FROM THE EDITORS:

There is no recipe from Chef Z in this issue. On February 4, John had a quadruple bypass. He is doing well, I'm told and came home on Saturday, the 8th. John we send our best wishes and pray you have a speedy recovery.

Take note of the KEY, we took off Texas Two Step, as no one used it and added ^ for a visiting cuer, upon request and we felt it a good idea.

We were sent a newspaper clipping from Catherine McGilvery in Phoenix to let us know that Tom Trainor passed away in January. Some of you may already know it but we didn't and appreciate the notice. We enjoyed dancing to Tom and the world of Square Dancing will miss him.

Reporters, please remember the size of your article. This month we had to edit several articles, as they were 3 and 400 words long.

There are only 3 more issues left for us to be Editors of! We still need someone to take over. It would be ashame not to have the schedules of the clubs available for us all to participate in. We will be happy to help someone get started. There is a Packard Bell computer, an Okidata printer, a Cannon copier, a drafting table, a 2 drawer file cabinet, a computer center, boxes of records, *Promenaders*, supplies, etc. for your convenience. Any question, please give us a call.

We hope you all have a March full of dancing and enjoying life.

ROCHESTER AREA FEDERATION

We have very mixed feelings about the Mallaber's recent announcement that they are relinquishing the position of *Promenader* Editor as of the 1997 Summer Issue. We are extremely sorry to lose their expertise and dedication They have done an outstanding job as Editors. We are constantly amazed at the energy they seem to always have to support and improve our hobby. However, we are happy they will now get to travel more and pursue other interests they have. They deserve that opportunity!

As stated in the February issue of the *Promenader*, we are looking for someone who would be willing to take on this ambitious, but rewarding task. It does require someone with computer skills (a computer comes with the job). There is typing assistance available. If this is a job you think you might consider, please talk to us or the Mallaber's. They will be happy to assist you in getting started.

Our thoughts and prayers are with Dotty Bennett for a speedy recovery from her recent stroke. (Bert & Dotty are the Federation Treasurers.)

Thanks to all the new club officers. Your willingness and ambition is the key to keeping the clubs active. The leadership of the club has a great deal to do with how successful each club may be.

Be sure to get your Dance-O-Rama tickets!! May 3rd. is the date. We'll see you on the dance floor.

As I search for ideas to write these monthly articles, I look at different publications and even things not related to Square Dancing to zero in on a subject. As I look around we are in direct competition with many activities for new customers time and commitment. If we are to attract a large amount of people in to Square Dancing (or any amount), we need to look at ourselves honestly to come up with a truthful observation. I've discussed over and over again image and perception. It is very important when trying to sell outsiders on something. Think of yourself in regards to someone selling you over the phone, or in person on a new product or something. You may be like me, immediately turn them off with "I'm not interested". The window of opportunity on something is only 15 seconds! That's right 15 seconds for you or anybody else to form an opinion about someone or something. In the December issue of American Square Dance Magazine, Jack Murtha's article discusses some interesting ideas on how to attract new dancers and talks about image and making a first impression. If you haven't seen it you should. If you don't get ASD let me know and I'll send you a copy of the article. One of his points is, make SQ. Dancing look easy to learn, fun to do and inexpensive. You should be thinking about ideas of how to recruit new dancers now for next year, so now is a great time to explore other ideas that you may have not done before. In doing demos, don't dress up, wear western but not all the traditional outfits. Make it fun looking by smiling. Dance to easy material so the dancers can relax and enjoy themselves dancing. You're under enough pressure dancing in front of a crowd. That's what it is all about isn't it? Be friendly with the crowd watching, don't just mingle with your fellow dancers at the demo, talk to the people and talk Sq. Dancing. Have a entry level tip for them so they so they can see how much fun and how easy it is. One more point, we may need to restructure our class system and entry level of dancing to our graduates. Instead of rushing them to Plus, why not take longer, teach them the basics and mainstream and allow them time during the year to just dance what they have learned before moving on with the list of calls. To do this it might require clubs working together to stagger the classes. One does the intro., another does the second part of the list and the first club start a new class with the intro. calls again. There are many possibilities. If you have any ideas talk to your Club Presidents, Federation Reps, or Callers. We will be holding a joint meeting to discuss all ideas on many subjects concerning our activity and we need your thoughts and ideas. Thanks.

