## ROAD TO DANCE-O-RAMA '72

ROCHESTER AREA FEDERATION OF WESTERN ROUND AND SQUARE DANCE CLUBS INC.

## Web Spinners

April seems to be travel month for Web-Spinners. First, Ron and Evie Satorious return from two weeks in Hawaii. Then, Don and Pat Oeschger, Duane and Shirly Mabee, and Rocky and Laurie Maggio return from Easter vacations in Florida. About the time they all get back, Paul and Joan Bucci will leave for a vacation in Washington, D.C.

Thanks to all those dancers who made our St. Patrick's Day dance so much fun. Sure appreciate your visiting us. Web-Spinners were also out visiting during March, with guest visits to EKC-O Squares, Swinging BB's, and Wayne Westerners. Besides all that, a group found time to visit the Country Twirlers in Chili and capture their traveling banner.

In turn, Web-Spinners were visited by the Kadiddle Hoppers, a youngsters club with Dick Casper calling. Everyone certainly enjoyed their visit and I think most were a little humbled when the kids made Spin Chain the Gears look so easy after only one walk through!

April 8th, of course, is Dance-O-Rama. That means no Web-Spinners dance April 7th. April 17th will find Web-Spinners as guests of the Belles 'n Beaus, and April 29th, many are planning to attend the Muscular Dystrophy Dance. No Web-Spinners dance on April 28th, the night before the Muscular Dystrophy dance.

Our class graduates on April 21st. This event will be celebrated with a big blast at the Walworth Fire Hall. We've visited the class several times and they'll make fine additions to our club.

Finally, Web-Spinners can now boast they have a bonafide author among their midst. Selma Bobar has had an article published in the "Instructor", an elementary school teacher's magazine. In the article, she describes how she used square dancing in the first grade classroom to help children overcome shyness. Thanks for boosting Square Dancing, Selma.

----- Bob and Lyla Bonnett

## Wayne Westerners

Wayne Westerners will have a pot luck supper on April 13 at 7:00 with dancing to Don Stumbo to follow at 8:00. On April 20, we will be dancing with the class in the Marion Grange Hall. We hope to have a fashion show on this night.

We are making plans for our annual Apple Blossom Dance in May. Happy Easter to everyone!

A L O H A! I've been away, miss me? Guess where I've been? AW-w, you guessed - Hawaii. I knew I shouldn't have worn this grass skirt.

I went with the Circul-8-ors, a group of traveling square dancers, nice people but a little mercenary. The Genesee dancers paid them ten dollars to leave me on an island, but the Hawaiian dancers paid them twenty dollars to take me back. Soooo, they double crossed the Genesee club and brought me back. They may have left me there anyway, if they had found out how I always managed to be first on those tour buses. I would walk backwards and they thought I was getting off the bus. Sneaky, huh?

Speaking of buses, in Honolulu, they are numbered R1, R2, S18, etc. Well, it happened. I got the numbers mixed up, got on a bus, and it took me to the wrong island. This was not easy and I had to help paddle back.

Square dancing on the islands? Yes sireee, lots of clubs dancing the same rounds and squares as here. I danced with them and soon they were paying me three coconuts to stay out of their sets.

There were some dancers that were different. They wore unique square dance costumes. Men wore wrap-arounds and no shirts. How about that, no shirts. The women wore Ti leaves or straw skirts and large brassieres for tops, whether they needed to no not, but nooo 54-yard petticoats, not even one yard. None. What else? Oh yeah, they wore hot pants instead of pettipants under their skirts. Mustn't forget them. So much for clothes.

Their Caller calls thru a large sea shell and the sound that come out sounds like the mating call of a bull moose in the Grand Canyon. The dancers moved so gracefully that when they formed an Ocean Wave it really moved like an ocean wave. I could actually feel a spray, either that or somebody spit into the trade winds.

Now there were some others that they call the Tahitian Twirlers. Oh, bey! what beauties! Their caller accompanied them by letting out grunts and beating on an old wooden sewer pipe. Woweel! when they get those straw skirts moving it looks like a hurricane in a wheat field. One girl, I was sure was going to start a grass fire. In fact, one of the guys did get lit up. You should see him dance then. It was no surprise to me that volcano Kelaia erupted the next day. The language they use. Well, it's different. I learned that Mai Tai is a drink. You don't wear it. Well, after the third one, you might. The island square dancers referred to me as a Pupule Malihini, which I found out meant "off balance stranger". Muu-muu is not a cow. Lei is not ----- . One important greeting I memorized, Pehea oe opu pe koo which means "How is your belly button?" With that I say -----

Mahalo anyway,

Hal Abberger

P.S. Hi Tri-Pod, missed you on the last bus. (Private joke amongst the Circul-8-ors.)

