CHEF'S CORNER...

With the summer upon us and with the temperature climbing, I think we might be ready to use a slow cooker so that the kitchen would not be overheated and the BBQ chefs would not be roasting themselves in the garage or on the patio in the hot sun. Here is a tasty recipe for a hearty chicken dish without any of the excess heat.

CHEATERS CHICKEN CACCIATORE

- 6 skinless, boneless chicken breast halves
- 1 (28 Oz.) jar spaghetti sauce
- 2 green bell peppers, seeded and cubed
- 8 oz. fresh mushrooms, sliced
- 1 onion, finely diced
- 2 tablespoons minced garlic

Put the chicken in the slow cooker. Top with the sauce, peppers, mushrooms, onion and garlic. Cook on low for 7 to 9 hours. Serve with crusty French or Italian bread.

NOTE: You might consider preparing the ingredients the evening before and placing in separate zip-lock baggies. Refrigerate until the following morning, then place all the ingredients as above, plug in the cooker, set at low and turn it on. Go to work or do your usual daily chores, knowing that dinner will be ready when everyone comes home.

Enjoy! *Chef Z*

READER'S RECIPES...

If you have a recipe that has been especially enjoyed by a lot of folks, please feel free to share it with others on these pages. Here is one that we received from Kay Georger:

ZUCCHINI BETTY

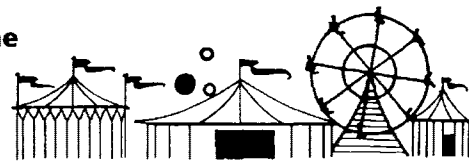

- | | |
|--------------------|---|
| 4 cups flour | 8 cups zucchini, peeled, seeded and cut into 1/2-inch cubes |
| 3 cups sugar | 2/3 cup bottled lemon juice |
| 1/4 teaspoon salt | 1/1/2 teaspoons cinnamon |
| 3 sticks margarine | 1/4 teaspoon nutmeg |

Mix flour, 1 cup of sugar and salt. Cut in margarine until crumbly. Pat half of this mixture in a 13x9-inch pan. Bake at 375 degrees for 10 minutes.

Cook zucchini in lemon juice until tender. Add 2 cups sugar, 1 teaspoon cinnamon and nutmeg. Simmer 4 minutes. Add 1/2 cup of the flour mixture and stir to thicken. Cool slightly.

Pour filling onto the crust. Add 1/2 teaspoon cinnamon to the remainder of the flour mixture. Sprinkle over the filling. Bake at 375 degrees for 30 minutes.

Presidents' Corner...

Dear Dancing Friends,

As we all know the number of clubs and square dancers continues to decline each year, not only here but across the country. It is baffling to many of us since we know the benefits that square dancing offers. Unfortunately, we have not been sensitive to the need of younger people who will be succeeding us and we have not generated enough enthusiasm for them to become part of the square dance community. No one is really certain of what we should do to reverse this trend and help build strong growing square dance clubs once again. One thing though that is certain — if we do nothing, nothing will change and square dancing will continue to decline.

As your Federation, we have decided that we cannot simply stand by and hope that the situation will change. We **MUST TAKE ACTION AND BECOME CHANGE AGENTS**. The first step we have taken was to add a committee on "Promotion and Development." This committee, with input from practitioners in advertising and marketing as well as other fields, has presented proposals to help attract new dancers. By this time we will have contacted each club president with our plan. In a "nutshell" this is what we plan:

1. The Federation will provide leadership, including professional, tri-fold brochures, business cards, and training to all clubs for help in recruiting new dancers.
2. Portray a new image in dress, organization and program which appeals to the younger, sophisticated generation that will succeed us.
3. Introduce multi-cycle and compact new dancer programs so we may recruit and offer dancing classes all year long.
4. Promote square dancing through:
 - (a) our new website — www.squaredancinginrochester.org
 - (b) Advertising in newspapers and radio
 - (c) Free dance lessons and parties
 - (d) Demos and Benefit Dances targeted at groups with potential dancers.
5. Improve and better coordinate recruitment of new dancers by having a central phone number (585) 227-7122 for interested people to call.

