ATTENTION!

Watch the November "Promenader" for firming of plans for a festival type "Subscription Dance" to be run by the Rochester Callers Co-op some Sunday in November. The net proceeds of the dance will go to the N.Y. State Legal Fund to help defray the expense of the lawyers who are fighting to protect all square dance clubs from feeling the tax bite. All the callers for the event are donating their services and plan to call for all levels of dancing, having separate halls for each level. The place has yet to be named.

FOR ALL YOU SQUARE DANCE ENTHUSIASTS - The 21st National Square Dance Convention will be held in Des Moines, Iowa, on June 22nd, 23rd and 24th, 1972, at the Des Moines Veterans Memorial Auditorium - the largest, most adaptable auditorium in the Mid-West, completely air-conditioned with 3 large square dance halls, a teen-square dance hall, a callers' hospitality room, panel rooms, dressing rooms for exhibition groups, and parking facilities for 2,000 cars. Round dancing will be at the Val-Air Ballroom - a beautiful, large, air-conditioned ballroom with wood floor. Sounds great!

The Kadiddlehoppers (7 years - 13 years) will begin their fall dancing on Saturday, September 25 from 9:00 to 11:30 a.m. at the First Presbyterian Church in East Rochester. Dick Casper will call again this year for club level dancing and Gary Bourne will teach the class.

All newcomers, age 7 years to 13 years, are welcome. Come and have fun learning modern western square dancing. For further information, call 473-0106.

The SINGING SQUARES will be dancing each Wednesday evening, starting Sept. 29th at the Chestnut Ridge Elementary School located on Chestnut Ridge Ext. just off Chili Ave. approximately 1 mile East on Chili from the Route 259 Exit of the Western Expressway. Al Howe will be calling. This club was started last year for the purpose of filling the needs of the dancers who enjoy singing calls and a relaxed form of square dancing. Tell some friend who may have been away from dancing for awhile. This is just the ticket to get started again. Also, just right for the occasional dancer.

SING-A-LONGS will again enjoy the capable calling of Joe Reilly on Sunday evenings from 7:30 to 8:00 for rounds and from 8:00 to 10:30 for squares at the Greece Y.M.C.A., 730 Long Pond Road. The dates for this month include October 3rd and 17th.

A square dance group for Basics only meets every second and fourth Friday at the Greece Baptist Church on Long Pond Road, just north of Ridge Road. This group was started by former dancers who wished to return to square dancing. This group is for you if you need to brush up on your dancing to join the club of your choice. For further information, call Herb and Lois Turner-392-8710, or Chuck Prister (caller), 266-1818.

The MAGIC SQUARES of Canandaigua will be dancing every Saturday at St. John's Episcopal Church Hall from 8:30 - 11:00 p.m. Bob Ellis is the caller. On October 30th, Bruce Shaw will be calling.

This season, the MERRY MIXERS will be holding club dances every Tuesday evening from 7:30 to 10:30 p.m., 7:30 to 8:00 being Round Dance Workshop. They will meet at the United Seneca Methodist Church, corner Scholfield and North Clinton Ave. You don't have to be single to dance at the regular club dances. Everyone is welcome.

They would like to take this opportunity to express their thanks and appreciation to the Federation and especially to the many callers who gave them a chance to beef up on what the different clubs were dancing.

WISKAWAYS CLASSES WILL START HOPEFULLY BY OCT 1st, open for three weeks. Sorry about the error in the September issue. School permission was delayed because of the austerity program. For further information call; 663-7284.

SQUARE DANCERS! The Wheel A Rounds are here! Every 2nd and 4th Saturday, 7:45-11:00 p.m. at the Oakfield-Alabama Central School, Primary Building in Oakfield, New York. Jerry Carmen calling and Betty Wolcott cueing the rounds. There will be a round dance workshop, 7:45-8:15 p.m. All club level dancers are welcome.