### NON-FEDERATION NOTE

The Kadiddlehoppers' demonstration dance at the Alamo Nursing Home went smoothly and was appreciated. Says Dave Brooks, the Kadiddlehopper correspondent: "When we were invited to dance with the Web-Spinners, we made a small announcement that any kid who wanted to could come. Our class doubled in size. The offer still holds. Our meetings are held at the Parkside Methodist Church in East Rochester from 9:30 'til 10:30 a.m. on Saturday's."

Welcome, Kuntry Kuzzins, Merry Mixers and Singing Squares to our square dance family! We hope your membership in the Federation will prove pleasant and helpful.

## Batavia Twirlers

THIS IS THE MONTH! Less than three weeks away is our Cancer Benefit Dance at the Alexander Recreation Hall in Alexander, N.Y. Please, everyone, come and dance to 13 of your favorite area callers. Don't forget, each couple attending is asked to bring a dozen cookies.

February was a full month as usual for us, starting with our Valentine Party. Don and Harriett Klotzbock, special events chairman and Al and Ginny Rigoni, committee chairman for the evening did a grand job. Dance-O-Rama is coming up in April and Al and Ginny Rigoni have taken charge of the ticket sales for the Twirlers.

We have decided to cancel our April 29th dance and hope all will attend the Muscular Dystrophy Dance scheduled for the same night at Churchville-Chili High School. A large group of the Batavia Twirlers joined our sister club, the Country Twirlers, for an enjoyable evening with old friends and their guest caller, Jim Wheeler. By the way, Jim will be calling at the Cancer Benefit Dance too!

Another demonstration was held last month, this time at the Genesee County Home in East Bethany, N.Y. Our caller was Leo Parsons.

Our election of officers is not too far off, and the nominating committee selected for this duty is Ray and Ginny Walker, Maynard and Marge Armison and Ken and Louise Glazer. Good luck, folks!

Although it's hard to picture at present, our annual campout is also on the agenda. Our campout chairman, Norm and Dusty Pagels, assisted by co-chairman, Jim and Bev Forsyth have been hard at work organizing committees. Registration will start in March.

## Belles 'n Beaus

Art Harris was guest of honor at our 15th Anniversary Party. "This Is Your Life, Art Harris" was presented for a very surprised caller. So that Art could really be a guest of honor, we were very fortunate to have our good friend, Al Howe, as guest caller for the evening. John and Ruth Gosling, their committees, club officers and many club members worked very hard to make this event the success it was.

From all reports, our Directors, Trudy and Don Smith and Fran and Ed Tongue did a great job with the decorations and refreshments for the "Evening in Hawaii" party. Many of the ladies wore colorful Mu Mus and I heard that two fellows (yes, fellows) were grass skirts. There were Hawaiian decorations, punch, music and even movies of Hawaii presented by Hal Abberger.

Bob and Ruth Muir are vacationing in St. Petersburg, Florida for several weeks. They hope to dance with Florence and Harold McKeever.

Myrt and Sept. DeLauro are enjoying a trip to Las Vegas.

Doris and Dick Scheg have tickets for the Dance-O-Rama to be held at Athena High School on April 8th. Tickets are \$4.00 per couple for the dance and \$2.00 per person for the Buffet Dinner to be served at the school.

Club Officers decided to discontinue the Workshop after the second session due to lack of interest on the part of club members. Those who were able to attend the first two sessions felt it was worthwhile.

Keep May 19th free for our Trail End Dance to be held at

Three Acre Party House. Myrt and Sept DeLauro are chairman. We'll have more details next time.

The Swinging Eights, Swinging Singles, Triggers, Twirl Arounds, Wayne Westerners and Web Spinners have been invited for Guest Night on April 17th.

- - - - - George and Doris Hagberg

## Boots 'n Slippers

On Firday, March 10th, we had as our guests the Fiddle-A-Rounds, Ekco Squares, Sing-a-Longs and the Country Twirlers. Everyone had a real good time. By the way, does anyone know Hot Dot? I wonder if Doc McCaffrey does?

Won't belong now and our new class will graduate with us and we are looking forward to all of them joining us on Friday nights. Graduation is March 24th.

We extend our sympathies to Eleanor Rood on the death of her father and also to Sylvia Copeland on the death of her sister.

We are sorry to hear that Bill and Nancy Lissow, our Vice-Presidents, are leaving our territory and moving to Lima, N.Y. We will certainly miss their smiling faces and the fun we have had with them. Hope they will visit us. Our thanks go to Ray and Glennys Paine who are taking their place in office.

Al Howe is planning a square dance weekend at Bonnie Brae campsite over Memorial Day weekend. Members who like to camp and dance and are interested should contact Al for information. Al's phone number is 392-8895. Sounds like fun.

Don't forget the Dance-O-Rama on April 8th and the Muscular Dystrophy Dance on April 29th. See you there.

- - - - - Bud and Stel Lewis

## Cloverleaf Squares

On April 30, the Cloverleaf Squares will host Larry Dunn, Batavia Twirlers' caller. We're all looking forward to some great singing calls from Larry, and anticipate the same great turnout that Al Howe attracted when, as guest caller in February, he filled the Chili Town Hall. Admission for this dance is \$2.50 for couples, \$1.25 for singles. Dancing from 8 to 11 p.m.

