"THE GRADUATING CLASS OF 1976".....That does have a nice ring to it, doesn't it!! We sincerely hope that all you new graduates will look back on this great Bi-centennial year as the beginning, or perhaps the continuation, of a most rewarding experience - your introduction to the wonderful world of Western Square Dancing. You no doubt have been told by many seasoned dancers that you have only "scratched the surface" of the square dance picture. If you have not already done so, you will probably soon find your toes tapping the floor in time to that great Round Dance music you hear in between squares, and wondering how soon you, too, could do that. Anytime you feel you're ready, is the answer. Try it, you'll like it. Then, there's the campouts, weekends, workshops, picnics, pot-luck suppers just to mention a few of the fringe benefits. A word of caution, however, don't try to do too much too soon. We urge you to dance throughout the summer whenever possible and to take advantage of the many P.C. classes and workshops now being offered, but we suggest you do not get in "over your head" and end up being overwhelmed and frustrated. Take it in easy stages, savoring each step along the way. We want all of you back in the Fall just as full of enthusiasm as you are now! We do, in fact, need you.

We look forward to seeing you at your coming-out party-DANCE - O - RAMA and here and there throughout the summer months, and surely, again, in the Fall.

Yours for a "FUN" year,  
John and Daphne Fink

## Batavia Twirlers

Diplomas were presented to twenty members of the Batavia Twirlers Square Dance Club, who completed 26 weeks of lessons in Western Style dancing under the capable direction of their teacher Ron Fotch. The graduation ceremony was the highlight of the St. Patrick's Day party at John Kennedy School.

Our club is making plans for the annual campout from May 28th thru 31st to be held at the 4-H campsite in Varysburg, N.Y. Chairmen of the event are Leo and Mary Ellen Parsons, 7608 Lewiston Rd, Oakfield, N.Y. Phone: 948-9419. Hurry and get your reservations in as the accommodations are going fast although at present they can still accommodate a few more families. Outside clubs are invited to attend, but must write or phone in their reservations to the above address. There will be fun for all with swimming, fishing, tennis, horseshoe pitching, baseball and games for the children and also a pot luck dinner. They also hope to have church services at the camp on Sunday morning. There will be square and round dancing every evening from 7:30 to 11:30 P.M. Larry Dunn and Leo Parsons will be the callers. Every club is invited to attend the dancing in the evenings even if they are not campers. Workshops will be held on Sat. & Sunday.

Dates to Remember: May 8th Dan Dedo will be calling at John Kennedy School at 7:30 for rounds - 8:00P.M. for squares and we will also have election of officers.

May 15th - Installation Dinner Dance at 6:30 at John Kennedy School and Larry Dunn will be calling.

Sunday, May 16th - We are to be guests of Cloverleaf Squares at Chili Town Hall, 3235 Chili Ave, Rochester, N.Y. Mike Callahan will be calling from 8:00 to 10:30.

CANCER DANCE - October 16, 1976 The dance seems a long way off, but we must keep this date before us as our chairmen, Betty and Burt Wolcott, are in charge of the Cancer Dance and their co-chairmen, Lou and Ron Snyder, are already forming committees and working out plans for this big event. This is our club's special charity dance and everyone is expected to participate.

Charley and I are signing off in the hopes that all club members enjoyed the Easter holidays.

Have fun dancing,  
Doris & Charles Veltz

## Boots n Slippers

Our new graduates are now in the swing of things. Dancing with us on Friday nights and doing as well as (or better than we are). Come and see if you can tell the graduates from the ones who have been dancing for awhile. No, that isn't a graduate that just missed a call; it was a member who has been dancing for awhile.

Another successful Muscular Dystrophy Dance was held on April 10th. It is a pleasure to go and see what the committees can think of. The decorations are always so enjoyable.

We will have only two open dances this month. May 7th Mike Callahan will be calling and on May 14th Bruce Shaw will be calling. Our May 21st dance is a closed dance as it is our Trail End Dance. Boots 'n Slippers don't forget to sign up now for the Trail End Dance.

Don't forget Mike Callahan will be calling again this summer at the Merton Williams Junior High School. Look in next month's Promenader to get the dates of these dances. We wouldn't want you to forget how to dance over the summer.