This is an ambitious plan and will need the support of all clubs and dancers in order to succeed. Let's all do our best to keep "squares" dancing!

We'll see everyone at the *Promenader* Dance on September 27.

Bob and Lou Stevens
Federation Presidents

In Memoriam - Lottie Schiemann

The *Promenader* joins the Rochester area square dance community in mourning the loss of Lottie Schiemann on May 18, 2003, at the age of 88.

Lottie was a lover of music and dancing all of her life. As a young rural girl, she joined her family and friends at dances held regularly in local Grange halls. As was common for many farm country residents, this was her introduction to square dancing.

Lottie married and took up residence in Irondequoit, but was widowed at age 59. Wanting to combine her love of dancing with a renewed social life, she joined a group

of seniors at Summerville Presbyterian Church, where Mike Callahan was teaching Western Square Dancing.

Eventually Lottie joined Silver Squares at the Greece Community Center and continued with them until she suffered a disabling stroke in 1999. Her remaining years were spent in a nursing home until her recent death. Her niece, Laraine Frolich, says her biggest disappointment was having to give up dancing.

Editor's Note: Special thanks to Shirley Barnum for preparing this obituary notice.

In Memoriam - George Shaw

The *Promenader* joins the Rochester area dance community in mourning the death of George Shaw on June 8, 2003, at age 90. He was born in Jefferson City, MO. He was predeceased by his wife, Una, and survived by three sons, 10 grandchildren, and 11 great-grandchildren.

When George was two years old, his father, who was from Scotland, died while serving in the British Army in World War I. George's mother was forced to put him and his two older brothers in an orphanage, and in foster care until she could secure employment in Rochester and regain custody.

George worked as a radio repairman, auto mechanic, meat cutter and truck driver before holding several positions at RG&E over a 33-year period. He and his wife, Una, were married for 59 years.

George was a volunteer fireman for the Riverdale Fire Dept. in Chili, a member of the Oatka Masonic Lodge in Scottsville (becoming a 32nd degree Mason), and a member of the Scottish Rite, the Rochester Scottish Heritage Society, and the Clan Shaw Society. George enjoyed playing bagpipes. He was a member of the White Johnston Memorial Pipe Band for several years, and a lifetime member of the Rochester Scottish Pipe Band, Inc.

George and Una were avid dancers, enjoying both round and square dancing. Over the years, they were members of several square dance clubs. They chaired the local area benefit square dance for Muscular Dystrophy, raising in excess of \$17,000 over a 10-year period.

A member of Silver Squares in recent years, George enjoyed square dancing with partner Sally Foos, and participating in dinners, tour bus trips, and more.

During his final days, George said that he had a great life and a wonderful family.

In Memoriam - Dick Wickman

The square dance community wishes to note the passing of Dick Wickman on June 27, 2003. He is survived by his wife of 44 years, Ida Dee, three children and five grandchildren.

Dick and Dee met at a square dance in the spring of 1956. A nursing student from Syracuse, she was completing course requirements in Rochester for which there had been no openings in Syracuse. He was a member of the Foot-n-Fiddle square dance club.

Correspondence and visits between Rochester and Syracuse led to their marriage in 1958, and they even went to a square dance camp for part of their honeymoon!

Dick's other interests included the Bridge Club at Kodak since before he & Dee were married, and continuing through his retirement years; spending time gardening in his garden & greenhouse, and as a Master Gardener in the Cooperative Ext. program; and especially, hiking the Appalachian Trail - he hiked the entire 2,000 miles from Maine to Georgia in 2 to 4-week segments over 13 years.

In 1962-63, Dick and Dee took lessons with the Eck-O-Squares, then had their third child, and didn't resume square dancing until 1989, after their children were grown and on their own. They joined the Copy Cats in 1990, and later the Circul-8-tors, and the Southern Tier Wheelers. Dick and Dee were active members and also officers of the Copy Cats for many years, and were dedicated Angels for their new class members. Dick made a great corner and he loved to swing!

