FEDERATION MEETINGS

1999: Thursday, June 10
Monday, Sept. 13
Tuesday, Oct. 12

All meetings are held at the Brighton Town Hall, 2300 Elmwood Ave., in the "Community Meeting Room," starting at 7:30 p.m. Use rear entrance by the library. Meetings are open and everyone is welcome!

President's Corner

WELCOME NEW DANCERS to the "WONDERFUL WORLD OF SQUARE DANCING." You have joined an activity of "Friendship Set To Music." We welcome you and wish you many years of FUN and FELLOWSHIP with some of the nicest people in the world.

Remember first of all that Square Dancing is for FUN! Don't worry about getting lost once in a while; most long-time dancers do that. Don't concern yourself about perfecting every move and don't feel that you have to practice at home. That makes it work and that's what it ain't! You'll find that the squares that are laughing and having the most fun are those that have missed a call and have "messed up"! Try to dance regularly or at least occasionally during the summer just to keep from getting rusty. Join a club and get involved and remember, **DANCE FOR FUN.**

TO ALL DANCERS: By now your club presidents will have received a letter asking them to help us to find some people to fill the offices on the Federation Executive Board. If you are interested in getting involved in the Federation or need more information, please give us a call. If you know someone who you think might be willing and able, let us know and we will call them. You are all on the nominating committee. Remember, **IF ALL THE HORSES WANT TO RIDE, WHO IS GOING TO PULL THE WAGON?**

We want to thank the current Executive Board: the Mallabers, Rowes, Chrzanowskis, Miles and Leenhouts, and Don Hunger for helping us during the past year. We enjoyed working with you.

Happy Dancing and have a good summer!

Ken and Kay Georger

CHEF'S CORNER...

This is an easy appetizer that can be prepared ahead of time to serve when having a BBQ this summer. It also allows you to enjoy the time with your guests rather than frantically fussing in the kitchen. It is also acceptable for those on low-fat diets!

EAT ALL YOU WANT CRAB DIP

- 8 oz. low-fat cream cheese, soften 1 to 2 minutes in microwave
- 1 teaspoon Old Bay seasoning
- 1/2 lb. crab meat
- 1 cup dry sherry
- 1/2 teaspoon garlic powder
- 1/2 cup no-fat mayonnaise
- 1/2 teaspoon dry mustard

Blend all but the crab meat until smooth. Mix in crab. Heat until warm in microwave (1 to 2 minutes, or so) or serve chilled with crackers, toasted rye bread squares (1/4 slices) or with celery shovels (1/4 of celery stick), or hot Italian or French bread slices. Enjoy your summer. See you in the fall!!

Enjoy! **Chef** 

A Note of Thanks

We would like to extend our sincere appreciation to everyone for all their help to make D.O.R. a success. First and foremost, thank you to all the dancers who attended. You make it all possible, and from what we saw and heard everyone had a great time. We also want to give a warm welcome to all the new dancers. We look forward to dancing with you and hope you will discover as much fun and friendship as we have found in our dancing. Many thanks to Joan and Jerry Sanford for their assistance. We are especially grateful to all the clubs and their members who gave of their time and with their diligent assistance helped to make the dance flow so smoothly. We extend an appreciation to all the host couples for opening their homes to the callers and cuers on staff. A special thanks to all the callers, cuers and line dance leaders who volunteered their equipment, time and talents for our enjoyment. Between now and the next D.O.R. we hope to see you on the dance floor enjoying many good times together.

Georgers Receive Norma-Daphne Award at D.O.R.

Kay and Ken Georger

On May 1, at ceremonies at the 1999 Dance-O-Rama, held at Churchville-Chili Middle School, Ken and Kay Georger received the Daphne-Norma Leadership Award. The award highlights extensive and sustained leadership over an extended period of years in square, round, or contra dancing. It was established in 1977 by Frank Salvagio and John Fink in honor of their wives, Norma and Daphne. Candidates are evaluated on the basis of leadership, service, and motivation.

The Georgers started square dancing in 1969. They joined the Country Twirlers upon graduation, and have served as officers for 16 of the years since, including social chairmen, publicity, vice presidents, federation reps, and presidents.

