Editor's

Note:

As we reviewed the file of past Promenaders, we were awed by the hard work that the past editors put into the editions. Our goal will be to do as well and Jerry and Dottie Willer have given us a fine start, and we thank them very much.

Our special thanks to Helen and Harold Klick for helping us get the Promenader out on time while Paul was recuperating from eye surgery. Their help continued and the four of us missed the BIG snow storm and had a fine vacation in Florida.

We also wish to thank everyone who helped make our job easier by collecting Promenader subscriptions, money, etc.

We are delighted to have Judy and Bill Wilcox join the staff, their combined experiences in the square dance world will be a plus for the Promenader. (Our phone bills will be lower to.)

**CHALLENGE  
DANCING  
NEWS**

High interest in learning about ADVANCED dancing was evidenced by the large crowds attending the Introduction to Advanced Dancing sessions at both Dance-O-Rama and the National Convention earlier this summer, and by the enthusiastic group attending the All Position Dancing series sponsored by two of Rochester's Advanced Dancing clubs during July and August.

The National Square-Dance magazine likewise reports a surge of interest in Advance dancing (as separate from Challenge dancing) that has resulted in many new clubs, festivals and weekends that are designated as Advanced...that is they specify that they were using the Callerlab list of Advanced Dancings Basic calls. Dancers who know this level of material enjoy dancing with each other and come from all parts of the country. At the National Convention in June, in Atlantic City, the Advanced room held couples from all over the U.S.A. (and some from Canada, Europe and the Orient who could dance successfully and with great enthusiasm to a different caller every 15 to 30 minutes.

Where do the new dancers come from? Rochester's population of Advanced dancers will be enlarged this fall when Mike Callahan's latest class of Shamrock Squares graduates in a few weeks, and when the Jack of Hearts begins a new series of classes in late September. Jerry Carmen will offer a new "Funshop" (workshop) later in the fall, as well as, a monthly All-Position-Dancing (APD) series...this APD is fun and challenging in and of itself, and it's excellent training for Advanced/Challenge dancing. Call 271-3258 for more information on any of these classes.

How do the three Rochester area Advanced Dancing Clubs differ? Although all three clubs are doing advanced material, they each handle it in a different way. Jerry's Funshop offers about half the advanced list of calls in a ten-week workshop, with emphasis on position dancing. This group then dances alternate Sunday evenings, in Batavia. The Shamrock Squares offer an extended series of classes, about twice a year, and covering the 60 or so basic figures of Advanced dancing. The club features the current experimental figures of square-dancing along with the advanced basics. Classes meet on Mondays and the club on Tuesdays. The Jack of Hearts, a member-run club with Ross Howell as caller, offers a series of classes covering the complete list of Advanced calls. Both the class and club meet on Wednesdays, with the club featuring live calling with Ross Howell one week and tape-dancing to other nationally known callers on alternate weeks. The emphasis is on practice and gaining expertise with a variety of callers and a gradual introduction of new, more advanced material.

Several of us have danced frequently at all three of these clubs and we enjoy the friendliness and skill of these dancers, as well as, the different format each club offers. So as you see, Advanced dancing is 'alive and well' -- and enjoying a slow and steady growth in the Rochester area.

Next month we'll have a description of Challenge dancing in this area.

Your questions and comments are welcome.

Eileen Howard

## Leukemia Dance Report

A sincere and grateful THANKS goes out to all square dancers who participated in the Leukemia Dance 1977. The dance held June 11th sponsored by the Cure Childhood Cancer Assoc. raised over \$4,500.00 to help in the fight against childhood Leukemia/Cancer.

The beautiful handmade quilt which was on display in many of the clubs throughout the area sold 1,592 tickets and Terry Cooper of Henrietta, NY was the winner.

Congratulations to KUNTRY KUZZINS and RAINBOW SQUARES for winning the silver engraved trays that were given to the clubs that came the furthest, and had the greatest attendance present. This year a special hand carved black walnut vase was given to the "couple" coming the furthest distance. They were Fred and Arline Thorp from the "Woodstockers" in ENGLAND!! It was a thrill to have them with us, and to top it off Fred is a caller and offered to call a tip for us. They will take the vase back with them and at their next BIG dance will give it to the "couple" coming the furthest distance, and sooner or later it might find it's way back to the U.S.A.