SPIN 'N' WHEELS will hold club level dancing every 2nd and 4th Thursday from 9-11 p.m., at the Clarendon Fire Hall. Jerry Carmen calling.

NEWS

Batavia Twirlers

CONGRATULATIONS to John and Linda Miller on the birth of a baby girl.

Sorry to say farewell to Gene and Jean Wright who have moved to Texas.

Our deepest sympathies are with the Pervorse family on the loss of Elmer Pervorse.

Good wishes to Revina and Dean Rich for filling in for the Wrights.

We wish a speedy recovery to Merritt Long and Doris Miller.

A good time was had over Labor Day weekend at Darien Lake by Dick and Lois Calkins, Norm and Dusty Pagel and Ruth and Butt Curts. Also, Don and Doris Maxim, Jim and Bev Forsyth and Bill and Duffy Saunders were at Skyline. Ron and Betty Fotch and Dale and Joan Fotch were at Timberline.

Belles 'n Beaus

Now that the majority of the vacations of our members are behind us, let's make this a banner year in the way of increased membership. Our first club dance took place on September 13th, and we missed seeing a number of familiar faces. We do hope many of our old friends will be present in the near future.

For the 2nd, 3rd, and 4th club dances, a workshop started at 7:30 p.m. and those interested in Round Dancing were exposed to "basics" for the first hour. This represented a continuation of the program started by Art Harris last spring. We hope this venture will culminate in assisting both new and returning members in the enjoyment of round dancing.

September 4th was the date that our caller, Art Harris entertained us at a chicken Bar-B-Q and dance, along with his Buffalo affiliate, Harris Squares. In attendance were Hal and Fran Abberger, Chet and Betty Selbert, Norm and Althea Rosenburgh and Don and Marg Tracy. This was a good way to iron out some of the "kinks" encountered during the summer layoff. Many thanks to Art and his Buffalo dancers for a wonderful time.

Labor Day weekend was the scene of an annual outing on Conesus Lake at the cottage of Ray and Jane Ross. Many Belles and Beaus came on Sunday and a good representation also came on Monday. The weather man cooperated and this made for a very successful venture to close out the summer season.

Hal and Fran Abberger are vacationing in Canada as of this writing, and we anticipate their return for our September 27th dance.

This summer marked the end of the "tenure of office" of our Federation Representatives, John and Bernice Moylan. On behalf of the club, we extend our thanks for a job "well done." They are succeeded in this position by Archie and Dorothy Carris. We wish them every success in this new undertaking.

Until next month, we leave you with this thought: Classes are the lifeblood of any square dance club, so let's bring our friends to our Wednesday sessions at the Holmes Road School.

. Don and Marg Tracy

Boots 'n Slippers

Seemed so good to see all the old familiar faces last Friday at our open dance and it was good to see the new ones there too. Hope they all stick with it and take the lessons now - they sure seemed to be having a good enough time Friday.

We're all very happy for Aub Reger that his brother who was one of the 39 hostages at Attica was released unharmed, and he had the sympathy of everyone during that long ordeal before the rescue.

Our best wishes to Howie DeGraves and George Germeroth who recently spent some time in the hospital.

In October there will be four dances - on the 1st, 8th, 15th and 29th respectively. On the 29th date, there will be a Halloween Party (masquerade, of course) and we've heard rumors there will even be a few ghost around - real ones, not just the ordinary sheet variety. Come and see!!

It was good to see Jake Koch back dancing again. We understand he's going to be teaching the Swinging Squares this fall. Good luck, Jake!

Hope everyone's signed up for the Hayride on Oct. 16th at Bob and Mary Lou Sweeney's. Dress warmly and be ready for a good time. If it rains on Saturday, it'll be held on Sunday. If it rains on Sunday, we'll just move the cows over and park in the barn. And Dorothy Fox - you had better bring a bottle of your "toe-warming" medicine along..

See you all next month. In the meantime, God bless!

