CORNER

With the crunch of fresh, star-touched snow under our feet we wend our way into a New Year in anticipation of another season of happy dancing.

To help achieve this goal, many clubs have recently elected new officers dedicated to serve their organization's needs and direct and better their club's operations. Our congratulations go to the newly-elected Presidents listed on the "Promenader's" cover and our wishes for a fruitful, personally-fulfilling term of office.

In December the Federation was privileged to have Dr. Rich Castner from Brockport as a guest speaker. His sense of humor and warmth was well-received and his talk broadened our horizons. The May 3rd Dance-O-Rama will be held in Brockport halls and Federation delegates are busily making plans to make this year's dance a special one. Most clubs have now selected their choice for participation.

Rollin and Janice Chugg suggested the theme voted most popular for the occasion - "Swing into Spring!" The publicity and decorating committees are open for any suggestions on how to implement the theme. Some interesting ideas have already been suggested. Please contact your Federation Delegates to relay your ideas.

Mr. Larry Herendeen has been investigating insurance policy options for individual clubs. Federation Delegates and Club Presidents will be advised of his finalized recommendations.

Our Recording Secretary, Ginny Thornton, is recovering from a recent operation. We wish her a speedy recovery. Our special thanks to Vice President, George Bracht, for filling in as Acting Recording Secretary.

Shalom,
George and Sallie Emmons

NOW CALLING/TRAVELING FULL TIME

A little late but, a Happy New Year anyway!

A new year with more new calls. (Oh, God; more new calls) Last year we had the Relays, Phantoms, and Columns. This year Orlich's Alley is working overtime putting out the "ates"

Motivate went so well that now we have Reciprocate, Coordinate, Concentrate, Refrigerate (that's a cool one) and latest as of January 8 is Desegregate.

The Callers are finding it hard to cover all this new material. Soooooo I thought I would help them out and write the definition of the latest one. So here it is in black and white.

Desegregate: This is a combination call made up of two old calls, Designs and Open the Gate. You must remember that part in Open the Gate where you pass thru to another set. No matter, here is the definition.

Definition: First, check your set, make sure it contains eight people, four of each, men and women. You can tell women, they wear clothes with zippers on the side or back.

Now this call starts when the set is in two lines of four. One line is facing East and the other West, but if you look at some of the other sets, they may have lines facing North and South. Some may even be facing NN by E or S by WW, etc, Don't pay any attention to them. You are right!

You begin with the man turning to face his left hand lady and takes her right hand in his left. If his left hand lady is right handed, then we will take her left hand in his right hand. So far, simple, huh?

Next, he will walk around the left hand lady, passing right shoulders or pass left shoulders around the right hand lady. Either way will come out OK. Pass all the way around until the man's back is facing back to the ladies front. This part is very difficult if the lady doesn't cooperate. Mine didn't. At this point, the ones who are not getting the first teach will leave the hall. A bus will be waiting to take them to another hall, where they will get another teach and a free lunch.

That's the whole call. Large isn't it?

Sooooo you see this call has something for everyone and everyone gets it in the end.

To the Callers: No thanks are necessary. I was glad to help out.

Thanks anyway,
Hal Abberger

Teen Topics

Dear Friends:

The 20th ANNIVERSARY of the ROCHESTER TEEN TWIRLERS - TEEN-O-RAMA PAGEANT is quickly approaching and as a tribute to Doctor and Mrs. Waldo Westwater, who are the founders of the Club, we would like to make this an extra - special celebration for them. It will be most memorable to them if all former Teen Twirlers will participate in our celebration, as well as all other interested adults and teen-agers who enjoy square and folk dancing as we do. It will be our way of showing our appreciation to these wonderful people who are so dedicated to working with teen-agers, as well as adults in introducing them to the pleasures of square and folk dancing. We will appreciate it if anyone who is interested in celebrating this 20th ANNIVERSARY with us will contact one of us for details.

Your help in advertising this to your fellow dancers and friends will be greatly appreciated. Thank you for your time and consideration.

Happy Dancing!
Sue Parkes & Jon McNally

1975 TEEN-O-RAMA will be on March 22, 1975 Saturday at Eastridge High School, 2350 Ridge Rd. E., Irondequoit 2:30 till 11:00.

Caller's Profile

Bernie and Rita Hayward started Square Dancing in 1966, in Henrietta with Don Pratt as their teacher. The following year they decided to try Round Dancing and with the help of Ernie Johnson learned some basic steps. The next few years were spent on just plain square dance and easy Rounds.

In the fall of 1972 they decided to improve their Rounds and Joined the DeGraves for lessons in Churchville.

In January of 1973, Bernie decided that he would like to try cueing Rounds and with the help of 5 couples started teaching in his basement. A group from Lima Grand Squares heard about the lessons and soon another class was started.

