CHEF'S CORNER...

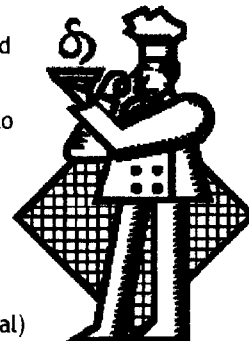

Summer is going to start winding down soon and we will soon be raking leaves and preparing the garden for the cold months ahead. But don't despair. There will probably be enough warm weather to get in that last boat trip or days at the beach. Here is a meal that is not only very easy to prepare, it is also very light in the cholesterol and sodium content. Perfect for a warm, end of summer, patio dinner.

CAPELLINI WITH SCALLOPS

- 16 ounces Capellini, cooked and drained
- 1/3 cup extra virgin olive oil
- 2 teaspoons of minced garlic, or more to taste
- 1/4 cup flat leaf parsley, chopped
- 1/3 cup sun-dried tomatoes, packed in oil, drained and chopped
- 2 tablespoons fresh basil, chopped
- 1/4 teaspoon red pepper flakes (optional)
- 2 packages (12 oz. each) frozen bay scallops.

Saute garlic in olive oil in a large skillet.

- Stir in parsley, tomatoes, basil, red pepper flakes (if used) and scallops.
- Simmer 3 to 4 minutes, until scallops are cooked. Be careful not to cook scallops too much.
- Toss with hot cooked pasta. Serve with warm crusty Italian or French bread. A nice bottle of cold white wine would top off the meal.

Enjoy! **Chef** 

A letter of thanks ...

Joan and I were greatly surprised and honored when we received the Daphne-Norma Leadership Award during Dance-O-Rama 2000. We had no idea that our names had been submitted in nomination. We want to thank publicly Carol & Karl Schantz and Faye & Larry McDowell who worked behind the scenes gathering historical facts about our past endeavors in the Finger Lakes Round and Square Dance activity. We will honor and treasure this award for the rest of our lives.

Square Dance Etiquette

Square dancers pride themselves on being friendly and courteous on and off the dance floor to both dancers and non-dancers alike. It is good square dance manners to join the nearest square needing a couple. Introduce yourself (a stranger is just a friend whom you haven't yet met). Listen to the caller. After a tip, applaud the caller and thank your fellow dancers. And most important, "Have Fun and Smile."

REPORTERS: Please notify us of any changes of the presidents in your clubs, preferably by making note of it at the top of the reporter's Club News page (in the area where president and reporter information goes.)

UPCOMING FEDERATION MEETINGS

Tuesday, Sept. 12, 2000

Wednesday, Oct. 11, 2000

Tuesday, Nov. 14, 2000

Thursday, Jan. 11, 2000

All meetings are held at the Brighton Town Hall, 2300 Elmwood Ave., in the "Community Meeting Room," starting at 7:30 p.m. Use rear entrance by the library. Meetings are open and everyone is welcome!

President's Corner

During the 19th Century, modern square dancing emerged from the shadows of the old Barn dance. For awhile it grew and grew, but the last decade has seen a steady decline. Now that the 20th Century is here, we should all strive to bring back all that enthusiasm which brought us into the folds of the square dance world.

We have been fortunate to serve this past year with Ken & Kay Georger and the rest of this year's board. Ken & Kay worked hand & hand with Ed & Sybil Briggs, and

the rest of the D.O.R. Committee to help make D.O.R. a success for 2000 and thus give us a brighter outlook for 2001.

The *Promenader* with Andy & Betty at the helm couldn't be in better hands. Their ingenuity & fresh approach, along with their get-up and go, all make for a very interesting publication.

We are very much looking forward to working with Bob & Lou Stevens, our Vice Presidents. Together with them & the rest of the new board, we're hoping to progress. Here's hoping that the 2000-2001 new classes will all flourish, and many new members will come aboard.

Dance up a storm & have
a good summer!

Don & Marian Ellinwood
Federation Presidents

This-n-That from the Editor's Desk...

When the *Promenader's* new bi-monthly issue schedule was set up recently, we hoped it would make deadlines easier to remember – the first of every odd month. But with this August-September issue, we are discovering that there are some inherent difficulties.

We would like to thank all the reporters who mustered their time and resources during this summer season to get club news, schedules, and open house info to us. Even so, it was a real struggle to gather all the data needed to put this issue together.