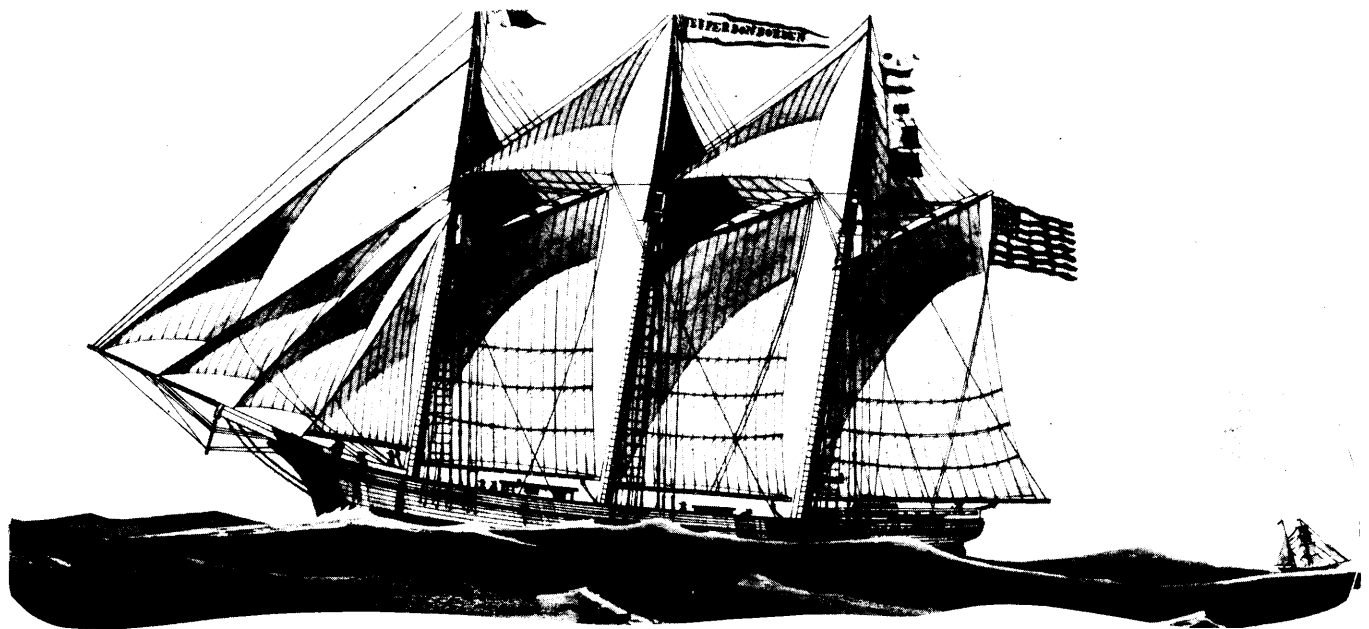

And speaking of good turnouts, the Cloverleaves are urging all members to keep the night of April 29th open for the MD Dance. We're looking for a 100 per cent turnout to capture that elusive trophy which we just missed last year.

On May 6, the club, along with the Swinging Singles, will be the guest of the Henrietta Friendship Squares for the Sadie Hawkins Dance at Floyd Winslow Grammar School on Pinnacle Road. (You've got a month, fellas, to get those running muscles back into condition.)

On April 9, 16, and 23, the Cloverleaf Squares will be holding workshop sessions during the club's regular dance periods beginning at 8 p.m. and lasting for between 30 and 45 minutes.

A final note - beautiful weather, good companionship, and fine food made the Cloverleaves' Winter Weekend on March 3-5, at Alleghany State Park a hit with all those who participated. This is the second year for this event and both have proven successful.

## Copy Cats

We were most happy to have as a guest at one of our dances last month, Bob Mothorp. Bob is a caller in Atlanta, Georgia and works for Kodak. While here on business he honored us by stopping. His skit about Ben Colter was uproarious. He also plays the guitar and sings. He is a show all by himself. We hear he may be back this way in April and we hope he has the chance to stop this way again.

We understand John Spillane is recovering from an operation. Sorry to hear this and hope he recovers soon and we have him and Ronnie back with us dancing real soon.

Our best wishes go with Jim and Arlene Quick who have left for England on their vacation. They expect to be touring about "Jolly Old England" for two to three weeks.

There is a rumor floating around that our new class members are more than ready to graduate right now. It looks like we club members better practice up before April 22, graduation time.

One of the members of the Henrietta Friendship Squares whose initials are Bill Neil, gave an impromptu show with wigs, etc. We especially liked the long, flowing, blond one with the curls. They even stole our banner that night, but we will get it back.

Don't forget our spring party on March 25th.

