VOLUME XII NO. 7 ROCHESTER, NEW YORK

MAY 1974

Introducing

Village Squares

ROCHESTER AREA FEDERATION OF WESTERN ROUND AND SQUARE DANCE CLUBS INC.

There's a "biggie" coming up for the Village Squares in mid-month -- our second annual "May Dance" -- to be held again at the Trenholm East Inn, Canandaigua, on May 13th. It'll begin about 6:30 with a scrumptious, "all you can eat" smorgasbord, and then -- for "those who can" -- an hour or two of dancing with Dick Caspar on squares and Dorothy Magin on rounds.

This dance is open and the cost is \$16.00 per couple; call the Salvagios at 223-7906 if you'd like to join us. We'd love to have you!

Did you know about the "Traveling" Village Squares, a contingent of several couples who visit a different club each weekend; they have a great time and are getting to know many fine square-dancers round town.

We are so proud of our new club banner -- an enlarged replica of our club badge; it was made and donated by the gracious couple who are our vice-presidents, Ruth and Carl Fissell.

We were pleased to have had the Wayne Westerners as our guests in April. Yahoo and come again!

On Monday, June 3rd we're pleased that we will have Chuck Prister as our guest caller while our regular caller, Dick Caspar, and his wife Ginny journey to Annapolis for their son's graduation from the Naval Academy. Congratulations to the graduate and to his proud parents!

(Dick just had a birthday -- he's 29, and holding -- and we hear all his birthday gifts were "turned over" to his overgrown puppy, a Labrador Retriever -- who found it just to his taste to chew up a shipment of new square dance records and then, when banished to the outdoors, chomp on the trailer harness for the new birthday boat and trailer. Wouldn't a kitty be more to your liking, Dick?)

We'd like to have you meet --

Frank and Norma Salvagio, our hard-working presidents who recently had a "Hectic Day": twenty hours of continuous duty devoted first to an all day, out-of-town swim meet for their two daughters (who won a medal and a ribbon) and then home to a long evening's board meeting for the Village Squares (which we hear lasted into the wee hours!) We salute you, oh our leaders!

At our club the sound is better than ever these days, with Dick's enthusiastic calling now coming forth over a new Hilton speaker -- one new possession of Dick's his puppy hasn't gotten to yet.

C U soon!
George and Eileen Howard

Spring Valley Dancers

The Spring Valley Dancers are happy to be affiliated with the Rochester Area Federation of Western Round and Square Dance Clubs. We would like to let you know something about the history of our club. It was started by John and Evie Stocking in September 1971 at the Grange Hall in Springwater, New York. Ken Boss taught the class and in June, 1972 we graduated three sets.

However, that September they found they could no longer use the hall so they were forced to look elsewhere for a place to dance. Thanks to Dave and Nancy Rydnerns we found a new home at the Masonic Hall in Livonia. We have danced with our class every Friday night this past season. Three sets of new dancers were graduated this year and they are looking forward to many more happy hours of dancing.

Our officers are: Pres. Bill and Grace VanderKamp
Vice Pres. Hal and Mary King
Secretary, Dick and Elma Berger
Treasurer, Chuck and Carol Newell

We plan to dance on Friday nights through May. From June 1 on we will be dancing every other Saturday Night.

Callers Coop

CCR How-To Corner: SQUARE THRU, AND WITH THE THIRD HAND... This is a different way to use the old familiar Square Thru. You don't pull by with the third or fourth hand to finish a Square Thru in the usual fashion, but instead use this hand to begin the next movement. It might be any one of a lot of calls, depending on which hand you have available. Actually, it is a lot easier to do than to read about. You shouldn't have any trouble if you'll just listen to your caller and do as he says.

EDITOR'S
NOTE:

DEADLINE for June, July, August issue ~~MAY~~ **10**

Please remember to send in all your summer dance schedules as there will not be another issue until September.

There will be no "Square Around Town" this month. It seems Hal Abberger got the Flu; guess he must have "streaked" by a draft with last month's column. Get well soon, Hal.

Do you have a small business? Do you spend money on advertising? We would like to report that the PROMENADER now has a circulation of 815, and that we know many square dancers who use the very same services used by people who are non-square dancers.

