VOL. XI - NO. 2 ROCHESTER, NEW YORK

NOVEMBER, 1972

## A LETTER TO THE EDITOR:

Dear Editor,

I feel compelled to speak out on a subject that concerns most clubs this time of year. It's likely that my own experience is quite common to all clubs - therefore the attached article,

I hope that you find the article useful. It brings to mind another need - a need to train officers once they are elected. Too many struggle along, often making the same errors that their predecessors made. I know that the Colorado State Federation runs a  $\frac{1}{2}$  day workshop for new officers every year. Perhaps there are enough former (or present) club officers in the Rochester Federation for such a project. At least it might be worth exploring.

Sincerely,

Edwin A. Austin EKC-0  
10 Fencewood Lane  
Fairport, N.Y. 14450

(Editor's Note: Following is Mr. Austin's article which we think very timely and thought-provoking.)

## CLUB OFFICER: HOW ABOUT YOU?

If you are asked to run for a club office, what is your reaction? No thanks! I couldn't do it! Ask someone else! I'm too busy! Although some people may have a legitimate reason for not accepting nomination, I believe that the general negative response is often due to the attitude and recruiting techniques of the present officers and nominating committee.

Because every club must have officers to make the organization function, how can a club entice the best qualified, most enthusiastic and dedicated people to agree to nomination?

Tell it like it is! Why? If a prospect accepts only after being assured "oh, its easy - it won't take much time or effort", you can be certain of the quality of leadership your club will receive!

What does it take to be an officer?

It takes time: to meet with fellow officers and plan club activities - new and better ideas for club operation will result.

It takes effort: to involve members in activities and to keep them informed - increased club spirit will result.

It takes understanding: to build interest in the club for the newest beginner as well as the most experienced dancer - increased participation in club activities will result.

It takes dedication: to provide the week-to-week direction that every club needs - the result is a deep personal satisfaction from knowing you gave your best.

When you are asked to run for office, your club is honoring you because they believe you have what it takes to

make your club an even better organization than it is now. Since no organization of people ever remains static, we all want our club to grow and prosper rather than to die.

In school we learn such ideas as "its not nice to seek an office", "a person does not vote for himself", etc. NONSENSE! If you would like to lead your club to even better days ahead, call the chairman of your nominating committee and tell him so. Most committees would love to hear from you because, often lacking the positive approach, they struggle to fill slates.

If you, as a concerned member, want the best officers possible for your club, why not suggest that each person nominated present a list of ideas for making the club better than ever? I would much rather base my choice of next year's officers on such a list than on 1) Friendships, 2) Years in the club, 3) Dancing level of the nominee, 4) Couple with the best smiles.

See you at the polls!

## OUR FEDERATION REPORTS THAT:

- - on July 14, 1972, a special dance was held at the Monroe County Fair Grounds to raise money to help square dance families in Elmira, Corning, and Horseheads, N.Y. \$594.15 was realized which included donations at the door and contributions from clubs.

- - the bills presented last year to exempt square dance clubs from the sales tax were vetoed by Governor Nelson Rockefeller. A suggestion was made to have any concerned tax payer (this means any square dancer, as an individual) send a letter to Bill Steinfeldt, Assemblyman, stating your feelings on the tax law. We were told not to mention any club name, for there would be a chance of losing the federal tax exemption we now have.

- - a committee has been formed to look into a Federation banner and badge. Mr. Carter Perkins was appointed chairman of this committee.

- - the demonstration at the Monroe County Fair of 1972 was more successful than the 1971 fair demonstration. A suggestion was made to have co-chairmen to work with the chairman next year.

- - the peg board (2, 8' x 8"; 1, 12' x 8' pieces) and sign up forms used at the Fair may be used by any club for demonstrations or other activities by contacting Mr. Ed Hasbrouck, telephone number 334-8153.

- - that all correspondence with the Federation should be sent to P. O. Box 52, Rochester, New York 14601.

The SPRING VALLEY DANCERS won a first prize trophy for the best float in the Cohocton Fall Foliage Festival parade on Saturday, Oct. 14th.

They would like to invite Rochester area dancers to their annual Autumn Square Dance at their heated club house at Tumble Hill camp grounds in Cohocton. They will dance from 8 to 11 on Nov. 4th and camping facilities are available. For further information, call 334-7904.

## MUSCULAR DYSTROPHY DANCE SCHEDULED

The Easter Bunny is going to be late this year, which means that Dance-O-Rama is also late. We apologize, but we have had to change the Muscular Dystrophy Dance from the usual last Saturday in April to an earlier date -- April 7, 1973.

