Editor's
Note:

GOOD BYES --

With unquestionably mixed emotions, it's time for us (the Willers) to yield our position as Promenader editors to your new (and very capable) editors, PAUL & FLORENCE FROST, who have already done a super job as co-editors this year. They have consistently gotten the PROMENADER out for mailing in record time (and on time!) Paul & Florence have taken a great interest in the paper this year, and we know they have some good ideas for NEXT year's Promenader and are 'itching' to try them.

"THANK YOU" to JOHN FINK for all his help in this past year, and to all the correspondents and advertisers for their contributions to the content of the Promenader.

It will be nice to have all that spare time to waste (although the 'spare' time always mystically disappears into other activities.....) At the same time, we will miss the close contact with so many nice people and the hustle and bustle of getting the next issue out on schedule. Being editor of the PROMENADER truly places one in the middle of all the square dance activity in the Rochester Area!

HELP IS ON THE WAY --

Your new Co-editors for next year will be BILL & JUDY WILCOX. We are extremely pleased to welcome them to the Promenader staff. Both Bill and Judy are already very busy and active in square dancing, with Bill's calling, and Judy's work in the Ironda Shoppe. We know they will be a real asset to the Promenader as they perform their editorial duties.

LOOKING FORWARD --

Copy for the September issue is due on AUGUST 10. This is before the fall dance season begins, so you correspondents will have to be on the ball or it will sneak up on you.

CORNER

Our term as presidents is nearly over and it's been an interesting experience. The help and cooperation of all the officers have made our job easy. Many thanks to Rita & Chuck, Cay, Beverly, and Jean & Neil. And we're sure everyone who reads the Promenader appreciate the tremendous job the editors have done.

The 19th DOR was a great success due to the effort of all who helped, especially the committee. As John Fink put it, 'Someone must have prayed for the weather' -- it was ideal for dancing. We are sorry, however, for the inconvenience to the round dancers at the time of the fire alarm. The alarm was real, but the problem was caused by a misunderstanding. We enjoyed meeting and talking to the club officers who took a break during the officers' coffee hour.

The replies to the questionnaire regarding the demonstration dances at the county fair are being returned very slowly. It would be a great help in our scheduling to have them as soon as possible.

Our best wishes to the new officers of the Federation who will be elected at our next meeting -- June 15.

 XPERIMENTAL WORKSHOP CALL OF THE MONTH

KEEP BUSY

By Lee Kopman, New York

The action starts from parallel two-faced lines. The couples facing IN will EXTEND to form a two-faced line thru the center. The centers of this two-faced line (girls) will CROSS-RUN while the ends (boys) will flip over like in SCOOT BACK. This results in an ocean wave with boys as centers and girls as ends. The couples left facing out will circulate as a couple to end standing behind one-half of the ocean wave. The dancers in the wave will make a right about-face. In the outside couples, the boys will walk straight across the set and ALL the girls will DODGE to their left to form parallel ocean waves with the boys facing out and the girls facing in.

NOTE: This call came from a write-up by Jack Lasry of Florida, who suggested it only for the very experienced dancers; but the mainstream level dancers in my workshop learned it easily and selected it over three other calls as the one they liked the best. (Jerry C.)

A SQUARE

A ROUND

TOWN

Well, the Dance-O-Rama has come and gone. It will probably be best remembered as the "Gong Show of '77."

Gary Brown was calling when those fire gongs first went off. He stopped and asked, "What's that for?" I told him that in Brockport every time a caller goofs they ring those gongs. I don't think he believed me.

Anyway the gongs continued to clang, sooooo I followed the crowd outside. Too cold! went to the Basic Challenge room. There I was challenged at the door. I was asked for my name, rank, and next of kin. Why? Because they said I could get killed in there.

Sooooo I went next door to the Advanced Dance room, where some high level standing was going on. I don't think you're allowed to smile in a set here. There must be a penalty, like having to sit out a tip, if caught. This must be so because the only ones smiling were sitting along the walls, watching and smiling.

Here's where I found my only competition for getting paid to stay out of your set. Si Hulse was charging a dollar. I couldn't believe it, a whole dollar. Then I saw him dance, now I believe it! It's worth a dollar to keep him out of your set.

Well, by now I figured the gongs had stopped, sooooo I went back to the Mainstream hall.. Nobody dancing! Bruce Shaw told me that Bud Young, who wants to be a fireman when he grows up, saved the caller's equipment and took it to the Round Dance hall.

Sooooo on to the round dance hall. Just through the tunnel I met Bud Young coming back from the Round Dance hall. He told me it might be wise to wait a bit before going in. "Why?" I queried.

He explained. He said he knew round dancers were very agile and that they jump up and down when they are happy. But he never saw them jump soooo high and even hit the ceiling. This they did when they saw the square dancers come into their hall. (Boy, they must have been happy) He said that some were still up in the air and he was afraid one might fall on me. I didn't go in, I would hate to see a Promenader headline, "Marve falls on Hal".

All this walking made me very thirsty, soooo on to the Rathskeller. In I went to join the blue jean crowd. Beer, small or large? I'll have a large one. Large! first time I was ever served a tub of beer. I didn't know whether to drink it or soak my feet in it. I felt a little piggish, but I drank it, even though it took me until the wee hours. Then this little piggy wee wee wee'd all the way home.

Thanks anyway,
Hal Abberger

(Hal's 'Calorie Counter' column was published in the April 1977 issue of the American Square Dance Magazine under the 'Hemline' (?) column.....didn't know you were into sewing, Hal.....Ed.)

CHALLENGE
DANCE
NEWS

ITEMS OF CURRENT
INTEREST TO THE HIGH
FREQUENCY DANCER IN
THE ROCHESTER AREA

It was a pleasure to see the Advanced and Challenge Halls both full all day and evening with enthusiastic and talented dancers doing their thing.

Many interested observers crowded the doorways to watch and some ventured in to try it a bit. When the Introduction to Advanced Dancing Sessions were held at noon and again in the early evening, the hall was literally packed with people eager to try this level of dancing. The many flyers and pamphlets on advanced dancing which were made available seemed to be looked over with interest and eagerly picked up.

Some of the upcoming opportunities available for those who want to try Advanced Dancing are:

1. A position dancing workshop on the 75 basic figures of square dancing. Tuesday evenings this summer (June 14 & 28; July 12, 26, and August 9 & 23.) at Southlawn School, Rawlinson Avenue, Irondequoit. Jerry Carmen will lead this group and prepare these dancers for admission to Advanced Basics classes in the fall. Call 385-1076 for information.
2. Workshops in Advanced Basics, sponsored by the Jack of Hearts, for those who want to sharpen their skills or to get back into dancing at this level. See Promenader schedule or call 385-1076 for information.
3. Classes in Advanced Dancing Basics starting in the fall with the Jack of Hearts, Jerry's Funshop, and the Shamrock Squares. More on this later.

