## DANCE-O-RAMA GRAM

February 19, 1972

TO: All Rochester Area Square Dancers.

Everything is moving along well to provide one of the best Dance-O-Rama's held in the Rochester area in a long time.

Chairman of the Program committee Jim & Betty McCullom, announced at the February Federation meeting that, the national callers will be holding workshops this year. During the dinner hour from 5:30 to 7:00 p.m., twelve local callers will call in two halls at the Dance-O-Rama, McCullom says. Program for this years Dance-O-Rama, will include times and places where callers will be working, as well as what activity will be taking place at that time. The program will also include the names of the local callers as well, so that dancers will have a wide variety of callers to choose from.

All clubs have tickets at this time, for both the Dance and the Buffet Dinner. Dance tickets have a special advance sale price of \$ 4.00, as opposed to the regular at the door price of \$ 5.00. The Dance-O-Rama committee decided at an early meeting that the advance price would give dancers a chance to save one dollar from the door price. Advance sale tickets will be available until Saturday March 25th, at which time all clubs will be turning their tickets in to the ticket committee. Don't delay get your Dance-O-Rama tickets today.

Brought back again are the shops and it is hoped that there will be four or five shops in attendance this year.

As convience to the dancers, a buffet dinner will be served at the dance site, and the price is only \$2.00 per person. An excellent menu has been planed and it is hoped that dancers will purchase their dinner tickets in advance so that the committee can have some idea of how man people will have to be fed.

This years Dance-O-Rama has been given wide dissemination, to all parts of the Northeastern United States and Canada, and this should make for a successful dance on April 8th. We hope we'll see you at the Robert L. Bourne Memorial Dance-O-Rama, until then we remain,

Yours in square dancing

EDITOR'S  
NOTE:

**CLUB REPORTERS** are advised to please send in their news and schedules by the 15th of the month. By doing so, it would give your editors a little more time to get the Promenader together and would also eliminate a few phone calls. We would also appreciate a limit of 35 lines on news items. A line is approximately 10 words. Thank you all for your cooperation.

Fun is building up your club with new dancers, getting acquainted with them, welcoming guests, dancing with everyone and working within your club or organization for the enjoyment of each new and old member.

Open your square and hearts to everyone. Let your smile light the window of your face to show your heart is at home to all, friends, neighbors, and strangers.

Double your pleasure  
Double your fun  
Square and Round Dance  
with everyone!

(From "Dancing Tips" by Harold & Lill Bausch)

### Spirit To Spare

Mike DiBitetto, twelve years old, reporter for the Swinging Squares, a pre-teen Club, informs us that his Club is striving for a high attendance at the Muscular Dystrophy Dance, so that they can win the trophy which will be given to the Club with the highest attendance. We believe that if every Club had this kind of spirit, the attendance record at the M.D. Dance would be shattered.

The Muscular Dystrophy Dance will be Saturday, April 29th, 8 p.m. at Churchville-Chili Senior High School, 5786 Buffalo Road. Don't miss this great dance for so worthy a cause.

#### OUR FEDERATION REPORTS THAT:

--- plans for the Dance-O-Rama are progressing favorably. It is hoped that the dinner will be a popular addition this year because four hundred people must be served to make a go of it. Tickets, money and ribbons from the pre-sale of Dance-O-Rama tickets must be returned by the delegates to the next Federation meeting on March 27. Pre-sale tickets are \$4.00 until March 25, after which they will be \$5.00.

--- the Merry Mixers and the Singing Squares were voted in as new members of the Federation, bringing the membership to twenty-four Clubs.

--- the idea of a telephone answering service to promote square dancing and to serve as a clearing house for the latest square dance information, such as dance schedules, locations, times and possible cancellations, has been dropped in favor of an information pamphlet which will be made available at a future date.

--- a representative from the Federation will be selected to attend a meeting in Rome, N.Y. of representatives of Clubs throughout the State to discuss the objectives and benefits of a proposed New York State Square Dance Federation. This question was previously discussed at the time of, but not in connection with, the 7th Annual Syracuse Area Square Dancers Association Festival in October, 1971.

#### NON-FEDERATION NEWS

Which-Way-Whirlers, Pavilion, N. Y. are having Singin' Sam Mitchell on May 18, 1972. The Rounds will be cued by Betty Wolcott. The dance will be held at Pavilion Central School, Pavilion, N. Y. from 8:00 to 11:00 p.m. The donation will be \$2.50 per couple.

