VOL. 1 ISSUE 7

ROCHESTER, N. Y.

APRIL 1963

AT LONG LAST, DANCE-O-RAMA MOVES IN

Cutler-Union will again be the focal point of western New York square dancers on Saturday, April 6th.

Hundreds of couples, colorfully attired for the occasion, will fill the two spacious halls of this historic building to take part in Rochester's festival of square dance fun "Dance-O-Rama".

These couples, whose occupations are as varied as the colorful clothing they wear, will bring one thing in common - an enthusiasm for all that square dancing represents. To them square dancing is unadulterated fun with a group where ages, occupations, creeds and politics are blended into what might be called the purest form of democracy.

A project as large as this fifth annual Dance-O-Rama obviously required detailed planning many months in advance of the big day. Numerous meetings were held at the home of Earl and Bonnie Stafford, who, as general chairman, had the responsibility of directing the various committee heads.

As a result of these meetings many small problems were resolved and the hundreds of details that must be taken care of ahead of time were accomplished.

Those couples who worked on Dance-O-Rama did their jobs willingly and well - not because they sought recognition for their efforts but simply because they like square dancing and square dancers.

Working with each committee head were volunteers from each of the Federation member clubs. It was hoped that some of these couples who offered help could be mentioned here, but, as of this time, the complete list of workers is not available.

In addition to Earl and Bonnie Stafford, general chairman and Al and Jane Manning, co-chairman, the heads of the committees are:

Don and Norma Weekes, treasurer.
Doc and Eleanor Chandler, soft drinks.
Al and Ruth Niblack, house.
Ambrose and Dorothy Baker, decoration.
Ray and Dottie Handell, catering.
Chuck and Doris Rademaker, ticket.
Jim and Mary Ann Higgins, printing.
Ed and Marge Fox, callers.
John and Kay Welch, social hour.

Frank and Stella Beahan, Publicity

A LETTER OF THANKS

To PROMENADER:

We would like to express the appreciation of the patients at the Canandaigua Veterans Administration Hospital for the beautiful and entertaining program put on by a group of Rochester Square Dancers on February 17th.

It is wonderful thing to think that these twenty volunteers have been willing to share the pleasure they get from dancing with our hospitalized veterans.

Please extend my personal thanks.

CLUBS IN REVIEW.....

FIDDLE A ROUNDS

Round dancing in the Rochester area started in the Fall of 1957, at Pardee School. The instructors were Charlie Tucker and his lovely wife, Perky. The founders of the round dance movement in this area were Jean and Harris Hammond, Perky and Charlie Tucker, Millie and Tip Costich.

The history of the movement is more readily recalled when we started in the Lincoln School, January, 1958. Our first dance of note was "Gadabout".

A group of about 29 couples attended the first class. We had instructions twice a month until June '58, when we concluded our activities with a party at the Odd Fellows Hall on Gregory St. and recessed until Fall.

We resumed dancing in the Fall on a very informal basis for about one year. No officers, no name, just a lot of dancing and fun. Since September, 1958, we have been dancing twice a month the year round.

We were invited to a party in the Smiths' basement in August, 1959. After considerable partying and unrestrained discussion (from the floor and atop chairs) the name "Fiddle A Round" was suggested by Ruth Dietz and adopted as the club name.

Early in 1960, we elected our first officers: Mr. & Mrs. President, Ed and Helen Principe; Mr. & Mrs. Secretary-Treasurer, Bob and Dot Brunshidle; and about the same time we joined the Federation.

The design of the club pin is the result of the efforts of Jean Hammond, Millie Costich and Isabelle Tucker. The badges first decorated our attire in April, 1960. The Smiths, Dick & Carrie, have been most helpful in procuring the Barn for our use.

The Tuckers start a new beginner class every Fall at the Barn. These classes are held on Sunday afternoon. We are indeed indebted to the Tuckers for their excellent instruction and their unflinching effort in the round dance movement. We all join in saying, "Thank you, Charlie & Perky, for a job well done."

