PRESIDENTS' CORNER

Welcome back from the holidays! We hope that the energy crisis did not dampen the spirit and fun of the Solstice season and that a good time was had by all!

Most of you have probably heard of the Rochester Callers' Cooperative, but we suspect many are unaware of the great contributions it and its members have made to the Rochester square dance community in the few short years of its existence. The Co-op was formed in the spring of 1970 by former Rochester caller, Tom Trainer, and others, for the purpose of coordinating caller activities and training, as well as dealing with other caller-related matters in the Rochester area. The Co-op, with a membership of from 20-25 callers, is currently under the capable leadership of Mike Callahan and Bruce Shaw, both of whom are dynamic and upcoming young callers.

The Co-op cooperates closely with the Federation and other organizations on various projects such as the Dance-o-Rama, Fall Fun Fest for the Al Sigl Center, and various square dance demonstrations at the Monroe County Fairgrounds, shopping centers, and the like. There is little doubt but that the quality of Rochester area square dancing has been measurably improved since the advent of this dedicated organization.

The next meeting of the Federation will be at the First Universalist Church on the corner of Court Street and Clinton Avenue on Wednesday, 13 February 1974. Meetings have also been scheduled for Tuesday, 12 March and Thursday, 11 April for the following two months. Anybody interested in participating in or observing the proceedings is not only more than welcome, but encouraged to attend.

Sincerely,

Jim and Betty McCollum

IMPORTANT NOTICE

At the 13 Feb 73 Federation meeting, bylaw amendments will be voted on. These amendments, if adopted, will

1. allow caller operated clubs to become members of the Federation so long as they have elected officers and their delegates are not selected by anyone deriving a profit from the club and
2. allow for the admission into the Federation of organizations such as the Rochester Callers' Cooperative.

It is, therefore, imperative that each club reviews the language of the said amendments, which will be sent out with the minutes of the January meeting to club delegates and presidents, and have both of their delegate couples at the February meeting prepared to vote on these issues.

A little late but, a Happy New Year anyway!  
Well the holidays are over but not forgotten. The fermented sugar plums are still dancing a round in my head and I have just finished changing the last of my Christmas gifts. The only gift that was the right size was a fruit cake and even that was a little small.

Well, whats new? Energy crisis! It isn't new but it's on everybodys lips and some has leaked into the pants pocket.

I've had an energy shortage for years, at least that's what my wife says. On the other hand she says I've never been short on gas. Burp!

The schools, that most of us dance in, are conserving fuel by lowering the thermostat. Especially at night. Now, I'm not saying that they are over doing it but it's the first time I have ever seen a caller using gloves to hold the microphone. It was also quite difficult to hear him thru the muffler he was wearing. I had a some difficulty myself, Round dancing in my galoshes. Although Art Harris said that he didn't notice any difference in my dancing.

My wife likes to dress chic so she wore a blue dress to match her complexion. I think it also the first time that even the girls enjoyed the call "Quetch" or "Yellow Rock".

I guess maybe I'm exaggerating a little and what is cold for some, is not so cold for others. You know, almost everytime somebody mentions cold I think of my Canadian friend who told me that it was soooo cold one time in Montreal, that he saw a dog glued to a Fireplug.

But lets get back to conserving energy. Energy in the sets!

Some dancers are helping by only doing a half square thru and a quarter turn in. There are others that used to do a full sashay are now doing a half sashay and cutting down on the rollaway too.

I was doing my part by whispering during the Promenade "tighten up the set, a little closer" til one smart aleck said, "if you get much closer I'll be behind you". Well -----

As the gas station owner said, "You can fuel all the people some of the time and you can fuel some of the people all of the time but you can't fuel all of the people all of the time."

I think I'm running out of gas, soooooo

Thanks anyway,

CALLERS PROFILE

KEN BOSS

Since February is the month for hearts and flowers the Callers Co Op decided the profile should be on Ken Boss. He is a plumber, father of eight daughters, (and one son in law) and a square dance caller; but not necessarily in that order. Just how that qualifies him for the month of hearts and flowers, dear readers, is your problem.

It was in Sept. of 62, while living on the west side of the city, that Ken, like every other loving husband, was dragged, coerced, and pushed to square dance lessons at Country Twirlers. Finally in 63 he graduated and became an active and enthusiastic square dancer. When the Dance O Rama was held at Vince's Fifty Acres in 1965 Ken was on the house committee and enjoyed every minute of it.

The following year Ken decided to move the family southeast to the town of Henrietta. However, the house they settled on lacked a few things that were necessary for the comfort of the family. He found he had to add a garage, remodel the kitchen, and install an indoor heated swimming pool. (which his girls use year round) Sad to say, this left no time for square dancing.