We would like to thank the Web-Spinners for our invitation to their dance at Schroeder High along with so many other clubs. It was a good chance to meet and dance with members from other clubs. Thanks again, Web-Spinners!

----- Jim and Helen Fordham

## Country Twirlers

Those of you who danced with the Country Twirlers during the months of February and March may have noticed several unannounced changes in our caller schedule. First of all, Jim McQuade, our regular caller, slipped on the ice and broke his ankle. Jim, we miss you and Gert and are looking forward to having you back just as soon as possible.

Due to the resourcefulness and hard work of our Vice-Presidents, Mary and Kenneth Sorensen, a caller replacement was secured for each of the scheduled dances and no dance had to be cancelled. We wish to say thanks to Mary and Ken and many, many thanks to the callers who came on such short notice. Just goes to prove once again that square dancers and callers are the nicest people in the world, right? Right!

As we reported last month, Bob Page was unable to keep his March 3rd calling engagement due to illness and Dave Friedlein would be his replacement. Well, Dave called two weeks before dance date and said he was being sent to the west coast by his company and, as much as he hated to, he would have to cancel. He suggested Bud Whitten. Bud was contacted, agreed to come and he and his wife, Alice, flew in from Rantoul, Ill. Bud is a marvelous caller and person and Alice is a doll. I'm sure all of you who attended agree that, as predicted, it was a most enjoyable evening.

On Feb. 18th, nine couples from the Web-Spinners paid us a surprise visit and took our traveling banner. We enjoyed having you dance with us and we will be over to retrieve that banner real soon. The Batavia Twirlers who were our guest on that night came sixteen couples strong. We enjoyed dancing with you, too.

Our Hawaii vacationing members report that they had a wonderful time and they have beautiful tans to prove it. All, that is, except one young lady and she said you just can't get a tan in gift shops even in Hawaii.

Two other couples were vacationing during the month of February. They spent a week on a Caribbean cruise cele-

## EKO-O Squares

Mark your calendars now - - we are invited to be guests of Henrietta Friendship Squares on April 15th for the "Spring Fling" with Mike Callahan calling.

I guess the Dostmans and Sandersons must be tired of the snow - - - they are leaving March 11th for two weeks in Florida. Bring us back some sunshine, please.

Let's each extend a warm welcome to Lea Zwack who became a United States citizen on Feb. 1st. Lea helps with refreshments more than anyone I know.

We have had some great dancing lately with Ken calling and also Bud Redmond, Joe Reilly, Earl Johnston, Tom Trainor have been guest callers. We are looking forward to Larry Dunn's calling on April 5th.

Our sincere sympathy is extended to Bill and Doris Wolff. Bill's mother passed away in February.

We heard that Jerry and Isabelle Astman have taken off for Las Vegas and Los Angeles to complete Jerry's recuperation from surgery. Also, Jim and Arlene Quick have been planning a trip to England in mid-March.

Betty Wolcott's Round Dance Class had a lovely Valentine Party. Those who attended said the goodies were delicious and each husband (secretly) brought a valentine for his wife.

We all had a super evening on March 3rd at our dinner at the Party House, dancing later with Bud Redmond calling.

Thanks to our officers for another well-planned evening.

Congratulations are due the Parks family. Darnise, daughter of Ken and Georgine Parks, was married Feb. 8th to Michael Bogovich. Another daughter was married last year. Now Ken says, "Only two more weddings to go!"

April 12th is the important date when our class graduates. Let's all be present to welcome these new dancers. Starting with that evening, Ken's workshop will be from 7:45 to 8:30. This will continue thru August. On guest caller nights, Betty Wolcott will have her rounds from 7:30 to 8:00.

Thanks to Genesee Dancers for having us on March 2nd and Web-Spinners on March 17th. It was our pleasure to have Web-Spinners, Henrietta Friendship Squares and Geneva Friendship Squares as our guests on Feb. 23rd.

See you all at Dance-O-Rama

## Fiddle A Rounds

The Browns and Reisenbergers are eagerly looking forward to spending a week on that tropical island, Barbados, with Al Brundage and his United Squares in April. With the weather we've been having lately, Barbados must seem like heaven.

The Zilinskis and the Taylors were at the Watkins Glen Flac Fest. The Prados and Taylors had a great time recently at the Treadway dance in Niagara Falls. Mary Prado tells us that "big spender" Mike was going to show her Niagara Falls this time because she never did see it on her honeymoon, but somehow he failed her again, and it was their wedding anniversary too!

The spotlight this month really shines on gentle Ann Gentles. This industrious lady has found time, over and above her busy daily routine, to knit and crochet skimps, afghans and panchos to sell, in order to raise money for Muscular Dystrophy. The items are truly beautiful, and sales are good, but she vows she'll have more for sale at the Muscular Dystrophy Dance. Call her at 889-9031 and help an excellent cause.

Our current rounds are: "Whistling Away the Dark", "Wonderful Things", "Jean", and "Manhattan Melody".

