne on the 25th.

Come and dance away the winter blues. There's fun and fellowship awaiting you.

March brings many happy nights of dancing. On the 2nd and 9th we will be having our regular dances for all to attend. We are looking forward to having our St. Patrick's Day Dance on the 16th of March at 7:00 to 10:00pm.

We also will be having the Shooting Stars and Batavia Silver Stars as our guests on the 23rd of March. We hope you all will be there to enjoy the dancing.

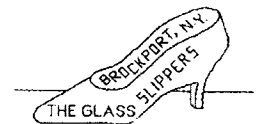

The next great dance of March will be the Purple Passion Dance for both class/club dancers. The wearing of your favorite purple is the theme of this great dance.

Keep the date, April 16th, 1994. We have a special caller visiting us that night. Come and see who it is. You will be glad you came. He has many great dances in store for all of you. Along with the great caller, you will be having the greatest Sundae made this side of Texas--the 20 foot sundae with all the trimmings. See you there next month.

Yours in dancing.

Hot, hot, hot has anyone choreographed a dance to that tune?). Nora and Bob will be soaking up hot weather and hot Cajun cookin' in New Orleans for two weeks, so we will not be dancing on

March 22 and 29. The 7:30pm half-hour brush-up review of a dance is scheduled again for the second Tuesday, March 8.

A date to put on your calendar: April 16. Both the Slomcenskis and the Sainteys will be cuing and teaching that afternoon and evening at the annual square and round dance festival in Clinton, New York. This festival is always a goody.

All our dances in March are scheduled for our usual place, the North Street School in Geneva, starting at 8:00 pm. We dance all the A1 and A2 calls, for a most enjoyable evening every Thursday. St. Patrick's Day falls on Thursday this year, so find something green to wear.

Our Valentine Day Dance was a lot of fun, with our hall decorated with red hearts and white lace. We all had more than enough to eat at the "pot luck" dinner. Thanks to Ginn & Mase Fitch and Marguerite & Mike Grose.

With St. Patty's Day a comin', sure and begorrah the Winter is almost over. We'll be a-wearin' the green and hopin' that the white snow will soon be a memory. Ann & Ed Barney and Pat & Joe Hammele are this year's coordinators, while Mike Callahan and Bob O'Slomcenski will be in charge of the jigs and such. We're all looking forward to a good old Irish Party. The following week, March 24, Mike Herne will be our caller and Bill Saintry will cue rounds.

During the month of February our club and class members enjoyed two special events. The first was our Valentine's Dance on the 13th. Everyone looked great in their red and white outfits, and yellow rocks were shared by

all. The second event of the month was our annual SKI PARTY at Dave and Mary Fisher's home in Hilton, NY. After enjoying an afternoon of skiing and playing in the snow, we were all warmed up by big bowls of chili and an evening of fun, games, and warm conversation. Thanks to Mary and Dave for another wonderful time at their home!

Looking ahead, on Friday March 11th we will be having our next social event. We will be enjoying an evening out at the War Memorial watching the Amerks display their great hockey skills. Have a great time and keep an eye on that puck!

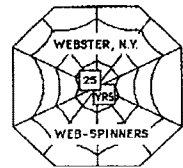

As always, Cloverleaf Squares is busy planning other new and exciting activities, so please check our information line for details on all our latest events. Also, during these winter months, please use our information line for any cancellations or event updates.

Enough of the "white stuff"!! We look forward to better weather as we make the turn at the backstretch and head to the finish line for this dancing year. Some of our members exited for warmer climates or have not been able to dance because of lingering health problems. We look forward to their return soon.

In the first half of March we have our regular dances at the church as usual. On Friday, March 18th we would like to see all of our Irish (and not so Irish) dancing friends and neighbors at our annual St. Patrick's Dance. This dance is being promoted for all class members, and is a great time for them to perfect their newest dancing skills. Of course, all club members are welcome too. There may also be some very nice "green" desserts available to satisfy your hunger pains. To "square" out the month, visiting caller Jerry Carmen will team up with Bill Saintey to provide us with yet another fun-filled evening.

At this time we would like to thank the Hermans and the Johnstons for their fine leadership of our February special dances. These people, and many others, ensure us with a fine dancing evening for all.

Till next month, see ya on the dance floor, somewhere.

Dancing has been wonderfully warm on the inside at your Kuntry Kuzzins in Newark. We had a lot of fun with Dick Schweitzer and

George Burch at our Valentine Dance. Dick is always great at reviving some of the fun calls from the past. Don't you think "Venus and Mars" should be brought back?

