CUES - N - CALLS

by

TOM TRAINOR

Thanksgiving is now past, but as a caller, there are a few reasons that mean a lot to me. In many areas the dancers have a tendency to recognize the callers for the work that they have done. At this time I would like to turn the tables and say thank you, not only for myself, but I hope, for every other caller and leader in the area.

First, I would like to thank my wife, who has to constantly change her schedule to fit mine, be both mother and father to our children, keep track of the calendar, make sure I have what I need to keep a neat appearance, and keep house for a rather individualistic family, and still manage to come up smiling at the dance, even though there are times she should have stood in bed (so she may think). She gives criticism and praise where needed and soothes those jangled nerves.

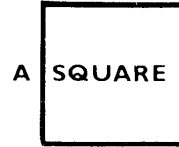

Second, I would like to thank the dancers, who week in and week out have to put up with loud music, weird incantations of a strange language, pronouncements, announcements, good dances, bad dances, forgotten calls, mental blocks, and constant harassment from the callers (with good humor). Without you, we callers would not be able to do our thing. Indeed, we owe you much.

Third, I would like to thank the beginners, for without them there would be no clubs at all. How they manage to struggle through thirty weeks of basic training under the direction of the local D. I. is beyond me, but they are there every week ready to give it another try and show that they can do as others before them. We all, callers and dancers alike, owe them a great deal. Lest we forget that we started somewhere too.

The turkey is now gone, and only a skeleton is resting in the refrigerator, being plucked clean by Dad, the family cat, and anyone unlucky enough to drop by. Thanksgiving is gone, but don't forget to say Thank You on the square, for you need them as they need you. Say it and mean it. THANK YOU ALL.

BEGINNERS CLASSES

TRIGGERS will start their beginners classes on Thursday, January 8th, at English Village School (See map, pg. 11) For further information contact Peg Huss at 663-7284. This is a good chance for your friends who want to learn to start now. Why wait 'til September?

Vell! Here ve iss again, und as you can see I still haf a Cherman accent, as ve continued our travel to Austria. Dis vas goot, because dees people spoke with the same accent like I do.

Ve vent to Salzburg vere dey made "Sound of Moosic". Lot's the movie dat ve got the round dance "Edelweiss" or "Blossoms in the Snow". Ve saw the Von Trapp family's beautiful house but the Von Trapps weren't home. Somebody said dey vent on a vacation to America.

So ve left and drove to Berchtesgarden und visited the "Eagles Nest" vere Hitler shacked up mit Eva. He vasn't home either, but vot a shack!

So ve vent on towards Switzerland und thru de Brenner Pass und on to Italy. Only one day in Italy and I losta my Cherman aca-cent and soon I wasa saying, "Hey Compa, howabouts a Pizza?"

We wenta to Venezia (Venice) and oh boy dey mustah had somma heavy rain storm just before we got there. The streets were flooded. Everybody must walka around in boats. Dis is one-ah place no street dances are held.

We visited St. Mark's Square in Venice with its thousands-ah pigeons. There was an orchestra playing in the square and I (by myself) started to do-ah one of da few round dances I know. As I was dancing some pigeons made a couple-ah remarks. One on-ah my head and another on-ah my shoulder. I wash-ah my head and send-ah my shirt to the dry cleaners.

I can take-ah hint, we left Venice and drove to Verona... the seat of alla great operas. Nobody ask-ah me to sing. O so la me go.

Me go to-ah the Italian Riviera....Bikini Land. Wowie! Were da bikinis small! On top they looked like two bandaids and I am not-ah going to even try to describe the bottom. We didn't see too many boats but there was-ah lot of navel action.

Well I hate ta leave-ah you in the middle of Bikini Land, but I hafta say "Ciao" (Chow to you Yankees). This Italian aca-cent is harder on my throat than-ah the Cherman accent. I think I'll eat-ah some hot peppers and sooth-ah my tonsils.

Grazie, anyway
Hal Abberger

P.S. Gina Low-bridges-ada says "Hello" to everybody.