It is our pleasure this year to have on staff Joe Reilly, Mike Callahan and Bruce Shaw. Unfortunately, Bud Redmond will be unable to make it. We have, however, added another caller to our staff from the Syracuse area -- Mo Howard, whom we are sure you will enjoy. Our round dance staff will again consist of a number of talented people from the Rochester and Buffalo areas, namely, Charlie and Perkie Tucker, Howie and Dot DeGrave, Mike and Mary Prado, and Gene and Mary Knisley.

The dance location will be the same as last year -- Churchville-Chili High School. The format of the dance has changed a little in that we have scheduled a four-hour dance rather than a three-hour dance. We will see that you receive more details and information on the dance as the April 7th date approaches, but for now, please note the date on your calendar.

Dancers, with your help, we hope to make the 6th Muscular Dystrophy Benefit Dance even more successful than previous years. We will be putting more time and effort into the planning and pre-dance effort, and hope that your support will make it all worthwhile and help us in our goal to defeat muscular dystrophy.

See you on April 7th.

## Callers' Profile

### HAROLD PIERCE

Harold and his wife, Lila, joined the Triggers Square Dance Club in 1967. He started calling as a hobby the following year, being given the opportunity at club campouts and other club parties.

In 1970, he started a class for boys and girls, ages 8 thru 12. This group danced at English Village School in Greece and was called "Honeys and Bunnies" with two square dancing rabbits for a badge and banner emblem.

The class, as well as the club, was continued the next year and he also taught a same age group in Spencerport. Both groups were sponsored by the Recreation Department.

Harold and his wife, Lila, reside at 117 English Road in Rochester. He attended Frank Lane's Callers School in Estes Park, Colorado in July of this year. On the school's staff were Earl Johnston and Vaughn Parrish.

Harold is a member of the Rochester Callers' Co-op. He started calling this fall for the Wayne Westerners in Marion, N.Y. and also teaches their class.

Harold, Lila, and their son, Ren, all work at Eastman Kodak. A married daughter, Carla, works at Sears. Harold works in Kodacolor Engineering Bldg. 65 and Lila works in Bldg. 308 Cafeteria Vending. Ren works in the Powder and Solutions Dept.

Harold would like to thank Myron Huss, his wife, Peg, and the Triggers Club for giving him the opportunity to get experience in calling and for all of the help and encouragement he has received from both Myron and Peg. He, also, would like to thank his wife, Lila, for all the support and help he received from her.

### MYRON HUSS

Myron is caller for "TRIGGERS" and "WISKAWAYS" Square Dance Clubs, and also teaches both beginner classes.

Peg, his wife, teaches and cues the rounds at both clubs, making this a family project.

Myron and Peg have been dancing for 15 years. In 1963 Myron became interested in calling. He attended Callers School in Mass., instructed by Earl Johnston and Al Brundage. He, then, organized "TRIGGERS" (adult club). Two years later, he organized "WISKAWAYS" (teen group).

Myron is now in his 10th year of calling club level dancing in and around the Rochester area. He enjoys and calls many one night stands.

Retiring from work at the end of 1971, he is grateful for this wonderful opportunity to be with people.

Myron gives credit to his wife, Peg, for his success. They have been married 38 happy years, and have one daughter, one son and 7 grandchildren.

Myron and Peg would like to express their thanks to all the club members who have been so faithful thru the years to make the clubs a success, and also to our visitors who have joined us for so many happy nights of dancing.

Myron and Peg are both members of the Rochester Callers' Co-op.

## Batavia Twirlers

Our first dance of the season was held at Batavia Junior High School with 81 couples attending. Bud Redmond of Lewiston was guest caller. Very pleased to have so many guests.

The Pike's and the Higley's, Federation delegates, represented the Club at Finger Lakes Race Track. Ron Schneider, a national caller from Ohio, did the squares. Betty Wolcott and Mike Prado cued the rounds. All did a very nice job. Thrilling experience for us.

Five squares turned out for "Great Week" dance demonstration at Genesee County Fair grounds. Leo Parsons, our class instructor, showed off real great. Nice job, Leo!

Larry Dunn, our regular caller, put us thru the paces. Vacation must have been real good for him. Guests, Lima Grand Squares and others attending from Caledonia, Rochester areas, Wellsville and Ontario, Canada.

Starting on November 4th, Larry will be calling the rest of the year.

We're having a good workout with new class. Got three squares. Need club members, to work with the class. Meet at Y.M.C.A. every Tuesday nite.

A hearty welcome to our newest members: Albert & Phyllis Denis and Roland & Janice Chugg.

Chairman, Jim & Bev Forsyth and co-chairman, Dick and Marg Toal and committees are busy planning the second annual cancer benefit dance to be held on March 31, 1973.