Gary and Alice Bubel made our President's Birthday dance a fun time. Gary has such an interesting way of putting calls together, along with his bubbling personality, that we couldn't help but have a good time.

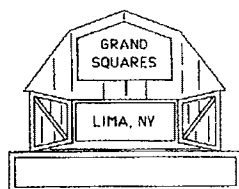

St. Paddy's Day is kumin to your Kuntry Kuzzins March 12. Bruce Shaw will be calling for the "wearin o' the green". He'll catch you if it would be anticipatin a call that yer doin. Yer ears will announce to yer feet that they'd better be doin somethin else. Never a dull moment. Rounds by Mark Thone will literally round out your marvelous evening of dancing.

We invite all your classes to come to Newark March 26. Phil Eno is just the caller to make class members feel comfortable dancing. Phil wil be doing the cuing, too.

Thinking ahead: If we think of the snow as a gift--a gift to the plants that come up in the spring--and keep in mind that sunny California is sending us "Johnny" Preston to call for us on August 5 at the Community Center in Newark, the winter will pass more pleasantly.

A "Casual Night" was scheduled for January 14th, but due to the "wintry blasts", we had at least three nights in January when many of us came and danced in our casual attire.

On January 28th we enjoyed dancing to guest caller Jerry Carmen. At our Valentine's Dance on February 11th we danced with our favorite sweethearts to guest caller Ron Brown.

During March all our dances will be with our regular excellent caller Gary Bubel and his wife, our cuer Alice Bubel. The club dance on March 4th will feature a Pizza Party.

March 11th, 18th, and April 1st are class/club dances at the usual scheduled times. On March 25th, we will be holding our Class/Club dance beginning at 8:00 pm. Be sure and come and bring your class with you!

## CIRCLE DANCERS OF GREECE

Well, have you got your green suede shoes ready this month? That's right, it's that time again: St. Patrick's Day. I guess we all have a little Irish in us this month.

This year we will be having a St. Patrick Day party, March 17, 1994. We dance at the West Ridge Senior Center, and of course we always have a great time. You've heard it said "good things come in small packages". Well, we feel "a small group leads to a great time for all." We really would like to welcome you to our dance.

We dance level 2-4, which means we try to dance a little of everything. That's right, swing, fox trot, cha, rumba, 2 step, waltz. We do it, or at least try to do it, all.

Hey, you know what? I know a place that has "loose" women. Now wait a minute. I mean single ladies who love to dance. That's right, we could use some males to complete our picture. If you're interested, please give our little group a try. We would love to see you.

Oh well, I'm running out of space. See you around the square, I hope.

We have weathered through the drifts and slippery roads, and now we're anxious for some greenery—the St. Pat's shamrock type. Plans are underway for our March 18th St. Patrick's dance, with club members coming out in their

bright greens and leprechaun apparel. Learning the Cowboy Boogie and the Waltz Across Texas are great features for Club and Line dancers who participate at the hive. Our Valentine's sweethearts had a warming glow at the B's on February 11th. Along with our delayed Silent Auction, yummy desserts and hot java were the order of the night. Our caller Bob and his honey Sue-bee related on activities at the Watson Weekend, which was a ball.

All clubs are invited to come out and join the fun on Saturday March 26 for our annual Black Light Special hoe-down. (Remember those dancing white gloves). Look for our special Ad in the *Promenader*—we hope to see you there.

A special note to many dancers who are ill or hospitalized: Hurry and get well! We miss you very much!

Tel-O-Mark Rounds is a round dance club dancing intermediate to high level intermediate which meets every Wednesday evening at the West Webster Methodist Church in West Webster. The purpose of the club is to learn the current and classic higher level dances which are danced at round dance weekends and festivals throughout the United States and Canada.

The new club schedule as of February, 1994 is as follows: 7:30-8:00 - Phase VI teach or Phase VI dancing; 8:00-10:30 - Phase IV/V dancing with a clinic/teach. All intermediate level dancers are welcome.

The next Saturday Night Round Dance Party will be held on March 19 at the West Webster United Methodist Church from 8:00-11:00pm. This is an all level dance--Phases II-VI. It is an enjoyable evening for all and gives round dancers an opportunity to practice their steps and enjoy the camaraderie of the round dance community. A darkened room with a sparkling globe adds to the fun and hides any mistakes. All round dancers are welcome.