## Belles 'n Beaus

Squaring with the IRS, we must have goofed somewhere on the "transferring the columns" to the tune of "no refund" - but we did real well on "dip in your pocket."

Aloha! Welcome back Tracys', Abbergers', Focs', and Weavers' from the beautiful Hawaii Islands along with Art and Vera Harris and his Harris Squares. Art is being swamped with requests for a "Hula Teach." Arky Style!! Requests for Cloudhopper's Badges should be sent to Si and Shirley Hulse.

We had a great dance with Canadian caller St. Robertson. (His lovely wife cued the rounds.)

Muscular Dystrophy Dance was again a success thanks to good support and dedicated callers.

May is a busy month. We have seven dances scheduled!! Class graduates May 3 followed by four nites of concentrated workshops by Art Harris on Weds. for club level dancers and new graduates for rounds and squares. Fri. May 14th we will have our 14th year Trail End. Our "Directors" promise this to be a real Wing Ding! In addition some Belles & Beaus will dance May 21th at Athena High with Stan Levandoske calling.

Our annual Car Rally begins June 6th, ending at Alex & June Elich's. Si and Shirley Hulse will be calling the (wrong) turns.

At this writing time, plucky Betty Selbert is in Rochester General Hospital (accident), but still determined to maintain her perfect (over two years) square dance attendance record. Maybe we will give you a "dangle" to add to your "mended heart" pin, Betty. Speedy recovery.

See you squaring around,  
Norm & Althea Rosenburgh

IV.4 The availability of an item is inversely proportional to the need for that item. - Murphy's Law

Our thanks go to Sally's Square Line who, after making at least one wrong turn on the way to our graduation dance, delighted our new club members with a showing of square dance merchandise.

More Murphy's Law: The man who developed one of the most profound concepts of the twentieth century is practically unknown to most people. He is a victim of his own law. Destined for a secure place in humanities' hall of fame, something went wrong. His real contribution lay not merely in the discovery of the law but more in its' universality and in its' impact. The law itself, though inherently simple, has formed a foundation on which generations will build. Infact, the law first came to him in all its simplicity when his bride to-be informed him of the impending birth of an heir to the family fortunes.

Mother's Day Dance coming up in May...if you're married (not necessarily a MOM, though) you and your better half can come to our dance for half price...It's at 8:00 PM, at the Chili Town Hall, Sunday, May 9th...it's cheaper than a box of candy.

Got a dance on the 16th and another on the 23rd, too! Nothing special about those except for marvelous Mike Callahan, air conditioning, free refreshments, and a lot of friends who want to meet you.

And more Murphy's Law - If you mess around with anything long enough, you'll bust it.

**Lima Grand Sqs.**

The benefit dance for Jerry Bradt on March 13 was a success. Thanks to everyone who attended and special thanks to those whose help made it a success. At this writing we hear Jerry is out of the hospital and feeling much better.

Our class graduated and they are a nice addition to our club. Seven couples went down to Naples on March 28 and returned home with the Naples Valley Club banner. Our officers are taking reservations for our summer campout at Skybrook. This has always been a nice event for our club so make your reservation. Even if you aren't a camper, try it...you'll like it.

Our club takes a break during the summer. We will be dancing with Dick Casper on May 7th and having our Trail End Dance on May 14th with Dick Casper also. We dance in the Lima Town Hall.

**Merry Mixers**

Hope everyone had a Happy Easter and a great time at the Muscular Dystrophy Dance!

Congratulations and best wishes to our previous Publicity chairmen, Margaret Cocchiara and Chuck Lentine who have announced their engagement. They will soon be joining the "Married Mixers."

Get well wishes to Joe Petrilli, who is home now from Rochester General Hospital and Eric Michaelsen, who is recuperating from a pool accident in Hawaii. Hope you'll both be back dancing with us soon.

On April 24th, a group of Traveling Turtles had dinner at the Garlock House, and then danced with the Kuntry Kuzzens at Larry Spavin's retirement party.

May 6th - Cloverleaves and Swinging Singles have been invited as our guests.  
 May 13th - Guest Caller - Ron Fotch

We are dancing at the Monroe Community Hospital on Saturday, May 15th, 2 - 3 P.M.