. Irvin and Helen Davis

Country Twirlers

We Country Twirlers wish to extend warm congratulations to our own Betty and Dick Weber as they embark upon their new duties as co-editors of Promenader. It just couldn't happen to a nicer couple, and we know they will do an outstanding job.

Our sincere thanks for a job well done go out to Fran and Hal Pyritz who have represented Country Twirlers at the Federation. These extra tasks are certainly above and beyond the call of duty and are appreciated by your fellow Club members. We are very pleased to have Ruth and Bob O'Connor as our new representatives to the Federation.

Our new square dance season got under way on September 11th with our Open House dance. It was great to see old friends again and most gratifying to have so many prospective square dancers in attendance. For those of us who did not dance often during the summer - and that includes you truly - Jim McQuade took it easy on the calls and he was heard to comment during a tip, "Hey, you're pretty rusty!" It was a most enjoyable evening for the 72 couples that attended our kick-off dance.

During the past summer our Club members have vacationed in every direction - New England, Canada, Florida, California, Hawaii and even Europe. Others acquired new grandchildren, and daughters or sons-in-law, and snapshots were very much in evidence at our first dance.

We are looking forward to a fine October dance schedule, which includes our Halloween Dance on October 29th.

. Marty and Jean Cumming

Cloverleaf Squares

During the first two dances in September, the Cloverleaf Squares held their annual open house - and what a success! The recruiting of prospective, single square dancers was not confined only to members of our own club, as we discovered, but was succored by members of a number of other clubs in and around the Rochester Area. Specific thanks for their help in making the Cloverleaf Open House such a success must go to the Country Twirlers, EKC-O Squares, Irondequoit Squares and the Batavia Twirlers. Of course, a very special thanks must go to the Henrietta Friendship Squares for the fantastic job in not only promoting square dancing, but also for recruiting new square dancers for not only our club, but for every club in the Rochester Area.

Recognitory thanks, from the Cloverleaf Squares, is also given to Open House Chairwoman, Sylvia Arnold, under who's auspicious guidance the various open house committees operated in a profluent manner. The various committees were chaired by: Irene Barber - Refreshment; Rich Diehl - Decoration; Wayne Andrews - Publicity; and David Ernst - Clean up.

Thus, with the help of the aforementioned individuals and clubs, Mike Callahan on September 26, was able to commence instructing the largest group of prospective square dancers in Cloverleaf history, in the fundamentals of square dancing.

For the information of all club level square dancers, an invitation is being extended to dance to the calls of Walt Jessup on October 24, at the Chili Townhall. As the grapevine claims, this dance with Walt will be a night for all to remember - hope to see you there! Incidentally, the admission price will be the same as always for a dance of this nature.

Congratulations to Bob Sponable (Rubber Duck) and Nancy Wilcox on the announcement of their engagement. Due to their delight and happiness on being engaged they seemed to have forgotten how to execute any of Bruce Shaw's calls at our dances. All that Bob has uttered is, "What's happened!" I wonder?.....

..... A. Klos

EKC-O Squares

We presume that all loyal EKC-O members arose early enough to see the Eddie Meath show at 7:30 on Aug. 16th. If you didn't, you missed Les and Lila Bushart in their shining hour. They danced with three other couples to Mike Callahan's calling. The event was great publicity for the dancing exhibitions which were to take place at the Monroe County Fair. Several of our members danced at the Fair and helped in the information booth.

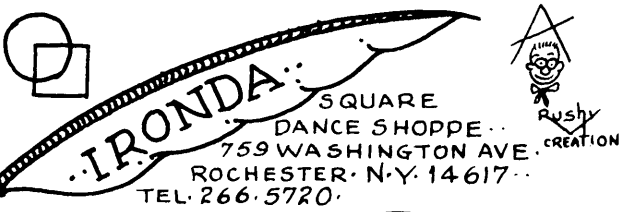

We were so happy to have Gerry Prister's father visit us on a Wednesday night in August. Now we know where Gerry got that lovely smile.

