# CCR CALLER'S CO-OP

Our January meeting featured a "technology update" for those of us who use computers for our calling.

The February meeting will concentrate on styling. Each participant will volunteer to pick a call and review the accepted styling that should be taught with that call. This will be a preview for the styling program that the CCR will be putting on at the Federation Cabin Party in April. Our March meeting will feature a program on planning special/theme dances.

Remember, if you have a question that you would like a caller to answer please send it to: Mike Callahan, 35 Winding Country Lane, Spencerport, NY, 14559 or e-mail me at: user846119@aol.com and we will bring it up at our next meeting.

*Information:* Mike Callahan (585) 352-7877

## About the Promenader...

This publication includes information to help Round and Square Dancers stay informed about dance activities planned for Rochester, NY, and surrounding areas. It is divided into three parts:

1. The **Front** section includes info about subscribing, advertising & contacting us; an Events Calendar (for planning & as a quick glance reference), classified ads, recipes, editorial & Federation info, and special event coverage, such as D.O.R.

2. The **Club News** section includes reports from the clubs, arranged in **alphabetical order**, interspersed with full and partial page ads arranged as nearly as possible in **chronological order**. Both the articles and the ads provide expanded information about upcoming events.

3. In the **Schedules** section, found near the back of the *Promenader*, you can look up dances arranged according to the day of the week. Each entry includes date, club, caller/cuer, location, starting time & symbols indicating additional details.

We hope this publication will keep you as informed as possible about Square and Round Dancing. Please contact us if you have any suggestions.

## Promotion & Development Team

While the Promotion Team is working to promote square dancing, we firmly believe that clubs must help themselves. We have heard long time square dancers say; I have asked all of my friends, my club is doing everything we can. Come to the April cabin party. Let's learn from each other to find out what works today. Get your most enthusiastic and energetic people to attend and let's see if we can inject some new thoughts into all of our clubs.

It costs money to promote square dancing. The Federation will be organizing fundraisers for promotion later this year. They will be aimed at having fun. Ask your Federation Reps. for details and be sure to give your support.

Rochester square dancing and the Promotion Team has lost two key people. Jon and Dale West have made a job change related move to Florida. While they both were very active with the Copy Cats, Jon was a key promotion team member. He utilized his marketing experience to help lead the team during the past three years. The promotion team needs one or two people. Key attributes: marketing or sales experience, high levels of energy and enthusiasm. Know someone who has these attributes? Give us their name.

### D-O-R or D.A.R. ???

We have received a reader inquiry regarding D-O-R and D.A.R.

The confusion may originate in the closeness of their spelling and the fact that pronunciation can sometimes be inexact. Here is what each one is:

DOR stands for Dance-O-Rama, which is our annual Federation all-day dance event held on the first Saturday of May.

DAR stands for Dance-A-Rama, which is the national singles square dance convention. It is being held this September in Rochester, hosted by Cloverleaf Squares.

We hope all our readers are planning to attend both these special events!

## Presidents' Corner...

### Dear Dancing Friends,

Our new Budget Committee is working in conjunction with the Promotion & Development Team to develop a four-year budget to promote square dancing. Several fund raising events have been discussed, and a Monte Carlo Night has been approved. Lou Trabalzi will chair the event and personally attend club dances to promote it. Please call Lou at 585.377.3514 if you would like him to present the details at your Club's dance. Every member's support is necessary to keep square dancing in full swing!

The Cabin Party will be held at the Brighton Town Lodge on Sunday, April 2, from noon to 4 p.m. All officers, federation representatives, and callers are requested to attend. Club members are welcome. See our flyer in this issue of the *Promenader*.

Plans for the May 6 Dance-O-Rama are well underway, with callers and cuers confirmed. Club members are encouraged to support this fun event. The gift baskets provided by the clubs were an overwhelming success last year; therefore the clubs are again asked to donate a gift basket of their choice for this year's DOR.