Their next class moved to the First Presbyterian Church in Caledonia and resulted in forming their own Round Dance Club called "Twisty Viners" who meet every Tuesday night at the Church.

In addition to their own club Bernie and Rita teach and cue in Pavilion for the Which Way Whirlers on Wednesday nights and in Caledonia on Thursday nights for the CalicoSquares plus an occasional guest appearance on Saturday nights.

In between dancing and cueing Bernie works for Specialized Printed Forms, Inc. in Caledonia as a Quality Control Supervisor. Rita works part time in an insurance office.

Bernie and Rita live on State St. in Mumford and have 3 daughters; 16-18 & 21 and DINE IN boy friends.

LET'S GO DANCING!!

Teen Topics!

With the holiday season behind us leaving fond memories of Christmas Parties and gift exchanges, the Teens look with anticipation toward March when the 20th TEEN-O-RAMA will pay special tribute to Dr. & Mrs. Westwater. It will generally bring to focus all the many dedicated people who work with the youngsters of today who will be our Square Dance boosters of tomorrow. Sue Parks (288-1717) and Jon McNally (482-4244) would be delighted to answer any questions and dispense detailed information. Adult participation and support is encouraged - a great opportunity to discover how really homogeneous this activity of ours is.

Changes are inevitable and so the DINGALINGS have changed their name to HICKS AND CHICKS. All the rest remains the same (see last months TOPICE) To raise some funds to attend the SASDA Festival in Syracuse, the H&Cs are raffeling off a COLOR TV, Sue Peck in Webster (671-2655) can give you the scoop on how to get in on this raffle. The group also plans a Family Pot Luck Supper in February to which the parents of teen dancers are encouraged to attend.

Larry Yacobelli's group had adopted the name of GRAND SQUARES, at graduation time they will be sporting a blue and white badge in the shape of interlocking squares.

Again change and consolidation; the BAREFOOT SQUARES have cancelled their program and have consolidated with the HILTON HILLBILLIES. Jerry Bradt still does the calling and any schedule inquiries should be made to brother Les at 594-9292 or Jerry at 926-8566 in Avon.

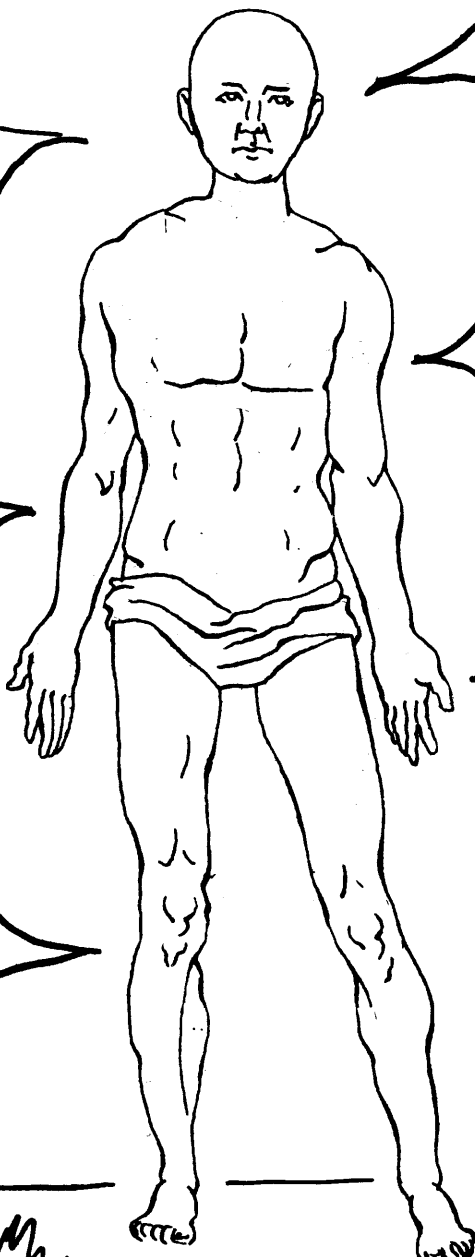

Swinging Squares mentor Les Bradt did a Boy-Girl Scout affair in Irondequoit in January with about 100 in attendance; bit by bit we may be able to convince the teens of today that square dancing isn't SQUARE.

Not the least of the teen participation was the TV "Catch 21" program aired Jan. 14. If you saw the program and wondered why the usual Hi Jinks were missing during the Teen segment, you would have had to be there to see the awful condition the old studio floor was in: tough sledding I'll tell you. Same reason there weren't as many overall shots during the round dance sequence, lifting tiles and furnace tape aren't pretty subjects for color T.V.

Batavia Twirlers

Got the mid-winter doldrums? Come out and dance with the Twirlers. You'll enjoy the sparkling style of our club caller, Larry Dunn.

