PRESIDENTS'
CORNER

In the six years I have been associated with the Federation, I have heard on numerous occasions comments from square dancers to the effect of "What does the Federation do for me?" or "What does the Federation do for my Club?" This has always bothered me for a couple of reasons. First of all, this publication is a Federation function and, most certainly, is a very important contribution to the Rochester area square and round dance community. Beyond that, the Federation has engaged in an ever expanding number of activities starting from its original raison d'etre, the Dance-O-Rama and now includes sponsorship of various square and round dance demonstrations, the Banner Stealing Association and other activities aiding coordination and communication among Rochester area clubs and dancers.

However, the biggest reason this bothers me is that it indicates a lack of communications between the average Rochester square dancer and the Federation, which does indicate a weak spot in the system. Unfortunately, these communications have to be filtered to a great extent through the hierarchy of our square or round dance clubs' representatives before it reaches the Federation floor. There is many a fine idea which never reaches the Federation because either the dancer feels that it is too insignificant or the idea is interdicted along the way in the channels of communication.

I would like to see all the Rochester area clubs make known their respective representatives to their memberships by special badges, (which are available through the Federation), announcements or any other effective means. Your representatives are your pipeline to the Federation! Should you have comments, criticisms or suggestions to feed into the Federation, these representatives can do this for you. In addition, I might add that any interested square or round dancer in the Rochester area is more than welcome to any Federation meeting and will be allowed personally to take the floor to discuss any problem within the realm of our concerns, if he so desires. Meeting dates can be obtained from your representative or any of the officers of the Federation. The next meeting date, by the way, is November 15 at the First Universalist Church, corner of Clinton Avenue and Court Street at 8:00 P. M.

CALLERS PROFILE

Howie and Dot DeGrave, Teachers of Round Dancing, first saw Round Dancing at a Square Dance Convention many years ago in Atlantic City--came home all enthused and discovered that Charlie and Perkie Tucker had a Round Dance Club and immediately joined it. They both have been avid ballroom dancers from way back so this was a "natural".

At the urging of their friends they started to teach at a square dance club, (about 13 years ago). This gradually led to a Round Dance Club. They travel all over to Institutes and 'Cades to learn new techniques, steps and styling to bring home to their dancers and feel fortunate to have studied under the Hamiltons, Manning and Nita Smith, and many other National leaders.

They have been on the staff of the Canadian Round Dance Convention, Dance-O-Rama, Institutes at Oquaga Lake, numerous Festivals and Camps. They also headed the Rochester Area Round Dance Teachers Association for some time, and have Square Danced for about 15 years. (Bob and Dot Brunshidle caught up with them at an "Eastern" style Square Dance).

In between all this Dot keeps house for four men (3 sons and Howie) and babysits occasionally with their daughter's new baby.....In his spare time Howie works as a Numerical Control Programmer at Farrel Co.

LET'S GO DANCING!!

A SQUARE A ROUND

Howdy! Miss me? I'm a little late this year. I've been out campaigning.

Do you want hot, humid halls?

Do you want sticky floors?

Vote like your whole square dance world depended on it.

Vote for Hal Abberger for your Representative
GET A SQUARE DEAL!

If I'm elected, I will promise you new air-conditioned halls, with polished floors. No gum.

HOUSING: New homes with large basements, no posts. I promise you a Tape Recorder in every home. A chauffeur to take you to the dance. A blonde baby sitter in case your hubby is too tired to go to the dance.

CRIME: Turn your back and the club banner is missing. Next day you receive a black mail note telling you what to do to get it back or where you can go.

Set your coffee down, come back, it's gone. In its place is a soggy doughnut, half eaten. Petit crimes you say, petit crimes like these lead tooooo.....

Violence in the sets! Somebody steals your corner or you might be mugged by your left hand lady. One ole man had his gnat boxed. It's getting so it's unsafe to walk across a set.

These crimes must not go unpunished. If I'm elected I'll see that all goofers are sentenced to the Dixie Chain gang.

POVERTY: Who needs it! Vote for me and appropriated funds will get to the right people. Not the rich with their many petticoats, but the real poor, with their one shabby shirt.