In other words, we invite you to use our little paper to spread the word about **YOUR** business.

We are interested in starting a SWAP PAGE. All who would care to insert a small classified ad, please call 436-8684. We are suggesting a price of \$2.00 for 20 words

The 12th Annual Reunion of Overseas Dancers will be held August 7 thru 10, 1974, on the Oberlin College Campus in Oberlin, Ohio.

For further information contact John "Will" and Lil Bryant, 1915 West Erie Ave., Lorain, Ohio, 44052.

NOTE TO ADVERTISERS:

Please send your ads in black and white. Our printing process is not set up to do color advertising, and your ad will lose its impact.

If anyone wishes extra copies of the summer Promenader, PLEASE order them before MAY 15.

If your Promenader is not delivered on time, PLEASE check with your postman first. The Post Office has promised us one week delivery and we would like to know if this is not holding up.

Twirl A Rounds

Our St. Patrick's Dance was really jumping. We were delighted to have as our guests many dancers from other round dance clubs. The turnout was great. Our members were asked to bring sandwiches and cookies, and judging from the amount of food that we had, everyone really "out-did themselves". Everything was very good. It takes a lot of people to make an event a success and we had a lot of help. Wayne and Gloria planned all the decorations, which looked very nice. Bill and Mary Weeks, George and Audrey Mura, Jim and Anne Gentles, Chet and Evelyn Seeger were all on hand to put up the decorations and had the hall looking nice by dancing time. We had an excellent punch that was made up by Peg Mullan. It was so good that she was kept busy all night making it up. Of course, the caller always helps to make a dance a success, and Howie did an excellent job. A special thanks to everyone.

The Dance O Rama banner has just been completed. Ed and Bonnie Coopenburg, John and Daphne Fink, Chet and Evelyn Seeger, and Wayne and Gloria Saylor all offered their time to put the banner together. We also had the excellent art work of Chet and Evelyn's daughter to make the dancing figures and letters needed to complete the banner. Many thanks to everyone.

We have learned some nice dances this month. A couple of old ones, "Moon Over Naples", and "Roses for Elizabeth", along with "Arms of Love" and "Last Waltz With You".

May 22 will be our trail end dinner dance at Three Acres Party House.

Our summer dances this year will be on Thursday nights.

Chuck and Sue Durling

Web Spinners

No foolin'! It's April!

April Fool!!! It's really May, now, isn't it? My, "how time flies!" Now, when you're reading this, Dance O Rama and Muscular Dystrophy Dance are in the past. Hope they both proved to be the biggest and most successful ever.

Well, the end of another year of square dancing is only a few weeks away. And we have a R-R-R-E-ALLY GREAT cast waiting in the wings to serve as Web-Spinners officers for 1974-75. Future Presidents Lorraine and Al Ayling, who served as Vice-Presidents this year, have next year's schedule ready to go. Thirty-two dances comin' up, with a guest caller each month. Plus a few surprises they aren't telling about.

Bill and Elaine Klos will be taking over their spot as next year's Vice-Presidents, with Janet and Don Kuhn in the Secretary's role and Jim and Elaine Wemple will be the folks with the pockets full of cash.

Bob and Joanne Bachu were chosen 1st Board Members and Marion and Asher Flint, 2nd Board Members, and, thus, new club reporters. Incidentally, friends, Joanne and Marion will see to it that the snack table stays laden with the goodies that we all enjoy so much. Marge and George C. Leidecker (that's L-E-I-) will stay on and move up to Senior Federation Representatives. These folks will assume their responsibilities following the Trail's End Dance, May 17.

We hear tell that two Web-Spinners went right to the source in order to do some square dancing. Ken and Dorothy Ryan were swingin' down in Nashville, Tenn.

Bill and Mary Haas probably won't do much square dancing on their trip, though---to Acapulco, Mexico. G-r-r-r! We're jealous.

Also heard that Helen Fordham is planning a very short trip, but not a very pleasant one. This is to a local hospital for surgery.

All us Web-Spinners would like to voice a great big "Thank You" to Jerry Bradt for stepping in and helping us out of a bad spot and doing such a fine calling job for us. Also a "Thank you" for loaning the use of his equipment on another occasion.