Editor's Note: Special thanks to Liz Chrzanowski and Dee Wickman for providing information for this obituary notice.

A Thank You from Daphne-Norma Award Recipients Alice and Gary Bubel

We want to thank the square dance community for honoring us with the Daphne-Norma Award at Dance-O-Rama this year.

We were completely surprised but delighted as there are so many wonderful people in our square dance community who deserve this honor.

Square dancing has been a large part of our lives the past 30 years. Over those years, we have met so many wonderful people. We have had the privilege to teach square and round dancing to hundreds of people and to call and cue at many of the clubs in this area.

Thank you to those who submitted our names for this award and to all of our friends who have allowed us to be a part of your lives through the wonderful world of square dancing.

— Gary & Alice Bubel

This-n-That from the Editor's Desk...

Dear Readers,

We have good news to share on the military front: Our son returned from Iraq on June 29. Thank you all for your prayers on his behalf. We are looking forward to going to Georgia and visiting with him and his family, as soon as we go to press with this issue of the *Promenader*.

We recently sent 25 copies of the *Promenader* along with Mike Callahan to set out at the NY State table at the National Convention. We were happy to hear that within hours all copies were gone. We hope to exchange ideas with some of those who picked them up.

Staff Sgt. Andrew Ludwick (center) with two other soldiers, at a bombed-out room in Saddam Hussein's palace in Baghdad. Sgt. Ludwick earned a Bronze Star while in Iraq.

As we put together this issue, summertime activities seem to occupy everyone's days. But we know that September will soon be upon us. Please make plans now to invite new people to the Open Houses. And **please plan to attend the Promenader Dance** (see flyer on page 21). Proceeds from this once-a-year event help with production costs throughout the rest of the year. And, at the dance, you can renew your subscription at the discount rate of only \$9 for a full year! Your continuing support in these ways helps us to keep the ad rates at the low (circa 1970's) levels that we moved to earlier this year. Some folks have asked whether we will have a Used Fashion Sale this year. While not planning as extensive a set-up as last year, we will still be open to those who wish to contribute to the survival of the *Promenader* in this way. If you have fashions to donate, bring them to the dance, where we will have racks set up.

Sometime in August, the brochures and business cards mentioned in the Presidents' Corner (page 5) will be available. (We will be assisting with this project when we return from our weekend in Georgia.) We hope many clubs and individuals will take advantage of these additional marketing tools to help bring in new members to their clubs. For your copies of either the brochure or the business cards, please contact the Federation. (Contact info on page 5.)

We hope everyone will enjoy the rest of the summer, while gearing up for a great year of square dancing!

Betty & Andy Ludwick

The *Promenader* and the Federation wish to extend the sympathy of the entire square dance community to MARY LOU HOGLE on the loss of her son, **Russell Johnson**, on July 3, 2003, while he was in Henrietta, visiting. Russell, age 43, the father of four, resided in Boston.

In Memoriam - Ted Palmer

The square dance community wishes to note the passing of Ted Palmer, who died on May 3, 2003. He is survived by his wife, Laura, as well as three children, and three grandchildren. Ted and Laura were married in 1945, and started square dancing with the Victor Swing-A-Longs in the late 1970s, after he retired. They continued on to become long-time members of the club, with Laura serving as Treasurer for many years.

Ted was famous for his Yellow Rocking.

He also enjoyed making wooden toys for his grandchildren. Ted was 89 years old.

WHEEL CHAIR SQUARE

As square dancers, most of us have had occasion to perform for various groups; none are more appreciative than confined seniors — even wheel-chair-bound individuals can be found keeping time to the beat if only with a finger — and many recall and sing along with the music. Mike Herne was not satisfied with just that, however, as the included photo shows. When Mike gave the Kuntry Kuzins and some die-hard Wayne Westerners a short break from a recent performance at the Wayne County Nursing Home (it was a very hot night), he made a “Wheel Chair Square,” and before the evening was over everyone there was smiling from ear to ear.