Challenge level dancing is also very active and growing in Rochester with two clubs: the Rollaways and the King of Hearts dancing alternate Friday nights, and many 'basement groups' workshoping the advanced figures that call for high-frequency dancing to maintain proficiency. Membership in these clubs is offered to dancers who complete the classes in Challenge Dancing Basic Extended Calls....such classes being offered, at this point, via small 'tape' group sessions. Call 266-2455 for more information.

It might be interesting to close this month's column with a quote from Ed Foote, known as "Mr. Challenge", who writes to say what challenge dancing is NOT....."it is not Hot Hash where the caller speeds up the record and expects the dancers to run through the calls. It is not short-cutting movements, it is not gimmicky choreography, and it is not repetition of the same call over and over again during a tip."

What Advanced/Challenge dancing is...well, that's what we'll tell you more about in the future columns.

Sure hope everyone has dried out. Leave it to the square dancers, to come out regardless of the weather. Thank you all for the tremendous support. Once again you came through. DANCE-O-RAMA '77 WRAPUP
NEWSLETTER #5

The next thing to anticipation of a good time is reminiscing about it. We had such a good time at the 1977 Dance-O-Rama on May 7th that we want to tell you all about it.

The Weather: It couldn't have been better -- cool and sunny! Altogether ideal dancing weather. It did cool off somewhat by midnight and those who lingered to the last had a chilly hike over to their cars. But how 'bout that May snowstorm that hit the very next day. Lucky for us but not so nice for Mother's Day.

The Callers and Cuers were superb. Fine calling, good humor, great sound made for good dancing all day and evening long.....with one noteworthy exception.....

Noteworthy Exception -- when the fire gong drove the main ballroom full of Mainstream dancers out into the night while a steaming boiler was checked out. The round dancers gave up their hall and moved to a smaller one - a fact much appreciated by the harried DOR staff. But a half hour later the "all clear" allowed all to return to their own baliwicks -- a potentially dangerous situation averted and the incident soon forgotten as "square 'em up" was heard in the hall again. A tour of the premises just before midnight showed all the halls still full of tireless dancers (with only a few heading home early or sitting on the sidelines nursing their aching arches.)

Awards were made in two special categories: The Tucker Trophy was handed over to this year's winners - the MERRY MIXERS, for their participation in, and tremendous support of DOR '77. Runnerup was the Village Squares - last year's winners, who had proudly displayed the trophy at all their club events during this last year. Congratulations, Merry Mixers!

A new and very personal award was established this year, to go to those persons exhibiting outstanding, continuing leadership in the Rochester area square dance community. This award (called the Daphne-Norma Leadership Award) symbolized by an engraved silver tray and compote dish, was presented by Frank Salvagio to CHUCK & GERRY PRISTER, a couple whose long devotion to square dancing and unrelenting support and enthusiasm have been felt in all corners of the community. Our best wishes to them both! It's fortunate we are to have individuals willing to accept the responsibilities of leadership.

Our Friendship Scroll, awarded to the dancer who had come the greatest distance went to Gerhart Niebel, of the Tamborin Squares of STUTTGART, W. GERMANY! This club is requested to pass the scroll on to their farthest away visitors, and so on; it is hoped it will find its way back for next year's Dance-O-Rama. (The scroll was designed and executed by Merry Mixer, Nancy Donald, who sang the national anthem so stirringly at the beginning of the evening ceremonies.)

Canadian Visitors helped to crowd our halls and demonstrate what fine dancers we have in our neighbors to the north. Twenty couples from the METROGNOME SQUARES of Toronto racked up the greatest 'club miles' traveled to DOR '77 and were suitably rewarded with a commemorative plaque.

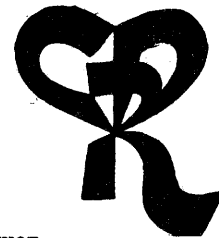

Attendance hit the 1400+ number and all was considered a success. The hard-working DOR '77 staff can stand aside now to the sound of "well done" ringing in their ears.

Feedback: The officers of DOR '77 ask that you let them know what you liked and didn't like about this year's dance -- DOR '78 plans will be underway soon and they'll appreciate your suggestions. Write care of the Promenader, to John & Daphne Fink, general chairmen, DOR '77. Thank you.

.....That's all for now; DOR '77 is officially closed.

See you next year,

George & Eileen Howard

The CONTRA CORNER

BY ED BUTENHOF

At Dance-O-Rama, many people saw and danced contras for the first time. For those who didn't try them, perhaps a word on what they are - and aren't, would be appropriate.

Contras first of all rely on a relatively few basics, therefore no lessons are necessary. Sure you may stumble a bit at first with unfamiliar formations, but contra dancers will pull you through and they'll smile while they do it. You'll be amazed at the variety possible with those few basics.

Second, contras rely totally on the music - every move is done on the musical phrase. The feel is more like round dancing than it is like modern square dancing. The music is Scottish and Irish reels and jigs - sometimes stately and sometimes fast and wild - music that makes it very difficult to keep your feet still. If you're lucky you may even have live musicians to dance to.

Third, contras are sociable. Because you don't have to concentrate on not blowing the next call, you can relax and flirt with your partner (or somebody else's.) You can meet and dance not just with three other couples, but with as many as may be in your line. After a while the caller may even shut up and let you enjoy the sheer joy of moving with the music. Maybe he or she will even leave the stage and join in at the bottom of the set and dance with you.

Fourth, because of the relaxed atmosphere and no lessons, the whole family can participate - preteens to great grandparents - all enjoying the music, the dancing, and each other.

Well, that's contra dancing. Try it, you'll

Belles & Beaus

Another square dance season has flown right by. Welcome back to the Butlers, Hagbergs, and Hulses after their extended stay in Florida. By the way, George Hagberg found a Timex watch in the ocean and, just like on TV, it was still running.

The graduating ceremony was highlighted by a series of secret initiations. Each graduate was presented with a diploma and a handcrafted figure complete with mortarboard and gown to commemorate their entry into the world of square dancing. Many thanks to our committee who whipped up these creations as well as the delightful favors for the Trail End Dance. Speaking of the Trail End Dance, it was certainly one of the best! Punctuated by hearty laughter at the imaginative skits devised by our entertainment committee.

Quite a few of us turned out to the Dance-O-Rama at Brockport which was a sizzling success. Our thanks to our President, who attempted to silence the fire bell which was disturbing his square -- despite our willingness to dance through the flames, we were forced to evacuate the hall.

We are looking forward to our annual car rally on June 12. We hope that everyone will comply with Carter's energy conservation program. Stick to the designated route, Folks, and don't strike out on your own as many of us did last year. The day will end at Elich's campgrounds with a picnic supper and dancing.

The Abbergers, Carrises, Keuffers, and Selberts gave a square dance demonstration at the Holy Cross

Church for the Senior Citizens in May. If you're free and would like to dance to our Co-op caller, keep open August 11 for exhibition dancing at the fairgrounds with Stan Levandowski.