Personal to Vern Collier: The Devil you say!!!

See you next month,

Paul and Joan Bucci

Belles 'n Beaus

As the current dancing season draws to a close, the winter vacation theme is also ending. As of this writing, the only one to report that has not already been acknowledged, is Larry & Hazel Spaven-trip to the Bahamas. Ed & Doris Haddleton went on a Caribbean cruise in March. It was nice to see them when they returned; tanned and rested. However, Doris is currently on the sick list and we all hope that she will be dancing again soon.

Also, the following members are on the "sick call report" this month: Frank Heindl, Ruth Hasman, Larry Root and Bea Westwater. Our best wishes are extended to these folks for a speedy recovery, and we hope that they'll be back dancing with us soon. We were glad to see Larry & Dot Heffer back dancing following Larry's bout with illness.

Belles 'n Beaus were well represented at the Teen-A-Rama held in March. Bill & Loretta Darling had two boys who participated in the pageant having the theme, "It's A Small World". Also in attendance, were Stan & Joyce Levandoski, Dave & Sue Nash, Bill & Marilyn Walker, and Fran & Hal Abberger. Many thanks, folks, for your support of the "junior dancers" in their initial venture in the "world of square dancing."

Remember, our Trail End Dance will be held at the Three Acres Party House on May 17th. The class graduation was held on April 29th and our congratulations are extended to our new members as they join our ranks. That's all for now.

Don & Marg Tracy

Cloverleaf Squares

A large and enthusiastic graduating class clowned and capered at their graduation ceremony on March 31. The club extends a hearty welcome to the group, whose number swells membership considerably. The club members were also happy to welcome back the many "oldies but goodies" -----former members who attended the pot luck supper and graduation dance. True to the shamrock in our banner, it was a "lucky" evening for all.

Myron Huss called for the Cloverleafs on April 7, but the rest of the month was a relatively quiet one, with two dances cancelled during the Easter Season.

Bonnie Leonard, a member of the Social Committee, has organized a Mystery Dance, to be held either May 3 or May 10, rescheduled from its original date of April 5. Members, and anyone else interested in a fun-filled Friday, should contact Bonnie for further details.

On May 12, the club is holding what they think is a first in the Rochester area -- a Streaker Dance. Even the bare facts are being kept secret, but if you want to be up on the latest in square dance trends, join us at 8:00 on Sunday, May 12.

Carole Smith

Country Twirlers

Just when we thought Spring was really here Old Man Winter dealt us another blow. While most of us were searching out our boots and gloves again, Neil and Maria VandeKerkhof were basking in the warm sun and breezes of Hawaii. They certainly picked a good time to go.

On March 15th, with a mingling of shamrocks and graduation caps and much wearin' of the green, we celebrated St. Patrick's Day and welcomed ten class couples into our club. Harold Ashley, one of our class members, is an old hand at twirling and weaving. He was once roller skating champion of Rochester.

Two weeks later, when Frannie Heintz was our guest caller, we discovered that all the leprechauns had not yet returned to Ireland. Frannie has a most unusual one, his constant traveling companion, that he keeps in a little box and will show upon request. Frannie provided us and our many guests with an evening of great dancing and entertainment. He went through his full repertoire, from the Bazonga story and his "You Just Did" call to his final singing call, "The Party's Over", sung from a prone position on the stage.

On May 11 we are having another fine guest caller, Bud Whitten, from Illinois. We hope many friends will join us and especially that our new club members will take advantage of this opportunity to dance to another National caller.

Plans are well under way for our Trail End dinner, to be held May 17th at the Chili Baptist Church. Festivities will start with punch, crackers and cheese at 6:15 and dinner will be served at 6:45. Dancing will be at Washington Irving School at 8:15. Please have reservations in by April 26th. Money must be in by May 11th.

The last event of this dancing season will be the campout on the weekend of June 7, 8, 9. Games are planned for Saturday afternoon, followed by a pot luck supper and an evening of dancing to Jerry Carmen's calling.