DAPHNE-NORMA LEADERSHIP AWARD

The Leadership Award was established in 1977 by Frank Salvagio and John Fink in honor of their wives, Norma and Daphne. The purpose of the award is to show appreciation for EXTENSIVE AND SUSTAINED LEADERSHIP OVER AN EXTENDED PERIOD OF YEARS in square, round, or contra dancing. Leadership, service, and motivation are considered when evaluating candidates for this award. A candidate need not demonstrate leadership in all areas, nor is each area necessarily given equal consideration. Areas of leadership may include, but are not limited to, years of dancing or calling, membership, committee service, or officer role in any of the following: Square, Round or Contra Club, Rochester Area Federation, *Promenader*, Dance-O-Rama, NYS Association or National Associations, promoting the activity through calling or teaching, and other leadership roles which benefit the community through the square dance activity. Finally, consideration is given to the candidate's attitude and continuing willingness to take on responsibilities in the square dance community.

An individual or couple may win the award only once. The award may not be given if the Selection Committee unanimously agrees no one met the criteria.

Anyone in the square dance community is welcome to nominate people for the Leadership Award. The Rochester area is blessed with many fine leaders and it would be helpful to those on the Selection Committee to receive input from the square dance community. If you know of someone you feel should be considered, please send a note identifying the individual or couple and their qualifications. Send the information to Bob & Nora Slomcenski, 20 Culverton Drive, Rochester, NY 14609. Bob and Nora will be serving on the Selection Committee for three years and would be happy to present candidates and their qualifications to the committee for consideration.

A personal note from Bob and Nora

We were surprised and extremely honored last May at Dance-O-Rama to be selected as the 1996 winners of the Daphne-Norma Leadership Award. Since its inception in 1977, the award has been given each year for a total of 20 years. Although it is within the parameters of the selection process to skip the award in any given year, in practice this has not occurred to date. At the time of this writing, there are no qualified nominations for the 1997 award, and time is getting very short. If you know of someone you feel is deserving of this award, please do not delay in sending us the nomination and qualifications.

Stardusters is a Phase IV - V Round Dance Club that dances year 'round on Tuesdays at the West Webster United Methodist Church, 570 Old Ridge Road, West Webster, starting at 8:15 PM. Since last fall, we have been conducting a Phase IV workshop from 7:00 to 8:00 PM. Our workshop dancers are doing Great, having covered the complexities of the Phase IV vocabulary in Waltz, Rumba and most recently Foxtrot. The workshop will be wrapping up before summer and when it does, we will be returning to our previous 8:00 PM starting time.

Although March is pretty tame, next month is a busy one. We are looking forward to the return of our "snowbirds" in April, and Bob & Nora will be celebrating their 25th wedding anniversary (as well as 25 years of Cueing and teaching rounds). We would love to have you join us for an evening of dancing. Come and have some fun!!

Cloverleaf Squares looks forward to March when our theme of shamrocks and green and white adds flavor to our annual St. Patrick's Day dance. You always find a surplus of green and white speckled with clover patterns in, on and around our hall. We enjoyed our annual Winter party at Dave and Mary Fisher's house. They are such wonderful hosts. We can never imagine how fifty or more people can fit in and around their house with such ease. The cross country devotees enjoy the outside and we all enjoy visiting. After eating, tables and chairs mystically rearrange themselves into squares and euchre and bridge, and domino games begin. It is such fun for us to all slow down and find out what we each do when we're not dancing.

Bowling is becoming an annual event and this year is no exception. We gathered at Sunset Lanes at 1317 Chili Ave. to test our rusty and/or non-existent skills brought much laughter from all.

The Class and Club look forward to attending the Wayne Westerner's Yellow Rock dance and Batavia Silver Star's Leprechaun Twirl.

These clubs have been invited as our guests on March 7, Victor Swing-a-longs, Cayuga Cut-Ups & Copy Cats. We hope to see each club represented at that dance.

Our St. Patrick's Day Dance in on March 14, a good time to drive to Hilton and dance with us. There's fun, and green decorations, green outfits, and green refreshments, all making for a special time with good friends.

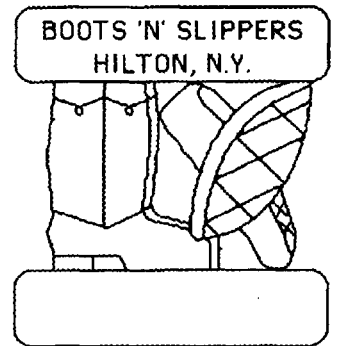

Our snowbirds are all away, enjoying the sun and lots of dancing in the south. We miss them and look forward to their return.

Please notice the Jerry Carmen/Bob Schlenker Experimental Mainstream Level Dances for experienced dancers, those graduates that weren't able to attend Plus Workshops after graduation. If there's enough interest, dances will continue on Sunday nights at Lutheran Church of the Concord, 485 Holmes Rd. off Long Pond at 7:00 till 9:30 PM. Scheduled dances are Feb. 9 and 23. Here's a dance for those people that feel out-of-place at area Plus Level dances.

