Here's What's Happening...

We are going online !

You may want to save this issue because it is the last one we will be printing commercially, and distributing via second class mail at the Post Office.

The current general editors are unable to continue on, and have not been able to find new recruits to take over.

But this publication has been published for over 52 years, and should not be discontinued just because no one is available to do it. We still want to provide you with access to Rochester area dance news. We have expanded our editorial staff over the past few years with the intention of easing the burden on new general editors. But, since no one has stepped forward to edit the printed version, we need to try a different solution.

This summer, a panel of interested dancers began exploring the possibility of "going online" with the *Promenader*. A major advantage we have in our area is that there exists a Federation website already in place. Much of the information contained in the *Promenader* is already on this website. We began to look at how an online *Promenader* could be part of this website. The current editors, Betty and Andy Ludwick, are working with Web Moderators Sid Marshall and Peter Emmel, and the *Promenader* Panel to design and implement making this the home base for the *Promenader* publication.

One important aspect of this online publication will be its printability. We want to make it possible to print pages, or whole sections of the publication, from the website. It will of course not look exactly like these printed pages, which are all produced at once by a commercial printer. This is because each browser has its own way of rendering pages for printing. So how it looks will depend on what software/hardware is used. But we will try to make all necessary information printable in some form, whether via a dancing friend, a club reporter, or a Federation communications person. **Although the online *Promenader* is free, please remember that printing pages involves some expense.** So you will need to make arrangements and pay any printing and first-class mailing costs involved. The *Promenader* Panel members and Federation board are still working out the logistics of this change.

But we hope that for most readers, the format that will work best will be viewing it on the **FREE** website. We are attempting to make it as "user-friendly" as we can, and viewable on as many different platforms/devices as possible. Without the limitations of physical printed pages, we expect to be able to expand the amount of information we can include. Free online access, as well as free ads for Federation clubs, should increase and enhance the marketing efforts of both small and large clubs.

Then, starting in December 2014, those of our readers who have internet availability will be notified and encouraged to view the *Promenader* on the Federation website. **Our subscription process will consist of signing up to be notified.** See the following page for specifics.

Here's How It Will Work:

Club Reporters:

The due date for submission of club news, dance schedules, ads, and event listings for the winter issue will remain Nov. 1.

What we need from you:

- Patience and good will, as the task ahead is formidable.
- An email or in-person subscription from you if you wish us to notify you when new information is available.
- A message from you if you need help with paper copies of any part of future *Promenader* issues.

Here's where to contact us:

- Email: promenader@rochester.rr.com (Use **SUBSCRIBE** as the subject of your email.) There is no charge for an online subscription. Please let us know your name and club in this email.
- In Person: Come to the Federation meeting on Wednesday, Sept. 17 (or subsequent ones), held at the First Baptist Church of Rochester, 175 Allens Creek Road (corner of Clover Street), starting at 7:30 p.m. All are welcome! Or sign up at the Promenader Dance on Sept. 27.
- By Phone or Snail Mail: You may reach a member of our Promenader Transition Team, Peter Emmel, by phone at 585-732-1004. (If Peter doesn't answer, please wait for the beep and leave him a voice message with your name, phone number, and the best time to call you back. You can also write to him at 24 High Hill Dr, Pittsford, NY 14534, stating your wish to remain a *Promenader* subscriber even though you lack internet or printer access. Please also include your club affiliation, if any.)

Advertisers: Our full-page advertising rates for now will stay as they are (\$30) for non-RAF groups. All clubs affiliated with the Rochester Area Federation will be able to place PDF flyers in for NO CHARGE. Club news and dance schedules will also continue to go in FREE. The only charge will be for a listing in the SPECIAL EVENTS section, which will stay at a cost \$5 for all. Contract advertisers will be contacted individually.

When It Will Happen: We expect to test out a sample website during the fall months, and "go live" with our new online *Promenader* before Dec. 1. When it is ready, we will notify all subscribers who have signed up. Before the next issue comes out, we hope to have a communications person in place at the Federation, and plan to send out a flyer to clubs about this.

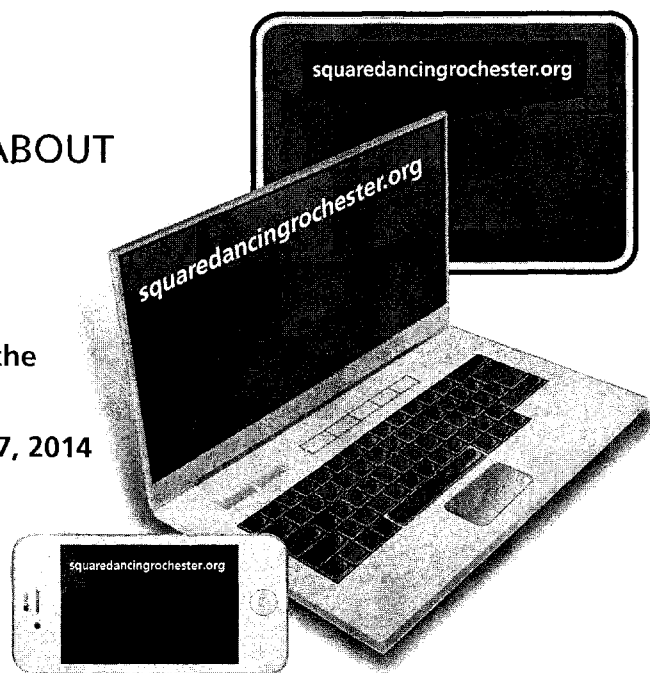

Please note:

IN ORDER TO BE NOTIFIED BY EMAIL ABOUT
THE NEXT PROMENADER...

BE SURE TO:

- RESUBSCRIBE before Nov. 15 by emailing us: promenader@rochester.rr.com. Put **SUBSCRIBE** in the subject box.
- OR sign up at the Promenader Dance on Sept. 27, 2014 (see page 24).
- OR at a Federation meeting (see page 6).

ROCHESTER AREA FEDERATION OF ROUND & SQUARE DANCE CLUBS

Presidents' Corner...

Hello Dancing Friends,

I hope everyone has had a chance to relax as well as time to enjoy some of the wonderful summer dance opportunities that were available. It is now time for our new full dance season to begin! Please be sure to check out all of the dance opportunities that are available, both at your club, and other clubs. You can also find full dance schedules on the Federation web site at squaredancingrochester.org, in at least three different formats.

If you have not checked out the Federation web site before, I encourage you to do so. You will be amazed at all of the information posted there! You can locate dances anywhere within the Rochester area, you can get listings of club locations, or if the club has their own web site, you can link to it from the Federation site. You can see what is scheduled for special dances (as far out as they go) and it is the way clubs can schedule future dances without conflicts with other dances already scheduled. You can find information on your favorite callers/cuers, you can even see some photo highlights from past dances. This web site has been a work in progress, and is continuing to grow and expand. We are fortunate to have Sidney Marshall and Peter Emmel as the co-moderators for our web site. It is becoming an exceptional way to keep up to date on everything happening in the area regarding square dancing.

As many people have been aware, we have been actively searching for someone to take over the general editor's position for the *Promenader* for some time now. To date, we have not found anyone that felt they could handle the task once Betty and Andy step down after this issue. That being said, there have been a number of people working behind the scenes (including Betty and Andy) and we are almost ready to present a new style of *Promenader* that may make the task easier to handle, thereby helping to find someone willing to assume the position of General Editor. This new style will include a reduction of the most demanding parts of the task. What is this new style, you ask? I will lead into that by letting you know that this fall issue of the *Promenader* will be the last commercially printed version of the *Promenader*. (DON'T PANIC !!!) The *Promenader* will continue, but in a printable, electronic version. I feel the tension rising don't worry. Many people are working to make this transition as easy as possible. I am now going to borrow some of Betty's words to help explain the basics, and remember, we are still working on many details, and will continue to make adjustments as we go. The following is a portion of Betty's explanation to the proof readers: "We will try to make this transition as smooth as possible, but there

will inevitably be bumps along the way. We are hoping for everyone's cooperation in the process and will try to keep you as informed as possible. Please know that you are very much included in our vision of what it will look like, We will try to make the on-line *Promenader* as much like the printed one as possible. This means we will still need reporting from club reporters, and the work of our editorial staff and proofreaders. One of the main aims of this change is to lighten the load for the next editors. And thus to accomplish getting the next editors."

As I mentioned, there are still many details being worked on, but some things we see as benefits will include; access to the *Promenader* content from multiple devices. You should even be able to check information from your tablet or phone (you should be able to already do this for the web site). The *Promenader* will now be available to everyone, not only those who subscribe to a printed version. You can print out the whole magazine, or only the pages you want, from your home computer, or even at a library. We do understand that this will be a BIG change for everyone, but our choices were to move to this updated electronic version (as so many other publications have done) or we would have no *Promenader* at all. I know we can make it through these transitions together! We will work to make information available as details progress. Please check into the RAF web site (squaredancingrochester.org) for information postings as available.

In closing, I have the huge responsibility of trying to find the right words to thank Betty and Andy Ludwick for their 16 years of dedication to the *Promenader*. Words alone could never express the gratitude for the hours, weeks and months, they have poured into each edition of the magazine. From their vision, and hard work, we have all benefited by having details on all dance related information and postings on many topics. When the *Promenader* has been shown at National Conventions or other large groups, Betty and Andy's work has always been noticed, and we have been told we have one of the best publications throughout the country. We are very fortunate to have Betty and Andy working to help structure our electronic *Promenader*. We know their attention to detail and high standards for quality presentation. Betty and Andy deserve the gratitude of each person that has been informed by, or found pleasure in the *Promenader*. Please make a point to thank Betty and Andy for their 16 years of dedication to our entire square dancing community when you see them! We hope you enjoy each and every day ahead of you. THANK YOU !!

