Summer salutations to all our readers. As we write this, the red and purple tulips outside the *Promenader* office window are swaying gently in the breeze. Spring is in full bloom. And summer is not far away. D.O.R. 2001 is now a memory. What a good time it was! We hope everyone else enjoyed it as much as we did. So many people helped in so many ways. The spirit throughout the day was wonderful. Everyone was dressed in their square dance best, and it seemed that no matter what square we were in, even when we broke up, we were all having fun! There was ample time to peruse the fashions from Petticoats and Partners, the dinner break at Clio Lodge was excellent, and the Grand March was impressive. Congratulations to our D.O.R. committee chairmen, Ed and Sybil Briggs, on being presented with the Daphne-Norma Leadership Award.

If anyone would like to see some pic-

tures of D.O.R., taken by Bob Ellis, check out this website: <http://www2.sendpix.com/albums/010505/21233a00e928f00017015ca/>

The summer months hold many dancing opportunities, weekends and special events, so be sure to check the advertisements in this issue, as well as the schedules in the back, and the calendar of coming events on page 3.

And you can also participate in worthwhile charity demos, such as the one on June 3 for Cancer Survivors Day, and the one on June 4 for the Alzheimer's Association dinner.

Share your enthusiasm and enjoyment of square dancing with others, and have even more fun!

And while you are enjoying the summer, please don't forget our deadline for the August/September issue: July 1. Please make sure we know about the **OPEN HOUSES** planned by your club, so that we can once again feature them

CHEF'S CORNER...

Spring is upon us and the gardening and lawn care jobs are also taking up a great deal of our time on the weekends. Here is a really quick pasta dish with a unique seafood sauce that is as delicious as it is easy to make. The dish seems to have been designed for after spring gardening work in its simplicity.

SEAFOOD LINGUINE

12 oz. cooked linguine
1/2 cup olive oil
1/2 cup melted butter
1 large onion, chopped
6 garlic cloves, minced
Rosemary & oregano, to taste
28 oz. can of chopped tomatoes
Salt & pepper, to taste
1 cup dry white wine
1/2 cup parsley, chopped

1 pound medium cooked shrimp, crabmeat, lobster, scallops, imitation crabmeat. Any combination or single seafood ingredient.

Melt butter and combine with oil in skillet; saute onion and garlic until golden. Add wine and cook until evaporated. Reduce heat and add tomatoes, spices, salt & pepper; add the seafood of your choice. Any combination works! Heat for 5 to 7 minutes until heated through. Serve over linguine. Serve with warm Italian or French bread.

Enjoy! **Chef** 

on the cover.

Reporters, please try to get this info, as well as club news and schedules, to us by the 1ST OF JULY, so that we can have time to get it done by our printing deadline. We began using a new printer with this issue, and hope that all will go well. We already miss taking the *Promenader* to John and Daphne Fink's house. A special salute to John, who has been the *Promenader's* faithful printer for more than 27 years!

We are happy to report that our son and his family have arrived safely in Georgia, from Germany where they had been for the last two years. We will henceforth be juggling additional travel schedules around the *Promenader* deadlines. But it will be so nice to be so much closer to them now!

Presidents' Corner...

Dance-O-Rama 2001 was a great success. Congratulations to all those who worked to make it successful, and to all those many dancers who attended. It's always so invigorating to watch the enthusiasm of our new graduates.

On a more serious note, I feel this is the time to share with all our new and old square dance friends the most valuable lesson our square dance instructor taught us. Chel instructed us that when we graduated, if we chose to be Cut-Ups, and joined the Club, our number one commitment was to our Mother Club on Thursday night. We feel if more dancers had allegiance to their Mother Club, square dancing wouldn't be faltering today.

There are many summer dances and week-ends listed in "our Promenader" so I'm sure all of our dancers will find an exciting summer ahead.

At this time I'd also like to extend an invitation to all square dance club officers to join us at Federation meetings and share your ideas with us.

Federation Presidents

Federation News...

The Federation will be dancing at the Alzheimer's Association's Benefit Dinner hosted by the Rochester Chefs' Connection on Monday, June 4, at the Riverside Convention Center, 7-8 p.m.