Our club is open to adult singles at our dances, and becoming members.

There's still time to sign up for a slot at the Village Squares Amateur Caller Contest on March 12. We are expecting participants from several clubs, but - the more the merrier. At Amateur Caller Night anything goes: singing calls, hot hash (or warm mush), cue a round or lead a line.

Previous contest winner Tom Turcotte has returned "The Prize Frog" which the winner gets to keep until our next Amateur Night. If you would like to sign up, or if you need more information, call contest organizers Harold and Gerry Schwartz, 381-4696. Jerry Carmen has offered to help with music and tips, and your own callers will be glad to make suggestions - if they're not afraid of the competition!

The Village Squares banner bandits have really hit the trail this year. First we snagged a banner from Genesee Dancers. Then we decided to extend our range and trekked to Dalton at Thanksgiving. We chose a sunny January day to capture the banner from Cloverleaf Squares. This is their first year of participating in banner stealing and they are very enthusiastic about it. We are really looking forward to their return visit, since, as we were leaving, they strongly suggested that our caller (Jerry Carmen) should dress in double layers for the next few weeks.

Feeling casual? Our last dance of each month will be a dress-down night. So, you won't have to change out of comfortable clothes if you join us on March 26.

The Village Squares are looking forward to welcoming a gaggle of amateur callers and cuers on March 12. We hope everyone will come out to cheer for their friends, and to watch the callers and cuers of the future get their start.

Schedule notes: The March 13 & 20 dances will be at the Baptist church, and there will be no dance on March 27.

Finger Lakes Squares

Good news from the health and fitness front: Marge Leason is reported doing well after her surgery. We wish her the best for a speedy return to 100% (and, of course, square dancing). George and Eva Rueger are back dancing again. Wonderful to have them back.

This month we focus on a couple that does not head for warmer climes this time of year. Joe and Esther Giacalone stay around and help the rest of us wild and crazy ice and snow lovers maintain a semblance of a square dance organization or two. When they are not dancing Joe gets in some bowling and some mental preparation for his golf game. Esther plays the organ at their church. (Oh, by the way, we should give Esther belated credit for the idea of our presidential partner poll that we did a couple of months ago. Thanks, Esther!) Joe and Esther have been dancing for 25 years, having first learned the squares with the Spinning Wheels of Auburn and rounds from Debbie Wilkinson. In addition to their Finger Lakes Squares affiliation

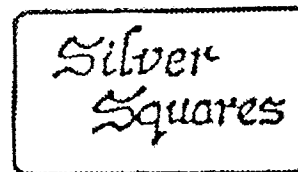

they also square dance with Jerry Carmen in Auburn, and the Cayuga Cut-Ups. You will also find them round dancing with Dottie Reed. The clubs they began with no longer exist (how many of us can relate to that?), and Esther says they are sorry to see the decline of square dancing in the Auburn and Syracuse areas. (We'll second that motion on a more general basis.)

We trust that, by the time this reaches print, Bob and Carol will have conducted and called another successful cruise.

Wandering in, it looked like New Year's Eve. Nearly 90 colorfully-clad dancers crowded into the hall, chattering gaily and flitting about in search of partners. Wall-to-wall dancers moved to the caller's rhythm and cues. But it wasn't New Year's Eve. Instead, it was a Monday afternoon in Mid-January. The

occasion was Silver Square's first annual Independence Celebration Party. Guests from seven local clubs arrived to help celebrate and devour the enormous cookie cake. It was a grand party - one of those hard-to-top events. It was that shot in the arm that's needed to chase away those after-the-holiday blahs. If you were among those present, you now know what a congenial group we are, and we hope you'll come and dance with the Silver Squares again.

We dance every Monday from 1:00 to 3:00 PM. Cost is just \$2.50 per person.

For March, we've planned a St. Patrick's Day Party on Monday March 17. Of course we encourage wearin' o' the green. But if you don't own green, you're welcome in any color of your choice. Mike Callahan will be calling, and there's sure to be plenty of lip-smackin' goodies for munchin.

Silver Squares' March guest dance is set for Monday the 10th. Wayne Westerners and Batavia Silver Stars are invited. Couples and singles are welcome.

On a personal note:

Our best wishes for a quick recovery are extended to Fran Schaubreck, who is currently in Blossom Road Nursing Home. We miss you, Fran and hope you'll return soon. Also among the recuperating are Clara Hammill, Bill Schaefer and Chet Selbert. Hurry back, folks.