Congratulations to Ed Butenhof for receiving a 25 year certificate at the annual Callerlab convention held in Kansas City, MO. The certificate was given to Ed for recognition of his leadership in traditional dancing. Ed was also nominated by the Callerlab to chair a committee for traditional dance. It is an honor to have Ed and his lovely wife in our club.

Boots n' Slippers

I hope summer is here to stay. After having the worst winter in my memory, it is a joy to see the sun, flowers in bloom and birds singing. Everybody got your vegetable garden in?

Graduation held May 3, Tuesday evening, was a big success. We graduated 22 A+ couples. We welcome you into our club. Frame your diplomas...you earned them. We had a large attendance for that big night, handing out approximately 125 pieces of cake. By the way, graduates, who was dancing in whose shoes? ? ? Please all of you, keep dancing. Thank you everyone who worked behind the scenes, the committees, and all those who helped....too numerous to mention.

Trail's End Dance - Nice turnout, good fun, good dancing, and good food, with Mike at the 'mike'.

Club picnic; August 20 at Hamlin Beach Area 3. Starts at 2 p.m. Bring a dish to pass and bring the family.

Club Campout: July 15 - 16 - 17. Come with your tents & trailers & families, and camp under the stars at SKYBROOK near Dansville. Put those dates on your calendar.

And so everyone, everywhere, have a safe & happy summer. See you 'till we dance again in September.

Kay & Jerry Miller

Cloverleaf Squares

May was a busy month for Cloverleaf Squares. Those who attended Dance-O-Rama at Brockport enjoyed the great callers and clever decorations. Congratulations go to the Merry Mixers on their winning of the Tucker Award.

Our Mother's Day Dance was a huge success--we had guests from six different clubs including a couple from Bethlehem, PA. Ed Butenhof, our guest caller, added variety to the dance by calling some contras.

Cloverleaf Squares CONT'D

Several Cloverleaf Members traveled to Scotia, NY on May 14 for the Annual Spring Dinner Dance of the Single Squares Square Dance Club. Frannie Heintz was the caller for that dance.

On May 18, Cloverleafs put on a demonstration for the patients at Westgate Nursing Home.

The Magic Squares in Manchester was the final destination of our mystery ride on May 21. We all enjoyed dancing to Marv Lindner.

We welcome Jeanne Phillips as our newest member. Jeanne is a past president of Swinging Singles.

Don't forget to support the Leukemia Dance sponsored by the Cure Childhood Cancer Association that will be held Saturday, June 11, 2 - 10 p.m. at Burger Jr. High School on Erie Station Road.

The following clubs are invited as our guests during June:

June 12 Swinging BB
June 26 Swingin' Eights

Sunday, June 19 is Father's Day and Cloverleaf Squares will celebrate it as we did Mother's Day -- with a special dance. If you are married (not necessarily a "Dad") you and your spouse can enjoy an evening of fun and good dancing for half price admission. Jerry Carmen will be our guest caller.

A big birthday party and dance is scheduled for July 10 to celebrate the birthdays of all our members.

There will be no dance on July 3 and 24 and none on September 4. Chip Kellogg will be our guest caller on July 17 and Ron Fotch on August 7.

Tentative social events for the summer include a picnic on July 24 and a camping weekend August 13 and 14. Labor Day weekend has been set aside by many of our members for attending the 7th Annual Single Square Dancers USA Dance-A-Rama which will be held in Chicago.

Preparations are well under way for the annual "Singles Square Up" sponsored by the three Rochester area singles clubs. This dance will be held at W. Irondequoit High School, 260 Cooper Road on Saturday, September 24. Dancing will be from 2 to 5:30 p.m. and 7 to 11 p.m. Callers for the afternoon will be Jerry Carmen and Ben McGilvery and cuers will be Betty Carmen and Dick Peck. National Caller Frannie Heintz will be featured in the evening. Bob Slomcenski will cue. The general chairperson of the dance is Barb Indovina. It promises to be a fantastic dance so plan to join us if you can. Couples are welcome.

Cloverleaf Squares dance all summer--Come and join us Sunday evenings from 8 to 10:30 p.m. at the Lutheran Church of Concord on Holmes Road.

Copy Cats

Summer weather is here and so is our summer schedule! The Copy Cats are again dancing throughout the summer on the 2nd and 4th Saturday nights at the air-conditioned Bay View "Y" on Bay Road in Webster. Something new has been added -- we are dancing an additional Saturday Night each month in June, July, and August as a workshop dance. Check the Promenader schedule for dates and callers. Just for good fun dancing throughout the summer, join us on Saturday nights with a special invitation to the new class graduates to keep up the dancing!

On May 14th the Copy Cats welcomed our newest "kittens" to the club at the Graduation Dance. Congratulations to:

Thank you also to Hank & Arlyss Domagala for the great job they've done as Membership Chairmen and to hip Kellogg, Class Caller. From what we've observed

on class nights, these dancers will hold their own at any club dance!

June 11th will be our Trail End Dinner Dance to be held at the Restaurant Meditterania in Ontario, NY. Mike Callahan and Chip Kellogg will be on hand to call this last dance of the regular season. Our Trail End Dance is also the occasion to welcome in the new officers and give special tanks to the old.

Newly elected officers to lead our club through till next June are:

Matt & Joy Moll - President
 Al & Evelyn Terry - Vice-President
 Herbert & Norma Spink - Secretary
 Ralph & Nancy McGarrity - Treasurer
 Ken & Carolyn Wilkins - Board of Directors

Under the "special thanks to the old officers" category comes a very, very special salute to Jim & Helen Fordham who "wheeled and dealt" our club for a second term to a very successful year with many fun nights of dancing. Al & Evelyn Terry, as Treasurers, kept our club "coordinated" and we thank them for that. Plaudits also go to the McVays as Secretary and to Ray & Emma Schlesing without whom the punchbowl surely would have gone dry and who did a splendid job with hospitality.

Can't let an opportunity go by to once again express deepest thanks to our caller, Mike Callahan, and his lovely wife, Wanda, for the dancing enjoyment they bring to our club; to Dorothy Jensen, our charming cuer, and to all the guest callers we have had throughout the past year.

Hope you join us for dancing "by the Bay" these next summer nights!

As another year of dancing draws to a close, we reflect on the many enjoyable times that we have had.

Our Trail End Dinner Dance very appropriately climaxed the season with a delicious roast beef dinner at Chili Baptist Church. The very attractive decorations were made by Kathy Winstead and Marylou Mura. Dinner was followed by dancing at Washington Irving School to Jim McQuade's calling. We want to take this opportunity to thank everyone who donated prizes.

On May 20th we had a Benefit Dance for one of our club couples. A big vote of thanks goes to Jim McQuade for donating his time.

A hardy congratulations to the Keith Schwabs on the birth of a bouncing baby boy.

For those of you who are getting your trailers ready for the summer, don't forget our campout on June 3rd, 4th, and 5th at Hamlin State Park. For those who are not campers, be sure and come to the Potluck Dinner on Saturday, the 3rd, dancing after dinner.