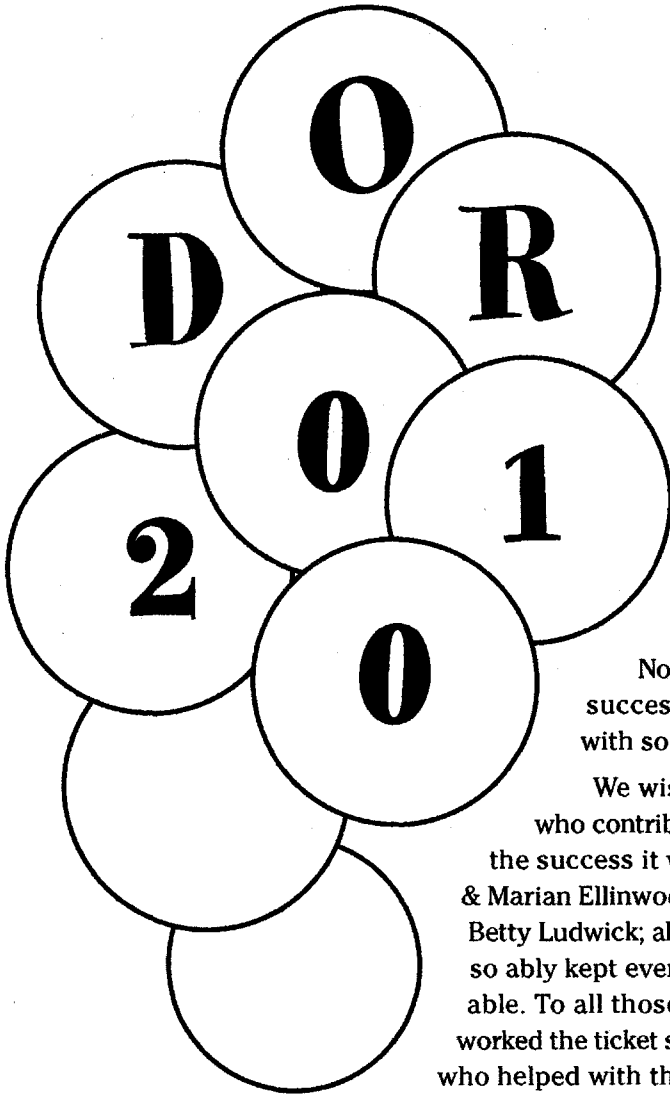

All Clubs have been asked to participate with two volunteer couples as representatives.

Please call Bob or Lou Stevens at 227-1505 if your club is interested and has not yet signed up. Thank you.

Square Dance Etiquette

Square dancers pride themselves on being friendly and courteous on and off the dance floor to both dancers and non-dancers alike. It is good square dance manners to join the nearest square needing a couple. Introduce yourself (a stranger is just a friend whom you haven't yet met). Listen to the caller. After a tip, applaud the caller and thank your fellow dancers. And most important, "Have Fun and Smile."

A Letter of Thanks...

On May 5th we had another successful Dance-O-Rama. We were privileged to be the chairpersons of this affair. We were at this time awarded the Daphne-Norma award. This award and the success of D.O.R should be shared with so many people.

We wish to thank our committee, who contributed so much to make D.O.R. the success it was; Ken & Kay Georger, Don & Marian Ellinwood, Bob & Lou Stevens, Andy & Betty Ludwick; also the staff of callers & cuers who so ably kept everyone dancing and made it so enjoyable. To all those that brought refreshments and/or worked the ticket sales or refreshment table, and to all who helped with the preparations in so many ways, we say thank you. Last but not least a huge thank you to those that came to dance and supported our efforts to produce this event.

Being the recipients of the Daphne-Norma award came as a total surprise and was an astounding feeling. This award needs to be shared with persons too numerous to list. These are the people that served on committees and club boards of directors who served so well and made us look good by doing exceptional jobs, whatever it may have been. We have also been rewarded over the years by meeting scores of great people and by the numerous friends we have made. Some of these friendships are fairly new but many have lasted many years.

Thanks to those that submitted our names for the Daphne-Norma Award and to those that worked to have us named for this award.

We wish to thank all of you for being our friends and for your contribution to all of our endeavors. The memories we have and the fun we have enjoyed is greater than we can tell and we are looking forward to many more fun-filled times with all of you.