*Joe and Jan King*  
Federation Presidents

## PLEASE NOTE:

The Daphne-Norma Leadership Award nominations should be sent to the Stevens by the end of February!

Please take a moment **TODAY** to express your thoughts about who you think would be deserving candidates.

(This award is presented at Dance-O-Rama. For more information, see page 6 of this issue, call Bob or Lou at 585-227-1505.)

Who will be named the Daphne-Norma Leadership Award 2006 winners at this year's Dance-O-Rama?

It may not be the person/couple you would like to see win it — especially if you don't take the time to nominate them.

The Daphne Norma Leadership Award is the way that our dancing community recognizes a couple or individual dancer who has demonstrated leadership for an extended period of time, furthering the cause of square and round dancing.

Leadership styles vary greatly as each person is different. But going that extra mile for the sake of other dancers, and of dancing itself, is something we want to recognize.

If you know someone whom you feel stands out in their continuing service to square dancing and to others, please help us to celebrate and take note of them.

A person or persons who are service-minded on a club level often become service-minded on a federation and sometimes even a national level, and are also those who serve their community in general. So please tell us what you know about your nominee's participation in all activities.

If you don't know their life history... tell us as much as possible of what you do know. And possibly, others can fill in some of the information. If you have nominated them for a previous year, and feel they still deserve it, nominate them again this year!

Who do YOU feel should get the leadership award, and why?

Act quickly. The deadline is  
February 28!

Send nominations to Bob & Lou Stevens, 445 South Drive, Rochester, NY 14612,  
e-mail: [restevens@frontiernet.net](mailto:restevens@frontiernet.net)  
Additional information may be found on page 8 of this issue.

## Missed Texas But Not Much

Here it is, winter 2006, and we are still here enjoying the, "Wonders of Winter"... in good old snow country. And have we missed Texas; well, truth be known, not too much: Thanksgiving, Christmas — and all the parties with people we love, caroling with our choir, and the precious time spent with family; including my mother, and many of you, it has all been a joy.

Of course, being here also brings tough decisions, like where to celebrate the count-down of a year filled with all the highs and lows that life can offer. We are so fortunate here to have so many choices to be with people we love: Gary and Alice Bubel's Square and Round Dance party; the Village Squares and the Hip Boot Boys; Bob Ellis and the Cloverleaf Squares; Dick Schweitzer at Penn Yan...and for those of us looking for a great dinner, dance, and hotel after-party...all within walking distance, there was the Canyon Squares in Park-like Wellsboro, Pennsylvania! It didn't take too much coaxing from some of our Southern Tier Wheeler Square Dance Camping Club members to get us there either, and with Kay Anderson making the prime rib buffet dinner reservations, and also the adjacent walk-through room reservations, everything was in place. Then what a pleasant surprise the dance was: at least 20 of the people there were under 30 years old; and with some much younger!

I asked Jeff Bobst how he did it, and he said: Well, first, it is not a class. I just got them all to try doing some singing calls! We started with a few basics and then did them to singing calls. They just keep asking for more...and as you notice, they are not having any problems here tonight! ...and I add, this was no ho-hum dance! I recall specifically: load the boat; relay the deucey, and many others. Seemed like a regular fun Jeff Bobst dance to me! Take a look and see if you see anyone not having fun. Of course,

Dottie Griffith cued.

Young and old enjoyed the Canyon Squares' party.

Jeff Bobst, far left, provided the calling.

Jeff knows what they know, and he did have some announced regular plus tips, including hash and singing calls. Whatever, it was all fun.

One caveat: when Jeff says: "Don't anticipate the call." Don't!

There was also a healthy smattering of "mature singles," that I think were interested in the big smash we are hosting here in Rochester this year too.

So, between Jeff's calling, Dorothy Griffith's cueing, and all the new and old friends we made, I would say 2006 is off to a good start! Hope yours is too.

