FROM THE EDITORS:

We would like to wish John Zierle (Chef Z) and Dot Bennett a speedy recovery. Hope you are back on the dance floor soon. Last month we wrote about the new simplified key and put in the old one--also we reported that Bob & Nora Slomcenski are coordinators for DOR round dances (as given to us) but it should have been Brian & Cindy Adams. Sorry about both goofs!

We are still looking for new Editors for the *Promenader*. We have just 2 more issues to do. Do you use the schedule in the *Promenader*? Do you read the articles? Do you look at the ads? None of this will be available, if someone doesn't volunteer to be Editors!!

Equipment available is a 386 Packard Bell Computer, a printer, Cannon copier, drafting table and a computer center. If someone would like to be Editors but don't have room for everything, we will purchase the computer center. Any questions or interest, please talk to us or Dick & Joan Wood, the Federation Presidents.

We purchased a new computer for ourselves. The fax is a little different. It answers as if answering a phone and then recognizes the fax signals, just leave it alone and it will go through.

Does anyone in our reading audience have a drum for an Okidata OL400 LED Page Printer that you can't use?? The *Promenader's* printer needs another one. The cost of a new one is about \$250.

We will get to as many clubs as possible with the quilt that is being offered. The winning ticket will be drawn at DOR.

PRESIDENTS'

ROCHESTER AREA FEDERATION

Easter is early this year - and, of course, that too means spring will be arriving.

It won't be long then before DOR will be here - mark your calendars for May 3rd - "PETTICOAT JUNCTION". Much effort and work has been put into this year's DOR, and we are planning for a large turnout. Remember, if you purchase your tickets in advance, you will not only be entered in a drawing for a "Bed and Breakfast" weekend, but you will also receive a free dangle.

Since it was announced in the last *Promenader* that the Mallabers will be resigning from their position as *Promenader* Editors, we are looking for someone who will take over this challenging, yet rewarding position. A computer comes with it, along with assistance in the typing field and, of course, training from the Mallabers. As we all know, the *Promenader* is a most beneficial publication to all square dancers and we certainly hope it will continue to exist. We take it for granted when we use the *Promenader* to find where the various clubs dance, or when there is a special dance, or to check on the Presidents of a club or whom to contact from the Federation when you have a question. We just merely pick up the *Promenader* and the answers are there, as well as the news from other clubs, etc. If there is no *Promenader*, none of this will be available to us. Please give some serious thought to helping out. Without an editor, there will be no *Promenader*.

By now, the new class members are well *along their* way to becoming the future of Square Dancing. We hope they are enjoying their new hobby, as the rest of us do.

We want to once again wish Dotty Bennett and John Zierle, both officers of the Federation, a speedy recovery.

See you on the dance floor!

Dick & Joan Wood, Federation Presidents

Here is a recipe that will help relieve some of the Cabin fever these last few days of winter. It will help by having to take good care of the starter batter which has to be done before the baking can start.

Callers'
Cooperative
of Rochester

AMISH FRIENDSHIP BREAD

STARTER BATTER

1/3 c flour - 1/3 c sugar - 1/3 c milk. Day 1: Pour starter into plastic container. Cover loosely. DO NOT refrigerate. Day 2, 3, 4: stir. Day 5,6,7, & 8, add 1 c each: flour, sugar, milk-stir. Pour 1 cup out and divide into 3 parts, 1/3 cup each. Give 1/3 cup starter and recipe to each of two friends. This is day 1 for them. All batters must be mixed and stored in plastic bowls.

INSTRUCTIONS

To starter batter add:

3 eggs - 2/3 c oil - 2 c flour - 1 c sugar - 1 1/4 ts baking powder - 1 1/2 ts cinnamon - 1/4 ts salt - 1/2 ts baking soda - 1 c chopped nuts or raisins (optional).

Pour into greased and sugared pans. Bake at 350F for 50 to 55 minutes. Check after 45 minutes. (Can be put in 3 small loaf pans.)

I had the opportunity to call for an Adult Education/Continued Learning Class sponsored by the Country Twirlers. The experience to me brought back memories of how square dancing was. Down the stairs came the class members after a week off from school. Some looking nervous because of a new unfamiliar caller and no dancing for two weeks. Would they remember what they had learned? Would the caller call what we knew?

