FROM THE EDITORS:

Spring is just around the corner!!

Some Silver Club books were handed out Sunday at the Cabin Party. Others will be done soon and mailed to the Club Presidents. The new books will not have an eligible list of callers and cuers. The callers and cuers are not the important ones for this book (unlike the Century Club book). The purpose of this book is to attend as many clubs as possible. The caller or cuer has to sign your book with the date and club name. All clubs are having low attendance and we should all support one another. There are rules in the front of the book. If you have a question, please call us or any one of the Federation Officers. We will get the other books made and mailed just as soon as possible.

WOW---- Did we goof. They say that if you make a mistake, make it good. Well, we did, and we want to apologize to Tecumseh Squares for the mess up on their news in the February issue. It was not the fault of the reporters, it was ours in moving articles around to make everything fit.

We also apologize to our Post Office that issues our postage permit. We were to include their Statement of Ownership, Management and Circulation in last month's issue. February's issue was so full, that there was not any place for it without adding two more pages and additional cost that we felt was prohibited. We do have space for it in this issue and we hope the Post Office doesn't give Dorothy problems over it.

Thank You!! to everyone who worked on or participated in the
Winter Cabin Party. It was an informative and fun time for all
of us.

As we look forward to upcoming events, such as DOR,
Community Dances at Charlotte this summer and other positive
projects planned by your Federation and Federated Clubs, we
can't understand why we hear so much negativism.

Square and Round Dancing are very positive forms of
recreation. Yet we hear many dancers say "We can't get any
new dancers, no one wants to wear Square Dance Attire, no one
wants to visit other clubs". The list goes on and on.

If we all think and act in the negative, then our activity will
be negative and we will surely and slowly die. But if we start to
think and act in a positive frame of mind, our activity will
prosper and grow.

In like a lion...

Out like a lamb...

We all start to feel the urges of spring about this time each year. Spring cleaning is the culprit that takes away our spare time. This recipe is a very simple one dish meal that will not require too much time off your busy schedules.

ONE DISH CHICKEN & RICE BAKE

1 can condensed cream of mushroom soup -- 1 cup water -- 3/4 cup uncooked regular long grain rice -- 1/4 tsp each paprika & pepper -- 4 skinless, boneless chicken breast halves.

In 2 quart shallow baking dish mix soup, water, rice, paprika and pepper. Place chicken on rice mixture, sprinkle with additional paprika and pepper.

Cover. Bake at 375F for 45 minutes or until done. Serves 4.
Enjoy!

DANCE-O-RAMA UPDATE

In a few months Dance-O-Rama will be here. We'll have a line dance hall (all day) for those people who like to line dance or for any one who would like to try. The roast beef dinner will be at the CHILI BAPTIST CHURCH this year, see flyer for price information. There is a deadline on dinner tickets so order early. If you have not signed up to help PLEASE do so. We can use all the help we can get, remember many hands make light work, so give us a call today. Your Federation Representative will have dance tickets very soon. In the next few months we will visit all the clubs and have tickets with us for dinner.

PLEASE BE SURE TO ENCOURAGE ALL YOUR NEW CLASS DANCERS TO COME TO THIS WONDERFUL EVENT WHERE YOU CAN MAKE NEW FRIENDS AND MEET OLD ACQUAINTANCES.

March is an exciting month for Victor. Mike Herne will be calling and cueing for us on the 7th, when we have invited the Country Twirlers and Star Spinners to be our special guests. March 14 is our St. Patrick's Dance with Jim Landen doing "All Singing Calls".

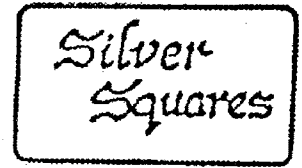

March 21 is a regular dance called by Mike Herne and our special invites are Triggers and Kuntry Kuzzins and on the 28, Tecumseh Squares, Silver Squares and Circul-8-tors have a special invitation.

Everyone is cordially invited to join Star Spinners, Wayne Westerners and the Victor Swing-A-Longs for the TRI-CLUB FASHION DANCE which is being held on Saturday, March 30, in the Victor Intermediate School Cafeteria on High St in Victor. Dick Schweitzer will be calling. Fashions are by Carriage House. We will be welcoming all new class members into the Square Dance Community.

