Volume XII No. 6 ROCHESTER, NEW YORK APRIL 1974

1974
GRADUATES

WELCOME

We're glad to have you aboard! We're sure you will be happy you took the big step into the world of Square Dancing.

YOU are the heart of this great activity. Happiness of each individual Square Dancer is most important. YOU together with "your home club" and "your caller", are the three most important ingredients of Square Dancing.

There were probably nights during your course of lessons you felt you couldn't do anything right, including, an allemande left. Everybody goofs --. If you do, SMILE and chances are, everyone else in the set will think it's his fault.

Above all, don't become discouraged. Keep in mind that everyone in your Square was also once a beginner and just as nervous and apprehensive as you probably are. How well we remember the excitement and anticipation we experienced upon graduation. (It was only the beginning of many, many years of pleasure and enjoyment, good times, and good dancing.)

Experience is still the best teacher. Continual practice makes you a better dancer-- not so much how many movements you already know but being able to do them smoothly and comfortably, taking each step to the beat of the music and avoiding roughness and abrupt turns or moves.

We never stop learning (which keeps us from becoming bored). Square Dancing calls upon automatic reactions and reflexes which we probably haven't used for some time. It's been compared to learning a foreign language or even, driving a car....repeating over and over until we react automatically without even thinking.

ALSO, don't overlook the added pleasures of Round Dancing. This type of pattern dancing to old, familiar tunes, as well as current "pops" is lots of fun and a source of accomplishment. Special attention to the beat and feel of the music help make for a smoother square dancer. Round and Square Dancing belong together--it's all part of the COMPLETE Square Dance Movement.

Happy Days lie ahead. Now that you have completed your lessons, and have earned your badges, there are many new experiences to explore. Trips to other Clubs, Festivals, Conventions, Weekends, and Tours are waiting for you. You will have the time of your lives with some of the greatest people in the world.....Square Dancers. Remember, Square Dancing is "Friendship Set to Music"----Friendship being its greatest reward.

ENJOY!!

ENJOY!!

ENJOY!!

EDITOR'S
NOTE:

Because of the Easter Holidays, Deadline Date for May issue of the Promenader is advanced to April 5. We ask your cooperation so that we may enjoy our holiday, also.

We want to thank Eileen and Bill Stackman, who, on very short notice, turned out our front page for us. We think it is very thought-provoking and timely for all of us. We really appreciate this type of cooperation.

Do you have a small business? Do you spend money on advertising? We would like to report that the PROMENADER now has a circulation of 815, and that we know many square dancers who use the very same services used by people who are non-square dancers.

In other words, we invite you to use our little paper to spread the word about YOUR business.

We are interested in starting a SWAP PAGE. All who would care to insert a small classified ad, please call 436-8684. We are suggesting a price of \$2.00 for 20 words

The 12th Annual Reunion of Overseas Dancers will be held August 7 thru 10, 1974, on the Oberlin College Campus in Oberlin, Ohio.

For further information contact John "Will" and Lil Bryant, 1915 West Erie Ave., Lorain, Ohio, 44052.

DEADLINE FOR MAY ISSUE OF PROMENADER April 5

PRESIDENTS' CORNER

CORNER

The Federation, at its 13 February 1974 meeting, took the momentous step of placing itself, at long last, in a position to represent and serve all square and round dancers in the Rochester regional area. Through the vehicle of three separate Bylaw amendments, members of any organization reasonably associated with square or round dancing are now eligible to delegate members to the Federation. It now matters not whether the organization is caller operated or, even if the type of square dancing it does is western style. This is important because the concerns and needs of all square and round dancers are basically the same, regardless of the type of club to which they belong.

Pursuant to these liberalized provisions for affiliation, the Rochester Callers Cooperative and the Village Squares, a caller operated club from East Rochester, have now affiliated with the Federation as a result of Federation action at the 12 March meeting. I might add that the Spring Valley Dancers, a member operated club from Livonia who would have been eligible under the former provisions, affiliated at the same meeting. This swells our ranks to 30 clubs! On behalf of the Federation, we welcome you!

Two other notable actions taken at the February meeting were the establishment of Demonstration and Publicity Committees, both proposed by Fayne Doering of the Triggers. We have great expectations for these new vehicles for popularizing square and round dancing in this area.

Jim and Betty McCollum

How many calls were used in last months article "Fight of the Century"? The answer is 30 (ah don't believe it).

Now that we have that startling piece of news out of the way, what's new? New, ah, Oh! Streaking is new!

Streaking, if you don't know by now you must have your head in the sand, is being done by the college students. They Streak nude thru some public building or place, mostly male students.

You may say how do you know? I know it's been difficult in the past to tell the boys from the girls because of the long hair but when they "streak" it's rather easy to tell them apart, the girls wear earrings.