The needle went down, the squares formed and the fun began. Soon the apprehension went away and the students thought of nothing but dancing. They had a great time dancing and laughing at their mistakes and proud of what they were able to do. They looked to each other for help and were not afraid to ask how to do something. They wanted to know about the activity and are looking forward to another session. Their was no pressure to push them on to the next level, they were happy with just dancing what they knew and to proceed at their own speed. During the breaks we talked all about square dancing and what it meant to me and them. Their questions were many. The enthusiasm was encouraging. They wanted more information!

In a time when our numbers are declining, we need to look at different alternatives to attract new dancers. Possibly change our thinking to what will be good to continue the activity for many others to experience and enjoy and not just what's good for us right now. There are many directions to go and not only one solution to fix square dancing. The idea is to try something different, if that doesn't work try something else. Don't stop trying because if we do, we may lose an activity that we all enjoy. Let us know what you think.

The Merry-Go-Rounds dance Phases 2 and 3 every Tuesday evening from 7:00 - 10:00 at the Wesley United Methodist Church at 2009 Dewey Ave. (1/4 mile north of Ridge Road). We have a play-shop from 7:30 -

8:00 where we learn some new Phase 2 dances that are just a little tricky, or a new Phase 3 dance.

Dance-O-Rama is fast approaching. This year's featured round dance leaders are Pete and Mary McGee from Pennsylvania. We have danced with them many times and, in addition to being outstanding, nationally recognized clinicians, they are just plain fun people. We're sure you'll enjoy dancing with them, too. And, of course, you'll have a good showing from us local leaders filling in the gaps in the schedule.

It's been a while since we mentioned this, so in case it's slipped your mind, remember that one of our primary objectives is to help you enjoy round dancing to its fullest. To that end, if you would ever like help with a figure or even an entire dance, please, please, please let us know. We can help you before or after a round or square dance or during a break. We can also schedule private lessons where we can get some concentrated time together. Just let us know!

Did the winds of 75 mph and temperatures in the 60's in early March constitute a lion or a lamb or both or was it just another example of the crazy winter of '96-'97? Time will tell.

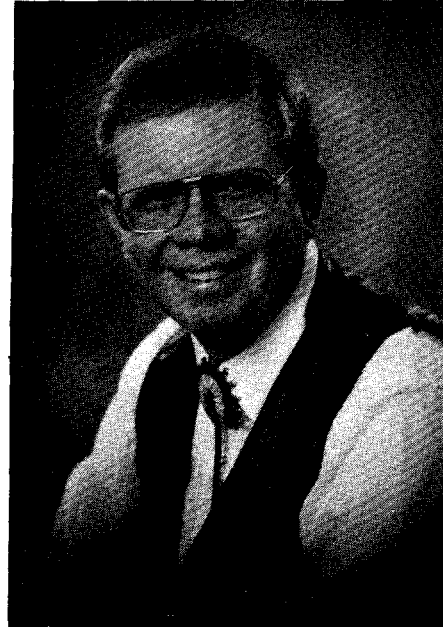

Regardless, I'm ready for all the showers and flowers that April has to offer. So you can say hello to Spring with your Kuntry Kuzzins Saturday April 12. We're all set for an evening where "thank you Bob" will be appropriate all evening. That gentleman caller Bob Ellis will be doing the honors with Bob Slomcenski cueing rounds. We'll top off the evening with some of the best pies in Wayne County.

April 26 another Bob (Stern) will set your feet dancing to patterns you never dreamed were possible. Dick Whyman from Penn Yan will be sure to have some interesting rounds. Bob Stern will finish the evening with an "A" tip.

Don't forget the Tri-Club Fashion Dance on Saturday, April 5, inviting class and club We are co-sponsors with Victor Swing-A-longs and Wayne Westerners. Dance is at Victor Intermediate School at 7:30 p.m. Come out and have a great time.

MIKE CALLAHAN, Hilton, NY:

Mike has been calling since 1960 and calls regularly for 7 clubs in the Rochester area. He calls all programs from Mainstream through C-1. He has been a member of Callerlab since 1976 and was chairman of the Advanced Dancing Committee from 1988 thru 1994. He is currently vice-chairman of the Education Committee.

Mike has called for weekends and festivals in 20 states (Alaska twice) and Canada. He has recorded on C Bar C and Red Boot Star Records. He has been a staff member of the Ritucci-Page Callers' School in 1993, 1994 and 1996.

