Presidents' Corner...

Hello Dancing Friends,

We have enjoyed another full season of wonderful dancing in the Rochester area, and we now have a little time to "recharge" with a slower dancing pace. I hope everyone finds time to enjoy the warmer weather, and all that we have to experience in this corner of New York. I also hope you find some dancing to keep your skills sharp during the summer season. The Southern Tier Wheelers have a great lineup for the Camping Season. Try to make it down there for a day, or the full weekend. You won't be disappointed! Also remember that the Cloverleaf Squares, Boo Bull Squares/Rounds and several other clubs dance through the summer. Please refer to this issue of the *Promenader* for full dance schedules for the summer months.

Looking ahead to the upcoming 2014/2015 dance season ... the Federation has been busy trying to increase the participation of each club in the monthly Federation meetings. This is how each club has a voice in decisions made on behalf of all clubs. Each club is supposed to have one or two representatives, who attend these monthly meetings. They are then responsible to bring the Federation news back to their club, where topics can be discussed and applied as appropriate. This is our "circle of communication." When people ask what the Federation does, I like to refer them back to their club representative. This representative is so very important! The Federation meetings are listed in the front section of each *Promenader* magazine, and everyone is welcome to attend. Maybe YOU would like to attend, and see if you would like to represent your club in this valuable way.

The Federation also has a new Promotional Committee! They are busy working on ideas for new ways to promote Modern Western Square Dancing in the Rochester area. The Federation has also been discussing new promotional ideas to benefit clubs directly, such as the new promotion to assist clubs with advertising costs for their Open House events (this is for advertising outside of the *Promenader*). Please discuss this with your club representative or club president. Also we have adopted a promotional idea for the 2015 DOR, that would result in a cash award for the club with the highest percentage of members attending the DOR. Again, these are details your Federation representative will have. We are working to help ALL clubs grow, but it is the responsibility of each MEMBER to bring in new dancers/class members for their club. Clubs either grow, or go under, based on new people coming into their club. Usually this is done through bringing new people into the activity. New dancer classes are a necessity for clubs to thrive! We all know this is difficult, so each member needs help with new and creative ideas for their club. A list of 164 ideas was presented to each club attending the Cabin Party. We look forward to hearing which ones you like! I hope you each have a wonderful summer season, and I look forward to seeing all clubs represented at the September Federation meeting!

Terry Pratt, Federation President

Tri-Club Dance

The annual Tri-Club-Dance was, as always, a great dance, this year featuring Brad Deibert calling, and pretty Mary Hinkle cueing. More than eleven squares danced that night. However, shortly after the opening tip, Ken Georger announced that it was also the

Barb, Brad Deibert, and Charlene

End of an Era: his club, the Country Twirlers, one of the oldest clubs in existence, would be folding...and the future availability of the Washington Irving School itself would soon be in question.

All very sad news, the Washington Irving School has historically been the premier facility in the area. A bit of good news did surface though in that the school was still going to be available for our annual Promenader Dance this fall, so make certain you make that dance, in that it may very well be one of the "Swan Song" celebrations for our fun trips to Chili Avenue at this address.

DOR 2014

Around noon on May 3, there were, as always, those anxious moments when only the DOR Committee people were there and getting things set up, but soon Jerry Carmen arrived, and we knew all was well, for it was only a short while until all of the callers and cuers were there, and before the magic time, 2:00 p.m., there was a crowd of people keeping all three sign-in sheets busy, and also keeping Irma busy as they purchased 50/50 tickets.

Right at two, the needle was down and there were dancers on the floor. The festivities had begun.

As always, we will let the pictures tell most of the story.

I would be remiss; however, if I did not mention the great job that all of our clubs did with the Basket Raffel again this year. Russ and Kathy Green won, I think, one of the largest baskets, so I posed them with Barb Green, recognizing her organizational skills in making this a big success again this year. Charlene Brueggmann is shown with the Gone Dancing Book winners. Thanks again for the innovative efforts and support of so many of our clubs!

DOR Basket Raffle

Every year it seems the baskets can't get any better, then the next year they do! There seemed to be more excitement than ever this year, as folks scoped out their choices. The new dancers seemed to jump right in to join in on the tradition. Once again thanks goes to all the clubs who participated, and all the dancers who bought tickets. This year \$5 bought 15 tickets, and that seemed to hasten sales. Thanks also goes to the volunteers at the Raffle table. Everyone reported promptly for their assigned time slot and seemed to have fun manning their station. The winners are listed below, to let you know who claimed the basket your clubs so generously donated.

The Daphne-Norma Leadership Award

Dick and Irma Halstead started dancing in the early '80s. They met and married many decades earlier.