I feel I must warn you that some of these "Streakers" may run thru your set one night or maybe at the Dance-o-rama.

There are three things you can do if this happens. First, you can close your eyes and have the rest of the set describe what they saw. You can depend on this because you will probably be the only one with your eyes closed.

Secondly, keep your eyes open and watch the interesting

expressions on the other dancers' faces also the interesting expressions on the "streakers" as they are going away.

Thirdly, you can join them! If you do this, do not, I repeat do not "streak" in your own set. You will just go around in circles and won't be widely appreciated. Not only that but you will find that your husband or wife, whichever, will try to catch you and stop you. They will probably want to cover up the whole thing. Sooooo the best thing to do is to "streak" thru the other sets in a straight line, continue out the door and catch the Amtrak for Chicago. This way you won't be involved in no cover up.

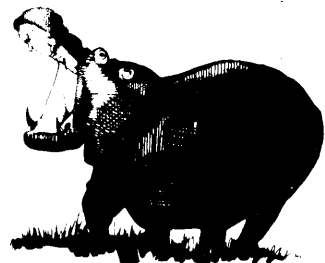

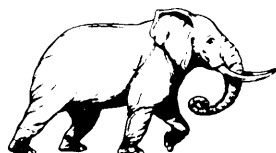

Hope I haven't shook you up too much with my advice as I hate to dance in a nervous set. You never know what might happen with everybody up tight, the caller could call "Peel off" and wow!

Naw, it will never happen but I'll tell you something that may happen. I may join them and streak thru the sets. If I do, you will be able to recognize me I'll be the one with Jockey shorts on.

Chickenly yours,
Hal Abberger

LET'S GO TO THE CIRCUS.

This year we've planned a circus theme to help you enjoy one of the most exciting and fun dances of the year. How long has it been since you have heard a calliope, danced with a clown, watched an elephant perform, had pink lemonade, popcorn, peanuts, and cotton candy? Come and dance in the center ring and be part of the show, along with our other stellar attractions. And, remember, it's for a cause -- MUSCULAR DYSTROPHY. Remember, and have fun with us on April 27th at the Churchville-Chili High School, on Buffalo Road, at the 7th Annual Muscular Dystrophy Benefit Dance.

Our Mystery Ride to the Village Squares was doubly beneficial - we had a grand evening and also retrieved our banner. Ronnie Fotch and his Promenading B's were our welcome guests Feb. 2nd, Ron calling one very enjoyable tip for us.

We are looking forward to our guest caller, Jim Dutton, and our class caller, Ron Fotch on March 16th. It's Graduation night, you know, and the more that come the happier the class will be. Howie and Dot De Grave will be calling rounds.

We wish Dick Fluker a speedy recovery from his operation and we sure do miss Ginny Walker who is ill at home. We are sorry to hear that Clarence Goodman is ill in Florida. Get Well Soon!!

Just another reminder that our April 27th dance has been changed to May 4.

Happy Dancing

Norm & Lorraine Tufts

Belles 'n Beaus

The trend toward winter vacations to escape the area's cold weather that has been with us the past couple of months, continues. First of all, our apologies are extended to those whose vacation trips were omitted from the last issue. Those reported to date are: Russell and Ethel Heffer - trip to New Orleans for the Mardi Gras; John and Ruth Gosling - back dancing following a vacation to Florida; Bob & Ruth Muir - back dancing after their annual vacation to Florida. Before this article goes to press, Bob and Alice White will be enjoying the sunny climate of Florida.

March 23rd was the date Ed & Fran Tongue and Jim & Dorolyn Hill departed for Hawaii. Ed & Fran celebrated their 35th wedding anniversary on March 12 and this certainly will be a most memorable year marked by their Hawaiian vacation. The month of March also marked the 35th anniversary for Bob & Ora Werner. Congratulations, folks! March also signified an important event in the lives of George & Doris Hagberg. They moved into their new home. Good luck, George & Doris, on your life in new surroundings.

On March 16, we enjoyed our annual trip to Grand Island for the Harris Squares St. Valentine's party. This year, because of the gasoline situation, we added a new dimension to this pilgrimage. Thanks to the efforts of Hal Abberger, we chartered a Trailways bus. Others went in car pools, but the 41 who were fortunate enough to get a seat on the bus can remember a relaxed, carefree trip.

The month of April will note the following vacations -- Ray & Jane Ross, Don & Trudy Smith and Ken & Kay Frederick will go to Las Vegas on the 28th. Bob & Ora Werner will travel to New Orleans. Art & Vera Harris are going to St. Petersburg, Florida the week after Easter.