TAXES: I will have them pass a law giving all square dancers many extra deductions. For instance, you could take off all your clothes.

NEW VOLUNTEER ARMY: I will recommend that all volunteers that are rejected for two left feet be directed to report to Charley Tucker's Round Dance club, where they will feel right at home.

A vote for me is a vote for the Square Dance future. Ideal conditions, where the Caller pays and the dancers get in free.

VOTE! VOTE! and if you don't vote for me I'll get even, I'll dance in your set.

THIS IS AN UNPAID POLITICAL ANNOUNCEMENT

Thanks anyway,
Hal Abberger

CLUB

Belles 'n Beaus

The BELLES 'N BEAUS are proud to announce the two new Junior Representatives to the Federation. They are Bill and Evelyn Scheg.

For the month of November we wish Myrt DiLauro, Doris Haddleton and Mary Stroh, a Happy Birthday.

Archie Carris is home from the hospital and is doing fine. Archie---Hurry and get well, We miss you---- especially at the old water hole. (Circle Spot).

We heard Geo Hagberg has left Doris to go Big Game Hunting up in Montana for a few days. Hope he bags a big one.

It's good to see Dotty Heffer back dancing. It seems she dropped a jar of peanut butter on her foot and broke a toe. Bet she was glad to be swinging instead of sitting.

We hope you all are planning on the Fall Funfest Benefit Dance coming up November 11th. It is a nice dance and for a good cause and you even get to dance with more than 20 CALLERS.

We are fortunate to have guest caller, Curley Custer with us again this year on November 19th.

SEE YOU ROUND 'N SQUARES
& A HAPPY THANKSGIVING

DOROTHEA AND GIL DUBOIS

Boots 'n Slippers

It's the month of black cats and goblins and are all you adventurous souls ready for our Mystery Ride on the 27th of this month? It's a masquerade, you know, which may pose some problems for those who like to remain silent until they unmask. But, all the way to Buffalo? No, seriously, your reporters still do not know our destination, only that it's bound to be a lot of fun, especially since Terry Harris is to be one of our drivers. Maybe, we'd better all stay masked, or blindfolded. Our

NEWS

President's Taw had a very interesting idea on how to solve the costume problem. Ask her about it.

All those who attended the pot-luck supper last month are a few pounds heavier but happier, I think. It's hardly "cricket" of Jean Webster, who so successfully regained her "girlish figure" of late to bring that luscious fudge no one can resist. But, don't stop, Jean, we'll "suffer" through it. We had a good turnout from last years' class, and we're hoping for an even bigger one for the Mystery Ride. Again, "try it, you'll like it".

Want to tell our friends, the Triggers, it was delightful to be their guests. Hope you'll take advantage of your guest tickets and let us return your gracious hospitality.

December seems like a long way off right now, but thought you might want to reserve this date, December 2nd, on your calendar. It's the night of our big dinner-dance to celebrate Boots 'N Slippers tenth anniversary. It's going to be at the Three Acre Party House, and you know what good times we've had there. Who knows maybe we'll be able to get the Andrews Sisters for a return engagement. We do know our officers are working hard to make this a memorable occasion.

It's great to see all our invalids recuperating. Just don't hug Doc too tight around the neck (no matter how much he insists), don't step on Jackie's foot, and don't blow in Vi Walthers ear, but you can wink at Gloria, that is, if Wayne doesn't mind.

Til we allemande you,
Jack and Joan Hennekey

Batavia Twirlers

For those who haven't heard the news yet, we are dancing back at the John Kennedy school on Vine Street. Larry calls for rounds at 7:30 and WORKSHOP from 8:00 - 8:30.

Brad and Barb Darling are welcome new members to our club. Happy dancing, Darlings.

There were oodles of treats at our Halloween Party with Mike Callahan calling the squares, and Betty Wolcott the rounds. Food committee chairmen Chet and Dorothy Miller and their hard working committee did a bang up job with their skeletons and pumpkins and the traditional cider and doughnuts.