On the Federation level, they have participated on many committees, have set up and maintain the "master calendar," and have served as corresponding secretaries, vice presidents, and currently as presidents.

The Georgers are very busy people in the area of community involvement, also. Their volunteer commitments in-

clude Festival and Bingo work at St. Helen's Church, ushering at Geva, the Broadway Theatre League, and the Downstairs Cabaret; helping out at the Zoo, transporting the elderly for Gates Recreation, repairing books at the Gates Library, and donating blood. They have also helped with the concession stands at LPGA events, as well as the PGA Ryder Cup; and when their boys were in the Boy Scouts, Ken and Kay served as Scout Master and Den Mother.

On February 21, 1998, the Country Twirlers presented the Georgers with a plaque showing their appreciation for their many years of dedicated service and leadership. On that same evening, they were presented the "Circle of Service Award." This award originated in Legacy in 1985, and is given to dancers by dancers to show appreciation for their efforts to enhance square dancing in their community.

Ken and Kay Georger are a special couple, always ready and willing to do anything that leads to the betterment of square dancing.

This-n-That from the Editor's Desk...

Wow, it's hard to believe that with this issue, we've been editing the *Promenader* for a year now! And this is the largest issue yet.

We would like to thank the reporters and advertisers for all their effort and time spent in providing us with the material we need to put each *Promenader* together. And special thanks to our subscription editor, Dorothy Woodams, and our proofreaders, Gene & Phyllis Eseltine, for their dedicated service. We are also grateful to Bob Glasow, who is filling in as printer for our John Fink, who with his wife, Daphne, is on a much-deserved vacation trip.

This issue has been more labor-intensive than most, due to unscheduled happenings like Andy's aunt in White Plains being critically ill, and our daughter-in-law and 4-month-old grandson coming home from Germany for a quick visit.

We are also proceeding with plans for the September 25 **Promenader Benefit Dance**. A planning meeting will be held in June. Call us if you would like to help out.

We had a good time at Dance-O-Rama, and hope that you all did too! A special welcome to the NEW GRADUATES! The *Promenader* is pleased to be sending you two complimentary issues: Summer and September. We hope that you will subscribe for the new subscription year, which begins in

November. **As an added incentive, if you send in your subscription (to our subscription editor, Dorothy Woodams) before September 15, you'll also receive the October '99 issue free!** A subscription form will be in the next issue.

We encourage new dancers to keep dancing through the summer months, if possible. If your club is not meeting, check our club news and dance schedules to find other dances you can go to. We highly recommend the various plus workshops that are offered either as a separate program, or in combination with a club's regular dance. And if you are hesitant, go anyway, and check it out! Here's a tip: dance up front right near the caller. That way, you will hear the calls really well, and the caller will see when you are in trouble, and can perhaps help you through it.

And be encouraged that in September, many clubs start up slowly to accommodate dancers that haven't been dancing all summer. So jump right in, and get in the swing of things! Happy summer!

Betty & Andy Ludwick

P.S.: As we have mentioned in previous issues, we are in search of a new printer for the *Promenader*. Please call us if you have any suggestions.

Batavia Silver Stars

Summer is finally here, but in Batavia we are dancing up a storm. Every Monday evening starting at 7 p.m., rounds for 1/2 hour, then squares/rounds, with a lot of fun in between.

We have all enjoyed having Britt Effemberger in our class. Britt is the exchange student from Germany, and she will be soon going home. Britt will be at our Barn Dance on July 17. Those of you who are planning to attend this year will have a chance to meet her.

Our annual Barn Dance starts with a potluck dinner at 6:00, then into the barn for some fun dancing, then who knows what else is in store. This is a FREE dance. It will be held again at Leon & Becky Perry's farm, located at 2407 Brown Road. Bring your own table service, and a dish to pass with something delicious in it. If you need directions from Rochester, call Paul & Joanne Siebert, they always come, and I am sure they will be glad to escort you to our dance. See you in a square!

Another year of dancing has come to a close. We will miss the weekly dances and the time socializing with our friends, but have many happy memories until the next dance season begins.

June 6 will find us picnicking at North Hampton Park. Contact any former/current members who might like to attend. Love to see you all there.