Great job Mike, and thanks to the Kuntry Kuzzins for organizing it, and inviting some of us “Wayne Westerners” along. Didn’t someone say, “Our greatest joys are in doing something for someone that can do absolutely nothing for us in return” — except perhaps make us feel loved and needed!

MEET MIKE AND WANDA

Most of you know Mike and Wanda Callahan, certainly Mike; however, there are a few things about this very unassuming National Caller that it’s a good bet many of you don’t know — and in a few short sentences, I hope to fix that. With his new job (yes, he gets paid for it), through his “expertise” and professional recognition, he brings a national level office to our area, doing much to earn some well deserved recognition for our program here.

Most of us know “Mike” in the Rochester and Western New York area from the full-time schedule he has locally,

calling regularly for six clubs, and at every level from Mainstream through C-1; but, did you know that he has taught Square Dancing in over 30 Rochester area schools for the past 25 years? In 1996 alone, an estimated 15,000 kids came to love him and Square Dancing (except perhaps the part where you have to “hold hands” with the girls!) ...but, they soon get over that, I did! Need to exercise the other half of your brain? He cues Phase 2 rounds also.

Of course, as the title implies, to be a National Caller, you have to call nationally. Mike is booked for special dances, Association Dances, Weekends and Festivals in 20 states including Alaska — and internationally in Australia and a number of Canadian cities. Adding to his “National” credentials as a Recording Artist, check out C Bar C Records and Red Boot Star Records for his “You Put The Blue In Me,” and “I’d Do It All Over Again” titles!!!

We like dancing with his Tuesday night Shamrock Squares Club at the United Methodist Church, because that’s where pretty Wanda always shows up for emcee duty and to brag about their kids — especially 1st Lt. Shawn Callahan who just returned from an extended tour in Afghanistan — and as with all Mike’s clubs, fun people always show up.

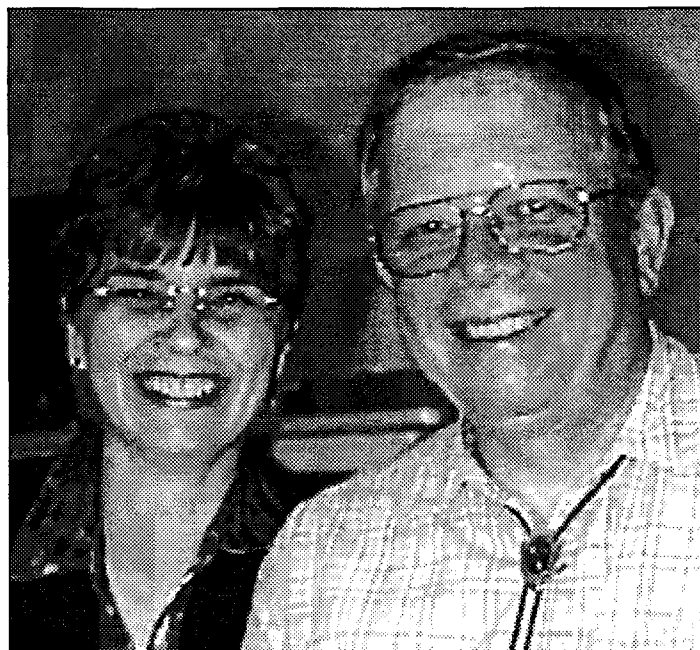

I think the thing that I like best about Mike is that he agrees with me. Square dancing, at any level, should be fun ...and with this extraordinary caller, it always is!

As another National Caller friend Tom Roper always says: “Happiness Is Just Around Your Corner.” Hope you are ours soon.

Time to start recruiting new dancers. Every year it gets tougher, but this year, hopefully, we are going to change that. Let's get going.

This August, on the 2nd (Sat.) is our annual Barn Dance at the Leon and Becky farm. As in the past, everyone is invited to come. We will have a Potluck Dinner at 6:00. Come and bring table service, a dish to pass and a lawn chair. Dancing will start about 7:00, and go until dark. This is always a really fun dance with dancers from several area clubs. Sooooo, fill your car and come.