EDITOR'S
NOTE:

We are in receipt of communications from Chuck Prister on the subject of the formation of a club for single square dancers. The purpose of this group would be to pick up where the Swingin' Singles leaves off. At the present time there is square dancing available to individuals starting at a tender young age with the Little Squares thru the Teen Twirlers and on to the Swingin' Singles.

With single dancers over 30 in mind, Chuck Prister is proposing the formation of a club. This club is not aimed at the vast majority of our subscribers as we are mostly married couples who fit the membership "standards" of the seventeen Federation clubs. But most of us know someone who is in the singles category and would like to keep on dancing but doesn't have a readily available partner.

Should you fit this description or have a friend who may be interested, we suggest contacting Chuck Prister at 266-1818, or Barbara Vreeland at 266-2455 or Mary Sorensen at 586-9237 for further details. Depending on response, preferences, facility availability and such details, a time and place would be set. A class for novices would also be available.

PROMENADER feels that this effort by Chuck deserves the support of all of us as such a club will fill a definite void in the area's square dance structure by making square dancing available to anyone willing and able to learn a do-si-do, regardless of age or marital status. And, a tip of my Stetson to Chuck for his willingness to undertake this venture.

Carl Warschkow
Editor.

NON-FEDERATION NOTES

A bus full of LITTLE SQUARES enjoyed the Fall Festival at the Syracuse War Memorial.

A cabin party held at Churchville Park was put on by the Little Squares and enjoyed by parents and teen aged square dancers.

We are rehearsing for our annual Christmas demonstration which you have enjoyed in the past.

The tearful five year old was explaining to the department store manager that he was lost. "Why didn't you hold on to your mother's skirt?" the manager inquired.

"Well, mister," the youngster replied, "it's because I can't reach it."

Batavia Twirlers

The masquerade is over for the Batavia Twirlers for this year. Many black cats, skeletons, and goblins have all been swept away for another year by the eight foot witch, thanks to the WJWZACKS, our Halloween chairmen.

The VASSARS took first prize as the spotted white horse. The FOTCHES were second in their unique green worm outfit and the quiet DRUGGMANS in their gala garb. The cider was extra good coming from a real aged cider barrel.

The Twirlers were the guests of the Genesee Dancers on the 13th and what a fun nite that was with DON DUFFIN at the mike.

So nice to have BUD REJMONS'S Squirrel Eights from Lewiston as our guests on November 15th. Larry Dugn cued rounds from 7:30 to 8 followed by square dancing.

Hope BILL COUWENHOVEN is much improved and in a square soon. Of course, his friendly law too.

Plans are in the making now for our gala Christmas Dinner - Dance on the 20th when the class will be our guests. Santa has already sent word that he will be present for the occasion again this year.

.....Don and Lucile Palmer

Belles 'n Beaus

LARRY and HAZEL SPAVEN were among those couples representing Belles 'n Beaus at the Syracuse Fall Festival on October 10th. The following Saturday night they danced with thrie daughter and son-in-law, SUE and BOB JOHNSON, at the Boots and Slippers in Madison, Wisc. The SPAVENS younger daughter and husband, GINNY and SKIP JENSEN, are members of the Penn Yan Friendship Squares. LARRY calls for the Kuntry Kuzzins in Newark, N. Y. -- a dancin' family!

Two couples - AUDREY and DICK CASE and RUTH and ED HASMAN - are celebrating their 25th Wedding Anniversaries this month. Congratulations are certainly in order.

EARL BUDD caught a marlin - a whopper - on his recent vacation. He is having it mounted and when he has it hanging in his home, he will have us all down for a viewing.

BOB and RUTH MUIR also attended the Syracuse Festival. The LEVANDOWSKIS recently welcomed a baby girl to their home. Our Christmas Party will be held on December 8th at the Greece Grange. Since the space is considerably smaller than we have at Greece Olympia, it will be a closed dance.

.....George and Delores Wentis

Boots 'n Slippers

Twenty two couples enjoyed an old fashioned hayride on October 17th. The night was beautiful, the hot dogs were delicious, and the gang ended up dancing in SWEENEY's cow barn to JERRY CARMEN's calling. Incidentally, JERRY, did you ever get that "soft stuff" off your shoe?