Once again we would like to thank the callers, cuers, and all those who put their time and effort into the dance. We know that a big dance is always a lot of work for all those involved, but, if we can help save the life of one little child, we feel our work is well worth the effort.

Take care, and we hope to see you all at our 1978 Leukemia Dance.....

Sincerely,  
Jim and Connie Harper

CURE CHILDHOOD CANCER ASSOC.

### LETTER TO THE EDITOR

Dear Sir,  
Could you find space in 'The Promenader' to publish the enclosed small tribute to Judy and Bill Wilcox, they really made our recent vacation.

A super vacation!

May we, through your magazine, thank Judy and Bill Wilcox for the hospitality afforded to us on our recent visit to your area.

These two wonderful people, together with, their family; Chris and Joyce Church; and several members of the Web Spinners really went out of their way to ensure that the brief time we were in Rochester was one that we shall treasure and remember always.

We pitched horsehoes, Botchied Balled, became Turtles, and did several things that were completely new to us, Judy and Bill sacrificing their own comfort and convenience in order that we should get the best out of the vacation.

Trusting that we may be able to get back to Rochester some day we leave the United States with an open invitation to Judy and Bill to come over and see us some time, we will do our best to reciprocate.

## Batavia Twirlers

The Batavia Twirlers turned over to the NYS Tax Fund the sum of \$125.25 to help the Federation defray the bill still owed for fighting and winning the sales tax battle. A Special thanks goes to Larry Dunn who donated his fee for this cause.

Our annual outdoor dance and steak roast at Alexander Firemen's Park was held Aug. 20th. It was well attended and a fine time was enjoyed by all.

Our class will graduate September 10th at 8:00 PM at the YMCA. We welcome to our club Jim and Pene Goodyear Netta and Robert Marshall, Jim and Judy McClurg, Robert and Joyce Saxer, Art and Carol Smith, Robert Whitcombe and Peg Chapman. Hope they enjoy dancing to our club.

In order to help the new class and those that haven't danced too much this summer, our club will be dancing mainstream plus experimentals until December. We hope many of you will visit our club this fall starting this September 17th at the John Kennedy School, 166 Vine St., Batavia, NY.

Our annual CANCER DANCE will be held October 15th at the High School on State Street in Batavia. Lorraine and Bill Parry and Ken and Helen Johnson are co-chairmen of the Cancer Dance. Please mark this date on your calendar. Callers will be Bud Redman, Jim Dutton, Jerry Carmen, and Ron Fotch. Round dance cuers will be the Wolcotts, the DeGraves, the Reilleys and Betty Carmen.

Hope everyone enjoyed their summer.  
The Presidents,  
George and Della Jinks

## Belles & Beaus

Hope all had a wonderful summer vacationing and square dancing. Those of the club that danced to Stan Levandoski at the Fair Grounds on August 11 sure enjoyed themselves. At least half a dozen couples from Belles & Beaus journeyed to Atlantic City in June to dance at the 26th Annual National Square Dance Convention. To avoid 25 thousand people crowded into the Atlantic City Convention Hall some dancers escaped to the Boardwalk to dance through the wee hours of the morning to some great national callers.

Doris Hagberg hosted a luncheon-picnic to celebrate summer birthdays, on August 10. It was a real special occasion, even if the weather did not cooperate. A nice surprise was seeing Ken and Kay Frederick from Florida and John and Bernice Moylan from Henderson Harbor.

One Saturday afternoon this summer, when John Downes returned from an impromptu shopping spree, Barbara asked what he bought. He replied mater of factly, "A pair of shoes, a bottle of booze and a cougar". Sure enough--he had a new car.

Congratulations go to Bob and Kathy Hall on the arrival of their baby Keri Ann on August 1.

Finally after many, many years of participating, Art Harris came in FIRST at our annual car rally. He was so elated that his Buffalo club, the "Harris Squares", held a car rally of their own in his honor.

Birthday Greetings to Margie Doyle. We hope she will be soon out of the Rochester General Hospital.

DATES TO MARK--September 12th -- first club dance. September 14, 21, and 28-- Open House. Please invite your friends and neighbors or better yet pick them up on your way to Holmes Road.