Fiddle A Rounds

The DeGraves and the Falls are enroute to 7 days of vacation in the Bahamas. Quite an Easter vacation!

On April Fool's Day we started our dance out in a springy way. We danced around the Maypole.

The DeGraves, Falls, Zielinskis, Graykos, are looking forward to the May week-end of Rounds in Canada.

By now, everyone has danced away at the M. D. and Dance O Rama. We hope that

We hope that the summer is coming, everyone will keep in shape for September. "Happy Dancing"

EKC-O Squares

Unlike the streakers, we squares require various types of apparel (sometimes known as "funny clothes") to keep us in good social stead. Now that warmer weather has arrived, Barbara Atwater would like to exchange the lovely white fur jacket Chuck brought her from Alaska for her handknit white cape. She and her cape have been playing hide-and-seek Wednesday evenings. Barb now hopes to find, and keep, her cape.

Special thanks go to EKC-O's Sr. Federation Representatives, Dick and Audrey Weber, for contributing so much time and effort to help make D-O-R a success. They, and the D-O-R Committee, put in endless hours to improve the 1974 event.

May's first guest caller is Dan Dedo. Dan will be handling the mike on May first and helping our Vice President, Bob O'Connor, celebrate his 39th birthday (again)!!

May 15th is another special dance with National caller, Bruce Johnson, coming from California. Circle the date in red!

We had a special date in April. One of George's fraternity brothers, Astronaut Ed Gibson, was in town to receive an honorary Doctor of Science degree from the University of Rochester. We attended the ceremony and a reception given later. Like any traveler with a captive audience, Ed narrated "home movies" of his most recent trip. (His were interesting!) He told how fellow astronauts called him "Count" because he drew so much blood for medical purposes.

ATTENTION: All New Class Graduates!

Our welcome mat is out! Come join us in fellowship and continue dancing throughout the summer season at Ken Anderson's Workshops from 7:45 - 8:30 p.m. These workshops are designed especially for you!

Shalom,
George and Sallie Emmons

Henrietta Friendship Sqs.

Ralph Darrow and his fellow officers hope that you have all had a very pleasant and Happy Easter and that with the rebirth of the spring season you'll be pulling out your dancing shoes to bring the club dance season to a glorious end.

Time and our dances are slipping by for now there are only two dances left on our calendar, May 11th when the Triggers will be our guests and May 18th with our Trail End Dance.

If Pepper Lapp wasn't able to get in contact with you concerning the Trail End Dance or if you hadn't made up your mind at the time she spoke with you, but have now, give her a call right now to tell her you'll be coming. It would really be great to have all our club members including our new members at this dance.

The Graduation dance was a lot of fun thanks to all of you who came and to those who worked so diligently to

prepare everything. Congratulations to our new club members. It was really fun dancing with you that evening and we hope that this is only the beginning for all of you...even if some of you can't burst a balloon.

Bella Hoffman sends her deepest thanks for all the get well cards. She would especially like to thank Pepper and Don Lapp, and Jean and Al Conley for their delicious meals.

There are still some outstanding club dues which the club needs desperately so let's get those checks off to the Lapps. Thank you.

There will be a very important General Meeting within the next few weeks that greatly concerns the future of our club. When the date is finalized please make every effort to be there. Before attending the meeting or before the next dance ponder the following:

Club -- (noun) an association of persons for some common object usually jointly supported and meeting periodically - an association of persons participating in a plan by which they agree to make regular payments or purchases in order to secure some advantage.

Let's be a club again.

Sincerely,

Derek and Nancy Hulse

On March 30th the new class graduated. Ed and Marge Anderson were in charge and they did a great job. The tricks played on the new class were clever. The funniest trick was when Bruce Shaw was calling with a large bag over his head and everyone stopped dancing. Many thanks, Ed and Marge.

Fran and Marge Clark are vacationing in Florida, and they are planning to visit Jerry and Mabel Beaushene, who have moved to Florida.

Three couples have become grandparents during the month of March. Al and Nina Anderson have a granddaughter, Ben and Mary Termine have a granddaughter, and Joe and Mary Cutaia have a grandson. Congratulations!

