Tom Trainor, author of our CUES 'N CALLS Column this month, proposes an interesting idea concerning dances for members of our area instruction classes.

Be sure to read it!

Do you agree or disagree with Tom? PROMENADER will be glad to print your ideas. What say?

Charlie Tucker is liked in Akron, Ohio area!

For the second time, Linked Squares, the Akron equivalent to Rochester's PROMENADER, has reprinted our CUES 'N CALLS column. Charlie's writings in the June issue were presented to Linked Square's readers. Charlie's proud, we're honored, and Akronites know we have a round dancer who just doesn't believe in gyrating around without smoothness!

CUES - CALLS

By Tom Trainor

Rochester should be proud of its square dance picture. We have in this area more than thirty dances a month, providing for the dancing needs of almost all dancers. I say almost, for while we provide for relaxed, intermediate, and challenge dancers, we are forgetting the class level dancer, who we have invited to join us in this fun filled activity. Where can he go to dance?

Starting after the eighth week of classes, a new dancer has a limited, but flexible, background in basic square dance figures. But the only place he can put into practice these skills are in the class group to which he belongs. He does not come in contact with other class dancers, and there are no dances geared to his skill level. And so he waits with a great deal of enthusiasm to the day of his graduation to become a club member.

It is up to us, the dancers and leaders of the square dance movement, to give the class member a place to dance. We should institute a series of monthly dances, specifically designated for the new dancer, which would give him or her the chance to demonstrate their newly acquired skills away from a class situation. These dances, under the direction of a competent and understanding leader, would serve to help the dancer develop more enthusiasm and confidence in his own abilities. We must make his experience from square dancing even more rewarding and enjoyable than it is now.

Those new dancers who would participate in such a program would be an asset to their club, and would gain in experience from these dances, by putting into practice what they have learned.

We have in Rochester just one dance labelled strictly for class level. Last year, at this dance, the new dancer was introduced to "cast back" and "curl thru". This is not, in my opinion, the purpose of class level dances. Let them dance what they have learned, and not fog their minds with new material.

Let us all help new dancers to enjoy square dancing even more, and give them a place to dance.

PAT KENNEDY MEMORIAL DANCE

More than 500 friends of the late Pat Kennedy gathered to dance in her memory at Exhibition Hall, Genesee County Fair Grounds, near Batavia on Sunday afternoon, Sept. 17.

Dancers and callers convened at the hall coming from points ranging from Erie, Pennsylvania to Albany, Oswego to the Southern Tier. The bulk of the attendance was from the Rochester, Batavia, Buffalo area.

It would be an impossibility to list all of those friends who contributed work and planning to make this unique event the success it was. The entire plan was master-minded and promoted and MC'd by caller Ken Anderson. Picking up the responsibilities of getting the hall, putting out the flyers, taking care of all arrangements went largely to Don Kennedy's clubs in western New York--the Swing Alongs of Buffalo, Batavia Twirlers of Batavia and Irondequoit Squares of Rochester.

Ken Anderson acted as Master of Ceremonies and arranged the efforts of more than 20 callers to provide a smooth, balanced program of dancing. Callers who signed the schedule sheet were: Doris & Laverne Reilly, Howie and Dot DeGraves, Lou Suedemeyer, Dan Shattell, Bill Wilcox, Don Stumbo, Mary & Gene Knisely, Jim McQuade, Larry Spaven, Mike Callahan.

Continuing, Bruce Shaw, Hal Greenlee, Tom Trainor, Myron Huss, Ed Johnson, Jerry Carmen, Bill Colby, Bill Ryan, Al Schmidt, Don Jockum, Bob Burkard, Chuck Prister, Harry Sutton, Joe Reilly.

Donations received at the door were later taken by the officers of Don's three clubs to him and turned over as an expression of friendship in Pat's memory.

DON KENNEDY HOPES TO RETURN

An announcement that Don Kennedy hopes to be back at calling brought rounds of applause at the Memorial Dance in Batavia. It was indicated that Don has no definite plans but might be back with his mike after the first of the year.

