FLORAL DESIGN CLASSES
ELEANORE PATTERSON
INSTRUCTOR

APPLE CINNAMON WREATH

Apples are a classic symbol of the Autumn harvest season. Permanent vine, entwined around the apples, gives movement to the wreath. Cinnamon sticks add a contrast in color and texture as well as a traditional harvest touch. Bring wire cutters and scissors. Supply fee \$24. Payable to instructor.

TWIG ANGEL and BASKET

A captivating combination of silk ivy, twig garland and baby's breath accent our angel for a wall hanging or door piece. Our twig basket is encompassed with mixed berries. Both are suitable for gift giving or to enhance your decor. Bring wire cutters and scissors. Supply fee \$24. Payable to instructor.

TOUCH of SPARKLE

Accenting the wreath in striking seasonal fashion is a mixture of holiday greens, berries, ornaments and pine cones. At the pinnacle of our delightful wreath we add lots of golden trim and a bow which harmonize beautifully together. Bring wire cutters and scissors. Supply fee \$26. Payable to instructor.

These classes are offered through the Continuing Education office of the following districts. To register, please call ...

CHEF'S CORNER...

Well here we are in the beginning of another dance season. Everyone is in the process of remembering which foot to start out with. This is also the time we are looking for something new for the snack tables. Here is a recipe I found while roaming the internet on the lookout for new and different recipes. This is a new twist on a favorite of mine, called:

SEASON'S BEST SPINACH DIP

1/4 cup butter or margarine	1 jar (4 oz.) diced pimentos, drained
1 pkg. McCormick's Hollandaise sauce blend	1/2 cup grated Parmesan cheese
3/4 cup milk	1 teaspoon dill weed
1 pkg. (10 oz.) frozen chopped spinach, thawed and drained	1 cup sour cream

1) In a small saucepan, melt butter over medium heat. Stir in the Hollandaise sauce blend. Gradually stir in milk. Cook, stirring constantly, until sauce comes to a boil. Reduce heat and simmer, stirring constantly, 1 minute, or until thickened.

2) Add spinach, pimentos, Parmesan cheese and dill. Heat, stirring frequently, until cheese is melted and sauce is well blended. Remove from heat. Add sour cream and stir until smooth.

Serving Suggestions: Serve dip in a decorative bowl and surround with crackers or in a hollowed-out round rye or pumpernickel bread loaf, cubing the removed inner bread..

Enjoy! *Chef Z*

READER'S RECIPES...

If you have a recipe that has been especially enjoyed by a lot of folks, please feel free to share it with others on these pages. Here is one that Kay Georger shared with us:

KUCHEN

1/2 C shortening	1-1/2 C flour
1/2 cup sugar	1/2 tsp baking powder
1 egg	1/2 tsp salt
1/2 tsp almond	pie filling (peach, etc.)

Cream shortening and sugar; add egg and almond flavor. Blend. Mix in salt, flour, and baking powder, which have been mixed together. Mix well and spread 3/4 mixture in 8x8 pan or pie pan. Add pie filling 1/2 can or more to taste. Crumble remaining crust mixture over top. Bake at 350°F for 30 min. For 1 large kuchen, double recipe and use a 9x13 pan (and allow a little longer to bake).

Presidents' Corner...

Dear Dancing Friends,

All clubs should now have the packets of tri-fold brochures and business cards provided by the Federation for each club member and we hope that everyone has placed them in a "hot spot" to attract prospective dancers. As we visited clubs during August presenting the Federation Plan and these materials, the enthusiasm for recruiting and the multi-cycle program was strong. We have heard only positive comments about the professional brochures, the web page, the central telephone number, the ads, the new casual image, the plan to offer beginning dance programs all year long and the party theme rather than Open House. Let us know what you think!

We are doing what has been done successfully in other parts of the country. This will be a continuing program. Let's all be CHANGE AGENTS and make the program work!

Our thanks to Tom and Liz Chrzanowski for chairing the Promotion and Development Committee and our thanks to the Committee: Al and Diane Whitcomb, Jon and Dale West, Ben and MJ Ebenhack, Ed and Barbara Hipp, Andy and Betty Ludwick, Gary and Alice Bubel and Mike Callahan who have shared many ideas with us.

