Spring is here! Classes are graduating, and new dancers are entering the clubs. This is going to be my first real serious column. I am taking this opportunity to help the new dancers by putting down a few important rules on the dress and etiquette for square dancers.

Men's Dress

1. Shoes - necessary, especially if you want to appear gracious in de-feet.
2. Belt - in most cases necessary to stop a disaster.
3. Shirt - should have collar and cuffs, or both.
4. Hair - not necessary, but apparently side burns are.
5. Hat - not necessary, unless you are dancing up a storm.

Ladies' Dress

1. Dresses - are necessary, mini, maxi or duck.
2. Petticoats - should show only at the bottom.
3. Belt - necessary to break up the contours.
4. Hair - teased or re-teased, on head, any shade.
5. Fancy laces- not necessary on shoes without laces.
6. Anything else, true or false, should be hidden.

Etiquette

- 1- Don't enter a set that already has four couples unless you intend to round dance.
- 2- Always put your best foot forward, if you have one.
- 3- Don't allemande left your left hand lady if she is right handed.
- 4- Don't bow to your partner unless you are facing her.
- 5- Don't goof up a set unless you know what you are doing.
- 6- Don't imitate the caller - he is supposed to stand still.
- 7- Don't star thru with your left foot.
- 8- Don't whistle for your corner if he or she is out of position. Call them gently. Say, "Hey Gently, commere."
- 9- Don't walk out of a set, unless the other three couples leave you standing alone.
- 10- Don't talk during a dance unless you can hear what you are saying, that way you won't offend anyone else.

If you follow these rules, you will never go wrong more than once, I think.

To the new dancers: Don't believe all you hear about me. Nobody, but nobody, could dance that lousy.

Thanks anyway,

Hal Abberger

Editors note: If this looks familiar, it is. This originally appeared in the April, 1969 Promenader and we and Hal agreed it was worth rerunning at this time.

The doctor was apologizing to the elderly gentleman who had been waiting for two hours in the outer office. "So sorry to have taken so long with my other patients," he said.

"Oh, that's all right," the old man replied. "I just thought you'd rather treat my sickness in its early stages."

Letters to the Editors

ROCHESTER AREA FEDERATION OF WESTERN ROUND AND SQUARE DANCE CLUBS INC. ROCHESTER, NEW YORK

April 5, 1970

F. Carl Marachkov, Editor
Promenader
64 Whipple Lane
Rochester, New York 14622

Dear Carl:

Dance-O-Rama '70 is over, the decorations have been removed, the cafeteria tables are back in place, and all is quiet at Bishop Kearney High School once again. We can now sit back and ask ourselves, "How did it go?" Personally, I feel it went terrific.

Through the medium of our Federation newspaper, the Promenader, I would like to publicly acknowledge the great job done by Bob Vreeland, our Dance-O-Rama Chairman, and all the committees that pitched in to make this the fine dance that it was. Bob was originally slated to serve as Co-chairman this year and as Chairman in 1971. Give Bobb got the ball rolling as the original chairman but had to step out for personal reasons. This left Bob with the job of putting on "his" dance a year ahead of schedule. And what a wonderful job he did!

Of course we must give due credit to the excellent caller staff we had this year. With callers like "Singing" Sam, Ron Schneider, Jim Mayo and Jack Kay, we couldn't lose. Naturally thanks go to Charlie Tucker and his fine helpers for supplying the rounds for the day.

Looking ahead to our Fourteenth Annual Dance-O-Rama, Chairman Bill Wilkinson has lined up an old Rochester favorite, Gloria Roth (remembered by most of us as Gloria Rice), and her husband, Johnny Roth, along with Karl Johnson and guitar playing Reath Blickenderfer.

Again, thank you to all who worked so hard to make Dance-O-Rama the success it was. Should any of you in our dancing public have any suggestions on making improvements, let's hear from you.