We all extend our sympathy to dean and TERRY HARRIS on the death of TERRY's father. We're filling in for them this month and hope you'll all bear with us.

The WELLS, COPELANDS, REGERS, and DAVIS's visited the FRATTAS alst Sunday. JOHN is recuperating from a serious illness and seems to be coming along nicely. He even entertained us with a few old favorites on his harmonica. LORENE broke everyone up with a swinging rendition of "Out Behind the Barn".

We wish a speedy recovery to GLENNYS PAINE who is in Strong Memorial Hospital. And BILL STEINMETZ is still on the convalescent list.

Many thanks to Swingin' Eights and Belles 'n Beaus for inviting us to their dances. And what a good turnout of EKC-O Squares and Genesee Dancers on November 7th. DON PRATT called a really great dance. Hope our guests enjoyed it as much as we did.

Our Christmas Party is scheduled for December 19th with JERRY CARMEN calling. And the New Year's Eve Party is all set to go at the Fireman's Field in Spencerport. We're looking forward to dancing with our beginners class at both of these parties.

Teen-agers will be welcome at our December 5th dance at \$1.00 per couple.

We think that all of MIKE CALLAHAN's friends will be interested in hearing that in a recent letter he mentioned having only 239 days more to go (as of Nov. 4). Should bring him back to the States around the middle of August. We know that everyone will be glad to have him safely home and calling again.

Guess that's about all. DEAN and TERRY will be back next month - WE HOPE - WE HOPE.

.....Irwin and Helen Davis.

Country Twirlers

Congratulations to FRAN and HAL PYRITZ on winning first prize at our Halloween Dance! Confidentially, HAL, do you rent your costume out in the off-season? We didn't have as many costumes as usual this year but a good time was had by all.

On October 3rd, 17 couples from the club enjoyed an evening to the calls of Don Pratt, as guests of Boots 'n Slippers -- thanks again for an enjoyable evening. On November 3rd, the Country Twirlers had 11 couples out to Belles 'n Beaus for a swinging dance with ART HARRIS calling.

Remember, Country Twirlers, December 13th is voting night! If you haven't seen our club newspaper with the profiles on each couple running for office, ask any officer for a copy. Know you candidates and vote accordingly. Let's have a big turnout for this dinner - dance affair, as usual. Remember, dinner by reservation, the dance is open at 8:30 PM.

By the way, doing anything New Year's Eve?? We are!! Be sure and see the Balsams and make your reservations for our annual New Year's Eve Party with BOB BRUNSHIDLE. Remember, chow call shortly after midnight.

Happy Holidays!

.....Dave and Arlene Plummer

EKC-O Squares

Let's take time out from the holiday preparations to hear what's been doing with EKC-O Squares.

Our club was well represented at the weekend at the Syracuse War Memorial. Among the dancers were the ZULAUPS, CLARA and BILL ROSS, also LES and LILA BUSHART. LILA said it was just beautiful.

JUANITA and BERNIE BERNINGER were at the Lemon Meringue Pie Contest in Lima - sound like plenty of fun. The BERNINGERS will be missed from the local square dance scene, as they have left for three weeks in sunny Florida.

Talk about the father of the bride, ANDY WUEST was twice this year, as one daughter was married early this summer and another in October. If that wasn't enough to keep one family busy, ANDY and FLORENCE had four graduations this year. Congratulations!

Did you know that EVA SEYMOUR learned to make all those pretty square dance outfits she wears via long distance phone calls with her daughter?

Our class members joined us for the club for part of the evening at our Halloween Party. They certainly are well on their way to becoming terrific dancers, and we are looking forward to dancing with them again at our Christmas Party.

GLORIA and ANTON BETLEM, CLARA and BILL ROSS, NELSON and BETTY ZULAUF, and BEA "EVE" and ADAM ADAMS went to Buffalo to dance to JOHN HENDRON.

Best wishes to AGNES and LOU SOLOMON in their new home. Our sympathy is extended to ANTON BETLEM on the death of his mother. Hope DOT SECONI is feeling better after her recent illness.

EKC-O Squares were guests at Boots 'n Slippers in Hilton and ALLEN and JEAN KENDRICK were among those present.