We especially thank Betty Ludwick and Jon West for their outstanding work on the brochures and business cards and Don Hunger for the Web page. We are fortunate to have their expertise and professionalism.

We are looking forward to another fun-filled year of square dancing and the many events being planned.

Thank you for your enthusiasm and support – with this we can only grow!

DEADLINE

PLEASE REMEMBER...

The deadline for the
December/January issue of the
Promenader is **NOV. 1st**

Roving Reporters ...

FUN: IT'S WHERE YOU FIND IT

I suppose that I should limit my subject to "Summer Square Dance Fun"; however, you have to admit that the other is "catchier."

In any event, in addition to our regular weekly dances with the Shamrock Squares, the Emerald Squares, and the Finger Lakes Squares, we have also found the truth in the truism, "Happiness Is Right Around Your Corner"; and that would be with many of you right out there in *Promenader* reader land.

The first "biggie" was with **Red Bates** at Rocky's up in Booneville, where annually **Dick and Helen Rider** invite everyone to their Chalet for a 4th of July picnic; it's quite an experience as it overlooks much of the Tug Hill Plateau. Of course, dancing with "Mr. Smooth," Red Bates is always a pleasure too. We also decided to support the Cayuga Cut-Ups at their annual Hejamada Camp-Out, and were pleased to find your editors, **Betty and Andy**, there too — just enjoying the great calling of **Roy Leber**, from Pennsylvania, and our own **Judy Doane** from Champagne Whirl-A-Way country. Better put this one on your calendar for next year; we did. Hey, like we said: Fun Is Where You Find It!

Maybe you haven't heard of the Canyon Squares; but, I'll bet you have danced with many of their members: I see them at dances here all the time. This year they had their 25th annual dancing campout (read RV-out), at the Morris Fire Hall in Pennsylvania — that's exactly 135 miles south of our house here between Marion and Palmyra on Harris Road. Last Saturday we braved floods, rain-storms and fog to round out this article and dance with them as "walk-ins." We had 17 squares, and with that

famous-and-fakey "Amish" caller, **Jeff Bobst**, doing the squares, and **Judy Doane** exercising the other half of our brains, it was worth the trip.

Now the question is: In the picture, can you tell which one is the real Jeff Bobst???

Lot's of great dances coming up. Hope to find you as our corner soon — you know, just to gladden our hearts and make us happy.

Oh yes, and just so you know that there is more to Dick Halstead than square dancing, I threw in a picture of me and grandson Daniel at the Rochester PGA.

Square-Dance Camping Can Be Fun, Too

Did you know that we have two NSDCA (National Square Dance Camping) clubs in our area: The Southern Tier Wheelers, and The Curly Q's ?

Well as you can see, Irma and I know it, and our good friends Phil and Mary Huss, and Dave and Lee Morris know it; and have been enjoying their monthly summer activities at Bath, NY for several years now.

If you should care to join us, just contact Charley and Dale Nientimp(cdnientimp@att.net), they are the secretaries and handle membership requests — and could also tell you just how to plan a visit!

Square Dance Vacation In the Mountains

Three couples from the Copy Cats (Diane & Al Whitcomb, Lu & Gail Trabalzi, Liz & Tom Chrzanowski) and two former members (Dick & Sandra Smith) spent Sunday through Friday at the Pride RV Resort in Maggie Valley, NC. This campground is owned by Jerry Story, Larry Letson and Tony Oxendine. We had workshops each morning for 1-1/2 hours and then danced each evening (except Tuesday) for 2 hours. The campground has a pool, hot tub and miniature golf. Breakfast, dinner and a snack after the evening dancing is included in the square dance package. We rented cabins but RV rentals and RV sites were also available. There are lots of places to see in the area including the Biltmore Estate and the Cheyenne Village. We even saw a herd of elk! Square dance sessions are held throughout the summer with combinations of Larry, Tony, Jerry, Tim Mariner, Keither Rippetto and Chris Burchfield calling. If you're looking for a challenging few days of square dancing amidst the beautiful Smokey Mountains, this vacation package is for you.