Ellen and Jerry Linger

## Boots n' Slippers

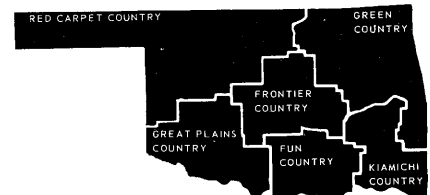

Once again we are looking forward to another season of dancing. Most of us by now have had our vacations, caught our fish (oh those fish stories) and whatever else suited our fancy and are ready to get back into the swing of things. Sept. 9th is Boots 'N Slippers OPEN HOUSE. Come, bring your relatives, neighbors and friends introduce them to something that's for fun and fellowship. Bring the kids if they are old enough. They may even get to like it.

Our campout held in July was a big success in spite of the fact that our chairman wasn't there. Not even the down pour at supertime dampened our spirits. Thanks to Al, we had a little dancing, a little singing and a lot of fun. Some 21 families really enjoyed themselves.

Our picnic was a great success too. Again the fellowship of families together under the capable leadership of the Graybills and Pickworths. Thank you for a job well done. Up and coming: Sept. 9 - Mike Callahan OPEN HOUSE... Sept. 16 - Don Pratt... Sept. 23 - Al Howe. Sept. 30 - Carl Geels (National). It looks like a fine September. Get your wardrobes back in shape and come dance with us.

Kay and Jerry Miller

## Cloverleaf Squares

Cloverleaf Squares had a busy summer of dancing and social activities. Besides the calling of our own Mike Callahan, we enjoyed that of guest callers Ken Boss, Jerry Carmen, Chip Kellogg, Ron Fotch and Al Howe. Our thanks go to Sue Connor, Dave Tarantino, Natalie White, Linda Wolf and Cindy Coomber and their respective committees for organizing the summer activities.

Eleven Cloverleafs are spending Labor Day weekend in Chicago attending the 7th Annual Single Square Dancers USA Dance-A-Rama.

On September 11 only we will dance at the Chili Town Hall, 3235 Chili Avenue, instead of the church hall.

Sixteen members are planning to attend Mike Callahan's and Bruce Shaw's "Fling Fantastic" in Olean, September 16-18.

On Saturday, September 24, the three Rochester area singles clubs will sponsor their annual Singles Square-Up. The theme for this year's dance is "Comics Caper". It will be held at Drake Middle School, 350 Cooper Road (off Titus Ave.) from 2-5:30 PM and 7-11:00 PM. Ken Boss and Jerry Carmen will call the squares and Betty Carmen and Dick Peck will cue the rounds. The evening dance features National Caller Frannie Heintz and cuer Bob Slomcenski. Advance ticket donation is \$3.50 per person for all day or \$2.00 for the afternoon or evening. At the door the donation will be \$4.00 for all day or \$2.00 for the afternoon or evening. We hope all of you, singles and couples, will join us as it promises to be a fantastic dance.

Open Houses are planned for 8:00 PM on Sept. 18th and Sept. 25. Anyone (singles especially) interested in learning about modern Western square dancing is invited to join us at the Lutheran Church of Concord, 485 Holmes Road (right behind Long Ridge Mall). Classes will be held Sundays from 6-8 PM beginning Sunday, October 2. Mike Callahan will be the teacher.

## Copy Cats

HI!

If someone had said "Slip, Slide, Swing & Slither" to me a few months ago I would have thought someone was telling me what happens on a wet soapy kitchen floor. . . . but now I am a square dancer. . . . and that's the language we speak. . . . like "Macrame". . . . (what I call) four lines getting tied up in knots!

\*\*\*\*\*  
This is your "mystery" reporter greeting you on the eve of another fun filled fall fiesta of copycatting.

Al & Dot have let me sign their names to all the confidential reports that come your way during the square dance season!

Not so secret is the first big events of importance:

Free open house for square dancing  
•• Sat. Sept. 10, 1977 Bayview YMCA  
Bay Rd. Webster  
Caller: Chuck Prister  
8:00 - 10:30 P.M.

Free open house for square dancing  
•• Tues. Sept. 13, 1977 Xerox Recreation Bldg. 337  
Webster  
Caller: Chip Kellogg  
8:00 - 10:30

Contact all your friends and invite them to come with you either of these nites. . . . Let's not keep all the fun to ourselves!!