Friday, December 5th is going to be a big night for the graduating class of April, 1968. That's the date for their Christmas reunion party.

That's all for now and we want to wish everyone a Happy Holiday Season!

Fiddle A Rounds

DON and NORMA WEEKS off to Cross Creek, Pa. for a round and square dance weekend - if NORMA's project doesn't interfere. They are to become the proud parents of a - - - - boy or girl duck, if those eggs do right by them.

The GUENTHERS are back with us after quite an absence to to "Two to Tango". It sure takes two for that left face pivot, and then some. That certain fireman is back from his vacation, and he's already talking about his next one.

The COSTICHES sure had a grand time in San Francisco. Lucky them (HIM!).

Our Christmas Party is to be held on December 8th at the Echo Club. Cocktails, dinner and dancing - what else?

A Merry Christmas and Happy New Year to all from the Fiddle-A-Rounds.

Genesee Dancers

Most of our members have settled down to their winter schedules and the attendance at the dances is improving. Had a fine Halloween party, the refreshment and decorating committees did an excellent job. Not too many came in costume but the quality made up for the lack in quantity. SHIRLEY LEUPOLD was the bounciest pumpkin we ever saw, the BORRELLIS came as saint and sinner and both of them seemed to be having fun. SHERM REED came as a member of the clergy and with benign face was so right for the part. He took some ribbing when ART HARRIS called a "quench". LEW DIETZ and JOEY RANSCO paraded as the "Odd Couple" and got a big hand but no prize. Too bad, fellas. The hippies, SARA and NORM BARRETT were voted as the most natural and GEORGE SHAW was the most available. His sweat shirt said so.

We had a good showing from the Web-Spinners, Triggers, Swingin' Eights and Batavia Twirlers when they were our guests. Come again, folks. Thanks to the many clubs who invoted the Genesee Dancers. BUD REDMOND called for us November 6th and it was a most enjoyable evening. His voice and rythem are so good and his last number, "The Part's Over", was wonderful.

LEW and RUTH DIETZ left November 15th to vacation in Florida. When we next see them they will look so tan and healthy it will make the rest of us look like weaklings. Have fun, you two!

December looks like a big month for the club. BOB YERINGTON on the 4th, Christmas party and presentation of new officers on the 18th. Here's wishing you all the most pleasant holiday - with good friends and good cheer. It has been a privilege for us to represent the club as reporters, many thanks for your cooperation.

Genevans, in the midst of a busy season, are travelling widely.

EVERETT and CAROLYN JONES got eight couples together and after a practice session in the basement of the DAVE and DOT GULVIN residence, danced an exhibition at the Newark Rotary Club clambake. Not only did we have a good time, but we reaped an unexpected reward. Afterwards everyone went up to the class and made the class night a bigger dance than some of our club dances.

We are having a series of guest callers right now and on November 7th, WALT JESSUP called for us. He is a favorite with the Friendship Squares, has called for Penn Yan several times, and we frequently visit the Gingham Squares at Watkins Glen where he calls regularly. GORDIE COOPER was our guest caller on November 21st and JERRY CARMEN will be with us on December 5th.

Our annual Turkey Trot was held this year on November 11th. Friends from all over came to the dance with us at the Junior High Gym and all enjoyed RED BATES, New England's singing caller. Round dances were cued by both BILL NEWMAN and JIM WATERS and our refreshment committee consisting of GULVINS, MASTELLERS, NAEGELES, and SERRETTs did a bang-up job and I'm sure everyone who attended this year will be back for next year's Turkey Trot.

Our round dancers are meeting on alternate Fridays at Gulick Hall. Anyone wishing to learn round dance basics should let it be known so that arrangements can be made to start a class.

Our Halloween Party was a huge success, as was the pot luck supper. It was so nice to see so many clubs at the November 8th dance, too. There were people from California, Swingin' Eights, Lima Grand Squares, EKC-O Squares, Wayne Westerners, and Geneva Friendship Squares. Come again, it was fun!

We have our Christmas Party scheduled for December 27th at the Town Hall at 8:00 PM. Elections will take place then. The Nominating Committee are ALTON and PHYLIS FOSTER and CHARLES and MARY ANN REISENBERGER. Also, remember to bring your ornaments for the tree decorating.