The SWING-A-LONGS have 5  
exciting dances scheduled this  
month. Our own Mike Herne

will be calling on March 3 and 10, when we have invited  
several clubs to join us. Glass Slippers, Sets in Motion, and  
Copy Cats are invited March 3, and on March 10 we have  
invited Country Twirlers, Boots 'N Slippers, and  
Promenading B's. Mike will call on March 31 for our annual  
Easter Egg Dance. Yes, we do have an Easter Egg Hunt and  
a beautifully filled Easter Basket goes home with one lucky  
dancer! It could be YOURS!

March 17 brings Jim Landen to call for our "Luck  
O' the Irish Dance". Just put on your green and come on out  
to Victor. Mike Harris calls on March 24 with a night of all  
singing calls. We are in the process of planning a MYSTERY  
RIDE during March--I wonder where the SWING-A-LONGS  
will be traveling to?

Saturday, April 16 we will team up with WAYNE  
WESTERNERS and LILAC SQUARES to sponsor a  
FASHION DANCE--take note of our ad in this issue of the  
*Promenader*. Chip Kellogg will be calling and fashions will be  
provided by the Carriage House of Auburn. This is a  
CLASS/CLUB DANCE.

Last but not least, we are excited about the 10 people  
taking square dance lessons through the Victor Continuing  
Education Program. Jody Mattice is teaching and they are  
doing a marvelous job of learning! We expect you will meet  
them soon on the dance floor! HAPPY DANCING!

Tis the season to be freezin—and occasionally sneezin—and to join us Wednesday March 2nd for our Ice Storm Anniversary Dance. We are hoping it won't be a literal re-enactment. After all, we've

already 'done' ice storm for this winter. Hopefully this will be our second Ice Storm Gala. The year after the '91 storm our dance was cancelled because of bad weather, and we barely snuck in last year's dance before the Blizzard of '93. Perhaps we should rename it the March Jinx Dance.

Our own ice crushers Jerry Carmen and Bill Saintey will be thawing out the quares and heating up the rounds. Be sure to bring flashlights in case the power should 'happen' to go off while we're dancing.

January's Class-Club Snowflake Dance had to be postponed for a week when the snowflakes turned to drifts and the mercury froze in the thermometer. However we had a big turnout the following week, with happy dancers lining up for ice cream sundaes and toppings. It must have been mind over matter.

So, shovel out the drive, warm up the car, and join us on Wednesdays while we sashay away the weather blues.

The next Saturday Night Round Dance Party is scheduled for Saturday night, March 19 at the United Methodist Church of West Webster, 570 Old Ridge Road from 8:00-11:00pm. Since we are still new at this reporter thing, there will be a few kinks to be ironed out now and then. First of all, we have to apologize to our Past Presidents, Joe & Lena Kane, for omitting their names from the list of our Board of Directors. It was not intentional, we assure you, Joe and

Lena. Mea culpa!

As expected, the New Year's Eve Party was a success, so says everyone attending. The only complaint was that the food was so plentiful and delicious that many of our members and guests tended to over-indulge.

Our next special dance will be our St. Patricks Day Dance on March 18. Plans are proceeding very well, report chairpeople Mac and Jane. (We feel that we can omit last names here since just about everyone knows who Mac & Jane are.) There are rumors that we will be visited by at least one, possibly two, leprechauns. Might be worth while to make some plans to filch the well known "Pot of Gold". Be careful though, the "Wee People" are known to get mean about their gold. Please join us for this, always a fun time, dance.

After a stay on the sick list, it was good to see Jim Ciurca back doing his do-si-do's again. Our Sunshine Chairperson, Ruth Payne, has started on the road to recovery after surgery in late January. Hope to see you back on the dance floor soon, Ruthie.

Uh-oh, those editors are counting lines and words again; must be time to close. Have a great time dancin'!

La Ronde

Rain and snow don't seem to affect the postman, but it sure put the damper on our celebration dance. We are rescheduling it for a warmer time of year, or so we hope. Watch the *Promenader* for details.

May flowers will add a right note to the festivities. La Ronde is an Intermediate level Round Dance Club, featuring all rhythms at Phase III, IV & V. "Tango for Strings" and a slow two step, "Can't Smile", were two of the dances taught last month. We dance every Monday night from 8:00-10:00pm, with an early workshop from 7:30-8:00pm that continues to be popular.

With Spring almost here, at least according to the calendar, we look forward to seeing our "Snowbird" friends soon.