Don't forget the Muscular Dystrophy Dance on April 29th.

- - - - - Joe and Margaret Zilinski

## Genesee Dancers

The club welcomed the members back from Hawaii warmly. We hope it made up for the bad weather that greeted them on their return. The ladies all looked so beautiful in their long gowns. Even Art got into the act with some beautiful dances. All I can say for the mens' Hula, WOW.

Hube and Shirley Cole are sporting lovely tans from their trip to Phoenix, Arizona. They attended a reunion of Hube's graduation class from Dental School.

Congratulations to Bernie and Evelyn Fogal on their 30th Wedding Anniversary. What a thrill for them as their daughters surprised them with a trip to Greece for a gift.

More Club members leaving the winter doldrums behind and taking off for sunny climes. The Coopers, Harry and Dorothy, left on March 6th for Florida. Ruth and Dick Schaffer are on their way with a new 18 ft. travel trailer, also headed for Florida. Bert and Laurette Ehmann left on March 4th for a two week tour of Hawaii.

Not everyone is chasing sunshine tho, as Barb and Roger Cournen are spending two weeks in New Hampshire on a skiing trip. Brrrr.

By the time this comes out, the St. Patricks Party will be a warm memory to file away with many others, also the

dance with the Eights and Dates, Jim Dunbars club in Syracuse.

Speaking of the Dunbars, weren't the cookies delicious that Maris baked for the Deuce Williams dance? If you ever want a job well done, always ask the busiest person and you'll get it. This is certainly true of Jim and Maris.

The Club extends deepest sympathy to Mason Fitch on the passing of his mother.

Again a reminder of the Annual Muscular Dystrophy Dance on April 29, at Churchville-Chili High School. Come and make this the biggest one yet. It will be Smooth Sailing all the way.

Boys will be boys, especially when they play in snow banks at the fire-house. Roger Bastian isn't talking much about his wrestling match with his sno-mobile. Seems the machine went up and Rog went down or vice-versa and he ended up with "the whole thing" on top of him. I hear his sno-mobile is sick and Roger's leg doesn't look too good either.

If you are in a square with Eva Seymour, watch it; now you see her, now you don't, and don't follow her or you may find yourself being an extra couple in the square next door. I thought perhaps it was a new movement Deuce Williams was workshopping.

Al Niblack is in Park Avenue hospital recovering from surgery. Hope your recovery is fast, Al, and that we will see you back on the dance floor real soon.

My apology to Mike and Sandy Walsh for misspelling their name in the last issue of the Promenader.

## Geneva Friendship Sqs.

Many things have been happening in Geneva - - - - - Lee and Jackie Pratt celebrated their 25th Wedding Anniversary with a dinner and square dancing at the Rod and Gun Club. This was the longest party I have ever attended. It began at 2 p.m. and at 2 a.m. the next morning, Lee phoned to ask me if I knew who put the crackers in his bed.

On March 10th, the Club held its annual election. The following members were elected to office for the 1972-73 season: Lee & Jackie Pratt, Presidents, Ev & Caroline Jones, Vice-Presidents, Milt & Jane Soper, Sec'y's, Fuzzy & Jesse Clark, Treasurers. They take office on May 1st.

All travellers have finally returned. Don & Sharon Welton are back from Venezuela, Don & Genevieve Miller returned from Jamaica without incident, but the Circulators and the Waters weren't so lucky. The Circulators must have flown all the way around the world to get back from Hawaii, because they ended up in Newark, New Jersey, due to inclement weather. Jim and Mary Ellen Waters came from Shippensburg, Pa. to spend a Saturday in Geneva, were caught in the same storm that trapped the Circulators in Newark, and didn't get back to Shippensburg until the following week. We're all glad that all of our dancers are safely back in the fold.

We have had some response from neighboring clubs to our invitation to come and dance with us for free. Al Taylor brought a group down from Boots and Slippers at Rochester. Six couples came from the Penn Yan Friendship Squares, and a set from the Magic Squares. All the same night. Anyone who is interested can get particulars from our Secretaries, Red and Alice Gool. Come and dance with us.

## Henrietta Friendship Sqs.

Congress changed the date of our holidays, so we changed the George Washington's Birthday dance. The "snow date" for our annual class-level dance was March 5th. We had been a bit afraid of the postponement, but we bulged the walls. In fact, the writers did all their dancing in the hall! The gym was decorated with cutout cameos of Washington and maple trees converted to cherry trees, with hand-made cherries cut from craft paper attached to them. However, it was mostly decorated with people having fun. Our new classes ALL learned the valuable art of keeping their squares small. Mike Callahan and Bruce Shaw kept them on their toes and it was quite a sight.

During this organized mass confusion, we did graduate our new dancers. They are: George & Isabell Hoffman, Derek & Nancy Hulse, Eugene & Ina Kelley, Maryann & Terry Krause, Don & Pepper Lapp, Joe & June Lighthouse, Bob & Ann Moryks, Bob & Lois Schnacky and Ralph & Joyce Smith, and also Kathy Spillane and Keith Vonhold. Bruce Shaw certainly did a wonderful job in teaching the class; and do Shirley and he have wonderful afterparties!! Ask the new club members.