May 20th is our Merry Mixer Reunion Dance. All previous Merry Mixers are FREE guests. Both couples and singles are welcome. Dance with your spouse all evening if you wish. Wear your badge if you have it. Come visit and dance with us! Remember the date - May 20th, FREE dance to all ex-members of Merry Mixers!

We are an Adult Singles Club. If you've lost your partner, don't lose out on the fun of square dancing. Come dance with us.

Happiness is: "Dancing with the Merry Mixers."

**Wyco Promenaders**

Beautiful Spring time, at last, and all those lovely dances coming up. WYCO the last month came through the ice, rain and snow, smiling and dancing, as we graduated a wonderful class of 16 couples. This year for the first time the class entertained the club, with three sketches. No club has dancing girls like ours. I am sure we are going to enjoy them. On April 3rd WYCO were guests of Batavia Twirlers and April 9th Whichway Whirlers were our guests to a Pot Luck Supper. On March 26, the club nominated officers for another year, with Bob and Edna Myers as the new Presidents. A big JOB WELL DONE, goes to our past Presidents, Ralph and Edwina Fuller, as they step down. They spent many hours on Club work; it is much appreciated and so with us, Bob and I hand over pen and paper to new Secretaries, Howard and Vangie Eddy.

WYCO Sec.  
 Bob and Mermie Lemley

## Country Twirlers

Our March 27th dance was certainly a lot of fun as Mo Howard & Betty Wolcott were our guest callers.

On March 13th, 19th and April 3rd our class were guests and did very well. On April 3rd Jerry Carmen & Bob Slomcenski were our guest callers and everyone enjoyed dancing to them. Betty Carmen also cued a round for us and it was very well done.

H.B. Price & Ken Sorenson are recovering from surgery. We hope to see them dancing again soon.

Our deepest sympathy to Ann & Les Ezrow on the death of Ann's Mother.

Our Trail-End dinner will be on May 8th and a delicious dinner is being planned by Evie Ortman & Helen Ower, dancing as usual at Washington Irving School.

A reminder: Jerry Carmen is having workshops Tues. evenings, May 4th, 11th, 18th, 25th, June 1st and 8th, 7:30-10 P.M. at Washington Irving School.

On May 14th we will have a National Caller Dave Taylor with Bob Slomcenski cueing rounds. Come dance with us.

As part of your Memorial Day Weekend, come join us on May 29th and dance with Jim McQuade. See our ad for details.

Plans are well underway for our camp out and Potluck Picnic and dance June 4th, 5th and 6th at Hamlin Beach State Park. Reservations will be taken until May 8th. Please contact the committee if you plan to attend. A full program of events is being planned for all ages starting at 1:00 P.M., Sat. June 5th. Dinner will be served at 5:00 P.M. and dancing with Jim McQuade at 7:30 to 10:30 P.M. A breakfast for all campers is planned for Sunday.

We welcome our new graduates and look forward to dancing with them.

Until we Square Up again.

### NON FEDERATION NOTES

S.T.A.R. TWIRLERS -- Twenty excited, happy teens joined the club on our graduation night Fri. April 9, at the 4-H building, Genesee County Fairgrounds. Ron Fetch conducted an evening of fun and games and Tony Warner, a new graduate dancer, and his parents, had an after party for all to enjoy. The next club dance is Friday, June 11th, at the fairgrounds. 7:30 to 10:30 pm. All teens are invited to join us for some dancing fun.

## EKC-O Squares

Puka shells and Kukui nuts?

You don't eat 'em - you wear them! And after April 23, they'll probably be part of your vocabulary. Guys and Gals alike were donned in typical Hawaiian dress trimmed with baubles, bangles and beads. The Hawaiian scene was as real as limitations would allow - first night in Kodak Office proved to be a real winner.

We'd like to take this opportunity to welcome the new club members into the wide, wide, world of Western Square Dancing. On April 21, the class graduated twenty couples under the able teaching of Bob Ellis. Old members try to exercise patience and understanding when these new people appear in your set - try to remember how you felt when you were standing in brand new shoes on a strange dance floor.

Nice to see Lee Mathews back dancing again. She stated it was nice to be back and really appreciated being asked to dance by those men whose partners needed a little rest.

Norma Baker relayed the fact that she ran across Lillian Loveland (Roger's better half) who broke a hip last July. Nice to know you're out and around again, Lillian, sorry that news of your injury traveled so slowly. Erik Michaelson (still) seen on crutches. Hope to see you both back dancing real soon.