In Memoriam - Everett Jones

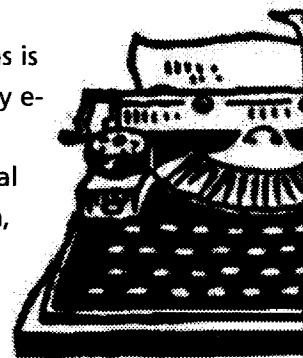

The square dance community wishes to note the passing of Everett Jones, who died on May 14, 2003. Everett and his wife, Carolyn, danced with the Friendship Squares of Geneva for 21 years, until his health failed.

Everett was a farmer until his retirement. He and Carolyn were married 62 years. He leaves three children, nine grandchildren and six great-grandchildren.

Everett was a handsome man who always had a smile for everyone. He truly enjoyed square dancing and their many square dance friends.

Reporters...

A packet of reporters' forms is available to you by mail, or by e-mail in PDF form. These include: Club News form, Special Events Listing, Schedule Form, and Guidelines on Good Reporting. Contact the editors if you would like one.

CLUB OFFICERS... If you schedule a national caller or major event opposite another club's already planned major event, you both lose! Please follow these steps when planning events:

Have you ever been on a committee or board that was trying to decide on the date for a big dance? You probably want to plan your event on a date on which another club does not already have a big dance scheduled. Otherwise, you risk having less dancers available to attend yours.

Here is what you need to do:

1. As soon as you have an idea of when you might want to have the event, and **before you sign the contract with a national caller, or make any other commitments, CALL THE MASTER CALENDAR CHAIRMAN** (Ken Georger, 585-247-7259).

- 1. CHECK MASTER CALENDAR**
- 2. COMPLETE ARRANGEMENTS**
- 3. PUT IT ON THE PROMENADER CALENDAR OF EVENTS**

2. If the date is available on the Master Calendar, proceed to **MAKE YOUR ARRANGEMENTS**, and notify Ken immediately that it is all set.

3. SEND THE INFORMATION ON YOUR EVENT TO THE PROMENADER for publication in the next issue on our **Calendar of Events**. The charge is only \$5, and the listing stays in until it happens! And the sooner everyone in our square dancing community knows about

your event, the better your chances of success! So make it a point to list the event as soon as the arrangements are complete. Forms available by mail/e-mail.

CCR CALLER'S CO-OP

The CCR held its first meeting of the season on September 7. We were pleased to have Bob Stevens and Tom Chrzanowski from the Federation at our meeting to give us an overview of the work that the Federation has done on its campaign for recruiting new dancers. One of the things that Bob & Tom emphasized was that this campaign would be on-going throughout the year and that we should be ready to teach new dancers at ANY time of the year, not just September or October. We at the CCR really appreciate the work that the Federation has done and hope that this will be the beginning of a growth spurt of new dancers.

At our business meeting we had a discussion of the dwindling number of callers in many areas which has sent clubs scrambling in search of callers to call for their programs. The CCR has decided that since we will not be calling forever, and that some of us are considering spending part of the year in warmer climates, we should offer caller training to dancers who are interested in being callers so that area clubs can continue to have callers for their dances. So: **HAVE YOU EVER THOUGHT OF BEING A CALLER??** If so, please call Mike Callahan at (585) 392-3807. If we get some response, the CCR will begin offering interest/training sessions about the calling profession.

Next meeting is Sunday, October 5. In November we will join the Federation "fun day" in Dansville.

Angels

For many years square dance classes have relied on angels to help fill out the squares so that all new dancers may have the opportunity to dance. Angels also bring with them floor experience.

New dancers may rely on the angel couple to pull them through the squares or new move that is being taught. That is not the angel's job. The angel is supposed to be in the right place at the right time. One might add, with a smile.

