NATIONAL SQUARE DANCE CONVENTION®

HEMISFAIR CONVENTION CENTER
SAN ANTONIO, TEXAS
JUNE 27, 28, 29, 1974

July 1973

NEWS RELEASE NO. 1

"DO SA DO BY THE ALAMO" is the invitation extended to square dancers from all over the world as Texans make preparations to host the 23rd National Square Dance Convention^R in San Antonio on June 27, 28, and 29, 1974. The convention site is located on the grounds of the 1968 Hemisfair which lies in the downtown area within easy walking distance to the many attractions for sightseeing and entertainment. Nearby, the ALAMO, known as the "Cradle of Texas Liberty," is one of five famous missions which grace the San Antonio area with a legacy from the distant past. Providing a link between the past and the present, the San Antonio River meanders through the very heart of the city. Along its centuries-old banks may be found a wide variety of shops and restaurants, picturesquely contrasting quaint village architecture with modern high-rise buildings and giant hotels that line the broad flagstone walkways. Summer is the season of fiestas in San Antonio and among the myriad river-oriented nighttime diversions is a brilliant exhibition of music and dance from Spain and Mexico. Fiesta Noche Del Rio, which is presented at the Arneson River Theatre. By night or by day, San Antonio has a wealth of things to see and do. Visitors of every age will be delighted with 433 woodland acres of Brackenridge Park and a tour of the Zoo which is unique in its natural setting animal enclosures as well as the Aquarium. Also worthy of a morning's side expedition are the numerous art galleries and museums throughout the city. The proximity to the hill country, lush tropical valley, gulf coast and Old Mexico has endowed San Antonio with cultures and languages of many countries, creating an air of welcome to visitors from every nation.

The historical and cultural features which make San Antonio so worthwhile to see have resulted in its being selected as an official Bicentennial city. You may have a chance to get a preview of the city since it will be featured in a film, "We Hold These Truths To Be Self Evident," due to be released for television viewing this fall. Y'ALL COME!

Many, many thanks to our retiring editors, Dick and Betty Weber, who, despite illness, extra college courses, etc., managed to do such an excellent job of news collecting and "Editoring".

We wish to thank all club reporters who made a special effort to do their "reporting" early so that we "Greenies" could have more time to sweat out our first effort.

A cordial WELCOME is extended to Promenading B's, who joined our Federation on May 21, 1973. Hope to be dancing with many of you real soon.

Dear Square Dancing Friends:

Since the Memorial Dance, June 3rd was held at the end of the square dance season, I was not able to write the public thank you that I wanted.

The "Promenader" is back with us again, so I had to let you all know that my family and I will never forget this wonderful tribute to a man who loved square dancing and all the people in it..

I wish to thank the Callers who are a great bunch of people who deserve your loyalty and encouragement. Another thank you to all the people who took the time and effort to be with us and who made it the success it was.

I believe that Jake was with us that night "dancing up a storm" but this time it was different for him. There was no pain.. He was free at last!!

Thank you for making it a happy memory!!

CALLERS PROFILE

EARL PIKE

Earl Pike and his wife, Verna, started square dancing even before they were married - Eastern dancing, that is. Then in 1960 after some urging by good friends they attended the Genesee Dancer's class to see if they would like Western square dancing. They must have, because since that time they have been enthusiastic participants in the activity having been members of as many as four clubs at the same time and having traveled North, South, East and West to attend square dance institutes and festivals.

Then in the Fall of 1969 they were "drafted" by the 4-H club of their church to teach square dancing to interested teenagers. These young people formed their own club called the 4-H Merry Mixers and represented Monroe County at the State Fair in Syracuse in 1971 and 1972. They proudly brought home blue ribbons the second year. Besides dancing for fun the "teens" have entertained in schools and nursing homes.

In 1972 Earl was the class teacher for the pre-teen Swinging Square Club in Chili. Along with promoting the wholesome activity of square dancing among today's youth, both Earl and Verna enjoy doing "one nighters" for adult church and PTA groups.