Finally in 1970 after completing the tasks at home he decided to join Genesee Dancers. It was here that he met several enterprising square dancers who encouraged him to try teaching and calling. Since he had had experience calling eastern dances during his high school years he felt he could easily adapt to western styling. He attended Earl Johnston and Al Brundage callers college in the summer of 71. Then in Sept. when John and Evie Stocking started the Spring Valley Dancers in Springwater they asked Ken to teach the class. He graduated three squares and a club was born.

In quest of more knowledge he was charmed into joining the Callers Co Op and attending another Callers College before the start of the 72-73 dancing season. When the season started, Henrietta Friendship Squares needed a new teacher and Ken taught the class of ten couples.

This past summer along with running dances at the Henrietta Town Hall Ken was Co Chairman of the Square Dance promotion at the Monroe County Fair. He feels both ventures were highly successful in numerous ways.

When Sept. came again, he started teaching for both Henrietta Friendship Squares and Spring Valley Dancers. The two classes have already had many happy times together especially on New Years Eve when Ken called until 6AM New Years Day.

Ken was chairman of the Fall Fun Fest this past year. Because the children at the Al Sigl Center have always been very special to him, he is happy to announce that \$650.00 was raised for their benefit. He would like to thank all involved for their generosity.

Ever since Ken has started calling he has found his greatest pleasure was in watching others enjoy themselves. So have fun and keep dancing.

## Batavia Twirlers

All the Christmas goodies have been put away for another year and all our good intentions for a bright New Year are being put in use. We enjoyed our class members at the Christmas Party. They are such a lively, friendly lot. Dancers from the Web Spinners and the Dalton Gang brightened our January 5 dance. Come again soon, folks! We are looking forward to having all the Country Twirlers with us as guests on February 2. Don't forget, Twirlers, be sure to join the Calico Squares as their guests on February 7.

Be thinking about the Cancer Benefit Dance on March 23. Circle the date and come to the Senior High School on State Street in Batavia for a fantastic time with Larry Dunn, Bruce Shaw, Chuck Prister and Jim Dutton. Also on hand will be Betty Wolcott, Alberta Winters and Howie De Grave. We have again planned our lovely banquet table under the direction of Dorothy and Chet Miller. The prizes are better than ever under the Chairmanship of Agnes and Arvel Ray. All this...you can't afford to miss for the small donation of \$3.00 per couple or \$1.50 a single, and a dozen cookies for the smorgasboard table. All for a worthy cause - you can't go wrong.

Tickets are now available at your club, we are told by ticket chairmen, George and Della Jenks. See you there!

## Belles 'n Beaus

Well folks, we are delighted to be the Promenader reporters again for Belles & Beaus after an absence of three years. Many thanks for a job well done this past year by Gil & Dorothea DuBois. At this time, as is the case every year, we start the 2nd half of the square dance season with a new group of officers. They are: President: Hal & Fran Abberger; Vice-President: Ken & Kay Fredericks; Secretary: Bill & Marilyn Walker; Treasurer: Jim & Dorolyn Hill; 1st Director: Stan & Joyce Levandoski; 2nd Director: Bob & Bernice Weaver. Congratulations folks, and the best of luck for a gratifying and successful year.

On January 29th, our illustrious caller, Art Harris, celebrated another birthday. Like Jack Benny, Art only admits to age 39. On December 31st, Art & Vera celebrated a wedding anniversary. As Hal Abberger says "Art invested \$2.00 to get an exemption of \$600.00". Pretty good odds, eh!

December 17 was the date of the Belles & Beaus Christmas Party at the Greece Grange. A "Tip of the Hat" to Doris Haddleton and her fellow "grangers" for a most delicious turkey dinner. Following the dinner, we were treated to a skit which was a take-off of the popular CBS television program "All in the family". The cast of characters were: Archie-Hal Abberger; Edith-Jane Ross; Gloria-Marilyn Walker and Michael-George Hagberg. Stan Levandoski called a mixed-up square as part of the act. Our Santa Claus this year was Walt Baechle. Our directors, the Elichs and Hagbergs and their committees deserve our thanks for general arrangements and decorations for the Christmas party.

In addition to the many joyous occurrences which we enjoyed this past holiday season, we also have a few notes of sadness to relate. Our sincerest sympathy is extended to Waldo & Bea Westwater on the death of Aunt Lil (the lady who made the delicious apricot bread for the various fund-raising functions of the Teen Twirlers). Also, our deepest sympathy is extended to Margaret Tyo on the recent passing of her mother.