# Jim 'n Betsy

**(Editor's Note:** Jim and Betsy travel across the United States and around the world, dancing and promoting dancing. They have been dancing about 20 years, and have attended nearly every National Convention since 1988. Their love of dancing has led them many places — France, Germany, Czech Republic, Austria, China and all over the USA. They lived full-time in San Jose, Calif. for many years. When they met, Jim was an angel and Betsy was a learner. They soon formed "Festival Photo" and attended many weekend festivals, taking photos and selling them. They read a lot of square dance publications and gradually realized that every area needs a publication. When friends Myrna and Fred Williams took over *The Prompter* in San Jose, Jim and Betsy offered to start a column about where they danced as they traveled. They have been doing it ever since. Each month they share their experiences and thoughts with square dance publications, both in the U.S. and abroad. We will include their notes whenever space permits. The following column has to do with square dancing in Russia.)

Eberhard Walz, a German dancer, went to caller school when he was 58 years old so he could go to Russia and introduce dancing there. That was over 10 years ago. He had some health problems for a while, but has returned in full force. He is now part of the German-Russian Friends Square Dance Club. What this group of Germans and Russians has accomplished and is accomplishing to spread square dancing to a region of the world where square dancing has never been is remarkable. There are now three square dance clubs

up and running in Russia: St. Petersburg, Petrosovosk, and Pskov. Eberhard wanted the first club to be in St. Petersburg, but no one there came forward to serve as leader until September of last year. Svetlana Stern, English teacher and English expert in St. Petersburg, stepped up and took the reins of the newly formed club. Although Svetlana had no square dancing experience, she was an experienced Russian folk dancer and greatly loves to dance. When Kenny Reese, renowned caller and caller-coach from Germany, brought a group of Germans to St. Petersburg on a square dance tour, she was the interpreter for the group. Svetlana saw how much fun the German dancers had and how they loved the activity, and she decided to learn to call and start the St. Petersburg club. Her calling experience was limited to about 10 minutes on microphone, working from a prepared script!

In June, Svetlana will travel to the United States to participate in the 55th National Square Dance Convention. Because her school is not out until early June, she should arrive in Texas about June 10 or 11. She will almost immediately plunge into the square dance activity in and around Livingston, Texas, where she will dance each night until June 15 when the "Trail Thru Caller College" will begin. This caller college is open to new callers and experienced callers. There are only 12 spots remaining and we expect them to be filled quickly.

At present, Svetlana and the St. Petersburg group are dancing to pre-recorded square dance tapes. She carefully transcribes the calls, teaches all of the moves, and then the members of the club dance to the tape. She has never experienced what it is like to dance with a really good caller who "sight calls" an evening of square dance fun. Of course she will see that when she comes to Texas!

The German "Friends" have held benefit dances, gathered equipment and supplies and square dance clothing, and sponsored several expeditions to Russia.

Now about the 55th National Square Dance Convention in San Antonio! If you are not quite up for European travel, the San Antonio convention is exactly suited for you. Besides dancing all day and evening every day, there will be numerous special events, such as various tours, the biggest square dance market you'll ever see, opportunities to dance with callers from across the country and around the world. We will be there with Svetlana and a considerable German contingent. One of the features will be a special opportunity to dance with callers from outside the United States.

Square dancing is the world's best activity. We have begun talking with a number of people locally about learning to dance next year. We are always in the recruiting mode. If we all are going to see square dancing grow and prosper, it is important to recruit all the time, and retain all the time.

*We will look for you across a square!*  
*Jim and Betsy*

Wow, how time flies when you are having fun. We have a wonderful class that is learning really well.

Feb. 13 is our Valentine's Dance. Bring your sweet-heart and join us for a really fun evening.