We've MOVED!! If you haven't already heard, we're happy to announce that Silver Squares is now dancing at the Redmen's Party House.

This means we'll be dancing every Monday afternoon. The time remains the same: 1:00 - 3:00pm. Cost is \$2.50 per person and Mike Callahan is our regular caller.

This move gives Silver Squares more independence and we look forward, therefore, to expanding our activities - more parties, etc. Attendance has been on the rise and Mike now includes one or two line dances and one or two rounds each week.

If you're retired and want to break up your Monday routine with some dancing and socializing with a great group of friends, give us a try at our new location. Redmen's is at 1001 Lexington Avenue, just off Mt Read Blvd.

On a personal Note: Anne Wahl, Joe Mann and Lyle Bradley are on the "sick list". We want them to know that their friends at Silver Squares miss them, are thinking of them and praying for them.

Hi Fellow Dancers:
Here we are into the new year, already the 3rd month. Can you believe it!

We would like to thank all of our friends who joined us in January for our Beach Party. What a great time. The original date was snowed out but we had it the following week and had a great time.

Also, we would like to say thanks for making our Valentine Party a great success. We enjoyed having all of you there with your sweet hearts.

But on with the month's ahead of us. This month we would like to invite all of you to be with us on March 13 for the St Patrick's Day Dance to remember. We have some great surprises. Hope to see you there.

Also, remember our Ice Cream Social which is being held on April 3. This is our annual 20 foot Sundae celebration. Come and see the fun we have putting it all together that night. We have bananas, nuts and cherries on a great trough full of ice cream and sauces. Hope you have time to be with us.

Be sure to save time for dancing...It sure is a great time for everyone. Yours in dancing.

Spring is almost upon us and our "snow birds" will soon be heading North to join us for the summer months. Bob and Nora will be trying to pick up some new dance material at the WASCA Festival and getting an early peek at the "cherry blossoms" in Washington, DC in mid-March. As a result, the Stardusters will not be dancing on March 19th. The remainder of the month will be "as usual" with Phase IV - V dancing on Tuesday evenings from 8:00 - 10:15 at the West Webster Methodist Church, 570 Old Ridge Rd, W Webster.

The Kelley School in Newark will be the location for a very special event. Dave Eno will be calling an A-1 dance with A-2 every third tip and possibly a C-1 tip at 4:45.

Date and time to mark your calendar: Sunday, March 24, 2:30 - 5:00. Dave Eno always calls a good dance for us.

If you haven't had the pleasure of dancing to Dave yet, why not plan to come out Sat, March 9. Better yet bring your class dancers out. This will be our last class/club dance until graduation. Saturday is a great day for a fun evening of dancing for all class/club/A-1 (sometimes 2) dancers. (Dave always extends the evening to include an A-tip at 10:30.) Bob Slomcenski will be doing the cueing. We recently had the pleasure of attending a round dance where Bob was one of the featured cuers. Bob & Nora's was the most romantic demonstration there. March is such a busy month at your Kuntry Kuzzins. The weather should be breaking by Saturday March 23, when that dynamic duo Gary & Alice Bubel will be doing the honors.

Your Kuntry Kuzzins will be having an extra fifth Saturday dance March 30. The other Gary will be calling. We're lucky to get Gary Pruyne this month. He normally calls in Bath every second and fourth Saturday. Let's hope the weather cooperates to give him a good trip North. Bob Slomcenski will again be doing the cueing.

Our Dalton Gang Casino Night is Sat., March 9. We play casino games between our dances and prizes are awarded. It will be from 8:00 - 10:30 with refreshments to follow. Will Herzog will be the caller. Everyone's welcome.

THE DALTON GANG

Some people from the Dalton Gang and many from other clubs went on a "Branson Country Christmas" tour in Dec. The tour was coordinated by Muriel and Will Herzog. We saw several wonderful Christmas shows and many beautiful Christmas lights. We also spent some time at Silver Dollar City and the Englers Block. The weather was nice and the trip was enjoyed by all.

Our caller, Will Herzog called for the Buds & Blossoms in Arkport two Friday nights in Jan. Several people from our club went to the dances and joined in on the fun.