The most unique thing about Mike's home area program is his teaching square dancing in many area school Phys. Ed. Programs. During 1995-96, Mike taught in 13 area schools (Elementary through High School) and estimates he has taught over 20,000 kids that year.

As most of us know, Mike is married to Wanda and has twin sons and one daughter.

ATTENTION ALL A2 DANCERS: We invite you for an evening of dancing on-the-house on Thursday, April 24. Our

“house” is the North Street School in Geneva, where we will be dancing from 8:00 to 10:30 p.m. The school is at the flashing light on North Street on the North side of Geneva, about a mile west of the Route 14 intersection - the first traffic signal on 14 south of the Thruway. Enter at the flashing light and go straight back then left behind the building. (Rochester dancers note: we find it to be less than an hour from our house in northern Irondequoit.)

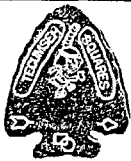

Three hundred seventy-four years!! That’s how much dancing experience was assembled at a recent dance. (And that doesn’t include those who have flown to warmer dancing.) The range of experience goes from the Carleys who began western square dancing 43 years ago (and helped found three clubs along the way), to the Frankenfields who began in 1995. Several couples, including the Bonnetts, Ruegers and Lilyeas, got their start in eastern square dancing. It must have been a romantic activity - Linda and Roy first met while dancing at Bar’s Barn, while Eva and George met at a dance at the Match Box. (Must still be: Tony & Sid Marshall of Cloverleaves, for example.)

Our survey also found that, although dancers may have to drop out for a while because of family, work or health, they are delighted when they return. (The Goulds were out for 20 years and we were out for 10). So, don’t count yourselves out if you have to drop out. It seems to get in the blood.

PROGRAM NOTE: the April 17 dance is at the Baptist Church.

If you missed the Mid Term Ball, you missed a great evening. The attendance was very good (35 club couples and 22 class couples), Bruce

called a “fun” dance that appealed to both club and class couples and the refreshments were delicious and plentiful. An added attraction was the door prizes (approximately 12 of them) that went to holders of lucky tickets. Thanks to the committee for a great job.

The following Friday, the Borden’s and their committee had a tough job decorating as we ended up in the big hall. Despite this, we all had a great time dancing to Bruce and Bob Slomcenski.

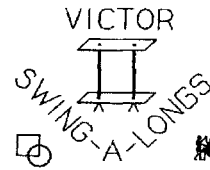

As was the case last year, we had no snow at the Cabin Party at the East Lodge at Mendon Ponds. Twenty four Tecumseh Squares plus Ken and Janet Hill (who are continuing their classes at Cloverleaves) were in attendance. There was a ton and a half of delicious food and a blazing fire to keep us warm and well fed. Some of us hiked on Bird Song Trail to feed

wild chickadees; a pleasurable experience. Betty Thomson showed us younger dancers that she could hike with the best of us.

We have to get busy and get our traveling banners back; our last one left February 21 with the Village Squares. Be sure to sign up when we go steal our banners back.

Spring is here and really welcomed. Our Tri-Club Fashion dance is the 5th of this month co-sponsored with Kuntry Kuzzins and Wayne Westerners. This is a class level dance so bring your new classes out to

dance and browse through the fashions by “Carriage House” from Auburn.

April 3 and 10 are regular dances with Mike Herne calling. April 24 we have Ron Brown as our guest caller.

Hope to see many of you at the Tri-Club.

By the time you read this, about April Fool’s Day, we hope that winter is (almost) over and many birds and “snow-birds” are back here. We miss them all!

Look forward to beautiful May and mark

your calendar for Sunday afternoon, May 18, with Ray Taylor calling and Linda Carnegie cueing for us.

Come visit us some Friday evening. We often have folks come from Newark, Auburn, or elsewhere and would love to see you as well. April 25 is Sundae Night, and we also dance April 11. We’re at West Street School, about 4 or 5 blocks north of Routes 5 & 20 on West Street, which begins half a block east of Arby’s. (It’s really not so confusing as it may sound!) The sundaes will be delectable, and possibly even low-fat yogurt (not sure!)

The Glass Slippers are celebrating April by having a class/club pizza party on the second. The ninth has been designated Guest Night. Any dancers from other clubs will be welcomed as guests of the Glass Slippers that

evening.

There will not be a dance on April 23.

We urge you to attend the Black Light Dance on April 26 at Churchville - Chili High School, featuring Jerry Carmen and Bob Schlenker. This dance has been a highlight in the square dance community for many years sponsored by the Promenading B's.