As we write this, we've just had our first dance of the new year, with the Promenading B's of Bergen as our guests. Lots of "B's" turned out along with guests from several other clubs. Glad to see you all! Saw some club couples that we haven't seen for some time--glad to have you back with the gang!

We had a pot luck Christmas dinner-dance with everyone bringing their "favorite dish". No, we didn't get all baked beans and potato salad as some skeptics expected. On the contrary, there was so much variety we never got to sample it all!! Our class joined us for the Christmas dance and impressed us all with their good dancing. Our congratulations to the class and their instructor, Ron Fotch. We're looking forward to more dancing with the class couples!

Don't forget to remind all your friends to come to the Annual Cancer Benefit Dance to be held Saturday, April 5. Among the callers will be Bill Peterson of Livonia, Mich. Those of you who have danced to Bill's calling will know we're in for a treat; those who haven't will have to come see for yourselves!

Happy Valentine's Day and happy dancing!
Jerry and Dotti Willer

Belles 'n Beaus

With happy memories of our Christmas Dance, delicious dinner cooked and served by the members of the Greece Grange and a visit from Santa still with us, it is time to begin the new year with our deepest thanks to Fran and Hal Abberger, Kay and Ken Fredrick, Marilyn and Bill Walker, Doralyn and Jim Hill, Bernice and Bob Weaver and Joyce and Stan Levandowski for doing such a great job running the club during 1974.

We welcome our new committee with congratulations to our new President, Stella and Harold Elich; Vice-President, Myrtle and Dick Moore; Secretary, Mary and Charles Conrad; Treasurer, Fran and Ed Tongue; Directors, Ciel and Larry Klueber, Edie and Wes Mantz and our Past President, Fran and Hal Abberger. Our Federation Representatives are Evelyn and Bill Scheg and Marge and Don Tracy.

December was a month of many Birthdays and Anniversaries. We extended our good wishes to Vera Sillick, Fran Tongue (who is walking without her cast and will be dancing soon), Don Waterman, Bernice Weaver, Jim Hill, Ruth Gosling, Hal Abberger and George Hagberg.

Happy Anniversary to Dorothy and Archie Carris and Art and Vera Harris, and a very special anniversary wish for Betty and Charlie Podgers who celebrated their Golden Wedding Anniversary on Christmas Day. Belles 'n Beaus shared in this occasion at the Christmas Party where Hal Abberger presented Betty and Charlie with Gold and White Badges in a gold box.

We have a great class that is doing very well, but as always could use some help. Try coming out on Wednesdays, it's a lot of fun.

George and Doris Hagberg

Boots 'n Slippers

Thanks to last years officers the Hungerfords, Holcombs, Duggans, & Hitzkes for a job "well done".

Our new officers were welcomed at the Christmas party with such enthusiasm that Marv Bopp fell flat on his back. Nice going Mary.

Our new officers are, Presidents, Tim & Rose Hart; Vice-Presidents, Gene & Linda Krist; Secretaries, Jim & Ricky Scheafer; Treasurers, Bill & Carol Manley. Welcome!! Needless to say the Christmas & New Years parties were great fun. Punctuated with good dancing and good cheer.

Feb. 14, is our Valentine party. Gene Krist assures me all the girls will receive a kiss! (How come he is always chairman of the kissing committee??) We also expect some great dancing.

Bruce Shaw will be our guest caller Feb. 21. Come on out and dance, ya all.

Well... this being our first column, we've discovered how much time and effort is involved so we end thanking the Duggans for their great job of reporting during '74, and we hope we measure up to their work.

Les & Alice Kuhn

Country Twirlers

At Country Twirlers the last weeks of 1974 were filled with special events. One that will long be remembered was our Hawaiian Dance, complete with tiki torches, leis, palm trees, and Hawaiian dress. Dancing in the beautifully decorated hall to Jim McQuade's Hawaiian singing calls, it was easy to forget the cold and snow outside.

As always, our Christmas pot-luck dinner was a gourmet's delight and a dieter's downfall. The class enjoyed this occasion with us. They are a great group, full of enthusiasm, and we are looking forward to the time they will be joining the club.

Our New Year's Eve party was a gala affair as we welcomed 1975 with balloons, streamers, hats and noisemakers. After dancing and a delicious buffet supper, entertainment was provided by many members who took advantage of this once-a-year opportunity to do their thing. A special word of thanks should to to all those people who helped make the party so enjoyable--Bill and Edith Thomas, Ken and Kay Georger, and John O'Hara.

And now we would like to introduce our new officers for 1975. They are:

President	- Joe and Vickie Fornarola
Vice President	- Dick and Betty Weber
Secretary	- Bill and Elaine Koch
Treasurer	- Jack and Jean Fisher
Social Chairman	- Hugh and Marjorie Wilson

Larry Dunn will be with us on the twenty-eighth and we know his lively calling will put sparkle into the gloomiest day. Come dance with us.