We will look forward to seeing you Sat, March 9 at our Casino night. Please come join us!

FORTY, FORTY, FORTY, FORTY

Why isn't it spelled, fourty? Think about that! This year Genesee Dancers will celebrate our fortieth anniversary with a really big show at our **T r a i l E n d** Dinner/Dance on Thursday, June 27 at the Green Lantern Inn in Fairport.

GENESEE DANCERS

Along the trail, we'll have our annual St. Patrick's Day Dinner/Dance on March 14 at the club. Our new Program Directors, May & Ken Scarciotta, have decreed that we shall have a Barn Dance on May 9.

Did you ever notice that you get more people at your dance when you feed them? We get a pretty good turnout each week to sample the awesome snacks provided. But -- when we have a dinner/dance, the Genesee Dancers really pour in the door. At our St. Valentine's Dinner/Dance we enjoyed a great buffet, beautiful decorations, good music and wonderful dancing. How come, when everyone was wearing red, they didn't serve spaghetti?

Patrick and Shawn Callahan, twin sons of our celebrated caller, Mike, were 18 on the 18, and got their names in the city paper.

Cabin fever got to some of the gang this year. When we had the big thaw in January, our gang was so glad to get out that we still had five squares stomping after 10:00pm. Usually, the knees, hips, feet, etc have taken a severe toll at that late hour.

February was busier than ever and winter weather didn't help. We danced to Ron Brown, danced with guests from assorted clubs, and celebrated Valentine's Day. Thanks for joining us.

A few class members from other clubs have been visiting our class for extra practice. It's nice to meet them, we hope more class dancers come over. Same night as club, same place, 8pm. Caller Bob Meagher is our instructor.

Another Recycle Dance has been scheduled for March 29, when Dick Schweitzer is calling, at the Village Elementary School. Save the date and gather up the outfits you can't use anymore. Attach an envelope with your name and the price. Participating non-members must buy a dance ticket.

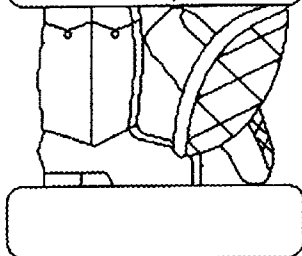

Silver Club books are available for those wanting to dance at 25 clubs. It won't take long to fill that book and earn your Silver Club dangle.

Our latest snowbirds have flown south, I hope they don't mind the low temperatures Florida has been having. Never the less, we miss them.

We are setting up a Hitching Post corner for those who need a partner; for the dance or just an occasional tip. It should also be more helpful for singles that want to come and dance with us. The idea is a good one and other clubs may want to set up something similar. Let us know how yours works.

The Legion Hall is a nice wooden floor in a large building on the southern city limits of Geneva on Route 14. An optional but delicious buffet is available afterward at the Legion for \$10. per person, and helps pay for the hall. Why not join us to complete the afternoon with friends. Rounds begin at 1:30, squares and rounds at 2pm. See our ad in this issue.

Our regular dances at West St School will be March 8 and 29, and guests are most welcome. West St starts on Rts 5 & 20 near Arby's and runs north from there.

March is here! That means spring is right around the corner. Maybe. After all, this is Rochester. Our round dance class will soon be finished with the basic waltz steps. We will then be having an advanced basic class of two step and waltz figures, starting in April. The class will be for those who already know most of the basic Phase II round dance figures and would like to learn or have a refresher on the easier Phase III figures that are in "all the dances". Current popular dances will be taught as well as some of the classics.

DIP 'N TWIST

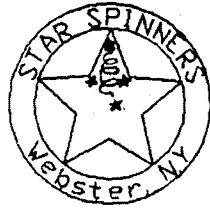

We had a single swing workshop on Feb 1, going over the rhythm basics. Then we taught Wayne & Barbara Blackford's popular "Dear World" the following week on Feb 8.

We dance Phase II & III from 8:00 to 10:15. It's a fun level for those who have been dancing for awhile and somewhat more challenging for those who are newer to round dancing. We have a dance program for everyone - old favorites and current popular numbers as well as requests.

I wish to apologize to anyone that came to STAR SPINNERS dance on the 9th of February. We decided to make the dance a travel night and we traveled to the Benefit Dance at Wayne

Westerners and everyone had a great time.