Don't forget, folks, round dancing with Betty Wolcott instructing, begins at 7:30 each Wednesday night.

EKC-O members of the 1969 graduating class held a picnic reunion on Aug. 8th at the home of Louis and Carol Sirianni. Rita and Orlo Hoadley and Bill and Joan Rohlin told us that the food and dancing were great!

Dorothy and Gordon MacDonald have a QUEEN in the family. Their daughter, Cathy, won the Wally Byam Caravan Club International N.Y.S. Teen-Queen contest at a State Rally in Dolgesville, N.Y. over the Labor Day Weekend. Cathy will represent New York State in the national competition in Louisville, Ky. in July '72.

The weatherman was very cooperative for some of our EKC-O families who spent Labor Day Weekend at Bonnie Brae Camp. They said they enjoyed Don Pratt's calling and the swimming pool helped them "keep their cool". Those who camped were: Frank & Martha Loyst, Ken & Helen Scott, Marge & Ed

Our "Welcome Back" Dinner Dance was a huge success! The food was very good and Bud Redmond's calling made the evening perfect. A large THANK YOU to our Presidents, Al and Jean Kendrick, and their committee for a wonderful evening. The enthusiasm which we saw during the evening can mean only one thing - - another great year of square dancing.

Fiddle A Rounds

Because of the limited amount of dancing done during the summer, Charlie Tucker labeled the first Tip of the fall season, "The Rusty Hinge," and then proceeded to dispense his own famous lubricant, some well-oiled cueing!

George and Dorothy Riesenberger spent six days round and square dancing at Kirkwood Lodge in Lake of the Ozarks, Missouri.

Mike and Mary Prado, and Irvin and Margaret Brown went to Brockville, Canada for The Upper Canada Capers.

The Round Dance Weekend conducted by Nita and Manning Smith at Binghamton, was enhanced by the presence of the DeGraves, Falls, and Muras.

Rounds-A-Poppin' at Niagara Falls was attended by the DeGraves, Falls, Gentles, and Lows.

Welcome to a new member couple, Joe and Margaret Zilinski. As they received their F-A-R badges, Joe's enthusiasm overcame his innate shyness, and he promptly kissed the

cheek of each female and one fun-loving male (Marv Falls-naturally!)

Did you know that Mike Prado was once a tennis player of note? The footwork and timing developed on the courts have certainly carried over into his dancing!

Perkie Tucker received a letter from Owen and Helen Whitehead who now live in Florida. They have annexed a smooth concrete patio on to their home, waxed it, and now have a lovely place to practice their round dancing. That's real dedication!

A Basic Round Dance Class with Charlie and Perkie Tucker teaching, will begin Oct. 3 at the Echo Club.

. Irene Callahan

them under his wing and will be teaching them the difference between left and right.

By the time you read this we expect that Jack Coe, Ann Connolly and Louise Windhauser will all be home from their hospital sojourns and well on the road to recovery.

On October 2 we are looking forward to having the Web-Spinners as our guests, and on October 16, the Lima Grand Squares.

Don't forget -- all of you -- come to our special Fifth Saturday Dance, 8:00 p.m. on October 30 at Floyd Winslow School, with Bill Wilcox calling. We will be looking forward to seeing you and extending our hand in a "grand right and left".

Genesee Dancers

Isn't it great to be back dancing again!!! It was wonderful to see so many good friends after the summer.

October 8th is to be the date for our testimonial dance for Don Duffin, Art Harris, and Charlie Tucker. This is to be a dinner dance held at the Genesee Conservation League Clubhouse in the Penfield Flats. It is open to anyone who would like to help us honor these great men. Roger Bastian, 241 Weat Filbert Street, East Rochester, 14445, has the tickets, so get in touch with him. Phone number is 586-8294.

Alice and Ed Jeffery are taking a trip to California to visit her sister. Ruth and Joe Bonjorno are going to Italy on a two week tour. Have a good time.