When Dick was serving in the Armed Forces during the time of World War II, he was stationed in Berlin, Germany. Germany at the end of the war was divided into many sectors, occupied in large part by Russia, England, France and the United States. By June of 1948 the United States and its allies had to go to extreme measures, including the Berlin Airlift, in order to feed the starving Germans and their families. An Army of Occupation, which Dick was an integral part of, helped to feed these people and in particular the children.

Irma was only 13 at the time and a child of the war. Irma tells us of the extreme difficulty the war-torn families encountered and how the Airlift kept them alive. Of course, a few years later when she met this dashing American with a warm heart and mischievous smile, it was love at first sight for both of them. This marked the beginning of a long and eventful marriage. One article cannot do justice to their service to square dancing and the community over the years.

After Air Force assignments in Korea; at the Cambridge Research Center; at USAFE Headquarters in Wiesbaden, Germany; and at the AF Special Weapons Center in Albuquerque, NM; Dick was, by Presidential Selection (JFK), on the Launch Crew that made the first successful intercept of an object in space: a Soviet Volstock Series Spacecraft; and he also served on the launch crew that put the first satellite in what is now our GPS System in orbit (SECOR). During these assignments, he completed a BS *Magna Cum Laude* in Vocational/Technical Education, and earned a permanent NYS Teaching Certificate.

Dick was instrumental in the formation of a large Town Park in Marion, and is past president of the Marion Rotary Club, and past master of Marion Lodge 926. Irma is a past matron of Eastern Star. With three sons, scouting was always a big thing in their life. Dick organized the Transatlantic Council of Boy Scouts of America, and together they have over 35 years of service as scout leaders and have also been active in their community and church. Irma taught Sunday School and a Bell Choir, organized the Wayne Community Hospital volunteers, chaired the Womens' Guild, and served on the Board of Trustees of the United Church of Marion.

Dick's first 20-year career was in the USAF; his second 20-year career was with Harris RF Communications in Rochester. At Harris RF, he was supervisor of the Test Dept.; a systems engineer; and when Harris RF got their first NASA contract, Dick moved to the Publications Dept. as writing supervisor, and for a period of about ten years wrote every new product manual.

Dick and Irma both like to think of square dancing as their third "career," where most of you know them as the *Promenader* Roving Reporters.

They have been or are members of the Wayne Westerners, the Southern Tier Wheelers, Shamrock Squares, Finger Lakes Squares, The Circul-8-tors, Copy Cats, and Emerad Squares, as well as other Rochester clubs, and many clubs in Florida, Texas and South Carolina. In 2011 they were named North

East Area Representatives for the NSDCA (National Square Dance Camping Association).

Their willingness to take on assignments and offices on the Federation level is well known. After serving as co-vice presidents, and co-presidents, they further extended their service by being willing to do the job of Federation historians. Then, above and beyond all of their already documented achievements, they came forward in 2012 and volunteered to help the *Promenader* editors of many years in whatever way they could in order to keep the *Promenader* going. (At that point, the staff had not yet expanded to the point it is at now, and no candidates had come forth to take over what was then an overwhelming task.) Dick and Irma learned how to log in club submissions, organize them,

and follow up to get missing material in. Their willingness and helpfulness has allowed Rochester's square dance community to continue to have a publication to keep it connected these last few years. Besides serving as Roving Reporters for the *Promenader*, covering square dance events both near and far with articles and photos, Dick can be relied upon to remind people about upcoming square dance events via his extensive email list. And he and Irma always attend as many of these events as possible in person, even while convalescing from surgery. Dick can often be seen carrying his tripod and camera. He captures new dancers and callers, as well as experienced dancers — often in the height of swirling and twirling! Dick and Irma will be wonderful ambassadors of this award. They are truly an inspiration to all who come in contact with them.

A letter of thanks ...

For me, the highlight, photographically, of every DOR for the past 16 years or so has always been getting the new Daphne Norma Leadership Award recipients appropriately recognized...that and the new dancers. I have always listened for "clues" in what the past years award winner was reading to see how soon I could recognize them... and then try to zero in on a good "surprise" shot. That would have been pretty tacky this year; as soon as Barb got to the "Federation Historian," us being the only ones there ever has been, I felt the full range of emotion that any of you would have had if it were you: exaltation, all of that. Then I looked at Irma, and saw tears of happiness welling up in her eyes and headed for her... she still needs a little help with her new knee.

Happily Barb had arranged with John to man the camera, so all was well, and the rest is now in the history books.