Nov. 3rd we are looking forward to the WYCO Promenaders as our guests. We always have a great time with Leo's club from Castile, especially at the benefit dance for Clair Evans. The feeling that square dancers have helped someone in trouble is great.

The Batavia Twirlers are once again happy to announce our annual benefit dance to be held on March 23, 1974 at the Senior High School on State Street, under the chairmanship of Dick and Marge Toal. Please keep this date open for a worthwhile function and a dancing good time to 7 of our finest area callers.

Thanks for taking the time; see you next issue.
Norm and Lorraine Tufts

Country Twirlers

You've heard the old saying "I've got some good news and some bad news". First the good news. How very much we enjoyed dancing with all our guests on that September evening with Bud Redmond. We can flip back and spin chain the line as good as the next guy---that's good???? More good news is that Curley Custer will be calling on Friday, November 9, so plan to join us. Those of you who have not yet danced to him will not want to miss this opportunity.

We are glad to see Hugh Wilson back with us again after his heart problem this summer. An impromptu campout for 7 families on Columbus weekend was great fun. A pancake breakfast was enjoyed by all, especially, Al Fiege. Sorry that more families couldn't have been with us.

We have not yet talked to our traveling square dancers so we can't tell you about all the fun they've had. Did you see a certain Sallie running off the dance floor holding her parting zipper? I promised not to tell.

And now for the bad news---we have no more news. See you next month.

Ben and Rosemary Bartow

EKC-O Squares

Like Topsy, we just "grow'd"! And we're still G-R-O-W-I-N-G! Our new square dance class, comprised of 32 Kodak-employed couples, has been meeting every Wednesday evening in the second floor cafeteria. Bob Ellis is utilizing his magic powers to transform this enthusiastic group into proficient square dancers.

Let's all stroll downstairs from time to time to encourage their progress and extend a "helping hand", if needed.

Each Friday night another 20 couples are learning round dance basics under the competent direction of Betty and Bert Wolcott. Betty's "Apart, point, SMILE!" provided the key to happy dancing, after being locked out the first night of class. In case the partners don't latch on to her viewpoint, Betty keeps a pair of boxing gloves handy to settle disputes.

We heartily welcome the following clubs as our guests this month:

- Nov. 14 Genesee Dancers and Cloverleaf Squares
- Nov. 28 Country Twirlers and Geneva Friendship Sqs.

The foreboding adventures in Deliverance did not deter Ken Dunham from going on a raft trip down Pa.'s Pine River (the Grand Canyon of the East). He reported sighting several mountain men and was able to outwit one half of them. Fortunately, he arrived home safely, just half-witted!

Taking a cue from the birds, several Kodak couples

have migrated to new locations. Reese and Muriel Cole moved to Arizona and Stan and Doris Lipowicz again reside in Buffalo. Florence and Paul Frost enjoyed a Jamaican holiday while Clifford and Esther Bushnell toured Europe on a business/pleasure trip.

Bill and Clara Ross and Ed and Marge Blake are also busily preparing for their big journey next year. They are feverishly studying a Berlitz language course and acquainting themselves with the customs and habits of the natives. (The two couples will attend a World War II reunion in Indianapolis.)

Fiddle A Rounds

Looks like our leaders aren't the only T. V. personalities in our group. Paul and Lois Murphy also appeared recently dancing with a group including none other than His Honor, Mayor Steven May, on a telecast during National Square Dance Week. How about that?

Now to bring you up to date on our dancing travelers-- Did you know that the Andrews, Taylors, and Webers attended the recent Delaware Federation Convention in Philadelphia. Had a real fabulous time--lots and lots of dancing--so they say.

Howie and Dot DeGrave spent a weekend of round dancing at the Park Motor Motel in Niagara Falls, attending the 1973 Canada Cade, where they picked up many new dances-- enough to keep our dancing in full swing until the Mini Weekend.

Then there was SASDA in Syracuse where local dancers met the Andrews, Copelands, Graykos, Phillips, Taylors, Webers, and the Zilinskis. How's that for a representative group?

And last, but not necessarily the least, the DeGraves,

Falls, Lows (just back from their European trip) and Joe and Marge Zilinski picked up a few more new rounds at Proctors' Mini Weekend last weekend at the Holiday Inn near Toronto.