Clint McLean, studying to become an optometrist, called a real fine dance on April 3, as did Francis Zeller on the 10th.

Our schedule at Kodak Office continues with top notch callers - Dick Bayer from Fenton, Michigan on the 7th, Jim Cargill from Sewall, New Jersey on the 14th, followed by Ken Anderson on the 21st starting at 7:45 with a workshop. No dance on the 28th, Memorial weekend. June 4th we'll be back at KAD for one nite only. Stu Robertson from Tronto, Canada will do the calling beginning at 8 P.M.

We don't intentionally try to overlook our round dance cuer, Betty Wolcott, who is with us at all dances as regular as clock work - we'll just have to nickname her "Steady Betty". We really do appreciate her cueing.

Getting too windy again - bye!!

St and Shirley Hulse

## Fiddle A Rounds

We goofed! Just never got our column or schedule in last month. Sorry about that.

Have you ever noticed that dancers are great travelers? And the nice part is that they usually can find another club at the other end or at least on the way. We've had Brunshidles in Florida, Browns in Antigua, Reisenbergers in Trinidad. The Winsteads will be dancing in Alabama and the DeGraves and Falls even shuffled off to Buffalo to dance with Weises and Hi to Tip and Millie dancing the winter away in Florida.

And just look at all those nice people who came from everywhere for the MD DANCE! Words are not enough for everyone. Dancers and workers!!!! Thank you and Bless you all!!

Our latest dance? It's "Spanish Gypsy".

## Geneva Friendship Sqs.

The coming of spring has been a busy time for the club. The month of March started with a fashion show on the 12th by Pearl's Fashions and now some of the girls and fellas are sporting new clothes. The class joined us at this dance along with some visitors from other clubs and everyone had a good time.

The 21st of March found us dancing to the calling of Ken Anderson. We had a nice turnout of dancers and had an afternoon of good dancing.

We wish to welcome Pete & Lois Pettinger, Bill & Helen Sherring, Susan & Harry Givelber, Bud & Ann Meath, Pat & Fred Linsner, Bob Heitman & Patty Bush, Nancy Hall, Pat Meath, Linda Croll, Joan Mason & Keith Overslaugh as new dancers. They're all good dancers and we hope they will continue to enjoy many years of dancing.

Our Presidents, Jessie & Fuzzy Clark are spending a few weeks in Florida. We hear they are having a real good time. Lucky People!

Our new officers starting in May are:

|                 |                         |
|-----------------|-------------------------|
| Presidents:     | John & Arlene Densk     |
| V. Presidents:  | Harry & Aggie Jurgens   |
| Secretaries:    | Dick & Helen VanBuskirk |
| Treasurers:     | Mary & Marty Miller     |
| Publicity:      | Sandy & Estelle Katz    |
| Federation rep. | Harry & Aggie Jurgens   |

We wish the new officers lots of luck in the coming year & thank the past year's officers for doing such a good job. It's not easy!

The Trail End Dance is coming up May 23rd. This dance is for Club members only. Get those reservations in early.

Plans are being made for the Sauerkraut Festival on the 7th of August. Please save the date and come and square up with us.

## Genesee Dancers

We have good news and bad news. First, the bad news! Charlie and Perkie Tucker are leaving Genesee Dancers after the current season. The good news is that Bob and Nora Elomcenski will be our round dance teachers next year. Bob and Nora are proteges of Tuckers, who presented them to the club at a recent dance. Incidentally, Bob has already introduced us to his replacement, Matthew Allen, 6 months old, who attended the dance along with parents, Bob & Nora, and who seems to have just the voice necessary for a good instructor--clear and penetrating. Matthew will fill in for Bob just as soon as he starts talking!

Glad to see Verna Sesso back dancing after a bout with pneumonia; and Roger Courneen dancing while still recovering from four cracked ribs. I guess you all know by now what happened to Pauline Bennett--Art dropped their boat on her arm.

We hear former member Neal Maxon is recovering from open heart surgery. Send a card or note to Neal at: 1432 Fifth Ave., Sebring, Florida, 33870. We're sure he'd be pleased to hear from you.

We had a big enough birthday cake for Charlie Tucker's birthday to accommodate all his candles, and plenty of help to eat it too. Doris Root is the creative individual who made the bicentennial doll we all admired.