Incidentally, our workshops proved that a certain young lady could fill in very nicely for a man, on the dance floor. Of course she's much prettier than a man.

May you all have a safe and happy summer - keep dancing.

We bring you many wishes for a most enjoyable summer wherever you may be. Remember to check schedules and keep this issue for reference until September, as this one covers June, July, and August. The last Friday dance will be June 24th. Beginning June 29th, our dances will be on Wednesdays thru August 17th. A Pot Luck Dinner Dance is planned for Wednesday, July 20th. The Welcome Back Dinner Dance will be Friday, September 9th at Kodak Office. September 16th will be our second Open Dance, this time at Kodak Park.

Please remember that being a club member means it's not just belonging, but the sharing, that makes you a part of club life. It's all part of the activity and it should all be fun! FUN is a three letter word with You (U) in the middle. No one likes a dancer who loses his temper and everyone appreciates the good effort and a sincere attempt to dance better. With these things in mind, one cannot help but make square dancing something everyone wants to be participating in.

Happy "summer-dancing" and God bless you all.

Anton & Gloria Betlem

Genesee Dancers

WELCOME, GENESEE DANCERS CLASS OF '77 AND CONGRATULATIONS!

Graduation ceremonies were held on April 28th with fifteen couples performing admirably. Special credit is due one class member. Although Leona Walter was unable to dance all winter while recovering from knee surgery, she attended class every week to watch and keep up. When at last, Leona was able to dance, she fit right in like a seasoned dancer.

As we write this column, we anticipate the traditional Trail End Dinner Dance on May 19th. This eventful evening is a fitting ending to the club's twenty-first dancing year. (1956 - 1977)

Mike Callahan and Bob Slomcenski will take a deserved rest, having paced us through a year of enjoyable dancing, and will return in September.

Credit is certainly due our Presidents, Jim & Ruth and all their officers for their hard work thru the 2nd half of our dancing year. Everyone should support their programs for the new dancing year in the fall - (Don't forget to offer your help at the summer dances.)

Summer Dance Schedule

Many of your favorite area callers will take a turn a week for interesting variety. We'll dance June 2 - 9 - 16 - 23 with a special dinner-dance on June 30th with Mike and Bob. (A special flyer is out on this one.) and - July 7 - 14 - 28. The last dance is on August 4th with Dick Casper. --- The first dance of the Fall season will be September 8th. Watch for details on this one. ---

Another of our faithful members has left for the Southland. Ken Hanks is well-established in his new job. Jeanette and the family will join him when school is out. They'll be missed for sure, but all our best wishes go with them.

On behalf of all the Genesee Dancers who attended

ROUND WORKSHOP 7³⁰-8

RED MENS CLUB 1001 LEXINGTON AVE.

the M.D. and DOR dances, we'd like to say thank you to the following: GEORGE & UNA SHAW - Chairpeople for the Muscular Dystrophy Benefit Dance (for all 10 years!) and ALL their committee helpers. JOHN & DAPHNE FINK - General Chairpersons, and PAT FEIGEL and CLIFF FULTON - Co-Chairpersons for Dance-O-Rama '77 and to their many, many committee people.

We're most appreciative of the endeavors of all those who worked to give us these two beautiful, memorable dances.

Remember the Leukemia Dance - June 11th. JIM & CONNIE HARPER - Chairpeople - look for the support of ALL for this benefit dance.

Joe & Anna Jean Caracci

Glass Slippers

Congratulations to the newest members of our club. We graduated 6 couples and all took our "hi jinx's" at graduation night, May 2, 1977, very well. Also, a big thank you to Jim and Marcia Moore for the goat. You know, Barb doesn't like goats, do you, Barb? At least not that night anyway.

Now that the M.D. and DOR are over, we at the Glass Slippers can start thinking of our Midnight Madness June 4th. This year we will be holding it at Spring Creek Recreation Area from 9 until 12 Midnight. Please try to join us. We would be glad to have you. Also we will be dancing on June 6th which will be workshop night, the 13th, 20th, and 27th, all at the Campus School in Brockport. We dance from 8:30 until 11. Join us.

Ah, yes, a big congratulation to the both of you goes to Clara & Mark. These two new club members have announced their plans to be married. So, we at the Glass Slippers say "Congratulations and Best of Luck to both of you!"

Well, we hope to see you around in a square----- So I say, so long for now. Also keep dancing.

Henrietta Friendship Squares

'Tis the season - not to be jolly, but to be glum... for the club's dance season is over and we won't be seeing all our friends on a regular basis until Sept.

Of course there are many clubs dancing during the summer and we hope our members, especially the new graduates, will avail themselves of these opportunities.

Most important, don't forget the Leukemia Dance on June 11th at Burger Junior High School and our annual camping weekend at Bonnie Brae in Prattsburg on August 26 - 28. Even if you can't make it for the weekend, bring a dish to pass (and your spouse) and join the pot-luck supper on August 27th at 6 p.m. with dancing to follow.

Last, but not least, start lining up your friends for lessons which will start early in September - on Tuesdays as usual. Remember, the class is the life blood of the club, so do your thing!

Have a nice summer, keep dancing, and we will see y'all come fall.

Paul & Audrey Peterson

Irondequoit Squares

Graduation ceremonies are behind us, now the new members are anxious to do more square dancing. This is evident because of the number of new graduates that attended and danced at the M.D. Dance, the National Square Dance magazine subscription dance at the Ontario Community College and the Dance-O-Rama.

Let's not forget the Leukemia Dance on June 11.

Members, graduates, and guests had a very enjoyable evening May 14th dancing to the singing calls of Bill Wilcox.

Roses was the theme for the Trail End Dance. Each woman received an artificial rose made by Mike & Ann Siconolfi, Doris & Bernie Root, Norman & Diane Faro, and Harold & Agnes Hughes. A good time was had by all.

Thanks to the members that helped with the restoration duties on Sunday after the Dance-O-Rama.

Bob & Millie Scott are touring the good old west. We expect them back in September.

Let's not forget our picnic on June 18 at Ellison Park as well as the two open air dances to be held at

Now is the time to start inviting prospective members for the September 10th Open House. New graduates, if you are enthusiastic about square dancing, then how about overflowing some of that enthusiasm unto your friends. Give your list of friends that may be potential square dancers to Roland & Marilyn Courtemanche or Ray & Pauline Gaul.

There are still some openings for the Fourth of July square dance campout. Newcomers, welcome. If you are interested, contact Harold & Denna Jackson.

Jack of Hearts

The Jack of Hearts summer dance schedule will consist of weekly workshops during June and August and dances with Ross Howell calling planned for June 1, July 6th, and August 24th at the Southlawn School, Irondequoit.

We invite all who know the Basic Calls of Advanced dancing to join us at the dances and to come practice these calls at our workshops to gain or maintain their skills. Several people from Buffalo join us each week; they are good examples of the high frequency dancer who enjoys this level of dancing so much they travel considerable distances to find enuf to satisfy their appetite.