How maybe we can all settle down to some good local dancing before the holiday capers set in.

A little bit late--but nevertheless--Orchids to Irvin and Margaret Brown who recently celebrated their 40th year together. Their anniversary date was September 29. Congratulations to them both, with so many good wishes for continued happiness and many, many more healthy years together. That's it fer now.

Genesee Dancers

WELCOME- Jerry and Audree Carroll of Canandaigua who joined our club October 4, hope you can put up with us.

Congratulations to the Hansens on the marriage of their daughter, Elaine, October 20..

The Niblocks sent a card thanking the many Genesee Dancers who sent cards for their 50th Anniversary. Their party at Lakeshore Golf Club on September 22, I heard was so very nice and many former and present Genesee Dancers enjoyed seeing one another.

The Coopers who have been missing for awhile from our dances sent their hellos to all. Hope to see you soon.

Did you hear: Of the great time we had 9/27 with Dave Taylor calling?
The Enters & Jeffries are going to Toronto 10/20? To What??
Dottie Clark is getting married?
Congratulations.
That Spooky found a new home?
That Florence Freeland is pregnant?
Really!!

HEADLINES: - On a fiery allemande left on the night of 9/20 Howard's "rug" went flying and landed smack dab on Art Harris' record, stopping the dance, and a surprised Art said "I never had a record stopped by a lid before."

Finally, in my efforts to get news, who said, upon leaving the dance early, "You don't know it, but underneath this beautiful body is a tired old man". Thanks.

It's not nice to fool Mother Nature -- but the furnaces at Roth School gave it a good try. Expecting the chills of the new fall season, they blasted away all evening, Sept. 22nd, enveloping us in a blanket of sweltering summer temps we thought we had put behind us for another year. They weren't about to take the 72° turn-about weather seriously. Everyone was good-natured about it and literally hung out the open doors and windows between tips. Let's hope they (the furnaces, that is) are attuned to the blustery winds of winter.

OH! OH! You're being watched! Now that Don Lapp has made Ben McGilverly a caller's platform he can spot all our "boo-boos". Have pity, Ben. Seriously though, much appreciation to Don for his skillful carpentry.

We're all saddened to hear of Elaine Kleinhenz's illness and scheduled operation. Wishes for a speedy recovery, Elaine. We all look forward to dancing with you again very soon.

Our Open House dances met with success and we now have ten enthusiastic couples in the Monday night classes. Pepper and Don Lapp, the class chairmen, report that the class is off to a good start. Let's all try to give them a helping hand.

The club enjoyed a beautiful day as well as its clam bake, October 6.

We are pleased with our new location, Laurelton School, 478 Helendale Road. There is a public telephone just outside the gym, 288-9862. Hope this will be an aid to our members and visiting friends who like to leave a number where they can be reached.

We are sorry to report that George Smith lost his Mother recently.

October was busy, but not newsy.

Have a happy Thanksgiving, everyone.

"BUT THE MEMORY LINGERS ON!!" Anytime there is a "happy" thing, it leaves wonderful memories! The "Campout" was just that. The weather was perfect (we told you they had made a deal with the Weatherman!), the food was delicious, the company great. Altogether a winning combination. Those happy, smiling faces reflected in the blazing campfires (and sharing toasted marshmallows, hot dogs, and the super-perfect "Welcome Campers" cake that Janice made) belonged to the Betlems, George and Heidi.) The Chuggs, Desmonds, Heits, Maxims, McDuffies, McCollums, Moultons, Sixts, Snows and Stearns. The only casualty was Roland Chugg! During a dance he was

s'posed to "flip-out" with Heidi, he grabbed Jim McCollum by mistake. Heidi promptly administered a arm "Karate chop" and Roland spent the rest of the time wearing a sling. For Shame, Heidi!!!! It was unanimously decided to make this an annual affair, and the Chuggs vere elected the same way! Great Job, You two!!