Happy dancing,

Ed Haddleton, President
177 Elmgrove Rd.
Rochester, New York 14626

Dear Editor,

I must admit it is only fair to comment when it is deserving. For we so freely condemn when we are dissatisfied.

As one member kept saying this Dance-O-Rama is going to be second best we ever put on--because next years is going to be the best. I'm not saying he was wrong, but next year will have to go a long way to top this year's dance.

I believe this remark was made with tongue in cheek, or like so many others he was apprehensive about the success of this year's dance. Well---it has been proven once again, that the "square dancer" is a hardy lot, with a lot of understanding, for apparently he "forgave and forgot", and was only interested in the enjoyment derived from this pastime and its continued success.

It was very gratifying to hear from all the people who expressed satisfaction and how much they were enjoying the dance. This goes for both the student and the advanced dancer, and both levels volunteered these complimentary remarks very freely.

It only leaves me with one thought in mind; we need more space to take care of our square dancing friends.

John Moylan

The Dance-O-Rama attracted 20 couples who all reported very favorably on the fun and fellowship. This annual affair is rapidly becoming a major event on the club calendar. One of our members, Dorothy Fish by name, had a badge problem but an enterprising individual came to her rescue.

Recently several club members and their families enjoyed vacations in the warmth of the south. Included were such names as Brooks, DeSantis, Fordham, Phelix, Sutorius and Foster. The Fordhams had a rather unique experience while at Pompano Beach--it involved attending the sixth anniversary party of the very friendly Pompanaders. It was also reported that the Fordhams went to "the dogs" while in Florida.

Wayne Westerners

We wish to thank all the people that were involved in the Dance-O-Rama. We from the Wayne Westerners enjoyed ourselves very much.

Our thanks also goes to the D-O-Squares for having us as their guest. Their guest for the evening was also the teen groups. They were a joy to watch, the most enthusiastic bunch of kids I have seen in a long time. Hats off to them. Wish some of the kids around here could see the fun they were having.

Our class graduated on April 16, a big addition they are to the club. They will keep the club busy to keep up with them.

By the time you read this edition, I hope that most if not all of you have had the pleasure of enjoying Red Bates with us.

Our next big event is our Apple Blossom Dance to be held in the middle school in Williamson. This year we are having Jerry Carmon.

Our sympathies to Jim Cox on the death of his brother.

See you at our Apple Blossom Dance.

.....Art and Laura Tierson

Twirl A Rounds

All Twirl-A-Rounds extend their sympathy to Chuck Dolan on the recent loss of his father.

Our class graduation on April 15 was funtime. Our graduates can even dance blindfolded!

We welcome the following new members to our club.

Carl and Alice Babcock
 Jack and Joan Henneky
 Danny and Elaine Mance
 Don and Dorothy O'Connor
 Don and Joanne Peters
 Fran and Thelma Pratt
 Bill and Ruth Rauch
 Ray and Lucy Stoddard
 Dick and Flo Szoch
 Dick and Betty Weber
 Harley and Jean Webster

Marve Falls has been sick with a sore throat but we think it is "Grandpa to Be Jitters".

Cody and Eicha camped at Myrtle Beach at Easter time. Barb found her first Sand Dollar.

George and Una Shaw are so busy with plans for the May 1st Muscular Dystrophy Dance that we hardly see them.

Does anybody need anything--anything at all--just check Gordon's briefcase.

Jane and Dick Laurer are heading for Petersburg, Virginia to do a little visiting.

Quite a few of our lucky club members have started work on their summer tans as they return from vacation--Larry Deisinger being the latest to return from a golfing holiday at Pinehurst.

LATE BULLETIN Fall's grandson, Daniel John, arrived April 16-- all seven pounds, one ounce of him. Now Marve and Jay really have "That Happy Feeling". Congratulations.