Remember our change of schools! Now dancing at Batavia Junior High School, Ross Street and Washington Avenue. Rounds: 7:30 and Squares: 8:00.

. . . . . Bob and Ruth Higley

## Belles 'n Beaus

Ruth Hasman baked a beautiful cake, our Directors provided the coffee and we all helped Vera Harris celebrate her September birthday.

This month we wished Trudy Smith and Ethel and Russell Heffer a happy birthday.

We had our first Pot Luck Supper at the Greece Grange. After sampling a little (or a lot) of each dish, we found it difficult to begin dancing. Everyone enjoyed it so much, we are looking forward to another supper very soon.

Our caller, Art Harris, is very enthusiastic about our class of 28½ couples. They are learning fast and are very good. Be sure to come out on Wednesday nights at the Holmes Road School to give our class some help and encouragement. Belles 'n' Beaus give hearty thanks to Fran and Hal Abberger for bringing 14 couples to class.

Katie and Frank Heindl are leaving October 27th for a month of touring South America and South Africa. Before returning home, they will visit Athens, Greece and Paris, France.

Althea Rosenburgh, who is UNICEF Christmas Card Chairman for the town of Greece, has been re-elected Assistant Executive Secretary for the Rochester Association for the United Nations.

We hope to see Myrtle and Dick Moore dancing again soon. Dick is recovering from surgery and doing very well, we understand.

. . . . . George and Doris Hagberg

## Boots 'n Slippers

The first thing we would like to do is apologize for the wrong advertising for the dance on Sept. 22. Due to a lack of communication, the date got mixed up. We will certainly try to keep this from happening again.

We would like to thank the Country Twirlers for a lovely evening for our mystery dance of Sept. 23. The cake was very pretty and those who went enjoyed the evening very much.

We have heard that Jack Hennekey and Howie DeGrave have both been in the hospital. Hope they are both feeling better.

There will be a pot luck supper on Sunday, Nov. 12 in Churchville Park from 4:30 until 10:00. It will be held in the church lodge. Hope to see you all there.

We have a nice large class starting, with over 25 couples taking lessons. Sure hope they continue and join our club.

Our past presidents, Dean & Terry Harris, celebrated their 25th wedding anniversary and also became grandparents about the same time. Congratulations to them!

See ya all dancing.

. . . . . Bud and Stel Lewis

## Country Twirlers

Where - where did September and October go? So many happenings, it's hard to keep track of everything. There have been several "firsts" for our club so far this season. Thanks to everyone for your club spirit and support.

The Channel 21 Action Dance Party was purchased by two couples from the Brighton-Webster area and was held on Sept. 16th. Dick Casper was on hand to call for the 31 party guest couples and there were 15 CT couples to help keep things moving. A delicious black olive casserole, prepared by the purchasers, was served along with other refreshments supplied by the club at the close of the dance party. It was really a lovely evening and a "something different" for our club.

The club participated in a Benefit Splash Party sponsored by the Churchville-Chili Music Fund Committee on Sept. 22. This included an open house type square dancing called by Dick Casper, refreshments afterwards and an opportunity to swim in the beautiful Churchville-Chili High School pool.

No, that squeaking you've been hearing on Tuesday nights is not "Inner Sanctum" returning to the air waves - just a few Rusty Hinges being reconditioned at Washington Irving School. Dick Casper has been doing a fine job of supplying the movement and polish and the three to four squares of dancers have enjoyed "getting the kinks out".

Much to our pleasure, the Boots 'n Slippers held a mystery dance on Sept. 23rd and visited our club. You are a fun group and we enjoyed having all (13 couples) of you.

Bud Redmond called to a full house on Sept. 30. Bud is really a marvelous caller and there were so many wonderful guests. "The more the merrier" is really true when it is applied to square dancing.

Bob Brunshidle is teaching our beginners class again this year and doing a good job. There are 14 couples and they are really an enthusiastic group and need the club's support. Come out and dance with them some Wednesday night. Try it, you'll like it!

## EKC-O Squares

Our club was well represented at the World Series by Donna and John Jensen who are avid Cincinnati fans, since they used to live in Dayton. Grandma and Grandpa Leonard were willing and happy babysitters for that 3-year-old grandchild.

Baseball - Dot Williams rolled a 521 series one recent Thursday morning. Dot carries a 137 average - great bowling, and we're happy for you.

And now on to swimming - Our Wanda Brown will be included in the next edition of "Who's Who of American Women". She is an aquatic specialist, and has been named a member of the Board of Directors of the Swimming Hall of Fame in Ft. Lauderdale, Florida. You're most deserving of both honors, Wanda, and we are mighty proud of you.

It is good to know that Richard Moore is recuperating rapidly from his surgery. Myrtle tells us that they hope to be back dancing the end of this month, and they may come even before then to just visit.