Althea Rosenburgh was the director of the Christmas Card program for the United Nations Children's Fund representing the town of Greece (UNICEF), and they went "over the top" in this very successful and worthwhile endeavor. She was assisted by Doris Hagberg and Luciejean Brendel. Congratulations, girls, for a "job well done".

Frank Heindl spent Christmas Eve in the hospital but is now recuperating at home. Si Hulse continues "on the mend" after undergoing open-heart surgery in November. That about does it for this month. Keep us posted on your various newsworthy items so we can get material together for future issues..

Happy dancing,

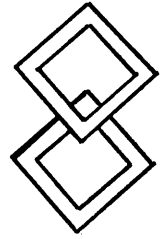

Don & Marg Tracy

We haven't yet figured out whether we are taking leave or whether everyone is taking leave of us! But, we are turning you over to a very capable couple- John and Ann Duggan. So.....

### Copy Cats

Happy 1974! ....with this first edition your reporters have dubbed this spot "THE COPY CATS CORNER", so all heads circle and "write"---and make some "lines" --- news, that is!

Everyone is still buzzin about the fine time they had at the annual Christmas Party, ---with ALBERTA WINTERS calling squares at the Green Lantern Inn. Chuck Prister is still scratching his head trying to figure out how someone danced off with his SIZE 8 rubbers and forgot a SIZE 11! Maybe it was the same one that left his sportcoat for the PheillshifTERS, Chuck....

Loads of luck and a "bale" of hay went to outgoing PRES. MARGE & RUSS TABER.....The luck was for their new assignment as presidents for the Iroquois Council of the N. Y. State Square & Round Dance Federation. The hay was for that extra mouth they now have to feed, that cute little foal..!

WANDA & MIKE CALLAHAN are considering offers to patent the door prize they won....!(Just how do you spell... S-I-P-H-O-N ????) It did increase your gas mileage 30% though, didn't it Wanda???

Congratulations to our new officers:  
 Pres.-----Bob & Rita Dobbin  
 Vice Pres.-----Jim & Helen Fordham  
 Treas.-----Dan & Andy McGrimmon  
 Sec'y-----Ken & Carolyn Wilkins

The Proudest new Grandparents in the club---The PAUL & FLORENCE FROSTS.....on the news of their first "Grand daughter".

We are anxiously awaiting the return of Frans & Liselotte Janson from Holland where they are proudly showing off their little square dance daughter, Esther. (Incidentally, she's the first and youngest Dutch girl who was literally "carried thru" Chuck Prister's Copy Cats Square Dance lessons!!)

They missed a fun filled fiesta at Xerox Bldg. 337, Sat. January 12th when our guest caller "CHIP KELLOGG" shook the towels from the showers with his "Amos Moses" rendition. Come back again "CHIP"...

Keep checking your dance schedules for that next Saturday nite dance!!

## EKC-O Squares

Have you danced with the fellow who stops and gazes upward when Ken calls Star Promenade? It seems he's searching for the comet Kohoutek.

Unlike Kohoutek, our new slate of officers promises bright, clear leadership in 1974.

- President: John and Jeanette Conway  
 Vice-President: Bob and Ruth O'Connor  
 Secretary/Treasurer: Sid and Mary Crosier  
 Club Representatives: Don and Wanda Brown  
 John and Bernice Moylan  
 Phil and Irene Warner

A special thanks to Mike and Ginny Schelkun and their Board for giving so much time and effort to keep our club functioning smoothly. Let us continue to give our enthusiastic support when our incoming officers ask for our help.

Former presidents were honored at EKC-O's 13th Anniversary Dance on January 9th. Chuck and Gerry Prister, Founders, and the only couple ever given Life Membership in EKC-O Squares, told us of the club's meager beginnings in 1961. Past-presidents in attendance were: John and Dot Himmelsbach (1972), Al and Jean Kendrick (1971), Ed and Nancy Austin (1970) and Gordon and Dorothy MacDonald (1966). Everyone enjoyed reminiscing and eating the beautifully-decorated Anniversary cake.

Two of our couples had another type of celebration recently. Peggy Wuest, daughter of Florence and Andy Wuest, was married to Vincent Falco on November 10th. Marge and Ed Blake's daughter, Jean, was wedded to Clifton McKnight the preceding evening, November 9th, in a candlelight ceremony.

We are all happy to have our round dance instructor Betty Wolcott back with us. We missed Betty's fun round dances.

Our guest callers in February include Mo Howard on the 6th and National Caller, Earl Johnston, on the 20th.