On March 25 is our Annual Leprechaun Twirl, lots of food, Chinese Auction, Split club drawing and really great dancing provided by our caller Bill Ryan. Nancy Fincher will be cueing rounds and also one line dance. It is held at the VA Medical Center on 222 Richmond Ave. in Batavia. Check our flyer for directions or call Nancy at (585) 762-9084, or Bill at (716) 517-6012. All class members are invited and encouraged to attend, so they can mingle and dance with club members, and make new friends.

dance on Monday, February 13. Red is the color for you and your special valentine. And, of course, you should also not miss our traditional Saint Patrick's Day Dance on Monday, March 13. A bit 'o green would be nice for the latter. Again, we welcome all to these dances.

Special note: There is no dance on March 27. We will be traveling to another club or clubs that week.

We hope everyone enjoyed the holidays and a hearty and hale celebration to welcome in the new year. And we hope you are making good progress on those resolutions, if you had enough fortitude to even make them. As for us, we make them quietly so no one notices any lack of success we have in achieving them. But in any case, Good Luck to All!

We are very fortunate to have Jerry Carmen, of the renowned Hip Boot Boys, as our caller and cuer during the winter months at Belles 'n' Beaus. We invite you to join us in all our dances to brighten your way through these frigid days and nights. We extend a special welcome to the Tecumseh Square dancers since their club no longer has dances. Gary and Alice Bubel will be enjoying a respite this winter, but we will welcome them back in April.

- **At the First Baptist Church of Penfield**
- **Cost \$5/person**

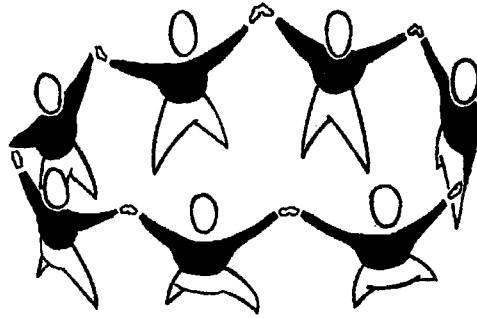

**Join the Copy Cats for a great evening of squares and rounds. If you've been to *the train dance*, you won't want to miss this opportunity to dance with Don in our own back yard.**

#### **Directions:**

From I-490, take exit 23 Rt. 441 east toward Penfield (0.2 miles). Turn left on Linden Ave/441 and continue east on 441 (3 miles). Now on Penfield Road, you will find First Baptist on the north side about 1/2 mile east of the intersection of 5 Mile Line Road (traffic light). Enter at the back.

**Dancers:** It sometimes happens that while dancing, a situation arises where someone collapses or faints, and it may be difficult for the caller to see what has occurred. IT IS IMPORTANT, therefore, that all dancers familiarize themselves with the square dance method of dealing with this kind of situation. This method is called E.C.M.A.

# ECMA

## Emergency Call for Medical Aid

E.C.M.A. is the abbreviation for Emergency Call for Medical Aid. This signal is designed for use by dancers to notify the caller of a medical problem in their square. When such a problem occurs, important minutes are often lost in the frenzy of waving arms and explanations which cannot be heard or understood across a crowded dance floor. The method of an **ARCHED CIRCLE** will assure the fastest possible response time by medical personnel to an emergency on the dance floor. In this way, precious, perhaps lifesaving minutes, can be saved.

**STEP ONE:** When a dancer goes down, a second dancer attends him/her.

**STEP TWO:** Remaining couples join hands and take a step backward. This allows the injured person and attendant air and room.

**STEP THREE:** Raise joined hands as high as possible in the form of an arched circle.

**STEP FOUR:** On seeing this signal, the caller or club representative will immediately place an Emergency Call for Medical Aid.

This system was, according to historical sources, first introduced at the 33rd National Square Dance Convention in Atlantic City, New Jersey, in 1977. It was their hope that callers across the country would take the time to explain the arched circle ECMA signal to their dancers and familiarize them with both the procedure and its purpose.

This is an important part of our being prepared in the event of an emergency.

**Clubs** — please familiarize your callers, members, and guests with this procedure.

## Cayuga Cut Ups

We had a nice Christmas dinner/dance with Dick Schweitzer and Ron Brown calling, and Bill Howard cueing.