#### AKRON, OHIO, ANNUAL SPRING FESTIVAL DANCE

The Akron Area Square and Round Dance Federation will hold its twelfth annual Spring Festival on Saturday, April 15, 1972 at Akron University Memorial Hall. ## Batavia Twirlers

Big news!! - Something great on March 19th from 7 - 11!  
The Batavia Twirlers are sponsoring a Cancer Benefit  
Dance at Alexander Recreation Hall, Route 98, Alexander.  
There will be 13 favorite callers, refreshments will be  
served and loads of dancing. Come and bring your friends

Just to catch you up on past events: back in December, our live music band, the Kelley Old-Timers, was the greatest and was the talk of the area for a long time. We had a capacity crowd with excitement to match.. Also, in December, our Christmas dance and Pot Luck supper was well attended with a choral group from East Pembroke as special entertainment.

Happily, we accepted an invitation from Boots & Slippers with Mike Callahan calling his usual familiar tips.

The Twirlers again were on the move and January found them journeying to the Swing Alongs in Buffalo to retrieve our travelling banner. We also brought back theirs to boot.

Lima Grand Squares were our guests in January.

A group of Batavia Twirlers put on a demonstration at the V. A. Hospital in Batavia. Our fine caller, Leo Parsens, called for the evening.

We want to congratulate Lois and Dick Calkins on the opening of their new square dance shop in Leroy.

Recently, our treasurers, Keith and Cheryl Byers, visited our former club members, Jean and Gene Wright, at their new home in Texas. Also, a happy 72nd birthday to Dick Chase. Mr. & Mrs. Chase are on hand every week to help our new class.

We also have noticed that the Glens are sporting beautiful tans from Florida, but colds from New York.

Congratulations to Ruth and Merritt Long on the engagement of their daughter.

Our sympathy goes out to Sam and Audrey Timminello on the loss of Sam's mother.

..... Ruth and Butt Curts

## Belles 'n Beaus

Eight couples from Belles 'n Beaus are enjoying the sun, balmy breezes and Square Dancing in Hawaii. After trudging through our last snowstorm to dance, we think enthusiastically of Stella & Harold Elich, Myrtle & Dick Moore, Ethel & Russ Heffer, Fran & Hal Abberger, Bernice & John Meylan, Katie & Frank Heindl, Hazel & Harold Conklin and Hazel & Larry Spavin.

We have two proud new sets of grandparents in the club. Norma and Althea Rosenburgh are grandparents of Jeffrey Douglas. John and Marion Butler are the grandparents of Janette Susan Butler. Janette's parents, Bill and Mary were in the Belles 'n Beaus Class of 1968.

Congratulations to Joyce and Stan Levandoski on the arrival of their third daughter; and to Betty and Charlie Podgers who celebrated their 47th Wedding Anniversary a few weeks ago.

Trudy Smith baked a delicious cake and the club held a Birthday Party for Art Harris.

Belles 'n Beaus are presenting their 2nd annual Art Harris Workshop for new graduates and club level dancers. The dates are February 16th and 23rd, and March 1st and 8th. Art will teach Round Dancing from 7:30 to 8 p.m. and Squares from 8 to 10:30 p.m. Total cost is \$10.00 per couple. If you are interested, call Ed Hasman at 225-2541 or Ed Haddleton at 225-6202.

## Boots 'n Slippers

Our first dance in February was canceled because of the weather but our dance on Feb. 11 was enjoyed by all with a Valentine Party. We had guests from the Swinging 8's, Orleans Orbits, Spin N Wheels and Swinging BB.

Lorene Fratta is our Sunshine Chairman.

It was good to see Ella & Aub Ruger back again.

Marylou Sweeney has been in the hospital. We wish her well and Millie Uttaro, too, who was also in the hospital. Millie is a class member.

Two couples from our class are enjoying the sunshine and dancing in Hawaii with the Circul-8-Ours. They are Bob and Ruth Freitag and Russ and Ethel Heffer. Have fun!

Our sympathy is extended to Virginia Rebstock and family on the death of her husband, Clay. Also, sympathy is extended to Marion Bauer on the death of her mother.

Don't forget - tickets are now being sold for the Dance-O-Rama. Be sure to get yours.