We thank everyone for letting us be so much a part of your lives for our now long history together, including: The Wayne Westerners, The Emerald Squares, The Circulators, The Southern Tier Wheelers, The Shamrock Squares, and most recently, The Copy Cats...and frequent visitors with enough other clubs to feel like, "Almost Members"...and then the Federation Officers posts, including Club Reps, VP's, Presidents, and Historians.

My most work and my most enjoyment, however, has come wearing my Roving Reporter Hat...where I have always seen my job as doing whatever I can to promote and further the best interest of Square dancing ...and that includes always recognizing our great callers, cuers, club leadership... and not ever forgetting the loyal members out in the trenches that show up every week with big smiles, ready for the fun and friends that make square dancing just what it is all about. Fun and Friendship!

We love you all and thank you all for this great honor, and will do our best to show up at your club as often as possible with a full Candy Dish!

Shirts 'N Skirts Celebrate 60th

Some of you may not know it, but "Modern Square Dancing" was not even invented until the early '50's, and the Fulton Club was established in 1954 by Joyce Siebers; you can tie them, but you can't beat them!

The Club danced initially in the basements of Flo and Bill Smith, and Betty and Paul Richardson. As it grew, the club moved to Presbyterian Church, then the YMCA, and then City Hall. Phil Eno recalls that Joyce Siebers started classes with a friend from Colorado. Phil and Elaine started classes in 1974 when Bob Coad was calling. Dick Sherman was hired just before graduation...and Phil started practicing right away and was hired as the club caller in 1977. Dave, their son, like Mike Callahan, was a "Teen Caller," and quickly morphed into one of our areas top callers, and continues as the club caller to this time.

I was proud of all the dancers from the Rochester area that were there, and even Callers Gil Porter, and Dick Schweitzer, but one couple stood out, and many of you from our area remember them: Alica, Ari-

Alisa, Arabella, and David Hartino

bella, and David Hartino. What a great dancer their daughter has become. Ask Sally and Peter Emmel...they were together often.

I should hasten to mention that round dancing has always been a part of the dancing scene in Fulton, as it is with most clubs fortunate enough to have good cuers...and you now find Phil and Dave performing as a team, with Phil now a popular cuer also. Of course with Gary Corbin and Joyce Dennison as members, the Fulton Club has become an ever more popular place to learn Round Dancing.

I made sure I got a picture of the Shirt 'N Skirts current leadership, showing Bob and Vivian Rice, Karen and Dave Eno, Phil Eno and Paula Ray. I would be remiss; however, if I did not thank all of the Fulton Dancers for putting on a befitting 60th Anniversary celebration on Saturday afternoon, the 26th of April, 2014... and all for free...with a "donation" of canned foods for the local food bank.

Make certain that you do your best to support their Annual Elaine Eno MLS dance. Our thanks, congratulations, and best wishes for another 60 years!

Country Twirlers

The Country Twirlers will be having a "Trail End Dance" on Saturday, October 25, 2014 from 7:30 to 10:00 at Washington Irving School. "SAVE THE DATE"

History of Country Twirlers

In the fall of 1958, Bob and Dorothy Brunshidle and a few couples who had taken Western Square Dancing lessons with the Genesee Dancers decided during one of their basement dance parties to form a club on the west side of Rochester.

Cards were sent out to all their friends and three dances were held in the spring of 1959 at a local firehouse. So successful were these dances that in the fall of 1959 more dances were held at the Chili Grange hall on Chili-Scottsville Road.

In November of 1959 a slate of officers were presented to the yet un-named club, including Ray and Irene Callahan (Mike's parents). Also included in the 32 charter couples were our own Al & Esther Fiege, who have been avid supporters of the club for 55 years.

At one of their meetings in January '60 the name "Country Twirlers" was chosen and the familiar red barn & silo was adapted as the club badge. The year 1960 also saw the start of classes and with the growth of membership dances were moved to Florence Brasser School.

The next few years with the continuance of classes and the practice of bringing in a variety of local and national callers along with special events, picnics and Trail End dinner dances, the membership had grown to 55 couples with 14 couples in class.

In the fall of 1966 the club moved to Washington Irving School with 66 couples and 22 couples in Bob Brunshidle's class. In '68, Jim McQuade, who had been sharing the calling with Frank Davenport of Buffalo, began as club caller and he and Gert drove in weekly from Tonawanda, NY, seldom missing a dance in their 26 years until Jim retired in May '82. Our club membership for 1976 lists 80 couples.