If you would like to get into Advanced Dancing, one good way would be to attend the Tuesday Workshops on Position Dancing (of the basic 75 calls) -- an excellent way to prepare for advanced classes in the fall. These workshops are co-sponsored by Jerry's Funshop and the Jack of Hearts (Call 385-1076 for details.)

Last month, as we introduced the newly elected officers of our club, we misnamed the secretaries..... we should have said that Al & Marilyn Taffett are handling the secretary position and that Milt & Barb Harvey are members of the Board of Directors. Sorry 'bout that, Folks.

Well, summer days and nights are on their way and many fine nights of dancing await all Rochester Area square dancers between now and the fall when we'll be talking with you again.

Until then - here's to happy dancing; hope we see you in a square.

George & Eileen Howard

Magic Squares

Our club will be dancing every Saturday night during the summer at the regular place, Manchester Elementary School. We have several guest callers scheduled, the main one being Nate Bliss of California. Nate will be calling for our August 13 dance. It is his 5th annual visit with us.

We have elected new officers for the coming year. They are: Roger & Bess Clark, Presidents; Bill & Mary Ellen Petty, Vice-Presidents; Tom & Bev Cheney, Secretaries; and Leo & Lois Johnston, Treasurers. The Club thanks the past year's officers for a job well done. We also graduated eleven couples of very excited dancers on May 14. They are a young group and will be an asset to our Club. We thank Bob & Nancy Ellis, their instructors and our club caller, for a job well done.

We are glad to see some of the old faithfuls back dancing with us after a long winter of health problems. Welcome back Dick Walton, Larry Weykman and Grace Showman.

We invite everyone to come dance with us every Saturday night to enjoy our hospitality and share in our good times.

HOPE YOU HAVE A GOOD SUMMER!

Merry Mixers

Late April and early May certainly was an exciting happy time for the Merry Mixers. On April 23rd, we won the trophy for the largest percentage of members attending the Muscular Dystrophy dance.

The 25th was the big night for class members, as their Graduation was celebrated with a tureen supper, and the usual ceremonies and initiation rites.

Walking off with trophies must get to be a habit! At Dance-O-Rama, Merry Mixers were the proud recipients of the Tucker Award, and that beautiful trophy is ours to display for the next year. Pat Feigel and Cliff Fulton of Merry Mixers, put in many, many hours as Co-Chairmen of the dance. Cay Jackson was Secretary. Among their helpers were Alma Boyd, Nancy Donald, Ron Hinchey, Barb Indovina, Cay Jackson, Len Prescott, John Pelych, and Flo Tripi, who helped on Promotion, First Aid, Ticket Sales, Set-up, etc. Also thanks to all the members who worked on Door Sale of tickets at the dance.

Sure is great to have Francis Hickey and Helen Kodweis out of sick bay after surgery, and back dancing with us. Hope Marty Schmitz is well on her way to recovery after heart surgery in April at Rochester General Hospital.

Yet another enjoyable evening was our 2nd Annual Reunion Dance May 16th, when many of our ex-members stopped by to dance and to visit.

Next on the agenda is the Trail's End Dinner-Dance June 3rd at the Green Lantern Inn. Guests are welcome, with reservations necessary for the dinner. Dinner at 7, dance to begin around 8 p.m.

Merry Mixers annual Summer Picnic will be held Saturday, July 16th, at Webster Park, starting at 6 p.m.

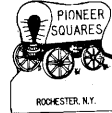

A group from the three singles clubs will be flying to Chicago Labor Day Weekend for the Single Square Dancers U.S.A. 7th Annual Dance-A-Rama at the Marriott Motor Hotel.

The first Club dance of the Fall season will be Monday, September 12th at Seneca Methodist Church and the Open House will be Thursday, September 15 at Washington Irving School. Classes will be held both on Thursdays at the school and Fridays at the church. Call Ben & Sadie McGilvery, 865-5942, if you know of any single adults, who may be interested in classes.

Mark your calendar for Saturday, September 24th, the date of the next Singles Square-up, "Comics Caper." The dance will be 2 - 11 p.m. at W. Irondequoit High School; 2 - 5:30 Squares by Jerry Carmen & Ben McGilvery, Rounds by Betty Carmen & Dick Peck. The evening will feature National Caller, FRANNIE HEINTZ, from Monson, Mass. and Bob Slomcenski cueing rounds from 7 - 11 p.m. This is a dance sponsored by the three area singles clubs, but is open to all singles AND couples. Call Pat Feigel, 381-8029, for ticket information.

Happy summer dancing and vacationing. Have fun and "Keep Busy", as I intend to.

Pioneer Squares

The month of May has been a busy one for the "Pioneer Square Dance Club". Our letters to the various clubs of the 'Federation' has brought in many new faces to our dance floor. It is really a good idea to have the other club members join you "as a guest." In time, I am sure other clubs will do the same for us on a larger scale than now.

The first big event for the month of May was our "Graduation Dance" on the 3rd. It was a huge success all by itself. However, we had visitors from three (3) other clubs to help usher in our "new members", along with many families of our graduates.

A "Salute to Graduates" Dance held on May 20 brought in many new faces. It would appear that the quality of graduates was not affected by an early season. The reports coming back would lead one to believe that everyone was more than satisfied with the person on their corner. It is the proof of the pudding as all new dancers tend to miss a few calls with a new caller. The packed hall helped as the sets were smaller than usual, thus providing a quicker recovery time whenever needed. All of our graduates were excited to see so many new faces and really outdid themselves in mixing up with the guests.

The "Trail End Dance" with the pot-luck dinner really was something to write home about. Too bad the gals did not include a copy of their secret recipe under each dish we had to serve. After all those wonderful dishes were sampled, it is a wonder anyone could dance.

It really pays to advertise the activities of the 'Pioneer Square Dance Club'. We had people come in for dinner that could bearly make it through the snow in the winter. They had promised to come for our Trail End Dance and they did - dish and all!

The nice thing about these dances is that people come for a good time and really have it. Yes, some sets broke down yet the spirit of square dancing was there every time. A quick recovery and all would be fine again. The club officers were delighted to see how many dancers wanted to have a few extra 'tips' when it was actually time to say goodnight. Our caller, Jon McNally, proved to be the champ he is and stayed on for several extra tips. In business, it is called building "good-will" - in square dancing, one can call it being a crowd pleaser and that is what our caller Jon McNally is. Needless to say, when the dance broke up, everyone was fully danced out.

Our last note for May is that we shall have "Summer Dancing" every Friday night, starting June 3rd. thru the month of August. The time is 8 p.m. until 10:30 p.m. for \$2.50 per couple. The Pioneer Squares extend to all dancers and graduates the opportunity to keep in shape with weekly dancing. This is the secret of good square dancing - activity! We will be using the facilities of the First Presbyterian Church at 109 East Avenue, East Rochester which is our usual place of dancing.