Don't forget Dance-O-Rama '97 on May 3. See you there!

LARRY DUNN, Kenmore, NY:

In the Buffalo area, Larry calls and teaches from the Basic Class program through C-3A Challenge. In addition to his weekly calling engagements, he also teaches and cues easy Line and Round dances up to Phase III. Larry is a member of Callerlab and loves Genealogy.

Larry has participated in many festivals in New York State, Canada and PA. He also spent a week at English Mt. Square Dance Resort and was a representative at the 7th Annual Empire State Square and Round Dance Festival.

One of Larry's greatest thrills was introducing square dancing to the handicapped. He says the smiles and laughter alone makes it a wonderful time for all.

During the day, Larry can be found performing tasks as a computer programmer.

Writing this column certainly helps the time pass. Unfortunately, each time I write one I am a month older. By the time this goes to press it will be April.

It seems that I am becoming a constant bearer of bad news. I regret to have to report that our good friend and fellow dancer, Dick Stroh, passed away on Feb. 20. He will be very sorely missed. Our sympathies and condolences go out to Mary and to all the family.

This month we have two special dances. On April 2, Mike Callahan will be our guest caller and on the 16th we will have our IRS (Informal Round and Square) dance.

Looking forward to May, Oops! Our dance season is almost over. The 14th is our ice cream social. It is not necessary to bring your own dishes but everyone is required to bring an appetite. Be sure to save the date of May 17 for our Trail's End dance and keep in mind June 8, for the date of our 25th anniversary Car Rally.

At the risk of sounding like a nag I would like to urge one and all to seriously search for people to attend our class in the fall. If we are to have a club we must have a class!

That 73 degrees on Feb. 21 has us all spoiled. Our eagerness for spring dancing sure got whetted that day! We've been rolling along at a pretty good pace lately with an average of 6 or 7 squares; also on the fourth Thursday to do some workshops to tune

us up. We are going to try and visit more; come visit us!

In keeping with our expanded idea "more potluck dinner dances - it brings 'em in!" Our March 13 Wearin' of the Green was a real highlight. And bring 'em in it did! The Shamrocks were flying. We're really going to make an attempt this year to raise our efforts for more happy fun filled times like this. Here's to a successful 1997!

March brought St. Patrick's Day Dances to most every club in the Federation. We hope you had as much fun at yours as we did at ours. We thank all the guests for coming out to join us that night. We also enjoyed an Easter Hat Dance the following week, the ladies making their own concoctions. Some were

hard to keep in place as they were swung and twirled.

We've been told that Elaine Stirk has retired from her position as Town Clerk, and Bert and Betty Wolcott are out and about, doing a little dancing after their period of recuperation. We hope to see these friends soon.

Our annual Pizza Night is scheduled for April 25, the week before Dance-O-Rama. Remember to buy your DOR tickets now for advanced prices. Tickets will only be available until April 14, then you can buy them at the door on May 3.

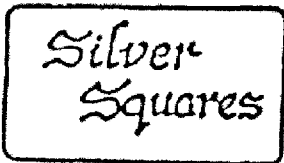

Boots 'N Slippers don't have a graduating class this year, and we miss the fun of the new people, the class-club dances, used clothing sales and the graduating ceremony. We are working on new ideas to get people to want to learn square dancing.

Don't forget our 2 special extra dances in June. The dates are listed in the Special Events Calendar in the front of the *Promenader*.

Our club is open to adult singles at our dances, and future members.

Set that alarm and don't be late.

Come and help us celebrate.

Spring is here! No better reason.

Daylight Saving can be pleasin'.

That's right!

Silver Squares is holding a Daylight Saving Party.

Mark your calendar for

Monday, April 7, 1:00 to 3:00 p.m. Daylight Saving Time. Get out those bright spring duds and join us. There's sure to be gaiety in the air and plenty of goodies to replenish any depleted energy.

The following week, Monday afternoon, April 14, Silver Squares will welcome guests from the DALTON GANG and VILLAGE SQUARES. If you're a member of either of those clubs, please join us at 1:00 p.m. for two hours of free dancing and refreshments.