Best wishes to Carl Hansen who is retiring from the Rochester Police Dept. this month. It's wedding bells this summer when Vic & Eileen Enter's son, Steve, is marrying Debbie Mintz of Webster.

Here's a hearty welcome aboard to our new club members who graduated in ceremonies presided over by VPs Jim & Ruthe Madison. All 26 couples proved their competence in the shoe box and sack dances. Named 'Angels' were Ruth & Skip Edmonds who were so devoted they never missed a class.

A few words of wisdom to our new club members: Repeat, "Square dancing is fun." at the beginning and end of each new workshop figure, keep smiling, and if all else fails, shout, "Where's my corner?" For that matter, that's not such bad advice for those of us who are long time dancers either!

See you Thursday,  
Carter & Jeanne Perkins

## Henrietta Friendship Sqs.

It is hard to believe that the dancing year will soon be over. Our Trail End Dinner Dance on May 22nd will be at Kelly's East this year and we hope everyone will be there. Watch for announcement of time and details.

We have two workshops in May, the 12th and 26th at the Roth School. Remember these are for recent class graduates as well as club members.

We enjoyed being with the Tecumseh Squares in March and they will be our guests on May 8th. Our club has also been invited to the Cloverleaf Club on Sun., May 30th. and to Which Way Whirlers in May. See you at the dances.

## Irondequoit Sqs.

CONGRATULATIONS AND WELCOME GRADUATES! The evening of April 3rd was graduation night for the Irondequoit Squares "Class of '76". The club had the pleasure of welcoming twenty (20) new couples as members. On behalf of all the officers and members we extend a warm welcome to each of you and trust you will enjoy a new dimension of fun and sociability that only square dancing can bring. We also look forward to dancing with you at our forthcoming events.

New members are the lifeblood of any square dance club and it is especially gratifying to add such a large group of fine people to our membership roster. A special note of thanks goes out to Bill Wilcox for the fine class he has turned out and for the "something extra" he seems to put in. We would also like to acknowledge the hard work and dedication of the Membership Committee (Bob & Linda Yeckel, Harold & Dena Jackson, Bob & Joyce Hogarth) for their part in bringing the new class aboard.

To commemorate this special occasion, and our nation's bicentennial year, Norm Faro presented a class bicentennial flag made by Ruth Gulde of the Irondequoit Class of '76.

PAST EVENTS: March 27th was another gala evening for our club. We were hosts to the PAIRS - N - SQUARES of Syracuse, N.Y. and it was a return of the hospitality displayed by that club when they invited us to Syracuse last year. It was a wonderful evening thanks to the efforts of all our club members who extended themselves to make the affair a success. The artistry of Bernie Root was very much in evidence with the sharp looking "welcome" signs he made to make our guests feel welcome. A special bouquet also goes to Virginia Pénoczek for the many beautiful table decorations that brightened the tables of the school cafeteria with an "Easter Theme". On March 30th we were invited guests of the Tecumseh Squares. It seemed like old times dancing to the calls of Bruce Shaw. Thanks for having us and we enjoyed dancing with your club. Bob Morrison was our guest caller at our regular dance on March 13th. Bob had a nice dance, but the turnout was light because of the benefit dance held for Jerry Bradt the same evening.

SPECIAL NOTE FOR OUR NEW GRADUATES! Now that you have just completed your "basic training" in square dancing it is of the utmost importance to continue dancing through the summer months so that when the fall season rolls around you will be well prepared for a full season of club level dancing. For this reason, and in response to the many requests received from our recent graduates, The Irondequoit Squares will conduct a summer POST-GRADUATE DANCE CLASS. These classes will be held at the air-conditioned BAYVIEW YMCA, 1209 Bay Rd., Webster. Classes will start on Thursday May 20th and continue through Aug. 26th., from 8:00 to 10:30 P.M. and will cost \$3.00 per couple. Spread the word! Take this opportunity to continue where you left off in class and the chance to improve and enjoy your dancing.

Spring has sprung and activities are happening all over the place. With graduation over we now have a big job making these wonderful dancing people feel at home dancing with us.

Our trail end dance is May 8 at Kelly School. Come join us for a fun night of dancing.

