TO ALL ROCHESTER AREA SQUARE DANCERS:

The 1972 Dance-O-Rama, scheduled for April 8th, at Greece Athena High School, has been named the "Robert L. Bourne" Memorial Dance-O-Rama, in honor of "Bob" Bourne who died in November of 1971.

Robert L. "Bob" Bourne, along with his wife, Bernice, were the immediate past Presidents of the Rochester Area Federation, and until his death they were General Chairmen for this years Dance-O-Rama. At the November meeting of the Federation, the delegates unanimously voted to name this years dance in Bob's honor.

At the same meeting, Federation President Phil Maine appointed Ned & Barb Hasbrouck, current Presidents of the Henrietta Friendship Squares as the new General Chairmen. Several things have been added to this years Dance-O-Rama which the committee feels will enhance this years affair, and it is hoped they might increase the participation by local square dancers.

After an absence of one year, the square dance shops will return to this years dance. At press time, affirmative replies have come in from the Ironda Shop in Rochester, and the Ox Yoke Shop of Connecticut.

Square dancers who buy their tickets to this years Dance-O-Rama, will get them a dollar cheaper than after the advance sale closing date. Advance sale tickets will be \$4.00 per couple and at the door they will sell for \$5.00 per couple. Closing date for advance sale will be March 25th, and tickets will be on sale at all clubs in the Federation area by February 1st.

Also arrangements have been made to have a Buffet Dinner at the school, which will be \$2.00 per person. The Menu will consist of Cold Ham, Turkey, Roast Beef, Cold Cuts and Cheeses...A Hot Casserole...3 Salads...Hot Rolls and Butter...Coffee, Tea and Milk, and to top it all off, you'll get Ice Cream and Cookies. Not bad for two bucks!

Decoration theme for this years dance will be "Spring Time, the Birth of New Square Dancers".

Callers this year are Art Harris, Jerry Haag, Duece Williams, and Dave "Hash" Haas. Local callers will call during dinner hour.

The KADIDDLE HOPPERS is a square dance club for boys and girls between the ages of 7 and 14, that dances every Saturday from 9:30 to 11:30 at the Parkside Methodist Church in East Rochester. Mr. Dick Casper is the caller and the class is taught by Gary Bourne. Any boys and girls interested are welcome. For additional info, call Gary Bourne at 586-5972 or Dick Casper at 473-0106.

Intermediate Workshop Dances will be conducted by Mike Callahan at Oakview School in Irondequoit from 7:45 - 10:15 on Tuesdays, February 1, 15, 29, March 7, 21 and April 25. Mike will teach the more common basics of advanced dancing geared for experienced club level dancers. \$2.50 per couple.

LETTER TO THE EDITOR:

We read, with interest, the rebuttals on the proposed rating system for Square Dance clubs. This system is in effect in several areas of the country. We found it in Maine when we visited there and it was really helpful to us, since at that time we were recent graduates and did not want to get in "over our head".

Theoretically, the purpose of rating is to a) Help the newcomer to the area find a club with a minimum of shopping and b) to aid the local dancers in adjusting their level or finding an additional club. If this purpose is fulfilled, there are advantages to a rating system.

These theories would automatically eliminate the rating of closed clubs. Why should a dancer need to know a closed club's level any more than he needs to know their dance schedule? He can't get in anyway. If and when an invitation to a closed club is forthcoming, the level of dancing is surely stated by the issuant.

You'll notice, we said a minimum of shopping. Other things besides level influence a decision to join a club - i.e., the members, location, caller. The seeking dancer would normally visit all clubs in his desired level before making a choice. The rating system merely narrows down shopping time. It also helps locate a club for an occasional dance elsewhere than at a "home" club.

Practically, putting a rating system into effect may pose a few problems. Who establishes criteria and who judges whether a club qualifies for a certain level? What happens to present club and graduating class members who do not meet the club level? Often dancers realize they are not meeting the club standard and phase themselves out, but this is not always the case.

Many Rochester area dancers belong to more than one club and often these clubs are of different levels, and are joined for different reasons. Sometimes people enjoy a challenge, and then a relaxing evening, too.

We have encountered few clubs of any level where dancers don't come out to help and encourage beginners. Those dancers who refuse to help wouldn't do so no matter what their level. A class is better off without them. Fortunately, these dancers are few.

Perhaps the closed and high level clubs do skim off the cream, but those invited should be free to make their own choice. If they need and desire this challenge, it should be available to them.

If a rating system would be worth the time and effort to put it into effect, it should be completely voluntary. That is, each club should be allowed to accept or decline to be rated, and no rating forced on any club. We suggest, if a rating system is established, it not be alphabetical or numerical. This attaches a stigma to a relaxed level club and a "holier than thou" attitude can easily be assumed by a high level club. Rather, use a system such as at D-O-R (relaxed, intermediate, challenge) or something similar.