We entertained at the Cayuga County Nursing Home before Christmas, giving all 80 residents gifts. The residents enjoyed the wheelchair dancing with Dick Schweitzer calling.

Some of our members are in Florida for the winter months. Some of them will be attending the Sunshine Festival in Lakeland, FL.

Both of our callers will be on vacation, so for our Valentine dinner/dance, we will have guest caller/cuer Keith and Jeanne Harter. Please join us some Thursday evening if you can.

We wish all of you a healthy, happy New Year!

## Cloverleaf D.A.R. Update

The last few months have been fairly quiet on the DAR scene, but the pace will pick up drastically now! We currently have over 150 fully-paid registrations and about 125 room nights have been booked at the Hyatt hotel.

Room nights are a very important part of the success of our convention. Each room booked by someone attending DAR, multiplied by the number of nights for which the room is booked, equals the number of room nights we get credited for. For example, if you book a room for Wednesday through Sunday, that equals 4 room nights.

Now WHY are room nights important? Because the cost of dance space at the Convention Center is based on the number of room nights we achieve at the Hyatt Hotel.

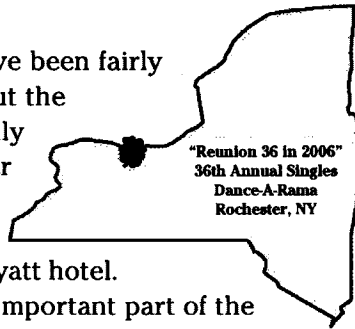

The Hyatt is currently being redecorated and will have been completely refurbished prior to the convention. They have an indoor pool and an exercise room. We will have a hospitality room open at various times for dancers to relax, visit and have a snack. There will be ice cream socials after the evening dances as well as after parties. The room rate is just \$87.00 per night (plus tax) for 1-4 persons in a room. And parking at the South Avenue garage is free for hotel guests.

So we encourage you, please stay at the Hyatt!! It will make for a much more relaxing weekend of dancing, you'll save on the cost of fuel, and at the same time help us to ensure the success of DAR.

Please get your reservations in early...in fact, you can do it TODAY! Just call 1-800-233-1234 or 546-1234 and tell them you want to reserve a room for the 36th National Singles Dance-A-Rama.

on March 4, with Brian Adams cueing. If you haven't heard them before, you are in for a treat. We will celebrate St. Patrick's Day on March 18. Get out your green duds and kick up your heels for this dance with Jeff and Andrea Priest.

And there's more...we are having a demonstration on Sunday, February 12 at the Friendly Home on East Avenue, 2:30-3:30. Also, plan on attending the Country Twirlers' dance on February 1 with Tim Crawford and Brian Adams, another event you shouldn't miss. See you there!

## Dalton Gang

About 30 club members and guests enjoyed our annual Christmas party, held this year at the Dalton UMC, as school was closed for vacation. A delicious meal, followed by a gift exchange, made for a very pleasant evening. (You finally got that big box, didn't you, Bill!)

We are pleased to report that club member, Walt Brown, has recently returned home, after several months in hospital and nursing home. Walt was struck by a falling tree in August, and was paralyzed from the chest down. After intensive therapy, which will continue at home, feeling has returned nearly to the waist, but prognosis at this point is uncertain.

If you would like to bolster Walt's spirits with a card, please use the following address: Walt Brown, 9808 County Rd. 15B, Canaseraga, NY 14822.

Walt is being cared for by his wife, Bert, and sister, an LPN.

## Dancing Shadows

Dancing Shadows is an intermediate level (Phase 3-4) club that meets every Monday evening at the First United Methodist Church of West Webster, 570 Old Ridge Road. (See schedule in back of this issue for specific dates.) We dance a combined program of Phase III and Phase IV with emphasis on Phase IV instruction. Dress is comfortable/casual.

Please note: We will not be dancing in February. Dancing will resume on Monday night March 13.

Hope to see you soon.