Besides using his voice for square dance calling, Earl is a member of Toastmasters International and Chairman of the Area Speakers' Bureau as well as being a lay-preacher in his church.

THE CIRCUS IS COMING! THE CIRCUS IS COMING!

That's the theme established for the 1974 Muscular Dystrophy Benefit Dance, scheduled for April 27, 1974. Plans are in the making, so we hope you will mark your calendars now--to keep the date free--and join us for this annual event!

NOTE: Would anyone who has taken pictures at previous MD dances, please contact George & Una Shaw at 426-2275. George and Una would like to compile a photographic history of the MD dances in Rochester, and will be happy to duplicate your pictures and then return the originals to you. Thanks in advance for your help.

Scott Shaw, who was the son of Ralph and Barbara Shaw, and the inspiration for the Muscular Dystrophy dances, passed away at the tender age of fourteen. We join all other square dancers in the area in extending our deepest sympathy to his family.

LET'S GO DANCING!!

Batavia Twirlers

Another fantastic Memorial Day weekend can be chalked up for the Batavia Twirlers! About 38 couples enjoyed dancing to Larry and our guest caller, Dan Dedo. Lou had a great time trying to get Dan away from the camp fires in the wee morning hours. He sure did hate to give up!

It was a rainy weekend but all that liquid sunshine didn't dampen our spirits a bit - but a few of us late hangers-on barely made it up and out of the muddy drive. How about the gal who didn't know her boys hopped out of her station wagon to help push and she went home without them? Never mind, Marge, it was a rather hectic weekend.

Our first summer dance started off as usual - more liquid sunshine! The summer has been pretty busy for most of us and not too many could attend the summer dances regularly but let's all remember Twirlers Open House on Sept. 11, at the Kawanis Room at the Y.M.C.A. Larry will be there along with Ron Fotch, our new class instructor. If you can't make it September 11, don't miss the first dance at the John Kennedy School on September 15. See you there!

Norm and Lorraine Tufts

Belles 'n Beaus

It's hard to believe that the summer is over and it is time to square them up.

It was fun ending the season with a Car Rally planned by Fran and Hal Abberger, Shirley and Si Hulse and ending up at June and Alex Elich with a picnic supper. Guess who came in last??? (Claims he stopped at a wedding to learn a new dance step which he taught us later.)

Speaking of Fran and Hal, we must say we all enjoyed celebrating their 25th Wedding Anniversary with them on the 4th of July. It was a day to remember.

ATTENTION ALL: This year our club dances will be held at the Holmes Road School beginning on Monday, September 10. Hope to see you all there.

On Wednesday, September 12, we will hold an Open House at Holmes Road School. Everyone is welcome. Come and bring your friends.

Classes will begin on Wednesday, September 19, also at Holmes Road School.

Looking forward to another year of ROUND AND SQUARE dancing., so let's square them up.

Dorothea and Gil DuBois

Boots 'n Slippers

"Those lazy, hazy days of Summer" are drawing to a close and school begins not only for the kids, but, we hope, for a nice big class of new square dancers. Open House for "Boots 'N Slippers is on Sept. 7. If this years' class is half as enthusiastic as last years', we'll have a good group. Al Howe will be class teacher again. Got a big event coming up...the Tenth anniversary of our clubs' founding. Should be some big doins' in the works!

Judging by the turnout for our second annual Club picnic, this event promises to become a favorite. Our thanks to Bob and Ruth Frietag for their generous hospitality.

The Klesses and the Busharts better watch it! They were such a success, they are liable to be nominated our "permanent game committee".

Incidentally, there was a "hot time in the old town" of

Spencerport on Thursdays throughout the Summer with Callahans and Copelands. They acquired quite a fan club. Good to see Terry H. and Ida T. back dancing. Hope to see a lot of familiar faces, and some new ones too! Til we allemande you....
Jack and Joan Hennekey

Cloverleaf Squares

The summer has been busy for Cloverleafers with picnics, dancing, and planning for the upcoming season. We had picnics at Letchworth Park, Powder Mill Park, and Hamlin Beach. Our progressive dinner on June 30 was a big success - ending with a pool party.