Many factors came into play: some clubs have their past year officers' terms end in June, with new officers taking over in September. Whose job is it then, to send in Aug.-Sept. news on July 1st? Some clubs have not yet, even as we get ready to go to press, finalized arrangements for September, which impacts dance schedules.

It seems it was, overall, difficult for people to switch gears from "summer vacation" mode to "get ready for open houses" mode. We know that more clubs would have advertised their September events, but couldn't get everything ready in time.

REPORTERS — what do you think we can do to make this run smoother next time? We want your input. Perhaps we could do a 3-month summer issue as in the past and then a September Special issue? Could you get everything together any easier for an Aug. 1st deadline (followed a month later by a Sept. 1 deadline for the Oct./Nov. issue)? PLEASE let us know. Call us, e-mail us, write, or tell us at the next Federation meeting.

A date to put in your calendar is October 1 — our annual steak roast — more to follow.

On a sad note is the loss of Dave Wasnock. Dave and Eileen danced many years with Belles 'N' Beaus and it was always a pleasure to have them in a square. Our deepest sympathy is extended to Eileen and her family. We also lost another member during the summer, Dwight Howard. We extend to his family our deepest sympathy.

Looking forward to seeing you in a square on September 6 at 7 p.m.

Belles 'N' Beaus

It's great to see you all again. We on the board hope that you all had an enjoyable summer. Now it's time to square and round dance. The director has a very good schedule for the upcoming year of dancing.

The month of September will feature open houses on the following dates: September 6, & 13, with introductory dancing 7 to 8 p.m., then regular dancing from 8 to 10 p.m. On the 20th of September, from 7:30 to 10:00, we will have a guest caller. The 27th of September we will begin our regular dancing, at 8 p.m.

All dances during September and the first dance of every month will be a dress-down night. It will be noted in the *Promenader* as casual attire.

Cayuga Cut Ups

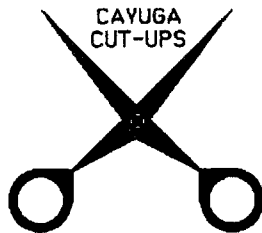

Our caller, Phil Eno, has done another fine job teaching our class. Graduation will be held on August 24. And our new classes will begin on September 21. The club has placed square dance fliers throughout the local area in highly visible businesses, in hopes of getting the word out to more potential dancers. Like all clubs, new members and ideas are needed in order for a club to survive.

Well, it's time for me to say goodbye, as our new officers will be installed on August 31. Please welcome our new officers: Dale & Ginny Mecomber, presidents; Larry & Margaret Abrahamson, vice presidents; Fran & Jack Hole, secretaries; and Naomi Norton & Joyce Reeves, treasurers.

Dancing is alive and kicking in Auburn. Please join us on any Thursday night for dancing and fellowship.

One of our favorite (always too short) seasons is upon us, and we are dancing in air-conditioned comfort at Henrietta Fire Company on E. Henrietta Rd. at Lehigh Station Road. Please come join us for a fun-filled night. Our dance attire is casual for the summer.

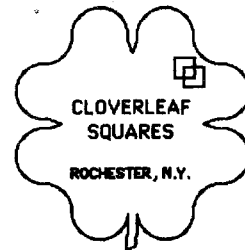

On Saturday, August 12, there will be a picnic at 1:00 p.m. at Fellows Road Park in Fairport. Check the sign-up sheets at our dances for the picnic and other activities. On August 27 we will have our ice cream social — a delicious Sundae night, and this will be our last dance night in Henrietta. We will be dancing at the First Baptist Church in Chili, 3182 Chili Ave., from September through May 2001.

Please check our flyer in this issue for all the information concerning our two free OPEN HOUSE nights, Sundays, September 10 and 17. The open houses will be held at our new dance location, First Baptist Church in Chili from 7:00-10:00 p.m. Introduce your friends to a hobby that is a lot of fun and good exercise.

Our last summer dance at the Livingston County Campus will be August 8 at 7 p.m. The residents really enjoy the memories our square dancing brings back to them. They love the music and the colorful outfits. Our caller, Will Herzog, includes a wheelchair square for the patients when possible.

Our annual picnic will be at Letchworth Park on August 22 at 6:30 p.m. This is always a well-attended event, bringing together our members who are not always able to attend Club dances.

We will begin dancing in the fall on Tuesday, September 12. Our Open Houses will be held September 19 and September 26. Club members are actively scouting for new dancers.