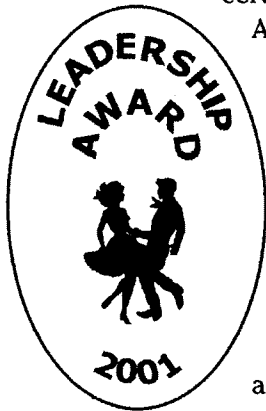

Once again thanks to all of you that have helped over the years and have contributed to our success.

Recipients of the Daphne-Norma Award

THE DAPHNE-NORMA LEADERSHIP AWARD

On May 5, at the 2001 Dance-O-Rama, held at Ada Cosgrove Middle School, **Ed and Sybil Briggs** received the Daphne-Norma Leadership Award.

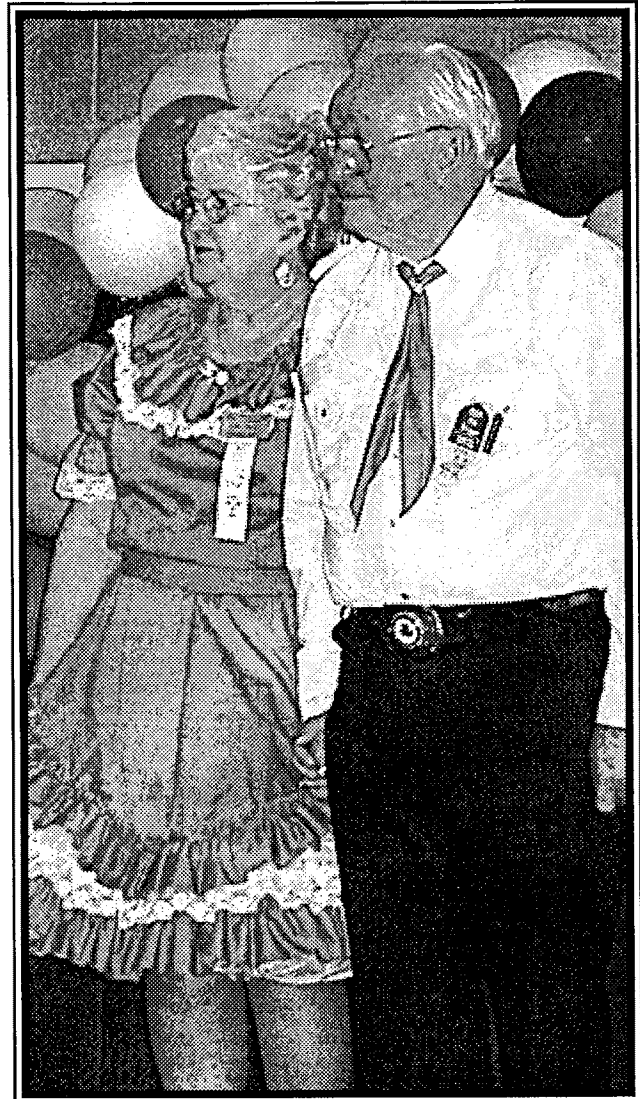

The Daphne-Norma Leadership Award was established in 1977 by John Fink and Frank Salvaggio in honor of their wives, Daphne and Norma. The purpose is to recognize and honor people who have had an extensive and sustained influence in the square, round and contra dancing community spanning a number of years. The award is annually presented at Dance-O-Rama to people selected by a committee made up of the past three recipients of the award (1998, 1999, 2000) plus the original award originators.

In chronological order, the past recipients are:

- 1977 Chuck & Gerry Prister
- 1978 George & Una Shaw
- 1979 Paul & Florence Frost
- 1980 Cay Jackson McGilvery
- 1981 Myron & Peg Huss
- 1982 Orlo & Rita Hoadley
- 1983 Bob & Maryln Dailey
- 1984 Jim McCollum
- 1985 Blakely & Ruth Harris
- 1986 Ed & Barb Butenhof

- 1997 Not awarded
- 1998 Carl & Elaine Mallaber
- 1999 Ken & Kay Georger
- 2000 Bill & Joan Newman

This year's recipients, Ed and Sybil Briggs, have been very active in square dancing for many, many years, dating back to the mid-1960s with their former spouses, Millie Briggs and Fred Northrup. They have been members and officers of several clubs in the Rochester area, including Country Twirlers, Victor Swing-A-Longs and Village Squares. Sybil was president of the Lilac Squares. Ed and Sybil have also given of their time and energy as officers and representatives to the Federation (never once saying we've al-

ready served, let someone else do it). They married in 1996 and continue to serve and work in the dancing community.