Fiddle A Rounds

Calling all intermediate round dancers! (That simply means you who have completed your round dance basics.) Our club has resumed its fall schedule, dancing every Monday night, with a new round dance being taught on the second Monday of the month. Won't you come and visit us? You'll find it's fun to learn from and dance with Charlie and Perkie. Our new dance for September is "I'll Take Care of Your Cares".

Owen and Helen Whitehead, Howie and Dot DeGrave spent Labor Day week-end in Binghamton, round dancing with teachers Nita and Manning Smith at their V.I.P. Institute. By the way, Howie and Dot, we wish you luck with your new venture, the "2 by 2s". You're sure doing your utmost to increase the round and square dancing population of Rochester,

Margaret and Irvin Brown, Loretta and John Barker attended the Canadian Capers Week-end, Sept. 15 in Brockville. Ever wonder where John Barker gets all his endurance? Well, he gets his "go" from marching and his "glow" from playing his clarinet in parades all summer long. When he has to practice on Monday nights, he has the energy and enthusiasm to come to the club after practice to dance with us. We bet you are proud of him, Loretta, in spite of the sacrifices you make during parade season.

...Ray and Irene Callahan

Triggers

Yeah! Just as we expected, a goodly crowd stormed our new hall. It's the kid of place that gives you that feeling of togetherness. All in all, the first nighter was a huge success. Under Myron's sharp calling, the group started swinging back in the groove. That 25th guest just walked in free, sorry folks, you'll have to form a new line.

Would you believe? The versatility of these Triggers? Not even the dark clouds scudding the sky, nor drenching rain could dampen the spirits of their Hamlin Beach picnic. Entrenched by a roaring fire, the cozy warmth permeated the pavilion, enjoining all with fellowship and pleasure. The squares pussy-footed in the rain, tramping bare foot thru the wet grass to add the elusive Raindrop badge to the Grass-hopper, Duck and Sand Flea.

Lotta things go on in this fun club. On Sept. 21 we were invited as guests of the Genesee Dancers. We are welcoming the EKC-O Squares as our guests on Oct. 3. Then, Oct. 24 brings our Hallowe'en Party which is always a wild time, "Open Door Policy" prevailing. Our own Intermediates and Teen Club, the Wiskaways, will help us scare the ghosts away.

When passing around the plaudits, how about a hand for our President, Henry Allen. A good cat, with a quick wit and a friendly grin. Anyone need a duster to keep blonde hair off their collar?

...Bob and Rose Kausch

Belles 'n Beaus

Our new class got off to a swinging start on Wednesday, Sept. 14, and before the evening was over, were well on their way to a promising new pastime. Among the newcomers was another sister of Mvrt DeLauro and June Smith. Nice going gals!

We're glad to see Grace Katerie back. Grace has spent much of the summer recuperating after surgery and serious illness.

Helen Johnston can tell you first hand about the "flower children". While in California this summer, visiting her mother and two brothers, she had an opportunity to visit with the hippies in San Francisco (ask to see her snapshots taken with some of them).

Joining in the fun on Sunday, Sept. 3 at Art Harris' Grand Island Ballroom were four couples of Belles 'n Beaus--the Bensons, Johnstons, Watermans and Wilkinsons. If you haven't danced at G.I.B., you have a treat in store. A nice place to see, a nice place to dance.

Heard that Mary and Don Waterman had a wonderful time at a Jim Stewart and Bob Fisk week-end in Chicago this summer.

Get out your Bazonga badge and polish it up--Francine Weintz will be back on Oct. 30. Remember, at this dance and future guest caller dances, square dancing will begin at 7:30 -- so, get there early and stay late, like 10:30!

See you out swinging "Sweet Thang".

...Bob and Doris Decker

Boots 'n Slippers

Last Friday, our open dance was held in the Merton Williams Jr. High School and the hall was filled to capacity with enthusiastic dancers--new ones and old ones. Mike Callahan did the calling and even had the newcomers doing the "grand square" like old pros before the evening was over.