This winter season has been a blustery one. Everyone has been "dancing up a storm", giving Ole Man Winter some competition. Regretfully, our celebration dance was cancelled due to weather conditions. We are rescheduling for May when we trust the snow will finally be gone. Please watch the *Promenader* for the date. Dip 'n Twist is a Phase II & III level Round Dance Club, dancing every Thursday evening from 8:00-10:15pm. It is a relaxing level for those who have been dancing for a while, and a bit more challenging for those who are newer to round dancing. We have a dance program to suit everyone.

DIP 'N TWIST

Our Round Dance Basic class is progressing very well as they continue learning new dances and work on mastering the waltz steps.

We look forward to seeing our "Snowbird" friends back soon. After all, Spring is just around the corner.

Will Spring ever come? It seems like a long hard winter, but this month brings nicer weather (I hope). Maybe today's snow will melt soon.

We enjoyed the Valentine Dance with the Copy Kittens and dancers from other classes. Our class is doing very well, and are really enthused.

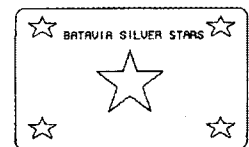

We will have a St. Patrick's Day Dance on March 12. It will be a Pot Luck dinner, so bring your favorite dish to pass and your table service. Arrive at 6:00, and eat about 6:30pm. Call Joyce Deyle at 716-381-2148 or Lois Allen at 315-926-5372 for additional information. It will be class-level dancing with Plus tips.

For the rest of the year we are having a Plus workshop for 1/2 hour before dances, instead of rounds. If you are unsure of how to do a figure, come and ask Mike to review it and we will all learn something. Jody will still cue between tips.

February was such a cold month. Hopefully everyone is thinking Spring because it is coming. We had a great Valentine's Party.

As usual, Bob and Nancy are doing a great job with the class and the club members. So let's keep up the good work.

Ken Ritucci of Springfield, Mass. will be our guest caller on Sunday afternoon, March 13, for an early St. Patrick's Dance we will call "Wearin' o' the Green." Bob & Nora Slomcenski will visit us to

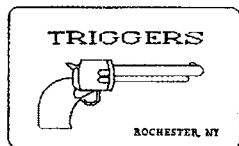

cue rounds--sure and such names as those are Irish for a few days at least! Something new and fun will be a buffet to follow for a donation of \$10 per person right at the American Legion. Please sign up right at the dance.

We will dance Plus level on a fine big floor at the Geneva American Legion, at the very south edge of Geneva city limits on Route 14. Half an hour of rounds begin at 1:30, followed by 2x2 rounds and squares until 5 PM. Please join us for the fun!

On March 4 and March 25 we will have our regular Friday evening dances at the West St. School in Geneva from 8 to 10:30 with Dick Schweitzer and Bill Newman. Visitors are always welcome.

One month to go til spring---will it ever be as welcome as it will be this year? Enough is enough! One sign of Spring was very evident, though, when many "bunnies" were seen hopping

at our Annual Bunny Hop! Lots of fun for all.

Remember, we will be dancing every Tuesday in March from 8:30 to 10:00pm, preceded by line dance instructions from 7:30-8:30pm. We have guests invited for March 15 and March 29, but as always we welcome all dancers. Help fill our hall at English Village School—we need the body heat!

Set aside April 12 and plan to join us for our Annual Ice Cream Social. This is always a lot of fun. We do not concern ourselves with calories at this event!

*Don't burn your bridges,  
You'll be surprised how many times  
You have to cross the same river.*

Traditionally when we think of March, we think of melting snow, the first signs of Spring, and the wearing of the green in celebration of everyone's favorite Irish holiday. But green is not the

only color for March. When you think of March, you should also think about yellow for the Wayne Westerners' Second Annual Yellow Rock for Charity Dance. This years dance will be held in memory of Frank Lewis, a charter club member and long-time friend who passed away last year. The dance will be held on Friday, March 11 from 8:00 to 10:15pm in the Williamson Middle School Gymnasium. Gary Pruyne will be directing us through the squares, while we will be whirling away in rounds with Judy Doane. And as a nice change in tradition, classes are invited to join us for this special dance. So remember to dig out your daffodil yellow and join us at this "sunshiny" event for charity. Even if the sun is not out, with everyone in yellow, the place will be aglow!

And with Spring just around the corner, it means it is almost time for Dance-O-Rama. This year, as a special treat for all our square dancing friends, Wayne Westerners will be co-hosting a Tri-Club Fashion Show/Dance in conjunction with Lilac Squares and Victor Swing-A-Longs. This will be the last fashion dance before Dance-O-Rama, so mark your calendars now for this upcoming event featuring Chip Kellogg, to be held on Saturday, April 16 at the dancing home of the Victor Swing-A-Longs.