I hope to see you on the dance floor soon!

Summer Fun

Ok, it has been a really fun summer: Lots of great dancing, like the June Jamboree; trips; cruises; even a Tractor Dance...again (thank you, Ron)! But lets not forget the fun picnics. I caught Top Powers doing the "Dogs," and Roger VanPatten with the spatula...and Tom Mallory just savoring the moment. Inside were cards, whatever...mostly just people being with people whom we have come to love...and you can't find a better example of that than Liz, Barb and Irma.

So now, lets get serious: classes are starting and I know that the Cloverleaves and the Copy Cats have some very ambitious plans...so if your club is not having a class, check out their flyer and grab a car-full of unsuspecting friends and GET THEM STARTED ON THE TIME OF THEIR LIVES!

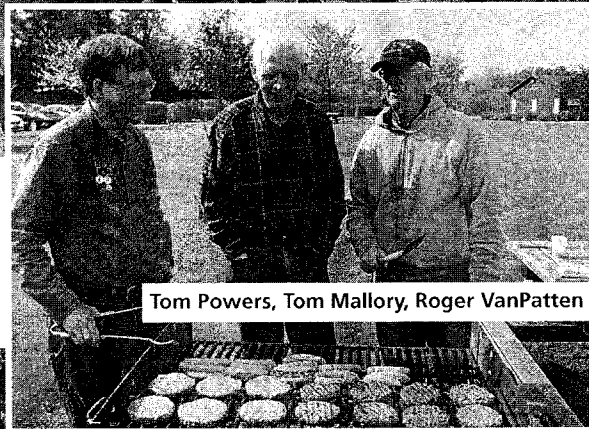

Be sure to caution them though: Do Not Do This unless you seriously want to live 10 to 15 years longer; be healthier than you ever thought you could be, and are ready to add a new and fun dimension to your lives...and something you can do together with your spouse or special friend. AND, if you don't have either of those, square dancing is FDA-approved as the absolute best place to find one!

We can't wait to square up with you.

Roving Reporters ... ALS Benefit Dance

Dave Eno and the Fulton Shirts 'N Skirts, as always, donated all of the proceeds from their 5th Annual ALS Benefit Dance to the ALS Research Fund. Kathy Lahey, the area representative, thanked Dave and the club for the over \$2,000 donation.

This year's dance was held at the air-conditioned Polish Home in Fulton, N.Y., on Saturday the 7th of June, from 2-10 p.m. I am happy to report that, even though the Shirts 'N Skirts are our easternmost club, and over 100 miles for some of us, we were well represented and helped make the event another fun and financial success.

For most of us, ALS is not even on our radar; few people know about the disease; it is typically referred to as "Lou Gehrig's Disease" to make it recognizable. Dave Eno, his father Phil, and the Fulton Shirts 'N Skirts are working closely with Kathy, doing all they can, not just to generate research funds; however, also to create awareness, and to somehow give meaning to, and as a tribute to his mother and our never to be forgotten friend,

On behalf of the Shirts 'N Skirts and the Enos,

our thanks to the Rochester Area Federation. Don't miss the 6th Annual ALS Dance next year. We need YOU!

So When Is the Last Time You Danced to Tim Marriner and...

Tim Marriner

For those of you working on your Century Club, Red Bates big Tumbling Leaves Festival at Bennington College is rapidly approaching Oct. 17-19, and Red assured us over the 4th, at his annual Rocky's Weekend, that our reservation at the Best Western is all set — and we have the Party Room! I always recommend the meal package at the College also. Can't beat the deal...and like everything else with square dancing, it's the people: friends, and making new ones!

One thing to note for you newer dancers, there are halls for every level, Mainstream right on up. A great opportunity to hone your skills; learn new ones; and make life-long friendships. Don't miss the boat on this one...and on the way, view some of the prettiest fall scenery on the planet.

If you check out the flyer, there are six great "Big Time" callers and two great cuers. We danced with the MacKays, who were cueing the 2+2s at the 4th of July Weekend with Red, and guarantee you will love her...and if you are a "solo"

lady, her husband Robert hates to just watch!

Of course, you don't have to wait until October to dance with Red, "Mr. Smooth"; he will be at Watkins Glen in September for the Penn Yan Friendship Squares biggie...and I point out that "Walk-ins" are welcome. Check out the deal on their flyer.

Tell your friends about all the fun you are having, and don't forget to add:

In Memoriam – John Statts, 2 Oct, 1919 – 13 July, 2014

Another of Americas, “Greatest Generation” passes...and if you knew John as I did, you would hardly expect this diminutive man to have been the war hero that he was...but when he told me that he had been assigned to the 47th Bomb Group flying A-20s, then classified as a Medium Bomber, you would have immediately known that you were talking to a very lucky man, and your respect for him would take a Quantum Leap! To be here, alive, and talking to me in the mid 1990s, at Mike Callahan’s Shamrock Squares, was certainly defying the odds.