Our club members wish to congratulate the following couples who will celebrate their wedding anniversaries in April. Bill and Betty Heath on April 7; George and Ann Smith on April 16; Al and Nina Anderson on April 22; and Bob and Vivian Bierre on April 29th.

Don't forget on May 11 our guest caller will be Earl Turner.

This year our club celebrates its 15th Anniversary. Our Trail End Dance will be held on May 18th at Valles' Steak House. See ya all there.

Geneva Friendship Sqs.

The Friendship Squares of Geneva have enjoyed guests from the Magic Squares, Kuntry Kuzzins and Penn Yan Friendship Squares as well as a fashion show by Pearl's Western Fashions of Clinton.

During this winter it has been necessary to dance at different sites because of college schedules. Many classes were held at the Seneca Castle Fire House and graduation was at the Seneca Castle Fire Hall (former Grange Hall) on April 5. Seven couples graduated.

Several couples attended FLAC Fest and enjoyed the callers and program in spite of the snow storm that developed in the early evening.

Everyone wishes for Bud Woodley a speedy recovery from his injuries received in a fall recently.

The officers for 1974-75 who will take office on May 1 are Art and Lucy Mastellar, president; Armand and Marilyn DuFault, vice president; Jack and Ethel Mason, secretary; and Doug and Lillian Jackson, treasurer.

Merry Mixers

Several of our "Traveling Turtles" joined the Batavia Twirlers for the Cancer Benefit Dance on March 23rd.. They reported such a great time--delicious food, fun, dancing and fellowship that others who couldn't make the trip were most envious. Even the homeward bound trip in one of our Spring (?) snowstorms didn't dampen the enthusiasm.

We're all looking forward to a lot of lively dancing at the Dance-O-Rama, April 19, 20 and the Muscular Dystrophy Dance, April 27.

Margaret Cocchiara wishes to thank the Merry Mixers for all their get well cards and wishes received during her recent illness. They were a great lift to her while recuperating. We'll be glad when you can return, Margaret.

All Merry Mixers should make a special effort to turn out for the election of officers on the 2nd of May. This is your club and we need your support and vote. Also, a reminder that our Trail End Dinner and Dance will be held on May 31st at 3 Acres Party House, 88 Whittier Road.

PROMENADING B'S

We proudly introduce our "Class of 74" who survived the rigors of Ron Fotch's boot camp and earned their wings on April 5th:

Bob & Georgean Abel	Wayne & Sharon Keller
Harry & Nancy Beaney	Terry & Patsy Petras
Butch & Diane Donnelly	Ernie & Linda Sanders
Maynard & Harriet Dupree	Ken & Sharon Stettner
Butch & Brenda Foresha	Mickey & Hope Truax
Dwain & Nanci Howell	

Ron's "farm system" is also working --- twenty-four Teen Bee's graduated on April 4th and they should be real pros when they qualify to dance in the "majors".

Back on March 30th our first Saturday Nite Dance at the Bergen Grange Hall attracted a D.R.O. crowd (dancing room only). Sixty-two couples in the Bergen Grange equals wall-to-wall dancers. And then the lights went out! You can identify the survivors by their energy black-out badges.

All the campaign malarkey is over and the moment of truth for officer candidates has arrived! We will elect and install on May 3rd. On the same night be prepared to execute the Exploding Square -- sounds like a lot of scrambling around! Should be fun-- Why not join us!

ZOOOMMM!!!! Bet you thought that was a square dance call! Well, it isn't! It is Don Burnham and George Betlem "zooming" around on their new "Hondas!!" If you see someone on Don's Bike that doesn't look like Don- it probably isn't! Could be Joyce- we heard she was "taking lessons!" When Don "zooms" around his street, the small figure sitting behind him is his daughter, Lynne. However, the small figure perched behind George is Heidi!!! (she won't be driving, her legs are too short to reach the pedals- or whatever they call those things!) Have fun, you Guys and Gals and be careful! (this may be a sure way to beat the Energy Crisis- but it "Ain't no pastime" for orthodox cowards like Ye Olde Reporters!)