Here's hoping Friday evenings in February weren't as wintry as in January! Bitter cold temps and blowing snow kept numbers small for our Luau Dance with Mike Callahan calling on Jan. 17. It was a fun dance for those who braved the

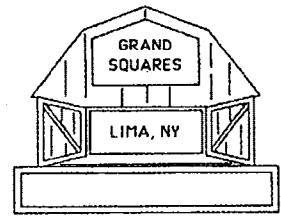

elements. The next weeks dance was cancelled due to a snowstorm. Several of our officers enjoyed the Federation sponsored Cabin Party on Super Bowl Sunday.

In March, we'll have a regular club dance on the 7th with Will Herzog calling. The dance scheduled for March 14 has been cancelled, due to a play being put on at the Town Hall. Call Ray and Donna McCagg at 624-2560 or John and Doris Miller at 229-2659 to check.

Our Special Event for March will be an Evening with the Hip Boot Boys on Friday, the 21st. Enjoy the guest calling group of Jerry "Squiggy" Carmen, Ron "Bubba" Brown and Bob "Slick" Schlenker, with some jokes and a concert during the dance. Be sure to join us for this one!

No dance is scheduled for March 28 which is Good Friday. Have a Happy Easter and Think Spring!

Green is not the only color for March. We should also be thinking yellow. Yes, **YELLOW**, for Wayne Westerners' Annual Yellow Rock for Charity Dance. This years special charity dance will be held on Friday, March 14 at the Wayne Central Middle School, Route 350, Ontario. The fun starts at 8 PM with that dynamic duo of Bubel & Bubel. All proceeds will be donated to Mercy Flight.

Be sure to double check the *Promenader* for exact dance location, before heading out to any of our dances this month. Due to school scheduling we needed to make alternate plans.

On Thursday, March 6, Dick Schweitzer will be calling at our regular Williamson Primary School location. Then on Friday the 14th, join us at Wayne Central Middle School on Route 350 in Ontario for our annual Yellow Rock for Charity dance. On Thursday the 20th, we're back in Williamson with Ron Brown calling at the Middle School which is located just before the Primary School. On Friday the 28th, we will be dancing with Carmen & Carmen at the Orchard Grove Trailer Park Clubhouse, located within Orchard Grove on the south side of 104 between Williamson and Ontario.

On Saturday, April 5, Wayne Westerners join Victor Swing-A-Longs and Kuntry Kuzzins at Victor Intermediate School for the Tri Club Fashion Dance. Ron Brown and Bill Saintey will share the mike, and Carriage House Fashions from Auburn will display the latest fashions.

Please call if you need additional direction to any of our dances, or watch for our Wayne Westerner's sign denoting location. Happy Dancing everyone.

We will NOT be dancing Wednesday 3/26, as the church uses the hall for Easter activities that week.

The recent addition of dancers from the Sunday evening Round Towners Club is working out well. We hope to be able to interest even more dancers to join us at this level now that we are dancing at a more convenient day and time.

We send our hugs and wishes for a quick recovery to Everett Herman, who we have missed since his back started giving him a hard time just before the Christmas holidays. Hurry back Betty and Everett - it's not the same without you!

The weather sure has affected our dancing this winter. Only 2 squares braved the 6" of snow and unplowed streets to attend our dance on January 24 with Jerry Duvual. Our guest caller drove in from Oneida (30 miles east of Syracuse) and encountered very little snow until he got off the Thruway at exit 45. The journey from there to the Red Men's Club proved to be slow and hazardous. Then the night of Boots and Slippers' Blizzard Ball was a night for the sled dogs, quite snowy and blustery.

The attendance was down from last year but our class members had a good time. We had a 100% turn out of class members - both couples. Unfortunately, we had to disband the class shortly after this dance. So we will have no graduates this year and hence no new members. This makes our open house this fall more important this year; get your friends interested in square dancing and bring them to the Open Houses.

A bus load of members enjoyed a day in Toronto highlighted by the musical RAGTIME; we recommend it highly. The show was great and the meal at the Old Mill was great also.

We hope to see you often on the dance floor and especially at the St. Patrick's dance on the 14th. The committee led by Irish Ed Sulewski is planning this event. Due to Good Friday, there will be NO dance on March 28.

As of this writing, our winter has been "dance easy"; let's hope it keeps up! It's nice to be able to get where we want to go without a lot of hassle.