Bob & Ruth O'Connor

Callers Co-Op

HOW-TO CORNER: PARTNER TAG is a simple movement; just face your partner and pass by right shoulders. It's just like Tag the Line, except that it's done from a small "line" of two people, instead of a Line-of-Four. The tricky part of the movement is to recognize where your partner is when the call is given, and the answer is always alongside of you, on your right or on your left.

If the person next to you is facing in the opposite direction, as in an Ocean Wave or after a Curlicue, he/she is not your partner but your neighbor, and the call will be NEIGHBOR TAG.

H. Orlo Hoadley

EKC-O Squares

As noted on the cover, our club now has a new President and newly-elected Board. Our heartiest congratulations and enthusiastic support go to EKC-O's 1975 Slate of Officers:

Presidents	- Bob and Ruth O'Connor
Vice Presidents	- Walt and Sally Baechle
Secretary-Treasurers	- Leo and Rita Leonard
Board Members	- Dan and Ann Stark
Board Members	- Dick and Arlene Howard
Board Members	- Paul and Dagmar Dean
Sr. Fed. Representatives	- John & Dot Humelsbach
Jr. Fed. Representatives	- Reg & Gwen Wolfenden

Club caller, Ken Anderson's observations hit the nail on the head when he called attention to the high "officer drop-out rate." Sometimes we really don't appreciate the tremendous amount of time and effort it takes to keep a club functioning smoothly (especially a club of our proportions.) When helping hands are needed, let's lend ours and do our share to decrease individual work loads and increase our club's spirit of fun and co-operation.

February's schedule includes two guest callers: Deuce Williams on the 5th and Chuck Stinchcomb on Feb. 19th. On February 26th we look forward to dancing with the following guest clubs: Copy Cats
Wayne Westerners
Web-Spinners

January's departure of Old Father Time seems to strike a chime in many couple's inner clocks that it's time to pack up their bags and get away for a while. The first items loaded in Past Presidents (1966) Gordon and Dorothy MacDonald's travel trailer were square dance clothes. The MacDonalds will be on the road for two months viewing scenery in Mexico and our southwestern states. Daughter Cathy joined in Christmas celebration in Guadalajara, Mexico.

Jetting to Mesa, Arizona for the month of March will be Anton and Gloria Betlem, the Al Kendrick Family and Bill and Clara Ross. They hope to visit former EKC-O members the Coles and the McKennas. (They may even chance to square up with Gordon and Dorothy Mac Donald!)

Ron and Evelyn Suttorius should have some interesting stories to tell about their two week vacation. They flew to South America to visit with their daughter in the Peace Corps.

Did you happen to catch Channel 21's "Catch 21" program on square dancing January 14th? It was arranged by Caller Mike Callahan and among the participants were EKC-O's TV "celebrities"- Caller and member Chuck Frister demonstrating a teaching situation; and Cuer Betty Wolcott cueing rounds for three EKC-O couples: Bob and Rosie Korn, Don and Wanda Brown and Bill and Clara Ross.

We bet Marvin and Lina Godfrey didn't need Christmas tree lights on their tree this year. Son George and daughter-in-law, Nancy gifted them with a first grandson on Dec. 10th. The joy and happiness in their eyes would light up any room! Congratulations to all!

Shalom,
George and Sallie Emmons

Copy Cats

TOP CATS! Bob and Celeste Turk were awarded Angel badges for diligently assisting the Copy Kittens Class for the year. Many thanks to Bob and Celeste.

CLOVERLEAF is also a shamrock and that's what many of the Copy Cats are wearing these days to show appreciation for the excellent job Mike Callahan is doing calling for the club.

ROOM & BROAD describes our new dancing hall at the Bay-view Y, Bay Rd. Webster. With 10 squares dancing, only one "Clod" stepped on an "Angel". Celeste is too nice to tell anyone that I did it. Seriously, the acoustics are great and we look forward to many delightful tips at our new quarters.

QUENCH Lynette with care unless the caller makes the call! Lynette, daughter of Jim and Helen Fordham is currently studying Judo and doing quite well at it.

REPORTERS???? that's what they call us, but talk about lack of professionalism, we forgot to wish you all a Merry Christmas and a Happy New Year in the Dec.-Jan. issue-- so better, never late and a Happy New Year from the Copy Cats!

WARM WELCOME to our two new couples, Bob and Sharon Palermo and Tod and Sandy Whitacre. Happy dancing, folks.

WHOSE PERFECT? The Copy Kittens thas' who - they turned out 100% to support the Club Christmas dance and they looked absolutely great.