Everyone will miss seeing Bernice and Bob Bourne on the dance floor this year. They have to give up dancing for a while on doctor's orders. Do as the doctor says, Bob, and you should be back with us real soon.

Remember to keep the dates of November 6th and 7th open for the Watson Week-end party. It starts with lunch at noon on Saturday and ends with dinner at noon on Sunday. There will be dancing all Saturday afternoon and evening and again on Sunday morning. This promises to be a fun time for all, so get you reservation in to Joe DiBitetto. The space is limited to sixty club members.

Bea and Waldo Westwater are two of the greatest people alive. They have been so good to the Teen Twirlers. They have sponsored these young people for about seventeen years. They meet each 1st and 3rd Friday evening of the month at the Brighton Presbyterian Church, so if you know of any teen-agers who like to dance, send them out and they will have the time of their lives.

Also, Dick Casper has the Kadiddlehoppers on Saturday morning from 9:00 till 11:00 at the East Rochester Presbyterian Church. This is for ages 7-13. So--you see, there is dancing for all ages in this area.

Henrietta Friendship Sqs.

Our apologies for our last article and its misinformation. Corrected, it reads -- we are sorry to lose Don Pratt as our caller. Over the years he has done much for our club and we hope in the future to again be able to dance to his calling.

As of Saturday, September 18, Mike Callahan is our club caller. Note our new schedule: we will dance on the 1st and 3rd Saturdays of the month at the Floyd Winslow School, 755 Pinnacle Road.

After a very successful open house on September 13, classes are being held each Monday night, also at Floyd Winslow School, and are being taught by Bruce Shaw. By the way, for our open house dance we imported a special group of demonstration dancers. They danced very well, showing exactly what NOT to do!! Bruce Shaw is taking

Geneva Friendship Sqs.

Signs of fall are here, and with children back in school the Geneva Friendship Squares are back on regular schedule. The first fall club dance of the season was well attended, but we hope some of those dancers we haven't seen during the summer will be back next time.

The 8th class open dance night will meet Thursday, Sept. 16th, at the William Smith Gym. Several prospective couples are invited for an evening of getting acquainted with Western Square Dancing.

Dancers from Geneva danced to Mo Howard at the Fairmont Fair Plaza in Syracuse publicizing "Square Dance Week". On Friday, Sept. 17th, dancers travelled to Big Flats to dance at The Mall, also celebrating "Square Dance Week"

Don't forget our "Singin' Sam" Mitchell Dance, Thursday, November 4th, at the Junior High School, North Street.

Geneva Friendship Squares would like to welcome all dancers to visit our club anytime. We dance at Gulick Hall, Hobart College, with Don Pratt as our caller.

Irondequoit Sqs.

Thanks to those who came and helped make our Sept. 11th Open House a success. In particular, thanks for bringing all those friends and relatives to acquaint them with the pleasures of Western Square Dancing. Twenty-four couples that are potential class members were our guests. Remember that rental for the school requires us to have six to seven squares in the class to break even. Our Class will be on Thursday nights at Oakview School on Oakview Drive in Irondequoit.

In addition to our regular dances on the 2nd and 4th Saturdays in October, we have a combined dance with Swinging Eights, scheduled for the fifth Saturday, Oct. 30th, with Dave Hass calling. Combined dances with Swinging Eights have almost become tradition with our Club and we all know that there is only one thing more fun than a square dance. That is sharing the fun with our friends in Swinging Eights.

Welcome to Gordon Copeland who will be cueing the rounds this year. Gordon, I hope you enjoy it as much as I know we will.

The Club is planning a family Clambake for Oct. 16th at Ellison Park. If you are interested, please call Joyce and Al Manley as soon as possible at 288-8414.

Lima Grand Sqs.

Well, here we are back at our old "stomping grounds" with a good welcoming crowd for caller Don Stumbo the first night. In fact, seven sets, to be exact, altho it was a not humid night.