If the initial objective is met, there is no lessening of the hand of friendship, but more satisfied dancers.

Russ and Marjorie Taber

A NOTE OF THANKS:

Gary, Tom and I wish to thank all of you wonderful square dancing friends for all you have done at a time when we needed help so badly. I only wish that Bob could see what all his friends have done for him and us.

"My heart is always happy when I truthfully can say  
That by the grace of God I made all you friends one day,  
There is no better way in which to use the time we spend  
Than just to smile and say hello to all you dear friends.  
We cannot have too many for the courage that we need  
If only in the comfort of a good and kindly deed  
If only in the counsel and the words of sympathy  
That leave no doubt or question as to your sincerity.  
And so it always is a day that has a happy end  
When I can tell myself that I have made all you good  
friends."  
Bernice Bourne

## Belles 'n Beaus

December 19th was the date of the Belles 'n Beaus Annual Christmas Dinner Dance at the Greece Grange Hall. A delicious Turkey Dinner, prepared and served by Grange members, was followed with entertainment starring Stella Elich, Althea Rosenburgh, Myrtle & Dick Moore, Hal Abberger and last but not least, Santa Claus. It is surprising that, after such a dinner, we were able to dance, but, as soon as Art Harris started up the music, everyone was up and dancing.

A group from the club spent New Year's Eve at the Harris Ballroom on Grand Island. Observed dancing and making merry were Gil & Dortha DuBeis, Harold & Stella Elich, Norm & Althea Rosenburgh, Hal & Fran Abberger, Don & Mary Waterman, Alex & June Elich and George & Doris Hagberg. Vera and Art Harris received congratulations on their 30th wedding anniversary which they celebrated January 1.

Our officers for 1972 assumed their duties on January 7th. They are: President - Ed & Ruth Hasman, Vice-Pres. - Don & Marge Tracy, Sec'y - Bob & Ruth Muir, Treas. - Bob & Barbara Castle, Dir. - Don & Trudy Smith, Dir. - Ed & Fran Tongue. Congratulations! We would like to give a vote of thanks to our outgoing officers for a job well done.

It was good to see Marge Tracy back dancing after her illness.

The Club extends its deepest sympathy to Doris Haddleton and Grant Cliff on the death of their Mother.

. . . . . George & Doris Hagberg

## Boots 'n Slippers

Our congratulations to our incoming officers for the year: Pres. - Doc & Jackie McCaffrey, Vice Pres. - Bill & Nancy Lissow, Sec'y - Jack & Joan Hennekey, Treas. - Art & Shirley Holcomb.

Ella Ruger has been in the hospital a couple of times again. Hope she has a speedy recovery. Aub was in an automobile accident and hope he is doing fine. We miss them both at our dances.

Quite a few of our members have been hit with the flu bug over the holidays. Hope they are feeling better.

Bill Bescher, one of our new class members is in Batavia Veterans Hospital with leg surgery. Hope he is feeling better and will be back with us soon.

We had most of the class members honor us with their attendance at our Christmas Party. It sure seemed good as they are going to be a real asset to our club.

Approximately 32 couples attended our New Years Eve Party. Everyone had a great time and the food was super. We wish to extend our deepest thanks and appreciation to all the people who contributed to making it a great success.

Also at this time, our appreciation to our outgoing officers for the terrific job they did in 1971. Hope everyone has a wonderful year and happy dancing in 1972.

. . . . . Bud & Stel Lewis

### KEEP THIS DATE OPEN!!!

Don't forget to circle Saturday, April 29th on your calendar - a date you won't want to forget - when hundreds of square dancers will once again rally to the cause of Muscular Dystrophy.

## Copycats

We are pleased to become a member of the Rochester Area Federation.

The February forecast: For those of us who must stay in the snow, warmth and friendliness is available at the Xerox Recreational building and the Copycats welcome guests at all our dances. Lucky Fred & Charlotte Specchio, Bob & Rita Dobbin, and Jim & Helen Fordham leave on February 2nd for two weeks in Hawaii with the Circul-3-ors. Jim and Helen have the right idea. They marry off a son and they take the honeymoon. (We are substituting for them until they return, after which they will take over this column.)

Welcome to our ranks Ken & Betty Heim and Frank and Millie Le Beouf.

Used News Department: Our Christmas party at the Green Lantern Inn was attended by 60 people. The buffet supper was beyond belief. After we all gorged ourselves, we tried to work it off with an evening of dancing to Charmin' Jerry Carmen. We even sang a few Christmas carols, and found our class not only dances well - they can sing too! Our officers were installed for the coming year. Pres. - Jan & Judy Brederson, Vice Pres. - Russ & Marj Taber, Sec'y - Bob & Rita Dubbin and Treas. - Al & Dot Kheilshifter.