QUICKIE WORKSHOP

Your editors admit that they are perplexed and confused at times (at times?) when a new square dance figure is called. We thought it would help us and perhaps you, dear dancer, if we had a caller to put it down in black and white. George Kerridge, RCA, graciously accepted the chore and PROMENADER will present his concise explanations from time to time under the heading, "Quickie Workshop".

* * * * *

ROLL THRU

Position: Same as for Right and Left Thru.

Turn opposite person with Right Forearm a full turn around - step forward and Courtesy Turn partner to face same couple in the opposite position.

SPIN THE WHEEL

Position: Lines of Four Facing

Center Couple do a Right and Left Thru.

Ends Pass Thru and Star Thru behind a couple to end in Double Pass Thru Position

SPIN THE WHEEL

WITH A FULL TURN AROUND

Position: Lines of Four Facing.

Center Couple do a Right and Left Thru with a full turn around to the outside two.

Ends Pass Thru and Star Thru to face a couple in Eight Chain Thru Position.

Good dancing. Take five and rest awhile.

DID YOU KNOW THAT Bill Bartsch is calling and instructing for a square dance group at the J Y every other Sunday at 8 p.m.?

On March 7th, Myron Huss, RCA, and a square consisting of Bill & Mary Lee Grimm, Verne & Margaret Merle, Bud & Clare Young and Ed & Sharlyn Taylor entertained and instructed members of the Rochester Ski Club?

Old Webster says that a POLTERGEIST is a noisy ghost; a spirit assumed as the explanation of rappings and other unexplained noises? Thank Goodness! The PROMENADER honestly thought it was an old time basic coming back to haunt us. Those spirited Pristers, Gerry and Chuck, are always one jump ahead.

NOT SO QUICKIE WORKSHOP

SWING THRU

Position: Ocean Wave

Center people drop inside hands and Right Hand Swing $\frac{1}{2}$ around to the end of the line and wait.

End people Right Hand Swing $\frac{1}{2}$ around in to the center and Left Hand Swing $\frac{1}{2}$ around out to hold Right Hands with person waiting at end of the line and all balance forward and back in new Ocean Wave.

After first Swing Thru is completed new center people and new end people repeat as above.

Each Swing Thru, for the active end people, should be one continuous movement from the first hand turn to the new Ocean Wave.

Note: Swing Thru from regular Allemande Thar position is the same movement as above except the hand turns are reversed.

Men, in center in a back-up Right Hand Star drop inside hands and do a Left Hand Swing $\frac{1}{2}$ around out and wait.

Ladies on outside do a Left Hand Swing $\frac{1}{2}$ around in to a Right Hand Star and turn it forward $\frac{1}{2}$ around to join Left Hands with opposite man and all balance forward and back.

Girls are now in center and men on outside-repeat as above-men will end up in a Right Hand Star in center holding Left Hands with original partner on outside and all balance forward and back.

It's easy when you know how.

DEADLINE DATE FOR NEWS... Club reporters are notified that deadline for news, May issue, will be April 15. We thank you in advance for being prompt.

SPRING FESTIVAL at Akron, Ohio on May 25th. Staff: Lee Helsel, Lloyd Litman, Dub Perry, Ralph Pavlik, Frank & Carolyn Hamilton. Register before May 11 - write to Joe and Mary Ann Riedl, 1004 Northview Ave., Barberton, Ohio for more info.

COURTESY CORNER: If someone makes a mistake dancing, don't tell them. They know! Unless they ask you "what happened" don't hold post mortems. Every one goofs some-time or other.

CLUB NEWS

FIDDLE A ROUNDS

This comes a little late, but we wish to say "Thanks" to the "Teen Twirlers" for sending us an invitation to the "Teen-O-Rama". We enjoyed every minute of it. Rochester couldn't have better boosters for Western round and square dancing than these eager, lively youngsters.

Bill and Eileen Stackman, our guests March 4th, certainly seemed to enjoy learning "Anytime", our new dance for the month. We're so glad you came, Bill and Eileen.