Our regular April dances will be the 1st and 15th with Mike Callahan - - and on April 29th we will have our special Fifth Saturday Dance, featuring Larry Dunn as caller.

## Irondequoit Sqs.

Another month has rolled by quickly and it appears like we're headed for a busy spring; the big Dance-O-Rama on April 8th, followed by our Class Graduation on April 15, and, last but not least, the M. D. Dance on April 29th, held at the Churchville-Chili Senior High. Don't forget, folks, let's have a large turnout for this worthwhile cause.

We are happy to announce the marriage of Nancy Wilcox, daughter of Bill and Judy Wilcox, to Bob Sponable (also a square dancer) on Feb. 19th.

Many missed Adel Tette at the last club dance. We're sorry to report that Adel was in a car accident on March 8th. Fortunately, she escaped with minor injuries and we hope to see her dancing soon.

Another member we've missed is Fran Clark. Fran had a little surgery on his foot. Hope to see you dancing soon too, Fran.

Keep this date in mind, June 10th, for our first Open House of the new season. Let's all make an effort to ask a friend or relative who might be interested in square dancing to come to our Open House.

We have some reminders coming up: April 14th, guests of Country Twirlers, April 16th, guests of Genesee Dancers.

In the past, our club caller, Bill Wilcox has had workshop from 8:00 to 8:30 on our club night. A slight change has been made. Dancing starts at 8:00, workshop, 8:30 to 9:00. Let's be there to dance.

## Kuntry Kuzzins

We're new in the Federation; let us introduce ourselves. KK is five years old; we dance at the Newark Grange Hall on 2nd and 4th Saturdays; our Kaller is Larry Spaven; we're not the biggest, but we are the friendliest Klub around, and; we may spell FUNNY, but we sure do have FUN. We invite any and all to visit us, dance with us and have FUN. We dance for FUN!!

Among the many with the Circul-8-ors in Hawaii were Veryl and Gladys Mattison, Harold and Natalie Johnson, and Larry and Hazel Spaven of the KK's. The Johnsons,

who have been "Airstreaming" since October, met the group in Hawaii. They flew over and back via USAF. They'll return home in May. Soft, eh? Barb Lukas, who also had to get away from Old Man Winter, just returned from Florida.

Betty Howlett vows she's going to stay in bed from now 'til D-O-R. She hopes to be able to avoid the jinxes so that she can make it. A dislocated shoulder, a bout with the "bug", and a broken toe have sidelined her of late. See you at D-O-R, Betty!

Our class-level dance on March 11 was most successful, with 11 sets of dancers in attendance. EKC-O Squares, Geneva Friendship Squares, Magic Squares, and Wayne Westerners had class members there, along with the KK's, enjoying Larry's fine calling.

Mike and Mary Prado have been teaching rounds on Thursday nights. We have SD class downstairs and RD class upstairs on Thursday nights. Mike and Mary come out to our dances occasionally. Normally we use Mike's tapes.

Graduation is by now history. We welcome a fine, enthusiastic class in the wonderful world of square dancing.

## Lima Grand Sqs.

February 18th was "Fun Nite" and Lima's Town Hall was filled with 9 sets. Don Stumbo's Military Ball, scheduled for Feb 19th, was buried under the blizzard. Fortunately, Don was able to reschedule it for March 18th. The evening will be a grand sight of Civil War uniforms, ball gowns and other clothing of that era.

February 25th was "Liz Nite" - a night for the club to honor Liz Stumbo with a poem, a crown, a corsage and a lovely centerpiece of artificial spring flowers in a white wicker basket. Ralph Durbin played a tape of

Don's square dance calling and Don came down from the stage to dance with his wife.

Our guests on March 3rd were an enjoyable group from the Batavia Twirlers.

March 10th found the club being entertained by the class with take-offs on TV commercials and programs. Then there was the graduation ceremony with mortar boards and diplomas. Those graduating were: Chuck and Darlene Bargman, Bob and Delores Beltran, Linda Durbin, Linda Faron, Jim and Noreen Goddard, Bill, Jackie and Judy Hendrickson, Dennis and Sabrena Knapp, Steve and Penny Marlowe, Dick and Connie McDaniel, Bill and Phyllis Monson, Joe and Judy O'Grady, Jerry and Carol Patterson, Jim and Laurie Ross, Frank and Elaine Santucci, John and Peggy Sherman, Jim and Nancy, Danny, Pearl and Mike Swearingen, Gary and Dorothy Weichenthal, Doug and Katie Winstead, Anna Marie Zupparo. The class gave "Ma and Pa Stumbo" a blender, much to the Stumbo's delight, as theirs had broken recently.