We were particularly impressed with the display window on Hilton's Main Street these past few weeks. The beautiful red squaw dress and western shirt were loaned to our club by Wenigers. The entire window just sort of added up to what great fun square dancing really is.

Flash! It's a boy for the George Mullan family--Alan Robert, weighing in at 9-11. Still waiting to hear from the Hutchisons. And, it's a grand-daughter for Bill and Helen Steinmetz, their first, incidentally. If our club continues on this way we can start a Baby Square of our own.

We would like to remind all club members that DUES ARE DUE. The deadline is Oct. 13.

EKC-O Squares

The Open House dance of Sept. 6 had a big attendance of 15 squares. In no time at all, Ken Anderson had the new square dancers dancing like experts.

The summer break was short and here we are back planning a new season. We're looking forward to Belles 'n Beaus night on Sept. 27 and Boots 'n Slippers night Oct. 11, when these clubs will be guests at EKC-O Squares. Then, we have plans to appear as guests of the Triggers on Oct. 3.

It's so good to see Leo and Rita Leonard back on the floor dancing. We've missed you.

Kay Welch has had surgery and will be home from the hospital by the time this is in print. We wish her a speedy recovery.

Our PROMENADER reporter, Mae Malley, is recovering from a back injury. This issue will be deprived of her pleasing writing style, but we hope it isn't for long.

Ben Baldwin, from Champaign, Illinois, will call for us on Oct. 18. Ben always has a nice change of pace and we are looking forward to his dance.

...Owen Whitehead

Country Twirlers

Our opening dance on Sept. 9 was a great success with Jim McQuade calling dances we could all enjoy including the prospective new members. We have 25 couples taking lessons on Wednesday nights. We would like to thank all the members

who helped and encouraged their friends and acquaintances to come to the lessons.

We welcome back to the club Ollie and Bill Mc Hugh after an absence of almost two years and Bud and Mary Elmer who were the parents of a baby girl in May. This is the seventh for Bud and Mary.

Best wishes to Joe and Tina Mann who have moved to their new home on Ridge Road West.

It was difficult for Don Charles and Eleanor Balsam to be seated next to one another for refreshments after the dance Friday night. Don Has given up cigarettes and Eleanor is not eating desserts so he sat eating his cake and Eleanor drank coffee and kept blowing smoke from her cigarette his way.

Darlene Goldstein, daughter of Dot and Don Goldstein, was married Saturday, Sept. 16 to Stephen Inclima. It was a beautiful wedding and we wish them much happiness.

...Herb and Dot Scheg

Irondequoit Sqs.

Bouquets of roses to Mary and Jim Dean for planning and organizing a swinging family picnic for the club. Even tho the weather man didn't cooperate, the rain couldn't wash away the fun.

Traveling Taws and Paws: We understand a goodly contingent of Rochester folks, Irondequoit Squares included, made the "Big One" in Philadelphia. A National convention must be quite a sight to see.

Janet and Paul Weitz, Mary Alice and Jim Brooks Mary and Jim Dean and Carole and Clive Bubb wandered over the border in August to Peterborough, Ontario for another of those wild, wild square dance week-ends with Don Duffin and Joe Reilly. The combination of spirited calling, after parties and late hour informal get-togethers left us all exhausted but completely satisfied. If you haven't tried one yet, next year isn't that far away.

Stars are Born: In case you haven't heard, the whole town is talking about the fabulous exhibition of Western S/Dancing seen recently on Jerry Carr's "The Weather Outside". The Brooks Bubbs, Warshkows and Weitz's danced to the intrepid calling of Al Schmidt, with narration supplied by Dona Bradley and moral support by Marsha Schmidt. Put on primarily to publicize our Open House and Rochester Area Square Dancing, the TV debut has resulted in calls and offers from booking agents the world over. The group is seriously considering an offer to appear at the 1968 Mau Mau Convention in Kenya.

Open House: With Al Schmidt at the mike, we opened our 1967-68 season with an open dance on Sept. 9. Members have really been out beating the bushes and using the old hard sell, since there was an excellent turnout of visitors. Bruce Shaw gave the visitors a taste of what they could expect at the classes and club members showed them what square dancing is all about. As a result, 21 couples showed up for the first lesson.