Then on August 18 (Monday) we will not have our regular dance. Instead, we are having a PICNIC, also at the Perry farm. Potluck at 6:00 p.m., with games afterwards. This is our 2nd annual picnic.

September brings our Open House on the 8th and 15th. If, by chance, you know someone in OUR area that would like to dance, please refer them to our club, if it is closer for them. We will do the same for your clubs.

Come and visit our club anytime, it is always best to call first, as once a while, the VA has to use the auditorium (our dance location) for a meeting. For more information call...

their first try last year. What a comeback! This is really a Fun day! We would love other clubs to join us! We finish with a scrumptious picnic — all at Northampton Park. Keep it in mind for next year!

B 'n' B's annual STEAK ROAST and hayride is scheduled at Gary and Alice's on October 5 — fun, fun, fun!

Summer is finally here and we are dancing in wonderful air-conditioned comfort!

The two-step class is progressing well. They complete the lessons July 29 and will be reviewing for the next two weeks.

The club has been working on Phase 3 steps. We are teaching some of the classics. We taught "Green Door" and hope to finish "Pop Goes The Movies" before the summer session is over.

Dancing will end for the summer on August 13. We will resume dancing on September 24. There will be three weeks of review for the dancers who took the basic waltz and two-step classes last season, from 7:00-8:30 p.m., on September 24, October 1 & 8.

On October 22, we will begin a new class. Check the next issue of the *Promenader* or flyers at your clubs for details.

Have a great and safe summer.

Country Twirlers

Welcome members and friends to our 44th dance season. If you're looking for variety, be sure to check our Country Twirlers schedule in every issue of the *Promenader*.

Our officers have been working hard to put together a schedule that has something for everyone. Our schedule for 2003/2004 includes:

- 12 regular dances with our own Gary and Alice Bubel, who always provide a fun-filled evening.
- 6 dances where we as a club will go to support other clubs' special dances (4 at Copy Cats, Leprechaun Twirl, & Tecumseh's Tom Miller dance).
- 5 dances with local guest callers (Brown, Carmen, Herzog, Hip Boot Boys)
- 3 dances with National callers (Tim Crawford-2, Jeff Priest-1).
- 2 dances that we are co-sponsoring with other clubs (Tri-Club & Shawn Cuddy).
- 1 Promenader Dance on September 27.

All of the above dances are included in our membership fees and will be held at Washington Irving School (except for the Copy Cat dances and the Leprechaun Twirl).

On September 13, Gary and Alice will begin their 13th season as our club caller and cuer. On September 20, we plan a fun dance with Jerry Carmen. On September 27, we hope to see all of you at the Promenader Benefit Dance. Betty and Andy Ludwick spend many hours providing Rochester area dancers with this first-class publication. The health of Western Round and Square Dancing in the Rochester area must be due in part to the *Promenader*. Let's show how much we appreciate their efforts by supporting this big dance. Where would we be without the "*Promenader*"?

Country Twirlers, Southern Tier Wheelers, and the Wellsville Grand Squares, along with *Promenader* editors Betty and Andy Ludwick. We again thank them for their participation in making our Round-up dance a success.

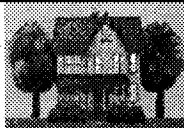

Our annual end-of-season picnic will be held at Letchworth Park in the North Shelter (Mt. Morris entrance) on Tuesday, August 19. Members and guests start gathering at 6 p.m. There is always plenty of food and other clubs are welcome.

Officers for the 2003-04 dancing season remain the same: Presidents Randy & Brenda Mueckl, Vice Presidents Leon & Twila Leach/Don & Arlene Egle, Treasurers Mary Lou & Jim Rex, Fed Reps/Secretaries Jan & Joe King, Hospitality Alice & Jerry Thompson.

We look forward to another fun year of square dancing and friendship. An open invitation is extended to the Federation officers and other club dancers to join us any Tuesday evening.

Finger Lakes Squares

As of this writing we are looking forward to having Bob and Carol Stern back with for the dance on July 24. By the time this "news" is actually in your hands the event will be history. We trust this will be a fine evening, as Bob is always a joy to have as a caller, and it will be nice to renew acquaintances.