Hurry! Hurry! Hurry! Step right up and get your tickets now for our annual Spring Fling! If you want to dine and dance with us on May 19th, Dick Hess and John Bo will be happy to trade a roast beef dinner-dance ticket for \$2.75 if you're a club member or \$3.75 if you're a guest.

Deadline for purchasing tickets is May 12th. We expect to have good food, dancing, entertainment and fellowship, as usual.

It's getting harder all the time to tell the hobos from the hippies and similar ilk. Our Intermediates class had to bum around with a motley crew of Trigger hobos on April 16th, but they seem to have survived the experience. The school gym didn't look much like a railroad boxcar, the hall contained nary a gleaming rail, and there was no outdoor campfire or pan of beans, but the enthusiasm of the participants made these things unnecessary anyway. That souvenir of D-O-R, the ticket that you still have, was printed through the efforts of Jim Tears. Bernie and Marguerite Nesbitt were our representatives on the D-O-R committee. Our club's contributions for the tickets and the committee ribbons were well done, don't you think? Many thanks go to our hard working friends for helping to make this D-O-R another local success.

Before we abandon the subject of D-O-R for another year we'd like to pass on a few observations and comments. We had a lot of fun. The callers were good. It would be more comfortable to dance for a long period of time in air-conditioned halls. The cost of the dinner seemed high. We missed the Town and Country display of merchandise, and also the hand-made genuine leaf jewelry which was offered at an earlier D-O-R. Some sort of dressing room and mirrors should be provided for concerns displaying clothing. We were pleased to see the fine assortment of items offered by the Ox Yoke Shop of Simsbury, Conn. and we hope they will come again. The decorations were well done. It is suggested that after supertime next year Rounds might go on in the smaller hall while square dancing continues in the larger hall. Callers with clear enunciation should be a consideration in selection, as it was difficult to consistently understand one of the callers. The lower hall was quite slippery around the perimeter. All who worked on any aspect of the D-O-R are to be congratulated for helping to achieve a happy time for all.

Swingin' Eights

Cara Amici: On the evening of March 20, about 10:00 a graduation party was given to nineteen couples. Russ Jenkins calling each name while Doris presented the diplomas. Their new badges at this time made them full fledged Swingin Eights. The highest badge ever goes to Mary and John Fenton for giving their nights and time one hundred percent without missing one class in assisting Wells Cary is home from the hospital after surgery and is feeling very good. He has lost 27 pounds and is he ever handsome! He says he is going to stay at 182 if he can stay away from Nurse Mary's (his wife) cooking. Wells said "My wife cooks supper every night like it was Sunday dinner". From now on I'm going to eat in a more refined manner. Nurse Mary wishes to thank everyone for being hospitable and generous and also for the many get well cards.

Mary and Frank Ciaccia wish to express their gratitude to Swingin Eights members for the expression of sympathy and loving thoughts.

Congratulations go to Arlene and Will Shepler whose son David was married to lovely Shelia on April 4th. If you don't see our presidents Jean and Tom Johnson this summer, it is because they have gone into baseball. Tom has been managing Little League for a good number of years. This season he is taking over a well developed major team. Incidentally, Jean is as goofy over baseball as Tom is, so she will be traveling with him. They have two boys and play almost like pros.

After leaving Japan touring with Al Brundage "Fran Baby and Buddy Boy" (Maccombers) jumped off at Mexico. They stayed two days at the Hotel Del Prado and three days at the Balsa Hotel, Mexico on famed Avenida Juarez. Dorothea and Ray Brayer are taking a few days from dancing, traveling to Chicago for two days, Fairbanks,

Alaska three days, then five days to Osaka, Japan for the World's Fair.

The following gents have been seen in a Charlotte Barber Shop. Wells Cary, Will Shepler, John Barker, John Soltysaik, Russ Jenkins, Bud Macomber, and Tom Trainor. Do you know that Ruth and Slim Kreutter leave Rochester in their trailer the week before Memorial Day and go and go until they reach Canada? Thengo again, and some more and don't come back home until the week before Labor Day? Remember summer dancing at Mosea Rogers: June 6 and 20, July 4 and 18, and August 1.