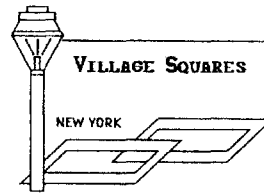

Silver Squares is a growing club of singles and couples 55 and over. We dance every Monday afternoon, 1:00 to 3:00 p.m., at the Red Men Party House. Mike Callahan is our caller. The program includes round dancing and an occasional line dance.

ON A PERSONAL NOTE:

Our best wishes are extended to Eulah Luttrell for a quick recovery from her surgery. We miss you, Eulah.

What comes around every April? First, it is the tax man, then it's the Village Squares Hobo Hoe-down. We hope you will all join us April 16 at East Rochester's First Presbyterian Church as we celebrate the close of another tax season. Has the Internal Revenue

Service taken the shirt off your back? Not to worry. We will be dressing waaay down in our finest hobo garb. In addition to our usual array of snacks and goodies, our soup kitchen will be serving up homemade chili, bread and black coffee. Vagabond Bill Saintey will be cueing rounds at 7:30, perhaps featuring the "tattered two step" and Jerry Carmen will begin calling super-tramp squares at 8:00.

The Village Squares' Banner Bandits struck again on February 21. This time six couples hit Tecumseh, where we not only had a great evening of dancing, but also came away with their beautiful banner. The previous week, a contingent from Clover Leafs came to reclaim their banner and we had a rollicking evening with them. We also had three couples from Genesee Dancers come out recently to visit their banner and to make sure we were taking good care of it. Come back soon, folks. We really enjoy dancing with you.

We hope all you overtaxed dancers will put on your royal rags or best dress barrel, ride the rails out to East Rochester and join us April 16 at 7:30 for a carefree, don't worry about overdraft protection, non-taxing Hobo Hoedown.

Our potluck supper on March 8 was a great success with our annual swap around which is like an indoor garage sale - lots of fun. Some of us had some unwanted treasures

that other people wanted. Everyone had a great time and we always look forward to this special night once a year.

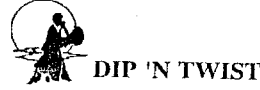

April is going to be a big month for us. Our 25th anniversary dance will be April 12 at the Penfield High School, and we hope to have a big crowd. Hopefully we will see some of our past members at this dance. We welcome guests from all squares to come and help us celebrate. Ron Brown will be our caller for this big event. A workshop will be starting at 7:30 p.m. and the dance at 8:00 p.m. The men will be doing dessert. Hope to see you there.

On April 26, we will be back at our regular location in East Rochester with a workshop starting at 7:30 p.m. and our regular dance at 8:00 p.m. with Gary Bubel as our caller.

Please come and join us.

We've moved! The dust has settled. Come join us in our new hall.

We have an early workshop from 7:00 to 8:00, Phase II and easy Phase III dancing

from 8:00 to 9:00 and harder Phase III dancing from 9:00 to 10:30. We teach a Phase II dance at 8:30 or a Phase III at 9:00. It's a fun level for those who have been dancing for awhile and somewhat more challenging for those who are newer to round dancing. Both old favorites and current popular numbers are on the evening dance program. If there is one you particularly like, write it on the request list by the sign in sheet and we'll do it if we have it.

Please note that there won't be a dance on April 17 or 24. We'll be on vacation.

Don't forget! Now that Spring is just around the corner, it will soon be time for the annual Dance-O-Rama, Saturday May 3rd. We're looking forward to a fabulous day, dancing "to the rhythm" with so many good friends. See you there.

Thanks to everyone who supported our Yellow Rock for Charity dance in March. All proceeds from the evening were donated to Mercy Flight. The Bubels are a terrific team and are booked for next years event.

Saturday, April 5, Kuntry Kuzzins, Victor Swing-A-Longs and Wayne Westerners sponsor the Tri-Club Fashion Dance at the Victor Intermediate School in Victor. Bill Saintey begins the festivities at 7:30 p.m. with early rounds. From 8 to 10:30 p.m. Ron Brown and Bill Saintey share the mike for 2 x 2's. For your browsing or shopping pleasure, Carriage House Fashions from Auburn will have the latest in round and square dance attire on display.

"Be Our Guest!" Yes, please be our guest on Friday, April 11 at the Williamson Primary School from 8-10:15 p.m., as Wayne Westerners host Appreciation Night 1997. Members of all clubs belonging to the Rochester Area Federation are invited to Be Our Guest for cake, ice cream and a fun evening of dancing with Ron Brown and Brian Adams. In order to help us plan for the evening, a courtesy call to 315-331-7528 or 315-926-5739 advising how many from your club might attend would be most appreciated.