We danced twice a month in July and August with Bruce Shaw and Mike Callahan calling..

Starting with our Open Houses on September 23 and 30, we will no longer be dancing at the Chili Towne Hall, but at Our Mother of Sorrows Church Hall on the corner of Latta Road and Mt. Read Blvd. in Greece. All singles 18 - 25 are invited to come and join, and we're also accepting married couples 18 and over to join the class. The Class will meet with Mike Callahan from 6:30 - 9:00 P. M. and the club dances to Bruce Shaw from 8:30 - 11:00 P. M. We dance on the second, third and fourth Sundays of each month. Admission to the Open Houses will be by tickets which are available from Pat Haungs (275-0637); Jacque Bosz (352-1416), or at the door.

Bruce Shaw will be calling for our September 9 dance at the Chili Town Hall. We're all looking forward to Fling Fantastic on September 14, 15, 16 with Bruce and Mike in Olean. We will not dance on Sunday that weekend.

We all extend our congratulations to Dale Nesbitt and Judy Schwab on their engagement.

In October, Al Howe will be our guest caller on the 21st, and Bruce Shaw will be calling on the 14th and 28th.

Club dancers are always welcome to come and dance with us!!!!

Copy Cats

Vacation time is over. Time to start square dancing again. Vacationing this year were - Betty and Ken Heim who went to Wisconsin; Laura and Hal Wahl went to Massachusetts; Dorothy and Al Pheilshifter went to Conesus; Arlene Quick went to Florida while Jim went to camp, and Bud and Susie Branam went to Florida. They all had a great time and beautiful weather.

Our picnic at Mendon Ponds on July 14 was a tremendous success and everyone who attended had a wonderful time. Wayne Westerners, Swing 8's and Belles and Beaus members joined us at our July dance for a great time dancing to the calls of Mike Callahan.

On August 14, Copy Cats danced at the Monroe County Fair and had great fun trying and seeing everything there was. Our dances in August were fun and the many clubs represented enjoyed every minute while dancing to Mike Callahan. September is time for classes to start and this year Chuck and Jerry Prister are teaching our class. Sept. 8 is Open House and a free evening for all club level dancers. Sept 11 and 18, are the open house for the class. If you have any friends and/or enemies - please bring them along to enjoy the fun. The class will dance every Tuesday at 8:00 P. M. in our regular dancing hall. Copy Cats - please come and support our class.

Any club member wanting to subscribe to the Promenader News, please see or call Bob and Rita Dobbin. We are taking them now. See you dancing

Relaxed Dancing

DO YOU HAVE FRIENDS who have gone through square dance lessons (not necessarily recently) and then dropped out? Many have told us that they left club-level dancing because for one reason or another they couldn't keep up with all the new figures. Some, of course, simply didn't want to dance every week. They wanted to come once in a while and so fell behind.

WITH THESE PEOPLE IN MIND (but maybe you would enjoy it too)

Ed Butenhof

will call a monthly series of fun dances where everyone can enjoy moving to the music without worrying about "goofing". We'll do easy squares, some contras and mixers-- nothing very difficult, but enough variety to keep things interesting. The aim is to have fun, not to workshop the "latest and greatest" new figure.

We've scheduled three dances to start with to gage the interest in this concept. We hope you will come and bring the friends you've been trying to get back into square dancing.

Country Twirlers

We extend a warm welcome to all you square dancers-- those who have been traveling, camping, swimming, or just plain resting--to join us for an evening of square dancing fun. Open House is Saturday, September 8, so bring your friends and neighbors. Our own Jim McQuade will help us to dance out all our kinks and get us back in the swing.

Several demonstration dances this summer should spark an interest in our new class that is beginning Wednesday evening, September 12, and is open to all prospective members. Help us spread the good news.

Saturday, September 29, we'll be dancing to Bud Redmond, so come square up with us.