Silver wedding congratulations are extended to Sam and Toni Cammarata, who celebrated doubly that very important October 4th. One party included about eighty relatives, and the second gathering was for a few close square dance friends.

The square dance held at the Finger Lakes Race Track last month was a huge success and well attended by members of our club including the Taggarts, Clarkes, Walters, Leonards and Ellises. Rainy weather presented no problem--the dance was held indoors.

Our caller's son, Randy Anderson, had a good turnout of EKC-O people dancing when he called for the COPYCATS. And all had a really great time!

Joe and Estelle Bader, and daughter Peggy, went to Morgantown, West Virginia in mid-October for the wedding of Estelle's sister. There was an important role for Estelle to play--she was matron of honor.

Rosemary and Vic Yanaitis are getting settled in that lovely new home of theirs--and happy to have that tiresome job of moving behind them.

Our class numbers 112 enthusiastic and peppy dancers--a record size group, to whom we extend a hearty welcome. And aren't we lucky to have friendly Jim and Mary Lou Buck representing the club as the class members get into the swing of things?

. . . . . Andy and Florence Wuest

## Cloverleaf Squares

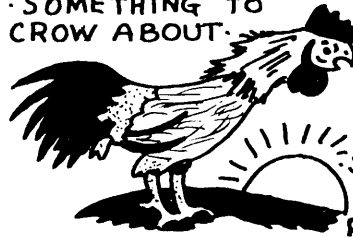

October was a busy month for the Cloverleaf Squares--and next month promises to keep pace. During the first weekend in October, club members spent an enjoyable, albeit "damp" two days at Indian Lake in the Adirondacks. Despite the rain, club members had a great time at the event which was organized by Miss Jeanne O'Connor. Other highlights of the month were guest caller, Alberta Winters, on October 22 and the Halloween dances of the Swinging Singles and the Hilton Hillbillies. We extend our thanks and appreciation to these groups and to all the Cloverleaf Squares who worked to make our own Halloween festivities such a success.

Cloverleaves are reminded of the invitation to dance with the Belles 'n' Beaus on November 6 (Monday), between 8:30 p.m. and 10:30 p.m. at Greece Olympia High School. Art Harris is the caller.

On Sunday, November 12, the Fall Fun Fest will be held at the Al Sigl Center, 1000 Elmwood Avenue. Dancing is continuous from 2 p.m. to 10 p.m. All donations will go to the Center.

For those of you Cloverleaves who missed last month's Fall Weekend, there's another opportunity to join with club and class members on Saturday, November 18, for a really great time. We've reserved the East Cabin at Men-

## Copy Cats

The recent dance sponsored by the Copy Cats and featuring Randy Anderson, was very successful. There were fifty-three couples there, representing thirteen area clubs. Nice going, Copy Cats.

And speaking of successful dances, Dot and Al Pheilshifter attended the "Fling Fantastic" put on by Mike Callahan and Bruce Shaw. They said that it really was "fantastic".

The Frosts and Fordhams danced at the SASDA Fall Festival at Syracuse. We said "helle" to a lot of old friends and made some new ones and had a very good time.

Joyce and Ray Smith will be in Nova Scotia for a week in November but we don't know which week. They are going to visit their son.

In the "not so happy" column, we have a report that Dona Kussie had a cataract operation in September. We are happy to hear that she is doing well and hope to see her and Stan back dancing soon.

Our Halloween party was great fun. Some of the costumes were funny, some scary and some pretty, but all were ingenious.

Now that Halloween is over, it won't be very long until Thanksgiving is here. We would like to be among the first to wish you "Happy Thanksgiving". Don't eat too much turkey, we have a dance on Nov. 25th.

Also, don't forget to make your reservations for the Christmas party. The date - December 9th, the place - The Green Lantern Inn, the caller - Jake Koch. See you there!

## Fiddle A Rounds

One of our most traveled round dance couples, Barb and Al Taylor, have had their names inadvertently omitted when we reported the past goings-on of our members. Strictly an oversight on our part, Barb and Al.

We had a good turnout at the Syracuse Convention, Oct. 13 and 14. Yes, Barb and Al Taylor were there along with the Copelands, Lows, Phillips, Prados, Riesenbergers and Zilinskis. The round dance leaders were the Highburgers and the Lehnerts, teaching intermediate dances, "Sleep" and "Thoroughly Modern Millie". "Thoroughly Modern" has a bit of a Charleston routine and "Sleep" is a beautiful waltz.

We wish to thank the Genesee Dancers for having us as their guests. In that Perky and Charlie do the rounds for Genesee, it was like old home week.

Still hoping that the Tuckers will review some of the classics. When we see them danced at the conventions, there is only one word - - beautiful!