On June 12 all square dancers have been invited to perform at the Hamlin Wheel Fest from 3 p.m. to 4 p.m. at the Hamlin Town Hall. This is an all-day Family Festival from 10 a.m. to 6 p.m. So come out for a day of fun, crafts and entertainment. Our own Gary Bubel will be calling.

June 18 will find the more daring of our dancers rafting at Letchworth Park down the Genesee River; a picnic will follow.

Congratulations to Gary and Alice Bubel on the arrival of their new grandchildren — TWINS.

Thanks again to our caller and cuer, Gary and Alice Bubel, for their help throughout the year; then to our officers, chairpersons of special events and their committees, to all the dancers who came out and supported our club, and lastly our own club dancers.

Don't forget to support our local clubs during the summer.

Have a safe and enjoyable summer and see you all back on the dance floor next fall!

I hope you are all having a restful summer, taking advantage of the longer evenings. We have been busy planning our summer weekend in August and getting prepared for demonstrations that the club will be doing around the surrounding areas this summer. We all enjoyed the Dance O' Rama in May. Our club provided the evening meal for the callers and their Taws. It was fun to talk and share time with them. Our new dancers are progressing along on schedule, learning some of the more advanced calls. We will have graduation August 19 and then get ready for a new class this fall. Come and dance with us one of these summer evenings. We have guest callers or cuers at least once a month plus special refreshments. We look forward to seeing you in Auburn soon!

What Happened to Grace and Styling in Square 'Dancing'?

by Milt Floyd, *Executive Secretary,*
Minnesota Square Dance Callers Association

There were, at one point in time, several accepted points of courtesy and styling. Where did they go? When did the "Grand Square" stop having 32 beats of music? When did a "weave the ring" become a bump and grind display of twirls and kicks and patty cakes? When did "promenade halfway around" involve either the designated couples rushing headlong through the middle or the other couples doing some sort of highland fling? When did "do-sa-do" become a swing? When did "circle to a line" change to what is done today? Every time I hear dancers complain about the condition of the activity, it makes me wonder what is missing.

The older dancers remember the times when courtesy and grace were as much a part of the activity as the socializing. They remember when a courtesy turn was just that, not a crack-the-whip. When a square thru was done by letting go of hands. The dancers of today have little idea what a grand square feels like to be danced in time with the music. They are too busy twirling and swinging and so many other things that can't be defined, to even consider being in step with the music. It's as if they need to hurry and get back to where they started before anyone else does. It really is not a race.

I know. I've heard the arguments. "Most of the dancing is

boring." "Everyone else is doing it. I don't want to look like a geek." "It's more fun this way." And on and on and on ad nauseum.

Perhaps we should try putting the grace and the styling back into square "dancing." After all, isn't dancing supposed to be graceful? Instead of rushing into the middle and throwing the timing of the figure off, maybe we could try promenading half-way around the outside. Instead of trying to tie each other in knots and using several more beats, maybe we should try doing a square thru in ten beats (that would mean letting go of the hands). Perhaps we should try stepping in time to the music and actually using 32 beats to do a grand square (no twirling, tangos, kicks or anything else). Perhaps we could even do a do-si-do back to back (no swinging).

I'll bet if we all made an effort to move in time to the music and to perform the moves the way we were taught, at the end of the evening we would all be far less tired than we are now. I'll bet if we all made an effort to practice the styling that we were all taught, we could put the grace and styling back into square dancing. I'll bet that if we really did this, we would have enough energy to go out after the dance and socialize with our friends and fellow dancers.

But that's just my opinion. I could be wrong.

— THE ROUNDUP

Dip 'n Twist

Summer is finally here! We will be dancing through the summer (except for vacations) — our hall is AIR CONDITIONED. Dress comfortably for those hot summer nights.

DIP 'N TWIST

The club dances phase II & softer Phase III dances from 7:00 to 8:30. We have a teach from 8:30-9:00, alternating between a softer Phase III one week and a harder Phase III or soft Phase IV the following week. From 9:00 to 10:30 the level is a little higher. Classics and popular new dances, along with requests, are included on the dance program.