Put a big star on January 10th. That's our big Box Social, at Sherman School at 8:00.

Congratulations and best wishes go to BARB and AL TAYLOR's daughter and son-in-law who were married November 8th.

Has anybody seen JACK and JUDY COE lately??? Not square dancing you haven't. JUDY fell and broke her leg and JACK got involved in an auto accident. They're both

doing fine and we're looking forward to seeing them back real soon.

How about that HENRIETTA BREWSTER? She bowls in a women's league with an average of 159. Well, she hurt her foot which slowed her down. Now she's putting out games like 242 - 184 - 225. Terrific!

In closing, we would like to wish you and yours a Blessed Christmas and a Merry New Year.

My, what a delicious repast to call "Pot Luck". We had it only two days after Turkey Day but who needs an appetite when the food is so good. Anyway, we danced it off before the evening was ended.

Our thanks to Country Twirlers for a wonderful evening as their guests. We generally meet the same night and can't usually get together so this was indeed a treat.

We extend our club's sympathy to GLORIA and ANTON BETLEM in the loss of ANTON's mother.

On December 6th, we will meet with our class of 18 couples at Lake Middle School, 350 Cooper Rd., for a Christmas Party with KAY WELCH making the arrangements. This will be our first club activity together with this new group of enthusiastic dancers, BRUCE SHAW will be at the mike and will also bring his "Little Squares" to entertain.

We are to welcome VAL and MARY LOU WATKINS of Newark as members of our club. "It's nice to have you with us".

TED and RUTH PHILLIPS, our newly-elected presidents for 1970, are now moved into their new home at 250 Hampton Blvd. - sure beats the apartment for space.

DICK and MARY LOU BOSS, with an assist from JOHN and KAY WELCH and JIM and MARY ALICE BROOKS, are busy making decorations, gathering prizes, cookies, etc. and even the "Kissing Santa" for our Poinsetta Prom - that festive, gay, annual tradition for Irondequoit Squares. Don't miss this gala event.

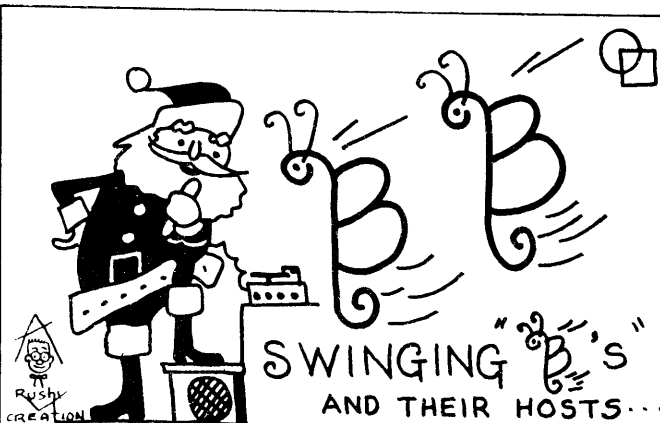

To open 1970 with a bang, on January 10th at Irondequoit High School, we will be host to all our fellow squares dance clubs on the one night. We want this to be a very special evening to say "Thanks" for all past favors. Hope to see y'all there!

With a visit from Jack Frost, leaves falling, and our first snow fall, we know Fall is really here and Winter is close. Halloween is past with all the fun and mysterious characters.

Our Halloween dance was successful as always, thanks to our officers and committees, who had the hall "just right" with pumpkins, corn stalks, and dimmed lights. In fact it was such a perfect setting, the "old scare crow", PETE STRONG, found his niche in the corn stalks and no-one knew he was real until he unmasked. The prizes were won by JOE and SHARON COTTELEERS as African Natives. RON COLE, the funniest, in nightshirt and lantern (wonder what he was looking for?), DON LUCKENBACK (only his doctor knew), and CHARLIE KLEE as a Gay Nineties bar tender. It was a hard tash picking the winners, the costumes were so original. There was a good crowd, lots of fun and good refreshments.

