Rochester Callers Co-op Formed; Prister, Wilcox Elected

In April of this year a small group of dedicated leaders in the local square dance movement met and formed what is simply known as the Rochester Callers Co-op. The purpose of this group is to open channels of communications between the callers and to provide a self-help group clinic to discuss for the benefit of the members various facets of the square dance movement that we felt would be of common interest, such as one night stands, voice training, and choreography background with workshop of new and old material.

We recently held our first regularly scheduled meeting at the Monroe YMCA, where, with the exception of accidentally locking out one of our original starters, we had an enjoyable afternoon. The topic strangely enough was the One Night Stand. Chuck Prister, who was elected co-moderator, along with Bill Wilcox for our fledgling year, did an admirable job of presenting some interesting ideas to those present. It was a pleasure to have Mike Callahan back after his recent release from the Army.

It would be nice to that all the local callers were present, but that unfortunately was not the case. There were some among the missing, and new ones among the present. The talk sessions are based on the idea that several individuals are to present various topics through the year, and be prepared to defend or further clarify the position they have taken. It is done in a spirit of friendship and no blood is spilled in the process. Arrangements have been made to have a voice teacher come in and conduct a clinic on breath control, diction, and corrective exercises.

The callers group meets on the first Sunday of each month at the Monroe YMCA and is open to all who are callers, or would like to be callers, or are interested in finding out something about the field. For further information call Chuck Prister at 266-1818, or Bill Wilcox at 342-2265.

Letters to the Editors

Editor's Note: The following letter was received just too late to make the June issue. Your bumbling editors then mis-filed it so it didn't make the September issue either. With apologies to the Shaws, we finally get Barb's letter into print.

May 12, 1970

Once again the dancers have shown their genuine interest in others. Our 3rd Annual Muscular Dystrophy Benefit Dance was an overwhelming success.

Boots 'n Slippers won the trophy, donated by the Brandts and hand made by Dan Brandt.

The Dick Webers' are planning for the Kingstin Weekend in July. The Altimeters are enjoying the portable bar won by Don. The tape recorder went to Buffalo with Dick Schwartzatt of the Whirl-A-Ways

The teen trophy was earned by the Hilton Hillbillies.

Many thanks go to the committee chairmen and their workers. With their enthusiasm and that of 700 smiling square dancers, the dance had to be a success.

Patient Bob Lawson accepted a check in the amount of \$1,180.25 for M.D.A.A. This included a generous donation from Lima Grand Squares, since they had a scheduled dance on the same date.

Due to the response of the dancers when Bud Redmond asked about another dance; and since he, Joe Reilly, Bruce Shaw, the DeGraves, and the Tuckers are willing to donate their time once again; we have scheduled our next dance for May 7, 1971. So mark your calendars now!

Belles 'n Beaus

Our fall season began with an open house dance on Sept. 14th. It was good to see many of our members after the summer "rest period". We had a very encouraging turn-out of new dancers, a very promising class appears to be in the making.

The Alfred dance was all that had been anticipated despite the rain and the firemen's parade in Hornell. The hundred couples who attended had a fine afternoon and evening of dancing, eating, and partying.

Ed and Doris Haddleton spent a week camping and fishing with Art Harris and his wife Vera this summer. We hear that Art's capability as a caller does not carry over into his fishing skill. Vera was the champion fisherman. (fisherwoman?)

Sorry to hear that Betty Selbert is in Northside Hospital. Hope her stay is completed with alacrity and dispatch.

The Raynors had a very nice time square dancing in Maine this summer at a place called Papoose Pond.

The Warners, Phil and Irene, had a young lady guest from France this summer at their home.

Beryl Incardone was unable to dance this summer as a result of dropping a dresser drawer on her toe. Beryl- if you must drop such a thing, the best place to drop it is on the floor.

We are all very pleased to see Joe Hurley and his wife back on the dance floor after such a long absence. Glad to have you back, Joe.