Until I talked to his wife of 31 years, Christine, to get material for this article, I had not known that both of their previous spouses had died, and they had met dancing with Bob Ellis’ Diamond Squares, and were married in a “Square Dance Wedding” a few years later, in 1983. Curiously, they and the Diamond Squares then danced at the same church on Culver Road where we danced for years with Mike Callahan’s Shamrock Squares...and also, earlier, with the Circulators.

When WW2 started in Europe in 1939, John was twenty years old and positioned to experience the whole thing: Through the African Campaign, Italy, and Germany. In those days there were no defined deployments — your orders read: for the duration and six months!

Do not misunderstand: I do not downplay the heroes of all of our wars, and that includes everyone, whether draftee or volunteer; whether male or female. When you have answered your nation’s call, you know what I mean...and you also know what I mean when I

say: John deserves your snappiest salute.

Christine lives at 104 Church Hill Road in Henrietta, and can be reached at 585-334-5095. We hope to find an occasion soon to call and take her out to lunch; send a card...some expression of our love and best wishes.

Cayuga Cut Ups

We were saddened at the passing of our class member, Wanetta Atkinson. She and her companion, Paul, started class in the fall of 2012. They carried our banner at DOR 2013. She became ill with cancer. They returned to classes in the fall of 2013. The cancer returned and she passed away in May, 2014. She loved square dancing and we loved her. Our thoughts and prayers to Paul and Wanetta's families.

John Spencer passed away July 12, 2014. He and his wife of 63 years were former long-time members of the Cayuga Cut-Ups. They also danced in Geneva. Our thoughts and prayers to Helen and her family.

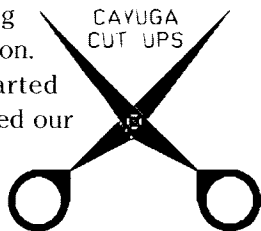

Our open houses will be September 11, 18, and 25. These will be free to all who wish to learn square dancing.

Remember the Promenader Benefit Dance on September 27.

Wishing all of you a fun and safe Halloween and a blessed Thanksgiving.

Cloverleaf Squares

Beginning on September 7, we will return to our regular location at First Baptist Church in Chili. See schedule of dances in the back of the *Promenader* for times and callers/cuers.

We've had several social events this summer, including golf outings, and our summer picnic on July 26 at Jane Avery's house. Despite the threat of rain, only a few sprinkles fell upon the group. It was food, fun and games with the evening conclusion with a huge bonfire that was enjoyed by all.

Efforts continue with the "Adopt-A-Trail" with the club members meeting to help keep our section clean and tidy.

We are gearing up for our annual Open House "Dance Party" which will be held on September 14 and 21. Bonnie Allen and the Open House Committee have planned a variety of activities to promote modern pattern dancing. Everyone is welcome!! Also this year, in conjunction with Copy Cats, we will be offering a Groupon for reduced class prices. Buy them for your friends, family members and co-workers. Groupons are available now for a limited time and are good for eight consecutive weeks of classes. Classes begin September 28.

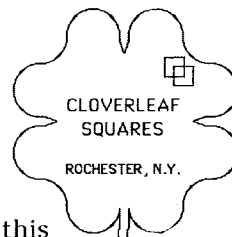

Mark your calendars for Saturday October 11, when Cloverleaf Squares will be hosting a special dance with caller Ed Laudenschlager calling and Lisa Treichler cueing. See the flyer in this issue of the *Promenader* for more details.

A successful club is run by a board of directors. This year many board positions will be open for you to get involved. See any current board member for the positions that will be open, or join one of our board meetings the first Monday of the month at 6:30 p.m. at the Bill Gray's in Henrietta. You can also send an email to cloverleaf-squares@gmail.com, indicating which board position you would be interested in filling.

Copy Cats

Oh the sweet summer is almost over, but it's exciting to start up a new year of dancing at Copy Cats. Better yet is to see those of you whom we have not seen all summer.

September 13 is the Rusty Hinge Dance. Bring a dish to pass for dinner at 5:30 p.m. After eating and visiting with old and new friends, we will dance at 7:30 p.m. to calling and cueing by Mike Callahan. Time to get the rust out!

We are gearing up for our open house on Tuesday, Sept. 23, from 7:00 to 9:00 p.m. A few weeks ago Copy Cat members received in the mail a packet of flyers and letters for prospective new dancers. If you haven't done so yet, hand out that information to anyone you think would enjoy square dancing. What about a co-worker, family, friends, neighbors or groups you socialize with?