THANKS and Kudo's to Matt and Joy Moll, George and Liz Clement and Ken and Betty Heim. This winning combination was the key to the success of our Christmas party/dance on 12/21/74. The Copy Cats and Copy Kittens all had a great time.

GUESS WHAT?? Who knows why Dottie Pheilshifter is doing all that knitting. She keeps telling this reporter there caps and mittens, but they look more like booties to me.

DEUCES NEVER LOOSES so the saying goes, but your reporters are losers and we apologize to Deuce Williams for misspelling his name in our last report.

The holidays are over, and perhaps we can get back to a more normal pace.

We had a lot of fun at some of our special dances. Our Friday the 13th Black Cat Dance, was well attended and enjoyed by all.

On Friday, December 27 we had a class-club Christmas dance and thanks to a lot of work by the committee headed by Agnes & Harry Jurgens, it was a very enjoyable evening.

March 23, we will have a dance with Ken Anderson calling, and on March 14, a fashion show by Pearl's Western Fashions. We hope to see some of you at these.
Paul and Janie Bree

Genesee Dancers

Our new board took office as of January 1. Members are:

Roger & Carolyn Bastian	President
Joe & Angie DiBitetto	Vice President
Mike & Margeurite Grose	Secretary
Dick & Carrie Smith	Treasurer
Orlo & Rita Hoadley	Program
Ray & Eva Seymour	Advisors

We had a very good turn out for our Christmas dance with visitors from many clubs in the area. We hope they all enjoyed it as much as we did. Your reporters feel Verne and Mary Kailburn, who provided the "Snappy" decorations, did a lot toward making this a fun evening. Our class also danced this evening and they are coming along just great. Unfortunately for us, fortunately for them, Chuck Prister, our Class Instructor, and his wife, Gerry, were vacationing in Florida and could not attend.

And speaking of Florida, it has attracted several other club members, including Mort and Freda Davenport. Also visiting sunny climes are Charlie and Perky Tucker who are vacationing in El Paso, Texas. Mike and Mary Prado are filling in for the Tuckers at Rounds.

Special Coming Attractions:

Feb. 13 - Valentine Party - Pot Luck
6:15 Cocktails
7:00 Dinner
8:00 Dancing
Bring a dish to pass and come and have a good time.

Feb. 20 Amateur Night
All Club members are encouraged to work up a singing call and maybe some hash and try their hand at calling. Rumor has it that the "Jenny-See" Sisters will be there to call in chorus. If they can do it, so can you!

Jim and Mary Alice Brooks

Henrietta Friendship Sqs.

We are looking forward to our first really big dance in 1975. The George Washington Dance will be Saturday, February 8th at the Roth School gymnasium, 4000 East Henrietta Road at 8 p.m. This is an annual event where all the class members from all the area clubs are invited. Special decorations and lots of good refreshments will add to the fun. We hope you will get your whole class to attend for a super evening.

To look backwards a bit: Our Christmas party was a big success with class members attending and given the traditional gift of ornaments to be hung on the club tree each year. We wish to thank class and club members for their generous donations of food which made Christmas a bit merrier for a needy family.

We hope 1975 will be a good year for everyone and remember if your feet smell and your nose runs, you are built upside down.

Mil and Laura Craft

ATTENTION!

The Lima Grand Squares would like to announce that guests are always welcomed at their club.

Rochester Rollaways

On December 13th the Rollaways celebrated their 16th anniversary. Duece Williams called an excellent dance for us and the refreshments were delicious.

George and Nancy Godfrey have a new baby boy. The proud grandparents are Marv and Lena Godfrey.

I am happy to report that Harry Malley is recovering nicely from his heart attack. I hear he is even doing a little round dancing. Also it is good to have Elliott Moulton back dancing after his recent surgery.

Ross Howell will be starting his new workshop series on February 3rd. These dances will be held at the Oakview School, 2400 Oakview Rd. in Irondequoit. This workshop is for all club level dancers. Starting time is 8:15 P.M.

Our newest members are Len Prescott & Cay Jackson - Welcome.

Our next dance will be February 14th with Ed Foote calling. See you there.

Don and Doris Maxim

Irondequoit Sqs.

The Smiths have been promoted from Treasurers to Promenader Reporters, at least they said it was a promotion.

Our first Annual Semi-formal Christmas Prom was held and long dresses added to the decor. We welcomed several guests who attended in long gowns. We thought it was a great idea and would like to thank who ever had this tremendous idea. The LeMoynes, Steinmillers, Heaths, Albees and Marcoux of the dance committee did such a fine job we suggest we stick them with it next year. The gym decorations were so outstanding that the school used them for the Christmas program. Bruce Shaw was the guest caller. It was just like being back in class. Something we could not understand - not one Yellowrock was called.