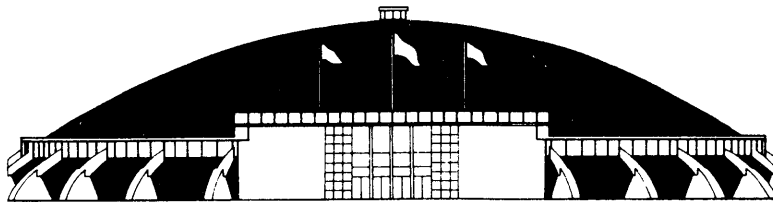

OUR RANKS WERE DECIMATED when so many of our members "streaked" (plane not nude!) to the Washington Square Dance Deal, "WASDA." Even tho' they wore clothes, they had a marvellous time! It was called "The Flaming Fourteenth." It was sure "A Hot Time in that Old Town that Nite!"

HEY!!!! DID'JA GET A LOOK at Deuce Williams' pearl gray patent leather shoes??? WOW!! He was a vision in burgundy and gray!! We figure any girl he dates- would have to be at least a "Cover Girl!"

DANCE O RAMA is over- and we hope all of you that went (and we sincerely hope ALL of you did) saw the beautiful "ROCHESTER ROLLAWAYS" banner that Hilda Desmond and Lil Stork labored many hours to make! They had to worry about the "can you see thru it or not" possibility- but their joint efforts paid off! They did a terrific job!!

DID YE NO KEN WE HAD A TRUE SCOTSMAN IN OURRRR MIDST?? Yep! He is Jim McCollum- and he is the Real McCoy! OOPS! we mean real McCollum!!! He is a member of the "Clan McNaughton" and is Vice President of the National "Clan Malcolm McCollum" (how 'bout that?) He has the full uniform- KILTS AND ALL!!! Complete with Tarlitan! (for those of you that don't understand "Scotch", that is the drape worn over the shoulder!) Bet you didn't know the "Kilt" Outfit is the equivalent of our formal "Tie and Tails". (You'll have to admit The Promenader gives its readers a liberal education in all phases!) Jim and Betty have a son named "Angus". He even drinks McCallum whisky! (we mean, Jim- not his son!) Should any members of the "Clan" be teetotalers- we were only fooling about the booze!)

"Everything comes to they that wait."
That's an old, but well-known phrase.
(whoever tho't we could outwait
those freezing, snow-filled days!)
BUT NOW - see the glorious green of the trees!
(forget that old Sunday drive!)
Just LOOK at the birds, the flowers, the bees!
Ain't it great to be alive ??

Genesee Dancers

Congratulations to twenty-two couples who completed the required basics in square dancing. Welcome to the wonderful world of square and round dancing in living color. Living because it takes people like you to keep square dancing alive and on the move, in color, as the eye reveals the ever-changing color in dresses, shirts and petticoat and pants, ties & ribbons and shoes and jewelry..

Come join us every week and put to use the hard won knowledge that so many people have helped you win, many who have yet to meet you and help you, everyone of us have gone thru what you have and have survived to enjoy the calls and cues from those who hold the mike and spin the record --"In the wonderful world of Square Dancing"- Again - WELCOME.

Remember the summer dances at the air conditioned "Green Lantern", Fairport, N. Y. Check ad for particulars.

Don't forget the "Flyer" table for other outside dances and also the many camp and dance weekends--

While we were suffering through still another snowstorm, Jim and Jean Turner and Bob and Mary DuBois were island hopping in the Caribbean. They said that the weather was beautiful and the islands gorgeous. In fact, Jim enjoyed the cruise so much he said he wouldn't mind getting a job on a ship!

March 7th, Don Stumbo was guest caller for the Wayne Westerners. Six couples from our club went and we wish to thank their club for the great hospitality given us.

Our St. Patrick's Dance and Pot luck supper was March 15. The food is always so delicious, I think we must have some of the best cooks around. We also had our annual sing a long of Irish songs and some of the braver souls danced an Irish Jig.

Eighteen couples from our club went to the Cancer Benefit Dance in Batavia; seventeen by bus. The dance was much fun and we all had a very enjoyable evening.

By the time this is printed, our class will have graduated and I want to welcome them to the club. They have been a very quick learning class and I'm sure they will be a great addition to the club.