Remember, Stu Robertson is calling for us on April 1st. We enjoyed dancing to this fine Canadian caller last year and again, his charming wife, Wynne, will cue the rounds.

This wraps it up for another month. Keep the news flowing so we will have material for our next article.

Happy dancing,

Don & Marg Tracy

Boots 'n Slippers

Graduation, the like of which had never been seen before, was exciting to say the least. With their mortar boards placed squarely on their heads, the class received their most worthy diplomas. Perseverance had won.

The Club takes pleasure in welcoming the new members and we hope they will have many hours of dancing fun.

Thanks to Tom and Maureen Meyer for such a great St. Patrick's Dance.

April 5 will be our only dance for the month due to Easter vacation. Therefore, we hope our club members will attend the Dance-O-Rama and the Muscular Dystrophy Dance.

John & Anne Duggan

Cloverleaf Squares

The new Social committee of the Cloverleaf Squares has planned an exciting round of activities that will swing the club into spring and on into summer. On March 23, members were invited to gather at Panorama Lanes for midnight bowling and a tasty smorgasbord. The event, which ran from 11:00 P.M. to 2:30 A.M., was planned by Dick Peck. Those who savor the quest of the unknown will gather on April 5 to travel to an undisclosed destination and dance with a "surprise" club. Bonnie Leonard, who is taking care of details for the Mystery Ride, regrets that even the meeting place must be a secret at this printing--though it will be announced at the club well before April 5.

Cloverleaf Squares would like to thank all those who made the Graduation Party such a success by bringing their "lucky pot" to the supper. Thanks also to all of the dancers - new and old - who attended the Early Bird Special.

Carole Smith

CALLERS' COOP

The Callers' Cooperative of Rochester would like to try out a new plan to add to the enjoyment of Rochester-area dancers. Each month a different call will be selected--it might be a brand new call, a forgotten old call that deserves another look, or even some familiar and unfamiliar uses of a well-known basic. Many of the members of the Co-Op Will feature this call in their programs, and a short description of the call will be printed in the Promenader, for the dancers who like to read a description of the calls they have been dancing.

This issue describes two calls. One is a new one that is already being used a lot. The other is one that many of you have met previously, and will be featured during the coming month. Please let us know if you enjoy this idea enough to make it worth-while continuing.

MOTIVATE can be done only when the set is formed into parallel Ocean Waves. For the first step, do All Eight Circulate. For the second step, the centers turn by the left 3/4 and the ends move forward--two of them hook onto the ends of the wave down the middle of the set (making a wave of 6) while the other two angle in to make a right-handed star-of-four in the center. Next, everybody turns by the right hand just one-half. Finally, those who can, turn by the left 3/4 and the others move forward to become the ends of the new waves. You end up in parallel Ocean Waves again, and four of you will be in the same position you started from, but the other four will not.

CURLICUE is done by a man and a lady who are facing each other. They take right hands, just like a Box the Gnat. Then, just like a Box the Gnat, the man pulls the lady under his right arm, BUT he makes only a quarter turn (90°) to the right. The lady does a quick 3/4 twirl to the left, to end up facing in the opposite direction to the man. They should then be shoulder-to-shoulder, holding right hands in a pigeon-wing grip. The man must not hold the lady's hand tightly, but allow her hand to twist in his. Also, because he makes only a right face while the lady is twirling, he is responsible for seeing that they both end up facing in the proper direction.

All area dancers, potential callers, etc., are invited to attend the Co-Op Meeting, April 7, at the Monroe YMCA, from 2 - 5 P.M.

For any further information about this meeting, please call Mike Callahan at 392-3807.

Copy Cats

Uuuuuuuurppp....Uuuuuuuurppp....Scuse me.. but we had our dessert social, (with the men baking!!) on March 9, at Xerox Bldg. 337.... Mmmmm Good....MmmmmGood! MIKE CALLAHAN still has crumbs in his microphone.!

Along with Dance-O-Rama (Apr. 19-20), and the M. D. Dance (Apr. 27), don't forget the Fling Fantastic Weekend at Olean, N. Y. (Sept. 20-22) with MIKE CALLAHAN and BRUCE SHAW calling.

Oh yes, I forgot to tell you...Dance-O-Rama ticket receipts this year should be turned in to our club representative, DOT & AL PHEIL-SHIFTER, phone 342-4935.

Much hand shaking and hugging went to DICK & MARGE PAVONE and FRED & CAROLYN HOLLENBAEK back dancing with the COPYCATS.

We were pleased to have our Kuntry-Kuzzins friends as guests, Mar. 23rd. It would sure be fun to have all the "Kissin Kuzzins" get together some time for a dance wouldn't it??

What popular COPYCAT officer(s) have just been called "GOD-PARENTS of 1974"? CONRATS, BITA & BOB ROBBIN...!