A STUDY IN SCINTILLATING, SARTORIAL SPLENDOR!! Who needs Dior? Givenchy? Chanel? WE have Deuce Williams. His raiment vies with the rainbows! We await his arrival with bated breath so that we may behold his correlated color scheme! He brightens the whole hall! but - alas - one day (very sad music here) he appeared in colors to match the walls!! How dull!! How drab!! How could you do this to us! You ruined an entire evening! While on this subject- we feel it our duty to give a word of warning to one and all! Deuce has either super-acute hearing, is a whiz at lip reading or is a mind reader!! So be very careful. He knows what one is saying (or even thinking!) from a distance of fifty feet. So ya'd better be like that third monkey "SPEAK NO EVIL!" or Deuce'll getcha!

FISHY STORIES - We all know what those are! but this is the real McCoy! Sylvia and Allie Saperstone went fishing and they are LOADED! (their freezer, we mean!) Mebbe if we act real nice we'll all get invited to a fresh (frozen) dinner!

WORKSHOP - It is going great guns! It is hard work, but it is fun, too. Such a satisfied feeling when one masters a call. Ambrose came around with Slip-slide-swing, he twisted it around so many ways, that was the way we ended up- all "twisted around!" We have made up one of our own- "Slip-slide-slurp and sludge!! Okay, Ambrose, let's see you figure that one out!!!

Seems incongruous to mention challenge dancing in the same breath with the "workshop", but we have to "tell it like it is" and it is a fact that the Betlens and the Bakers went to the Cleveland Challenge Dance. We (some of us!) are not really green with envy- we always have that peculiar color when we are around the "Super-Dancers". The same "some of" (including Ye Olde Reporters!) ain't never gonna get that good! But we all hope you had a wonderful time!!

Congratulations to our President and His Lady on their anniversary- May they have many many more "dancing" ones!

The Stearns are going back to the Pennsylvania Dutch Country! They say they are going back for a week of dancing-but we all know better. Happy eating, You Guys!

The Autumn leaves are beginning to fall but it's snug inside our square dance hall!

See ya' there!

Mae and Harry Malley

On September 19 we were guests at the Hill Haven Nursing Home. We performed for the Senior Citizens and we also danced with the wheelchair patients. Any Senior Citizen wishing to dance with our Club members asked and had their fun doing so.

September 22 an invitation was extended to our club to the Labor Lyceum for dancing and a Goulash Dinner. We all had a grand time.

On October 2 our guests for the evening were "Belles 'N Beaus", "Boots 'N Slippers", and "Batavia Twirlers". Also Frank and Marie Poole of New Jersey were our guests. Everyone enjoyed the dancing and dessert time.

Our sympathy is extended to Alice and Russ Richards on the loss of her mother and Julie and Gus Antinora on loss of her sister.

Kuntry Kuzzins

Kuntry Kuzzins - September is gone and what a grand exit it had. The Shaw-Callahan dance was a smash with nine squares and several guest couples.

We're moving into October and expect our Carl Hank's dance the 21st to be the same success. This dance will be held at the Community Center from 2-5 P.M. We're finishing off October with a Halloween Costume dance the 27th at 8 P. M. Hope to see all you ghosts and goblins there.

November has its two regular dances the 10th and 24th, both at the Grange Hall at 8 P.M. The dance, the 24th, is our Anniversary dance and is usually a big event. Help us celebrate our Anniversary by joining in the fun.

Welcomed Bruce Shaw as our new caller at a fantastic feast planned by Mary Cary, Ginny Sanderson and their staff, October 6. Too o o Much!!! Curly and Terri Crane missed our feast in favor of the wedding of their son, John who was married to Debbie Lee Loyst, Oct. 6.

Congratulations to our treasurers, Dick and Shirley Long.. They celebrated both Dick's birthday and their 25th Wedding Anniversary in October. (Think we need an audit?!!! Happy Birthday, also, to George B. Who was hmmm years old on October 27.. Mike and Mary Prado represented our club at the 9th Annual International Fall Fest for two full days in Syracuse while Hidden Valley at Lake Vanare, near Lake George, claimed Wells and Mary

Cary, Frank and Dot Petrow, John and Sally Soltysaik and Larry and Terri Yacobelli. Speaking of the Yacobellis, have you noticed the distinctive badges hanging from their pins? The Knudsons, Mareans and Sally S. Have similar emblems. It all happened at Honeoye Lake to the recorded voice of Tom T. when they square danced, or should I say waddled, knee deep in the lake to earn their Duck Badges. Ask John S. if he got cold feet!