The angel's duties do not include teaching or correcting students. There is one and only one instructor. That is the caller. The caller should be the one to instruct the new dancers on the calls. The caller should be the one to do the correcting of the dancers having trouble. If a new class member in your square is having difficulty with a move, just ask the caller to go over it again.

Angels must always dance with a smile and give the class time to complete the new call. Remember...angels have the floor time and reaction time the new dancers do not.

Being an angel is like being a parent helping a child take its first steps. Angels are there to help them when they fall. Be kind and gentle and smile. And be there for them.

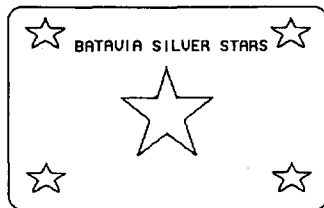

CLUB NEWS

Batavia Silver Stars

We are looking forward to a great class this year. Thanks to the help of the Rochester Area Federation, we will have new dancers and so will you. Good luck to all the clubs.

October 27 is the date for our Halloween Dance which will be held at the VA Medical Center, 222 Richmond Ave. Batavia. Come and join us for a really fun evening. We usually have a few ghosts and a few goblins too.

November 24 is the date for our Turkey Dance. All are invited to attend our Thanksgiving Dance. Paper turkeys will be given away. Come and join in the fun.

We dance every Monday evening 7:30-10:00. It is always best to call before you come, just to make sure, as sometimes the VA needs to use the Auditorium for Federal meetings.

Belles 'N' Beaus

In recognition of Columbus Day, our October 13 theme dance is called "Load the Boat"! It is Guest Night and all clubs are invited to join us for a free dance. Phil Eno will be guest caller on October 20. We will hold our Halloween and Harvest Dance on October 27.

On November 10 we will celebrate our 45th anniversary with a Pot Luck Supper and a Special Dance. We encourage everyone to wear blue and yellow, our club colors, and bring a dish to pass.

Remember to mark your calendar for December 11 when we will once again host our annual Holiday Dinner Dance at Logan's Party House.

The Belles 'n' Beaus Board of Directors has designated ALL of our dances "Choice of Attire." While Western dress has been traditional, particularly at special dances, we feel it is important to give today's dancers the option to feel comfortable and welcome in appropriate, everyday wear.

B 'n' B's annual STEAK ROAST and hayride is scheduled at Gary and Alice's on October 5.

Cloverleaf Squares

We are now dancing at the First Baptist Church in Chili, 3182 Chili Avenue, from September through May 2004. Join the fun and come for a night of dancing with our club caller, Mike Callahan and our round dance cuer, Mark Thone.

Our picnic on July 19 at Fellows Park in Perinton was attended by 42 people and was a huge success. The weather was perfect for bocce, walks, cards, a balloon toss and lots of good food. Everyone seemed to have a good time.

On October 26, our Halloween Party Dance will take place. This is a chance to be a kid again and dress up in your favorite character costume or just be yourself and enjoy the fun. In November will be our Thanksgiving Dinner-Dance where our new class members will join us for a fun evening to eat and dance together, with 1/2-hour rounds.

ROUND DANCE CLASSES: Round Dance Classes are being offered October 5 through November 23, by Brian and Cindy Adams, sponsored by our club, Cloverleaf Squares, at the First Baptist Church in Chili, 3182 Chili Avenue on Sundays from 3 p.m.-5 p.m., with a cost of \$40 per person — paid in advance. See our FLYER for more information and phone numbers to call for sign up.

Other fall activities suggested were a boat ride and the Amazing Maise Maze. Please check the sign-up sheets at our dances for these future activities for dates, directions and meeting times for these fun get-togethers.

Copy Cats

The annual Copy Cats picnic at Harris-Whalen Park in Penfield was again a great success, with approximately 80 members in attendance! Materials were distributed to support the Federation-wide recruiting effort to bring new dancers into any and all of the 2003-2004 classes. Members were challenged to make this the biggest year ever in bringing new dancers into the Rochester area square dancing community!