Boo Boo of the month..... what Copy Cats go to sleep sporting a Rochester Area Federation Banner on their bedroom wall?...It seems this couple had only one wall large enough to hold the 4 foot x 6 foot paper pattern for the Federation banner they were working on. Yen, you guessed it.....the ink came through it as clear as a Xerox copy.....and on a bright red wall!!!!!!

Speaking of streaking.....that was no streaker the other night at Xerox Bldg. 337 - - just a jogger rushing from the shower for a new towel!!!!

Under "Goings and Comings"....All of us sure will miss FRANK & LISELOTTE JANSON our CopyCats who must return to their native Holland soon. Welcome home Copy Kittens VAL & JOHN OBEE back from their homeland England..!

Don't forget to dance up some more happiness with our guest caller CHECK PRISTER on Sat. April 6.....See you there...

DEADLINE FOR MAY ISSUE OF PROMENADER

Country Twirlers

Any time of year is great for square dancing but Spring time, with the return of nice weather and the special dances is one of the greatest.

Before Donna Topp flew to Florida for a visit with her parents, she, Sallie Emmons, Mary Sorensen, and Edith Thomas started work on a banner for the Dance-O-Rama. We hope all the class and club members plan to attend the Dance-O-Rama. We'll be dancing to some of the best callers in the country. Remember, you save a dollar if you register by mail.

Our new format with Jim McQuade calling a workshop at the start and a hash tip during the evening has been well received. Many of us needed a review of two basic calls--Round Off and Pair Off when called in sequence.

Since this is the month of graduations, some recently compiled data may be of interest. Of 130 clubs polled, 128 teach the 50 basics and 105 teach the 50 basics plus 25 extended basics. The average class time is 31 weeks with the longest 53 weeks.

Hope to see everyone at the Dance-O-Rama and the Muscular Dystrophy Dance.

Bob & Ruth O'Connor

EKC-O Squares

Our buds have bloomed! On April 10th, 24 new EKC-O couples will burst forth upon the square dance scene. Sue and Bob Ellis have cultivated a delightful springtime bouquet of skilled, enthusiastic dancers. All club members can celebrate our class' graduation by attending the Dinner-Dance to be held in the Elmgrove cafeteria. Tickets are three dollars per person and can be obtained any Wednesday evening.

In the spring of 1961, another important evening in EKC-O's history was being written. On March 13th, an open meeting was called to choose a name for the newly-organized group of square dancers. Pat and Sue Sorrelli suggested the name that was accepted. The group would now be known as EKC-O Squares (Eastman Kodak Company)!

Mabel Wordingham is slowly recovering after having won's bout with pneumonia. She and Bob have been missed Wednesday evenings.

We have recently seen Ralph and Teresa LaBerie (Secretary/Treasurer 1970) square dancing. It's marvelous to see them again. Welcome back!

We heard Gloria O'Neil was really "carried away" at Betty and Bert Wolcott's Valentine's Party. Gloria was the other half of Art Shencup's valentine and Art was reluctant to give her up. The evening was a huge success, with the women providing "the way to a man's heart....." and the men surprising their wives with a "heartfelt" sentiment.

Our guest caller in April is Dan Shattel. He will call for us on April 3rd.

On April 17th, Ken Anderson will again begin his popular workshops. These workshops are designed to help new class graduates feel at ease in club level dancing; and restore confidence to former dancers who want to get back-in-the-swing of things. Workshops will be held each evening Ken calls April through August, from 7:45 to 8:30 p.m. Betty Wolcott will have rounds these evenings from 7:30 to 7:45 p.m.

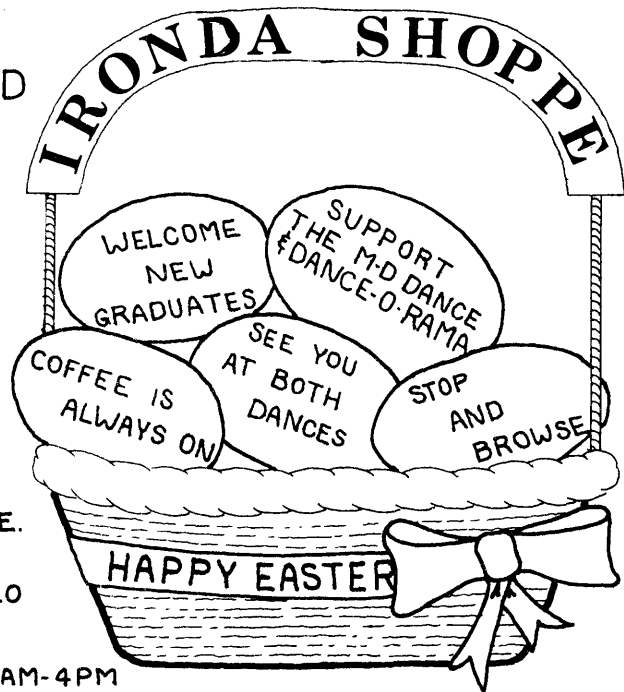

Shalom,

George and Sallie Emmons

Well, at least it didn't snow for our George Washington dance this year....and, of course, we weren't stuck with 200 cherry tarts. We all enjoyed ourselves and hope that all the class members and guests that attended had as great a time as we Henrietta folks.