We hear that club member, Harry Pryslopski, of Corning, has broken his leg and hope it will mend quickly. Mary Lynn Stanton entered the hospital March 5th for tests and surgery. We wish her a speedy recovery!

Jim and Jean Turner and Bob and Mary DuBois left March 2nd for Nashville, Tenn. They caught both the Friday and Saturday night performances of the "Grand Ol' Opry".

Club V.P.'s, Dick and Barb Sommer left March 15th for two weeks in Florida. Larry and Joan Knox took over the V.P. duties while the Sommers were enjoying a well-deserved vacation.

Our St. Patrick's Day dance will be celebrated by a "Bring your Best" pot-luck supper and an array of creatively decorated hats.

Don't forget that April 21st is "Amateur Calling" night at the Lima Town Hall, starting at 8:30 p.m.

## Merry Mixers

We are delighted to become a part of the Federation.

For those of you who haven't heard of us, we are an adult singles club. Our club dances at the Seneca Methodist Church, located on the corner of Scholfield Road and Clinton Avenue North. We dance the first three Tuesday nights and the last Monday night of the month. Round dance workshop is from 7:30 till 8:00 p.m. and squares from 8:00 till 10:30 p.m. We cordially invite all of you to come dance with us.

There are four sets in our Monday Night class. They will soon graduate and are doing great. We have a new class meeting now on Thursday nights.

Once a month we dance at the Monroe County Hospital. We square up with the wheelchair patients and push them through, following the cues of Ben McGilvery, our caller. They love it and so do we.

- - - - - Nell Brady

## Rochester Rollaways

We wish to welcome Alex and Sylvia Saperstone as members of our club.

Understand John and Betty Johnson have enjoyed their skiing trip to Vermont.

Bill and Lois Wilcoxes daughter, Sue, is engaged and will be married in June. They plan to live in the Rochester area.

We sure miss seeing George and Elinor Wood at the dances. Hope Elinor is feeling better now.

It seems that several club members are heading South at Eastertime: the Desmond's are flying from the snow to visit the Snow's in Florida, the Huot's are heading for Disneyland and Southern Florida, the Fohl's are leaving\*

for a vacation in Georgia, the Hiet's and Vreeland's are heading for Myrtle Beach, South Carolina the end of the month.

Thanks to the Deckers and Betlems for pitch hitting for us while we were in the Valley of the Sun.

See ya at the Dance-O-Rama on the 8th.

- - - - - Reese and Muriel Cole

## Singing Squares

We are pleased to have been accepted into the Rochester Area Federation of Round and Square Dance Clubs.

Our club had a good time dancing as guests of the Swinging BB's of Spencerport, on March 4th. It gave us our first chance to sport our new club badges. Watch for them! We are looking forward to seeing some of that group when they come and dance with us on April 12th. We would like to invite anyone that feels like dancing on Wednesday nights - it's Chestnut Ridge School from 8:00 to 10:00 p.m. It's all relaxed dancing to Al Howe's calling and singing and what a voice!

Ray Mura is having some back trouble but we hope he and Betty will dance with us soon.

Howe's, Herron's and Doyle's went to Alleghany over the weekend of March 10th for some camping and skiing fun.

Hoby and Ida Herron recently celebrated their 26th wedding anniversary. Congratulations!

Yours truly, along with my husband are still receiving congratulations on the birth of our son on Feb. 19th. Luckily, we didn't miss many square dancing nights.

See you at the Dance-O-Rama!

- - - - - Mary Brocksopp

## Swinging BB

Our "Open House" was a real success.

The wintry winds blew hard from the North, A red letter day we'll call March 4th.

The clubs represented at that time we'll name: Web-Spinners, Country Twirlers, Singing Squares, Boots 'n Slippers, Belles 'n Beaus.

If your name was omitted, 'tis us you must blame.

'Twas a pleasant surprise on last Saturday eve -

The Couen Hoeven's returned after a year's illness leave.

The Hutton's are back from a Florida "stay".

Now the Brunshidle's and Van Alstyne's will soon be away.

St. Patrick was honored on the 18th - a day late,

But Class and Club will tell you the party was great!

- - - - - The McCord's

## Swingin' Eights

February 19th must have been one of the snowiest and blowiest nights of the winter but the snow bunnies who made it were rewarded with Bud Redmond's fast but really smooth calling. The turnout of 11 guest couples plus our own "die-hards" found it all worthwhile when they learned how to do the St. Joe's Rollaway and it was interesting to find out why Mary Carey likes to dance up front. And all the while we thought it was there she could hear better. For those of you who stayed home, hugged the fireplace and succumbed to watching Archie Bunker, you missed a good one.

On March 4th, Reath Blickenderfer entertained us with his clever ditties, his guitar playing and his calling was just right. 'Twas neither too slow, nor too fast or, as he put it, it was just half-fast. A good turnout that evening, too.