May 13 we are looking forward to that man with the Guitar, Dick Leger. Come help us fill the hall that night.

It seems there are so many great dances that we can't possibly squeeze them all in. A group of us attended 4 dances this past week and they were all entirely different and great fun.

We have a good gang going to Rockies Camp in Boonville for Memorial Day weekend, and perhaps we'll see some of you there, until then have fun dancing.

Let's square up

Our Trail Ends dinner and dance will be May 19th with the club enjoying a buffet dinner at 6:30 P.M. followed by an evening of dancing open to all at 8:00 P.M. at Albion Middle School.

At the end of April we enjoyed a mystery ride and dance.

SURPRISE! Our Club members dropped in unexpectedly last month on the Class members. What a look of shock on their faces when they saw us "dressed-down" for a "Hobo Fashion Show"! After working up an appetite dancing, the "hoboes" shared their picnic lunches with the Class.

We welcome back Stefen & Francesca Tschokasch from their trip to Hawaii and Fred & Irene Sorel from their trip to the Bahamas. You all have a head start on us with your beautiful sun tans.

Our heartfelt sympathy is extended to Bob Wordingham at the recent death of his father.

We are indeed happy that Dick Hess has recovered from his illness. He & Ann dropped in to say "Hello" to the Club members last month, and he looks "great."

Our SPRING FLING will be the big event coming up this month. It will be held again, this year at the Greece Grange. The theme this year will be "Cherry Blossom Time, Washington, D.C." Don't miss it! It will be held on Tuesday evening, May 11th; dinner will be at 6:00 p.m. Martha Haug will be in charge of Decorations; and Bob McConkey is in charge of Entertainment. Tickets will be \$4.00 per person for club members, and \$6.00 per person for guests. Don't forget to make your reservations with Larry Kennedy.

# Swingin' Eights

Everyone has spring fever, cleaning up their yards. We even have some bringing their garden tools to club dances, also a few in relaxed nite wear, some in shorts, some with towels wrapped around, funny t-shirts, one with shaving cream on his face. As you can see, we're writing about the "Come As You Are Dance". It was a big success & loads of fun. Hope Bruce didn't lose his singing voice. He did a TREMENDOUS job! Also thanks to Charlie Tucker for filling in for Mike Prado on rounds. And, also to say thanks to Kay Ramsey for the decorations. Hope we can do a "singing call" nite again in the near future.

Our class members are to be congratulated on a well done and planned "Beginners Ball". Beautiful decorations and food. The support of the club members was gratefully appreciated. Where were the rest of you? We missed you!

Swinging 8's enjoyed a fun evening with Tecumseh Sq's. We thank them for their hospitality!

Dick and Ann Leicht have returned from their vacation to Hawaii. Welcome back!

Nothing like everyone helping push Jack Kennelly's car with emergency brakes on. How about it Jack!

Mike Prado tells us he is going to retire from cueing rounds. He has done a fine job. It's time to relax and enjoy life a little. Good Luck, Mike and Mary!

Uncle Seven put on a spaghetti supper for our class, April Fool's Day. From all reports they had a good time. They need more contact with other club members. So let's try to keep them. They'll be a nice addition to our club.

Date for their Graduation - Saturday, May 15 - at Hosea Rodgers School. Let's all come to welcome new class members into our club. Square dancing will begin promptly at 8:00--

# TECUMSEH SQUARES

Our Guest Night on March 30th was a real fun evening. We had an excellent turn-out.....33+ squares...and it has to rate as one of the best dances of the year. Thanks for joining us....Do it again soon!!

Class graduation was held on April 6th. Congratulations to the Class of '76 and WELCOME to our club. It was an excellent program - our thanks to all involved and a special thanks to Chip Kellogg for his fine work, sincere interest and general good fellowship over the last three years.

Our summer schedule starts with a Bi-centennial Dance on May 4th. Period dress is encouraged, but the main thing is to come and enjoy.