Don't give up hope folks, spring is almost here. March may have come in like a lamb but it went out like a lion with a storm of good dancing under the direction of Larry Dunn at our March 30th dance. Hope all of you enjoyed yourselves, we certainly did.

Welcome to the Federation, Which Way Whirlers. We Henrietta folks had a ball at your dance on February 20 even if we didn't quite get "motivation". Thanks for inviting us.

Shhhhhhhh...to our club members that haven't already... club dues were due.

April 6th is our next dance and we hope that we'll see all of you there.

To all our fellow square dancers.... Happy Easter.

Sincerely,
 Derek and Nancy Hulse

Irondequoit Sqs.

Beth & Ernie Haus took a trip to Florida for two weeks. They said they had no problem getting gas, even though we are having an energy crisis. Ernie, what happened at the Diamond Horseshoe? ;

John & Kay Welch are going to Rome, Italy this month. Have fun!

Our Valentine Dance was open to all new class members. The refreshment committee did a great job serving such a big crowd. Many thanks.

March 9th dance Bill Wilcox taught us a new call, it's called "Streaking". Great to be up with the times. Thanks, Bill.

Our Syracuse Trip promises to be a great success as 24 couples have signed up. We will meet at Brighton Reform Church at 5:30. The club has rented a bus, and we are looking forward to this trip. We are guests of the "Pairs & Squares Club".

Thank you.

PHANTOM CIRCULATE?? NOPE!!! PHANTOM CLOVERLEAF?? NOPE!! PHANTOM OF THE OPERA ??? NOPE !!! PHANTOM CALLER?? RIGHT!!! Lee Kopman was the "Phantom caller" at the party hosted for him by Ambrose and Dorothy Baker and George and Heidi Betlem. We may not be able to fool "Mother Nature", but she sure fooled Lee!! A mighty storm kept him stranded in New York. Fortunately for us, Ross Howell from Syracuse had planned on dancing to Lee. When he heard of our predicament, he graciously consented to call- and he was great !!!(never heard of Ross Howell? You will, Friend ! you will !!) The dancing was great, and as long as all that food had been prepared, we all ended up at the Bakers' - and well, all we can say is that those tables looked as tho' a horde of locusts had descended !!!(not even a crumb left! Lee will have to take our word for it that it was a "super" party!) Ross and his charming wife joined us for the festivities.

DEUCE ON THE THRUWAY was cussing a blue streak when his motor conked out! His frantic call to our President was followed by frantic calls by Lou and Lil to locate a caller for that nite. (this was 5:30 P.M.) Again, Ross was the "shining knight in armor!" he cancelled his plans to help us. This has been a bad month for our callers-- but we do thank you, Ross!!!

HAPPINESS IS A FULL TANK OF GAS ! and according to Elliot and Gladys Moulton, who are vacationing in Florida- there isn't too much of that happiness around ! However- and we quote-"the weather is great, the apartment is great, the pool and ocean is great and we are together, that is happiness!!"

IT'S THAT TIME AGAIN !!! Election Time is drawing near. (No, not for the President of the United States - for President and Officers of our Club) An excellent and capable nominating committee is holding secret and not so secret meetings ! We found out- from the not-so-secret ones, that it is composed of Hamilton and Betsy Stearns, chairman and chairwoman (had to get our Women's Lib plug in, Betsy) Bob and Ruth O'Connor, and Don and Doris Maxim. Now you can't hardly get a more better committee than that!

OUR THANKS to Marv and Lena Godfrey for consenting to fill in the balance of the year as Board Members. They will replace Don and Joyce Burnham who had to give up the post. Our thanks to the Burnhams, too, for a job well done.

Recognize that little fellow hippety-hoppetying along? He's the well known "Easter Bunny" singing his "Easter song." Have a happy, happy day- is what he's singing to you, and all those that have "Pesach" Have a happy one, too !

Mae and Harry Malley

Kuntry Kuzzins

Warm weather and spring are approaching rapidly. March came in like a lamb, hope it doesn't go out like a lion. That's just an old wives' tale, we don't believe in them--do we? Well, maybe the lion will be square dancing like the rest of us.