Our club teach last month was "Sleep" and a review of "Waltz Tramonte".

. . . . . Joe and Margaret Zilinski

## Genesee Dancers

It's good to get back on our regular Thursday schedule again; also, to see our members coming back with lots of enthusiasm.

The class is well underway now and if you have a friend taking lessons, try to get out once in a while to give your moral support.

Sorry to hear that Ollie Ransco is not feeling up to par. Our thoughts are with you and hope to see you back very soon.

The Club would like to welcome new members, Adam and Bea Adams and Jim and Mary Alice Brooks; also, some old members back into the fold, Joe and Rita Walsh, Harris and Jean Hammond, and Cassie and Don Riegle. Welcome and may your association with Genesee Dancers be a long one and pleasant.

Don't forget that we do not have a dance on Nov. 23 - Thanksgiving. I'm sure you can look forward to a good dance at Ekc-0 Squares on Nov. 22, so you still will be dancing that week.

There are still some reservations open for the Weekend at Watsonso. If you think you can make it, contact Mike and Sandy Walsh.

The Club will be dancing to Dick Bayer on Nov. 16, so come one, come all. See you next month.

. . . . . Bob and Lucille Vincent

## Geneva Friendship Sqs.

The classes for the Friendship Squares of Geneva are each Tuesday evening at the William-Smith gym with a class of ten couples. Some of the class are taking the course as a refresher as they have been away from dancing for several years.

The club members are looking forward to a large turnout to dance to Marshall Flippe on Monday, November 6 from 8 to 10 at the Geneva Junior High School on North Street

Many of the club members have been busy at least once a week travelling to other dances throughout Central New York.

We invite other club members to join us at Gulick Hall, Hobart College, on Friday evenings, Nov. 10 and 24 at our club dances called by Don Pratt.

On December 8, Pearl's Western Fashions will present a Fashion Show for class and club at Gulick Hall.

## Henrietta Friendship Sqs.

We would like to remind everyone that the place of our Club dances has been changed. NOW WE DANCE AT THE ROTH SCHOOL ON EAST HENRIETTA ROAD (Rt 15-A) JUST SOUTH OF THE THRU WAY.

Roy and Thelma Hertweck just celebrated their 25th wedding anniversary with a big party with relatives and friends. George and Isabel Hoffmann just returned from a super vacation. They visited relatives and friends in Germany. George's father lives a short distance from Munich, so they visited him and spent one day at the Olympics.

We want to extend our sympathy to John and Ann Connelly upon the death of one of their close relatives.

Ed Hasbrouck, President of the Federation and our immediate past president, has taken over the Opinion Program on WHAM. This is an interesting program to listen to each week night.

We had a gay night with many exotic Polynesian costumes at our Hawaiian Night Dance on October 7th. We had 10 couples from the Merry Mixers, 6 couples from the Triggers, 2 couples from the Rollaways and one couple from the Copy Cats.

Our next dance will be the Pilgrims Prom on November 4th and the Drumstick Dance on November 18th. The welcome mat is always out to neighboring square dancers. We end with a bow to our corners and a bow to our partners.

. . . . . Larry and Jackie Herendeen

### NON-FEDERATION NOTES

The WHEELAROUNDS are now dancing at the Oakfield Elementary School every 2nd and 4th Saturday. Learn a new round with Betty Wolcott from 7:45 to 8:15 p.m. Squares are from 8:15 to 11 p.m. On November 11th, Larry Spaven will call and on November 25th, Jerry Carmen. Come and HAVALOTTAFUNWITHUS!

## Irondequoit Sqs.

There was a roaring fire in the fireplace, the food was tasty and spirits warm, according to the members who attended the clambake. It was a fun time in spite of the cold, rainy day outside.

We are pleased to welcome Bob and Vivian Bierre back into the club. Also, a big welcome to Al and Ginny Kalin, Paul and Arline Holowka, and Jerry and Isabelle Astman, who, too, have joined the Squares.

We will have a business meeting from 10:15 to 11:00 at our November 11th dance. Let's have a big attendance of our members, please.

Many of our members have been travelling this fall. The Al Andersons and Norm Steinmillers are back from a September trip to Europe. Les and Vi Walther motored to Kansas. Bob and Vivian Bierre also travelled to Kansas to visit Vivian's sister. The "travelling" Bierres also attended the Delaware Valley Dance Festival and the Syracuse Area Association Fall Festival.

Gerry and Mabel Beauchesne had a wonderful weekend in Niagara Falls at Bruce Shaw's and Mike Callahan's weekend.

The Palumbos, Tettes and Nudds squared up at Hidden Valley and had a real fun time helping Maurie and Adel celebrate their 22nd anniversary.