Silver Squares

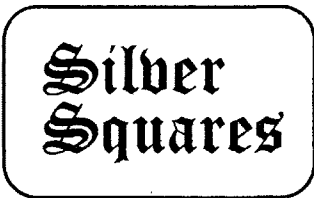

It is now middle of summer and we certainly hope each and every one is taking full opportunity to enjoy the same since summer flies by so quickly and we are back to the usual Rochester weather of rain and/or snow. After a cool, wet spring it would be nice to experience sunny, balmy days for all the outdoor activities every one enjoys so much. On August 14, Silver Squares is again hosting a free dance for all dancers. This has been held several times in the past and our club enjoys welcoming all our friends to join us for an afternoon of fun and dancing with Mike Callahan.

On September 18 Silver Squares will have a new-to-you clothing sale. If you have recently re-organized your closet bring in those items you would like to sell. Or you can come to the dance and perhaps find something you could use.

We are dancing every Monday through the summer and welcome all dancers to join us. Please note that there is no dance on Labor Day, September 4.

Tel-O-Mark Rounds

Tel-O-Mark Rounds is an Intermediate Level Round Dance club. We meet every Wednesday evening from 8-10:30 p.m. at the First United Methodist Church of West Webster. (See schedule in back for specific exclusions.) We dance Phase III through Phase V with emphasis on Phase IV and V instruction.

There will be no dancing after August 9 until September 6 because of Mark and Marlene's vacation.

The next Saturday night dance will be held on September 23 from 8-11 p.m. at the 570 Old Ridge Road address. These dances are open to all dancers and continue to be "all levels/all requests" events. Feel free to bring your favorite snack to share.

Tecumseh Squares

Tecumseh is continuing its casual dress summer program again this year at our air conditioned Club Hall at 496 Long Pond Rd. in Greece. Be sure to abandon your diet on August 25 and join us for our Gourmet Dessert Dance. Our members seem to come up with a sinful lot of tempting desserts for that annual occasion.

Our intrepid traveling dance troupe returned from the National Square Dance Convention in Baltimore with only a few blisters to show for it except for Eleanor Schwartz who insisted on inadvertently checking out a construction site while walking to the convention and ended up with a bum knee. You may console her at our annual Mendon Ponds Park picnic on August 20. This will be at the Stewart Lodge — check with Sally McNeill for details. While consoling Ellie, give Andy Hamlin some sympathy — he tried a swan dive down the basement steps at the old homestead and was rewarded with knee surgery for his trouble. Sure hope things don't happen in threes!

A special treat for August — Mary Hinkle from Grand Island, NY, will be pinch hitting for Mark Thone on the 18th and 25th. She is a skilled cuer and with her husband, Dick, a great couple to watch on the dance floor. Don't miss her all too-rare appearance at Tecumseh. The Fall dance season

Victor Swing-A-Longs

Summer is drawing to a close, and we look forward to the new dance season. Our first dance will be on Sept. 14 at the same location which we used last year. That is the Victor Primary School Cafeteria on High Street. We'll have signs up to guide guests not knowing how to find us.

We will hold an "OPEN HOUSE" on Sept. 28. Everyone is invited to come and bring friends. Of course, everyone will get the royal treatment of friendliness, refreshments and an introduction to square dancing.

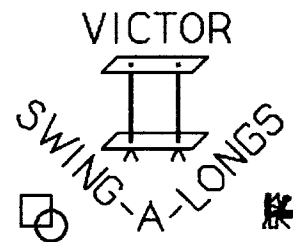

Victor will be doing a lot of visiting this year — maybe even bringing home a few banners.

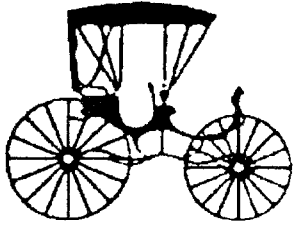

As in the past, we welcome all to our dances — young and not so young, single and couple. Everyone has a good time.

REMEMBER: Victor is just around the corner — a stone's throw from Eastview Mall. Come and see us.

Village Squares

Village Squares is a plus club that dances at 8 on Wednesdays, starting in September. Jerry Carmen calls and cues. Our members specialize in handshakes, hugs and just plain yakking it up.

Our Trail Back dance September 6 kicks off the season. The dance is casual (which means a man can take off his tie and a woman can take off anything within reason.)

September 13 and 20 are regular dances with ties and petticoats.