Our guests on Jan. 8th were the Swinging Singles and Cloverleaves. Where do those dancers get all that energy!

We've heard it said that Chiyada Drive is hard to find. It's off Phillips Road in Webster and runs parallel to and between Ridge & Lake Roads. Still lost? Call Jan & Judy Brederson - 381-8691.

As you do the next Allemande Left - Smile! It's good for you - - - Your corner, too!

. . . . . Russ & Marj Taber

## Country Twirlers

By the time this article is in print the Holidays will have come and gone and we will be well into the 1972 square dance season.

November 27th was our "Smile Dance" and 22 guest couples and 43 Country Twirler couples displayed the "ivories" most of the evening. It really paid off for Kay Georger and Roland Chugg - they were the recipients of awards for being the "smilingest" pair at the dance.

We wish to roll out the "welcome mat" for Ann and Walt Tomasczewski, new Country Twirler members. We are glad to have you with us and hope you will enjoy many happy hours of dancing with our Club.

December 11th was Election Night and the following new officers assumed their duties on January 8th: Fran and Hal Pyritz, President, Mary and Ken Sorensen, Vice-President, Paula and Carl Robson, Secretary, Thelma and Fran Pratt, Treasurer, Day and Ken Georger, Social Chairman. Congratulations to our new officers and best wishes for a very successful 1972.

The Christmas dinner-dance on December 18th was a marvelous evening for everyone, and really put us in a Holiday spirit. Our present class was in attendance and we all commented on how well they performed.

There is an end to everything, it is said, and this is the last Promenader article by the undersigned. We shall pass the stylus over to Paula and Carl Robson, with our sincere wishes for a most enjoyable term of office as Secretary of Country Twirlers.

. . . . . Marty and Jean Cumming

# Cloverleaf Squares

WHO IS LARRY DUNN?

The Cloverleaf Squares would like to extend their appreciation to the Wayne Westerners, Boots 'n Slippers, and the Copycats, for asking us to be their guests at three special dances. All three dances were fantastic and a marvelous time was had by all who attended. Many thanks to these clubs for giving the Cloverleaf Squares "dances to remember".

As was mentioned in the last issue of the Promenader, January 30th was the night during which the Cloverleaf Squares asked all amateur callers to step forward and gain experience in club level calling under the auspicious guidance of caller, Bruce Shaw. We certainly hope that every amateur caller who wanted to participate, did so.

Incidentally, for the information of all class level dancers, as well as club level dancers, on February 27, 1972, the Cloverleaf Squares will be holding an "Early Bird Special" dance. At this dance, all class level dancers will be allowed to practice their acquired skills at a club dance. This opportunity is seldom offered to class dancers before graduation - a time to mix and mingle with new square dancers as well as with experienced dancers.

For this special dance, we will even provide a very special caller. Al Howe, to many, is noted for his warm hospitality and eagerness to offer a welcome hand; assisting those dancers who wish to improve their skills and abilities in square dancing. What more can we give?

Sure hope every club president informs his club's class! Club presidents, we will really be disappointed if you do not inform your club also. This "Early Bird Special" dance is for both club and class level dancers, during which time the promotion of the Square Dancing Spirit will be spread throughout the Chili Town Hall.

So, see you, everyone, at the Chili Town Hall on February 27th, for the "Early Bird Special".

By the way, who is Larry Dunn? To find out, read the Cloverleaf article in the next issue of the Promenader.  
. . . . . Al Klos

# Fiddle A Rounds

With the coming of the new year we welcome a new slate of officers: Marvin & Kay Falls, President - Jack & Agnes Low, Sec'y & Treas. - Al & Barb Taylor, Refreshment Joe & Margaret Zilinski, Correspondent.

Our Xmas party was a gala affair and afforded us the opportunity to say a special thank you to Perkie & Charlie Tucker for another good year of round dancing.

Special thanks to Dot & Howie DeGrave and the Twirl-A-Rounds for inviting our club to their Xmas Dinner and Round Dance Party. The Twirl-A-Rounds were splendid host and hostesses. Charlie Tucker rated a standing ovation at dinner for his new "hip" trousers. They're beautiful!

Our jet setters, Tip & Millie Costich flew out to San Francisco to their daughter's wedding in December and already are packing for a February flight to Hawaii.

The Lows, Phillips, Browns, Prados, DeGraves, Zilinskis, Falls, Taylors and Gentles all enjoyed the Reilly's Holly Daze December Round Dance Party in Niagara Falls.

Our newest dances are "Moonlight & Roses" and "Whistling Away the Dark".

The Tuckers, DeGraves and Browns are headed for Round-A-Cade in February.