This year Copy Cats is offering Plus Lessons on Tuesdays (Bay Trail Middle School in Penfield) from 6:15 to 7:00 p.m. for a nominal cost. From 7:00 to 9:00 p.m., we will have mainstream lessons. During one of the breaks during the mainstream class, Ron Brown will do a plus tip reviewing the calls that were taught in the plus class. We are hoping this will reinforce the plus calls to all existing dancers.

Copy Cats is presenting Tim Marriner, national caller, along with Alice Bubel, at St. John Fisher College on November 1. We will be dancing at the Kearney Administration Building. At 1:00 p.m., there will be A2 dancing, 3:00 p.m. round dancing, and at 7:30 p.m. squares and rounds 2x2. Check our ad. We hope you can join us. We already have one busload of people coming from PA!

Country Twirlers

After a 55-year ride, the Country Twirlers have reached the end of the trail.

We hope to see many of our friends at our a "Trail End Dance" on Saturday October 25 at Washington Irving School. This is also a FREE dance in honor of our 55th Anniversary.

Gary & Alice Bubel will be back with us and we are hoping to pack the floor for what might be one of the last dances at this location.

History of Country Twirlers - Part 2

With Jack Barnes' retirement, it was decided to scout out the local callers, and so in September 1991 Gary Bubel took on the calling, with Alice cueing the rounds.

In May 2005, after 14 years, Gary informed us that he would be retiring and spending winters in Florida. It was then that we decided to have an assortment of local and national callers and to join with other clubs in special dances. Over the years we have danced to most of the local and many national callers including Tim Crawford from Ontario, Canada, who was a guest caller every year from 1984 until 2008, and always drew a great number of dancers.

And so we have gone full cycle from a few couples dancing in a home basement to 80 club couples and guests in 25 squares dancing to a national caller at Washington Irving to 14 people (9 dancers) hoping to scrape together a few squares.

Our thanks to our dedicated officers who have been supporting us for the past 19 years: Bernie & Denise Heroux (17 yrs.), Bill (deceased 10/13) & Ann Uebelacker (19 yrs.), Ed & Sybil Briggs (12 yrs.), Bill & Edith (deceased 5/13) Thomas (19 yrs.).

Thanks also to the Fieges, Yehls and Don Schlicker & Shirley Knapp for your many years of support.

A special thank to our guests, the hundreds of dancers who have been our lifeblood for these many years. It has been a great ride!

"Happy Trails to You" until we meet again!

Dalton Gang

I hope everyone is having a wonderful summer. Our end of season picnic was a feast as usual.

Our fall dance schedule starts on September 9, at Dalton Elementary School, from 7:00 to 9:30 p.m.

We have two regular dances before our Open House on September 23. (Open House is free to all guests.)

In September if there is enough interest, we plan to offer Round Dance lessons one half hour before our regular dance time of 7:00 p.m. This will be the first time Dalton has attempted to offer Round Dance lessons, so wish us well! On November 18, we will be having our Veteran's Theme Dance. And on November 11, we will not be dancing as the school will be closed for Veteran's Day.

We know Dalton is a long distance for most people, but look at it this way: in the fall it is a beautiful part of the country! So take a drive on Tuesday, and stop by to dance with us at 7 p.m. We will welcome you with our usual Dalton Gang enthusiasm.

See you in a square soon.

Seneca Silhouettes

Seneca Silhouettes is a comfortable round dance club. We often take time to work out tricky parts. If you are in the neighborhood, we would love to have you join us Mondays from 3:00-5:00. If you would like a proposed program, email me at connie.rhogo2@gmail.com before Saturday. We dance at the Trinity Church, 520 S Main St., in Geneva. Main Street is Rt. 14 — easy to get to. From the thruway or the south, just stay on Rt. 14. From 5 & 20, look for the Rt. 14 sign. After you circle to Rt. 14, (Main St.), turn left and you are almost there — the first church on your left. Park behind the church and use the door on the left. We are at the top of the stairs. You will find us dancing on a beautiful wood floor. The program can be easily altered if there is something different that you would like to work on.

We, most likely, will be dancing Labor Day. We rarely cancel, but it is always a good idea to call to check.

Shirts 'N Skirts

We'd like to thank everyone for their support of our 5th Annual Elaine Eno Memorial Dance in June. We enjoyed all the company and raised some serious money for ALS research.

In June we also held our annual elections. Paula and Ray Schumacher and Patti and Griff Griffen are returning as president and vice presidents, respectively. New Treasurers Debbie and Bruce Allen and Secretaries John and Judy Rusho begin their terms this summer, as do Senior Members at Large Bill and Eileen Brock and Junior Members at Large, John and Donna Rapacke.

Summer is a busy time for us all, but we're especially thankful for our air-conditioned hall that allows us to comfortably dance through the summer. It's a good chance to dance with more of our snow birds, too.

We're also looking forward to our new class starting in September—both September 12 and 19 are our introductory dances. If you know anyone in our area who is interested, have them get in touch with us: we'd love to get acquainted!!