Fran and Margie Clarke enjoyed dancing to Ren Schneider at the Finger Lakes Race Track along with many of the area dancers.

We are looking forward to our tureen supper and dance at the Lutheran Church of the Transfiguration, 3760 Culver Road, November 25th.

It's been "cool" pinch-hitting for Sam and Ev Gillio this month while they are visiting their son in Denver, Colo.

. . . . . Ken and Mary Jane Nudd

## Kuntry Kuzzins

We want to thank Geneva Friendship Squares for fillin' up the hall for our Sept. 30th dance with guest caller, "Bruce BooBoe Shaw" - the Shaws were 'Fantastic' - and we didn't miss a tip.

"The Busted Toe Club" has two new members. Last year, Betty Hewlett started it, then Mary Ann Lane did it (same toe) and she just made it for Fling Fantastic; and now our Caller got into the club, but he says he'll make it to SASDA at Syracuse on the 13th and 14th.

The Rowes, Howletts, Fagners and Lanes enjoyed a fun-filled weekend at Fling Fantastic with Bruce and Mike. Bruce says they are all eligible for the singing and sipping chapter.

Lookin' forward to the week-end in Syracuse for SASDA will be the following: the Wheelers, Reeds, Mayeus, and, of course, the Spavins.

We've missed the Herrens lately. Between the two, surgery and a fall down the cellar stairs have laid them up. We'll be lookin' for your early return to squaring up.

Veryl Mattison has been telling the nurses all about his trip to Hawaii while recovering from his gall bladder operation. We hope Dr. Diamond gets him back in the swing real soon.

We hope to have a good report on our Halloween Mystery Guest in our next issue.

It's fun to tune-in on Ed Hasbrouck's WHAM Opinion Program and hear how the other half live. He's doing a fine job too, as our Federation President.

We'll be dancing "Turkey Time" on November 4 & 18 at the same spot - in downtown Newark at the Grange.

. . . . . Don and Dot Criss

## Lima Grand Sqs.

The fall season is rolling along and classes are doing well. Guests to the Club on Sept. 22nd were from the Irondequoit Squares. On Sept. 23rd the Trescotts, Bloods, Helberts and Whites gave a demonstration of Western Square Dancing for the Livenia Boy Scouts' talent show. Sept. 29th saw the Dick Schwingels once again dancing with the Club. Dick's back is much improved.

An Alumni Reunion (Old-Timers-Get-Together) of all the past square dance classes was held Oct. 6th. The Lima Grand Squares started in January, 1961 with 8½ sets. There were six past presidents and their wives present plus eight other couples who hadn't been dancing in a few years. We all had a good time together. At this writing some of these couples have decided to get back into square dancing. Don Stumbe holds a ½ hour refresher workshop before each dance so they can enjoy the evening with the Club.

Lima dancers were the guests of the Batavia Twirlers on October 7th.

On Oct. 11th, the Vaughans, Wells, Turners, Reagans and O'Gradys danced to Don Trescott's tapes for the residents of the Avon Nursing Home. The old folds really enjoyed it.

We are sad to learn that Wally and Jane Schandall will be moving to Seldon, Long Island by the end of October. Jane has a medical technicians job lined up and Wally is looking forward to opening a Fondue Restaurant. Good luck to you both!

Things to ponder: What makes Laurie Ross "jump the gun" when Don Stumbe says "CHARGE!"? And why is it that President Paul Vaughan is so often found on his back during our dances?

. . . . . Betty and Bob White

## Merry Mixers

The Merry Mixers are off to a wonderful season of square dancing. Over one hundred people came out to our open house. Fifty-four people have joined our new class and will soon discover the happy world of square dancing.

Our new Western Round Dance Class started on Saturday, Oct. 6th. It features beginners' basics and is taught by our own Ben McGilvery and his lovely wife, Sadie. The classes are held at the Seneca Methodist Church, 121 Scholfield Road, every Saturday from 6:00 p.m. to 8:00.

We were guests of the Henrietta Friendship Squares on Oct. 7th for an Hawaiian Luau. I understand some of our Mixers came away with prizes and discovered a new way to play football. All had fun and thanks for inviting us.

Congratulations to Chet and Sue Manchester who celebrated their 2nd wedding anniversary on Oct. 9th.

Helen Johnston, a new member, will fly to Long Island to visit her granddaughter on Nov. 3rd and will dance there. Welcome to our Club, Helen, and happy dancing.

Some of our Merry Mixers will square dance at the Long Pond Nursing Home on Sun., Oct. 15th for their entertainment.

We welcome you graduates who have joined our Club. Come out and support your Club. You gain experience and confidence by your continuing to dance. You need the Club and the Club need you.