Our Valentine Dinner Dance was held Feb. 13, one of the most popular events of the season. The caring and sharing we show one another were in special fullness with "hearts aflower" as we dined and danced together. Jim and Dorothy Schieble, Jack and Irma Bowdey, Ed and Mary Jane Bottomley and Nick and Donna Hober worked to make our program and evening celebration exceptionally enjoyable.

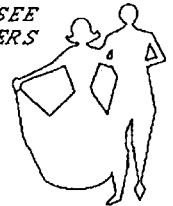

Since we had only two regularly attending couples stay with our fall class, we needed to bring it to a close; we are, however, exploring new ways to build our attendance. We hope to make a positive report on that soon. Happily, our two class couples - John and Ruth O'Hanlon and Bernie and Charlene Fagan decided to continue with Mike Callahan's Sunday evening Cloverleaf's class; and we know that they will soon be a wonderful bonus to the square dance world when they graduate. That is our goal and aim - to build up the appeal, and attractiveness of square and round dancing as activities for all.

We especially thank our R.A.F. officers for the "SUPER" party given Sunday afternoon Jan. 26, to thank all our club Boards for work earnestly and well done. We also extend our thanks and well wishes to Carl and Elaine Mallaber, Promenader Editors, for all the demanding hours they put in preparing news of our monthly club activities and other important information. We will miss them as they move on to other ventures.

Hopefully winter is almost gone and spring is just around the corner.

Our "Summer Fun In February" dance was great fun. Those summer clothes and picnic foods help bring summer closer.

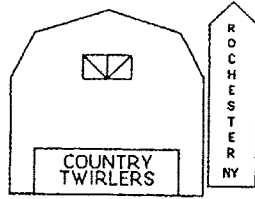

Our prayers and best wishes go to Dot Scheg Bennett who is recovering after having had a heart attack followed by a stroke, also to Sybil Northrup who recently had knee surgery. It is good to have Ed Blake back in circulation after his recent hip surgery.

March should be a busy month with Tim Crawford and Bob Slomcenski calling and cueing on the 1st and Gary and Alice Bubel doing the honors on March 8 and 15. On the 15th we will celebrate St. Patrick's Day so get out the green and come join us for a fun evening.

March 22 will be a Travel Nite for us and we might come dance at your club.

Finally, after the whiteness of winter we can celebrate March, the GREEN month. I always see March as green because of St. Patrick's Day and the arrival of spring.

The Glass Slippers will celebrate St. Patrick's Day with the Cloverleaf Squares as our guests on March 12. Yes, the Cloverleaf badge is very green!

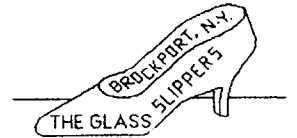

March 19 has been designated as Wild West Night. All attendees are asked to park your six-shooters at the door. Even if the gun is only one inch long, you know you cannot take guns into schools.

We hope to see lots of newer dancers whooping it up with us as we enjoy western refreshments such as Nachos and New York made Picante sauce.

We do enjoy dancing with our guests, so please put Wednesday nights on your calendar to visit us in Brockport's Ginther School.

Can it be possible it is already March? It seems only a few short weeks ago our season was beginning in September.

We were saddened to hear that Don Adams had passed away. Don and Dorothy were very popular past presidents of our club. Our condolences go out to Dorothy and all the family.

Our Super Bowl party in January was great fun. It was ably chaired by Jane and Stu Jones and the good times were shared with a number of guests. I'm afraid some of us would never have made it in the NFL.

This month we look forward to our St. Patrick's Day party on March 12, which (please note) will be held at the Wesley Methodist Church on Dewey Ave. instead of St. Charles Hall.

On April 2 we will have Mike Callahan as a guest caller and don't forget the IRS (Informal Round & Square) dance on April 16. May 14, brings the ever popular and eagerly anticipated Ice Cream Social, so plan now to be there and bring your appetite.

It is not too early to be thinking about rounding up new members for our fall class. Ask your friends, your family, casual acquaintances and even your enemies if you have any. Once they see how much fun square dancing can be they are likely to become your friends.

Mother Nature will be doing her thing about the lion and the lamb this month. We'll hope that only the lamb shows up on our dance nights. No matter what the weather is outside the dancing is always good on the inside. And it helps to know spring is just around the corner. March 8 Dave Eno will be calling including an 'A' tip at 10:30. Mark Thone will be our guest cuer. Get those requests ready.

March 22 you can round up your class people for another chance to introduce them to friends they haven't met yet. Dancing is such a nice way to meet new people. It was very rewarding to meet and dance with the four classes represented at our last class/club dance. Dave always provides a great dance for everyone. (He's doing a wonderful job with our class too.) Bill Saintey will be keeping us dancing with rounds.