We are looking forward to dancing with the Boots 'n Slippers on the 18th, with Al Howe calling.

There will not be a Belles 'n Beaus dance on October 12th due to the school being closed.

.....Jan and Frank Myers *

Boots 'n Slippers

We got the new season off with a bang this year on Sept. 11th, our open dance, with Jerry Carmen and Mike Callahan calling for us. Everyone had a great time. Hope this was an incentive for all our prospective square dancers. It sure was great to see so many club members back dancing again.

Best of luck to Geoffrey Davis, Helen and Irv Davis' son who joined the Air Force Sept. 9.

The Boots "n" Slippers took all the prizes at the Rotary Dance at Holley, Sept. 12. They had the most couples there, and our own Arleen Semmler took the prize for having the prettiest dress. Congratulations!!!

We are all looking forward to the Hayride at Judydel and Bernie Hinkson's Oct. 10. Don't forget the date.

Keep Oct. 23 in mind, Stan Burdick will be with us. Those who came last year had a real great time. Let's have a big turnout again this year.

Well, another season of dancing has started with lots of enthusiasm. Let's all get out and support our dances this year.

.....Betty and Fran McAllister

Country Twirlers

The Country Twirlers demonstration dance Aug. 21 at Westgate Plaza was a huge success. The club members turned out real well and a great deal of interest was generated for our open dance. The club received a good write-up in the Gates-Chili news.

The open dance on Sept. 12 brought out the members in large numbers. Many guests were welcomed and a good share of them signed up for the new class.

Jim and Mary Ann Higgins join Hal and Fran Pyritz as delegates to the Federation and we know the Country Twirlers are well represented by these two couples. With both couples being former officers the Federation will also gain by having them as delegates.

The Country Twirlers will present their first national caller of the season on Fri. Nov. 13, a man who needs no introduction, Curley Custer! With this we say to all our friends happy dancing in the coming season and come visit us in the near future.

.....Ed and Millie Briggs

EKC-O Squares

87 EKC-O couples began the season with a bang to our welcome ball dance on September 11 at the Green Lantern Inn. Ken Anderson was at the mike while Betty Wolcott cued the rounds.

Dick and Audray Weber are busy soliciting subscriptions for the Promenader. If they maintain their open house pace, we'll all be signed up by Oct. 1.

Swingin' Eights and Irondequoit Squares will be our first guests of the season on October 14. We look forward to this evening with these two fine clubs.

Open House was a swinging affair as many enthusiastic friends and neighbors were on hand to sample the delights of Western Square Dancing. Both Ken A and Bob Ellis took turns at the mike to keep the pace moving.

There will be two excellent guest callers during October and both should be listed on your calendar. Jim McQuade (Tonawanda) is scheduled for Oct. 7 and Dick Jones (Long Island) for October 21. Visitors are welcome to all of our dances.

Special thanks to Bill and Martha Scahill who begin as Promenader Correspondants in the new issue.

.....Ed and Nancy Austin

Fiddle A Rounds

October's bright, blue weather is upon us and once again the Fiddle-A-Rounds are at their home base at the Echo Club. It didn't take long to get into the swing of things. We took an evening or two to get our feet and brains working in unison and then tackled a new round, Canadian Quick Step by name.

If we may, we would like to digress from October and make note of some of our September activities. It seems that Labor Day doesn't signify the end of the vacation season to many of our members. We had reports that Jim and Mabelle Bushnell enjoyed the autumn days in the Adirondacks; the Prados, Browns and Riesenbergers travelled to Brockville, Ontario, to join the fun of the Canada Capers; the Falls, DeGraves and Whiteheads spent their Labor Day holiday dancing at the Manning Smith Weekend in Binghamton; and the "King of the Road", Tip Costich, and his queen, Millie, were on the move again to Cape Cod, or Myrtle Beach, or some place like that. It wasn't really definite when this report went to press.