..... Bud & Stel Lewis

## Copy Cats

Our thanks to Russ and Marj Taber for filling in for us last month. They really can write a column! We think that they should be kept on permanently. Our son did get married in January but he took his own honeymoon and we did not get to Hawaii, unfortunately for us.

The dance on January 29 was in honor of all the people who were going. The lucky ones were Bob and Rita Dobbin and Fred and Charlotte Specchio. Members from other clubs who were going and who also joined in the celebration were Chet and Kay Kuhn and Henry and Dorene Novick. "Wild Bill" Wilcox was the guest caller for the evening and really gave us a workout. It was a good thing the travelers had a week in which to rest up. Of course, the theme for the evening was Hawaii. Hawaiian posters decorated the walls. The table center piece was two World War I planes flown by the Red Baron and Snoopy, and by a banner inscribed "Hawaii or bust."

One of the highlights of the evening was seeing Fred and Charlotte Specchio receive their past presidents pins. They have worked very hard for the club since it began.

We were happy to welcome Stan and Donna Kussie into our club on February 12.

A look into the future: If you are a camper or know where you can beg or borrow a camping outfit, save the weekend of June 16, 17, 18. Our illustrious president is cooking up something but plans have not been finalized.

The last word: If you hate all this snow, slush, and cold, think how awful it was for the dancers when they came home from the sunny beaches of beautiful Hawaii. Now aren't you glad you stayed home?

. . . . . Jim & Helen Fordham

## Country Twirlers

On behalf of the entire membership, we, the newly elected executive board, wish to say thanks to the outgoing officers for a job well done. Now we say thanks to the membership for your confidence in us by electing us to the board. Asking your necessary cooperation and help, we set as our goal to always work for the betterment of square dancing in general and the Country Twirlers in particular.

January 25, nine couples from our club danced on the carpet at the Presbyterian Home on Thurston Road to the singing calls of Bruce Baart. Believe me, it was by far the most shocking experience any of us had ever had! Have you heard the old saying "Just because there is snow on the mountain, it doesn't mean the fire is out in the furnace"? Well, this was proven beyond a shadow of a doubt that night. With every touch around the square the sparks really flew. It was an enjoyable evening tho and the residents were most gracious in showing us around the home and expressing their appreciation for the dancing and cookies and punch.

Alohas are in order for seven couples who are at this time fortunate enough to be vacationing in Hawaii. We don't envy you but sure wish we were there, too. Girls, have you worn your grass skirts? Sorry about the lawn mower, Hal.

Congratulations to Fred and Mary Vieira. They are the proud parents of a brand new baby girl and the newest members of our club. We are looking forward to dancing with you in the near future.

Bob Page who was scheduled to call for us on March 3rd, suffered a stroke in November and underwent an operation in February to remove a blood clot. His wife reports he is improving but not able to fulfill any calling engagements at the present time. Our Vice President was able to secure a capable replacement from Cleveland, Ohio. His name is Dave Friedlein. So, with the knowledge that Bob is improving and the calling of Dave, I'm sure March 3rd will be a most enjoyable dance. See you there?

## EKC-O Squares

It was a pleasure again to have guests from two clubs dance with us on January 26th. Country Twirlers and Swinging Singles joined us for an enjoyable evening.

Twenty couples from Ekc-O Squares will descend upon the Hawaiian Islands on Feb. 5th. They will be with the Circul-8-Ours Tour which includes over one hundred couples. Sam Mitchell is going to greet the group upon arrival and is arranging a banquet for them. American Airlines and Bob Mills Travel Agency gave a Champagne Party on Jan. 23 for those going on the Tour. These are the lucky couples from Ekc-O: Adams, Baders, Betlems, Bayles, Burnhams, Conways, Crosiers, Hakas, Hamlins, Heffers, Hills, McNaughtons, Nudds, O'Neils, Millers, Rahns, Ross's, Schickers, Walthers, Zulaufs.

John and Bernice Moylan and Katie and Frank Heindl will be in Hawaii at the same time with the Ronny Schneider Tour.

We were sorry to hear that Gordy Thomson had to undergo eye surgery. Sincere wishes for a fast recovery, Gordy.

We are to be guests at Wayne Westerners on Feb. 24th and Genesee Dancers on March 2nd.