Several have asked about our plans to have a basic round dance class. We will be teaching one this Fall. We're starting the BASICS class with Rumba & Cha cha. See the September *Promenader* for details.

There are several weeks during the summer months when Brian will be on vacation, so be sure to check the schedule in the back of the *Promenader* for dates.

Finger Lake Squares

Summer is a great time to dance in Geneva. We're dancing every week in June, at North Street School through the 17th, and then at the American Legion on the 24th, and alternate weeks in July and August.

LINCOLN LOGS! This is not an advertisement. This is a report. Mix a large heap of those gems from your youth with a dancer sitting out a tip and what do you get? Instant architecture. While the rest of us were dealing with the finer points (any points?) of the left-handed chain reaction, Lori Ross discovered a large crate of the logs in our hall. Obviously this was a challenge not to be spurned, and her building effort began. At the break her handiwork attracted others, and soon we had a half a dozen or so dancers involved in cooperative and competitive cabin building. Abe Lincoln would have been proud. We had some truly amazing structures (and also some spectacular crashes!) The grand prize went to Sheldon (why shouldn't-I-just-give-this-thread-a-little-tug) Frankenfield, who had the unfair advantage of extra time to build due to a clothing emergency.

This summer, pack up your Tinker Toys and come on down!

Friendship Squares of Geneva

Sunday afternoons, July 25 and August 22, are the dates of our two summer dances this year. The ads are in this issue — one is at Hobart College, and you may wear casual clothes if you like. We'll dress up for the dance at the American Legion, as they have air conditioning. There'll be our popular buffet at the Legion as well. Come and have a good time!

Flyers are out for our "Hallowe'en Happening" at Watkins Glen this September, and newcomers with experience at Plus dancing are always welcome. This dance is a little fast and tough for brand new Plus dancers. Red Bates, one of our long-time favorites, is back this year, along with our very own regular staff of Dick Schweitzer and Bill Newman. If you don't have a flyer, see the ad in this issue. Consider a costume on Friday night — pirate, princess, R2D2, or whatever! This is a wonderful hall, a great value, and an all-round fun weekend.

THE FRIENDSHIP SQUARES of GENEVA

Genesee Dancers

Summertime and the living is easy...ahh... We are all looking forward to vacations, picnics, Rochester festivals, flowers, etc. Genesee Dancers will end the June dancing schedule with our traditional Trail End Dinner dance on June 17 at the Green Lantern Inn in Fairport. Social time and dinner begins at 6:30, dancing at 8 p.m. Mike Callahan will be calling — all guests are welcome.

For further information and reservations please call 388-0776. Reservation deadline is June 10.

The Genesee Dancers will be busy in the near future retrieving our banners—two of them — lost to the Cloverleafs and Tecumseh Squares on April 8. What a fun dance we had. It was great to be inundated with so many guests.

Special news about a talented Genesee Square Dancer, Ruth O'Hanlon. We are so proud of her. Ruth was awarded the honor to tour Europe this summer as vocal soloist with the Rush Henrietta Sperry Singers. She will be performing in cathedrals in Milan, Venice, Lucerne, Salzburg and Vienna. We all are excited for her and wish her a wonderful trip — an opportunity of a lifetime!

This is our last news article until the September *Prom-enader*. We wish everyone a great summer. We look forward to the Trail Back dinner dance in September. Details forthcoming in the September issue.

On a final note... everyone be sure to read the summer *Promenader* for summer dancing at area clubs.

Lima Grand Squares

Greetings from Lima Grand Squares; We hope everyone is enjoying summer dancing in a cool, comfortable spot.

Congratulations to Gary & Alice Bubel on becoming grandparents again (double). They have a new pair of potential square dancers! Samantha & Kyle.

We have seven new members at LGS's — Our graduates of '99 are: Matt & Gail Berger; Audrey Boccuzzi; Bob Dibble; Glenn & Laurie Upright; and Evelyn Wing. Welcome to you all.

Summer activities include: Gary Bubel's Summer Workshop at Henrietta Fire Hall, from June 1 to Aug. 3, and a Demo July 17 at Henpeck Park on Elm Grove Road at 2:00, for Discover the Canal.