Well, that's all for now. See you on the dance floor.

Kuntry Kuzzins

Spring is here and the Kuntry Kuzzins are still going strong. To keep us swinging we are putting on demonstrations to interest new members.

Our caller, Larry Spavan, has been to the Bahamas for rest and relaxation. Since it has been snowing here, he's in the right place.

We will not be having our April 27 dance because of the Muscular Dystrophy Dance. Instead we'll be in full support of this worthwhile dance.

Be sure to be at the Newark Community Center, Thursday, May 16th, for our Dick Leger Dance. He's a memorable caller and always brings a crowd. Don't miss this fun-filled evening.

Keep dancing and hope your travels bring you to Newark.

The Swinging Singles Club had their Graduation ceremonies on April 1st.

April 6th was our Progressive Dinner. About thirty people enjoyed the four course meal.

Batavia Twirlers

Graduation night brought us 10 new couples and the ceremony, planned by Ron and Betty Fotch, was one of the nicest we have had. Jim Dutton was guest caller and the class seemed to enjoy him as much as the rest of us did.

Our Cancer Benefit Dance was successful only because of the hard work of all the committees involved and the talents of the seven callers for the event. We think everyone had a good time. A lot of fine gifts were raffled and the food committee outdid themselves this year on the beautiful banquet table. We especially want to thank Carroll's restaurant for all of the paper products and orange drink that they donated and Dunkin' Donuts' for the dozens of donuts. Also all of the Batavia area stores and merchants for all of the food stuffs and prizes that were raffled. Everyone was so generous. Nearly 600 people attended and approximately \$1200 was raised for the fund. Many thanks for all the dancers who attended.

The new slate of officers was presented by the Nominating Committee and election of officers will be May 4. Jerry Conway, chairman of the Camp-out, announced that the Twirlers can start signing up for the camp-out now and for the next three dances.

See you all at the MD Dance--

Boots 'n Slippers

With dancing season drawing to a close, we can summarize the year as being most successful. A large graduation class, many nights of fun and dancing, and the fine fellowship we all had.

Boots 'N Slippers will have their Trail End Dance on May 19.

Thanks to Marv and Donna Bopp and their committee for making that fantastic banner which our club proudly displayed at the Dance O Rama. It sure showed the enthusiasm of our new club members.

There are special June dances for all to attend. On June 7 it will be with Mo Howard, June 14 with Jim McQuade, and on June 21 with Don Pratt.

A campout at Hamlin Beach State Park is scheduled for July 12, 13, and 14.

On August 11, Dave and Doris Cutter will be our hosts at our annual family picnic. There will be fun and games for everyone.

We hope you have a very nice summer and we look forward to seeing you in September.

Til we square again

Copy Cats

It's May.....already? It just can't be Spring....

April just flew by with the M.D. Dance and Dance-O-Rama taking top billing...

Speaking of flying....Treasurer Dan and Andy McCrimmon have left for permanent residency in San Diego. Len and Valerie Gilks have gone back to their homeland England. Frans and Liselotte Janson have returned to Rank Xerox in Holland.

Thanks to Jan and Don Oestriech...for taking over the finances as new Treasurers.

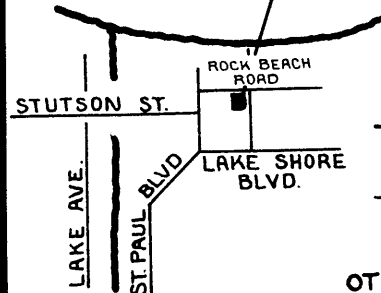

What a class crash we had April 9 at Xerox Bldg. 337!! All the Copy Cats dropped in on our Tuesday nite class all dressed and ready to celebrate!! Not just dancing, but we made it a "combination" going-away party for Frans and Liselotte Janson....

On the not-so-happy side-----remember that Copy Cats Vice Pres. Helen Fordham, Joanne LaPine and Jan Oestriech will have gone into the hospital for a tune-up. Swing them gently and kindly when next we meet!!

Swinging BB

It was great to see so many of our club members at the Cancer Benefit dance. Everyone had an enjoyable evening.