Well, Finger Lakes Squares made the news. A couple of dances ago we were surprised by the arrival of a newspaper reporter/photographer at the dance. She spent a fair amount of time taking photographs and talking with the dancers. Shortly thereafter her article appeared in the *Finger Lakes Times*. Since your reporters have not yet seen the article we can't comment on it. I trust we will see one soon, as Liz Marshall said she has about a dozen copies, all provided by various individuals living in Geneva. Should be good publicity for square dancing in general.

Grand Squares

Here we are with another summer almost behind us and looking forward to a great year of square dancing. Our caller once again will be Gary Bubel and we can hardly wait for his arrival each Thursday night in his "Pink Cadillac."

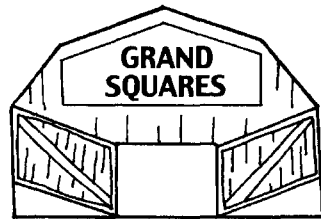

We'll again be dancing at the Roth Middle School which is less than a mile from the Henrietta Fire Hall where Gary holds his summer classes. The school is just south of the Thruway.

Our dance year begins with two consecutive Open Houses (visitors dance free) on Thursday, September 11 - our first dance of the year - and on Thursday, September 18. All are welcome and we especially invite any former Genesee Dancers to join us this year and any of Gary's class graduates from last Spring. Dance fees have not yet been determined but high school and college students can dance for half the fee.

Three regular dances are scheduled for September - the 11th, 18th and 25th, and four for October - the 2nd, 9th, 16th and 23rd. We dance from 7:30 to 9:30 each night. Our remaining schedule will appear in future Promenaders and we anticipate some multi-club dances and other special events.

Enjoy the rest of the summer and come join us at Roth in September. New members are always welcome.

Genesee Dancers (1956-2003) Thanks for the Memories

On May 29, 2003 one of the grand old square dance clubs in this area closed its doors forever.

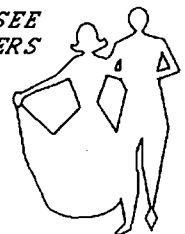

Wanda and I had the absolute privilege of associating with this club for almost 30 years as I was the club caller from 1974 until 2003. We will never forget the wonderful friends that we have made in those years and the great memories that we have of that club. We would like to thank the many club members for supporting us through the years at various special dances, weekends and festivals where I have been on staff.

I would also like to thank the Genesee Dancers for the gifts that I received that evening, but most of all, thanks to the over 120 people that came that night to help celebrate a great Rochester area square dance dynasty.

We will miss Thursday nights but we certainly hope that we will see the members that are still dancing on the dance floor at various clubs in the area. Thank you, Genesee Dancers, for the memories.

The new hours for these dances will be from 8:00 to 10:30 p.m. Please encourage your friends to come and bring your favorite appetizer. Reporters: The Sept. 1 deadline for the Oct./ Nov. issue is very important because we need to finish promptly to work on the Promenader Dance.

Victor Swing-A-Longs

Hello to all our fellow square dancers. We hope you are having a wonderful summer. Our only event in August is our campout at Junius Ponds. This will be the week-end of the 21st, 22nd and 23rd.

We would love to have you join us. For information, you may call Ann Engert at 924-5345. She has details and would be glad to share them.

On Sept. 18, we will have our "open house" and hope that it will result in a class. We will start our class the following week.

We send our congratulations to Sharon Kirch and Chuck Meyer on their June 14th marriage. Sharon has been a faithful and hard working member of our club for many years. We wish her and Chuck much happiness.

Our club was saddened by the loss of one of our oldest

and most faithful members. Ted Palmer passed away on May 3. Our sympathy is with his wife, Laura, and all their family. Ted will be missed by the club and all who knew him.

We look forward to the upcoming dance season. See you all on the "floor."

Village Squares

On Wed. Oct. 1 we are sponsoring a Surprise Recognition Dance for two of our members for their service to our club over more years than we can remember.