Our last dance of March is the 23rd, due to the graduation of our class, who are doing excellently and should be a tremendous addition to our club. Our only April dance will be the 27th. May should be a swinging month with our Dick Leger dance, Thursday, the 16th, at the Newark Community Center on East Ave. Hope you can join us for this fun-fest.

Hope to be dancing with you soon.

PROMENADING B'S

In like a lion, out like a lion! That's how our club is treating March 1974. We blew the month in with a bang-up dance on Friday, March 1st, and expect the same response to our newly added Saturday night date on March 30th. Please note that these "last Saturday of the month" dates will be danced at a different location, the Bergen Grange Hall on Rochester Street in the village.

We've found room in the hive for some new "hunies". Gerald and Lenoyr Scharping and George and Margie Burch have been added to our membership rolls. Must be the Queen Bee has been at work--Hummm!

Have you seen our new Blackout Buttons? Why not join us on March 30th for the Energy Blackout and find out what it's all about.

Glad to hear good reports from the injured Bees --Looking forward to having Dorothy Fries and June Freeman back dancing with us soon.

Our own Ron Fotch is Co-M.C. of the Cancer dance, Mar 23, and has been pushing hard to put the event "over the top". He sometimes gets so carried away with it that he loses control! You may have caught his act on T.V. recently.. 11:00 o'clock news!

Our graduation is scheduled for April 5 and we understand that this group is really ready. There's no truth to the rumor that club members have been practicing secretly in anticipation of their arrival!

April is also election of officers month. Begin your campaigns now and avoid the last minute scramble for votes!

The crowd is getting larger every week to dance to that great caller, Al Howe.

We had a great St. Patrick's Dance. Lots of green around that night! Some of us went dancing March 5th to the Triggers and their caller, Myron Huss. We had been invited by them and had a real good time. Three couples went dressed alike in their blue and white. They told people who were impressed with this, that Al makes us wear uniforms in his club.

Some people in Al's club are starting to forget their petti-pants now that the weather is getting a little warmer.

Jackie Stein is still losing weight and Joy Ellis is back to drinking beer.

Bill Murphy is still helping everyone paint everything and anything.

A picnic for the trail end dance seems to have won the favor of most. Be planning and saving the date for this fun time.

Linda and Gene Krist finally came through with that Open House Party. It was worth waiting for! What a great house! And what great hospitality from two great people! Linda has a beautiful orange kitchen that goes great with that orange door!

March 5th we were guests of the Triggers. We had an enjoyable evening of dancing and refreshments. Thank you for inviting us.

Our St. Patrick's Day dance is March 16 at the Ada Cosgrove school. Our class will join us for the event.

We are looking forward to our class graduation on March 30th at Ada Cosgrove School. We have an enthusiastic 10

group this year who are sure to enjoy the M D Dance and Dance-O-Rama.

Don't forget the Cancer Benefit dance March 23 with the Batavia Twirlers. We are having a national caller, Frankie Lane on May 10. Everyone is welcome to come and join in on the fun. CONGRATULATIONS to Bill and Peg Trometer who are new grandparents.

We are happy to have Harold and Lois back dancing with us again.

How about a big club attendance at the M D dance on Saturday, April 27.

Happy Easter to you all.

Swingin' Eights

DON'T FORGET, all you clubs out there, SWINGIN' EIGHTS FOURTH ANNUAL BEGINNER'S BALL. At Hosea Rogers School, 219 Northfield Road, Irondequoit, on APRIL 5..... Remind your classes to come and have a real good time. Of course, any club level dancers are also welcome.

Our class is having their graduation on April 19. This is also the beginning of that big week-end at R.I.T. for the DANCE-O-RAMA. Have y'all signed up??!! Better hurry.

On February 16 we entertained our friends from the apple country, Wayne Westerners. We really appreciate people coming so far and using their precious gas.

Hope you're feeling much better by now, Marge Berner. We really miss you in our squares.

A great big congratulation to Mary & Mike Prado for 44 years of happy marriage. Also, one for the Cranes, Theresa & Curly, for 29 years.

On March 2nd our guests, Web Spinners, had a good time swingin' with us along with members from seven other clubs.

We're having a guest caller, April 6th. Everybody is welcome to come and dance to JOE REILLY.

There has been a suggestion that we have Rounds workshop 8:00 to 8:30 and Squares workshop 8:30 to 9:00. Any comments would be welcome.

Corrections: Date of Trail's End Dance is JUNE 1st.

Sorry, no room for all those birthdays this time.

Don't forget the demonstration dance at St. Ann's on April 6th. Let's have a good turn-out. These people really enjoy an evening of square dancing and fun.