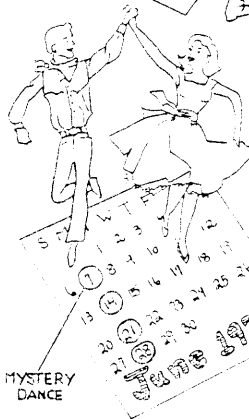

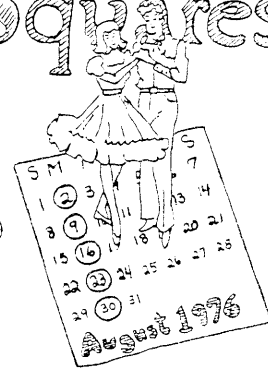

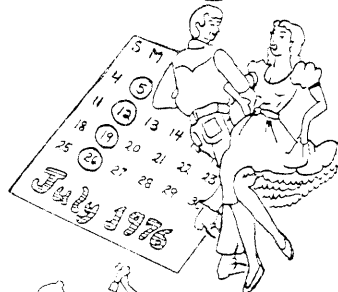

The club was saddened by the passing of Tony DeCarlo and deepest sympathy is extended to members of the family.

CHIP KELLOGG will be guest caller on May 18th and BILL WILCOX on June 1st. We will also have a FASHION SHOW on June 1st, courtesy of the IRONDA SQUARE DANCE SHOPPE.

# Promenading Bs

Last night, April 7, we attended Graduation of the Promenading B's. I waited to write this column so I could include an accurate account of this all important event. As we entered the cafeteria I heard a strange but certainly happy sound. A colorful group of senior citizens known as the Kitchen Band were performing. They certainly were a humorous addition to the program. Next the 16 class members were put through their final exams and passed with flying colors. (Yellow & Black) Diplomas were handed out to the following:  
Chuck & Golly Mierke Bob & Marilyn Dailey  
Pete & Marilyn Löhner Mike Muekeisen & Sheryl Allen  
Dorothy & Ray Hamilton Dave & Eileen Waters  
Jim & Char Whipple Lee Van Buren & Margaret Clark

Congratulations and a warm welcome to the new B's.

Stepping back a bit, the Black Out dance was a huge success with 25 squares filling the Byron-Bergen Gym. This is a unique experience as many dancers soon found out. The decorations & refreshments were great. Thanks to all contributed to the success of our big dance.

Looking forward to attending and reporting the MD & DOR dances with real excitement. This time of year never fails to be the busiest and most exciting time of our square dance year. See you all on the dance floor.

Nelson & Carl Stamp

P.S. Plan your summer vacation so you can attend the B's campout, Aug. 5-6-7 at Ron's Campgrounds. See Truak's about Decals for summer T-shirts.

## Singing Squares

HEARTY CONGRATULATIONS TO ALL CLASS MEMBERS--now full-fledged graduates-- new members of our club! They gave a fantastic performance on April 8th and passed their tests with flying colors. We are proud of them and know that they will surely enjoy their new experiences of dancing at club level. It hardly seems possible that we graduated only one short year ago.

And, congratulations to you, Elwood Johnson, on the graduation of another class. May you and Vi treasure always that lovely, hand blown glass pitcher the class presented to you. And, thanks to John and Lorene Fratta, the sweetest angels we know!

All club members should save the date of Thursday, May 20 and plan to attend the "Trail End" gala affair being planned by our officers. A great time was had by all who attended last year! It is really an event you should not miss.

With the month of May comes Memorial Day weekend, the beginning of camping opportunities. Why not plan to camp at Skybrook this year where our own "Al Howe" calls during the summer months? It's a good way to keep your dancing skills.

Until next time, have a HAPPY and good dancing,

Bob & Gloria Klink

## Web Spinners

As the dancing season draws to a close, the Web Spinners are planning to make May a great month. The club is eagerly awaiting the class graduation on May 7th. The class is such a fine group of dancers that it will be a pleasure to welcome them as new members of the Web Spinners.

Our Trail's End Dance is scheduled for May 21st. The party promises to be a terrific finale to a fine year of dancing. At that time our new officers will assume their duties:

Presidents - Andy & Mary Kay Tanghe  
 Vice-Presidents- Ralph & Velma Bodensteiner  
 Treasurers - Bud & Rosemary Straube  
 Secretaries - Jack & Betty Ferrara  
 1st Board Member-Sid & Jean VanApeldoorn  
 2nd Board Member-Sandy & Gayle Sinopoli  
 Federation rep. -George & Bobbie Nielsen

It's good to be dancing with Asher and Marion Flint again, although our palefaces don't measure up to their Florida tans.