Rochester Rollaways

Well, everyone is back from their Easter travels. Pike's who had gone to Florida before Easter, reported having fairly nice weather, but the group that went to Myrtle Beach was plagued with rain and low temperatures. Lillian Stork was unlucky enough to get a bronchial congestion that made her miserable the entire time of their stay in Florida and she is still somewhat under the weather.

At the last dance Deuce Williams called for us, he had been conjecturing what would happen if I ended up opposite Bill Wilcox for an arky star thru. The very next tip we were in a square with the Wilcox's and Deuce worked hard to set up just that situation. When it finally came, I looked across at Bill and blew the whole thing by fudging the results. However, Deuce caught me and made us do it over. It's just not true that Bill had to get down on his knees--I just jumped a little and it went off fine.

Congratulations to all the people in the Rochester area who worked on Dance-O-Rama. Tho' we weren't able to attend, all who did said it was a huge success.

Congratulations go also to our three new board members: John and Betty Johnson, Don and Norma Weekes and Bob and Doris Decker.

How about that dance with Lee Kopmann--wasn't it just great? We were so glad he was able to bring along his lovely wife Lillith. I don't know who had more fun - the club or Lillith who modestly confesses that her husband is probably the greatest caller in the world.

About ten couples will be going to Ohio for a weekend with Geo. Jabbusch, Dewey Berry and Deuce Williams.

I must report that we will no longer have representatives in Syracuse. No-the Bonhams are not leaving the club, they are moving into the Rochester area because Brian now has a job with Xerox.

Once again Dance-O-Rama is a pleasant memory. Eighteen couples journeyed to Bishop Kearney School to join hands with all the other wonderful folks of "Western Square Land". The report is that the dancing was real fun, callers excellent, and the food superb.

Although Dance-O-Rama was the following day, 70 came for the Pot Luck Supper on April 3rd and stayed until the very last tip. Just brushing up a bit, I guess. We had guests from Wheelie-Way Twirlers, Cloverleaf Squares, and Irondequoit Squares. Always happy to welcome guests!

Thirteen couples from Lima Grand Squares went to Elmira on March 30th to claim our travelling banner from the Soaring Whirlers. All report a real fun night and really worth the long trip down.

Our humble apologies to Lysa Wilson for omitting her name from the list of graduates. Sure shows these publicity children are slipping a bit.

Sympathy is extended to Lois and Nelson Lloyd on the death of Lois' mother, who passed away Easter Sunday.

We miss Vangie and Howard Eddy and do hope Vangie gets well soon. She has a chipped bone on her shoulder and is in a neck brace.

And - there is Ness and Bob Meisig and Theresa and Eric Scheast, we miss you!

Our last Pot Luck Supper will be held May 5th. It says "Happy Mother's Day" on our dance schedule. Does that mean Dad is taking over the dish washing detail? Gee, that's great, fellows!

There will be no dance on May 20th, Memorial Day weekend. No doubt the campers will be heading for the hills, the lakes, and the parks.

Hope you will all attend the other dances scheduled and make the most of the time because June 12th is the last dance of the season - no dances until September in the Lima Town Hall and no dances at the Barn this summer.

Irondequoit Sqs.

April was a busy month for Irondequoit Squares with Dance-O-Rama, Leo Poppen dance, and guest nights at Lima Grand Squares and Gayne entertainers. Now we look forward to two special events in May. The first will be on May 1st when the Pairs and Squares Dance Club from Syracuse will be visiting us. This always proves to be a happy evening and we look forward to Loug Schultz and his club dancing with us on this evening. The second big night will be our Trail and Dinner Dance, this year to be held at the Pittsford Tavern on the Mall. This is always one of the highlights of our club's year and we're sure it will be so again this year. Tickets for this can be purchased from Joyce and Al Lanley.