Harriet Klotzbach had two major highlights in her life occur in December. She and Don celebrated their 25th wedding anniversary and she received a sewing machine for Christmas. Harriet discovered how the contraption worked and made a pillow (a ruffled pillow). To commemorate these two significant occasions Don is taking her to Hawaii to rejoice (and maybe entice her into sewing for him)!

Shalom,

George and Sallie Emmons

We just finished one fantastic year and are moving into another. The calendar looks like it is going to be another great year for square dancing. We want to welcome Larry Spavan back and sincerely thank Chip Kellogg for calling in Larry's absence.

We have two dances lined up in our February schedule. The dates of these dances are February 9th and 23rd. Both of these dances will be held at the Wide Awake Grange on Route 31 going toward Phelps, as will all our dances now. Please don't forget our Fashion Show, March 9th for class as well as club level.

We wish you all a happy and healthy New Year.

There's no doubt about it. It was there! The clues were obvious - the greetings and "bussings" of the Falks (gleefully accepted by all who were lucky enough to receive them), the "Ho, Ho, Ho's" and prancing feet, the tables laden with scrumptious candies, cookies and fruit cakes, and Connie Harper's glorious Christmas cake, and, of course, Connie herself bedecked in her bright red holiday dress, the punch bowls which were forever running "dry" (wonder why?), the little Christmas tree adorned with the glittering hand-crafted

ornaments presented to our new class members, the lovely new turquoise outfits the Hoffman's wore which made them appear as a vision from the "Nutcracker" as they twirled by, Old Santa, himself, (now where did Dick Lovell disappear to so suddenly?), the faces glowing with anticipation as gifts were unwrapped (and the chuckles that followed -- by the way, who found out that Ev Horn lost his toy ducky and really needed that new pink soap ducky he got?) -- Ah, yes, we had it, we captured that elusive thing called the Ole Christmas Spirit (it even found its way into Bill Neil's pocket!). Dec. 15th was the eve it paid us a visit at our really "Merry" Christmas party at Roth School. Can we hold on to it throughout the year? Being square dancers, I just bet we can. Happy New Year!

An "oldie but goodie" to look forward to this month - our annual George Washington Dance on Saturday, Feb. 16, at 8:00 P. M. Don't miss it. See you under the Cherry tree!

P.S. And don't forget -- it's that time of year again - DUES are due!

Our Christmas party with our new class members was a fun night. Santa did a great job (many thanks, Ed.) We also enjoyed the refreshments and many gifts donated by club members.

As usual, Larry Dunn's singing calls made our dance on January 12 a great success.

Congratulations to Maurie & Del Tette on their new granddaughter.

January 26, being a guest night, we enjoyed dancing with members of the following clubs: Cloverleaf Squares, Web Spinners, Swinging 8's, Henrietta Friendship Squares, Skirts & Shirts, Country Twirlers, Boots 'N Slippers, Belles & Beaus, Ecco Squares, Genesee Dancers.

February 9 our club will have a Valentine Party. All area class members are welcome.

We will have a Mystery Ride on February 23. Please arrive promptly at 8:00 P. M.

**Lima Grand Sqs.**

Here we are in the New Year after finishing another busy holiday season; and busy it was!

December 7th, we were visited by four couples from the Soaring Twirlers of Horseheads. They were here for an evening of dancing and an early celebration of our caller Don Stumbo's birthday. They presented him with a very unique and useful gift ---a horse collar.

In November Gary and Anna Mae Lashomb took a trip to Hawaii. They visited four islands, attended a luau, and returned with beautiful tans. Oh jealous heart stop beating.

December 14th the class joined the club for our Christmas party and pot luck supper. With all the delicious food our diets are forgotten with the exception of one, who must have a willpower of iron. We all exchanged gifts and the club gave Don Stumbo a clock made of wood and shaped like the top of a keg for Christmas, and a book about the Civil War for his birthday. The hall was very festive with decorations done by the Kleehs, Lissows, Rosses, Denny Regan and Jim Turner.

New Years Eve is our big party of the year, and one we always look forward to. Wally and Jane Shandell surprised us by coming up from Long Island to spend the evening. We were all pleased to see Betty White back dancing, after a long convalescence after surgery on her back.

New Years Eve is when we install our new officers for the coming year. They are: Steve and Penny Marlowe, Presidents; John and Rhea Farley, Vice Presidents; and Leon and Pearl Davis, Secretary Treasurer. After seeing the schedule and hearing the plans they have, I'm sure we are in for some very good times! We all wish them the best. We would also like to thank our old officers for a job well done. They are Joe and Judy O'Gready, Presidents; Dick and Connie McDaniel, Vice Presidents and Doug and Kathy Winstead, Secretary-Treasurer.