\*\*\*\*\*

### WHY?

Your mystery reporter has had several queries "why are so many square dancers interested in joining the Copy Cats? Simple, we have a lot of fun, a lot of friendly dancers and bevy of far-out callers.

\*\*\*\*\*

### SECRET:

What popular Copy Cats have been seen on Monday nites brushing up on some of the latest square dance calls with Mike Callahan so they can assist the newer members? Their initials are: M. & J. Moll  
R. & C. Turk  
R. & E. McVay  
K. & E. Heim  
D. & B. Ostertag

### HEADLINE:

The Mayor of New Jersey could have been alarmed at the headline,  
"Fordhams Frost Molls on Boardwalk in Atlantic City."

But we know it was our Past Pres. Helen & Jim (Fordham), popular Paul & Florence (Frost), and our new Pres. Matt & Joy (Moll) who were only having a grand time at the National Convention in Atlantic City!

\*\*\*\*\*

### CONGRATULATIONS:

To past officers Ken & Carolyn Wilkins on their latest move to a spanking new love nest. . . .

\*\*\*\*\*

### FLASHES & SPLASHES:

Copy Cats Matt & Joy Moll, Ken & Betty Heim, Bob & Celeste Turk and Al & Dot Pheilshifter formed a square and waded through the Monroe County Fair square dancing demonstrations.

The Annual picnic, swim party & square dance held at the Bayview YMCA was a snorkel of fun. Everyone expected appropriate calls like "Load The Boat", "Trade The Wave", and "Dive Thru".

\*\*\*\*\*

End with a positive note. . . .

See you all (with a friend) at one or both of the open house nites.

Al & Dot Pheilshifter

## Country Twirlers

As another season of square dancing is about to begin, we would like to welcome all square dancers to join us for an evening of fun and friendship at our Open House on Saturday, Sept. 10th. Our own Jim McQuade will get us back in the swing. Let's try to ensure a large class by having each member recruit at least one new couple. The welcome mat will be out for both old members and prospective new ones at our Open House.

We want to thank Ken and Kay Georger for graciously accepting the duties as Presidents for the remainder of the year.

One memorable experience this summer for the writers as well as some other club members, was the National Convention in Atlantic City, New Jersey. Would anyone like to know how to score on the "Boardwalk"? Ask any of the convention goers to tell you.

As many of us enjoyed dancing at the fair and the Westgate Demonstration dance, we trust we will be seeing many new faces for our classes beginning, Tues. Sept. 13 from 7:30-10:00 PM with Jerry Carmen calling.

On Saturday, Sept. 17 we will be dancing to Maurice Warner. Then, on Friday, Sept. 23, Gloria Roth will be in the calling spot.

Our campout picnic and dance once again was blessed with good weather and a lot of fun. Our thanks to all the committee and all the helpers for a memorable weekend.

As we look back over the past summer we share with some of our members their sorrows and sadness, their joys and happiness and urge them as well as you to join with us for another year of Country Twirler fellowship

Frank and Nancy Austin

## EKC-O Squares

Hello and welcome back all those dancers who have enjoyed a summer trip, one or many week-end retreats, a relaxing cruise or whatever.

As most know from June 29th thru August 17th we have enjoyed dancing on Wednesday nights. This gave those who wanted to a chance to leave on Friday for a nice long week-end somewhere which we're sure was taken advantage of especially during this hot summer.

We heard that the Pot Luck Dinner on July 20th, planned by Walt and Sally Baechle was a great success and many yummy dishes were sampled. Following, Ken Anderson called a workshop with Betty Wolcott cueing rounds.

Remember, no dance Friday, Sept. 2nd. We will begin dancing on Friday nights starting Sept. 9th, at Kodak Office with the Welcome Back Dinner dance. Hospitality time from 6:15 to 6:30 PM and prime rib dinner at 6:30 PM with dancing following at 8:00 PM to Orphie Easson and Betty Wolcott cueing the rounds. For reservations call John and Ruth Shadders at 671-2023 or Don and Wanda Brown at 663-7769.