We have fond memories of our Trail End Dinner Dance. All our Dutch friends surrounded us with a bit of Holland with tulips and wooden shoes. To end the year 14 families camped and were joined by others totaling 110 people for our pot luck supper and dance at Hamlin.

As we look back over the past summer we share with some of our members their sorrows and sadness, their joys and happiness and urge them as well as you, to join with us for another year of Country Twirler fellowship.

Ben and Rosemary Bartow

EKC-O Squares

Attendance at our summer dances has been great with many guests from other clubs. Several guest callers, with Red Bates the most recent, were enjoyed by all. Ken Anderson's workshops were terrific as usual. And say, have you seen the beautiful new motor home Doris and Ken bought recently? No more motel living for them! We wish them many years of happy hours and miles.

We understand several of our club couples danced to Ken at Skybrook near Dansville on a recent weekend. Camping and dancing seem to be a natural combination. If you want to see an unusual work of art, check in with Bob Meagher; he has preserved in plastic a beard he grew over a five-month period. Unique to say the least.

Congratulations to former Presidents, Dot and John Himmelsbach who are the proud grandparents of twin boys.

The month of September brings with it the golden anniversary of the marriage of Al and Ruth Niblack. Heartly congratulations to a very special couple. You'll be pleased to learn that Betty and Bert Wolcott will start a new class of round dance basics on Sept 21, in the All Purpose Room 328, Kodak West. A ten week session, and note the change to Friday night.

Our Welcome Back Dance (club members only) will be at Valle's on September 7th, with cocktails at six and dinner at 6:30 P. M. Dancing to Bill Peterson at Elm Grove will follow the dinner. Reservations close on September 1.

Open House will be Wednesday, Sept. 12. Everyone is cordially invited to come, but our class will be restricted to Kodak employees. Information about other classes will be available that night, and all possible help will be given to prospective dancers who are not Kodak employees. Bring your friends.

Next month your new correspondents, Sallie and George Emmons will take over this spot. It has been our pleasure to greet you in this manner over the past year and thanks to all who have passed along news to us. See you dancing.

By the time this reaches you, we hope Perkie will be with us dancing again. Florence and Jack Freidland will both be better; and Ginny Casper will be home from Highland feeling like her own sweet self; and Gloria Steinmiller will be home from Strong Memorial on the road to recovery.

The Conklins are leaving September 12 for Tennessee and the Grand Ole Opry.

Now that our warm summer days are waning and we're all anxious to pack away our camping gear and get our children off to school the time has come again to "square up." And "square up" we will with our dance on September 22nd.

On this date we will also meet with our new caller but old friend, Ben McGilverly who has replaced Mike Callahan.. Ben is anxious to see our entire club swinging so don't forget the 22nd.

While you're circling dates for our dance, circle October 7th. On this date we have special guest callers, Dick Leger will be calling squares and Charlie and Perky Tucker calling rounds. It will be a great evening.

The garage sale held by the Lapps and Hulses in June to benefit our club was a huge success. It was a lot of work but a lot of fun. The Hulses and Lapps would like to thank all the club members who contributed their goods and time.

See you all on the 22nd of September.

Vacations are ending and another dancing year is about to begin. We look forward to seeing many of our friends around the squares at our Open House, Sept. 8, in the Laurelton School gym. This will be a new location for our club dances this year. Bill and Bruce will be sharing the mike so it will be a great Open House. Bruce will teach our class at Brighton Reformed Church Lodge, 805 Blossom Road on Thursday nights, 8:00 - 10:30. If you have friends interested in dancing bring them to our Open House.

The weather has certainly been cooperative for all our outside activities this summer. Our club picnic at Powder Mill Park was attended by many good cooks and hungry people to eat the fixins.

This year's class had a picnic at Webster Park, July 21. A good time was had by all who attended. However, many of those who would have been there had they been home were getting themselves settled for a full week of dancing at Spring Gulch in Ia.. Two squares of our members were there and accordingly earned the privilege of having our club badge earn a permanent place on the Spring Gulch banner.