After the dance we had a beautiful supper and the club was invited to Don Stumbo's for more partying and another meal. Oh my poor waist line.

Contrary to some rumors the Lima Grand Squares is not a closed club. We really enjoy company, so come dance with us.

Have a Happy New Year

## Merry Mixers

A very Happy and healthy New Year to all our square dance friends. Despite the energy crises and rising gas prices we hope we'll all have enough gas to continue our favorite recreation.

On Dec. 20th the Merry Mixers and class members gathered for a gala Christmas party at the Redman's Club.

Good square dancing to caller Ben McGilverly, gift exchange, mystery callers, door prizes, buffet dinner and carol sing all contributed to a delightful evening for all.

Club president, Bill Black, wishes to thank all who helped in any way. A very special thank you to Frank Chernis, Chairman, who planned it all and to the ladies who donated the attractive centerpieces.

On Jan. 4th, we were guests of the "Web Spinners" at Klem Road School. It was a most enjoyable evening dancing with them to caller, Bill Wilcox. Thank you Web Spinners!

The Turtles of Merry Mixers will be dancing with the "Copy Cats" at Xerox Recreation Bldg, #337, on Jan. 26. Before dancing we will have dinner together at the Buccaneer Restaurant.

## PROMENADING B'S WELCOME 1974

For everything's beginning  
Again today, so here  
We wave our wings and hands and say  
Good morning to the year!

Our Christmas Party Dinner-Dance was a great success. We had a really good roast beef dinner put on by the women of the Bergen Methodist Church. The dining room was decorated in a festive atmosphere. We then went to the school for our dancing, again the decorations gave everyone delight. A thanks to all who made it so nice. Earl and Lee Hildreth were our special guests. It was nice to see them out after Earl's heart attack last year. The class members also joined us and we hope they felt mighty welcomed.

Bill and Terry Huskey went to Reno - land of the one arm bandit. It did.

Bill and Ellie Howe celebrated their 25th wedding anniversary by going to Hawaii - aloha.

Bob and Vi Glenn went to Florida to try and get warm. all know the way to do that is to keep dancing, but continuously?

Our club is glad to have Alice and Angie DeFelice as new members.

The Batavia Twirlers are going to be our guests at our !!

## Rochester Rollaways

SSSSTTT! Did'ja hear the Rollaways are in the numbers racket?? SSSHHH!! S'Fact!!!! but before any "do-gooders" feel they have to report us to the Authorities-- we hasten to explain, Numbers are given to each couple and they are assigned to different squares each time-- according to the numbers! It's great!! This way the good dancers get to help the not so good - and the not so good love it! S'a great idea!! Orchids to the originator of the "Numbers Racket!"

HAPPY ANNIVERSARY TO US!!!! Rollaways celebrated their fifteenth! Had a real Gala affair at our December dance. We Toasted each other with punch (non alcoholic!). Betsy Stearns made a beautiful and delicious cake in the shape of the Rollaway Badge- we couldn't figure out how she made the shape- till we found out she used a roaster to make it! Darn clever, these Stearns!

WORKSHOP ENDS!! It was fun- and work while it lasted and we learned a lot! (we hope!) Ambrose worked like a beaver with us- he sure deserved a rest! The Club presented the Bakers with a beautiful cheese tray with knife attached- that wasn't attached when they got it. Ambrose hurriedly fastened the chain. "Not, he said, "because he expected anyone to "swipe" it- he just wanted to make sure! Hope all of you will enjoy using it!

THERE OUGHTA BE A LAW against anyone having feet as small as Barb Vreeland's! It "just ain't decent" for anyone !!

to wear a size four!! However, we "big-feeters" were glad to hear "little feeters" have problems, too! Barb had to spend about ten dollars for "stuffers" to make her new golf shoes fit! All we have to use are feet!! (Yep! we're envious!)

GREATER LOVE HATH NO SQUARE DANCER than he give up his - or her - shower and football game! Joyce and Don Burnham are neighbors of the Bakers; one workshop night there was one couple short to make a square. Dorothy issued an S.O.S. for help! Joyce, (who was about to take a leisurely shower, then watch a football game with Don) and Don came over! A million thanks from all the workshop members! (but we are afraid if it should happen again, they might move!!!)

HAPPY NEW YEAR TO ONE AND ALL!!! It is a month past-but good wishes are never too late!

The Holiday Season has come and gone,  
leaving us all so weak and wan!  
Now let's forget Santa's reindeer prancing-  
and "Rollaway" to business--which is dancing!