Fall approaches, but it's not too late to brush up on those plus calls. So please join us on Monday afternoons, 1-3 p.m. at the Greece Methodist Church, 1924 Maiden Lane, to review/learn the plus calls from one of the best instructors anywhere, Mike Callahan. We welcome couples and solo dancers with equal enthusiasm. Of course, because of Labor Day, we will not be dancing on September 1.

Our theme dances for this quarter are the Fall Fling dance on September 15, the Western dance on September 29, the Halloween dance on October 27, and the November 24 Thanksgiving dance. Casual attire is always appropriate, but if you'd really like to get into the swing of these dances, plan to wear your fancy square dance fashions for the Fall Fling, your western duds on September 29, and your best Halloween costume on October 27.

And, I'd have to say that I saved the best for last. Our last special dance this quarter is the November 10 Soup

Silver Squares

and Salad dance. This dance begins at noon with a luncheon of homemade soups, salads, and dessert at a nominal charge of \$3 for lunch and \$5 for the dance. Please join us, but so we may be sure to have plenty of food, a call to Jean St. John by November 3 would be appreciated. Hope to see you there.

Southern Tier Wheelers

Well, the summer may be winding down but our dancing is still going strong. If you haven't been able to come and dance with our club, there is still time left.

September 12-14 includes a Plus Review day on Saturday (the 13th). For only \$20 a couple you can spend all day Saturday getting your plus-level skills back up to par.

There will be round and square "funshops" in the morning with an additional square dance "funshop" in the afternoon. Mike Herne will be busy putting us through our paces with Brian Adams in charge of the round dancing. Then, before we start the evening dance, you can join us for a chicken BBQ or steak dinner purchased through the campground (reservations required). For additional information or to make dinner reservations contact Herb/Gerry Brown at 607-857-2973.

October is our Halloween Gala with Betsy and Roy Gotta leading us through our paces. Held over the Columbus Day weekend, Saturday evening is a costume party/dance with prizes awarded in several categories. Sunday evening will be a regular club dance. As much fun as this weekend is, it also signals the end of our camping season.

But don't despair. You could still join us for our Christmas dinner/dance which will be held on December 7. Dancing begins at 3:00 with dinner served at 5:30. Gary and Alice Bubel will be our caller/cuer for the afternoon followed by a wonderful, home-cooked meal lovingly prepared by Dottie Griffith.

If you would like to join us for either of the camping weekends but don't have a camper, trailers and cabins are available through the campground. You can now enjoy the fellowship of a camping club without the need for an RV. Village Squares

We've moved! The club is embarking on its 40th dance season at the United Church of Pittsford at 123 South Main Street, just a short distance south of Jefferson Road (Rt. 96). To enter the church parking lot, turn onto Sunset Blvd., then turn right into the church driveway. See our full-page Hall Warming Party ad.

We are dancing every Wednesday, except the Wednesday before Thanksgiving. Jerry Carmen is still our caller and cuer. And the programs? Read carefully, since there are some new twists.

Our first two dances, Sept. 3 and 10, start at 7:30 p.m. Our Hall Warming Party on Sept. 10 is FREE to both members and guests.

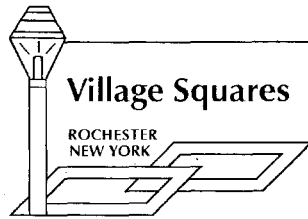

Our Plus Class/Review workshop will start Wednesday September 17. Jerry Carmen will be teaching/calling/cueing. Class is from 7:00 to 8:00 p.m. Then from 8:00 to 9:00 p.m. Plus calling is at a level that allows the class to participate. From 9:00 to 10:00 p.m. dancing is at a full Plus level. Breaks include rounds. Note the Plus Workshop ad in this issue. One admission covers an entire evening of dancing. First time in attendance workshop dancers will be admitted FREE. ALL fall dances after Sept. 10 follow this schedule.

October 15 is our always popular Barn Dance. Dress country — e.g., cow or hayseed.

November 19 is our Sadie Hawkins Dance. Al Capp's toon Sadie stands for the proposition that every lady, no matter how (fill in the blank yourself) should have a decent chance at least once a year to catch a man. But how? Bait! Every woman is requested to bring a dozen cookies.

One last thing to mention is our traditional New Year's Eve dance. This year we will be celebrating Village Squares' Ruby (40th) Anniversary on New Year's Eve. For details, pick up a flyer later this fall at your club or consult the December issue of the *Promenader*.

Waterwheel Squares

We'll see you in September. Yes, we'll see you when the summer is all through! The heat, humidity and summer storms give way to signs of autumn here at Waterwheel Squares on Monday nights. We dance at Amherst Community Church, 77 Washington Hwy., Snyder, N.Y. 14226. Our Open House evenings will be on the 22nd and the 29th this year. They begin promptly at 7 p.m. and end at 8:30 p.m. These two nights are free to anyone who would like to learn to square dance. If you decide to join, the admission is \$4.00 for beginners after that time. Please join us for a hopefully large beginner group.