Happiness is dancing with the Merry Mixers.

. . . . . Nell Brady

## Rochester Rollaways

Rollaway's are still traveling near and far with more to come in the future. Desmond's and Cole's attended the Syracuse Fall Festival and the Baker's and Betlem's went to the Jack Lasry, Ed Foote weekend. Presgrave's, also, in between the wedding of daughter Joyce, and the engagement of daughter Marjorie, managed a six week tour of Europe which was out of this world. Gwen is looking forward to going again.

For those of us who stayed home, we have been lucky, too. Mo Howard called a nice dance and his lovely wife joined right in. Next, our special Sunday afternoon dance with Jack Lasry was a huge success. Everyone enjoyed it. Last dance, Lee Kpoman did the honors, which all adds up to some real good square dancing.

A big welcome to our new members, Doug and Karen Steelman and a welcome back to Bart and Nita Gould.

Even though we keep our ear to the ground, we don't get all the news, so anyone who knows something we don't, call us.

. . . . . Bud and Claire Young

## Singing Squares

We were glad to see so many new faces (and some old ones, too) coming to share a Wednesday night, dancing with us. During October, we had guests from Swinging BB's, Belles 'n' Beaus, Triggers, Ekc-O Squares and Boots 'n' Slippers. Come see us often!

Happy Birthday wishes and Kisses went to Dick Doyle and Norma Jean Ellis.

Congratulations to Dave and Trudy Roach on the birth of Christopher Michael during the summer.

Don't be surprised if you see purple feet in your set. I understand 2 couples picked grapes by Naples, for making wine and the wives did the "stompin' bit". To them, the four seasons mean: Fall: Pick grapes and keep warm. (How?); Winter: Check on fermentation progress and enjoy taste "test"; Spring: Stop all ageing processes. (Whose?); Summer: Look at empty barrel, sigh and count days 'til fall.

Stefan and Franziska Tschokasch had house guests recent-

ly. They were members of a German Band for the "Otoberfest" and that explains why I heard strains of "Ach du lieber, Augustin", as I passed their house.

By the way, that blue streak whizzing past was Larry Ellis's homemade dune buggy. He overlooked one little thing when putting it together - a way to get Norma Jean and all her square dancing skirts into that little window!

Keep dancing and remember, it's always your "corner" that makes all the mistakes!

. . . . . Mary Brocksopp

## Swinging BB

We are happy to see our new class enjoying their lessons which take place every Thursday night. Hope they continue to do so.

We wish to extend a warm welcome back to our past President Harold Logan who has just recovered from his illness.

A good time had by all attending our special dance. It was great dancing with the National Caller, Frank Lane. We thank him for being our guest.

Our November dances will take place on the 4-10-18. Let us keep up a good club attendance.

. . . . . Bill and Peg Trometer

## Swinging Singles

This year, we have had a very enthusiastic class. Our Class members have joined the club roller skating and at our Halloween Costume Party Dance. Invitations from class members for after-dance get-togethers have been enjoyed by all.

We welcome all square dancers every Monday evening at 8:00.

November activities that we are looking forward to include a Progressive Dinner on Saturday 11, meeting friends from Geneva Friendship Squares and Henrietta Friendship Squares on Monday 13, and our Thanksgiving Dance on Monday, the 20th.

. . . . . Grace Buisch

## Triggers

Our workshops have been changed this year. Rounds will be between 7:30 and 8:00. Squares will be between 8:00 and 8:30 o'clock.

The campout and picnic September 15th, 16th, and 17th was a great success. Thanks to the Baxters and the Bos for the games for the children and the adults. And a special thanks to Carel and Russ Phillips for a great job they did on the picnic. A good time was had by all. Girls, you all did a marvelous job on the food.

Our Halloween party will be on Tuesday, October 31st. The theme this year will be crazy heads. So be sure you disguise yourself from the head up. We have invited seven clubs to join us this year, the Henrietta Squares, Boots and Slippers, Country Twirlers, Belles and Beaus, Swingin' Eights, Wayne Westerners and the Web-Spinners. A prize will be given for the craziest head.

We were invited to the Henrietta Squares on Saturday, October 7th, - the Country Twirlers on October 20th.

Myron will be putting on a demonstration dance at St. Anne's Home on Saturday, October 14th.

Don't forget our graduation on Tuesday, November 14th.

Plans are being made for the New Year's Eve party to be held at The Church of the Master from 9 'til 1. More about that in the next issue.

. . . . . Bill and Marilyn Raymond

# Twirl A Rounds

During the September 30 weekend, the DeGraves and Whiteheads attended the Canadacade in Niagara Falls, Canada.