Last year they arduously rejuvenated a faltering DOR and turned a negative balance into a profit, ensuring the future continuation and success of DOR.

They have been very active in National Square Dancers Campers Association as representatives and secretaries from the Southern Tier Wheelers and were also the North-east area representatives for the organization.

Ed and Sybil are currently interested in reorganizing the Circul-8-tors. For this work, they received the "Circle of Service" award.

In spite of the multitude of activities, they have progressed in round dancing as members of the Seneca Silhouettes, which Sybil does in spite of three knee replacements. We congratulate Ed and Sybil Briggs!

Learning From the Past... Reminiscences of Our Square Dancing Roots...

An interview of the legendary square dance developer, Ed Gilmore, which was conducted in 1961, was recently brought to our attention. We are including here some partial excerpts from that interview, and encourage readers who wish to see it in its entirety to go to the following website: www.squaredance.ws/asd/featurearticle/aboutgilmore.asp

We will bring you additional selections in future issues of the *Promenader*.

Historical Notes...His Background

I was one of the first perhaps to introduce hash, as such. We used it as a device then to simplify square dancing, because when we began, at the time that I started calling, ...the method used was to teach entire dances as memorized routines. These were visiting couple dances. This was about 15 years ago. And this was all over the country. They taught memorized routines. In other words, you learned an entire dance. And you accidentally learned in a routine, Right and Left Thrus and Chains, but it was a part of the routine — the whole dance. And then the caller didn't change that call, he called it exactly the same every time. Same introduction, same figures, and usually four changes of the same figure for each couple in the early dancing; the visiting couple dances.

And the problem arose that, if someone was sick for a couple of weeks or went away for a while and came back, that in the meantime, the caller had taught several new routines, and that person didn't know these routines and found it impossible to dance. So I broke the thing down into basic figures, primary basic figures, in the hope of simplifying it. That they would listen and do one figure at a time. That they would not be required to do any memorizing, and that would put the entire burden of memorizing on the caller's shoulders.

Well, this worked beautifully because they could come and learn Right and Left Thru and Swing, Promenade, and Do-Si-Do, and so forth, and we had about 10 primary figures and about 14 or 15 miscellaneous or secondary figures which were not so frequently used. A total of 24 terms and figures to learn, and then you could do any dance. All you had to do was listen and do one figure at a time, and you could do any dance. If a miscellaneous figure came along in a dance, the caller gave a brief walk through of that miscellaneous figure and then called the dance.

Thoughts on teaching a diverse group:

You must have a group to have a square dance. You can't do it with one couple. All right, then what will I have

if I have a group of people? If I go out and gather up a group to start, in any neighborhood, to start a beginning group, I will have every degree of ability in mental and physical alertness in that group, and every degree of enthusiasm in that group from the least enthusiastic to the most enthusiastic, so it will be a big spread, you see.

I'll have all this in the same group of people. I will have people who will continue but the fella just doesn't much care whether he ever goes back again, but he comes, his wife drags him. And then, I'll have in that same group, the couple that wants to go five nights this week, and they just put everything else aside, even family, and they don't have any other [hobby], they become complete square dance hobbyists.

The emphasis now...(1961)

There is more emphasis being placed on fun, more emphasis on good dancing, from the standpoint of movement to music and rhythm, timing, flow, natural sequence of figures, and less importance on which hands do you grab but how smoothly can you turn, swing, how well do you time, are you ready at the proper time. Do you give the right number of steps to each figure and arrive at your corner at the correct time?

This is the essence of good dancing and graceful carriage, and these are the things that never grow old, because dancing, from the beginning of man's history, has been one of the important ways for him to express emotion. And it is not just physical exercise. And if the emotion to be expressed is competitive feeling, then it is directly opposed to the whole idea of square dancing which is complete cooperation. Now the proof of this is that whenever a set dances a square and it just falls together, everyone is where they are supposed to be at the right time and it flows and it's smooth and there's no stumbling or waiting for anybody, and they finish with the music, in time with the caller, or sometimes even in spite of him, and they finish at the right time, everyone applauds like crazy, and they're applauding themselves because they did the dance.