Jack Barnes began calling for us in September '82 and like Jim, he and Joan faithfully drove in from N. Tonawanda weekly until they retired in 1991. *(Continued next issue)*

From the thruway or the south, just stay on Rt. 14. From 5 & 20, look for the Rt 14 sign. After you circle to Rt. 14, (Main St.), turn left and you are almost there — the first church on your left. Shirts 'N Skirts

On April 25, our club celebrated our 60th anniversary with a special dance. Attendance was around 60, and we'd like to thank all those dancers who joined us for the special fun. Dave Eno called; Phil Eno was our cuer, though Dave and Phil passed the mic with Dick Schweitzer and Gil Porter when calling one tip. Caller Tom Mallory and cuer Lisa Treichler also celebrated with us. In addition to dancing rounds and squares, there were displays of memorabilia — photos, a succession of Shirts & Skirts club banners, even dangles and ribbons from our history — on tables around the room. Refreshments included a special 60th anniversary cake.

Also, don't forget, Shirts & Skirts have another special dance coming up on Saturday, June 7 — our annual ALS Benefit Dance. This year the 5th annual ALS benefit dance runs from 2:00–10:00. It will be held in the air-conditioned Polish Home, 153 W. 1st St. S., Fulton, NY 13069 (for those who remember dancing in the heat of last summer's party). In addition to raising funds for the good cause of fighting ALS, each year we, as a club, remember Elaine Eno, in whose honor the dances are held. Come join us for a good party with Mainstream, Plus, Rounds, Advanced and C1, Star Tips!

Village Squares

THE KING IS DEAD! LONG LIVE THE KING! Properly understood, this is not a self-contradiction, but an affirmation of continuity. The First Presbyterian Church of East

Rochester will cease to be available after our Trail's End dance the first Wednesday in June. The vetting of new sites for dances in September of 2014 is in progress with every expectation of a final selection appearing in the fall issue of the *Promenader*. No interruption of our dance schedule is anticipated. Nor are we leaving behind our many, many memories of dancers and dancing. Appropriately, on the last Wednesday of December 2014 (New Year's Eve), Village Squares is celebrating its 40th (ruby) anniversary. Mark your calendar and plan to join us. Our club remains hail and hardy.

Our Trail's End dance is on Wednesday, June 4. Doors open at 6:00 p.m., pot-luck at 6:30 p.m. (visitors, let us know you are coming), and dancing starts at 7:30 p.m.

On Wednesday, August 20, we are holding our summer picnic (games, food and dancing) at King's Bend Park, which is on the north side of Jefferson Road just east of Clover (Rt. 65). For better dancing, we have reserved the larger (farther back) lodge this year. Rain or shine, games start at 3:00 p.m., dinner at 5:30 p.m., dancing after dinner. Bring lawn chairs, games, beverages, and a dish to pass. Hot dogs, burgers, rolls, condiments, plates, cups, and utensils are furnished. Call 872-5717 for reservations before August 10. \$7 per person.

Our Trail Back is Wednesday September 3, and on Wednesday September 10 we are holding a FREE Hall Warming Dance to allow the curious to check out our new location.

We are once again offering a Plus Class/Review, starting Wednesday September 17. Jerry Carmen will be teaching/calling/cueing. Class is from 7:00 to 8:00 p.m. From 8:00 to 9:00 p.m. Plus calling is at a level that allows the class to participate. From 9:00 to 10:00 p.m. dancing is at a full Plus level. Breaks include rounds. Note the ad in this issue. One admission covers an entire evening of dancing. First time in attendance class members dance free. Look for the location in the fall *Promenader*.

Acey and Deucy

After a brief summer outing at the CCR "Summer Sizzler" our peripatetic pandas, Acey and Deucy, attended the Copy Cats Winter Ball. Sometime during that dance they were whisked away on an adventure that they later described as a "hostage situation" – documented with photos and a letter they sent home.

In March, they returned briefly – for Pie at our Pi Night dance – but they didn't stay long.

On our road trip to join the Dalton Gang for Maple Tree

pancakes, the two wayward bears hooked a ride to parts unknown. They sent us one goofy photo and didn't return home until May 7, whereupon they shoved off with Tom and Angela Frantz on Gary and Alice's square dance cruise.

Waterwheel Squares

Oh, those lazy, crazy, hazy days of summer! Hopefully June will bring us plenty of blue skies, sunshine & the smell of summer roses. Here at Waterwheels Square Dance Club we will continue to dance squares & rounds on Monday evenings from 7–10 p.m. in the Amherst Community Church, located at 77 Washington Highway, Snyder, NY 14226. Most of our members who nest away in Florida & areas South for the winter should be back to enhance & enjoy the company of our club members. We will honor our Nation on June 9 with our Flag Day dance. Everyone happily wears their red, white, & blue outfits. We have three regular dance nights in July, but on the 21st we enjoy our Annual Picnic. Our members are so good about bringing favorite picnic dishes to share together before we dance. Hot Dog! We are always open to visits from dancers who are in the area & would like to come to our club to dance. Ah, August, when it's "full summer," we'll still be dancing. Maybe we're more relaxed in shorts & sandals, but we are still having fun. On the 11th we kind of "cool" things down with our "Snowflake" dance. We all wear white and usually enjoy popsicles, ice cream, watermelon & cool drinks. So, summer on! Enjoy the heat, those gentle breezes & Dance, Dance, Dance!