October brings our Columbus Day Dance on the 13th and our annual Halloween Dance is scheduled for October 27. Last year we had witches, a mime, a black cat, two biker dudes, and a scarecrow dancing with us. It's so much fun to share cider and doughnuts and admire the clever costumes of our dancers! November has three regular Monday night dances and then we share a wonderful meal for Thanksgiving on November 24. We are so thankful for our caller Mike Callahan and our cuer, Elaine Nicholls, and of course each other, as we dine and dance and celebrate this very special holiday.

TRAVEL AND SQUARE DANCING WITH GRAND SQUARE INTERNATIONAL, INC.

64th NATIONAL SQUARE DANCE CONVENTION®

Springfield, Massachusetts
JUNE 24, 25, 26 & 27, 2015

Unless you live in Springfield, or possibly New England, you probably know little about the city. I know we did not at first either. One of the most impressive things we learned, of which Springfield is very proud is that it is a city of many FIRSTS. The newest first will be hosting the National Square Dance Convention in 2015. The first time it has been held in New England. One of the firsts seems to be the Invention of Basketball in 1891. Springfield is home to the Basketball Hall of Fame, not far from the MassMutual Center. Springfield was the first Springfield in the US and the home of the first Sheraton Hotel in the US in 1937.

Springfield has published a list of over fifty firsts, but I also have a list that contains a lot more FIRSTS. Who knew that Dr. Seuss' "Cat in the Hat" was written in Springfield? That Dr. Seuss (Theodore Geisel) lived in Springfield and many things in his books relate to Springfield. Springfield has a sculpture garden with some of his characters, well worth visiting not far from the MassMutual Center.

The first American made automobile: a Steam Carriage by Thomas Blanchard in 1825, a gas powered motorcycle: the Indian, the largest gun maker: Smith and Wesson, the rubber stamp, and even the dreaded windowed envelope.

The first US Armory was founded in Springfield in 1777, the first Revolver Club in 1886, the Springfield rifle in 1903, and metallic cartridges by Smith & Wesson in 1854.

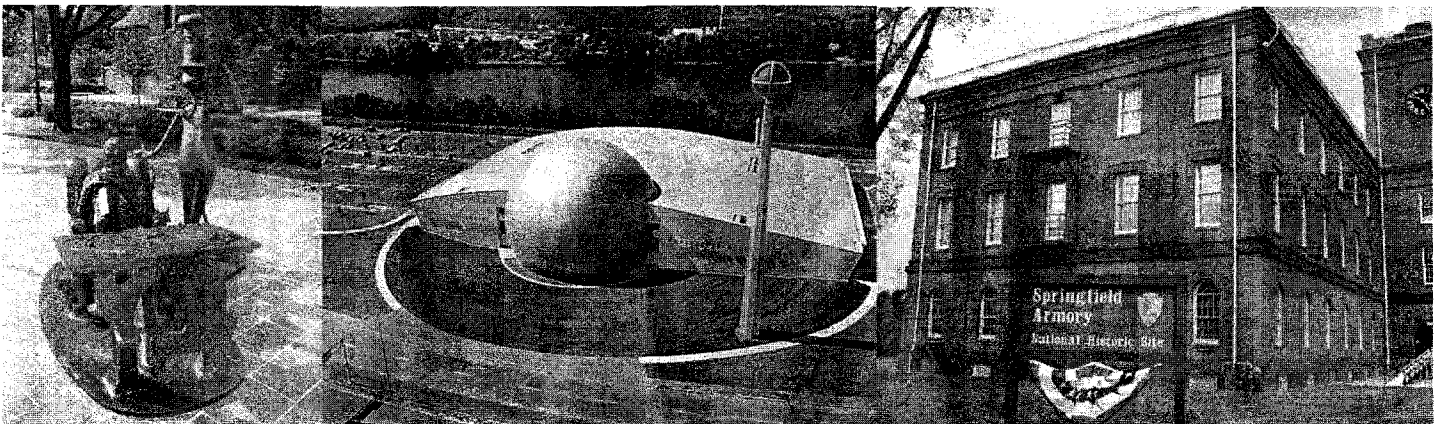

On the lighter side Springfield is home to the board game, the Publication of Emily Dickinson's Poems, Fastened Ice Skates and famed storyteller of Peter Cottontail, Thornton W. Burgess'.

There are many more, but this short list is to whet your appetite as to what Springfield is all about. You can visit a number of attractions and tourist hot spots while exploring.