But, if that same set hassles and has trouble and turmoil and they get snarled up and then get straightened out and dance again, and then tangled again and then straighten out, they don't applaud very much when they finish that square. And it may have been called well, you see, but they didn't know how to dance well. And some of them didn't know how to time properly, because they were too busy learning new terms and new figures which, as a rule, are new names for old figures, confusing names for old figures, they were too busy learning figures, you see, they didn't have time to learn to dance.

Belles 'N' Beaus

Well another square dance season is coming to a close. It has been a good year of dancing, lots of fun and laughter, as square dancing should be. So with the end of the year we say goodbye to our outgoing board of directors and thanks for a job well done.

The election was held and the following people were selected for the following positions:

President: Bob and Lou Stevens, (445 South Dr., Rochester, NY 14612); Vice President: Bob and Alice Hager; Treasurer: Ken and Barb Terhaar; Secretary/Promenader reporters: Norman and Mary Hutchinson.

We wish them the very best and a successful year 2001/2002 of dancing.

Remember: Hal Abberger would like to have a car rally on the 10th of June, 2001. Hal will be needing some help with the rally. If anyone from any club would like to give a helping hand, you can contact Hal at 342-1719. The kind of help that is needed is people to man the check points and take the time of the arrivals of the cars after the rally. We will all meet at Northhampton Park, where the rally ends. Then we can enjoy hot dogs, etc. And maybe even some square dancing — all clubs are welcome; flyers will be sent to clubs.

On the 1st of December, 2001, Belles 'n' Beaus will be hosting a special dance from 8-10:30 p.m. at Washington Irving School, 2400 Chili Avenue. Refreshments will be served. The caller is Bruce Williamson from Pennsylvania. Put this date on your calendar for a fun evening of dancing!

Looking forward to seeing you in a square.

REMINDER: We will be changing our night to dance from Wednesday to Monday beginning September 2001, but we will still be at St. Charles' School.

Copy Cats

The Copy Cats would like to thank all of the dancers and clubs that have supported our dances throughout the year. You have helped make it a fun loving and successful year for our club. Our April Dessert Social / Swap Around dance had several clubs represented, they were the Tecumseh Squares, Country Twirlers, Genesee Dancers, Cloverleaf Squares, Dancing Shadows, Emerald Squares, and Gary Bubel's class. There were eight squares dancing most of the evening, thanks to them. We would also like to thank the Belles 'N' Beaus, Village Squares and all the other clubs that have supported our dances this year.

The end of our dance season is almost here, and plans for next year's classes and other activities are already well under way. Be sure to keep in mind your friends, relatives, neighbors, co-workers, or anyone else that may be a prospective class member for next year. Remind them to mark their calendars and keep Tuesday evenings open, starting this Fall. These square dance introduction classes are not only for new members, but also for those of you that may have become rusty over the summer and want to refresh your skills. You are always more than welcome.

Have a safe and fun filled summer. Be sure to check the *Promenader's* dance schedule for summer dances, and keep dancing.

Country Twirlers

With our dancing season ended, we still look forward to attending the Appreciation Dance with Champagne Whirl-A-Ways in Bath on June 9. Dave Eno will call and Judy Doane will cue.

It was another busy year for the Country Twirlers. In October we helped with the *Promenader* Benefit Dance and enjoyed a HoBo Halloween night — November everyone enjoyed Pie Night — January was our annual "June in January" and a cold night it was — February we again sponsored our Black Lite Dance, enjoyed by all — April again brought the Tri Club Dance sponsored with the Village Squares and Victor Swing-A-Longs also our annual Ice Cream Social to which we added a Hawaiian theme. Our Christmas Party and Trail End Dances were enjoyed jointly with the Belles 'N' Beaus and Grand Squares. In between we enjoyed several guest callers and cuers. We extend our THANKS to the many dancers who supported us by attending these events.

We also wish to thank Andy and Betty Ludwick who chaired the *Promenader* Benefit Dance and who are doing such a great job with the *Promenader*. We need to thank Ed and Sybil Briggs and their committee who have chaired the DOR Dance for the past two years. We need to thank Jerry and Jean Mason for the use of their equipment and their advice for our Black Lite Dance. Also Ray and Pauline Gaul for the terrific job they do decorating for our special events — and to all our members who contribute their time whenever needed. And most of all we need to thank our presidents, Ken and Kay Georger who donate so much of their time to the leadership of our club.