. . . . . Bill & Clara Ross

## Fiddle A Rounds

When the Tuckers, Browns and DeGraves come back from Round-A-Cade, we'll be looking forward to learning a lot of new dances.

The club is fortunate to have as members, Howie and Dot DeGrave, who were able to fill in for Charles and Perkie without much advance notice, when the Tuckers couldn't make it one night. Howie and Dot topped the evening off by teaching us "Jean". Thanks again, Howie and Dot!

Ask Charlie and Perkie to dance "Holiday Rumba" so that

you can see some neat styling. Beautiful!

Games People Play - the attendance was nearly 100% that recent stormy Monday night but, because of the weather, we decided to quit early at about the time that Charlie Tucker had to go downstairs. With everybody pitching in and working feverishly, we had his gear packed and downstairs before he came out of the little boy's room to find us dressed to go home. Surprised, Charlie?

Current dances are "Whistling Away the Dark", "Wonderful Things", and "Jean". They're all very pretty waltzes.

Now that Margaret and I have learned "Dream Awhile", in spite of all the ribbing, how about some reteaches on more "oldies" but goodies?

The male club members missed out on this, but the women surely did a lot of gigling when Mary Prado showed them how to get into an unusual pants-skirt that she had made.

For the first time, Dance-O-Rama will feature two squares and two rounds this year. The 2 x 2's will please us all

Another yearly highlight is the Muscular Dystrophy Dance on April 29th. This surely is a must on everyone's dance calendar.

The Costichs and Marsh's combined to phone the Tuckers all the way from Hawaii, to report that they were enjoying the "cool" 85° temperature. They also told them about their good friend, Ron Schneider, getting married while over there.

We bet that lovely Kay Falls won't tell us about all the "fun" presents she received at her surprise birthday. We understand that some of them were "lulus". Dot De-Grave's "gift" was all of the things she had borrowed from Kay.

. . . . . Margaret & Joe Zilinski

## Genesee Dancers

The Club wishes to thank Ruth and Lew Dietz for an outstanding job on the "History of Genesee Dancers". We know what a lot of time and work went into it and we thank you. If anyone would like a copy, former members or new members, they are available at 50¢ a copy. Contact the Greens if you would like one.

More Genesee Dancers on the move to sunny climes. The Bushnells, Maybelle and Jim, are in Florida and then are heading West to New Orleans and Arizona. Sounds like a great trip.

Aloha to our members on the Hawaiian Holiday, including the Abbergers, Costichs, Conklins, Hoffmans, Conways, Howletts, Kochersbergers, and Marshes. (Hope I didn't leave anyone out.)

Was sure glad to see Millie and Tip so well out-fitted for the trip. I bet Millie's bikini was the hit of Waikiki Beach and then some. Hula girls, run when you see Tip coming. Between his grass shears and his matches, you haven't a chance. By the way, "Who the heck is Roy?"

Some special dances coming up to remember are the Deuce Williams dance on March 9 and our Pot Luck Supper on March 23 with Don Duffin calling and the class as guests. Sign up for a dish to pass. The Welch's are chairman of the affair. The Class will be graduating on March 28th at Floyd Winslow School so let's have a large turnout from the club to launch our new members into the group.

The Annual Muscular Dystrophy Dance will be on April 29. Many club members are involved in this dance. If you would like to volunteer your services, I'm sure Una would appreciate it.

When you see Howard Green, be sure to ask him what the "Hot Spot" of his trip to California turned out to be. Weren't you a little cold when you got off the plane? Notice everything is back to normal now. Never saw a lampshade with a fur coat, Howard.

Nice to see the Bonjornos and Ehman's back dancing with the club again and congratulations to Bert on his recent

Welcome to our new members, Jane and Gary Chevier. Glad to have you with us.

The Valentine Party was a fun dance and a large thanks to the Decoration Committee for their handiwork and to the Dunbars for the delicious dessert.

Hope the flu bug has run it's course now and we will see everyone back dancing again. Seems good to see many familiar faces again after an absence.

## Swinging Singles

We had an excellent turn-out at our Valentine Dance on the 14th. It is plain to see that Cupid has been shooting his arrows at the Swinging Singles, giving us reason to announce the engagement of Corky Williams to Gary Laney and Lynn Bennett to Bill Doerr. We extend our heartiest congratulations to these two couples.