A club meeting will be held after the November 14th dance, at which time there will be an election of officers for 1970. HARRY SUTTON will be the caller that night while DON and LIZ STUMBO and several other couples attend the Blue and Grey Ball at Bridgeton, N. J. It seems it was started at the 100th Anniversary of the American Civil War. Blue and Grey costumes are worn for all the activities of the weekend.

Our President, CHARLIE BUSH, was welcomed back to the dance floor after an absence of six weeks, during which he was recovering from surgery.

November and December will be busy with Holidays, the Christmas Party, etc. GORDIE COOPER is guest caller December 12th and our Christmas Party will be on Dec. 19th.

Our hosts and hostesses for November are DON and PAT CREAGER, RALPH and THELMA DURBIN will greet you in December. A Merry Christmas and Happy New Year to all!

Rochester Rollaways

I goofed last month. I forgot to mention that NEWTONS had a wedding in October. Their daughter was married in what ARLENE described as "a posh affair".

A great big welcome to our new members, LOIS and BILL WILCOX, ROSE and BILL RYAN, and SHIRLEY and BRIAN BONHAM. Just in case anyone is interested, GEORGE took a survey and when he includes our new members, the total number of miles our members drive to attend a dance is about 1600 miles round trip. That is if everyone came and nobody doubled up and I don't know why I brought this up in the first place!

Since the FOHLS and SCHMARDERS have quite a distance to come, they have, on occasion, brought their camping outfits with them. I understand that they have found a new camping spot that is quite convenient to the Greece Y called the "Eichas Meadow". If you want more information talk to ART or MARGE.

When I talked to the McCOLLUMS about their recent trip, I was sorry to hear that they were laid up a couple of days with car trouble. While waiting for the repairs to be made, they were the victims of a cat-napping. Alls well that ends well - that cat was returned, reluctantly, the car was repaired and they finished the trip with no further problems.

BAKERS, PIKES, WATSONS, WOLFES, WEEKS, JEAN MUENCH, and BETLEMS spent a weekend with RON SCHNEIDER at Cross Creek. We danced to JOHNNY JAVIS and HAL GREENLEE who was pinch-hitting for RON who was recuperating from an operation and was supposed to take it very easy. However, RON couldn't resist and called a few tips anyway.

Happiness is a dance with JACK LAZRY calling! The dance was very well attended including three couples from Buffalo, ie: HERB and MONICA SEITZ, ROG and DELORES GALLOWAY, and HOWIE and ALICE WILCOX; also a couple from Jack's home territory - Miami. TIP and MILLIE COSTICH stopped in to listen and watch for a while. They have recently returned from a trip to California and it was just great seeing them even if they didn't dance.

Swingin' Eights

Square dancing is such a friendly movemebri! At our REATH BLICKENDERFER dance were 39 couples from 7 area clubs, Newark, and Miama, Florida. Two new member couples were welcomed. BOB MEAGHER was all dressed up, thanks to D & C "HELP" and JUDY. Who forgot MARILYN? Clipity-clop, clipity-clop came the CZERNIAKS to the rescue. We visited EKC-O Squares, Country Twirlers, and Genesee Dancers, while Boots 'n Slippers visited us. We look forward to meeting new firends when our class comes to the Christmas Party. So very sorry that space forces us to close that dance.

One County Legislator squares up. Congratulations again, JOHN ROMANO. FRED RADER advises YMCA membership for all men. Did you give some boy a scholarship? You can still contact FRED.

BUD MACOMBER and MIKE PRADO staged a suprise birthday party for FRAN and MARY at Miss Rita's. Was BILL SHEP-LER suprised when that "Wedding Parade" appeared on his birthday! Was it inspired by both son and daughter being altar bound? Do hope that TOM VAN NEIL is back dancing before this is read. Hear SALLY lost her wig. While DE LORM's son is teaching in Australia, his wife and daughter came to visit. Over Thanksgiving our Honorable President took his family square dance camping in Virginia to warm up for a Christmas trip "all over Florida". BILL and HELEN KLEIN enjoyed a week "all by themselves" visiting old friends and scenes in their native Detroit.