For the month of March, we will be having our regular dance on March 8 at the US Army Reserve Center. On March 22 we will be holding a Couch Potato Dance at the Reserve Center. This dance is for everyone who is tired of sitting home and vegetating on the couch. This is for both club and class level dancers. We will have refreshments and prizes for special dances that will be taking place during this evening. Come and have some fun with us. On March 30, STAR SPINNERS has the pleasure of co-sponsoring the Tri-Club Dance and Fashion Show with VICTOR SWING-A-LONGS and WAYNE WESTERNERS at the Victor Intermediate School Cafe.

Please bring a dish to pass and your own table service. There will be a workshop at 7:30pm and our regular dance will be from 8:00 - 10:30pm.

On March 23, Ron Brown will be our caller for our regular club dance with a 7:30pm workshop and regular dancing to start at 8:00.

Both of these dances will be at our regular location in East Rochester at the First Presbyterian Church, 109 East Avenue. Please come and join us.

Promenading B's

Burt Bennett and I were married on Jan. 6. Thanks to all the dancers and friends who came to the Wishing Well on Jan. 27 to help us celebrate. Gary and Alice Bubel provided the music.

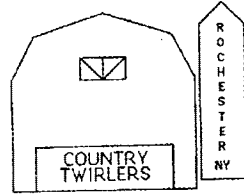

Our June in January dance was a success with people arriving in shorts, sun glasses, etc. Hot dogs and picnic food were served.

I know it's hard to believe but Gary Bubel just celebrated his 50th birthday. Country Twirlers had a surprise party for him on Feb. 3. Congratulations, Gary.

Diane Yehl is still on the sick list but is improving every day. Hope she will be back dancing soon.

We will be dancing 5 Saturdays in March. Gary and Alice will be here on the 2, 16, (our St. Patrick's Party), and the 30th. Stan Burdick and Bill Saintey will be here the 9th and Hank Lutcher and Brian Adams will be here on the 23rd.

We are getting excited about our up-coming Leprechaun Twirl which will be held at the John Kennedy School on Vine St. in Batavia on March 16, 7:30-10:30. (Check flyer for details). We have several new class members and they are looking

forward to dancing and making new dancing friends from other clubs. Please join us that evening. Remember MARCH 16, mark your calendars. If we have to cancel because of weather, listen to WHAM or WBTA for a snow date.

On Dec. 29, one of our Class, Harold Brown, took a tumble of about 5 feet onto solid, frozen ground and is suffering from badly bruised shoulder, and other bumps and bruises also. Hopefully he will be back dancing soon, the ladies have promised to be gentle with him. Mary Marszelewski is back dancing after having foot surgery. One of our round dance dancers had surgery Jan 16. Good Luck and hurry back Holley Canham.

We are so proud of our new class and the terrific teaching job Bob is doing. Come and join us any Monday evening, we really do enjoy having visitors, both at the class and club dances. See you all in a set.

You are today, where your thoughts have brought you: You will be tomorrow where your thoughts take you.

"Old Man Winter" blew in a nasty storm with icy roads cancelling our Hawaiian Luau with caller Mike Callahan. Hope you'll give us a rain-check, Mike! Because the hall was beautifully decorated, we rescheduled our "Great Escape" for Feb.

2nd. Our Class/Club Valentine dance was a red and white success as we whirled and twirled with our sweethearts.

Beginning with our March 1st Class, there will be a plus workshop from 7:00 to 8:30pm with Jerry Carmen and Will Herzog reviewing mainstream and teaching plus calls. At 8:30 Jerry will be calling squares and cueing rounds for our annual Pizza Party. The club supplies pop and pizza with a selection of favorite toppings. MMM Good!

"Variety is the spice of life" and our March schedule of callers will add that special touch. On March 8, Mike Harris will be calling our club dance with rounds.

Bring finger foods to our St. Patrick's Day dance on March 15. Wear something green, a smile on your face and an Irish song in your heart. Perhaps Will and Muriel Herzog will sing a duet of Irish melodies for us. They sing so well together!

March 22 update: The Carriage House can't make it on this date. They are re-scheduled for April 12. This will be a class/club dance starting at 8:00pm called by Will Herzog.