## Finger Lakes Squares

We welcome Dave Eno back after his long winter of being a "basketball father." He returns to the mike on March 30. I 'spect Jerry will be happy to have him back, too—to share the traveling to call for us. And, once again, I can't say too many times how much we appreciate our two callers, who are certainly calling for us for the love of square dancing and calling, not the money (of which there is darn little).

The Carleys are in the news again (and I'm sure they'd rather not be). A few days before Jeanne was scheduled to have some knee surgery she was involved in a car accident while riding with a friend. Hooray for seat belts. Hers saved her from major injury, but she still has quite a bit of pain where the seat grabbed her—possibly separation of bone and cartilage in her rib cage. We are thinking of you, Jeanne, and hope this will all be a thing of the past by the time this note is published.

Schedule note: If you have not been attending regularly, or would like to attend as a guest, please call before 4:00 p.m. to confirm that we are dancing.

## Friendship Squares of Geneva

Bob Ellis is great with new dancers, and he will be calling at our Feb. 10 Class Club Dance. Bring your Valentine and a class member or two. Let your Valentine bring you to dance Feb. 17 to the melodic singing of Ron Brown. In March we dance the 10th and the 24th, with the 24th being Pizza Night. Break up the dreary days of winter by dancing often with other clubs! By the end of March, Spring will be here (at least on the calendar!)

## A Note to Advertisers:

When sending in flyers, especially those that are not on our system (for a new event which you didn't do previously, for example), please try to provide us with either a laser

printer copy (rather than ink jet) or a PDF sent by e-mail. This is because gray tones produced on an ink jet printer reproduce poorly in the publication process. Very often, we have

to rescan such images and rework them in order to make them usable. If you do not have access to a laser printer, an e-mailed PDF can allow us to print them on our laser printer for use in the *Promenader*. Thank you.

Old man winter is here but we're nice and warm dancing on Thursday nights at the Roth Middle School just south of the Thruway on East Henrietta Road (15A). Mike Callahan keeps us moving and we are having a ball (really a square) each night we dance. Come and join us.

Happy Valentine's Day to all our lovebirds! And speaking of birds, we sure miss our snowbirds but before long they will be returning to us along with the bluebirds and robins welcoming in another spring.

We will be dancing the first three Thursdays in February and every Thursday in March except for the 16th.

We welcome everyone back to our dances on March 25. Come and see how crafty our Kuntry Kuzzins are that night, as it is our Craft Night. Come and outbid your neighbor for one of our neat crafts at our silent auction. See you then!

## Lock City Curly Q's

The Lock City Curly Q's are moving. We're going to the Lockport Senior Center at 33 Ontario St. This is right in downtown Lockport. Our hours are changing, too. The new time will be from 7:30 to 9:15. We are happy to say that Bill Ryan will still be our caller and that we will continue to dance on Thursday evenings.

On February 9, we will celebrate Valentine's Day, and, of course, we'll be wearing red. We will finish off the month on the 23rd with our always popular pizza night, served during the dance.

On March 16, we will celebrate the "wearing of the green" with a St. Patrick's pot luck dinner dance with dinner at 6:30 and dancing at 7:30.

A warm welcome is always guaranteed.

Round Towners is an Easy Level Round Dance club. We meet every Thursday evening at the First United Methodist Church of West Webster, 570 Old Ridge Road, West Webster. This club is especially geared towards the new dancer who has had some basic lessons and others who would like to brush up their basic skills and/or who enjoy dancing at the easy level. If you are not getting enough round dancing at your square dances or if you are just looking for some fun and friendship, come out and join us. Dress is casual/comfortable. We are looking forward to seeing you on Thursday nights.

Please note: We will not be dancing in February. Dancing will resume on Thursday night March 9.

Please don't let your new members be left out!

## Why Should I Go To the 55th National Square Dance Convention?

The National Square Dance Convention is many things and is expansively more than the name itself might imply. One need not even be a dancer to enjoy being there and seeing the variety of activity, exhibits, colorful costumes and interesting people from all over the world participating together, so spiritedly in something they all obviously love.