We were sympathetic and disturbed to hear about Ann Gentile's harrowing experience at Westgate Plaza. While shopping, about 7 p.m., she was knocked down and relieved of her purse containing a sizeable amount of money.

Congratulations to Ann and Walt Tomasyewski on their Wedding anniversary September 28th. Also on this date, a happy birthday to Ted Thomas.

We are glad to hear there are about sixteen couples in the new Twirl-a-Round class. We are hopeful that all will soon join the club.

During the month of October, the Mura's enjoyed a four week trip which took them to Arizona.

. . . . . Bonnie and Bus Gangi

# Wyco Promenaders

Our club held Open House on September 20, with a new class forming. It looks as though we will have a good size class this year. Club dancing started Friday, Sept. 22, with a good time by all. A Halloween dance is being planned at this writing. Will have more on that next month. In November our dances fall just a week apart, due to Thanksgiving. November 17 is our Thanksgiving dance. This will be open to other clubs, so come join us for a good time.

Our deepest sympathy is extended to the Jinks, and Stoffer families. Congratulations to Gordon and Margaret Hyder on the birth of a baby girl.

. . . . . Bob and Arlene Brotherton

### Web Spinners

We made it! A whole month has gone by with no new injuries to Web-Spinners!

Sorry we missed some summer travelers. Phil and Marion Schlick traveled to California and back, and Bob and Sharon Palermo trailered their way through Massachusetts.

If you missed our 'Black Cat' dance, we feel sorry for you. Web-Spinners and their guests had lots of fun, and now we're all still trying to figure out who those Black Cats really were. I think I know, but many are still guessing.

Speaking of fun, November is a great fun month for Web-Spinners. By cheating on the dates a little, we can consider October 31 as November, and that's when we're guests of the Triggers. On November 3, Bud Redman, of Lewiston, N.Y. comes a-calling at the Web-Spinners. Then, on November 11, we are guests of the Copy Cats. November 17 will find Jerry Carmen handling the calling chores, and that pretty well ends our dancing month, as there's no dance on the 24th.

Web-Spinners sent several couples to the Syracuse Area Square Dance Association dance again this year. We know for sure that the Fordhams, Klicks, Palermos, Maggios, Mabees, and Wilcoxes made the long trip. The last four named took their trailers to camp out along the way. Hope they didn't get bogged down in the snow and rain!

We'd like to welcome the newest members of the Web-Spinners. They are Ed and Lou Ellis, who attended class last year but missed graduation because Ed was temporarily transferred to Las Vegas, Nevada, and then to Florida. (You should see Lou's tan!), Walt and Sylvia Davis, and Lee and Mike Chulick. Walt and Sylvia moved from Ohio to Webster last spring, and Lee and Mike last belonged to a club in - - California. We're mighty glad these couples all chose the Web-Spinners, but I think that's an awfully long ways to move just to dance to Bill Wilcox!

December 1, our guests will be the Irondequoit Squares, Belles 'n' Beaus, and Swinging Singles. See you all there.

. . . . . Bob and Lyla Bonnett

### Swingin' Eights

First of all: Our thanks to Carl and Ruth Trabert for their faithful reporting to the Promenader. Their dedicated service was much appreciated. We all wish you a speedy return to our midst. Your act will be a hard one to follow.

To our hosts on September 30th, the Irondequoit Squares, we say, "Thanks for a great evening."

Tuesday night, October 7th, was short a few familiar faces. Gordon and Iva Allen were off to the Cape. Doris and Al Abel were in Vermont trailering and woke up to find ice on their tent top!!! Slim and Ruth Dreuther went off to Florida.

Bill and Helen Klein's daughter, Karen, was married on August 26; Shirley and Dick Long, Class of '72, will be celebrating their 23rd Anniversary in Toronto this month; Al and Barb Taylor, old friends, rejoined our club this year; Frank and Dot Petro will be in Hidden Valley at Lake Luzerne for a weekend of square dancing October 13; Bob Clapper and Pat Red Elk joined our club and I was supposed to say something about Winnick but it will have to wait for the next issue - Congratulations all you lucky travelers and welcome to the club. All this news circulated while Orphie Eason brought her charm and vivacity all the way from Canada. We "Flaired the Gears" and "Let our Little Lights Shine" and had more fuuun!!!

Orphie will be our last guest caller for a while. Tom will be swinging and singing now 'til after the holidays.

Things are looking great this fall for our new class. It started off with a full house of five squares with Tom in great shape in spite of his accident. Club members are asked to plan helping their class become the best in the Federation by getting there once a month or no'e often, if possible. Remember the days when you were a beginner? You can be their inspiration now at South Lawn School right next to Hosea Rogers. You can't miss it.

. . . . . Nic and Nicci