We are looking forward to Open House on Sept. 13 and 20. Then everyone will settle down to start Fall class on Sept. 27. Do hope to match our number of last year.

The Swinging Singles will be our guests on Sept. 20 and we have received invitations from other clubs. So, we will be renewing old friendships.

An invitation from the Fortnightly Women's Club of Honoye Falls invited one set and our caller and his wife to be their guests at a tureen dinner for their first Fall meeting. Afterwards, the dancers gave an exhibition of Western square dancing.

Fun night, Sept. 24, and no one ever knows what will happen at these affairs!

Harold and Janice Knapp will be host and hostess for September. Hope they make you so welcome you will come back in October.

We were told Ronny Cole lost something during our summer recess. Upon inquiring, we found it was his appendix. Didn't stop him a bit. I think he even dances better without it. Glad you're better, Ronnie!

Larry and Joan Knox are collecting the annual dues for the "Promenader" for Lima. Let's make it 100% so we will know what's happening in our midst!

Gee! Have used up my 300 words! So long!

Rochester Rollaways

It was great to get back dancing again and renew acquaintances. We discovered we had some proud grandparents during the summer, The Deckers and Storks.

Charlotte Hayford motored through England this past summer.

The Johnsons and Fohls' daughters both started college this fall. Several other members have travelled returning their sons and daughters to college.

We are happy to report that Andy Kelley has returned to work.

In mid-October, the Bakers, Bonhams and Betlems will head for a weekend with Lee Kopman at Atlantic City, New Jersey. In November they plan to attend the Pittsburgh Federation Dance.

We are looking forward to another enjoyable dancing season.

. Reese and Muriel Cole

Swinging BB

Our group gave a demonstration on the nite of Sept. 9 in Spencerport Town Plaza. Highlight of the evening occurred when a passing motorist leaped from his car and danced with us.

There were many new faces at our first open dance, Sept. 11th at Ada Cosgrove Jr. High.

School bells are ringing and Professor Brunshidle says the classes start Sept. 16th, 8:00 p.m., at Ogden Parma Town Line School. Regulars will be on hand to assist.

At this time our Club is making plans for October 1st, when our guest caller will be the Johnnie Roth of Nova Scotia. How about joining us then?

Swingin' Eights

What a nice way to begin our Square Dance Season with a Pot-luck Supper on Friday, Sept. 10th We ate a lot (how could we resist such a variety of delicious dishes), danced and then cooled off outside and even had a short business meeting called by our President to bring us up to date on things to come. Jim McCollum gave a most informative talk on "The Sales Tax and how it could affect us Square Dancers". Yes, we missed all you people who traveled to Brockville, Ontario to join the fun of the Canada Capers. And, we were happy that Barry and Alice Clark from Keesville, New York dropped in and joined the dancing. Hope they will come back.

During the cooling off sessions we had a chance to catch up on some of the summer happenings. DID YOU KNOW THAT: The Brayers are grandparents for the fourth time, this time a new grandson? Congratulations! Also, that Joe and Bee Delorm received an overseas call from son, Joe, and his bride, Jennifer Welch of Paeroa, New Zealand where the wedding took place.

Then, we had our European travelers, Ann and Ray Deslandes' daughter, Madelyn, and Jean and Tom Johnson's daughter.

The Simonsen's vacationed at a Family Camp in the Adirondacks and many of our club members enjoyed Tom and Marilyn Trainor's Potato Hill camping and dancing. We all hope it will happen again next summer.

And in the near future we will join the Irondequoit Squares for a Halloween Dance on Saturday, Oct. 30. Ann and Ray Deslandes will give the details later, but for now, just circle the date.

Hope we will all get behind John Fenton and Betty Licciardi for a very successful turnout of new members. The success of the class depends on each one of us, and with Tom calling, it's just got to be good.

. Carl and Ruth Trabert

Swinging Singles

Now that September is over with all of us looking back on successful Open House dances, we can look forward to a grand year with many new young members in our class learning to square dance.