The Geisses and Sheplers did a bang up job on the class Christmas Party. Both the Club and the Class thank them.

Our Pre-New Year's Dance was well attended by the club. We thought we would have more guests because it would give dancers something to do between Christmas and New Years. The Al Andersons and Bob Bierres did an excellent job - even if Bob did win a door prize and Al walked off with part of the 50/50.

We imagine our January dances with Bill Wilcox and guest caller Dave Hass were fantastic. But of course we have a great imagination.

In January the new officers took charge

President	- Ed & Sue Sulewski
Vice-President	- Bob & Vivian Bierre
Treasurer	- Ed & Marge Anderson
Secretary	- Joe & Betty Zinni
Social Chairmen	- Frank & Lucille Amico Leonard & Kay Scardino

We are guests of the Villiage Squares on Feb. 24 and of the Genesee Dancers on Feb. 27. It will be good to see all our members again.

On Feb. 8, the Irondequoit Squares will hold its Annual Valentine Dance for all area class members. This is a good chance for beginning dancers to test their skills against a strange caller, and believe us, Bill Wilcox is a strange caller.

The Board had decided we should have 8:30 workshops. So if you must be late don't be too late.

We imagine somebody has been sick - or worse and we sympathize----but that brings up another point. If we don't hear about it, it won't appear on these pages.

George and Ann Smith

Merry Mixers

We changed our schedule slightly. The Traveling Turtles went to dance with the Web Spinners on Friday, Dec. 6, 1974 and came home with their banner. We had a terrific dancing time. On January 17, 1975, the Turtles travelled rather than the 18th. We seem to have a larger group traverling on Friday.

In December, along with other clubs, we danced for the people living at Webster Place in Webster. January 8 we visited the Association for the Blind. And we now have a standing date at the Monroe County Home. It will be the third Saturday of each month at 1:30 P.M.

We are glad to see that Francis Hickey is dancing with us and hope he stays well. Pearl Teck has been ill. Hope she is doing fine now. Her address is 38½ Hensdale Street, Rochester 14620 if anyone is interested in sending her a card. If anyone knows of someone being ill or whatever, please call me, at home evenings 647-2294 or work days at 464-2122.

We were invited as guests to dance with the Web Spinners on January 10, and the EKC-O Squares on January 29.

February will be the 5th Anniversary for the Merry Mixers. We will be celebrating with a dinner dance at the Three Acre Party House on Saturday, February 14 which is also Valentine's Day.

George Burandt is our Club President through December 31, 1975. His address is 3327 Culver Rd. Rochester, N.Y. 14622.

Happiness is: Dancing with the Merry Mixers.

Dick & Donna Pringle

Web Spinners

From all reports, the Web-Spinner's New Year's dance was a "blast". What a way to usher in a new year! Much appreciation and many thanks go to Bobbie & George Nielson on their splendid job of decorating (which is always superb) and Lorraine & Al for all the many necessary "behind" the scenes details. John Van Slooten, appropriately costumed made the perfect time-keeper, tolling out every hour on the hour. The "super-bowl" balloon game was almost more than a goalie, Bob Bacher, could take because, as we get the word, the opponent was forever stealing his pin. How about that Bob? Everything considered, the party was an absolute "fun Night" enjoyed by all. Sorry your reporters couldn't have been there.

Our next big "shin-dig", a Valentine's party, on Feb. 14, will be held at the Firemen's Hall, and is a closed dance. Mike Callahan will be calling on Feb. 28th, so let's have a good turn out for both affairs.

Congratulations to Paul & Marilyn Goldstein on the birth of a daughter, Lisa, born Dec. 23rd, weighing in at 6 lbs. 2 oz. Just in time for that great tax deduction, huh, Paul?

Asher & Marion Flint

Lima Grand Sqs.

We had two nice Holiday dances and we would like to thank our Caller, Don Stumbo, for another year of fine calling. On December 20th our Class joined us for our Christmas Dance. We had a great decorating committee and many thanks to them and a special thanks to the Jim Turners for the "perfect tree." I heard the Village Employees at the Town Hall were eating their hearts out over our Christmas Tree. They thought it was too beautiful to cut! It is always fun to have the Class join us as they have so much spirit and enthusiasm. Reminds us Club members to get with it. We had a pot luck supper before our dance, and our usual refreshment time after a wonderful evening of dancing around the Christmas Tree.