Now that's all the news for the F-A-R's; but before we sign off, we want to put in a plug for a new round dance club being formed by the Tuckers in beautiful, downtown East Rochester! Yea! (We were beginning to think that dancing would never get here.) The group will dance an easy and intermediate level and will meet at 8:00PM on the first and third Fridays of each month at the First Presbyterian Church, East Avenue near the corner of Main Street in East Rochester. Don't miss a good chance to enjoy some great dancing with some groovy teachers. Hope we see you there!

.....Ralph and Georgia Guenther

Genesee Dancers

Three sets of Genesee Dancers and two sets of Teen Twirlers put on a demonstration dance at Midtown Plaza, Sept. 9 for National Square Dance Week. Jim Dunbar, Dick Casper and Ed Butenhof called. The Tuckers handled the "rounds".

Our heartfelt sympathy to Ollie Ransco on the death of her mother who resided in New Jersey.

The Bennetts are raking in the shekels every Thursday night while the Reeds care for their grandchildren in North Carolina. Team work - that's what it is.

Parents' week end at Annapolis found the Caspers on hand for a visit with their son Rick.

"Scotty" Shaw, son of Ralph and Barbara is 1970 Poster Boy for Muscular Dystrophy. From the TV appearance we saw "Scotty" looking happy and as if he had the situation well in hand.

Bea Westwater we are glad your hospital stay is over and that the blessing of good health will be yours. Hope it was a friendly little germ that got you - one who didn't intend to do much harm.

George and Delores Hopkins are taking subscriptions for the Promenader. Price is \$2.00.

Seen about town: Al and Blanche Hoffman, Norm Steinmiller and son - rooting for the Red Wings.

A nosegay to Ruth Lane who took five weeks out awaiting the arrival of her grandchild, and then managed to be on hand for our first dance. It's loyalty like hers and Clare's, Cliff and Laura Fulton's (they make the coffee for the class every week, and fill in where needed at other times) that makes the job of the officers a more pleasant one.

HELP! Bill and Doris Lieber have three married children, became grandparents five times within the past year - no multiple births. HOW?

Hube and Shirley Cole will be our first official host and hostess in a plan for every Club dance to be so served.

Geneva Friendship Sqs.

Although not quite all Genevans have reported in for fall dancing, we have reason to believe that everyone has survived the vacations. Red Good became seriously ill in August and was hospitalized for a week, but is now on the mend. His doctor has forbidden him to dance for a while, but we hope it will not be too long before we see him around again.

Don and Genevieve Miller have been saddened by the death of an infant granddaughter. The baby was one of twins and the surviving twin is doing well.

We ended our summer season at Seneca Lake Park on Aug. 19 are at present busy getting a class started. We have a long list of prospects.

Our first fall dance on Sept. 11th was peculiar in that we had no caller. The turnout was good and included six guest couples from Canandaigua and Rochester. We danced to tapes and records. Jim Waters cued rounds. The first refreshment committee of the season, consisting of Chet and Helen Gridley, Al and Edie Adams and Bill and Jean Buell put out dandy food. Everyone had a good time free of charge.

We are proud of our caller, however, since the reason for Don Pratt's absence was due to the fact that he had been asked to be Master of Ceremonies at the Square Dance Week Festival at the Big Flats Shopping Mall.

Watch our dance schedule. Geneva has an interesting program for the 1970-71 season.

.....Clayton Keyes

Henrietta Friendship Sqs.

Our open house on the 14th found the club members as well as the four squares of newcomers enjoying the basics. Isn't it surprising how those basics can be a bit confusing when taken apart?

Many of our beginners have camped at Bonnie-Brae and already have had a taste of square dancing. This year teen-age daughters and sons are invited to dance with their parents as partners. About a dozen of this younger generation joined us last evening. They seemed to enjoy our footwork, several having had a taste of it at Bonnie-Brae.

I was very observant of one of our club members in particular. His Mrs. danced but only a couple of dances with her husband. He was ever so busy swinging the sweet little lasses with the long tresses.