All the rest of EKC-O Squares dances for Sept. will be on Fridays at Kodak Park beginning with our Open House on Sept. 16th with Ken Anderson calling, on Sept. 23rd the caller will be Carl Hanks and Sept. 30th with Mike Callahan calling.

Square dance lessons for the new class will begin Wednesday, Sept. 21st at KAD from 8:00 PM until 10:30 PM with Jim Dutton as the class instructor.

Remember keep square dancing relaxed and fun. Welcome everyone in your square and keep smiling.

God bless each of you,  
Ken and Marcia Wishau

## Genesee Dancers

With the advent of the new season, we anticipate another year of fine dancing with members and friends.

We'll all gather for the TRAIL BACK DINNER DANCE on Thursday, Sept. 8th at the Green Lantern Inn. Happy hour - 6:00 PM...Dinner 7:00 PM...Dancing 8:30.

It will be great to have Mike and Wanda Callahan and Bob and Nora Slomcenski back to pace us through our Do-sa-do and Pas-de-Bas.

Mike will feature a short workshop session each week, after Bob starts off with rounds 8:00-8:30 PM.

To all the area callers who took part in our summer program, thank you for all your efforts. It was a fine job by each of you.

To all those who did come out for the summer dances, thank you for your support and enthusiasm.

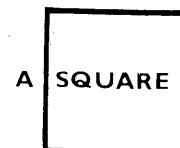

\*\*\*\*Special thanks, too, to all the Genesee Dancers who danced at the Monroe County Fair on August 11th and also at the demonstration at the Brighton Blast on July 4th.

Have you referred your friends to our membership chairmen? There's still time to give names for the new class to Gary and Edith Onussiet - 223-2756 or Fred and Evelyn Morrow - 377-5775. Better still, come and bring them to OPEN HOUSE on Monday, September 12th. Classes begin Sept. 19 at Brookside Elementary School (220 Idlewood - Brighton).

In your busy fall schedule, please set aside a few nights to help out at the class. Club dancers can help so much to make the new dancer feel at ease.

SAVE THIS DATE - NOVEMBER 17 - JAMES ADAMS, Guest Caller.

Joe and Anna Jean Caracci

Hal Abberger we miss you.

## Glass Slippers

It's "TOO DAMM HOTT"! That was the name of our special dance in August. Outside breezes and some fans kept us from melting away completely. The Glass Slippers danced all summer, both at our regular Monday night dances at the Campus School and on Saturday nights at Spring Creek Camp. Several of us have been learning to round dance with Ron and Betty Fotch so we'll be ready, willing, and able when the fall schedule is resumed.

Glass Slippers' Open House will be held on Monday, Sept. 19th at 7:30 PM in the Campus School cafeterium. This is located in Brockport at the corner of Adams and Kenyon Streets - where many of you round and square dancers enjoyed Dance-O-Rama in May.

Our Glass Slippers campout at Spring Creek was a success. Weather - perfect; company - great; food - the best; fun and games - lots! Friday night's campfire, with music, jokes, and patter led by Buryle Marvin and his accordion, lasted until the wee hours. (The jokes got longer and funnier after the kids went to bed.) Betty's pancakes were soooo light at the Saturday morning breakfast we shared; and the pot-luck dinner Sunday left us all feeling too lazy to stir. Confidentially, I saw a few fellows' heads nodding while the ladies were picking up later. The only problem we ran into was when we tried to get some distance, hitting very fresh marshmallows with golf clubs. I don't know who cleaned up the clubs, but the job probably fell to Bert and Bill Hawken. After all, it was their idea.

We were happy to welcome back from their honeymoon Clare and Mark Finkel, who started class as dancing partners and have since become life partners.

Dianne Silvernail helped us get a head start on decorating for Christmas at the crafts session Saturday afternoon when we made wreaths - with a base of pop and beer bottle caps yet!

August 19 found the Country Swingers and Glass Slippers sharing a float in the Hamlin Fireman's parade. George Burch designed, built, and decorated the float assisted by some tissue flower-makers. We also demonstrated at the Hamlin carnival that night.

The Glass Slippers won't be dancing at the Campus School on Labor Day, September 5, nor on the following Monday, September 12, so we will be all rested and ready for Open House on the 19th.

Keep this date open - October 10 - for a Columbus Day dance, "Cruisin' with Chris", a night of singing calls with Ron Fotch.