Thanks to our outgoing officers for the past good year: George & Lorene Phillips, Pres. - Marv & Kay Falls, Sec'y-Treas. - Jack & Agnes Low, Refreshments - Ray & Irene Callahan, Correspondents.

'Til the next tip -

. . . . . Joe & Margaret Zilinski

# EKC-O Squares

Ekc-o members are invited as guests to Wayne Westerners on Feb. 24th and Genesee Dancers on March 2nd.

Along with a new year, we have some new officers: Pres. - Dorothy & John Himmelsbach, Vice Pres. - Mike & Ginny Schelkun, Sec'y-Treas. - Rita & Orlo Hoadley, Board Members - Rita & Leo Leonard and John & Jeanette Conway, Class Representatives - Jim & Mary Lou Buck. Welcome to the new officers and many thanks to those going out of office: Kendricks, Heits, Sanders and Olafsons.

Betty Wolcott's round dance basics class was graduated on Nov. 29th. There were 14 couples who graduated. Betty will begin a basics-plus class on Jan. 10th.

Congratulations to Doris & Bill Wolff who celebrated their 25th Anniversary in November.

Never let it be said that Ekc-o members aren't interested in keeping their guest callers happy! Joe Zilinski knew that Jerry Heit didn't like the cheesecake which was served to him in Niagara Falls recently. When Jerry called for Ekc-o in November, Joe presented him with some good cheesecake.

Again our members have been traveling afar. The Pristers, Heffers and Hoadleys have been to Florida. Gloria and Frank O'Neil spent a week in Acapulca, Mexico. Sam & Beryl Incardone celebrated Christmas in Australia with Beryl's family. The Saperstones have traveled to Arizona.

Martha Scahill celebrated her birthday recently in a very surprising manner. She was invited to go to R.I.T. to see a swimming exhibition but when she arrived the pool was quiet but not so the sixty people who had gathered to help her celebrate.

Ask Art Hendel about the extra large fireplace which he built! Was this so that Santa could bring larger gifts, Art?

Sorry to hear that Elmer Semmler has had foot surgery and Fran Desmond was in the hospital for surgery. Betty Zulauf has had to take it easy because of a troublesome ankle condition. We wish a quick recovery to everyone.

Norm & Vi Steinmiller will soon be gaining a daughter. Gary has become engaged to Sally Valentine. Judy Blake, daughter of Marge & Ed, received an engagement ring from Brian Tenny over the holidays.

Our sympathy is extended to Mary Winkler and her family in the death of her husband, Joe. Mary & Joe were Class Representatives for 1970.

There has been a misunderstanding concerning attendance at dances at Kodak. The dances are open to all club-level dancers.

See you when we return from Hawaii. Aloha!

Our Christmas party, with Crowleys at helm  
Was something that might a Duchess oe'rwhelm!  
A buffet supper by candlelight

And every dish a gourmet's delight!

The gifts we brought were for an "old folks home"

And we danced with more zest than a caller could wish!

Then we closed up shop 'til the new year came 'round

And by January 8th again we were found

At Cosgrove School - and that's where we'll be

Each Saturday nite

Should you want to come by, my friend

Feb. 5th, we've invited some clubs to attend

Feb. 12th is a party for class and club in honor of "Cupid"  
Course, visitors are allowed

And, if you come by, we'll be ever so proud!

## Genesee Dancers

Welcome to 1972 and a tip of our hat to the class for a very successful Christmas Party with the Club as guests.

Our thanks to Eileen and Vic Enter for a job well done as reporters. Hope we can fill their shoes for the coming year.

The Club wishes to thank all the Out-going Officers and Committee for a successful year and a big welcome to our new set of Officers for the coming year.

Our Presidents, Joan and Howard Green, not only are to be congratulated on their new Office but also they are celebrating a 25th Wedding Anniversary with a trip to California. It's going to be hard to leave all that sunshine behind but please come back, we need you. How about that phone call New Years Eve. What a pleasant surprise. The Tuckers had the busiest phone in Monroe County that night.

Glad to hear that Fran Desmond is recovering nicely from surgery. Hope to see you back dancing soon. We miss you.

Understand congratulations are in order to Hube and Shirley Cole on the engagement of their son.

It's off to the sunshine for Henry and Bea Meyers and Dottie Clark to Arizona for a vacation and a visit with the Magins and McKennas who are enjoying their retirement in Arizona.

Don't forget John Hendron will be calling for us Feb. 17th. It should be a great dance, so let's fill the hall at Green Lantern.

Bernice, Gary and Tom Bourne and Eileen and Vic Enter wish to convey a heartfelt thanks to all the Club members for the many acts of kindness shown them during the loss of their beloved Husband, Father and Brother.