If you ARE a dancer, particularly a square dancer, this is the biggest square dance of your life! It's the international square dance convention for all practical purposes. And it's a blast to dance in a square with people from other states as well as from Japan, Sweden, Germany or Australia and with all the calls in English. Whether they can speak the language or not, they can execute the calls and smile proudly.

The smile is the language spoken in every hall. Then all shake hands and hug each other afterwards. The world needs this today like never before in the history of mankind. Friendship is set to music.

There is a broad spectrum of things going on inside the National Square Dance Convention and square dancing itself has several plateaus or levels. There is Basic, Mainstream, Plus, Advanced levels and Challenge levels. Everything in the convention is growing, advancing and exciting. Nothing is anything close to stale. It's a living, breathing engine of fun and fellowship — something you have to see and be a part of to

appreciate. Words can't do it justice.

Besides all this, there is the special 'touch of Texas' which pervades the big convention in San Antonio June 21-24, 2006. That touch is something very special indeed. The famed Alamo is just a few blocks away and there are tours galore to Old Spanish Missions. The LBJ ranch, the Texas Hill Country and Breakfast and Lunch Riverboat cruises snaking right through downtown and gliding past the convention center itself.

There's a lot more than that. San Antonio is an international experience, just like the convention itself.

A vacation in San Antonio is a great idea anytime. And just getting to drop inside the National

Square Dance Convention, even just to sample it, is well worth adding this to your vacation agenda. Plan your trip there any other time and you cannot have this unique opportunity. So, June, 2006 makes sense in several ways. This is it — your only chance. And if you are a square dancer, round dancer, clogger, contra dancers, line dancer, country western dancer or any combination of the above, then you just have to come! How could you miss it? You'll return home all excited and be fueled by the entire experience for a lifetime.

So tell all your dancing friends and 'y'all' come on down to Texas.

A big Texas 'Howdy' awaits you!  
**Newt Weeks**, Assistant Publicity Chairman

## Silver Squares

Are you caught in the middle of winter blues? Have you missed dancing because you don't like driving after dark?

We dance every Monday at 1:00 PM at the American Legion in Charlotte on a wood floor. We are the **ONLY DAYTIME DANCE CLUB** in the area. **NO DRIVING AFTER DARK NECESSARY.** Mike Callahan usually calls and cues for us. Singles are welcome. Sometimes we need more women. Sometimes we need more men.

Come and steal our banner. We may come to steal yours.

February 13 is our Valentine Dance. Wear red and join us for a good time and refreshments.

February 20 is President's Day. All Square Dance Club Presidents will be admitted free.

We celebrate St. Patrick's Day on March 13. It is a free dance for all guests. No one is more Irish than our Callahan.

## Victor Swing-A-Longs

Are we all rested up from the holidays? Sure we are and ready for some serious winter dancing. On Feb. 10, we will celebrate Valentine's Day with a few romantic frills and of course, the usual "Red touches." We welcome anyone who would like to join us for the evening. I have heard a rumor that on March 17 a leprechaun will join us to celebrate St. Patrick's Day. I am sure he will bring with him some Irish tunes and good clean fun. Again, we welcome any who wish to join in the fun. See you all on the dance floor.

## Village Squares of Rochester

We are dancing all four Wednesdays in February. Dress up for the first dance of the month and down for the third dance of the month. The fourth dance of the month is special. We are having a Masked Ball Mardi Gras dance. Let your party gras imagination run wild: the most outrageous thing you ever thought of wearing (or maybe not wearing) in public.