The coming holidays will bring us many special events. In October, we are all looking forward to the Halloween costume party dance on October 18, at 8:00 p.m. So all you single swingers out there between the ages of 19 and 35, come join us on Monday nights at Raymond Memorial Baptist Church in Fairport and bring your friends, too!

. Jane DeMallie

Triggers

The first dance of the season, Sept. 14, was well represented. Four squares and a few couples sitting it out. It was nice greeting and visiting with old friends once again.

Congratulations to Eddie and Court Phillips on the marriage of their daughter. See, we didn't forget this time.

It was a good thing that our vice-president, George and Martha Hungs, fore-warned the police that 12 couples were going to meet in the parking lot of Bethany Church at 12 midnight for a surprise visit on our caller and his tax. We did get some strange looks from the neighbors that were still up. How else were we to earn our Idiot Badge? We're lucky that Myron is ready to call even in the middle of the night. The cookies that Martha and Mary Lou made were delicious.

Don't forget that it's that time of year again. Dues are due!

. John and Paulette Bo

Web Spinners

Well, everyone is in the swing again since Sept. 10th when the club commenced dancing again. We started off the year with an open house for prospective new members. About 10 new couples turned out to get a "birds eye view" of what Western square dancing is actually like and what they are in for.

The writers weren't able to join the club on their final campout over Labor Day but we understand something new has been added to the list of "firsts" for all clubs. Evidently someone has been suppressing a long-time desire to be in jail because the news got back that about two-thirds of the Web-Spinner campers at Hidden Valley went over to the jail at Jamestown and actually talked the Captain of the Police Dept. to let them square dance in the jail. Music and all was brought in. We aren't sure who entertained whom. I know this is hard to believe, but the newspaper article passed around at our dance Friday night looked pretty authentic.

We aren't in the habit of announcing births, weddings, or deaths in this column but this is one that will interest almost all the Promenader readers. Wild Bill and Judy just unloaded (excuse us, I guess the word should have been 'announced') another one, or almost, anyhow. Nancy Wilcox became engaged to Bob Sparable very recently and actually everyone is very pleased; especially Nancy.

If you'd like to hear an interesting story, ask Ken Hutchinson "Did Tille Williams ever eat her grapes"?

Twirl A Rounds

By the time this comes to print we will be well started in the new season. At this time we can only think how nice it will be to see you all.

Our August dance was a great success. We had a good turnout of members and quite a few guests. We love having visitors, and hope that they enjoyed themselves as we enjoyed having them. Do come again soon.

Several of our camping group had a campout at Dot and Howie's place near Nunda. While the weather could have been better, it did not dampen the spirits of these intrepid campers. We understand that a christening ceremony took place. What was the name you gave the Little House??

At this time we are looking forward to the Knisley & Kelley dance at the Treadway in Niagara Falls. There are so many of our Club going that it will seem like Home from Home.

We are told that Norma and Chuck Dolan's daughter had a beautiful wedding. The dresses of the bride and her attendants, which Norma made, were beautiful. Doreen is a lucky girl to have such a clever and talented mother. For those of you who remember Pat and Don Merrill, they came down from Detroit for the wedding, and had a wonderful time meeting old friends. Wish we had been able to see them.

The group who went to the Binghamton weekend had a wonderful time. Must have been, the Absent Minded Professor, Marvin Falls, got into the shower with his shorts on, and Kay left her housecoat at the hotel. Hope that she gets it back O.K.

Howie was in the hospital for a few days for a minor operation. Hope that he is all recovered for our opening dance on the 15th. He's really had a rough summer.

It was great to see Evie Thomas at our last dance. Hope that your troubles are all over now Evie, and that we will be seeing you more often.

We have just returned from vacation at our place at the Islands. Had wonderful weather, and good swimming and fishing. Hope to have more news for you next time. See you a-Round.