Many of our members have been off vacationing now that spring is here. Asher and Marion Flint were off touring the state of Florida and came home with beautiful tons. The Clarkes are in Arizona and Millie Scott took a quick trip to California to see her son. We were happy to see Millie back dancing after her recent illness which kept her confined to home since December. Bud and Fran Macomber took a tour of Mexico with the Al Prundage group. Bud reports it was an interesting trip and he especially enjoyed Acapulco.

Ray and Eva Seymour did not let their weekend out of town guests keep them from attending Dance-O-Rama. Instead they brought their daughter and three grandchildren who were here visiting from Michigan along to D-O-R to see just what keeps Mom and Dad and Grandma and Grandpa so young.

We hope to see all of our members out in full force for our special May dances.

Henrietta Friendship Sqs.

Did you notice the new group of "Swingers" who were promenading at the Dance-O-Rama? Well, a good number were our graduates who thoroughly enjoyed being with the others who were experiencing what it's like to dance with a few hundred other "squares". We are looking forward to seeing them at the dances about town this summer.

Our club members who worked decorating both dance halls at Bishop Kearney for the Dance-O-Rama certainly came up with a lot of talent. Nice job gang--well done!

Paul & Ruth Waka from our graduating class sneaked off to Florida, no doubt to get a taste of dancing in the sunshine instead of what our weatherman has come up with around here.

Also Walt & Florence Schickler went south recently visiting Walt's brother in South Carolina and then on to Florida.

Judy Coe is still recovering from her mastoid operation. Judy--you and Jack are certainly missed. You are so much a part of us.

The club sends our sympathy to Charlie Riesenberger, whose brother Paul of Naples passed away recently.

The Finger Lake Federation dance at Watkins Glen, March 15, found the Tiskas, Van Neels, and our caller Don Pratt and taw, Lucille, among the dancers in attendance. Bob Page did the calling and they tell me he really kept them moving.

Attention Friendship Squares--Don't forget the Trail-End-Dinner and dance at Green Lantern Inn in Fairport, May 23.

With summer just around the corner, a lot of square dancers have visions of camping at Bonnie Brae. I am sure you is ready for "squaring up" at the Pavilion, which in the past few years has become a real popular spot with dancers in this area.

We shall see you there--or around and about at the other dance sites where without a stop we'll promenade right into the fall season.

Geneva Friendship Sqs.

By the time this news is read, new officers will have been nominated, elected, and installed in office, and the administration of Seretta, Mastellers, Millers and Goodrich's will have come to an end. The Geneva Friendship Squares wish to thank the outgoing officers for a job well done.

Of the many solid achievements of last year's officers, one of the solidest was the creation of a travelling banner. The banner is an exact duplicate of our club banner, but only one fourth as large. Genevieve Miller made it of green and white felt and it is complete with brass rod and gold braid for hanging it up. May I remind everyone that it only takes four invited guest couples to steal this banner.

We were proud of our beginners at Dance-O-Rama. The entire class except four couples turned out and danced every dance from 2 P.M. til 12.

Genevans are having their usual summer dances at the Pavilion at Seneca Lake Park. The schedule will appear in next month's Promenader.

Don't forget, on Friday, June 5th, Jim Schnabel will be in Geneva at our annual Summer Round-Up. This dance will be held at the Junior High Gym on North Street.

Come and dance with us. Regards---

Genesee Dancers

Our class graduated, cum laude, on April 7th. They proved to be good sports during a couple of initiation rites as well as good dancers, and they have a budding poet in their midst. One of the surprises of the evening took place when Don Duffin graciously relinquished the mike to Dick Casper, and Hallelujah the melliflous calls which came forth startled and pleased everyone. Look to your laurels, you seasoned square dance callers out there he's a conin'.

Sorry to report that our Helen Principe is in Highland Hospital for surgery. Let's keep the cards and good wishes going to this gallant lady.