This reporter apologizes to Bill and Julia Niel as last month I forgot to mention that they also attended the Louisville convention.

Caller Don and taw with the family attended a big dance in Bloomsburg, Pa. this summer. Dick Jones did the calling. Don had just had the cast off his leg. They also recently returned from visiting Donnie and Katie at Fort Dix. All's well.

Henrietta Squares were represented at the Kraut Festival in Phelps. That is getting to be a lively summer holiday.

We are sorry to hear that Don DeAugustino had been ill most of the summer. He spent most of the time recuperating at Bonnie-Brae.

Oh, I almost forgot to mention a trip yours truly and the Riesenbergers took this summer. We traveled all the way

to the Amish country and really enjoyed ourselves--gone a whole two days. We are the travelling foursome--by now all club members should realize this.

We are very much concerned about who it is who is stealing the -e- from the camp sign at Plattsburg. Yes, Art does know about this because he puts it back--after all the name of the camp is Bonnie-Brae not Bonnie-Bra.

Irondequoit Sqs.

October is here and the fall dance season is in full swing. We are glad to report there was a large attendance at Open House on Sept. 12. Callers Bill Wilcox and Bruce Shaw put the "would be" square dancers through some of the basic calls and the club members danced a couple tips to show how they will be dancing come next spring if they join the class under the able direction of Bruce Shaw. (By the looks of some of the squares on the floor by the "experienced" dancers, not too good an impression was made at times unless the faking going on covered the mistakes.) Anyhow, a good evening was enjoyed by both "old timers" and the "hopeful new dancers".

This month is guest caller time for our club. On Oct. 12 Jerry Carmen will be putting us through our paces and on Oct. 24, Mike Callahan will be handling the mike. On Oct. 31 we will be dancing with the Swingin' Eights for a Halloween costume dance. Tom Trainor will be calling for this dance. We always look forward to these combined dances, so get your costumes in order and join us this evening.

It seems some badges of distinction were earned by some of our members this summer at Bloomsburg, Pa. The Idiot Badge and Grasshopper Badge was earned by the Manleys, Davidson, and Andersons and the Swinks were awarded the Idiot Badge. Are congratulations in order for such accomplishments? If so, congratulations to these couples.

Diane and Mark Weisskopf are taking a leave from the club for this year while Mark is attending Purdue University in Indiana. We wish Mark well at school and hope to see them back dancing next year.

We were sorry to hear of the death of Jon Anderson's mother recently and extend our sympathy to Jon and Priscilla.

It's always nice to be invited as guest of other clubs and this month on Oct. 14 we are guests of EK-C-O Squares and Oct. 27 guests of Triggers for their Crazy Hat Halloween Party.

Lima Grand Sqs.

Once again we are back at the "Old Town Hall" trying to get back into the "swing of things" after a summer of loafing, camping, sightseeing and travelling.

Our opening night, September 11, found 9 sets ready and willing to enter into a real fun night of dancing and greeting old and new friends and most of all to brush off the cobwebs and settle down to some real good dancing.

Sympathy was extended to Roger and Leu Buckler on the loss of his mother and brother this past summer. The August picnic which was to be held at their home, was held at Nelson and Lois Lloyd's old school house. Peggy and Dick Swingle who have been our delegates to the

Federation was given a special thanks for a job well done and Gordon and Joan Spencer was appointed to take their place along with Jean and Howard Honlett, who still have another year as delegates.

Monday, September 14, will be "Open House" for our new fall class of dancers and from all reports, there will be another big class to swell the ranks of Lima Grand Squares.

Charlie and Gwen Bush have some real tricks up their sleeves for Fun Night and there will be a chance of earning some real fancy badges. So maybe you would like to join us on Friday, Sept. 25 to see "what's cooking". If you can't make it that night, do drop in soon, we love to have "company".