Mae and Harry Malley

## Singing Squares

We had a wonderful Christmas dinner dance. It was held at the Greece Grange where we have our weekly dances. The nice people at the Grange put on the dinner for us.. Our dinner consisted of turkey, dressing, mashed potatoes, squash (really delicious), salad and home made pie.

A sad note during the holiday came with the news that Jack and Mary Brocksapp's son was in an accident. He is still in the hospital, but improving.

A happy note to start the new year was the announcement by Helen and Bob Ellicott and Hoby and Ida Herron that they have become grandparents.

According to a news report, Dave Roach is a good square dance caller, though Trudy says he only becomes aggressive enough on New Year's Eve to be a caller.

As a club, after our Wednesday night dances we meet at Lum's on Ridge Road to wine and dine and goof off. We are faithful customers and have been waited on by an equally faithful waitress. She missed our weekly meeting only once. She claimed she couldn't get out from the city, but didn't say why. Next week she explained that too much partying is what kept her in the city, nursing a big head.

Al Howe celebrated his birthday at our January 2nd dance. He had trouble blowing out those candles though! Carol Murphy made the birthday cake and put a few trick candles on it.

Jackie Stein has lost weight and is looking real good. Joy Ellis has started another diet. Good Luck!

See you at our Valentines Day dance on February 13.

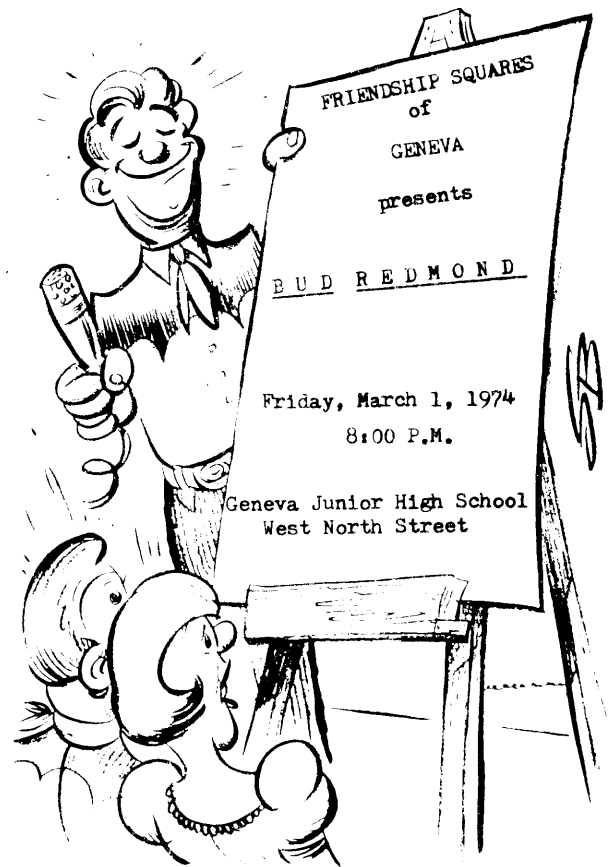

The Spy

## Swingin' Eights

Our traveling Squares or the "Carter Group" had a mystery ride to Syracuse on November 24. There were fourteen couples who had a merry time dancing and eating with Country Squares to callers Dick Schwitzer and guest, Leon Shattell...

December 14 was a great success with a fantastic candle-light buffet at Redmen's Club. The party committee, headed by Terry and Larry Yakobelli, also included Sally and John Soltysaik, Pat and Wes Marean, Bets and Knute Knudson. Pat Red Elk printed the programs...With the help of offspring Valerie Marean who designed the programs and Sarah Knudson who made candles and some of the felt flowers we put it all together for a marvy party. Mary

and Mike Prado had a friendly snowman who sang and hugged the girls. Class members had some useful gifts for caller, Bruce Shaw...Such as an attention getting whistle and a cake of Cope.

New officers for this jolly group are:  
President - Dot and Frank Petrow  
Vice President - Marge and Bob Berner  
Secretary - Maryann and Jack Joyce  
Treasurer - Shirley and Dick Long  
Class Membership - Barb and Milt Harvey  
Rose and George Bauerschmidt  
Sr. Federation Rep - Mary and John Fenton  
Jr. Federation Rep - Terry and Bill Barnes

Russ Jenkins is welcomed back going at a good pace... or is it the new ticker that's working like a top?

We'll be welcoming with open arms our guests, The Triggers on February 2, Wayne Westerners on February 16 and Web Spinners on March 2.

What's the big attraction in Toronto for Pat and Wes and Helen and Mike????

Wishing you all a prosperous and swingin' New Year.