Our class has expanded and is twirling in fine fashion to Bruce's rousing resonance.

A speedy recovery to Eddie Allen who started home safely in a taxi only to be crashed into by a police car! They really collared him!!!

November 3: We're looking forward to sharing our fun and frolic with the Irondequoit Squares as our guests.

November 8: Swinging Eights are invited to dance as guests of the Genesee Dancers at the Green Lantern Inn. See you Angle.

November 17: We'll welcome ECK-O Squares as our guests at Hosea Rogers, 219 Northfield

After this busy beginning, there's more to come.. Ask Chairman Larry Y. about our new Traveling Squares.

Our opening dance was a great success and guess what? Don and Pat Cobb will be our Host and Hostess for our next dance.

Also, Congratulations to Tom Freeman on his promotion. Tom and June are moving to Spencerport and we wish them lots of luck and success.

Our Club has begun the fall season with a running start. Several members report a fun-filled evening of dancing with the Kuntry Kuzzins and several others of kicking up their heels with the Country Twirlers.

We are anticipating bringing a little sunshine into the lives of others when we dance at the Blossom View Nursing Home this month. I'll tell you all about this next month.

Our Class is small but you know good things come in small packages, and we sure have some fine potential.

We were happy to have Don Winkie from Williamson dance with us. He was home on leave from Germany, where he and his wife, Barbara, are avid Square Dancers. He promises to see us again around the holiday season.

We were happy to have the Magees join us for a few weeks before they leave for their home in Florida. Do hope they can join us again when they are up North.

We are looking forward to the return of the Jack Parkers from their tour abroad. What a way to spend two weeks Dancing, Traveling, eating and all in the company of other dancers.

Gerrie King is home with that Trick knee again. Do hope she will be able to join us soon.

This may seem early, but it's getting near the time to wish every one a Happy Thanksgiving Holiday.

On Sept. 15 our club had a clambake at Dick and Janet Smith's house. It was a big success with lots of luscious food, games and square dancing. Everyone had lots of fun.

Our new class members are coming along real good with their lessons. They seem to enjoy it very much. Let's us older members get out and help them as much as we can. They need us.

Sept. 24 a group from our club went to the Octoberfest at the Hof Brau House. We had lots of fun, eating good German food, singing and dancing.

We have rounds and squares on regular club nights, with rounds workshop from 8:00 to 8:30.

Those not taking advantage of the rounds workshop are missing a good deal.

Remember our National caller, Gloria Roth, will be with us October 26. All are welcomed.

We've had quite a variety of dances this month - "Cinderella", being "Sweet 'n' Sassy"--showing a "Fancy Foot" to the "Dancing Demons". A touch of Ghosts 'n' Goblins perhaps?!

Remember, we have a very talented gal among us! Norma Dolan has a shop in her home 'n' makes hand-crafted articles, 'n' square dance outfits, designed 'n' made especially for "YOU". See them at 5331 South Holley Road, Holley.

We, too, must add our Congratulations to Jack'n' Agnes Low, on their retirement! Enjoy yourselves, relax, travel, 'n' just plain have fun - 'n' no more alarm clocks!!

Web Spinners

So you thought October was a busy month for Web-Spinners! Well, catch your breath, kids, cuz November is shaping up even bigger and better! We'll be sharing our dance floor on November 2 with dancers from Boots'n Slippers, Cloverleaf Squares, Triggers, and Genesee Dancers. And we hope we'll have lots of our friends join us on the 16th for our guest caller this month, Bud Redmond. Now, we KNOW not a "single" (no pun intended) Web-Spinner will want to miss the dance on November 9 --Sadie Hawkins Night - when the gals get to ask the guys to dance. One word of warning, kids. Girls, please remember, we are all LADIES. No hair-pulling or eye-scratching when we are all fighting over a chance to dance with Romie Wilbert!