As this goes to press, two big-hearted gals, Lu McKenna and Carrie Smith, are completing their plans for making a beautiful new club banner. So long as we have members who voluntarily give of their time and efforts, our clubs are certain to flourish.

Our review dance of the month carefully chosen by Howie and Dottie DeGraves was "Little Girl".

Recommended for every Paw and Taw with a sweet tooth: some of Maybell Bushnell's "Congo Bars".

...Ray and Irene Callahan

EKC-O SQUARES

Not too much exciting
has happened we fear.
Lots of folks went to D. C.
Lloyd Litman came here.

The dance was a classic
most people did tell,
Lloyd dined at the Duckers'
said, "Edna cooks swell!"

Gwen and Carl Presgrave
hosted him with delight,
No one got much sleep
they yakked half the nite.

Liz and Jack Bacon
were on the dance scene.
They're just back from Europe
and 3 weeks of "skiin".

Came the following club night,
St. Patty's Day week
Our beginners danced with us
it, again, was a treat.

Lou Stork has been pushing
the big DANCE-O-RAMA
Claims most folks bought tickets
to partake in the "glamma".

Last but not least
are the following bits-
'Bout demonstration dances
which both were big hits:

at Genesee Valley Conservation League
were the Duckers, the Pikes, the Pres-
graves, the Rademakers, the Wolffs.

at St. John's Ev. Lutheran Church were
the Foxes, the Hares, the Osbornes, the
Storks.

...Gerry and Chuck Prister

BELLES 'N BEAUS

NOBODY EVER TELLS ME ANYTHING. But I found out that the Belles 'N Beaus are sponsoring a dance at the Sheraton Ballroom, air-conditioned, two national callers, Marshall Flippo and Johnny LeClair. All clubs invited, Monday April, refreshments, cost \$.25 per couple. This would be fine but for one little fact. They are not dancing that week. April Fool!

There is an unwritten rule about not walking out of a set, but what about not walking out of a round dance before it is finished? I overheard;

She: Let's dance this round.

He: I forgot how it starts, finishes
and that little part in between.

She: What a memory! Like a mice.

He: Whose turn is it to lead?

She: You can lead if you promise to take
short steps.

He: The last time I took short steps I
stepped on myself.

She: You going to try this one no hands?
Take your hands out of your pockets.

He: I'm only trying to get my balance,
putting an equal amount of change
into each pocket.

She: Oh, let's dance.

He: You're two beats behind.

She: If you would only lose a little, I
wouldn't have so far to go around.

He: Well! Pardon me, Miss Metrical.

She: You just stepped on my knee.

BELLES 'N BEAUS (Contd.)

He: You're leading again.
She: Smile, they are looking at us.
He: Well they won't learn anything.
She: They will learn how not to.
He: Oh heck, I quit!

...Hal Abberger

GENESEE DANCERS

Begorra. It sure was clanish on March 14th when we celebrated the Wearin' of the Green. The following committee is to be commended for a real fun night: Charles & Irene O' Vickerman, Chairman; Verne & Joe O'Howland, Larry & Doris O'McConnell and George and Lila O'Shoales.

Eleanor Hudson says: An expert is a dancer who has tried and failed and can tell you why.

Congratulations to the 40 couples who were graduated on April 2nd. Be sure to attend the April 18th dance at Cutler Union when you will be welcomed to the club. On May 2nd you will have an opportunity to dance to a national caller-Frannie Heintz. Mark the date now and plan to attend.

ROUNDANCE TIME - A salute to our wonderful round dance teachers, Ed & Helen Principe. Each Thursday from 8 to 8:30 p.m. Ed and Helen take over the floor and reward us with their vast knowledge and untiring efforts of how to twinkle in and twinkle out, or pep it up in a Maple Leaf Rag. Twenty-two couples circled the ring one Thursday night to show their appreciation for a job well done. Thanks cannot be measured in words in this case but the results do show up when we each try to take our share of the ring.