Another guest caller Mike Herne will be calling and cueing our club dance on March 29.

The welcome mat is always out for visitors at the Lima town Hall unless extreme weather forces us to cancel.

Spring is just around the corner, after a REAL winter. The Snow Birds should all be migrating back from sunny Florida.

March is the month to join the Promenading "B's" for their Blacklight Dance. It will be held on Saturday March 23rd in the Churchville-Chili Middle School on Fairbanks Road (same place as last year), from 7:30 - 11pm. Park in the back. Bob Schlenker, calling, with Bill Saintey cueing.

Also on March 29, we will hold a FREE OPEN HOUSE to learn Round Dancing. This will be held at 8:30pm in the Churchville-Chili Elementary School. Enter on Park Road in the Village of Churchville.

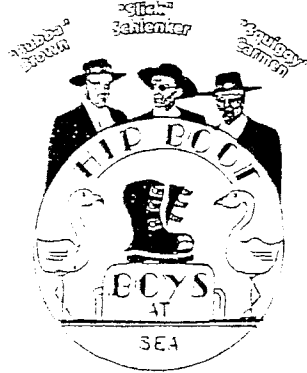

Our condolences to our caller Bob Schlenker and his family upon the recent death of his beloved mother, Mable. God Bless.

Old Man Winter is still very much with us but we still forge ahead and strive to follow the old adage that tells us we are never cold nor are we ever discouraged by the "cold weather blues"! We firmly believe that if we dance up a storm, our body heat will generate us to a higher level and thus forget the cold and the snow. Well, almost always!

Regrettably, we are not sponsoring our annual Bunny Hop this year, as previously announced. I think our guest bunny is burrowed deep in a snow bank somewhere. We will still be dancing each Wednesday with regular dances on the 6th, 13th, and 27th. A guest night is scheduled for March 20. Note the dance times as indicated in the back of this issue.

Belatedly, we offer our condolences to Bob and Sue Schlenker upon the passing of Bob's mother.

Remember to look for the Leprechaun on the 17th and pick all the four leaf clovers you find. Take a bouquet of greenery to your favorite square dancer and find a dance! Enjoy!

Til then, spread love and kindness wherever you go.

The Merry-Go-Rounds is a Phase 2-3 round dance club dancing on Tuesday evenings at the Wesley United Methodist Church, 2009 Dewey Ave. (just 1/4 mile north of Ridge Road). Our play-shop runs from 7:00-7:30 when we learn new or classic Phase 3 dances, or tricky Phase 2 dances. Then we dance the night away, or at least until 10:00. We have an **OUTSTANDING** group of people who dance with us, and we really look forward to our Tuesday nights. If you haven't danced with us yet, stop by some night! We think you'll be glad you did.

Note worthy news this month includes the annual Blacklight Dance on Saturday, March 23rd, sponsored by the Promenading "B's". This is one of the most unique dances of the year, since every other tip is danced under black lights. When people check in, they are given white gloves to wear, so it's fun to look out over the sea of white hands for those special tips. Bill will be cueing the rounds this year.

Another special note is that we will **NOT** be dancing on Tuesday, March 26 due to Bill being out of town on a business trip.

As the warmer weather approaches, it should be easier to get out and dance, so we hope to see you either at one of our dances or one of the many other dances in the area!

Calling all square dancers: **HOLD ONTO YOUR HATS!** The Village Squares invite everyone to join them March 6 for a marvelous, magical Hat Dance. Be sure to wear your funkiest fedora, most daring derby or comely chapeau. Not only will the dance hall look like haberdashery heaven, but organizers Harold & Gerry Schwartz have hinted that there will be rewards for the most resplendent headgear. All club members as well as new class members are invited to square up that evening with our own mad hatter Jerry Carmen. This is one event that you don't want to keep under your hat.

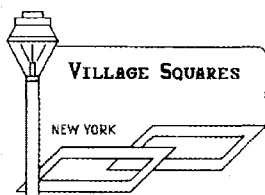

Even though 1996 arrived not only with a bang but with a bluster, our January Snowflake Dance went off without a hitch. For one night at least, there were more flakes in the hall than on the highway. The following week, we were delighted to have a large contingent from Country Twirlers join us.