September 27 is our annual FREE dance, open house, 8-9:30, with a 9:30-10:30 real dance snuck in after. It's guest casual, which means you can get away with almost anything, if you can't dance. Experienced dancers just dress casual.

Our main stream class starts at Pittsford's Lincoln Center at 7:30 on Tuesday, October 3. And at 7, starting October 4, we will again this year offer pre-dance plus lessons. Catch our plus ad in this issue. In addition to new dancers and mainstream dancers wanting to take the next step, we recognize that there are a fair number of tweeners out there, like mainstreamers who drifted off to Florida and rusty plus dancers, for example. Whatever your skill status, we can find a place for you to progress. (For help getting started call Peter or Sally Emmel 381-5049.)

Of course, the welcome mat is always out for experienced dancers. Drop by any Wednesday you're free.

Wayne Westerners

Camp-outs are great, and we would like to thank everyone who attended. Without YOU there, there is no such thing as success. Everyone had a great time, and we look forward to next year.

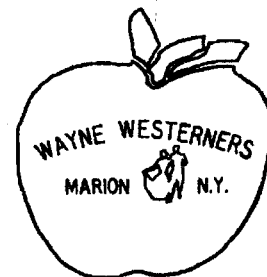

The Wayne Westerners would like to thank everyone who attended our dances and supported our club all last year. It has been decided that this club will become a Caller-run club, effective July 17, 2000, under the direction and care of Ron Brown. He will be making an attempt at helping the club grow and prosper to where it was not so long ago.

There will be two open houses in September. The first one will be on Sept. 15, and the second will be on Sept. 29. The time will be from 7:00-8:30, and then regular club level dance to follow from 8:30-10:15. The location has to be finalized yet, but will probably be held at the Ontario Primary School, which is on Ridge Road in Ontario, behind the Elementary School. Signs will be posted to help you out. You can contact Stew & Judy Wing at 315-524-5252, for details and directions, as time gets closer. Ron will publish a schedule for our dances, which we plan to have on the first and third Fridays of every month.

Again, we hope the re-structuring of our club will prove effective over the next year or so. Please plan on dancing with us, we need your support. Thank you in advance, and see you on the dance floors!!

A Brief History of Square Dancing

It is difficult to trace the roots of modern square and round dancing. Certainly, the history goes back to our English and French ancestors, but there are traces of Scottish, Scandinavian, Spanish and other elements.

As the early pioneers moved west to settle this great country their dances went with them. In the first part of the 20th century, American dancing suffered a great decline. Quadrilles and Contras died. A rowdy form of dancing called the barn dance set a precedence square dancers

have sought to overcome.

It took a great industrialist and superintendent from a small school in Colorado to lift the great American folk activity out of the doldrums.

Mr. Henry Ford used to vacation at the Wayside Inn in Sudbury, Massachusetts. There he became interested in the dance program conducted by a dancing master named Benjamin Lovett. The program included the gavotte, mazurkas, the schottische, the minuet, the Virginia reel and other squares and rounds. Mr. Ford tried to hire Mr. Lovett, who declined, pointing out that he had a firm contract with the Inn. Ford bought the Inn and Mr. Lovette's contract and took Mr. Lovette back to Detroit. In Detroit Ford established a broad program for

continued on next page

teaching squares and rounds, including radio broadcasts and programs for schools. He built a beautiful dance hall in Greenfield Village (Dearborn, MI) which is still in use today.

Ford and Lovette published a book called "Good Morning" which was purchased by a school, superintendent from Colorado Springs, Colorado named Lloyd Shaw. The book only scratched the surface of American dancing so Lloyd Shaw set out to interview people across the country collecting dances in his travels. In 1939 he published the first definitive work on Western Square Dancing "Cowboy Dancing." He later published a round dance book He trained dancers in his Cheyenne Mountain School and took them around the country demonstrating and teaching Western Square Dancing. He trained new leaders and the activity exploded throughout the country.

The art of moving people grew as the Callers' experience grew. The electronic amplifier made it easy for the Caller (no pun intended). Recordings (45 RPM) replaced live bands and lowered cost of doing dances and provided greater variety and flexibility in the music used. Today, the use of CD's has further enhanced the caller's repertoire.

In 1974 an International Callers organization known as Callerlab was formed to unify square dance programs being taught throughout the world. The Callerlab program is now taught throughout the world and Square Dances are called in English no matter what country you visit.

There is a move underway to make Square Dancing the official dance of New York State and the United States.