On Friday, April 25, it's graduation time at Wayne Westerners. Our small but energetic class of "Little Green Apples" will ripen that evening and receive their Red Apple badges. This is always an exciting time as class instructor Ron Brown gives them the final test in demonstrating the basic and mainstream calls they have learned since September. The class is already into plus calls and will be full-fledged plus dancers by June.

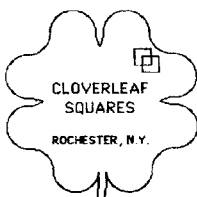

In April we also have a couple of regular Thursday night dances scheduled. Check the *Promenader* schedule for dates, locations and callers.

Be sure to reserve Friday, May 23, Memorial Day Weekend, for our Annual Apple Blossom Class/Club Dance with Jerry DeVaul and Dottie Reed. Since this is a special dance, it will be held at the Wayne Middle School, Route 350, Ontario.

All aboard everyone to DOR. Happy Dancing!

The Cloverleaf Squares are anxious for Spring to arrive and have planned to attend the Tri-Club Fashion Dance in Victor and look for some new duds to spruce up our wardrobe or some new ideas for creating our own. We have some

nimble fingered artists who I'm sure you've seen dancing at your club.

Eileen Thier does a great job, as class representative, of getting the class people signed up to attend the dances, and of course there is always good representation from our club at Class Club dances in our area. Driving in a blizzard to the far ends of county to attend a dance has never given a Cloverleaf square and round dancer a moments hesitation. We have been so pleased to see so many guests at our club this winter, which shows that there are other hardy souls out there too.

We are planning an Amateur Calling night on April 6. This is always lots of fun, as we laugh a lot and dance a lot. (Of course we are laughing with the "new callers" not at them.) We have been so pleased that class members from other clubs have joined our class. The whole class will be graduating on April 27 and the club always does a nice job of making our new members feel important on this special occasion. Dinner and a fashion show will be included that evening.

MATT WORLEY, Virginia Beach, VA:

Matt made his calling debut at age 5 when he climbed on a chair and performed his first singing call. Now, more than two decades and countless tips later, his widespread appeal can be attributed to his distinctive modern styling and innovative choreography (as well as his rather offbeat sense of humor.)

Matt calls for several clubs in VA in addition to calling extensively for conventions, festivals, special dances and cruises. He is a member of Callerlab and the VA State Callers Assoc. Matt is also a member of the Hampton Roads Callers Assoc. And has served three terms as president. He records for Crown Records.

Spring must be coming, the "snow birds" have been returning to their northern roost. It is good to see all our friends who have been gone for a few months.

We dance on April 20 at the Covenant United Methodist Church

from 2 - 4:30 p.m. The Carmens will be putting us through our paces that afternoon. We hope to see a lot of members and guests at the dance, especially the "snow birds". Immediately following the dance, we will have a short business meeting. At this meeting we will hold election of officers for the next year.

PETE & MARY McGEE, Bethlehem, PA:

Pete and Mary have been teaching rounds since 1978 and are leaders of two basic beginner classes and all Phase levels. They are members of URDC serving on the Board of Directors and the Technical Advisory Committee. They also served as Program Chair-couple for the URDC Convention in 1994. They also belong to Roundalab and the Dixie Round Dance Council.

The McGees have taught at many Square and Round Dance Weekends and Festivals throughout the country, and have taught at 5 National Conventions and 4 URDC conventions. They conduct basic ballroom classes for a local college and give private ballroom lessons. Some of their choreographies include "UNDER THE BOARDWALK", "SPLISH SPLASH" and the very popular "HEY" (a current National Carousel Top Favorite.)

Since Pete's retirement, they have more "free time" to spend with their 5 children and 7 grandchildren.

Welcome Spring!!

We also want to welcome back all our Snow Bird Friends. We hope you will join us on Saturday evenings to have fun dancing and to munch on our variety of refreshments.

On April 5 Tim Crawford will be our guest caller. Alice Bubel will cue the rounds. This will be Tim's last date with us till next year so come join our "Party."

Gary and Alice will do the honors on April 12 and 19. April 19 will also be our annual Ice Cream Social so forget the calories and come "Make Your Own Sundae."

On April 26 we will be dancing to Ron Brown and Bob Slomcenski.

Another fun evening. Come join us anytime.