Hugs and chocolate kisses were passed around at the Valentine Dinner Dance. Heartfelt thanks to Gary & Corrine Baccaro for planning such a lovely evening.

As always, we will be swinging and circling every Wednesday in March. If you are looking for Friends, forget about NBC and join us at East Rochester's First Presbyterian Church and help us heat up this last month of winter.

Greeting everyone from the Wayne Westerners. How inspiring to see so many new class couples utilizing their newly acquired dancing skills at all the different area class/club dances. What a great way to exercise and make new friends.

On March 15, Wayne Westerners will be sponsoring their Yellow Rock for Charity class/club dance at the Wayne Middle School, Route 350, Ontario. Bob Stern and Bill Saintey will have the honors that evening with all proceeds going to charity.

In March we will also be hosting 3 regular club dances at the Williamson Primary School. See schedule in *Promenader* for dates and callers. Then on March 29 we will be having a special mystery dinner dance. More details on this available as the date approaches.

Plans are well underway for our BIG Apple Blossom Class/Club Dance on May 17. Be sure to reserve the date now for an unforgettable evening of dancing with Red Bates and Dottie Reed at the Wayne Middle School in Ontario.

Have you made your reservations for our July 19, 20, 21 Camping Weekend at Genesee Campgrounds yet? Don't delay campsites are limited. Call 524-5252 for details.

Tel-O-Mark Rounds is an intermediate level round dance club which meets every Wednesday night at the W. Webster United Methodist Church on Old Ridge Rd. Dancing begins at 8:00. All intermediate level dancers are welcome to join us.

We are a small club but would really like to grow. We're a friendly, very social club--we all enjoy our dancing and each other's company. We would love to have you join us some Wednesday evening. We'll make you feel at home, you'll have fun and learn some new footwork, maybe some styling and how to make those dance positions feel more comfortable. Sound like fun? It is!! Just ask us if you'd like more information.

Hopefully March will come in like a lamb and stay that way. It seems like we dancers have all struggled hard enough this winter to get to our dance locations. An early Spring would be very welcome. Still, the weather didn't diminish the interest and attendance at the Saturday night all-level dance parties this winter. The next one is scheduled for March 23. Dances are programmed for all levels and requests are encouraged. The refreshments are plentiful and the company is great. All round dancers are welcome. Hope to see you there!!

"It's only a game, folks" or "it's only a hobby, folks" are just some of the utterances of our caller, Bob Stern, in his efforts

Finger Lakes Squares

(successfully) to keep the dancing atmosphere light and buoyant in the face of his interesting and thought-provoking choreography. We thought we would, from time-to-time, draw your attention to the lives and interests of some of our broad spectum of members. What a better place to start than with our caller and his wife, Carol.

Besides his commute from Canastota (about 150 miles, round trip) to entertain us each week in Geneva with his super calling and enlivening sense of humor, and beside his calling for a number of other clubs and weekends in Central New York from Mainstream through C-1, Bob is also known nationally--as the chairman of Callerlab's Advanced Program Committee. (This position was previously held by another Upstate caller you might recognize: Mike Callahan.)

We are proud to let you know, if you haven't already heard, that Bob is one of the featured callers at the '96 Dance-O-Rama. We look forward to sharing his talents with this wider Rochester audience.

We wish a quick recovery to Miles Houck who became ill and is recuperating in Florida. Good luck! We hope to have you back with us in the spring.

Note that there is no dance March 28. Bob & Carol will be in Colorado visiting and sightseeing. (Lucky them!)

DANCING FOR FUN AND EXERCISE

Dancing provides a challenge that will make you happy. Also, the variety of dances frees you from boredom. According to a recent survey, a half-hour of high-intensity dancing offers the same aerobic benefits as jogging for 30 minutes at 5+ MPH or playing basketball or handball for 30 minutes. College researchers have determined that people can lose more than two pounds a week if they dance vigorously for 30 minutes, three times a week for 12 weeks. Dancing works your lower body muscles, plus it is weight-bearing exercise which builds strong bones. It improves your cardiovascular fitness and increases the ability to recover from mental and physical stress. Staying fit helps you adapt to heat and cold, burns off fat, slows down aging, helps fight depression--the benefits of dancing are endless--best of all, it revs up your energy.