Judy and Bill's new little grandson made his arrival soon enough so they could go. Also, Dave and Joan Calman, Ed and Sue Sulewski, Alex and Norma Davidson, Ed and Marge Anderson, Jon and Priscilla Anderson, Al and Joyce Manley, Ken and Mary Jane Nudd and their families spent a great week together. Wonder if Ed will wear the Sulewski style shoes to open house.

Couples from the club put on a demonstration dance for members of St. Margaret Mary's Parish at their picnic at Seneca Park, August 12.

Members also danced at the County Fair along with other area couples again this year.

August 25 we had a dance at the Irondequoit Town Hall parking lot. This is an annual dance which is fun and enjoyed by the members.

Sam Gillio is convalescing after an operation. We hope he will be dancing again very soon. We've missed him and Evie.

Ken and Mary Jane Nudd

The Club started off the summer schedule with 44 people on a "picnic" at the Robert Whites. We all had a good time in spite of the rain and drizzle. There was good food to share and lots of visiting to catch up on. Later, Don called square dances for two sets at a time. It was a bit like sardines in a can, but fun!

Our campout at Skybrook was well attended. There were 22 families plus those who came for the Saturday night dancing. Saturday morning, those who weren't already up were raised out of their bunks by a great clashing of cymbals (performed by the talented Charles Kleeh!). Believe it or not, there were some who did not appreciate this rare opportunity to hear a great artiste. The weather was good for swimming and visiting in the shade. Those with a little more energy played softball, volley ball and frisbee. Another rare sight was to see canine Fuzzy Kleeh wearing a small pair of dark glasses while out for a walk with his mistress.

At this writing, we are all looking forward to a picnic-dance at Rita and Louie Lambert's on Saturday, August 18.

Merry Mixers

The Merry Mixers are pleased to announce that two weddings took place this summer, involving four of our group members. We would like to extend our congratulations to George Haines and Madeline Sullivan, who were united in Holy Matrimony on June 20, 1973, and to Joe Petrelli and Nell Brady, who were also united on July 14, 1973.

The Merry Mixers held their annual picnic at Barnard Exempt on July 29; there was music, dancing, games, prizes, and plenty to eat for all.

Many thanks to George Burandt and his co-workers for the excellent job they did in regard to the picnic. Enjoyment was shared by those who had the opportunity to attend this fun-filled event.

In mid-July, the Traveling Turtles spent a fun-filled evening at the Hayloft in Canandaigua.

Fourteen members of the Merry Mixers spent the last week of June visiting Toronto, Canada. They had an exciting four days of sightseeing, especially when they visited Castle Loma and were granted the privilege of square dancing on the balcony.

Rochester Rollaways

"ALL SIGNALS GREEN FOR GO!!!!!" No! No! not for a trip to the Moon-but for the first Rollaway Dance of the season!

The Trailorites have almost (just waiting for the Camp-out details below) put their trailers in mothballs. The Vacationers have already done so with their summer clothes and photographs--and we are all ready to settle down to the serious business of dancing. (OOOPS!!! our first repertorial goof! The Rollaway Slogan -- in fact and in theory -- is "We dance for fun!" so, please, delete the word "serious" and insert FUN!! (in capital letters!)

Our new Presidents, Lou and Lil Stork are in a very nervous state! Having nervously accepted the gavel from the charming veterans, Hamilton and Betsy Stearns, and nervously waiting for the phone to ring to announce a new grandchild, they have had to take up golf to calm their jangled nerves! When that "reluctant" child appears, we know Lou and Lil will again be their usual

charming, smiling selves- and will excel in all three categories, "Presidents, Grandparents and Golfers!!!"
CORRECTION DEPARTMENT!

Fran and Hilda Desmond were erroneously listed as the new secretary-treasurers for this season. Please note-- Joe and Shirley are the "Custodians of the Cash!" (We want to be sure your money goes to the "Heit" er- we mean right place!!)