We would like to extend a special thanks to Larry Spaven for the wonderful job he did calling for our club on January 31. All of our members really had a great time that night.

The Swinging Singles have three new additions to the club. Welcome to our new members, Dave Desmond, Mike Dunn, and Tim Craig.

Let's all keep March 27 circled on our calendars. Mike Callahan will be our guest caller that night.

Be sure to be with us in next month's issue of the Promenader when I will feature the exciting details of our winter outing in Dansville on February 26 and 27 and our Class Graduation dance on February 21.

## Henrietta Friendship Sqs.

When this is read, our annual Washington's Birthday Dance for club and class will be over. To many of our classes, this is their first regular dance. We have visited our own club class and are amazed at how well they are doing. Like all new dancers, they know what to do, but are not quite sure they are right. May we suggest to all of you older dancers: get out there and break up some of these ALL NEW squares - to give them a little more experience and the assurance of your being able to help if they need it.

We operate our elections and installation of officers just a little different from many clubs. We have had our elections, but the new officers will not be installed until our Trail End Dance in May. Don't think this gives them any rest, for these new officers, along with the present ones, have already had one three-hour meeting, working on plans for the '72-'73 year. This arrangement does help the new officers with the experience of the present ones -- but they do make their own decisions for their term of office.

Elected were Don & Betty D'Augustino, president; Jerry and Linda Strong, vice-president; Larry and Jackie Herendeen, secretary and George and Dorothy Falk, treasurer. From the way they are getting organized and planning for '72-'73, we know they are going to do well. Remember, they will be our officers after June 1st. If this seems complicated, just send any club mail to P. O. Box 153, Henrietta, N. Y. 14467 and we will see that it gets into the right hands.

We are looking forward to seeing our guests on March 4th and 18th. . . . . Bruce and Jane Howland

## Irondequoit Sqs.

Well, it looks like we goofed. The dates of February 12 and February 26 with Mike Callahan as caller were incorrect as we know. Apologies go to Bill Wilcox.

January was an exciting month beginning with guest night as mentioned earlier. A full house (18 squares) with Larry Dunn as guest caller and closing the month with a combined dance with Swinging 8's with Tom Trainor calling. A most enjoyable evening.

We enjoyed dancing with our class, February 12th (our Valentine Dance). They are doing great. Class representative, Ed Sulewski, presented Marge and Fran Clark with a dozen of pink carnations for their wonderful help.

We are happy to report that two couples of Irondequoit Squares, Mary Jane and Ken Nudd, and Vi and Les Walthers) are enjoying Hawaiian sunshine. They left February 5th and will be gone for 2 full weeks. Hope they have a wonderful time.

We recognized familiar faces at our dances with Irondequoit Square badges. Welcome!

A "goodwill" committee has been formed with Jon Anderson in charge. Jon has made arrangements to have a "square" of volunteer dancers enlighten the hearts of "shut-ins" that are in area Homes with a square dancing demonstration. Our Club caller, Bill Wilcox, has offered his generosity to call for this worthwhile cause. Anyone wishing to participate, please contact Jon Anderson. A group are dancing February 13th at the Episcopal Church Home.

Keep the following dates open. We will be guests of "Web Spinners" on March 17th for their "St. Patrick Dance" at Schroeder Jr. High, at 8 o'clock. Let's make it a 100% turn out. I'm sure that it will be a most relaxing evening. Thursday, April 16th, we are guests of Genesee Dancers and Friday, April 14th, we are guests of the Country Twirlers. We wish to thank these clubs for the invitations.

Don't forget the work shop on club nights, 8:00-8:30.

. . . . . Sam and Ev Gillio

## Lima Grand Sqs.

Blizzardy weather on January 7th and February 4th kept our numbers down but not our spirits. Don Stumbo mixed and scrambled us and made our feet fairly fly for some really fun dancing!

The weekend of January 14th, Don and Liz Stumbo, Don and Eleanor Trescott and Bernard and Kate Craft of Corning went to Baltimore, Md. to attend a meeting of the Civil War Group. That Friday, our club danced to the calling of Jim Dutton who has a class at Caledonia. Our guests that night were the Batavia Twirlers, Warsaw Promenaders, and the Which-Way-Whirlers of Pavilion.