See you on my corner -

Ruth & John McNally

Promenading B's

On April 23rd, the 10th Annual M.D. Dance was held. The Promenading B's were proud to have taken the trophy for the biggest percentage of the club attending.

May 6th, the Promenading B's held their graduation dance, with a complement of almost 100% of club members to welcome the new class into the club. Many thanks goes out to Ron, our caller, and wife Betty for the time they spent on the preparation of this dance. Jim Moore's live goat was a welcome symbol. I feel sure the class felt good to be welcomed into the club by all. The class also got a taste of spreading the B's honey from hand to hand for their first "sweet dance" as club members.

Eighteen couples graduated:

Ken & Emily Bates	George & Karen Miles
Glen & Vera Burgess	Don & Shirley Miller
Don & Debbie Coleman	Bill & Sybil Norton

Bert & Beth LeNoyne	Dick & Joyce Sands
Glen & Myrt Maddock	Al & Sande Sisson

Kriss Boss

We will be dancing every Wednesday throughout the summer, starting off June 1 with a Pot Luck Supper, a Strawberry Festival for June 22, an Independence Day Dance July 6, and Ice Cream Social for July 20. We

usher in August with a Watermelon Dance, 8/3, plan to do our dancing at the Monroe County Fair on August 10, and finish up the summer season with a Summer's End Pot Luck Supper on August 31. If you are looking for a place to dance this summer, come join us any Wednesday and for one or all of our special events. By our account there will be 14 nights of dancing for the summer season ---if you attend at least 10 of these, we feel you should be rewarded with a Ph. D. degree in Square Dancing at the end of August, complete with diploma. This will be true not only for our club members, but for our visitors too.

We hope you all have as much fun and enjoyment as we plan to have this summer.

Bill & Betty Pederson

"AND NOW FOR A SHORT TIP....."

Rochester Rollaways

The season ends with a rush with highlight following highlight-- first the Dance-O-Rama, then the campout at Woodstream on May 21 where Ron Libby set the pace, and finally on June 10 it's all over at the trail end dance for this season.

First, congratulations to John & Daphne Fink and all of their committees for a great DANCE-O-RAMA. The arrangements, like the dancing, were super-smooth. Rollaways involved were Bob & Barb Vreeland with caller scheduling, and a whole crew to set up the sound, including Don Maxim, Ambrose Baker, Roland MacDuffie, George Heron, Ted Whitacre, and Chick Wolfe.

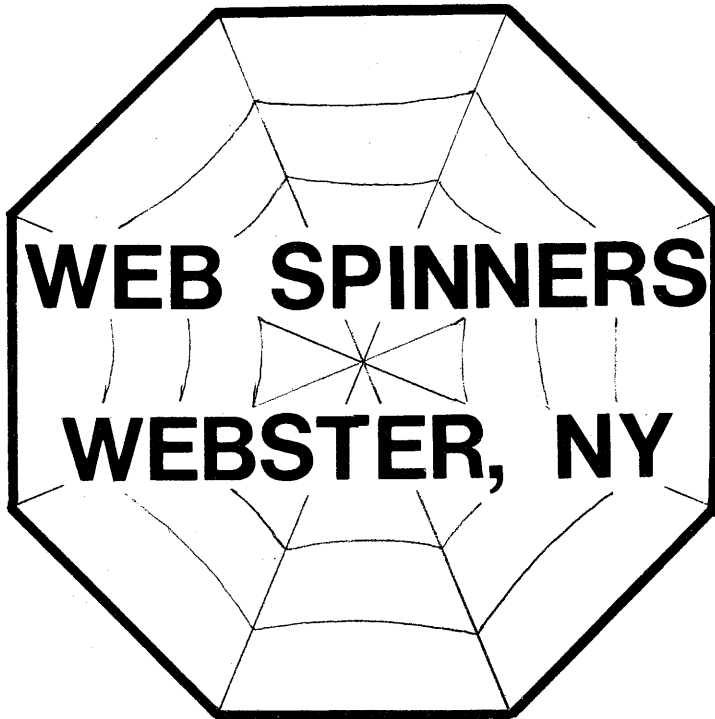

Don & Doris Maxim are our new leaders! With their long association with the square dance movement, the club is in capable and experienced hands. Bob & Barb Vreeland were elected secretary; and Russ & Doris Jenkins, treasurer.

Back with us after too long an absence: Elliott & Gladys Moulton, and Lou & Lillian Stork.

Arrived on the scene May 8th--Gregory Alan Howell, Ross & Sue's first born. Congratulations to the proud parents.

And so summer is upon us and we are bound to meet somewhere, be it Cherry Ridge, the National Convention in Atlantic City, Atwood Lake, Indian Brave, Ellenville, the Green Lantern, or whatever. KEEP DANCING!

Singing Squares

Now that we have celebrated May Day, Mother's Day, and Memorial Day, many square dance clubs have disbanded for the summer. For those who may be looking for a place to dance, we hope you will join us at Thomas Edison School, 1612 Buffalo Road, Wednesday nights from 8:00 - 10:30 p.m.; June 1st - Al Howe caller; June 8th - Mike Callahan; and June 15th - Al Howe. Our Trail End dance is June 22nd, for club members only.

August 12th - 14th is the campout at Skybrook, Dansville. There will be dancing on August 13th with Al Howe calling. This will give everyone a chance to get back "in the swing" again before dances begin in September.

"Singing Squares" Open House is scheduled for September 14th at Thomas Edison School - Al Howe, caller. Everyone is invited to come and "give it a whirl" - even if you have never dance before! Try it, you will like it!

I would like to add a personal note to this column and thank everyone from all the clubs for the cards, gifts, the kind thoughts and most of all for your prayers during John's stay in the hospital and since he has been home convalescing. It has meant more to us than you will ever know.

We wish all of you a safe and wonderful summer, and hope to be "squaring up" with you again in the Fall.

John & Lorene Fratta

Swingin' Eights

CONGRATULATIONS TO OUR NEW GRADUATES!!

Graduation Night was a night of "scared to death" graduates, but they all came through with flying colors. After the dance, Marge & Bob Berner invited the graduates to their home.

As Class Membership officers, Jack & Rita Kennelly and Jerry & Peggy Anderson have done a tremendous job this past year. For the coming year Ellie & Tom Anderson and Linda & Bruce Ensign will be carrying on as Class Membership officers. We wish them well in their new responsibility.

As you read this the Swingin' Eights are about ready for the "Trail End Dance" June 4th at the Ukranian Civic Center. Hope you all have your tickets and will come prepared for a "Summer Circus". The committee working on this event hopes you will enjoy it as much as they have in planning for it. Your committee members are: the Andersons, Fleishers, Kennellys, Snows, and Giaconias.

EXTRA! "Snowball in June Dance"

Our make-up dance will be held June 18th at Hosea Rogers School with Dick Schweitzer calling. This will conclude our dancing season.