Please don't be bashful about letting us in on any news you may have. We will be around with our pad and pencil, so come talk to us.

..... Bob and Lucille Vincent

## Geneva Friendship Sqs.

Art Masteller's father died on the Friday before Christmas, and all members of Geneva Friendship Squares extend their sympathy to Art and his family.

Our style show, Dec. 3rd, in combination with a class and club dance was mighty interesting. Pearl appeared with her entire stock of square dance clothes, and dressed up fourteen beautiful girls, seven of whom were from the class. I can't remember who all the girls were who wore the costumes, but Dave Gulven, Lee Pratt and Milt Neeb were beautiful too. Pearl dressed them up in fancy vests and they escorted the models around the floor.

The Club Christmas party, Dec. 17th, was notable, among other things, for refreshments. The refreshment committee, consisting of Jackie Pratt, Helen Gridley and Millie Woodley, provided a real groaning board. I am sure no one went away hungry.

The Class had a Christmas party on Dec 16th. Santa Claus in the person of Don Tiffany complete with costume, showed up and presented Don Pratt with gifts, after which Dot Gulven and Jackie Pratt took advantage of the opportunity to sit on his knee and tell him what they wanted for Christmas.

No club has accepted our invitation to come and dance at any of our regular club dances FREE. All it takes is a group of four couples or more. For complete details, contact our Sec'y, Joe & Alice Good, 56 Troy Street, Seneca Falls, N. Y. 13148

## Henrietta Friendship Sqs.

SPECIAL NOTE TO ALL CLUB PRESIDENTS AND CLASS TEACHERS: Please inform your members and classes that our February 19th dance is our Annual Washington's Birthday Class-Level Dance. All class members, as well as club members, are welcome. The caller will be Mike Callahan and the dance will be held at Floyd Winslow School, 755 Pinnacle Road in Henrietta, beginning at 8:00 p.m. We have always had a good time at these dances. Come and join us this year.

Mike Callahan will also be calling at our February 5th dance, when the Country Twirlers will be guests.

In December we had our Christmas party with our class as guests. Bruce Shaw is doing a fine job with them, and when they graduate in March they will be a good addition to our club.

We have been fortunate this year in having had more guests than in the past. If you want some fun on the 1st and 3rd Saturdays, drop in at 755 Pinnacle Road. We would enjoy squaring up with you.

## Irondequoit Sqs.

The Irondequoit Squares close another year of square dancing and fun with many new friends and a year of enjoyable dancing.

The Poinsettia Prom was a great success, thanks to many area visitors and out-of-town visitors "The Connors", formerly of Albany. The dancers that were unable to attend the Prom missed the fine calling of Earl Turner from Albany. A warm welcome goes to Jack Gildner for putting on his dancing shoes after a long illness. The Yuletide decorations and refreshments were provided by Don and Toni Wacenske who did a magnificent job and added a

cheerful atmosphere. Santa was present to pass out door prizes to the lucky ones. (Thanks Jerry)

Another event preceding our Prom was our Tureen Supper held Nov. 27th. There was a lot of good food and good dancing with Bill Wilcox calling.

Dec. 16th, the club enjoyed the Christmas dance held for the class at Oakview School. The class shows a caliber of fine dancers. (Keep up the good work!) A group of young, talented dancers (age 7 thru 12) put on an exhibition dance under the direction of Bruce and Shirley Shaw. Les and Vi Walther supplied the refreshments and decorations and arranged for Santa to treat the class members with a small token.

It was heard that a mixed group of Irondequoit and Eck-o Squares visited the Web Spinners for their New Years Eve dance at Walworth. At the dance everyone was warmly welcomed by the Web Spinners and Bill and Judy Wilcox. It was a great evening enjoyed by those of us who attended.

A board meeting was held Jan. 3rd at the home of Al and Joyce Manley to make transitions of old to new officers. Ideas and new events were proposed for the New Year. At this time we wish to thank all members and officers of the club for a successful year and especially thank Al and Joyce Manley for doing such a great job as presidents for the year of '71. We also give our best wishes and good luck to our on-coming presidents, Don and Toni Wacenske and all the new members of the board.

Our Guest Night, held Jan. 8th, was a great success. We had a full house. Most enjoyable dancing with our own Bill Wilcox calling squares and Gordon Copeland calling rounds. Coming events are: Jan. 22 with Larry Dunn of Batavia calling and Jan. 29th, combined dancing with Swingin' Eights. We are invited to be guests of the Boots and Slippers on Jan. 14th.

Bill Wilcox has workshop from 8 to 8:30 preceding his calling nights. They are very helpful. Come and dance with us.