There are two special dances coming up: the Halloween Dance on October 18, featuring the Hip Boot Boys, and the Veterans/Turkey dance on November 15, with Jeff Bobst from Pennsylvania and Alice Bubel cueing. As always, costumes are welcome, but not necessary, for the Halloween dance. We will also have the usual turkey raffle at the Veterans/Turkey dance. Admission to this dance is free for all veterans! Check for locations of these special dances and come out to join us for an evening of fun!

Bob and Lou Stevens joined us at our annual picnic at Letchworth Park. They presented each member with a packet containing "An Invitation to Dance" flyer, business cards which can be customized for our club, and an explanation on how to use this material to promote square dancing.

The Egles, Kings, Redmonds, and Rexes again danced at the Syracuse State Fair on August 26. We wore the club colors, red polo shirts with our name and a square dancer graphic on the back and black shorts or slacks. We had a great time and enjoyed dinosaur barbecued ribs before leaving for home.

Our annual Halloween party will be held at the Trail-side Lodge (Castile entrance) on Tuesday, October 28. Members and guests start gathering at 6 p.m. All members who come in costume receive prizes, provided by our Caller and Cuer, Will and Muriel Herzog, for whatever categories the committee defines. There is always plenty of food and guests are welcome.

Our Harvest Dance featuring a Silent Auction will be held on Tuesday, November 18, at 7:30 p.m. in Dalton. You are invited to bring salable items to be included in this auction. We hope to see you there.

Finger Lakes Squares

Well, as expected, we had a great time with Bob & Carol Stern in July. It was good to see them again and to have Bob calling for us. The dance was very well attended, with many friends returning for the reunion. Hope we can do it again next year!

One of the annual treats in the area is the "Super Summer Dance" with Tim Crawford given by the Champagne Whirl-A-Ways and the Buds & Blossoms each August in Arkport. We thank these clubs for hosting this popular event. If you've not attended, be sure to look for it next year. It's typically advertised in the *Promenader*. If you think it's too far to go, think again. For Rochester area people it's mostly expressway driving — for us, only 75 minutes from central Irondequoit. Finger Lakes Squares was well represented, with a full square in attendance. We compliment Tecumseh Squares for their support of this affair. There must have been at least two squares from Tecumseh there. (We weren't counting, but in thinking back about the dance we could remember about that many.) Way to go, Tecumseh!

Fall is suddenly upon us. Time to get back into the swing of club dances. Our first dance is set for Sept. 26. We are planning on two Open Houses at the Middle School Cafeteria on Pultney Street. Dates are October 7 & 14 at 7:30-9:30 p.m. For more info., call Verne Marshall at 315-789-1921.

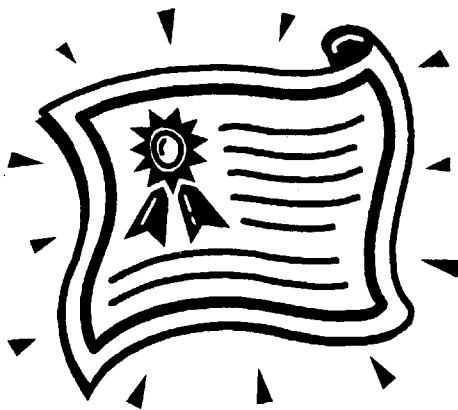

Several of our club members attended the National Square Dance Campers Association Camporee held in Horseheads in July of this year. All had a good but busy time as New York State hosted it. Next year it will be held in Wisconsin.

A good time was had by all who attended our August 24 dance with Jeff Bobst/Bill Newman.

We were saddened by the death of a former and faithful member, Everett Jones. He and Carolyn danced for many years with us.

We're well into our square dance season and having a great time. Gary Bubel keeps us moving and twirling just about every Thursday night at the Roth Middle School in Henrietta.

We rejoice with Andy and Betty Ludwick that their son, Andrew, is back home in the USA as he continues to serve his country. Thanks to him and the men and women like him standing in the gap for us in Iraq and Afghanistan and all around the world.

Dancers: It sometimes happens that while dancing, a situation arises where someone collapses or faints, and it may be difficult for the caller to see what has occurred. IT IS IMPORTANT, therefore, that all dancers familiarize themselves with the square dance method of dealing with this kind of situation. This method is called E.C.M.A.