September dates to remember will be:

Sept. 10 Fall Pot Luck Supper

Jon McNally, caller

Sept. 17 Regular dance - Chip Kellogg calling

Sept. 24 OPEN HOUSE

July 30th - will be our family picnic at Ellison Park. Because of the rain last year, we rented a cabin this year "Creek Edge Lodge". Time 1:00 until? Bring your own food & drinks, dishes, etc. George Bauerschmidt is working on the games. Swingin' Eights, let's all go and have a good time.

Item of interest - Rita & Jack Kennelly are the proud grandparents of a baby girl - Erin Suzanne. Congratulations to the happy family.

Swinging Singles

Swinging Singles look forward to a fun summer. We start with our dinner dance on June 25 at Marvin's in Macedon. Or do we end the rest of the year with that? Anyway, we shall dance into the wee hours.

It's also election time. We'd like to thank all of this year's officers for working hard to give us a grand year. And best wishes to the next officers.

We're in the process of planning several picnics and outings for the summer. We hope many can join us for these events.

Also hope to see many of you at the Leukemia Dance sponsored by CURE.

Tecumseh Squares

Summer's here and the livin's easy and the dancin's fun! We have a full summer schedule! Some of the specials are back from prior years. The strawberry festival is on June 21st this year. That is my favorite! But I have to dance a lot to get rid of the calories from all that strawberry shortcake! Also back are the picnic on July 5th and the Sundae Tuesday special on July 19th. The picnic is open to all and a fun, relaxed evening. The location and other details will be announced at the dances. The Sundae Tuesday special is another favorite of mine. Those toppings and all that ice cream are so tempting! A new special has been added this year, the Gourmet Dessert on August 16th. That should prove to be interesting and delicious!

We have two guest callers, Dick Schweitzer from Syracuse on July 26th and Jerry Carmen on August 23rd. Our own Bruce Shaw will be there all summer to really put us through our paces. There will be a Round Workshop from 7:30 to 8 before each dance with Bob & Nora Slomcenski. So come twinkle with them too! In fact, come every week. You don't want to miss the fun. A special welcome to Bob & Joyce Hogarth, the winners of the Summer Dance Pass from the M.D.A. DANCE!

September 6th is our open house this year. Please bring your friends and show them the type of fun we have in square dancing. If you would like an invitation sent to them, give JoAnn Clutz their name and address. The easiest way to show our kind of fun is to BRING them yourself and dance with them! Individual contact is much more productive than demonstrations or articles or advertising. The lessons are one of the most important activities your club participates in. So help the club, drag a friend!

Have a good and safe summer. ENJOY whether in dancing or relaxing!

Ed & Sue

Triggers

Hi!

We're Jeanne & Bob McConkey, your new reporters for the "Promenader". We'll try to keep you up to date on the latest happenings of the Triggers. Thank you Judi & Bill for the excellent job you did. We all join in wishing you good luck and happiness in your new home.

The election of officers took place and the following were elected:

President: Norma & Fred Twietmeyer
Vice-President: Geri & George Yuna
Secretary: Rony & Len Hall
Treasurer: Gail & Bob Maurice

We owe a big vote of thanks to the past officers for all the good times we had this past year, and for all the work involved in making it such a successful year. Also, we would like to thank Mabel Wordingham for her continues work as our historian.

We are sorry to lose Doug Record & Karen Stark, who are moving to Indianapolis, Indiana. We wish them good luck & happiness in their new venture. Please come and visit us whenever you are back in Rochester.

Our Spring Fling was held May 17th. The theme for the evening was "Showers of Flowers". The decorations were lovely, the meal delish, and the entertainment superb. Thanks to all the committee members, too numerous to mention, who worked on the program to make our Spring Fling such a gala evening.

Our summer dances are OPEN TO ALL and we'd love to have you join us. The schedule of dances is as follows:

June 7, 21 - Parkland School
July 5, 19 - Aldersgate Methodist Church
August 9, 23 - Aldersgate Methodist Church

Be sure to mark the 24th of September on your calendar for our picnic at Hamlin Beach. You will get more news regarding this in the fall.

Whatever you do, wherever you go, hope your summer is fun-filled, relaxing and brings you back safely to another year of square dancing.

'Keep on Dancing',

Jeanne & Bob

Twirl-A-Rounds

What a graduation! It all started with a super pot luck supper with plenty of good food for all. Those graduates passed all the final exams with room to spare. Even our two babies, Renee and Joyce, never whimpered once -- after they got their bottles, of course. Seriously though - you were a great class and we are proud to have you join us. One word of advice.... KEEP DANCING.

Not only is graduation over but so is Dance-O-Rama and Trail End. All three are big days in a dancer's life. We would like to take this opportunity to say a special "Thank You" to 2 couples that have worked so hard to make these happen: Chuck & Norma Dolan and George & Una Shaw. (P.S. - they also worked very hard on the M.D. Dance.) Thanks much!!

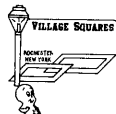

Don't get rusty feet over the summer. Keep polished with 3 summer dances. Each dance is on the third Wednesday of the month. June 15, July 20, and August 17 from 8 till 10:30 p.m. at the Hidden Valley Recreation Club; 199 Hidden Valley Road, Gates - off Pixley Road.

Do you know someone that would like to give round dancing a try? Or someone that likes square dancers' rounds?? Talk up round dancing with the friendliest and best cuers, Dot & Howie DeGrave. While making notes of special dates, please mark Monday, Sept. 12. Beginners are from 7:30 - 8:45 and E-Z Rounds from 8:45 - 10:30 at the Thomas Edison School, Buffalo Road, Gates.

Just one more date!! August 13 - Saturday is our Twirl-A-Rounds summer picnic. Bring table service, a dish to pass, and a big smile. Call Dottie for directions. 594-9518.

See you 'round.....

Village Squares

Summer's here! (Knock on wood, I don't take anything for granted ever since I had to shovel snow off my May flowers). And with summer, comes the Village Squares picnic on July 16th at Webster Park. You-all come now from 1:00 until 10:00. Bring a dish to pass, your old clothes and a desire to have fun. The Club will provide meat and drink and various challenges sure to appeal to all ages and funny-bones.

Congratulations are in order to Merry Mixers for their great job in winning the Tucker Trophy. Village Squares came in 2nd, but it's no disgrace to be beat by a group like the Mixers. Thanks to everyone who helped decorate the Dutch Room, it was great.

Jerry & Mary Ann Ratcliff win this month's perseverance award, 25 years with the same partner! These days we have to give separate awards for continuous or broken times! They are both great people so the next time you "bow to your RenRat" remember, it may be a Ratcliff!

The Kennedys are now into the babysitting business full time with a new grandson. Watch Frank Salvagio come up with a new dangle for the occasion!

We are now in the summer season, but no re-runs for Village Squares. Dick will be calling all summer, same time same place with Dorothy Jensen cueing rounds thru June. Then, and for the rest of the summer, Bernie Hayward will be conducting the "side-close-side" seminars. Everyone is invited to (A) keep their dancing skills sharp (B) make Monday your favorite day and (C) both (A) and (B) by a visit to Village Squares.