## Wayne Westerners

On April 3rd the Wayne Westerners put on a demonstration dance at the Baptist Home in Fairport. There is a great deal of satisfaction in bringing a little pleasure to people who have so little.

Our graduation was April 29th - and we are really looking forward to having these new members dance with us from now on. A bunch of lively wires!! - As we found out on April first when the class burst in on us in the middle of our regular Thursday night dance - to show us what April Fools we really are. Our room was crowded because we also had several couples from Kuntry Kuzzins visiting us, but it only made the spirit friendlier, especially when we found our refreshments were sandwiches brought in paper bags by the class and served picnic - fashion as we sat on the floor. Fun!

Well, April was a great month, but May will be busy, busy, busy - with a May Day Dance on the 6th, our BIG ANNUAL APPLE BLOSSOM DANCE on the 21st (be sure to come and dance with Stan Burdick - Bob Slomcenski cueing rounds). Followed by our Trail End dance on the 27th. A big month and ending with the Memorial Day weekend when many of us will be going away - some to the Association Island weekend. -- So - on with the dance, and goodbye for another month.

**VILLAGE SQUARES**

Growth comes quickly to a club that has a class graduation! Village Squares is now stronger by some sixteen or so good dancing couples. What an exciting graduation ceremony! Lovely decorations by the Castors and Hembrocks turned the hall into a charming school room. Ray and Frieda Laning's careful program plans were carried out well. Even unscheduled events were memorable. Certain clever class members triumphed in the game of one-upmanship by playing antics on the club. And, having a caller whose name is Casper and a trademark a ghost leaves all kinds of possibilities open to the schemers among us. It really is spooky to dance in a square with a ghost in the middle! What new dancer could ever forget trying to dance a square on a mattress or holding a balloon between his legs! It was great fun and we are delighted to have several new friends in our midst. Isn't it exciting to see people on their way to enjoying your own favorite pastime?

Another party for Village Squares in May - Trail's End is scheduled for Monday, May 17, at the Green Lantern Inn, Fairport. Happy Hour is at 6, a buffet dinner at 7, followed by dancing. Vice-Presidents, Ray and Frieda Laning, are in charge and several committees are hard at work. Reservations must be made by May 10th with either Howard and Glenna Carey or Bunny and Harry Gorman.

Other Mondays in May will be regular dances, including Memorial Day. Round Dance workshops will begin at 7:30 and will be cued by Dorothy the first three weeks, after that by Charlie Tucker. The first Monday in June we can look forward to a mystery dance.

All of us at Village Squares want to send our special wishes to Dorothy and her new husband, Robert Jensen, for a life of happiness together. Congratulations, friends! We will have Dorothy with us to cue rounds until Trail's End. Then, send her off to enjoy the summer at Mrs. Jensen.

There will be dancing at Village Squares all summer long, except for Labor Day, so put us on your schedule. New dancers, this is a good chance to sharpen up your recently acquired skills in a pleasant atmosphere! We welcome visitors always.

DOR '76 NEWSLETTER #6

## The Tucker Award

WHAT IS IT? The Tucker Award is a trophy that will be awarded for the first time at Dance-O-Rama '76. It will be a circulating award given to a club at Dance-O-Rama and retained by that club until the next Dance-O-Rama. The club awarded it three years in succession may keep it permanently.

WHY? The Tucker Award will be given to a club because it has made an outstanding contribution to Dance-O-Rama that year. It is an attempt to give recognition to that club which has tried the hardest to make DOR a success and pleasure for all of us.

WHY IS IT CALLED THE TUCKER AWARD? Western square and round dancing is overwhelmingly successful. Too many of us are not aware of its beginning and its struggling a quarter of a century ago. How many, better yet, how few, of us are aware that it

was through the efforts of one couple and one couple alone - Perky and Charlie Tucker - that western square and round dancing was brought to Rochester and exists here today? Through that one question - "why is it called the Tucker Award" - we keep our origin from being lost in history and becoming only a subject for speculation. This is an attempt to show our gratitude to our founders - a gratitude that can be expressed each time the Tucker Award is presented.

HOW WILL THE WINNER BE DETERMINED? A point system has been devised to credit each club so that size alone will not be the determining factor. It is hoped this point system will reveal the club whose members have participated the most, regardless of the size of the club.

Norma Salvagio