Join us some Monday night. We'd love to have you in a square.

Elsie Epke

## Henrietta Friendship Squares

Hi everybody,

Some of us were together at our campout at Bonnie Brae, August 26th week-end. Very enjoyable!

We're starting our fall schedule on Sept. 10 at Pinnacle Lutheran Church with A Pot Luck Supper at 6:30 PM and our first Open House at 8:00 PM. How nice it will be to see everybody again. Let's hope we see a lot of new faces at our Open House!

Jean and Al

## Irondequoit Squares

The members are anxiously looking forward to the Open House on Sept. 10th and to the begining of a very active square dancing season. We are all looking forward for instructions by Bill Wilcox in some of the new calls.

The class for the new commers begins Thursday, Sept. 15 at the Brighton Reform Church Fellowship Lodge, 805 Blossom Road. For further information contact Roland and Marilyn Courtemanche - 872-5924 or Ray and Pauline Gaul - 663-7975.

Don and Marilyn Sullivan did not let the summer heat interfere with the demonstration dances. They arranged for demonstration dances at three Senior Citizen Homes, two Nursing Homes and at the Monroe County Fair.

Don Everet is at home recuperating after surgery. Don we expect to see you soon at the club dances.

The weatherman teased the club members for the picnic on June 18th, but he did come across with nice weather when the picnic started.

The Irondequoit Square Dance Club members are really going to miss Harold and Agnes Hughes who have moved to Syracuse. We hope to see them often as visitors.

The two outdoor summer dances held at the Brighton Reform Church were well attended. We had two beautiful evenings for the dances. Harold and Dena Jackson, our wagon masters, arranged for a very successful 4th of July week-end camp-out at the Spring Creek Campsite. Those that could not spend the weekend at the campsite visited the campers on Saturday night, and what a time they had square dancing. Ask them who's on first or on third. And again on July 30 when three squares from the Irondequoit club had a picnic and danced to the wee hours at the Spring Creek Campsite.

See you Sept 10 at the Open House.

Edd and Ginny

## Kuntry Kuzzins

We will be starting our new season with a new caller, Jon McNally. Because Jon cannot make our first dance, Jeff Elmore who has just recently moved to Newark, will be calling for us at the Kelly School in Newark, from 8-11 PM on Sept. 10th. Then Jon will be with us on Sept. 24th at Kelly School from 8-11 PM

We will also be having a Special Dance on Friday, October 14th with Dick Schweitzer at Kelly School from 8-11 PM. Donation \$4.00. A Special Dessert is planned.

Ron and Betty Howlett

## Jack of Hearts

Club activities open in September with a workshop on September 7 and a special dance on Saturday, Sept. 10 at the Pinegrove School (Pinegrove Ave. off St. Paul Blvd.) BOB GAMBELL of Massachusetts will be featured as our caller and the dance is open to all who dance the Callerlab list of basic advanced calls. We would be pleased to have you join us!

Another special event in Sept. is the OPEN HOUSE on Wednesday, Sept. 14 with ROSS HOWELL presenting an evening of Introduction to Advanced Dancing.... this dance is open to all experienced club-level dancers who are interested in sampling the next level of square dancing. (Note: to anyone who now dances at the Mainstream +2 level...there are only about two dozen calls beyond that level making up the current list of advanced dancing's basic calls and you are well on your way into advanced dancing already--so come on out for an interesting evening!).

Besides all the activity mentioned above, the Jack of Hearts club will sponsor a series of classes in Advanced dancing, beginning Wednesday, Sept. 21. at Pineview School, 2400 Oakview Drive, Irondequoit (Call 671-6311 for information). Those classes prepare the participant for membership in the Jack of Hearts club and for participation in special advanced dances held regularly throughout the year here and elsewhere-- indeed, developing skill in this phase of square-dancing opens up many new opportunities for advanced dancing weekends, festivals, etc., held in all parts of the state and, in fact, over the entire country!

Hope to see you at one or more of our Jack of Hearts events! Good dancing.

Eileen & George Howard

# HELP

M. D. DANCE IS NEED OF HELP, FOR APRIL 8, 1978

Some of the committees have worked so long, and put in so many hours, they would like a breather. Also, we need new ideas. If we do not have replacements, we will have to drop the M.D. Dance. The Past committees are more than happy to share their previous experiences, and give you advise if you need it.