Wayne Westerners

Another busy winter of dancing is finished and we feel a little as we did when we were younger and it was the end of the school year - just a little happy and just a little sad.

Our class has graduated - and a nicer bunch we have never known! Our Apple Blossom Dance - for which we have worked so hard - is over, and the Trail End dinner has come and gone. We have said our sad farewell to Harold & Lila and now it is time to look forward to a summer of rest and then another winter with a new caller and some new dancers. We hope all of the "old" dancers will be back with us, all rested and "rarin' to go."

We will get together in the summer too. We have our picnic on July 14th to look forward to. Don't forget to be at Foreman's Park - rain or shine! And then, in August - the weekend of the 26th, 27th, and 28th - we will have our camp out at Weedsport. Let's all concentrate on having as good a weekend as we did last year

Web Spinners

The Web Spinners graduated their class of 16 couples CUM LAUDE on April 29. The demonstration dances by class members were hilarious to say the least. The Clums, Cullians and Magic man Bob Mask certainly put on a good show right down to the demonstration of Ocean Wave where the rest of us were doused with palls of confetti. The demonstration of Spin the Top and Fan the Top were well done, but we suggest the next time they use an electric fan -- nuff said.

The class awarded to Fred & Norma Jenner and Kay & Al Ludwig a plaque for being outstanding angels going above and beyond the call of duty. Gifts and plaques were also given to:

Presidents -	Mary Kay & Andy Tanghe
Caller & Wife -	Judy & Bill Wilcox
Angels -	Art & Julie Salvione
	Paul & Vivian Schicker
	Mike & Diane Iacona
	Tom & Helen Jones
	Chris & Joyce Church

Bouquets to Web Spinners Presidents Mary Kay & Andy Tanghe for their untiring efforts, skillfully guiding their officers and committees to a spectacularly successful dance year. Also thanks go to their great Board members for their faithfulness and hard work.

New Officers are: Presidents - Velma & Ralph Bodensteiner
Vice-Presidents - Julie & Art Salvione
Secretary - Kay & Al Ludwig
Treasurer - Ginny & Bob Jones
Senior Fed. Rep. - Jean & Sid VanApeldoorn
Board Members - Dottie & Bill Chambers
Norma & Fred Jenner

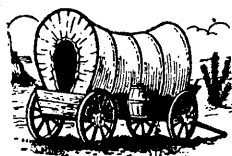

We congratulate them and pledge our support in the coming year.

Things to Come Picnic - June 12 - Ellison Park

Workshop Dances - June 8 with (Wild) Bill Wilcox calling. Every Wednesday night at the Webster Recreation Hall on Lapham Park in the Village of Webster.

Campouts - Our Wagon Master Mike Iacona is planning a great camp out summer. The next to be at Safari, Geneva, New York. Get your reservations to him -- 671-5630.

Which Way Whirlers

The Dance Season is drawing to a close once more. It has been a good year of dancing with Bruce as our caller, and we are truly going to miss him as he is leaving us. In his place will step Gary Bubel. We welcome Gary and hope he will enjoy our club. Our new officers have taken over, with Butch & Bonnie Bowman as the new Presidents. Gerry & Gean had an after dance party to welcome in the new officers.

Bernie will do our rounds again next year. He and Rita have been to Washington to a weekend dance, where he brought back some new dances for us to learn.

Doris Darch is home from the hospital and soon will be back dancing. The doctor doesn't want her to give up dancing because it is good exercise!

On April 20, 10 couples from the Spinning Wheels were our guests as Pavilion was their mystery ride destination. It was so nice to have them. We hope they will be back again.

Our graduation class was a small one, but good dancers and well taught...3 couples and 4 teenagers.

On August 6, the Which Way Whirlers will have their summer picnic at the Genesee County Forest Park in East Bethany. You all come now, y'hear?

We'll be seeing you on a corner...

Bob & Mermie Lemley

WYCO Promenaders

Our 2nd Annual Cancer Dance was a big success. We have more than \$400 to turn over to the Cancer Fund. We had more than double the amount of dancers as last year. Ellen Whitmore as Dance Chairman, did a magnificent job.

We would like to thank the callers: Chip Kellogg, Jim Dutton, Myron Huss, Gary Bubel, Jerry Carmen, and Bernie Hayward, who donated their services. Also the people who brought refreshments and awards. And a special thank you to all the people who came for an evening of fun. For without you there wouldn't be any dance.

We will hold summer dances every other Friday night starting June 10. We will be dancing in the United Church in the center of Warsaw with Chip Kellogg doing the calling. Come and join us during the summer for a good time.

SQUARE DANCE World

26th NATIONAL SQUARE DANCE CONVENTION.....
JUNE 23, 24, 25, 1977 at ATLANTIC CITY, NJ

Time is growing near for Convention 1977 at the New Jersey Convention Center in Atlantic City. If you've seen ather PROMENADERS, you've heard of the many events and the dancing that are all part of this great weekend.

Last year's convention was in California, and next year's will be in Oklahoma. The 1979 and 1980 locations are Wisconsin and Tennessee, respectively. This year, then, is the closest to home we'll be for several years. The New Jersey dancers who are organizing the 1977 Convention can use all the support their New York neighbors can give.....Plan to attend the National if you can at all. Whether you are a recent graduate or a "seasoned" dancer, attending the National Convention will broaden your view of the square dance world, as well as give you the opportunity to "dance your shoes off."

You still have time to preregister if you do it NOW. There will be 9 - 10 dance halls in operation most of the time.....Square dance shoppes and specialties for sale.....Fashion how.....Clam Bake....Educational and Leadership Sessions....Trail In Parties..... Trail's End Parties & Dances.....After Parties..... You name it, they'll have it!

Get preregistration blanks from your club's flyer display or from a club officer who receives these materials.

And have you seen H. ORLO HOADLEY'S newly published book, "A GUIDEBOOK FOR SQUARE DANCERS"? This is a beautifully written compilation of hints, courtesies, reasons why, and everything else to help the dancer, whether new or old to be smoother, and most important, aware of the reasons things are done as they are.... Could have been called "EVERYTHING YOU WANTED TO KNOW ABOUT SQUARE DANCING (BUT WERE AFRAID TO ASK)".....

Orlo is a member of Caller's Co-op and has been active in the square dance activity in the Rochester Area for many years. The book is \$2.00 each, and is available from H. Orlo Hoadley, 18 Kingsbury Court, Rochester, NY 14618.

Another new booklet, entitled "WHEELING AND DEALING WITH NURSING HOME RESIDENTS" has been written by Mary Jenkins of Minerva, NY and describes ways to set up a program of square dancing on a very simplified scale for those in wheelchairs, and is based on actual programs of this type now in existence.

Dedicated to Activity Directors and volunteers interested in "bringing happiness to others", the booklet sells for \$2.00 from American Square Dance, Box 788, Sandusky, Ohio 44870.