. . . . . Sam and Ev Gillio

## Lima Grand Sqs.

Happy New Year! At the beginning of another year, it is with a feeling of sadness that we bid our officers of '71, the Regans, the Hannas and the DuBois', who have done so much to build and make our club so friendly and so much fun - a fond farewell.

Our Christmas party started our holidays with a delicious dinner, planned and served by our faithful vice-presidents who have done so well in the "food department" all year.

The Jim Turner's donated two Christmas trees and, with the help of the Luckenbacks, the Klees and the Don Durbins, trimmed them and the hall. It was a beautiful Christmas sight that welcomed us into an evening filled with friends and surprises.

Santa made an unexpected appearance with special treats for Jean Turner and Kate Croft, who, with Barney, had journeyed from Corning to be with us. Everyone received a gift from beneath the trees. A Christmas gift (a camping lantern) was given to Don, our caller, as was a belated birthday gift of a small table lamp to help with his work at the caller's table.

It was great to see Don back again after a bout with the flu bug and Dick Swingle, after spending several weeks in a body cast. However, at this writing, we are sorry to hear Jim Fanton and Howard Eddy are bed-ridden. Our very best to you both!

We met again on December 31st to welcome the New Year and also our new officers, Paul and Pat Vaughn, Dick and Barbara Sommers and Al and Alma Wells, who, with the help of the officers of '71, turned the hall into a wonderful wonderland, with silver bells, crepe paper streamers, \*

balloons and noise makers. Dancing was enjoyed until 1 a.m. when a buffet supper was served.

Many happy memories of the past linger with us but we are looking forward to another wonderful year at Lima Grand Squares. We trust everyone had a Blessed Holiday and that the New Year will bring good health, happiness and plenty of fun - dancing to all.

We have enjoyed chatting with you these past two to three years but feel that some "young blood" will help liven up our corner, so we are turning over our job to Bob and Betty White, who we know will bring you lots of news.

With thanks to the Editors, past and present, for their patience with our efforts and our scribbling, we bid you all "farewell". . . . Florence & Everett Kingsley

## Swingin' Eights

It's a nice compliment to our Club and to Tom's calling when we have so many guests as we did at our December 4th dance. That was the night that the cookies were so delicious that it was hard to pry Bill Klein away from the table, even though you tried, didn't you, Bill Shepler? That was also the night of the "Unique Set" when the Russ Jenkins, Bud Maccombers, Cliff Bushnells and the Bud Youngs, all original Swingin' Eight Members danced in one set, representing 104 years of square dancing. How's that for a record?

Picked up the morning paper the day after Christmas and right on the front page, one of our "Squares" was seen hitting golf balls at Durand Eastman Park (and on Christmas Day, no less). Would you care to comment, Bob Winnick?

George Bauerschmidt proved that he could be both a good Chairman and Santa Claus at the Xmas Party at Holiday Inn. Both he, Rose and their committee did a marvelous job of making arrangements, decorations, good dancing. All made for a very merry evening.

Then, too, at the Holiday Inn, the New Years Day Dance had a good turnout of both Members and Guests. We missed you, Russ Jenkins, but were glad that you could be at your parent's 50th Wedding Anniversary celebration. Sorry to hear that the flu bug kept Doris at home. Thanks to Quint Winchester, Tom did a yodeling call that was a howling success. Next time, yodel and laugh at the same time. Also present that evening was Colin Ware with a sore arm from all the handshakes that day. He was sworn in as Superintendent of Highways for the Town of Irondequoit. Congratulations and the best of luck.

Because of the busy life most of us lead, we ask that you circle your 1972 calendar with the following dates: 2/19, Bud Redmond of Lewiston, N.Y. will call and on 3/4, Reith Blickenderfer from Ohio. On Saturday, April 1, there will be another BEGINNER'S BALL at Irondequoit High School with Tom Trainor calling. This event was so popular and successful, that it was scheduled again. However, we need the help of all square dancers to dance with and welcome the recent graduates. Please circle in red the date of our Class Graduation - Monday, March 27. All Swingin' Eight members are asked to come and help celebrate with a warm welcome, the new members into our Club.

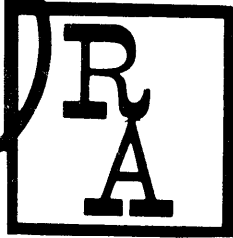

The lucky travelers this month are Ann and Ray Deslandes who are going to Florida. Bill and Terry Barnes and Russ and Ethel Heffer are leaving for Hawaii on 2/5 with the Circul-8-ors.

Heard by the grape vine that John Fenton was spending some time in the hospital. Checked him by calling him at the Genesee Hospital and learned that besides pretty nurses, he had all the necessities to carry on his business and besides got a good report that he was doing well.

Just want to say that we will all miss Bob and Grace Corthy who are moving to Syracuse. Any more news, just get in touch so we can put it in print next month.