Dalton Gang

The Dalton Gang were able to steal Wellsville's Grand Squares' banner with four couples attending their February 16th dance. Then at our March 13th Casino Night, the Grand Squares joined us to retrieve their banner.

THE DALTON GANG

We were well-represented at DOR, with seven couples (including our callers Will and Muriel Herzog) present from the Dalton Gang. There seemed to be a lot of dancing, laughing, talking, and eating by all present—which is a sure bet for a good time. The Federation callers and cuers are excellent and gave those of us who live farther away an opportunity to dance to their music.

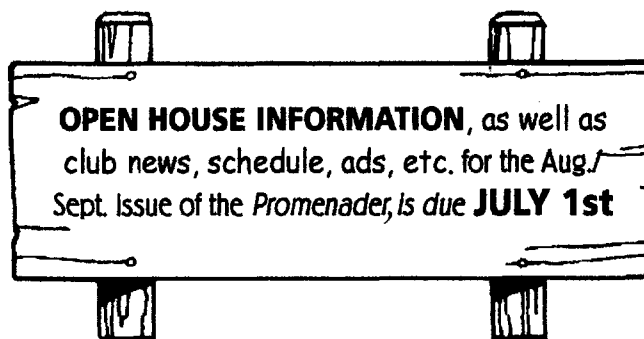

We participated in the Dogwood Festival in Dansville by having a sidewalk sale of member donations on May 18-19. The money will used for Club expenses.

The Dalton Gang will be dancing every other week after our June 8 Round-up; however, dates and locations are not yet firm. Please call Don & Arlene Egle (607.324.4933) or Jan & Joe King (716.335.3309) for details if you will be joining us.

We hope to see some of you at the campouts this summer and at the State Fair on August 28.

Finger Lakes Squares

What's up? Well, spring, as we write this. We want to thank Jerry Carmen again for giving us lots of good dancing during Bob and Carol's (extended) vacation. But by the time this gets into print, it will be summer, and we will have been enjoying Bob's calling again for a month. Now we are looking forward to a summer of dancing with him. We'll be at the North Street School through June 21. After that, we'll dance in air-conditioned comfort at the Geneva American Legion. Please check the schedule for July and August dates.

Friendship Squares of Geneva

Our "Grapes Galore" Watkins Glen dance flyer for Sept. 14, 15, and 16 is in this issue, so please send in your reservation now! We have a really excellent staff in Keith Rippetto, Bob Stern and Mark and Marlene Thone, plus a beautiful hall with hardwood floor and air conditioning. Walmart may still have some grape fabric if you like to "sew you own" — I saw a variety of prints, and of course lots of solids and eyelet, etc. The early birds get the best campsites and motel rooms. Red and Alice Wadhams steak roast tradition will be taken over by Gary Baxter, who has put on great meals in the past for others. The hot dog roast Friday evening continues; the Sunday noon "brunch/potluck" is being replaced by coffee and doughnuts for food safety concerns.

Our only scheduled regular dance this summer is the Graduation Trail End dinner dance for club and class on June 3. Dick Schweitzer will have Plus workshops while school lasts on Tuesday evenings at the North St. School in Geneva, possibly more during the summer if enough are interested and we locate a hall. Call the Lilyeas for information.

Our Heart benefit dance and Cancer benefit dance each raised about \$200 for those worthy causes, plus we had loads of fun.

Silver Squares

Welcome to summer at last. The season seems to be short so enjoy while you may. Our special event for June is the annual picnic to be held at Black Creek Park on the 25th. It is a lovely setting for a picnic. Make your reservation and come and have a great day. There will be lawn games, and card games as well as just sitting on the veranda and enjoying the view, and dancing of course.

Silver Squares

In July we are dancing every week. On the 16th is a special treat — the ice cream social. This is an opportunity to be creative in making your special ice cream sundae. So forget the calories and enjoy!

We will be dancing all summer in air-conditioned comfort and dress is casual, so if your club does not dance in the summer, please come and join us in a square. Singles and couples are always welcome.

Kuntry Kuzzins

Your Kuntry Kuzzins Trail's End dance is Saturday June 9. It should be a good one with Ron Brown calling and Bill Howard cueing. Don't forget to tell your new graduates. Better yet, bring them. Happy dancing and have a great summer. See ya next fall.