We again had very nice decorations for our New Year's Eve dance, and we thank the outgoing and incoming officers for them. Yours truly was especially looking forward to this dande as we were Class members last year. A nice time was had by all. Just before welcoming in the New Year we welcomed our new officers:

President	- Bill and Nancy Lissow
Vice President	- Al and Helen Whyte
Sec.-Treas.	- Charlie and Gwen Bush

We all wish them a good year and our Club looks forward to many more nice dances in 1975. Many thaks to our officers of last year -- Pres. Steve & Penny Marlow, V.Pres. John & Rhea Farley and Sec.-Treas. Leon & Pearl Davis -- for a job well done. Also, thanks to our "Promenader" correspondents, John and Pegge Sherman, for doing a good job. After the dance, and even after all the snacks and punch, we had the nicest pot luck dinner we have ever had! What a nice way to start 1975 -- square dancing and eating!

We look forward to another year of square dancing and hope you all will join us.

Hope all our dancing friends had a Happy Holiday. On Dec. 21 we had our Christmas dance and pot-luck supper. Our class members were invited to join us. Everyone expressed that they had an enjoyable evening. Terry Benson and her helpers did a good job on the decorations.

Our club members were invited to Bob and Dorothy Brunshidle's home for New Year's Eve dance. Everyone expressed that they had lots of fun. Bob did the calling.

On Jan. 4, Bob and Dorothy Brunshidle celebrated their 28th Wedding Anniversary. Congratulations to you both.

We all hope that Ginny Thornton will be back with us soon. She is recovering from back surgery which she had before Christmas.

Twirl A Rounds

According to all reports the New Year's Party was a great success, except of course, that Dottie DeGrave was unable to come because of illness. (She is much improved!) Her hubby turns out to be quite an orange roller!

Caroline Dietrich had a freak accident in th grocery store. Seems she really got sacked by bags and bags of flour. All turned out well, however, and she is her usual cheerful self again.

Our club is joining with Fiddle A Rounds on the Publicity Committee for the Dance O Rama to be held May 3, which we are hoping to make the best dance ever.

George and Audrey Mura

Swingin' Eights

Hi all - Hope you had a Merry Christmas and are enjoying a Happy and Healthy New Year.

Our Christmas Dance was a huge success thanks to Jon and Judy Crosby and their committee. The food was excellent and the dance was great even with bling folds--right Bruce?

Officers were introduced for the coming year.

President --Bob and Marge Berner
Vice President-- Milt and Barb Harvey
Secretary -- Bill and Terry Barnes
Treasurer -- Joh and Judy Crosby
Membership -- Ed and Linda Allen, Knute and Betz Knudson
Refreshments -- Al and Mary Giehl.

Ed and Linda Allen welcomed 2 couples into our club, George and Una Shaw and Don and Jan Oesterich, and presented them with Swingin Eight badges.

We're trying something new, a newsletter once a month, any info please let yours truly know by the 3rd Sat. of the month.

We had some travelers in November, the Petrows, Prados and Riesenbergers went to Niagara Falls and Mary Prado went to Las Vegas--left Mike home so she could lose a little of his money--Mike's no gambler (good thing).

Oh candlelight how sweet it is.

Swingin Eights are having an EXTRA DANCE in February, Saturday the 8th same time, same place, Hosea Rogers at 219 Northfield Rd., Rounds at 8:00 Pm and squares at 8:30 pm.

I nominate Linda.

Thanks to out to Pat and Wes Marean for a great job cone with refreshments in 1974, to Betz and Knute Knudson for witty Promenader reports, Jack and Maryann Joyce for keeping us up to the minute, and last but no means least, Dot and Frank Petrow our Past Presidents, orchids to all.

Showers are fun.

A date to save and tell any class member. BEGINNERS BALL, Hosea Rogers, March 14, 1975 at 8 pm.

A quick recovery to some of our dancers who are on the sick list, and glad we are able to scratch some names off of that list, welcome back to you folks.

If we've forgot anything or anyone be sure and let us know and it will be here next time.

That's all for this time except, I nominate Linda

See ya,
Dick and Shirley Long

Swinging Singles

Jerry Carmen is the caller. The class dances at the Raymond Memorial Church in Fairport and Ed Butenhof is the class caller.

In the past month (Dec.) the club had a Christmas semi-formal dance with games and treats for all. George Phillips was the guest caller and M.C. In January the club went on a roller skating party and a pizza party later.

The club is planning the following events:

TECUMSEH SQUARES

Well our new year has started and we hope it is a good one for everyone. This month ask someone special this question, "Will you be my Valentine" and when they answer "yes" we have the perfect place for you to go, our Valentines day dance on Feb. 18th. Where else! (A reminder for the fellows, it might be nice to remember us on the 14th too!)

In March the Tribe is sponsering a number of seats for a hockey game. The profits are being given to Cliff Forest, president of the Redmens Club throughout the Country. Dliiffs' job is to travel throughout the country and although this sounds very exciting he pays all expenses, which comes to a large sum. The clubs throughout the country are also donating profits from tirbal activitys to help Cliff pay for some of his expenses. This is the least we dan do.