Our class graduation was held at the Townline School on March 29th. With their mortar boards placed on their heads, they received their well-earned diplomas. Most of the class has joined our club. We welcome them and hope they have a lot of fun dancing.

Our next club dance will be April 26 at Ada Cosgrove Jr. High School at 8:00 P.M.

Our caller, Bob and Dorothy Brunshidle are vacationing in Florida. Hope they bring back some sunshine.

Beginning Thursday, April 25, and each Thursday night in May, we will be having basic rounds, at the Townline School, Spencerport at 8:00 P.M. If you are interested in doing basic rounds, come and join us.

Don't forget May 10 we have Frankie Lane, National caller at Ada Cosgrove Jr. High School.

Our trail end dinner is June 1st.

Hope to see you all at the M. D. dance.

Swingin' Eights

We had a lot of nice guests at our Beginners Ball on April 5th. It's hard to believe some of those people are really beginners.

Well, we finally caught up with the Fortmillers and found out why we haven't seen them lately. Their daughter, Jane presented them with a grandchild and their daughter, Marylou, got married. Also Louie's mother was laid up, so I guess you might say they have been a little busy.

Ethel and Russ Heffer are heading the committee for the Trail End dance which is June 1st. Also on the committee are Iva & Gordon Allen, Ann & Ray Deslandes and, from our class, Eileen & Connie Salber.

How about that new step..... Peel and Streak !!!!!

Some of the "after Partiers" have found a place to go for more dancing and good food. Jan Cursio's orchestra at Amalfi's on St. Paul Street will play a hoe-down for as long as you can dance with do-it-yourself calling.

We're glad to see Nicci & Nic Niccolls back in the swing of things after Nicci's broken arm and Nic's bout with the flu.

The traveling squares of the Swining? no, not really, we're still the Swingin' Eights ... attended the MDA dance April 27th.

Triggers

Our Spring Fling this year will be held on May 14th at the Greece Grange on Long Pond Road, \$3.50 per couple. You can get your tickets from Bob and Joan Donaldson. The theme this year is "Spring in the Air". Class is invited. The committee will be announced in the next issue.

The Ho Bo Party was held on April 18th at Bethany Presbyterian Church. The club really surprised the class. Did you ever have a bunch of bums walk in on you? A lot of foolin' around and fun was had by all.

Our club picture was taken on April 30.

Election of officers will be held in May. Hope I will have them for the next issue.

Bill and Marilyn Raymond

Wayne Westerners

Our class graduated on April 25, a big addition they are to the club. Welcome to the club and may we have many happy hours of dancing together.

We wish to thank all the people who were involved in the planning of the Dance O Rama, and the Muscular Dystrophy dance. Both dances were enjoyed by several couples from the Wayne Westerners.

The past months have been busy ones for the Wayne Westerners. We were guests of the Swingin' Eights, Kuntry Kuzzens, Triggers and the Tecumseh clubs. The night at the Swingin' Eights Bill had the whole floor streaking. What a time! Funny things do happen when we were guests of the Kuntry Kuzzens our own caller had to do the calling as Larry was sick. Hope he is better.

Several couples enjoyed putting on a demonstration dance at the Mariner House in Rochester. What is this I hear about Dick & Millie going alone without Betty or Ken. Sure looks funny.

Plans are all set for our trail end dinner and dance at Cinelli's in Sodus. This will be a closed dance.

Don't forget our Apple Blossom dance May 17, 8 to 11, at Williamson High School with Bud Redmond and Betty Wolcott calling. See you all then.

Art & Laura Tierson

WHICH WAY WHIRLERS

We enjoyed having Bruce Shaw as our guest caller for our "Daffy Daffodils Dance" early in April. Bernie Hayward cued the rounds.

Wednesday, April 3rd, was graduation for the Which-Way Whirlers. Four sets were graduated and received their badges. Four couples of dancers also joined our club and received badges.

Installation of officers for 1974 was carried out by Janice and Frank Cooper, our past presidents.

Several couples from Wyco Promenaders joined us for a good evening of dancing.

A good time was enjoyed dancing with Jerry and Debbie Bradt. Rounds were cued by Bernie Hayward.