Scoop: Shirley Nagel is wearing Bruce Shaw's diamond! There's no nicer young couple anywhere.

...Carole and Clive Bubb

Genesee Dancers

Glad Don Hicks was not grounded after a double operation this summer. Take it easy, Don, you'll soon be back in full swing again.

Campers George and Heidi Betlem, Fred and Eleanor Hudson, Fran and Hilda Desmonds spent Labor Day week-end at Conneaut Lake, Penn. Hilda says it is a real swinging place. They attended the local Square Dance Festival and caught a glimpse of Oman and Doris Fosberg dancing.

Lynn and Margaret Fogg's daughter, Jane, was married to Roger Klick on Sept. 9 in Lima.

Mil and Laura Craft face an interesting year. They are hosts of a 17 year old exchange student. The young lady is Monika Hammaren from Lulea, Sweden. Monika is enjoying it here and finds it not too different, in many ways, from Sweden.

Bea Westwater had pneumonia. We're delighted with her recovery.

Early Sept. 9, your reporters took off in a shower, with their daughter, small granddaughter and son-in-law piloting his own plane, for a Flying Farmers gathering in the Amish country of Pennsylvania. In another plane were Ralph and Thelma Durbin, son and girl friend. (All square dancers). About 60 miles from their destination the weather closed in. They sat down in Selinsgrove and waited an hour for the clouds to lift, but they grew thicker southward. They accepted an invitation by radio, from a fellow flyer to join him for lunch at his home on Seneca Lake. After visiting awhile, they flew home, landing in a pouring rain. They enjoyed the ride--not much scenery--but many clouds.

Happy squares to you,
...Thelma and Ray Springett

Lima Grand Sqs.

The Hot Dog Roast at the Barn was a huge success. As our last dance, it signalled the call to men of muscle to move the cooler, pop, this and that back to the Lima Town Hall to start our usual Friday night dancing. Thanks to those who helped with this chore.

What's an angel? Why you are, if you come and dance and help out at lesson classes on Wednesday night, 8:00 to 10:00.

Spook-nite dance Friday, Oct. 27. Our Lima club will have a Hallowe'en costume party. Don't miss it!

There will be no dance at Lima on Oct. 13.

Being late and lazy with this correspondence, I am able to report the Memorial dance at Genesee County Fair Grounds as most enjoyable. Twenty-two callers! What a dance!

Can't top that--better quit!
...Charles Kleeh

Friendship Sqs.

The Squares started the season with a delicious steak roast. This wonderful meal was put on by Shirley and Royce Louy. Bob Mendell played his guitar before the dinner hour.

Our caller is really giving our club a work out.

Don has had a busy summer and plans to give us a busy year.

We'd like to welcome two new couples to the club: Evelyn and Clem Tiska from Kentucky and Helen and Ernie Johnston from Rochester.

Ernie Johnston will be cueing and teaching some round dances on Saturday nights this year. He will be starting a round dance group in Henrietta every other Thursday at John and Mary Hamiltons house, 91 Down St., Henrietta. We are looking for new members. Anyone interested in coming call 334-2141.

We hear Whitey Meyers is home in Geneva again. We are happy and hope you are getting better. Whitey was buried by bricks this summer and is now paralyzed and can't get around.

The teenagers are starting lessons on Oct. 3 at 7:30, Sherman School. Anyone 12 years old and over is welcome. Larry Spaven will be teaching

Larry has kept busy this summer. He attended callers' school in Massachusetts. I understand Don Pratt caught quite a few big fish this summer.

The 28th of Oct. will be our Hallowe'en Party. Come in costumes. See the mystery guest! The beginners will hold their party on Oct. 30.

Don't forget--dancing every Saturday night this year at the Town Hall unless changed.
...Jack and Judy Coe

Swingin' Eights

Back from Canada and a gala square dance weekend at Brockville, Ontario, are the Brayers, the Barkers, the Soltysaiks and the Kleins. We hear that one of the ladies got a birthday kiss from "the nice callers".