Travellers - check with TOM - he'll call in Upstate N. Y, and N. H. before leaving for Florida - Sarasota the 17th - Clearwater the 22nd - Christmas at Ft. Lauderdale with Mother and family - more to be finalized before coming north to Lynn, Mass. for the 31st. Sorry about that Mini-Profile date but we did read it Nov. 9th.

Congratulations to a fine slate of new officers! Looks like a Happy New Year after a very Merry Christmas.

Triggers

Veteran's Day was busy for the Triggers! With schools closed for the holiday, we danced at the partially-completed St. Jude's Church and earned our Unfinished-Building badge. We showed movies and slides of recent club events and earned the Projector badge. And we capped our Happy Retirement tribute to BEULAH and FRED JANTZ by awarding them with a special Trailer badge. HELEN ALLEN's Florida-shaped cakewas so good that we couldn't guess whether the recipe came from Good House-keeping of the National Geographic..... Good luck, Jantres; but remember, we're only loaning to Florida, so we expect you back to dance with us!

The liveliest class in years has graduated, and we welcome their accomplished dancing and high spirits with open arms and crossed fingers. You don't often find a class this good. You'll see their names attached to this article; congratulations to every one! The graduation dance owes its success to the NESBITTS (final exam), the BRITTS (ceremony), the ROYS and TEARS (refreshments), and JUJY GRAVETT (decorations), as well as to all who came and offered their support.

we also extend a special welcome to new members GUS and JULIA ANTINORA and to PAUL and CAROL TOWLSON. We've enjoyed dancing with them as they got to know us, and we are pleased that they have chosed to join un formally.

Reminders: The December 16th Christmas Party, taking shape under the guidance of the KAUSCHES and the FELJOR-CHUKS; the New Year's Eve Party, organized by the WORD-INGHAMS with help from the TSCHORKES, the RITOLOS, the WAYES, and GAGE TRANSUE (\$3.00 per person, including midnite buffet); and the new beginners class at English Village School, January 8th at 8:00 PM.

Twirl A Rounds

Hope that everyone had a pleasant Thanksgiving this year and that we are not alone in feeling like a "stuffed bird". Every year I say "Not again" but then comes the day and I forget.

We wish to extend our belated yet sincere sympathy to GEORGE BETLEM on the passing of his mother. Also to LARRY DEISINGER on the passing of his brother.

Congratulations go out to EDWIN SMITH. He won the election in Parma as the Republican candidate for Justice of the Peace. He is a well liked person so we are not too surprised. Anyone for eloping?

MURAS, LOWS, DE GRAVES, and FALLS spent a weekend at the Park Motor Inn at Niagara Falls, dancing to FRANKIE LANE, DAVE TAYLOR, and the STAPLETONS. Excuse, please, if we missed any other names.

The "Holly-Daze" Christmas Party put on by DORIS and LA VERNE REILLY, at the Treadway Inn, Niagara Falls, is being held December 7th. This is one dance your reporters plan on attending. We will report more on this the next issue.

Our club Christmas party will be held December 17th at Sunset Lanes again this year as in the past. Please contact the DE GRAVES for info if you plan on attending.

As the Astronauts take off from their launching pad, circle the earth, and land on the moon, I can't help but chuckle a bit and think back at Astro ED COOPENBERG & Co, Astro WICK (JOLLY GREEN) LAURER, when they made their "splash-down" at AL and MARY's Halloween Party. It created quite a "jolt" for all. Can't think of two more deserving fellers!

It's a little bit early to think of the little boy going down to "ye ol' fishin' hole", but for those interested, Psssst----- I know the back way to JERRY COLTY's new bait farm.

It's hard to believe that Christmas is almost upon us again. Guess we'll all have to get busy and dig down in our old sock and give Santa another boost.

"Merry Christmas" and a "Happy New Year" from our club to yours.

Wayne Westerners

With the ghosts and goblins gone for another year, we are looking forward to the Christmas season and the New Year. The Wayne Westerners are planning a big Christmas Dance to be held December 20th from 8 to 10:30 in the Marion Elementary School Gym. We are giving a prize to the club that has the most members at the dance. Let's see which club can bring out the most couples. Come and join us!

We would like to welcome JICK and JOAN MANN to our club. They recently came to us from Connecticut.