63rd National Square Dance Convention®

June 25–28, 2014 • Little Rock, Arkansas

Tours are just one of the many things to take part in during each yearly National Square Dance Convention®. Each convention city has many unique tours for the convention vacationer. All tours should be booked long before you arrive in Little Rock. Many tours may be full while others may be canceled due to lack of participation. Eureka Springs Overnight - June 23 / 8am; Branson overnight - June 24 / 8:00am; Little Rock ... with a twist - June 24 & 27 / 12:30 pm; Crystal Bridges - June 27 / 8:00am; Hot Springs National Park- June 25 & 27 / 9:00am; Garvan Woodland Gardens - June 25 / 9:00am; Ozark Folk Center - June 26 / 8:00am; Memphis and Graceland - June 24 & 26/ 10:00am; Digging for Diamonds - June 24 / 9:30am. These are the Little Rock tours. "Digging for Diamonds" will be a truly unique tour. This is the only diamond producing site in the world that is open to the public. All of your digging will be done above ground in the sunshine. Not deep in a mine shaft. Bring work cloths, work gloves and a hat. You could make the next big find. Just recently a teenager from Oklahoma City sold the diamond she found for \$20,000. For more information and price listings of our tours visit www.63nsdc.com and click on TOURS. You can also pre-book your tour from this web site.

We have many food options while inside The Statehouse Convention Center.

We have added a "Grab and Go" section to our food court. This is in addition to the Hot Buffet lunches and dinners already planned for. The "Grab and Go" will have cold beverages (juices, sodas, energy drinks, etc.), hot beverages (coffee & tea), fresh fruit, candy, chips, Danish, yogurts, hot dogs, hamburgers, Turkey & Swiss Tortilla Wrap, nachos and other quick energy foods. And don't forget about Ice Cream. We will have both your favorite packaged product and scooped ice cream available in cups. (The flavor selections are still in the works: vanilla and chocolate are for sure) There will be a topping bar. All this and more will be available in our Food Court. Now added to this we will have a second location with a reduced selection of the "Grab and Go" foods. This will be in the Atrium, the main entrance to the Convention Center. It will operate from about noon on until the end of the dance programs at 10:00PM. The "Grab and Go" will have a meal deal:

Lunch Package Deal: @ \$10.00 per Person — Can Choose (1) Item from Each Category

(Choose 1) Turkey & Swiss Tortilla Wrap, Hamburger, Hotdog, Chicken Fingers, or Cheese Nachos

AND (Choose 1) Chips or Cookie

AND (Choose 1) Bottled Water or Soft Drinks

The Hot Buffet's sit down Lunch and Dinner will be served Thursday, Friday and Saturday for \$13.00.

The convention EMERGENCY NUMBER is (209) 482-6215. Messages from home will have a note placed on our convention message board. We will not be able to track the individual dancer down so please, check the message board often.

All convention busses will begin running at noon on Wednesday, June 25th from the RV Park and convention hotels to The Statehouse Convention Center.

Downtown Little Rock will be Rock-N-Little Rock on Tuesday night June 24th with two convention sponsored Trail End dances. Both dances begin at 7:30 and end at 10 PM.

Come start your Nationals with the "Best of the Bests" ... Mainstream Dance in the Marriott Hotel, Salon A. \$10/dancer | Callers: Lottie Ainsworth, Mike Seastrom, Mike Bramlett, and Buddy Weaver.

Come start your Nationals with the "Best of the Bests" ... Plus Dance in The Statehouse Convention Center, Governors Hall 3. \$10/dancer | Callers: Tony Oxendine, Jerry Story, Gary Shoemake, and Ken Bower.

Time Is Running Out.

After the next issue (FALL-Sept./Oct./Nov.), the current general editors will have completed 16 years of service and need to step down.

New editors are required starting with the Nov. 1 winter issue deadline. Whether it be an individual, a couple, or a group of people, new editors will need to be in place.

If you are interested in being on this editorial team, the best way to get more familiar with the job will be to participate with the e-proofreaders on the FALL ISSUE early in August.

Please contact Betty & Andy at the email address on page 3 by Aug. 1.