Bets and Knute

## Swinging BB

Here we are in another year of round and square dancing. Hope everyone had a happy holiday..

On Dec. 15th we had our Christmas dance and pot luck supper. Our class dancers were invited to join us. They all expressed that they had a wonderful evening. Jan Smith made the table decorations. Nice work, Jan.

On New Years Eve our club members were invited to Bob and Dorothy Brunshidle's home. Everyone had a fun evening of dancing. Bob did the calling.

We would like to thank the Web Spinners for inviting us to attend your club. We all had fun.

January 4 Bob and Dorothy Brunshidle celebrated their 27th Wedding Anniversary.

Class members are invited to our Valentine Party on February 16.

Club members are always welcomed to come and dance with us.

## Triggers

Hope everyone had a nice holiday.

The New Years Eve Party was a success, as usual. Thanks to the Fitzgeralds and the Pasquales for a nice job on the Snack Table. And thanks to the kitchen crew and everybody who cleaned up after.

We would like to thank the Cloverleaf Squares for having us as guests on January 27.

The Winter Picnic was held on January 12th at Ellison Park from 10 A.M. to 10 P.M. Everybody brought a dish to pass. Thanks to Walt and Madge Golden and George and Mary Lou Mura for some pretty nifty games.

February 12 will be our Valentines Party. Bring a Box Lunch. Everybody welcome.

February 26 will be Mardi Gras night. The theme will be International Night. Ladies will wear long skirts.

February 2 we are invited to be guests of the Swinging Eights.

Don't forget Myron has started a new class and could use all the help he can get. Please come and help if you have a spare evening. If you know of anyone who would enjoy square dancing, bring them along. The class will be open to new members for three weeks.

## Twirl A Rounds

"One more time," as the saying goes. You should be getting some new reporters the next time around - but it's truly been a fun year, if hectic at deadline time.

Now that we're starting into a new year, thought we'd take a moment to reminisce about the happenings of the Twirl-A-Rounds the last months of 1973.

We miss some of our former members who haven't been with us for sometime, hope to see their smiling faces back on Wednesday nites very soon.

Happy to announce that 3 couples have joined our group. They are: John 'n' Betty O'Hara, Bill 'n' Mary Weeks, 'n' Tom 'n' Betty Wachab. Welcome to the fold!

The De Graves, Falls, Gentles 'n' Lows traveled to Niagara Falls, N. Y. for LeVerne 'n' Doris Reilly's, "Happy Holly Daze" in December.

The election of officers for the new year took place in Dec. We welcome as our President, Charles 'n' Sue Durling. Secretary-Treasurer, Wayne 'n' Gloria Saylor.

A big hand goes to our outgoing President, Dick 'n' Jane Laurer, Secretary-Treasurer, Chet 'n' Evelyn Seeger, for a job well done in '73! We must add that Bus 'n' Bonnie Gangi, have kindly offered to continue taking care of the refreshments on Wednesday nites, Yummy!

New dances we've learned lately are: "Learn To Laugh", "All I Need Is You", - a little ten-stepper, 'n' "Jenny's Waltz", a very special waltz.

Our Christmas party at the Three Acre Party House was such fun, as usual, 'n' with our guests, the Fiddle-A-Rounds, it was a perfect evening. Never saw so many bubbly glasses, pretty dresses, 'n' happy faces on all-- We all were sad to see the evening end ---

Understand that the New Years Eve party was so much fun, with some dancing, games, goodies 'n' a very compatible group that is still chatting about it!

Announcing that two couples are new grandparents, the Cody's, for the 1st time, a granddaughter, 'n' the O'Hara's for the 12th time, a granddaughter, too.

We end on this happy note. Happy dancing to all---

Yours twirly

## Wayne Westerners

Everyone is back in the New Year dancing after several exciting holiday parties. December 12, the Wayne Westerners were guests of the Singing Squares. We had a wonderful evening of dancing with Al Howe doing the calling.

Election of officers was held December 13. We wish to congratulate our new officers and present them to you.

President, Floyd & Shirley Kuhn  
Vice Pres. - George & Margaret Engels  
Secretary - Mike & Eleanor Hickey  
Treasurer - Dick & Betty Howell

Our Christmas party and pot luck supper was held December 20. The class joined us for the supper and

dance. We were happy to have two couples from the Triggers, one couple from the Kuntry Kuzzins, also, Don Winkie and wife, from Germany. Everyone enjoyed the good food and exchange of gifts.

There were ten couples from the Wayne Westerners that attended the New Years Eve dance with the Triggers. Am sure everyone enjoyed themselves with Myron Huss doing the Squares, and Peg cueing the rounds.