This game is open to any member of the Redmens Club and for all you Hockey fans we don't have to tell you what an exciting game it is. The more support we get the better and the more fun for you. So lets go, you'll have a reallllllilly great time. All you have to do is give your name to Ed Sulewski and he'll give you the information!

We are happy to say that Milt and Bonnie Glende are our M.D. Co-ordinaters this year, and we know they'll do a great job.

A get well wish goes out to Birginia Thorton, who has had back surgery. May you have a speedy recovery.

And a second wish goes to Ernie McLaughlin, we hope you are feeling better and will be back with us soon. (Second but not least!)

Lovebirds for the month: Toni and Don Wacenski-Feb.14th.

Now that the holidays are memories we can all settle down and concentrate on Transfer the Column or if you prefer Split Transfer.

Classes for the Triggers got underway with an open house at English Village School on Jan. 9 and will be held there every Thursday 8:00 - 10:00.

Our Winter picnic will be held Jan 11 at Ellison Park - with sports, games, good food and dancing.

The Feb. 25 dance for the club will be a covered sish supper, held at Bethany Presbyterian Church at 6:30.

VILLAGE SQUARES

Early in December the Village Squares had a fantastic evening--our Christmas Party--which this year was a combined class and club event. It was the first time we'd all gotten together and the big hall at Marvin Gardens was filled with good eating, comraderie, zany skits, and good dancing. (Say, let's hear it for the class..they really are good dancers!) And very soon now, we'll have yet another combined club and class evening--on Monday, Feb. 10th at our regular spot. There are some promises of some unusual goings-on at this dance, so come and see for yourselves. (This event is open to Village Squares only.)

Now we come to the news of the BIG TIME EVENING that's in the works for late February--the pre-spring FEBRUARY FLING which will feature two callers: Art Harris and Dick Casper; It'll be held Friday, February 28th, 8-11 at the Green Lantern Inn in Fairport. (See ad in this issue of the Promenader). It promises to be an exciting, different evening and we extend a cordial invitation to all area dancers to join us and see (hear?) Art and Dick do their dual thing.

The club elections in December produced a fine group of people to serve for the coming year; we welcome to office:

Chuck and Rita Meyers	Presidents
Joe and AnnaJean Carracci	Vice-Presidents
Carl and Ida Bundschuh	Treasurers
Bill and Nell Burton	Secretaries

Our sincere thanks to our out-going officers and a special note of thanks and appreciation to Frank and Norma Salvagio, who as founding presidents have done so much to get this club rolling. Even though their good organizational skills were often kept in the background, their amiable good humor and friendly spirits were always front and center. God Bless, and we luv' ya', Frank and Normer. 14

Next month, in this space, you'll be hearing from Dave and Joanne Poland who will take over as Promenader correspondents. We, the Howards, have liked the challenge of doing this monthly column, and the thrill of seeing our words in print has balanced our cargin at the goofs we've made. All in all, we've enjoyed it and hope you have too,

See you dancing!

Wayne Westerners

With the New Year also comes, a slate of new officers; President; George & Sylvia La Fave; Vice President; Gordan & Sue White; Secretary; Erwin & Bea Ostertag; Treasurer; Steve & Nellie Saccone. At this time we'd like to thank the old officers for a fine job they have done in the past year.

On Dec. 19, the club and class got together for a Christmas party and pot luck supper. After a supper of various dishes in the cafeteria, we adjourned to the auditorium for an enjoyable evening of dancing.

We all missed Floyd Kuhn at our Christmas party, and wish him a speedy recovery.

Bob Slomcenski will be with us again this year calling rounds between tips.

Glad to see so many dancers coming to our Thursday night dances and hope to see more come in '75.

Which Way Whirlers

Dec. 7th, we were guests of the Batavia Twirlers and had a good time dancing to Larry Dunn.

Jim Landen was our Special Dance caller in December and Bernie Hayward cued the rounds.

Presidents this year for the Whirlers are Mary & Jake Weber and Ken and Norma Walton as Vice Presidents.

Our Christmas smorgasbord dinner and dance were a big success. The class joined us and they are all doing very nicely.

The Which-Way Whirlers all had a good time at the New Year's Party sponsored by the Wyco Promenaders. Thanks again for a good time.

Our next regular dance is Jan. 22nd. Guests are always welcome.

Wyco Promenaders

We closed the year with a full house at our annual New Year's Dance at Letchworth Central School. We were happy to see a lot of new faces and even some old ones from way back when. A special thanks to Boots and John Bray who headed up the committee.

Coming up is our Valentine Dance-Feb. 14. The ladies are to bring a fancy box with a dessert:for:2:inside. The boxes are not auctioned off. We tried a new way last year and it was a success and a lot of fun and we are looking forward to it again this year.

Remember the welcome mat is out and we are always pleased to have guests join us.