The patients at the Lakeshore Nursing Home were treated to Tom's calling and square dance demonstrations by some of the Swingin' Eights. Arrangements, by Doris and Art Abels - all well done. Here is an interesting fact on Tom Trainor's calling. Betty and Clarence Rambo of Ohio

met Tom a while ago in New Orleans and booked him as their Mystery Caller. At a recent Monday Night Class, while traveling in this area, they dropped in and danced right along with the Beginners.

If there were "travel badges" this month, we would nominate the Jenkins, Abels, Heffers and Prados who enjoyed a weekend of Spring Tonic at the Holiday Inn in Niagara Falls with Bud Redmond and Dan Dedo calling. The Abels, Jenkins and Traberts plan a trip to Myrtle Beach and the Winchesters are going to Florida.

Sorry that the Gorthys are leaving this area but nice to hear that Bill and Terry Barnes gave them such a nice farewell.

Betty Licciardi and John Fenton, you have faithfully assisted 12 couples thru the lessons to Graduation on Monday, March 27th. To you we say: "Thanks a million", and to the Class: "Welcome to this friendly and enjoyable pastime - Square Dancing".

### Triggers

March has been a busy month with Myron and Peg's going away party, invitations to the Web-Spinners on the 17th, the Henrietta Friendship Squares on the 18th and Amateur Nite on the 21st.

Our Sadie Hawkins Day dance, on Feb. 29th, gave the men a chance to demonstrate their cooking abilities. They furnished the refreshments.

Welcome, Charlie and Betty Fodgers, to our club. We hope you have many enjoyable evenings dancing with us.

Congratulations to Court and Eddie Phillips on the engagement of their daughter.

The 17th of this month we are invited to dance with the Belles 'n Beaus. Let's have a good turnout.

See you at the Dance-O-Rama. Happy Easter!

- - - - - John and Paulette Bo

### Swinging Singles

Congratulations to all of our 13 new members who graduated on February 21. We all had a lot of fun watching or participating in the initiation activities. Throughout the evening we had special dances in which the new members attempted to dance to calls given a number instead of a name, or with bags on their heads, or with spoons in their mouths carrying a ping pong ball at the end of it. They also danced a "musical chairs" type dance exchanging a hat on each others' heads until Jerry stopped the music. The person with the hat on was eliminated until one was left. We'd like to congratulate Bob Moore for being our "sole survivor" - the one left without the hat. After the activities, the new graduates were awarded their diplomas, badges, and given special awards. We welcome them all to the club.

A special thank you to Peg and Myron Huss for calling for us on the 28th of February. All who attended that dance had a really great time. We hope that Peg and Myron will join us again sometime.

I'd like to report that all our members and guests who

attended the winter outing at Luce's ranch in Dansville had a terrific time. Saturday afternoon we did some ice skating, wood gathering, and exploring followed by a delicious steak dinner prepared by the Luce's. In the evening, we had a moonlight sleigh ride, games, singing, and dancing. Sunday morning, after breakfast we had another sleighride followed by just relaxing and some of the more adventurous took off on a hike. In all, we really had a terrific weekend.

Wedding bells will be heard on the 15th of April for Nora Smith and Bob Slomcenski. We wish them the best of luck in the future.

- - - - - Jane DeMallie

### Twirl A Rounds

The club had a real good time at our annual Valentine Dance. A large variety of holiday cookies graced the coffee table and members found it difficult to keep away.

We wish to express our deepest sympathy to Sylvia Copeland on the accidental death of her sister.

Ted Thomas looked quite relaxed and refreshed after his return from Georgia.

We understand that Kay Falls got some beautiful gifts for her birthday (Valentine's Day). She should be all set for Kingston this summer.

Did you know that Jerry Cody does a great John Wayne impersonation?

We are aware that there is a great deal of competitive spirit concerning the trophy which is to be awarded to the Club with the highest attendance at the Muscular Dystrophy Dance on April 29th. As an incentive and reminder to Twirl-a-Round members, we almost won the prize last year.

The Webbers and Taylors apparently enjoyed their trip to the Dance Festival at Watkins Glen.

How can we adequately give due credit and commendation to Ann Gentles for all the dedicated work she has done crocheting and selling ladies' vests for the benefit of the Muscular Dystrophy Drive?

A few of the newer dances we picked up during the past few weeks are: "Think", "Waltzing Easy" and "My World".

- - - - - Bonnie and Bus Gangi

### Wyco Promenaders

Wyco dance class members were guests of the Promenading Bees at Bergen on Feb. 28th. A very good time was reported by all.

The class is now looking forward to March 15th when they will have 3 classes as guests. They will be the Promenading Bees of Bergen, Batavia Twirlers and the class from Chili, N.Y.

Most of the class attended their first Square Dance Event at West Henrietta for the George Washington Dance held March 4, 1972. Everyone had a good time.

The club members are very happy with the way the new class has progressed this season and are looking forward to having them become club members on April 14, 1972. A big thanks to their teacher, Leo Parsons.