The Wayne Westerners are to be guests of the Web Spinners, February 1st. We are looking forward to dancing with Bill Wilcox. March 7 Don Stumbo will be guest of the Wayne Westerners.

Happy Dancing.

## Web Spinners

It's still early January as we write this, and, at this time, many of us are still recalling with pleasure the great feasting and party-ing of the Holidays. So now seems like a good time for after-dinner speeches and toasts as we look backward AND forward.

First, we hand a big bouquet of red roses to Arline and Joe Galen, our Presidents, for their stewardship. Not only have they kept us in there swingin', but they've wined and dined us, first at a lovely Open House at their home on Dec. 28th. Arline is well known for her gastronomical delights and that night she certainly did herself proud. Thank you, from all of us. And thank you also for the New Year's Eve Dance at Webster Fireman's Hall. (Here's a small bottle of Maalox for that small ulcer, Arline.)

Speaking of New Year's Eve, we have, for chairmen Bill and Elaine Klos, a seasons ticket to the Saturday nite Johnny Carson show, the latest edition of the Joe Miller Joke Book (in plain, brown wrapper) and a resounding, "Well Done!" Carnations to each and everyone on their committees and to all who worked in the kitchen. We don't dare mention names; so many were involved we don't want to miss anyone. However, here is a hand-shake for Romie Wilburt for securing the hall for us, and a kiss on each cheek to June for all the "x-tras". Finally, a solemn and sincere "Thank you" to caller Bill Wilcox and wife, Judy, for giving so much of themselves to insure our good time.

Now we open the champagne for Rocky and Laurie Maggio. It is with regret that we say "good-bye" to them as Round-Dance callers for Web-Spinners. But we also help Rocky toast the future and earnestly wish him the highest success in his business advancement. (Of course, we'll see them regularly as Web-Spinners.)

Here's a salute to our immediate future. A big WELCOME come on, let's hear it, gang, for Gordie and Sylvia Copeland, who are joining us as Round Dance callers and instructors. Also, a big "HI" to those Belles and Beaus, Country Twirlers, and Wayne Westerners, who will be our guests on February 8, and to Jim Wheeler and our county-wide friends who will join us when Jim calls on Feb. 15.

One final toast, now, to the future. Tho 1974 doesn't look bright from here, we Square Dancers are secure in the warm friendships, the good fun-times shared, the bad times made not-so-bad by being shared. For all of us, we pray for good health, peace of heart, joy and fulfillment within our families. "God Bless Us, Every One."

Paul and Joan Bucci

## Rochester Area Federation Dance-o-rama

Last year the Square Dancers complained because they were not asked to do something for Dance-O-Rama. This year we are asking, but so far not many have come forward to help. We need help in making decorations now. We will need help on Friday night, April 19, in putting them up.

If you can trace a copy or a stencil, or cut out paper letters, we can use you. If you are willing to help, call Les Bushart at 865-0238.

As to the banner. We would like each Club to make a replica of its banner, to be hung in the center of the gym or ice rink; this is for sound. The banner can be made out of 2 yards of 5/4" material, hemmed all around with a 2" or 3" hem at the top for a pole. Plain white material dyed your club color is all right, but if you want to use Felt, it's Okay.

Any Questions to the above call me, or any of the officers.

Yours,

Al and Barb Taylor  
Chairmen

REPORTERS ONLY --

Since we are aware that many of you are reporting for the first time, we would like to help you (and us) to make our little news offering as painless as possible.

- First off - News DEADLINE IS the 10th of each month, unless otherwise notified. Since both Editors are also employed elsewhere, this is a necessity, not a WHIM. Many thanks to those reporters who are EARLY.
- Second - Please submit schedules and columns on separate sheets of paper. It would be most helpful if the form at the bottom of this sheet is used. You may submit schedules for the entire year if you wish, only remembering that you must advise us if there is a change. Starting in March, will you please send us at least five weeks' schedules. Reason for this is that we are going to switch to Third Class Mail and may have to allow a little more time for MAIL DELIVERY.
- Third - Columns Some of our reporters have been listing their phone numbers on their column. We find this extremely helpful and would certainly appreciate it if you could do the same.  
  
If those of you who type would like to type your columns 4-1/2 inches wide, it is possible that this would save us additional work, particularly, if you have a nice new ribbon.

NOTICE

As members of the Publicity Committee for the 23rd National Square Dance Convention, we had hoped to visit each club and personally deliver the advance registration application forms. However, due to circumstances beyond our control, this has not been possible so have mailed to each club president several for distribution.

We do have an ample supply of these forms so if more are needed, please contact us.