Our club had a surprise housewarming for Stefen and Francisca Tschokasch. Did you ever have 40 people walk in on you and not know they were coming. Were they surprised. Ask Francisca, her knees were knocking. We had a fun evening of dancing, eating and just fooling around. All I can say is "Thank you" to Stefen and Francisca for putting up with us all evening.

We were guests of the Genesee Dancers and the Wayne Westerners on March 14. The Irondequoit Squares on March 9th.

Sorry to hear that Lynn Britt and Madge Golden both broke their wrists. Hope by the time this issue comes out, you gals will have those casts off.

Don't forget the Dance-O-Rama and the Muscular Dystrophy Dances in April. Let's have a good turn-out from the Triggers.

Congratulations are in order for Bus and Bonnie's son. He was awarded the "Eagle Award", the highest award in Boy Scouts. That was a lot of hard work on his part and we know how proud Bus and Bonnie are.

It's about time that we heard about "Mens' Fashions". It's always "Ladies Hot Pants", but we have recently seen the up and coming hot pants for men. Our Dick has some pretty flashy ones that he flashed all around one night. "Big Show Off."

Valentine's Day has come and gone. Howie played a lot of nice mixers to get the class people acquainted with the rest of the club. Many thanks, Howie. Everyone was looking for a lucky napkin ring. Guess who had it? Chuck Seeger and he won his wife, Evelyn, a box of candy. All the men tried dancing blindfolded, with a new partner. It was fun at the end of the dance to guess who they were dancing with. We also boxed around the floor with boxes on our feet.

Many thanks to Wayne and Gloria for all their work in preparing the decorations; they spent a lot of time making them and really did a good job. They also helped plan the food. We also owe Chuck and Vicky a thank you for coming early and helping put up the decorations.

VILLAGE SQUARES

'Hello' from a club newly joining the Federation. We dance Monday nights from 8:00 till 10:30 at the Presbyterian Church in East Rochester, in a well-lighted hall with good ventilation and a springy floor--a pleasant place to do our thing. Even more pleasing to us is our caller, Dick Casper, whose enthusiasm and know-how are hard to beat. We've been dancing together about two years now and place emphasis on three things: workshopping the new calls, position-dancing the basics, and doing it all with high good spirit and friendliness.

We operate as a caller's club and have recently changed our name from ROUGH EDGES to VILLAGE SQUARES. Our current officers are:

President--Frank and Norma Salvagio
Vice-pres--Carl and Ruth Fissell
Secretary--Cliff Fulton and Dorothy Magin
Treasurer--Chuck and Rita Meyers

We'd like to have you meet--

--our Federation delegates, Carl and Ida Bundschuh, a couple who typify our spirit of friendliness. Step up and say Hi! to them and see what we mean, and if you're lucky enough to get in a set with them, watch out for that Carl, he's one of the best swingers around!

On Thursday, March 14th, we're guests of GENESEE DANCERS, and the WEB SPINNERS will be our guests on March 25th. We hope others who might like to dance with us will come out any Monday evening--we'll be delighted to see you.

Here's for fun and fellowship on the square-dance floor!

Fiddle A Rounds

The energy crisis hasn't affected us young and restless. So far this year Agnes and Jack Low spent three weeks in Europe. Marge and Irv Brown visited the Costich's in Florida. Bernadine and Len DeCesare spent ten days in Florida in February. Marge and Joe Zielinski are traveling to Florida in March to visit their son at college. There is still a ? about yours truly and our trip to Florida at Easter. We can't seem to find the gas situation in Webster too rosy as of now. We would hate to get stuck by the ocean for a few weeks! (What a joke!)

It is good to see Margaret Andrews back dancing after wearing crutches for a few weeks.

Howie has given a teach on "Kiss Waltz", a nice flowing dance. Our latest dances are "Fascination", "Rosetta", and "3 AM", which is one of Howie's favorites! We have had 3 AM and 4AM. Maybe someone will write a 2 AM or a 5 AM!!!

The Twirl A Rounds have invited us to dance with them on March 20th. We always enjoy the get together. Our club has something in common with them. (We have the same caller.)

Howie and Dotty have been to the Round A Cade in Pennsylvania. We will be looking forward to some new dances. By now, I hope everyone is looking forward to our two big dances of the year. (M.D. and Dance O Rama) Good exercise for the weekend!!!

HAPPY EASTER TO ALL

Joe Reilly's Sing-A-Longs are dancing on the first and third Sundays of the month at the Greece YMCA, Long Pond Road, from 7:30 to 10:30 p.m.

Wayne Westerners

With the March winds blowing over the hills and valleys, the Wayne Westerners have been kicking up their own storm, by whirling around the dance floor with several area dance clubs. A Thank you goes out to all the clubs that gave us a good time.