## Rochester Rollaways

Many members have been struck by the flu bug. It is hoped all will be back in circulation by now. Get well wishes are also extended to those who have been hospitalized this past month, and to Fran Desmond who we are happy to report is recuperating nicely.

A special note of thanks goes to Sue Wolfe for bringing the Rollaway history up to date - and in time for our Anniversary Dance.

Our thanks to Genesee Dancers for inviting our club to a January dance. Too, we had the pleasure of dancing with Lilac Squares in December.

Congratulations to Howie and Alice Wilcox on their fifth grandchild.

Ken and Eileen Fohl travelled to Indianapolis for a Lee Kopman weekend early in January.

Recently, our club welcomed as new members Anton and Gloria Betlem and Joe and Shirley Heit.

Your regular reporters, Muriel and Reese Cole are off for a two month visit to Arizona. We're pinch hitting for them this month.

May 1972 be a year of good health and happy dancing for all. In the meantime "have a nice day".

. . . . . Bob and Doris Decker

## Swinging Singles

The Swinging Singles started the holiday season with the joining of two of our couples in marriage. We extend congratulations and the best of luck to Sylvia and Murray Kellogg and Donna and Larry McGilvery.

We'd like to thank all of the dancers from other clubs that visited the Swinging Singles during the holiday dances and in the past few weeks. We really enjoy seeing all the happy faces and hope you feel welcome to join us at any future dances. On behalf of the Swinging Singles, I would also like to thank the Wayne Westerners, the Boots 'n Slippers, and the Copy Cats for inviting us to dance with them at their club dances. All of our members attended ha

who attended had a great time.

Just as a reminder to all our members, coming up in February is our winter outing at Luce's in Dansville, New York on the weekend of the 19th. This is an overnight trip in which we will participate in ice skating, sleigh riding, and snowmobiling activities. Our special dances for the month include a Valentine dance on the 14th and guest callers Peg and Myron Huss on the 28th. We'll see you there.

. . . . . Jane DeMallie

## Triggers

Happy New Year! Those who attended our "Snow Ball" know that '72 made a sparkling arrival. After old Father Time, Robert Glasow, made his rounds and kissed all the ladies good-by, in came the new '72 baby, Gene Pasquale, stroller and all. We want to thank Madge Golden and her committee for a delicious buffet and the Pierces and Pasquales who headed the snack table.

'72 started off with an open house on Jan. 11. We think the visitors enjoyed themselves, because quite a few were back on Jan. 13 for the start of our new classes at English Village School in Greece. Remind your friends they still have time to join.

The new year also brings about our congratulations to

Myron, our caller, on his retirement from the Wm. P. Stein & Co. Because of his faithful service for 50 years as a tool and die maker and instructor, they are giving him and his wife, Peg, a two week trip to Hawaii. They plan on leaving the 11th of March and being back with us by the 28th. We hope you have a wonderful trip. You deserve it. Just think, now Myron will have more time to dream up new ways to keep us moving.

On Feb. 4 we have been invited as guests of Boots and Slippers.

Feb. 5, is the date for our annual Style Show with the Web Spinners at Schroeder High School in Webster. See you all there.

Don't forget our annual Valentine Party at Podgers.

March 21 - just a little advance notice. All of you out there who have had dreams of becoming a caller, well, here's your chance. We are having an Amateur Callers Night. So, start practicing and get in there and give it all you've got. This is one night I don't think you'll want to miss.

We wish to express our sympathy to George Hungs on the loss of his father.

Remember - dues are due.

Happy Valentine's Day!

## Twirl A Rounds

It is a little late, but to those of you we have not seen we wish you a Happy, Healthy, and Prosperous New Year.

Now that the Holiday Season is over we can all get back on schedule. Don't know whether that is good or bad. Hope that everyone had a wonderful time. I know that we did.

Our Christmas Dance at the Three Acres Party House was a

great success and we were very happy to have so many Fiddle-a-Rounds with us. It is always a pleasure to have Perky and Charlie with us. After all, they are the Father and Mother of Round Dancing in the Rochester Area.

We always knew that Norma Dolan was a live wire, but we would like to know how she and Jerry Cody shorted out the jukebox - all they did was touch it.

Our New Year's Party was also a great success. I have never seen a bottle disappear the way Ed Coopenberg's did. Wonder what brand it was?

Our first dance in January was the occasion for the election of our new officers. We are happy to report that Norma and Chuck Dolan were elected Presidents, and Marge and Art Eichas, Secretary-Treasurers. These couples are both long time members and we are sure that they will be very efficient officers.

A round of applause is due to the officers of 1971. Thanks to each of you from all of us for a job well done.

We wish to express our sympathy to Bonnie Coopenberg on the recent death of her grandmother.