Our opening dance of the season was a big success. We had a big crowd and alot of guests. Hopefully, many of our friends from other clubs will join us for the Tex Brownlee dance on Oct. 21.

Gordon and Iva Allen topped off a busy summer with a restful trip to Cape Cod. They stayed at Hyannis and took day trips from there. Like many another New England traveller this summer, they had a little trouble with the weather. It was consistent, if not inspiring, Gordon reports: just "fog, fog, fog."

Tom Trainor has bought a home. Being faithful to their old neighborhood, he and Marilyn bought another, bigger house, just down the street from their old home. Lots more room, Marily reports. They still are not quite used to it.

Marilyn Trainor has a new job. She is working as assistant to the public health nurse at Monroe High School. It is nice to know that we have an advanced first-aider in the club!

The Trainors are starting a new generation in on square dancing. Debbie, 9; Tammie, 7; and Kelly, 6 are now members of the Little Squares. Val, 4, known as Tiger (we wonder why!) is a little young yet. Any Swingin' Eights with boys might consider the Little Squares: they

SWINGIN' EIGHTS (Continued)
need boys we hear.

The Kubasiewicz family went to EXPO this summer, even after a fine time at the Fair, they vacationed on the Maine coast. Unlike some of us, they had good weather while there. Stan reports he and "the boys" have been to Fortune Lake in Canada fishing for pike and bass recently.

Quite a number of Swingin' Eights went to Batavia for the Kennedy Memorial Dance. The Star Thru's of Auburn stole our club's banner that evening. Now a square of Eights must go to Auburn to retrieve it. Plans are being made, we understand.

Chick and Sue Wolfe are looking hale and hearty after an unusual vacation this summer. They left the kiddies with the grandparents and spent their vacation hiking in the Rocky Mountain National Park. Chick reports they met no bears, but saw one mountain lion track during their stay.

We are sorry that the Crellins will be unable to be with us this year, due to a new work schedule.

The first dance of the season got off to a good start with Dewey Berry getting everyone's muscles loosened up from all the summer rust.

Labor Day week-end found the Czerniaks, the Betlems and the Fitzgeralds at Conneaut Lake participating in some pretty high level dancing and learning the ins and outs of "trade in" and "trade out" and "tag the center". According to Ambrose Baker, there are over 500 calls in the square dancing repertoire and new ones are added every month. You need either a good, strong memory or a built-in computer.

We have two extra-curricular instructors in our midst. John Hayford is teaching Advanced Piloting for the Power Squadron and Chuck Prister is teaching the beginning class for EKC-O Squares again this Fall.

Gerry Prister has been running two households during the summer due to her mother's illness. We all hope things will return to normal soon.

Mary Lou and Don Mikel have closed up their backyard pool for the summer to concentrate on new members for the coming year. We are looking forward to meeting new guests and making new friends.

EDITOR DIETZ ON THE MEND

Lew Dietz, dynamic half of the editorial staff of PROMENADER is mending at home following a bout with the knife this summer. He's not back on his daytime job yet but he's well enough to edit and get those PROMENADER PUSHERS all ready to PUSH off on this year's subscription drive.

PROMENADER PUSHERS

Each Federation club has selected a member couple to "PUSH" PROMENADER subscriptions.

These volunteers will be available and will all gladly accept your money at their club dances. Please cooperate with these good people for they are giving of their time for a good cause.

The subscription rate is still \$1.50 for ten big issues, October thru September except for July and August. A real bargain!

Those who wish to mail in their subscriptions may do so by making checks or money orders payable to PROMENADER and sending to Lew Dietz, 7 Lochnavar Parkway, Pittsford, N. Y. 14534. Include your name, address complete with ZIP, and club affiliation.

Whether you mail it in or renew thru one of the "PUSHERS" you can either use the blank at the bottom of this page which has been arranged for you to cut it from this page but keeping the contents of this issue intact or you can just cut the bottom portion of the page off and use it because we will place your mailing address on the opposite side of this page such that it can be sent in along with your money.