A ball was had by all March 7, with our former caller, Don Stumbo. So glad to have him and his wife back for an evening of fun and excitement. Our thanks go out to him and his wife, and all the other clubs who joined us for the evening.

With Spring around the corner, and the thought of Apple Blossoms, don't forget our annual Apple Blossom Dance with Bud Redmond and Betty Wolcott calling. Our place of dance this year will be at the Williamson High School, May 17 - 8 to 11. Come join us for an evening of fun.

We wish our fellow dancers a joyous Easter Season.
Art & Laura Tierson

Lima Grand Sqs.

February 1st started a terrific month as Don Stumbo was back calling for us. His back is still sore but his voice is as great as ever. The 1st was also a Fun Night with all of us sharing in a few crazy antics. We all earned a glow worm badge dancing in the dark with flashlights in the mens' back pockets. It was quite pretty, like dozens of little spotlights flashing on the ceiling. We had a fun dance where we got our partners by matching square dance calls on pieces of paper that were given to us as we arrived. We had two wrong way thars that wouldn't dance together which I can't understand why. I thought a man would jump at the chance to dance with a bearded lady.

February 11th Don Stumbo was the Mystery caller for the Soaring Twirlers of Horseheads. It was their Sadie Hawkins Dance and we all had a great time as we always have with their club.

The class joined us for our Valentines Dance and pot luck supper on February 15th. They will be dancing with us from now on and they do real well. Our Valentine Sweetheart was yours truly, and I received a beautiful Valentine box of chocolates. Very delicious. We also had a Special Sweetheart this year; Liz Stumbo, who most of us agree deserves the title very much! She received a Valentine box of chocolates and a beautiful floral piece.

February 22nd three couples from the Wayne Westerners danced with us. We enjoyed having them and hope they will come back to visit soon.

This month we were guests of the Triggers, Belles 'N Beaus, and Genesee Dancers. The couples that went all said they had a real good time and thank you all for inviting us.

See you on the dance floor.
John and Pegge Sherman

Merry Mixers

The Merry Mixers were pleased that there was such a large turnout of class and club members to our recent Valentine's party in February. A good time was had by all.

A special thank you goes out to all of you who helped in anyway in making it such an enjoyable evening of dining and dancing with our own Ben McGilverly doing the calling.

We are also looking forward to our St. Patrick buffet dinner and dance to be held on Friday, March 15, at 8: P.M. at the Redman's Club on Lexington Avenue for class and club members.

On February 23rd the turtles had a dinner at the Apple Grove Inn at Medina, and afterward were guests of the "Orleans' Orbits", with Joe Reilly calling. A very enjoyable evening was had by all who attended this outing to Lyndonville.

On March 23rd as many as possible will be attending the Cancer Benefit Dance sponsored by the Batavia Twirlers in Batavia. It's great to have fun for such a worthy cause.

Nell Petrelli wishes to thank her many friends for their cards and good wishes while in the hospital. She says, "See you round the square in eight weeks". We're all happy Neil's operation is over and that she's doing so well.

February 21st Mike Callahan was our guest caller and on March 7th Jerry Carman did the honors. It was great fun having them both there to put us through our paces.

Web Spinners

Sitting here on a balmy March afternoon, waiting for inspiration, we see two more flights of geese. Well, it's good to know someone has the gasoline "shortage" (tongue-in-cheek) beaten. We haven't gotten around to taking a poll as yet, but we know at least a few Web-Spinners have had their flight wings clipped a bit. Bob and Gail Hayes and family had to cancel a Florida vacation and trip to Disney World due to the gas situation. Marion and Phil Schlick just returned from a jaunt down there, but they took lessons from our feathered friends and flew. Hear tell they had a little trouble keeping their rented car well-fed, tho.

WEB SPINNERS continued

The gas shortage isn't going to stop Bill and Elaine Klos, either. 'Round Easter time, they're off to Germany for a tour. We haven't been told what's on the tour schedule, but we have a pretty good idea of the places that top Bill's list of "must sees". What with Germany so famous for its brews - - - .

A couple more folks you may see flying around town
! We have it, from a V E R Y reliable source (JH), that Mary Haas and Vern Collier have been called for jury duty at the same time! (Wonder if Mary Jane likes to fish?)

Say, Web-Spinners, we're not going to let the gas shortage stop our camp-outs, are we? It wouldn't be the first time we've camped in the back yard, would it folks?

The month of April will find a greatly expanded Web-Spinner club, following graduation on April 26. Festivities include punch, sandwiches, coffee and cake, and, of course, a rousing initiation session. Graduates will receive their caps, diplomas, and badges and a sincere "Welcome."

April 5th we hope to see many of our friends from other clubs when Tom Trainor calls for us.

See you all at the Dance-O-Rama.