Riddle Department! Who is it that has the patience of Job? The wisdom of Solomon? You are absolutely right!! It is Ambrose Baker!! There are not enough adjectives in the English language (or any other) to describe the herculean task he has performed and is still performing in conducting the workshops! He has never lost his smile or patience during the most trying and hottest session. (and has this ever been a hot summer!) "Out of chaos comes order! Amazingly we find that we do learn in spite of our firm conviction that we never will! (as recent graduates we have to admit some of us "ain't such quick learners!") Ambrose, if we could denude the State of Hawaii of all their orchids, we would give them all to you! You deserve them and so does Dorothy for her always smiling willingness to help out when she sees us poor mortals are stuck! (which is quite often!!!!)

Good Luck Department! Good luck to Carl and Gwen Presgrave on their move to California. We will sorely miss their smiling faces- but do hope they will get back to visit occasionally.

BIG NEWS DEPARTMENT! The Big news you have all been waiting for this summer! The CampOut!! ALL arrangements have been made - all details ironed out! Reese and Muriel Cole, Roland and Janice Chugg have worked like Trojans to make this a memorable affair. (We heard they have even worked out a deal with the weatherman!) So, circle your calendars in red for the CampOut, Sept. 21, 23, Woodstream Camp Site, Gainesville, N.Y. Come prepared to end the summer in a blaze of glory and fun!! Need any more information? Call any of our terrific chairmen.

We "Oldies" having taken over from the "Youngs" shall try to carry on their tradition and keep you informed of "the latest news!" So let's "Rollaway" for a great season! Mae and Harry Kelley

Singing Squares

Big News! We've moved to a new location starting Sept. 12. We will be dancing at the "Greece Grange" just south of the Long Pond Road and Ridge Road intersection.

Al Howe is again our caller and we will be learning a few Round dances between "tips". We are looking forward to seeing all of you square dancers each and every Wednesday..

Next month you will have a new reporter for the "Promenader". So, sign up for the subscription and also watch out for the "spy".!

Swingin' Eights

Are swinging around the states in great style. Cards are coming in regularly for our collage from Vermont to California and Canada to Florida. Looks like we're apt to have one for the capitols of every state!

Hear tell there was a grasshopper dance at the Knudsons after their return from Washington. The Kingston Kapers with Joe Reilly kept the Berners, Petrows, Taylors, and Soltysaiks stepping; the Tiss's discovered the wonderful world of Disney in Florida while the Bauerschmidts steamed around Vermont and the Niccolls discovered the "Minni" in Minnesota.

Best wishes to Jim Berner, Marge & Bob's son, who was married June 8. The Berners will continue celebrating with the Barnes and Heffers by seeing Europe in September with the Circulators.

Our dancing is starting this fall with an Open House for beginners, September 7. Please bring all your prospective dancers to this dance. We'll show them, "Square Dancing can be fun!" Their class will get an early start September 7 at 8:00 P.M. in the Hosea Rogers Middle School, Northfield Road. Classes will be on Friday night this year with Bruce Shaw. There will also be dancing September 15 and 29. Y'all come --- and if you haven't mailed your travel cards bring them along to:

Wayne Westerners

Our fall season is about to start. This summer on July 7 we had a Street demonstration dance at the Macedon Plaza.

August 3-4-5 our club had a campout at C-Phil-Haven camp sites, with a dance on Saturday nite, and a picnic on Sunday. It was an enjoyable weekend, and a good time was had by all.

We are invited to dance at Monroe County Fair on Aug. 16.

Our first club dance will be held on September 6. It will be Open House.. Ralph and Gerrie King

Web Spinners

While the pleasant summer sun rolled away, the Web Spinners were making hay that will be gathered into the square dance hayloft at the Open House on September 7, at eight o'clock at Klem Road School North. Participation in the St. Rita's Church Festival in June and in the Webster Fireman's Parade in July, planted the hayseed of desire (to square dance) in the field of Websterites and others who saw the Web Spinners dance at these events. Thanks go to "farmers", John Van Slooten, Wild Bill Wilcox, and their "field hands" for their special work under the hot sun in the "hayfield".