Twirl-a-Rounds on the go next month are Thelma and Fran Pratt who are going to Hawaii in February. They will really miss the cold and snow. Wish I could. Dot and Howie are going to the Round-a-Cade in York, Pa., so we can be sure of another supply of new dances in the new year.

We are now at the end of our reporting stint, and wish to extend a welcome to your new reporters, Bonnie and Bus Gangl. We know that you will all be as co-operative with them as you were with us.

See you aRound. . . . . Jim and Anne Gentles

## Wayne Westerners

The holidays are over and we are back to the routine again, but the memory still lingers.

That sure was a wonderful Pot-Luck supper we had just before Christmas and all those exciting presents we exchanged that night were memory makers.

We are glad to see that Doug DeMay has recovered from his accident. Good to have you back dancing, fella.

Our Vice-President's wife, Nita DeLooze is in the hospital. We all hope she has a speedy recovery so she and Gene can get back dancing with us soon. We miss their smiling faces.

Shirley and Curly Kuhn were proud grandparents last week. Boys always make grandmothers smile, don't they, Shirley?

Jerry Carmen will be guest caller February 17th. We danced to Jerry last summer and we had a ball. So let's all be there that Thursday night and enjoy ourselves again.  
. . . . . Bud & Ellie Everett

## Web Spinners

Wow! What a party! Web-Spinners and guests from Irondequoit Squares and Eck-o Squares saw the New Year in at the Walworth Fire Hall. One group of Irondequoit Squares tried very, very hard to convince all 48 couples at the dance that their table (number 3) was the best attending. There's still some controversy over that!

'Wild' Bill Wilcox, who was recovering from a bout with the flu, finally lost his voice about 2 A.M. If he hadn't, some people would probably still be dancing.

Many thanks to Don and Jane Evans and all their committee members who worked so hard for a very successful dance.

New Web-Spinners officers were installed at the dance. President, Vern and Mary Jane Collier introduced Vice-President, Joe and Arlene Galen, Secretary, Don and Pat Oeschger, Treasurer, Bob and Gail Hayes, and Board of \*

Directors members, Bill and Jean Humphrey and John and Zyl VanSlooten, Federation representatives will be Harold and Helen Klick, and Jim and Helen Fordam. We'd like to thank the retiring officers for the busy and interesting club program they organized for the past year. Many hours of hard work must have been invested to accomplish all those activities. Some of the most memorable Web-Spinner club events during the past year were: a January pool party at R.L. Thomas High School, the February Valentine Dance, and a March visit by the Boots and Slippers out on their "Mystery Ride" (in a school bus, yet!). April was busy, with Web-Spinners attending the Lima Grand Squares dance, holding their annual Fashion Show and dance, and graduating the Class. In May came the Trail's End dance where a "This Is Your Life - Judy Wilcox" skit was performed. Trail's End didn't end the dancing though. A camping and dancing weekend was held Memorial Day at Bonnie Brae campground. This worked so well, a Fourth of July camping-dancing weekend (boy, are they tiring!) was held at Hidden Valley campground near Jamestown. The Family picnic was held later in July. August was quiet, but September was ushered in with a Labor Day camping-dancing weekend back at Hidden Valley. Later in the month came a Harvest Dance and in October, the S.A.S.D.A. dance at Syracuse which was attended by several Web-Spinners. Halloween also falls in October and was celebrated with a costume dance. The year ended, of course, with the big party - the New Year's Eve dance.

. . . . . Bob and Lyla Bonnett

What's new around town? One thing I noticed, there is a lot of absenteeism. At first I thought it was because of me. Maybe dancers did not have fifty cents left after Xmas to pay me to stay out of their sets. No, it wasn't that. I found out it was the Flu, the Hong Kong Flu.

How do I know it's the Hong Kong Flu? Because now I have it and I recognized the first symptoms. My eyes start to slant and my mouth tastes like stale rice. Next, I started to cough on one end and ah, something also happened to the other end. One treatment I use for the other end is Blackberry brandy.

Here are some other remedies that I have tried, and maybe you can use:

Goose grease-----Rub it on your chest but don't rub it all over like I did. I kept slipping out of bed.

Garlic-----Tie a piece of garlic on a string and wear it around your neck. No legitimate germ will come near you and probably nobody else will either, especially husbands and vampires.

Honey and whiskey-Drink about a pint, it really won't cure you, but you won't care either.

Camphorated oil---Rub on your neck and under your nose. Guaranteed to clear your sinuses and may even melt the wax in your ears.

Preventives-----Stay away from Chinese laundries and fortune cookies.

Hold everything! The Blackberry brandy isn't working, gotta goooooooooooooooooo.

Thanks anyway,  
Hal Abberger