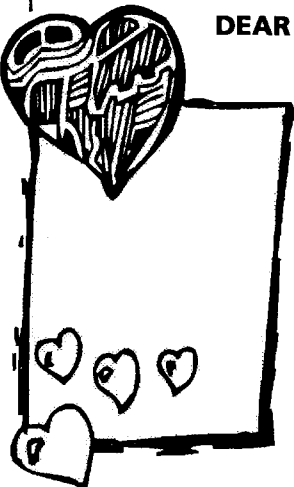

We are not dancing on Ash Wednesday, March 1, but we are dancing the four subsequent Wednesdays. Dress up for our dance on the second Wednesday, March 8. On March 22 we are having a Welcome Spring Ice Cream Social. The Wicked Witch of Winter is dead! In Rochester? As the good fairy told Dorothy, close your eyes, click the heels of your dancing shoes together twice, and your wish will come true. Dress down for the last dance of the month.

**DEAR REPORTERS & READERS,**

When you send in a note asking us to change or include something, **please identify any page of paper you send in with the name of your club** at the top. That will eliminate the need for extra detective work if that sheet is separated from your envelope and other sheets (we file the different sections of the material into separate folders prior to commencing work on the issue).

It is, of course, always helpful when you include a contact phone number on any information you give us, in case the need arises to double check something.

If you are communicating electronically, please include the name of your club in the subject line of your e-mail message.

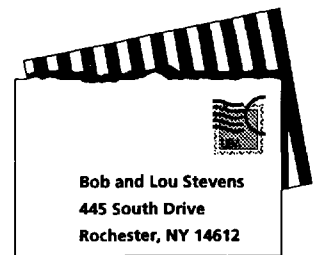

*Thanks again,  
The Editors*

## PLEASE NOTE

The Daphne-Norma Leadership Award NOMINATIONS should be sent to the Stevens by the end of February!

Please take a moment today to express your thoughts about deserving candidates.

This award is presented at Dance-O-Rama. See Page 6 of this issue for information.

## Waterwheel Squares

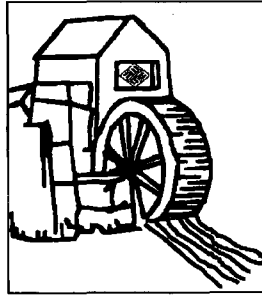

All are invited to Waterwheel Squares special theme dances in February and March with Mike Callahan & Norm Koharski calling and cueing.

The fun starts on Feb. 13 at 7:00 pm with a Valentines Dance. Red will be the color of the day. Bring your valentine or be a valentine and be ready for some yellow rocks or maybe they will be red rocks that evening.

We celebrate Presidents Day on Feb. 20. Put on your red, white and blue and dance to some patriotic music.

Feb. 27 is our Mardi Gras dance, so put on your beads and come over and party with us. Women come and prepare to show your xxxxx. (Whoops, the censors must have covered something(s) up.)

March 13 is our St. Paddy's dance. Wear something green and put on a cloverleaf or bring a cloverleaf dancer with you and be prepared for some green rocks.

March 27 is our Fifties dance. Get out that poodle skirt and dance to some Elvis tunes and rock around the clock with us.

We thank all who came to our first ever monkey dance in December. It was a huge success. We had a lot of fun and lots of monkeys. We even received some suggestions for the next year's monkey dance (?): chocolate chimp cookies and orangu "tang" punch. If you have any other suggestions, please pass them along to us.

Our cuer, Norm Koharski, underwent quadruple by-pass surgery at Strong Memorial Hospital in early December. He is recovering nicely and made an appearance at our New Year's Eve dance. He looked great and will be cueing for us again in February. The Waterwheel Squares would like to thank Mike Callahan for picking up the round dance cueing in Norm's absence and to Mary Hinkle for cueing at our Holiday Dinner dance.

### Reporters, and Readers, Please Note: \* +

Since December of 2003, in order to avoid confusion and be consistent, we designated the ASTERISK (\*) symbol to mean "class invited" here on the schedule pages, as well as on the Calendar of Events in the front of the issue.

The symbol for "See Club News for info," is a plus sign: (+).

Reporters, please make sure this information is correct on your reporters' forms.

**Symbols: \*...Class Invited; + ...See Club News for info.**