See you there, and have a relaxing summer.

Silver Squares

Hopefully summer is now here, for we have our annual picnic planned for June 28 at Black Creek Park. We have ordered perfect weather for a day of bocci, cards and games, and great eating starting at 10 a.m. Be sure to make your reservations. Our special occasion for July is an ice cream social on the 12th. Bring your appetite and create a sundae of your choice. Guaranteed to be free of calories.

On August 9 we are hosting another free dance — that's right — free — (see our ad in *Promenader*) and look forward to seeing our many friends from other clubs.

We wish our club members Lyle Bradley, Mirf Manning, Madelaine Resch and Lottie Schiemann a speedy recovery from their recent illnesses and hope they will soon be joining us again on the dance floor. It is good to see the Goraczyns back with us.

If your club is not dancing in the summer, do come and join us. We are dancing every Monday during the summer at the Red Men Party House: it's cool, comfortable, and dress is casual. Couples and singles are always welcome.

Tecumseh Squares

The summer season is underway. Welcome back to all those who spent the winter in the warmer climates.

A couple of reminders: Square Dance attire is optional during the summer months. HOWEVER, our President dictates that everyone must be clothed in order to be admitted to a dance!!

Each evening begins with 45 minutes (approximately) of a PLUS call workshop, then alternating round and square

calls for the remainder of the evening.

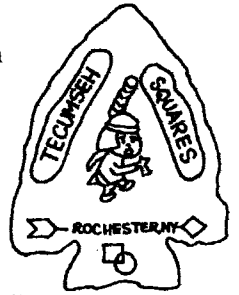

July 16 is Sundae Friday. Come join us for a night of fun and your favorite ice cream treat.

August 20 is Gourmet Dessert night. If history is any indication, this night should provide a culinary experience for all. For those of us that are weight conscious, all the sweets will be of the LOW-CAL variety (in your dreams). However, you have my permission to throw all concern to the wind for this evening and enjoy.

August 27 Tom Miller, a National Caller, will call the Squares. Join us for a night of fun.

Our Banner Stealing activity resulted in the stealing of banners from the Belles 'N' Beaus and the Genesee Dancers.

TECUMSEH (chief of the beautiful river) urges all to join us in dancing in our air-conditioned hall.

Wayne Westerners

Our only scheduled dance in June is the club trail end dinner dance on Friday the 4th. The social hour starts at 6 p.m., followed by dinner and dancing with Ron Brown calling and Phil Eno cueing.

On July 16, 17 & 18, Wayne Westerners will be at the Genesee Campground in Caledonia for a fun level, relaxed weekend of camping and dancing. The dynamic duo of Ron Brown and Dottie Reed will be doing the calling and cueing. For campsite availability, call Wagon Masters, Stew & Judy Wing at 524-5252. All reservations paid in full by June 1, are just \$50.00 for the full weekend package. After June 1, the package price is \$55.00. If camping is not your thing, walk-ins are welcome at both the Friday and Saturday night dances.

With the exception of some demos this summer, our regular dancing season is over until September. However, there are plenty of special dances and weekends being sponsored by other clubs throughout the summer. Check the *Promenader* for dates and locations.

Special thanks are extended to our outgoing officers for guiding us successfully through the year. You did a great

job! Special thanks to our club caller Ron Brown and all guest callers and cuers for all the wonderful evenings of dancing you provided for us. We couldn't have done it without you. Many thanks to all the dancers Wayne Westerners have had the extreme privilege of dancing with throughout the year. Congratulations to Betty and Andy Ludwick for the excellent job they did as Editors of the *Promenader* and to all the reporters for promoting round and square dancing in and around the Rochester area. To each and every one of you, a GREAT BIG YELLOW ROCK from all the Wayne Westerners. Have a safe, happy summer everyone.

New Symbol...

With this issue, we are introducing a new symbol as part of our key: **ca**, which will mean **casual attire**. We have already included it on a few listings that we knew were casual attire; but many more of the dances in the summertime are — so please check the club news sec-

tion of the *Promenader*, or call the information number listed with the club news to find out if the attire is casual.

In the future, club reporters can indicate this code on the dance schedule listings where appropriate.