(Excerpts from Vitality Magazine 11/89 and reprinted from Country Dance Lines 6/90, The Double Toe Times, National Square Dance Magazine.)

Following Gerry & Howie Borden as reporters is not an easy job, but we'll plow ahead and attempt to keep the articles as informative and upbeat as they have been. Howie is recovering from a broken left elbow, as a result of slipping on the ice; we hope we is 100% by now.

We had a great trip to Toronto to see *Beauty and the Beast*. Forty two Tecumseh Squares, friends & round dancers boarded 2 buses and embarked on a fantastic day. Besides a marvelous show, we had time for shopping, lunch at the Eaton Center and a great dinner at the Old Mill. George "Snitch" Shaw bought himself a snazzy new hat.

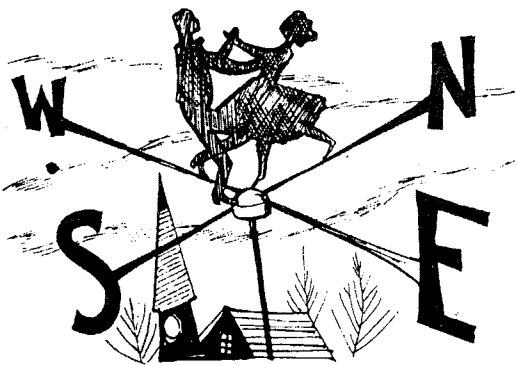

Don't forget to wear the green at our St. Patrick's Day Dance on March 15. Stan O'Burdick will be our guest caller as Bruce "Scotty" Shaw has a hangup on calling on an Irish Holiday. Mark O'Thone will be cueing. Maybe a Leprechaun or two will show up. Also, mark Saturday May 4 on your calendar and join us at Dance-O-Rama.

Presidents Mac & Jane just returned from a great trip to Florida (Disneyworld, Universal Studio, etc), but have no suntans--makes you wonder!

Attendance at our weekly dances has been down. The club along with our caller and cuer needs your weekly support. Make it a habit to join us at Redmen's on Fridays.

Letter To The Editors:

DON'T FRIGHTEN FUTURE DANCERS

Perhaps this would help all of us get new members in class: Instead of telling a future square dancer that it takes 10 - 12 months to learn to dance, give them a short term goal instead. Tell them the truth: "You start classes in September or October and will be able to dance with your own club and other clubs by Christmas." Also, "As you continue to learn in class, you also continue to go to dances." Perhaps several "short term" goals will be less discouraging. Hope this helps you recruit new members.

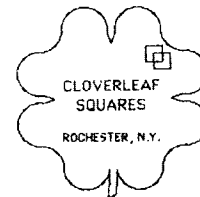

Judy Wing, President
Wayne Westerners

February flew by with the many exciting activities and dances available to both our class and club members. We send our warmest thanks to Tecumseh Squares and Star Spinners for the fun filled class/club dances that our members enjoyed attending; to Dave and Mary Fisher for their wonderful hospitality to us at the annual cross country skiing and card party; and to Batavia Silver Stars and Glass Slippers for being our guests on February 18. You turned the February blahs into Ahhs! On March 10, we look forward to continuing our warm fuzzy winter with the Promenading B's in attendance as our guests.

Once again, Cloverleaf Squares has its plate full for March with several tempting activities for all to savor. On March 10, the club dancers will do a demonstration at St. John's Home with Mike Callahan calling. Also in the planning is an afternoon at the Shrine Circus and a banner stealing--whose will it be? Don't forget the "green theme" on St. Patrick's Day, March 17. More information will be available Sunday evenings at the club and on the information line which is open 24 hours. Please feel free to call if you need more details on an event or want to speak with one of the officers.

THREE KINDS OF PEOPLE

A wise man of the orient once remarked:

"There are three kinds of people in all types of organizations - Rowboat people; Sailboat people; and Steamboat people.

ROWBOAT people need to be pushed and shoved along.

SAILBOAT people move when a favorable wind is blowing.

STEAMBOAT people move continuously, through calm or storm. They usually are masters of themselves, their surroundings, and their fate."