Our class joined us January 28th for a delicious Pot-Luck Supper, games and prized and fun dancing. Their Monday night classes stopped on February 7th and they started Friday night dancing with the club on February 11th, our Valentine Dance. A half hour lesson for the class will precede each club dance until their graduation in March. The class is coming along just great and we will enjoy them as members of our club.

The decorations for our Valentine Dance were just beautiful thanks to Barb and Dick Semmers, Alma Wells, Joan Knox, Pat and Paul Vaughan, Judy and Joe O'Grady and Elaine Santucce. The evening was fun with sets being formed by "like-colored" hearts which had been given out at the door and the secret ceremonies of the Kissin Kuzz-ins.

We understand that Carol Howlett, daughter of Helen and Gene, was seriously injured in a snowmobile accident at the first of the year. She is improving and we hope her recovery will continue to move along quickly. Pete Strong had the misfortune to run a nail through his hand several weeks ago but was back with us for our Valentine Dance, hand nicely healed. The club extends its sympathy to Tom Dawson upon the death of his wife, Elva. The Dawsons were former members of our club.

Word has it that the Howard Eddy's are moving back to Portageville, N. Y. where Howard will be the village postmaster. We hope they will come back once in a while.

Club President, Paul Vaughan, has been busy fixin' up our square dance "closet" with a new light and shelf. Treasurer, Al Wells, said he could only afford to pay him 45¢ for the job, which prompted Paul's wife to say that she wished she could find a 45¢ electrician to work in her house!

A very special thanks goes to Florence and Everett Kingsley for the splendid job of reporting they have done for so long. Their faithful reporting has certainly been appreciated! . . . . . Bob and Betty White

## Rochester Rollaways

Since Coles are on vacation, we are writing the news column this month. Speaking of vacations, I enviously report that the Burnhams, the Hamlins and the Anton Betlems are in Hawaii with the square dance group. Bet they're having a wonderful time away from the Rochester wind and snow.

In early February, Huots arranged a cabin party at Powder Mill Park for a group of campers, many of whom happen to be dancers. The Fohls, both Wilcoxs and the George Betlems joined in the festivities. Bill and Lois Wilcox dropped in after attending an afternoon dance in Syracuse with Lee Kopman. Incidentally, Eileen Fohl will be gaining another closet next August - daughter Shirley is engaged and an August wedding is planned.

Our sympathy goes to Doris Sixt who recently lost her father. I hear Deckers are going to do some farming this summer. Well, not exactly farming, they're getting reams of info on organic farming so they can have an organic garden patch.

About the time our winter vacationing dancers are back, others will be taking off for Easter - - but that will be in someone else's column.

## Swingin' Eights

It may be a little late, as the new officers are in full swing, but it is never too late to say thank you to our out-going officers, Bill and Ginny Sanderson and John and Sally Soltysaik, and thanks and welcome to Presidents, Russ and Doris Jenkins and Vice-Presidents, Art and Doris Petro. Representatives to the Federation are Jim and Betty McCollum and Mike and Helen Tiss. Betty Liccardi and John Fenton are doing a great job with the class. Graduation is scheduled for Monday, March 27th.

On Wednesday, Feb. 23rd, a group of Swingin' Eights will entertain at the Lake Shore Nursing Home with a few tips. Tom will be calling and he promises to get those in wheel chairs to join in the fun.

We have a bit of news about our families. The Wells Carys are busy with preparations for daughter Marcia's wedding on March 25. And speaking of hearts and flowers, yours truly are happy about son Peter's engagement on February 14th.

We are all aware of the Robert L. Bourne Memorial Dance-O-Rama on Saturday, April 8th, but did you know that the square dance shops will return to this year's dance to show us "what's new" in square dancing attire, and also a chance to do a little shopping.

Coming events include Guitar Playing Reith Blickenderfer from Ohio who will call on March 4th, & the Beginner's Ball at Irondequoit High School on April 1. Hope to see you all there as it is important that we make the recent graduates feel welcome. Don't forget to circle the date of April 29th for the Muscular Dystrophy Dance which deserves our support.

Among the missing, is the SWINGIN' EIGHT GALLOWS. Anyone who can give us a clue as to it's whereabouts, please get in touch.

And so, with the coming of Spring, let's all look for the robins and a good turnout at all of the above dances.