E.C.M.A. is the abbreviation for Emergency Call for Medical Aid. This signal is designed for use by dancers to notify the caller of a medical problem in their square. When such a problem occurs, important minutes are often lost in the frenzy of waving arms and explanations which cannot be heard or understood across a crowded dance floor. The method of an **ARCHED CIRCLE** will assure the fastest possible response time by medical personnel to an emergency on the dance floor. In this way, precious, perhaps lifesaving minutes, can be saved.

STEP ONE: When a dancer goes down, a second dancer attends him/her.

ECMA

Emergency Call for Medical Aid

STEP TWO: Remaining couples join hands and take a step backward. This allows the injured person and attendant air and room.

STEP THREE: Raise joined hands as high as possible in the form of an arched circle.

STEP FOUR: On seeing this signal, the caller or club representative will immediately place an Emergency Call for Medical Aid.

This system was, according to historical sources, first introduced at the 33rd National Square Dance Convention in Atlantic City, New Jersey, in 1977. It was their hope that callers across the country would take the time to explain the arched circle ECMA signal to their dancers and familiarize them with both the procedure and its purpose. This is not being done and we feel that this is an important part of our being prepared in the event of an emergency.

Clubs — please familiarize your callers, members, and guests with this procedure.

This-n-That from the Editor's Desk...

Dear Readers,

As we approach the fall season, and the time when we celebrate Thanksgiving, we can't help but reflect on the many reasons we have to be thankful.

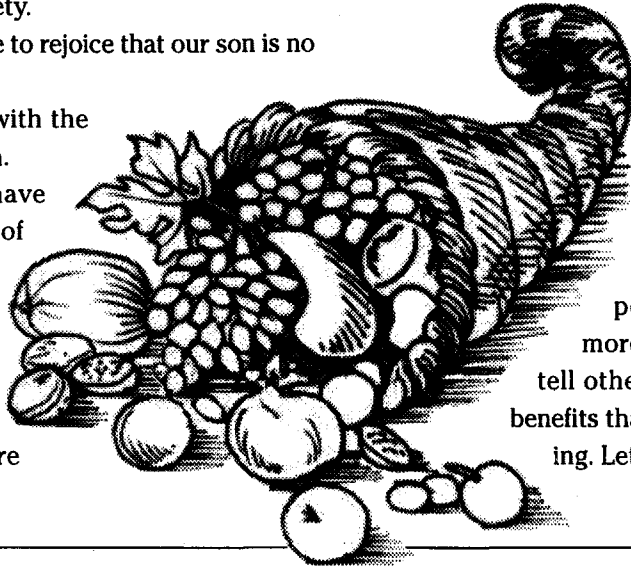

On a community level, we are all blessed with bounty of many kinds in our American society.

On a personal level, we continue to rejoice that our son is no longer stationed in Iraq.

On a club level, we are filled with the bustle of dances starting up again.

On the Federation level, we have the excitement and enthusiasm of fresh approaches to dancer recruitment under way.

On the publication level, the *Promenader's* approaching Benefit Dance always provides a wonderful taste of the spirit of square dancing, alive in our community.

We are thankful for all of these reasons. We hope that you will join us in reflecting on our many blessings.

And we hope that all of our readers will resubscribe, either at the dance, or through their clubs, or by sending in the form on page 3. Please also make a special effort to go to events and patronize businesses advertised in our publication. This will contribute greatly to the beneficial cycle of keeping the *Promenader* a vital communications tool for your use, hopefully, for many years to come, as well as increasing our overall demographics. For when people know about events, they are more likely to attend, have a good time, tell others, and spread the word about the benefits that are part and parcel of square dancing. Let's all be a part of it!

Betty & Andy Ludwick

TO ALL WHO SEND IN ADS: when submitting full page ads (flyers), especially new ones that we do not already have on the system, please print them on a laser printer if at all possible. This is especially important when there are gray tones or photographs on the ad. An ink jet printer does not produce a usable dot pattern for publication purposes, and can cause poor results.