Our beautiful fall weather kept Web-Spinners hitting the by-ways and sky-ways. Al and Lorraine Ayling snuck off for a two-some week-end in Toronto; Harry and Marilyn Nuffer danced holes in their shoes at a Square-Dance Weekend at Lake Placid, (be sure to ask them about it)- and Silver Anniversary celebrants Bill and Jean Humphrey report that they enjoyed every single hour of their week at Montego Bay, Jamaica..(Sounds like that would be mighty easy to take!)

Lots of our people were still off enjoying the out-of-doors, also. Camping, hiking, fishing-----fishing ---say, did you hear about the one (s) that got away? No? Ask those intrepid anglers, Messrs. Collier, Galen, and Buccì.

Speaking of campers, we hear that Ron and Evie Sutorius have a new addition to their camper. Trouble is, it's so darn purrty they don't want to use it!!

That "crafty" Arline Galen has been at it again! And we understand she has even more surprises in store in coming weeks, so keep eyes and ears open, gang.

We want to close with a special thanks from all Club Members to John Van Slooten for printing our schedules and guest cards for us. Mucho gracias!

Paul and Joan Buccì

Cloverleaf Squares

Our two open houses in September proved to be quite a success in attracting singles and couples to the fun of square dancing. Let's hope they keep coming - the more the merrier!

Those of us that went with Bruce and Mike to Olean for Fling Fantastic had a "fantastic" time. We danced until wee hours in the morning to Chip Kellogg and Joe Reilly, got wet from various squirt guns (we bought out Olean's supply), ate excellent meals at the Holiday Inn, learned some new rounds, went to Ann Crowley's parents' home in Pennsylvania for Sunday dinner, and returned to Rochester a little tired--but after a weekend well worth it!

The Cloverleafers that went to Indian Lake on Oct. 5-7 were lucky with nice weather. Activities included climbing Chimney Mountain, canoeing, hiking, and an all-around good time.

Well, Cloverleafs have done it again! We had two engagements within the last month. Cal Ford and Jacque Bosz are planning a July wedding; and Bob Myers and Pat Haungs are planning to be married in January. How many is that in the last two years???

This month we won't be dancing on Nov. 11 but hope to see everyone at the Fall Fun Fest. On Nov. 25, Chip Kellogg will be our guest caller. Bruce Shaw will call on November 18. All club members are more than welcome to come and join us for a fun evening!!

HAPPY THANKSGIVING TO ALL
 from your editors

October 1, 1973

NOTICE TO ALL DANCERS - - - VOLUNTEERS NEEDED!!!!

As announced in last month's PROMENADER, the Sixth Annual Muscular Dystrophy Benefit Dance has been scheduled for April 27, 1974. Last year, over \$4,000 was raised for MD research. This year, our goal is to go over the \$5,000 mark, but we need your help in order to do this. If we are going to raise \$5,000 in 1974, we need to become more efficient and better organized. This is where you can assist us.

All Federation Club Presidents recently received a letter from the MD Dance Committee requesting the name of a couple to work as "Club Coordinator" for the 1974 MD Dance. The Club Coordinator would be responsible for:

- Handling advance sale dance tickets within your club.
- Handling advance sale raffle tickets.
- Coordinating cookie donations from club members (approximately 10 dozen cookies per club will be needed).
- Reporting club membership for the trophy chart.
- Attending approximately two meetings (1 - 1½ hrs each) prior to the April 27th dance. (Probably one in November and one in February or March -- very tentative.)

(As you can see, much of the work involved could be handled at regular club dances!)

If you are interested in volunteering some time to this charity, please let your Club President know. We will try to keep the demands on your time to a minimum.

If your Club is not a member of the Rochester Area Federation, it is possible that we did not have an address for your Club President--and therefore, he did not receive a letter. If this is the case, just call us directly to volunteer at (716) 594-8134, after 6:00 p.m.

We hope to make the 1974 dance bigger and better than ever before. We hope you and the members of your club will want to be a part of this effort.

Sincerely,

Bruce & Shirley Shaw