When we began dancing, they [CENSORED—too revealing]. When we became club officers, we asked, "Who does that?" They were it. When we went to dances of other clubs, we found that our honorees had friendships of long standing wherever they danced. So, we thought, some of you may want to dance with us on that night. Through your club presidents (who will be entrusted with the names of the honorees) we'll get a non-binding head count and then choose a dance floor of an appropriate size.

Our summer picnic will be on Wed., Aug. 6, at Fellows Rd. Park, Perinton, from 5:30 p.m. until dark. Our picnic is open to past, present and future friends and members. Contact Ginny Dormer at 377-4532 no later than Aug. 4.

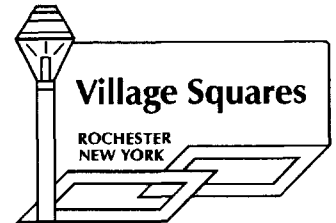

Our first dance of the new season and Trails In potluck will be Wed. Sept. 3. The doors open at 6:30 p.m. The potluck begins at 7:00 p.m. Call Susan (# below), if you plan to potluck. The dance begins at 8:00 p.m. We are dancing every Wednesday in September. The first and last dances are dress down.

Note our Plus Class ad in this issue.

National Press Release #1 – April 25, 2003

COLORADO TRAVEL SPOTLIGHT

In this series of articles we will spotlight little known unique Colorado attractions that you can visit while in Colorado.

Kit Carson County Carousel

The Kit Carson County Carousel is a National Historic Landmark, owing to its status as the oldest, virtually unaltered, carousel built by the Philadelphia Toboggan Co. in 1905. It's one of only 160 wooden carousels operating in North America, and it's accompaniment, an ornate 1912 Wurlitzer Monster Military Band Organ, is believed to be the only one of its kind still operating.

The Kit Carson County Carousel has had a strange odyssey. It was built for the Denver amusement park Elitch Gardens. The wooden lions, tigers, armored horses, donkeys, deer, camels, goats, giraffes and a dog did their counterclockwise summer march there until the carousel was sold in 1928, along with the band organ, to Kit Carson County for \$1,200. The county commissioners bought the carousel for the fairgrounds. The carousel was shut down in 1931, when the Depression forced suspension of the county fair. The carousel and its animals remained entombed in their building until the fair resumed in 1937. Corn and feed had been stored in the building with the carousel, and it had become home to mice, pigeons and snakes. The carousel was cleaned and made operational, but the real resurrection began as a bicentennial project, and the restoration spanned 25 years. The hand-carved relic is now a historic treasure; it is the only antique carousel in America that still has the original paint on the scenery and on the animals. The deer have real antlers and some of the horses have real horsetails. The fully restored 1912 Wurlitzer Monster Military Band Organ plays while the carousel goes around. It, and the drive machinery, are enclosed in the center of the carousel by 45 Victorian oil paintings.

This Historic Carousel is located in Burlington, CO. Burlington is located off I-70 in eastern Colorado, just west of the Kansas state line. The carousel operates from 1:00-8:00 p.m. from Memorial Day to Labor Day. For 25 cents you will get a tour and a ride.

FOR IMMEDIATE RELEASE

Editors of publications who include detailed information about the 53rd NSDC® at least 3 times during this year prior to May of 2004 will be invited to attend the 53rd Press Breakfast.

Suggestions for submitting material:

- Please include information (club news, schedules, event listings) directly in the text of your e-mail message. (You can select it in your open document, copy it, and then go to the body of the e-mail message, and paste it there.) Please do not send WORD or other text attachments, which require additional steps (checking for viruses, downloading, opening applications, cleaning up formatting gibberish, etc.). This slows down production.

- Reporters: *when you send us your information by e-*

mail, it is important to include, at the top, the presidents' and reporters' names, addresses and phone numbers, and the contact number to appear in the club news on these pages. Rather than side by side, please list the presidents' info first, then your info underneath that, then the contact phone number. Please don't add tabs, indents, or extra spaces at the beginnings of paragraphs (or anywhere).

- When you need to attach PDFs (for ads) or JPEGs (for photos), please limit them to 1 MB or less in size.