Basking in the Florida sunshine while we are still sloshing our way around up here are the Borrellis, Reeds, Coopers, and Uebelackers. The Uebelackers have since returned looking beautifully tanned and disgustingly healthy to my envious eyes.

The Old Timers' dance on April 2nd brought back some nice, familiar faces, for what we hope was a pleasant time for them. It was a time to welcome those who have been absent too long and renew old acquaintances. Skirts and Shirts were our guests the same night and it is always a delight to see these yourn ones in action. They are like frisky colts.

The St. Patrick's Dance on March 19th was fun and an avalanche of cup cakes was received in answer to Carter's plea. Our social committee and decorations committee really came up with some good and unique ideas for these occasions and do themselves proud.

Saw some pictures of the Killenbeck baby, and he's a doll. What puzzles me is how pooped papa looks and how perkie mama is.

Fiddle A Rounds

The best way to begin this column is by catching up our "Thank Yous". So here goes, in chronological order.

First, to the Twirl a Rounds, let us say the round dance party was the greatest! It was an evening of pleasant dancing, delicious refreshments and colorful decorations. As for the entertainment, well those frogs were the grooviest ever heard this side of Montezuma!

Now we turn to all the people responsible for Dance-O Rama and express our appreciation for the long hours of hard work that go into making it such a success. Of course, being prejudiced, we give an extra "Thanks" to Charlie and Perkie Tucker for their teaching expertise and to all the round dance leaders who cued the rounds so well.

Our final "Thank You" we give most regretfully to John and Jeanette Conway, because in doing so we acknowledge losing them not only as our able reporters, but also as fine members.

The remainder of this column we devote to anecdotes overheard on the round dance floor; such as - - Into the middle of some constructive criticism between a wife and her spouse, a third party subtly injected the name of the dance being learned. "Try A Little Tenderness", was the interlocutor's advice. Back came the reply, "I did, but that doesn't work either!"

And on the debit side, this tidbit. On a "move-up-two", one lady passed along the word - "Hey, Gladys! You're getting a good one!"

Hang in there, y'all.

EKC-O Squares

Well, look who's back to square dancing and reporting again. Our thanks to Ed and Nancy Austin and Bill and Martha Schahill who took care of this column so nicely while Paul was convalescing from his operation.

Our first night back was April 8th - graduation night for our class of about sixty-four, who were given their "cum laude" degree by our instructor, Bob Ellis, assisted by his wife, June. It was a real fun night - starting off with a roast beef dinner, followed by the graduation ceremony. Then for some laughs as we either danced or watched the "broom dance". Enjoyed dancing to Ken Anderson's new hit "Raindrops Keep Falling on my Head".

Congratulations and best wishes to Dick Courmettes and Jean Pinckney who have announced their engagement and plans for a summer wedding.

Also congratulations to Larry and Betsy Lays on the birth of a baby girl, Kimberly on March 26th.

Sorry to hear that Al and Jean Hendrick had a trailer accident as they were coming home from Myrtle Beach. If it had to be, at least it was on your way back. Hope you had a good time while down there.

Don and Joyce Burnham were sporting a good tan after a Florida vacation. Also in Florida were Sue and Pat Borrelli and Doris and John Fitzgerald.

Helen and Owen Whitehead had a wonderful time at the Spring Festival at the Sheraton Park Hotel in Washington in March and Al and Ginny Malin and Joe and Margaret Ziilinski are all signed up to go to the week-end in Toronto.

Spring is finally here, so we look forward to seeing you at Rodak's Elmgrove Auditorium on Wednesday evenings. Remember on the nights that Ken Anderson is caller, his workshop starts at 7:45 P. M. til 9:30 P. M.

Country Twirlers

Hello again from the Country Twirlers. A hearty pat on the back to the people who arranged the Dance-O-Rama, it was an excellent job and a tremendous dance. Our new graduates were very enthused and enjoyed themselves enormously.