. . . . . Carl and Ruth Trabert

## Triggers

The retirement party for Myron Huss on Sunday, Jan. 30 was indeed the surprise party it intended to be. It was quite apparent, by the look on the faces of Myron and Peg when they walked into the hall of the Barnard Exempt. All the club and friends were there to wish them happiness. Myron was presented with a radio-cassette and a purse for Peg to take on their trip to Hawaii. Henry Allen who was the M.C. for the evening, and a very good one at that, introduced some of the earlier members of the club. A big thanks to Tom Trainor, our guest caller, and to all those who were responsible for making the party the success that it was.

Another great for Podgers' Valentine square dance and swim party. Charlie and Betty were as enthusiastic as kids opening and reading their many valentines. I didn't know we had so many cabbage heads in the club.

When we told you about our Amateur Callers Night, March 21, we should have said "Triggers only". We're sorry. We didn't know we had so many aspiring callers in the club. Who knows-this may have to be repeated again sometime.

We've been invited to the Belles 'n Beaus on April 17. Hope the weather treats us a little better this time.

The beginners class is off to a good start. If you're free on Thursday night, they're always very happy to have a few helping hands.

See George Mura for your tickets to the Dance-O-Rama.

Congratulations to Gus and Julia Antinora, John and Paulette Bo, George and Mary Lou Mura, Walt and Betty Schaman, Bob and Mabel Wordingham for earning their "Die Hard" badges.

. . . . . John & Paulette Bo

## Twirl A Rounds

Our first venture into square dance journalism begins with this issue. It seems quite appropriate that we begin by extending our "thank you" to Jim and Anne Gentles for a job well done as reporters for the Twirl-A-Rounds during the past year.

We wish to express our deepest sympathy to Virginia Rebstock on the loss of her husband.

We are happy to welcome Len and Bernadine DiCesare into the club as official members of the Twirl-A-Rounds. They are hardly strangers to our Wednesday night club dances.

Ed Coopenberg recently made a trip to Oklahoma, leaving Bonnie at home. We understand that several fellow dancers volunteered to keep her company but none showed up. Did they all chicken out?

We wish Ted Thomas a good trip to Sea Island, Georgia, for the professional golf tournament.

Some of the most recent rounds we have learned and enjoyed dancing are "Moonlight and Roses", "Moon Over Naples" and "Jean". We are wondering, however, if Howie has chickened out on continuing with "Deep in the Heart"?

We understand, Dot, that your German shepherd knows exactly where he will or will not go. Oh well, if Mohammed won't go to the mountain, the mountain will have to go to Mohammed.

Some of us are looking quite quizzically at the fact that Howie is now sporting long side burns.

By the time of this printing, Howie and Dot will have returned from their Round-a-Cade in York, Pa. with a bundle of new dances. During this same weekend, your reporters, hopefully, will do some round and square dancing in Warren, Pa.

. . . . . Bonnie and Bus Gangl

## Web Spinners

Welcome back to Chet and Kay Kuhn from their trip to Hawaii with the Circul-8-Ors. We thought of them a lot in February when the temperature was hovering down around zero. Oh well, some year we'll learn to plan ahead too.

We wish both George Liedecker and Bob Hayes speedy recoveries from their recent operations.

Has anyone noticed that Judy Wilcox has acted a little nervous lately? With her son being married in January, and daughter, Nancy, married in February, it's no wonder. Now Bill's buying her a new camping trailer to calm her nerves.

Now that the Copy Cats have joined the Federation, their Traveling Banner is fair game for stealing. But the group of Web-Spinners who visited the Copy Cats recently to steal the banner found out that they don't have one yet. So Copy Cat President, Jan Brederson, graciously allowed the group to take his personal badge for a trophy.

Web-Spinners were guests of Ekc-o Squares on Feb. 23, and are invited as guests of the Swinging BB on March 4.

The annual Web-Spinner Invitational dance will be held March 17 at the Schroeder School, Ridge Road, Webster. Hope to see you all there as guests. This dance will have a St. Patricks Day theme, if that stirs any ideas for dress.

Looking ahead a little to April, there will be no Web-Spinner dance on April 7, because Dance-O-Rama comes on April 8. See you all at Dance-O-Rama.

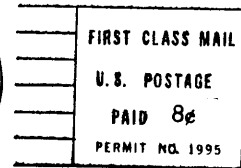

. . . . . Bob & Lyla Bonnett