Rochester Rollaways

October, the month of ghosts, cider and Jack Frost is here. It brings dances with Marty Van Wart, whom the Warschkows danced to in Maine, Lee Kopman and Wes Wood. After months of Thruway travel between Rochester and Syracuse, Brian and Shirley Bonham have moved into their apartment in Webster. It will take them about 1/3 of the previous time to get to Rollaway dances. Andy and Carol Kelley happily report that work has started on their new home.

Club members wish to thank Ambrose and Dorothy Baker for the very enjoyable tape dance. Not only did we get rid of the "rust" but also learned a new call, the Hot foot spin.

The week after the Miss America Pageant, Atlantic City hosted a group of square dancers who came to dance to Lee Kopman and George Jabbusch. The Bakers, Betlems, Bonhams and Ehrlichs represented Rochester.

George and Elinor Wood's daughter, Linda, recently became engaged. We extend our best wishes for happiness.

Some of our members are taking music lessons. Lou and Lillian Stork are learning to play the organ and Leah Huot has become interested in the guitar.

Be sure to congratulate grandparents Doris and Bernie Sixt and Bob and Dorothy Woodams when you see them. In August, the Sixt's daughter presented them with their first grandson. In September, the Woodams' daughter had a baby girl, making them "first-time" grandparents.

See you on the dance floor!

Our President, Tom Johnson is sporting a beard and mustache these days. A look alike Abraham Lincoln.

Triggers

We had a great turnout for our first dance of the season: Five squares on the floor and a few squares sitting on the sidelines. Not having danced all summer, we were confused by some of those tricky calls -- like circle left...

Some of us used the summer for a brief vacation from good health. Ed Lawson underwent surgery; Bob Roy had an operation on his hand tendons; and both Fred Dantz and Bob Kausch had eye conditions corrected. To all we extend our friendly wishes for continued progress along the road to complete recovery; there's an open square waiting for each of them.....

Reminder Department: Dues are called dues because they are due. Otherwise, they'd be called paid. We'd

appreciate your trading your dues for your paid. If the credit-crunch has bitten your pocketbook, we have a handy pay-as-your-feet-flatten plan.... Don't forget the Crazy Hat Halloween Party. We have invited the Web-Spinners and the Irondequoit Squares to join us in our traditional lunatic activities. Our Husses were the target of that lunacy when the club "helped" them celebrate their anniversary by staging a mock wedding begarbed in convict costumes.....

Predictive Reporting Department: (This is being written on 9/16, and our picnic takes place three days from now. Get the picture?) Well, we hope you all enjoyed the annual picnic; although it was scheduled for Hamlin Beach the earthquake forced us to move it to the visitors' dugout of Yankee Stadium. Almost forty thousand people showed up: 35 Trigger couples plus our guests, the entire population of metropolitan Salt Lake City. We all enjoyed the sack race between Myron and the Mormon Tabernacle Choir. The ham was tasty; but the food committee, having failed to coordinate the bring-a-dish-to-pass effort, could use some ideas on how to dispose of about twenty thousand bowls of salt..... Next month we'll tell you how the picnic really went, and we'll be predicting the Halloween Party.

School has started again for another year, not only for the children, but for us adults also. I am sorry to say we missed the club Demonstration Dances, but we are sure they provided a fun-filled evening. As of now we plan to attend Open House and really look forward to getting back into the "swing" of things. Don Stumbo is a great caller and lots of fun.

Another reminder of our first special club dance this year. Guest caller Gordy Cooper will be with us for this occasion on Saturday, October 17, 1970, at the Marion Elementary School, Main Street, Marion, N. Y. We will dance from 8:00 PM to 11:00PM. Please come and bring a car load. The more, the merrier.

Web Spinners

We have very little news to push through this month and we wish that we had some of the words that we had red-penciled last month. We did find out that Marty and Jean Kronson had a very busy June with two graduations and a wedding.

Don Evans has been spending this week in the Canadian wilderness with son Don and four friends. We wonder if they found any square dancing bears.

Our first open house had 20 new couples and more new people came the following week. It looks like we have a good class this year.