April 11, we were privileged to have Dick Leger call for us. It was a pleasure to dance to his variety of calling. His mixers and quadrilles were a novelty and were enjoyed by veterans and new dancers alike.

May 16 brings Frank Lane from Estes, Colorado to the Country Twirlers and on May 23, we are planning our trail end dance. With this we close for this month. Happy dancing this summer and we'll see you next month.

.....Ed & Millie Briggs

Boots 'n Slippers

Congratulations to Helen & Irv Davis on the birth of their first grandchild born March 15th. You are both such young looking grandparents.

Many, many thanks to all the couples who made our graduation dance such a big success - Congratulations to the 19 couples who became new members of Boots "N" Slippers on March 20th. Welcome to the club and may we have many happy hours of dancing together. Jerry Carmen has done a great job of teaching the class this year. Hope you all found your shoes that nite, and I understand Aub's skirt looked just darling on him.

Sorry to hear of the Fox's accident-Dorothy, how do you like those new type bucket seats. Hope Charlotte Sage has recuperated from her tonsillectomy. Our sincere sympathy to Doc. McCaffery on the death of his father.

Happy to see Gloria & Wayne Saylor back dancing after a long absence. I understand they look better than ever together. The Genesee Dancers were our guests April 10th Everyone had a grand time. We are looking forward to having the EKC-O Squares with us April 17th and the Swingin Eights will be our guests May 8th with Tom Trainor calling.

* 10 Plans are all set for our Trail-End dinner to be held at 3-Acres Party House on Whittier Road, Spencerport,

May 15th. Sounds like good food and lots of fun - Dinner to be served at 7:30 P.M., dancing afterward.

Remember, no dance May 1st because of the Charity Dance at Bates-Chili High School, 910 Wegman Road. Let's everybody support this worthy cause. Who knows, maybe we can win a trophy again this year.

See ya next month.

Our sincerest thanks to the committee that gave us such a wonderful Dance-O-Rama! The many, many hours of planning and hard work paid off with a day that was great in every respect.

All of our Easter travellers have returned safely from many points. Your correspondent pulled a switch and went north to Old Forge for a weekend of ski mobilling. Great sport and a lot of fun.

The final six weeks of this square dance season finds our club members hustling and bustling to finalize plans for: Kip Garvey calling April 20th, and Bob Fisk on the 27th.

Our class graduation takes place on May 4th and that promises to be a great night.

May 15th will find us at the Doud Post for our Trail's End Dance. After that, some of will relax a little to pursue the little white ball or the finny friends of lake or stream. Then all at once August 22nd will be

upon us and we will head for Alfred and the swing of things with a day of dancing. A great way to get back in shape for the fall season. Anyone interested should sign up soon for the allowed number of reservations is limited.

Dick and Mary Stroh get our award of the month.

In closing we just want to say -- THANK YOU -- ALL.

Batavia Twirlers

A "thank you" and a job "well done" cannot only be expressed to Leo Parsons, our class caller, but to his faithful Taw, Mary Ellen, for all her support and work for the 1970 graduates.

Our deepest sympathy is extended to the Dolans, Richs, Torcellos, Forsyths and Mohorsts on the loss of their loved ones.

As of this date, Ginny Walker and Barb Leggett are on the road to recovery. Keep up the good work!

The "Camp Out" committee is overwhelmed by the response this year. We are sorry to announce that the dance as well as the camping has to be closed on account of limited space. Last sign-up date is May 16th.

If we gave "Travel Badges", the Twirlers sure would win first prize. Hope the Goodmans, Saunders, Yellers, Finchers, Armisons, Moultons, Andrews, Campbells and Lunds just to name a few, will be back dancing with us soon.

.....Don and Lucile Palmer

We meet Tuesdays at 8:00 PM at the First Baptist Church in Fairport. The age limit is 17 - 35. We are always looking for new members.