Heard at the roundtables on a certain Thursday night:
I can hardly wait until the PROMENADER comes each month.
I enjoy keeping UP on everything.
You know what my husband did - he reread all the back PROMENADERS from cover to cover.
When I came home tonight my wife was reading PROMENADER and I had to WAIT.

* Don Hicks says: A pretty girl is like a melody - after you marry her you have to face the music.

That's all - we thank the nice people and take four.

...Helen & Edward Gosch

SWINGIN' EIGHTS

On Saturday, May 4th, that ever popular Frank Mayerske will be our caller. Frank is from Cleveland and is well known for his hash calling and colorful costumes. He has a fine singing voice and if you have never danced to his calling please-don't miss this opportunity. As usual we are inviting all club members in the Federation and admission will be \$2.50 per guest couple. The dance will be held at the Hosea Rogers School on Northfield Road in Irondequoit from 8 to 11:30 p.m.

Our beginners class graduated in March and many of our club members attended. All members of this year's class are invited to dance with the 2 Steppers on April 24th at 8 p.m. at the Ruben Dake school. Admission is free and of course round dancing is the attraction.

Helen and Bill Klein, Arline and Will Shepler have been appointed directors of the 2 Steppers Round Dance Club for the next season.

Kay and Dick Bowllen did an excellent job in heading the committee for our St. Pat's dance. Door prizes were won by Ken and Lill Boss, Marge and Ernie Crewdson, Helen and Bernie Schoen, Fran and Bud Macomber and guess who else-Chris and Bob McKelvie (three in a row - honestly now!)

Pat and Jim Palmer recently made a four day flying trip to Florida. The news was given to your reporter by Bud Young in this way-"Did you know that Jim Palmer flew his family to Florida? Gosh-I bet his arms must be tired." (Oh well!)

Jean and John Muench spent the March 17th weekend in Washington at a Spring Festival of square dancing.

...Norm Metzinger

COUNTRY TWIRLERS

John & Loretta Baker and Ollie & Grace Perry, recent Country Twirler graduates, spent a very enjoyable Sunday in Buffalo recently. They attended the First Winter Carnival conducted by Don Duffin and Joe Reilly. The afternoon was devoted to workshop for new dancers--then a Smorgasbord supper followed by an evening of fine dancing.

(Cont'd. on next page)

COUNTRY TWIRLERS (Contd.)

All Country Twirlers wish a speedy recovery to Vickie Fornarola who is home from the hospital.

The March 9th regular club dance was well attended and a large crowd of "Irish" Country Twirlers danced to Bob O'Bruschidle's calling at a St. Patrick's dance on March 15th.

...Kay & Marve Falls

ROCHESTER ROLLAWAYS

The Rollaways danced to tapes the night of March 8th. Don Duffin phoned earlier in the day to tell us that he had lost his voice. Our round dance team, Charlie and Perkie, were absent too--the Principes did a good fill-in job.

Our nominating committee; the McKennas, Principes and Smiths report that their job was a breeze. They found that just about everyone approached was willing to run for the Board of Directors. The new slate will be announced in the next PROMENADER.

The Rollaways' summer workshop will be held on Tuesday nights this summer from July 9th through August 13th. Don Duffin will be the caller and it will once again be held at the Barn. This workshop is for experienced

dancers and Don will keep the dancing at a good level. Contact the Boyds (Ly4-8273) or the Nitschs (Co6-7725) to register and other details. Flyers will be sent to all clubs early in April.

Those real cowboys with the ten gallon hats are Ken Moyer and Bud Young--anyone for spurs?

...Don Weekes

IRONDEQUOIT SQUARES

The big day is almost here--April 6th--Rochester Dance-O-Rama. Irondequoit Square fellows are sporting new shirts and the gals are sewing rows of rick-rack on their new dance dresses.

During March the club had two workshops under the direction of Bill Harvey to help prepare the members for the Big Day.

Our club members were guests at the Country Twirlers on March 23rd and they, in turn, joined us for our March 30th dance with Bill Bartsch calling.

There were additions to our square dance families during the month. Anne and Paul Mutter have a little girl and Peggy & Phil King have a little boy - future members of our club.