Relaxation time came at the Web Spinners' Family Picnic where games, entertainment, and good food were enjoyed by all. Rocky and Laurie Maggio's efforts made the picnic a fun-filled carnival.. Bill Klos and his Judo class presented an interesting exhibition. It was an active, enjoyable picnic for everyone..

Other Web Spinners' summer activities included dancing at the Alaimo Nursing Home and then later at Hill Haven. The pleasure seen in the faces of these old folks made the effort of dancing on those hot nights, a rewarding experience..

Thanks are in order to the participating Web Spinners and Callers who took part in all or some of these happenings. You are too numerous to mention individually in the space allowed so please accept a general "Thank you" from all of us..

Remember to attend the free "Open House Dance". Bring your friends, relatives, and neighbors to see and try our "thing"--Western Square Dancing. Encourage them to join us as new class members for the coming dancing season.

Fiddle A Rounds

Here we are, back again at the old stand---

We sincerely hope you are all reminiscing about the Happy Summer Sounds and are now looking forward to the new season with lots of plans for many happy hours of dancing.

We know Ferkie Tucker didn't enjoy the early part of this summer. But we sincerely hope that she is recuperating successfully after her surgery in July, and will be Feelin well enough soon to be back dancing with The Gang again like old times.

It was just after the last news article went to press that

we heard about the death of Marg Zilinski's mother. We know we are a bit late, but nevertheless, we still want to express our sincerest sympathy to you, Marg.

So far as we know, the DeGraves, Falls, Graykos, Lows, and Zilinskis were among the "First Nighters" at the First Canadian Round Dance Festival at York University in Toronto, in mid August. And we understand that Howie and Dot were also listed with the Round Dance Leaders. Sure hope it was a real successful festival--successful enough to be repeated again next year so a few more of us can join the Continental Capers.

Please note that we will not be dancing at the Echo Club this season. Dottie DeGrave has been promised a hall by their school district. She requested a place close enough to city limits that would be convenient for all; and as soon as Dottie is notified, you'll be contacted by phone. Please refer to our dancing schedule here in the Promenader.

That's all for now, "cause there ain't no more" -- to write about.

George and Dorothy Riesenberger

Twirl A Rounds

Summer, summer, Oh what a lovely summer it's been so far. Hope everyone is enjoying themselves to the fullest. Take care, 'n watch out for sunburns 'n sore feet 'cause we want to see everyone back dancing come September.

Must say that our Trail End Dance was a "Fun filled" night in May, at the Three Acres Party House. We had as our guests, the Fiddle-A-Rounds who helped make our Dinner Dance a success. Have you had many sit-down dinners at your table, Howie 'n Dot??

We understand they had a ball at the Kingston Kapers, with dancing, parties 'n not much sleep. Our group included: the Andrews, Busharts, Coopenbergs, DeGraves, Falls, Finks, Kless', Lows, Taylors, Webers 'n Websters. If we left anyone out, please forgive..

Even though we had a small group for our June dance, we had two unannounced visitors. The DiCesares stopped by with their precocious little monkey, "Suzie", who really can give you a lot of little "monkey talk".. And Marvin did it again, with our second little visitor, which he caught, a little white mouse. Could it be that you're half cat, Marve??

Our July dance was well attended, we're told, 'n we're unable to report about the August dance because we were away.

Our caller, Howie, along with Charlie Tucker cued at the Monroe County Fair on August 16th. Hope many couples turned out to Apart - Point with them.

The DeGraves, Falls 'n Zilinskis attended the first Toronto Round Dance Festival in August.

Our fall schedule starts Sept. 12 at 8:30 (with beginners at 7:30) at the Fairbanks Elementary School in North Chill. Hope to see you all back!

We end by extending our heartfelt sympathy to Margaret Zilinski, on the passing of her mother..

Yours Twirly

Wayne 'n Gloria