Village Squares

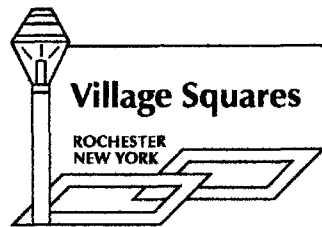

Our 2000-2001 dance season has been filled with large, fun-filled dances. We want to thank every one — members, friends and other area clubs -who participated.

We especially thank Belles and Beaus, Cloverleaves, Copy Cats, Country Twirlers, Genesee Dancers, Tecumseh, Victor Swing-A-Longs, and numerous friends too shy to name for the pleasure of their company.

We are winding up the season with our Trail's End potluck and dance on the first Wednesday in June. Our annual picnic is on Wednesday, August 8 at Fellows Road Park. These events are primarily for present and former club members and those who have danced with us during the year.

Our annual all clubs and all dancers event of the summer is the Village Squares Campout, July 27-29. It starts with rounds and squares 8:00 - 10:30 Friday, varied dancing, eating and campfire activities 9:30 a.m. to midnight Saturday, and squares 9:30-10:30 a.m. Sunday. The location is Camper's Haven Campground, 6832 Co. Rt. 15 (Knight Settlement Rd.), Bath, NY. For reservations contact Rita Tucker at (315)-534-8088.

Next fall we are once again teaching Plus calls. See our ad in this issue for details.

Wayne Westerners

We would like to thank all the people who came out to dance to Ron with a night of Singing Calls. Our last Class/Club Dance of the season is our Apple Blossom dance on May 18. The HIP BOOT BOYS will be entertaining again. Come out for rounds and squares with the HIP BOOT BOYS.

CORRECTION: Our last article showed our Campout being held in June — actually it is July 20-22 at the Genesee Country Campgrounds.

We have been asked to provide entertainment at the Wayne County Nursing Home on June 28. We need your help to entertain our Senior Citizens at their birthday celebration from 7:00 to 8:00 p.m. in Lyons.

We have relaxed our dress code and dance casual. If you are visiting the Wayne Westerners come as you are or dress in square dance attire. Please check the Promenader for special dances before visiting.

We dance 1st and 3rd Fridays at The Ontario Primary School 1730 Ridge Rd. From Rochester, take 104 east to Rt 350 turn right (south) to Ridge Rd., then left on Ridge Rd about 1/4 mile to school on the right.

e-mail update ...

Dear Reporters and other interested dancers...

Because we are continuing to receive club news, schedules, and more, at our e-mail address (listed on page 3), here are our suggestions for those wishing to submit material:

- If you are able to include the information directly in the text of your e-mail message, that is preferable. And it is generally easy to do: just copy it (you can find both "copy" and "paste" commands under the edit menu in most applications), and go to the body of the e-mail, and paste it there.

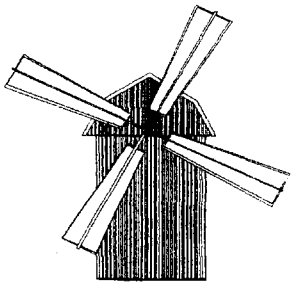

- If you MUST send an attachment, please make sure it is an unformatted text file (such as "ASCII," "text-only," etc.) before you attach it to your e-mail.

The reason we prefer not to receive Microsoft Word files is because we often get a lot of formatting gibber-

ish when Microsoft word files come to us, especially across platforms. (We have a MAC.) We use QuarkXpress for our page layout application. When we have tried to import Microsoft Word files sent to us in the past without first opening and resaving them in the Word application, they have most often caused Quark to quit on us.

- **Reporters:** *when you send us your information by e-mail, it is important to include, at the top, the presidents' and reporters' names, addresses and phone numbers, and the contact number to appear in the club news on these pages. Don't try to put them side by side: you can do the presidents first, then your info underneath that, then the contact phone number. Please don't add tabs, indents, or extra spaces at the beginnings of paragraphs (or anywhere).*

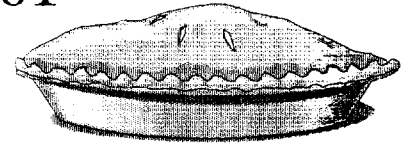

Thanks, *The Editors*