Springfield is also home to MassMutual Insurance, one of the top ten insurance agencies in the US, providing the namesake of the MassMutual Center, home of the 64th National Square Dance Convention® on June 24th-27th, 2015. Come dance with us and enjoy the endless things to see and do in Springfield, Massachusetts in 2015. We will discuss the many tours offered in a later release, or go to our website:

www.64nsdc.com

more on next page

Six Day Tour, Camping, Airport and Twitter

The 64th National Square Dance Convention is offering many tours for the convention. The most spectacular tour is the five-night/six-day New England Adventure Tour Sunday, June 28 to July 3, 2015. One neat recently added event to this tour is Paul Cote. Paul, who began his calling career in New England, is planning to be on the coach and will call a tip in each state. Those of you working on your USDA Travelers' badge can pick up six states in one week. Those of you who do not know about the Travelers' badge should download the form from USDA.org. Six states are halfway to your first bar!

Day One: Sunday. 6/28

The tour starts with an Essex Steam Train and riverboat ride along the Connecticut River with a box lunch. The evening will be spent at the Newport Playhouse with a Buffet dinner, show and Cabaret in Newport, RI. An audio/self-guided tour of the Breakers Mansion is included. Overnight accommodations are at the Best Western Main Stay in Newport.

Day Two: Monday. 6/29

Starts with a Continental Breakfast at the Hotel, then depart for Plymouth Plantation, Plymouth, MA. A two hour self-guided visit at the living museum shows the original settlement of the Plymouth Colony established in the 17th century by English colonists, some of whom later became known as Pilgrims. Visit Plymouth Rock and the Mayflower with free time for lunch. Dinner will be at Phillips Old Colony House followed with an evening performance of Blue Man Group at the Charles Theater in Boston. Overnight is at the Comfort Inn Morrissey Boulevard in Boston.

Day Three: Tuesday. 6/30

A Continental Breakfast starts your day at the hotel followed by admission and free time in the archives of our 35th United States President at the JFK Presidential Library and Museum. A four hour guided tour of Boston is the afternoon attraction. Dinner will be at Warren's in Kittery, ME. Warren's is a "destination restaurant" known far and wide. The extensive menu includes the "Seacoast's Finest Salad Bar" featuring over 60 fresh and tantalizing items. Overnight is in Portland, Maine.

Day Four: Wednesday. 7/1

Breakfast is at the hotel, followed by a two-hour Guided tour of Portland, Maine which includes a tour of Portland historic areas including) the Old Port waterfront, Easter Prom with sea captain homes overlooking Casco Bay, a drive through historic neighborhoods, past Longfellow's boyhood home and the elegant Victoria Mansion. Enjoy a full course luncheon at Newick's in Portland. We will visit the North Conway shopping outlets; New Hampshire's Tax

free shopping plaza with over 60 factory outlet stores. Overnight, dinner and entertainment will be at Indian Head Resort, Lincoln, NH, a family friendly resort located in the heart of the White Mountains.

Day Five: Thursday. 7/2

The day begins with breakfast at Indian Head Resort followed by a ride on the Cannon Mountain Tram, Cannon Mountain, New Hampshire. An 80 passenger cable car brings visitors to the 4080 foot summit of Cannon Mountain in less than ten minutes. On a clear day you can see the mountains of four states and Canada! At the summit you'll

find spectacular scenic walking paths, a 360 degree observation deck, a cafeteria, bar and restrooms. Next up is Morse Farm Maple Sugar Works in Montpelier, VT featuring Maple Syrup, Vermont Gifts and cheese. Every square dancer enjoys ice cream

so what better place than Ben & Jerry's Ice Cream Factory Tour in Waterbury, VT. Included is a tour of the factory at one of the happiest places in Vermont! Next up is the Cold Hollow Cider Mill in Waterbury, VT. The cider mill is located in the heart of the Green Mountains of Vermont; The Cold Hollow Cider Mill is a leading producer of apple cider and distributor of specialty Vermont food products. Lunch is on your own. The day ends with a Murder Mystery Dinner Cruise on Lake Champlain in Burlington, Vermont. Overnight will be at a hotel in Burlington TBD.

Day Six Friday. 7/3

The day starts with breakfast followed by a visit to Shelburne Farms, a nonprofit education center for sustainability. It is a 1400 acre working farm and National Historic Landmark on the shores of Lake Champlain in Shelburne, VT. Boxed lunch will be provided. The day continues with a visit and tour of the Vermont Teddy Bear Factory where the best teddy bears in the universe are born. Hildene, tour the Lincoln family home located in Manchester in the US State of Vermont. It was the summer home of Robert Lincoln and his wife Mary Harlan Lincoln. On the return trip to Springfield we will have a picture stop at Bennington Monument. The monument is a 306 ft stone obelisk located in Bennington, Vermont that commemorates the Battle of Bennington during the Revolutionary War. Our last stop is the Norman Rockwell Museum, the home to the world's largest collection of original Rockwell art, such as the iconic Norman Rockwell painting "The Problem We All Live With" from 1963. You will recognize Rockwell art from the covers of "The Saturday Evening Post" and scouting's "Boy's Life" magazines. The bus returns to Springfield around 7 PM.

Other city and local tours and tours of overnight and multi-day are detailed at: 64nsdc.com.