The following committees are what is needed. If you are interested, and willing to help, please fill in below, as soon as possible. When this is completed we will contact you, and advise you of a meeting in September.

## CCR

At its last meeting the Callers Co-Op of Rochester voted to support CALLERLAB's program of dance identification. That program is not perfect nor is it final, but it is a start, and it will be in use with clubs all over the country.

Each club should seriously discuss how to identify its dances. Orlo Hoadley, Ed Butenhof, Bruce Shaw and Ben McGilvery, officers of CCR here answer questions that area dancers will probably be asking.

Q: What's all this noise about Dance Identification? We all know that what we're doing is Modern Western Square Dancing, don't we?

A: Sure we all know that. If you've been around for a while you also know that there are a lot of clubs in the area, and they don't all dance in the same way. If you're new at the game, this is a fact of life that you will learn one way or another. The general idea is to get this information to the new dancers before they have to learn the hard way, or perhaps even get discouraged by a few unpleasant experiences and drop away from square dancing entirely. Besides, even if experienced dancers learn about the programs of a few clubs, there are darned few who know what they might expect at all of the clubs.

Q: So what is Dance Identification supposed to do?

A: Dance Identification means that symbol put with each club's schedule in the Promenader every month will let prospective visitors know what kind of a dance to expect. This is helpful for both local dancers who would like to visit around and for out-of-town travelers who would like to find a congenial group to dance with.

CCR (continued)

Q: You're going to get into an awful hassle when somebody tries to put ratings on all of the clubs.

A: Nobody's going to put ratings on clubs, and nobody's going to try to say that one club dances "better" than another, whatever that might mean. What it amounts to is that the clubs themselves are asked to announce in print what kind of dancing they do, for the convenience of dancers who may be interested in visiting. Why should any club object to doing that?

Q: What are these identifying symbols supposed to tell us?

A: One of the ways that dances differ is in the vocabulary that the caller uses, or in other words, the number of calls that the dancers are familiar with. For instance, you know that if a club invites its class to a Christmas or Valentine party, the caller has to confine his calls to the ones that the class has already learned. For any dance, the number of calls the dancers are expected to know is only one factor. To give his dancers variety, one caller might teach them a large vocabulary of calls, and another might confine himself to fewer calls, but use them in many different ways: --with a man where a lady normally is, left-handed, from various different formations of the set, etc. This type of dancing is known as All-Position Dancing (APD). The calls are listed in a way suggested by Callerlab, which is a national organization of square-dance callers, founded in 1974. The movement towards Dance Identification is national, and not just a local pipe-dream.

Q: Do you mean that the caller is not allowed to use anything but the listed calls?

A: No. The caller will probably continue to do what most of them have been doing for years: use any calls that he chooses to. What it does mean is that the caller should expect that he will have to teach any call that is not on the list, and he should be able to expect that the dancers who come to that dance will be reasonably familiar with all of the calls that are on the list.

Q: In other words, it's a way for the clubs to tell the inexperienced dancer to stay away if they can't hack it.

A: Not at all. It's a way to help dancers to find dances that they can enjoy, whether what they want is to stretch themselves a little or spend an evening with material that they already know well. It can also help dancers to avoid the unpleasant experience of getting into a place where they are completely over their heads, or at least warn them in advance that it might happen. We have had both open and closed clubs in the Federation for years, and nobody wants to change that. Whether a club wishes to welcome everybody or restrict their admissions is still a matter for the clubs themselves to decide. As a matter of pure fact, most of the clubs in the Federation are restricted now. Even though they are supposedly "open", they expect that any visitor has been through a square-dance class, and anyone that hasn't would have a pretty tough time of it.

CCR (continued on next page)

Q: Well, I don't go visiting and I don't go square dancing when I'm traveling out of town. So what good does this identification business do me? I already know what kind of dancing my club does.

A: For one thing, you will be less likely to get visitors who will be unhappy, either because the dancing is too much for them, or because the caller isn't being fancy enough for them. For another thing, the identification will tell any visiting caller what kind of a dance you'd like to have him call. Besides, what have you got to lose? Why not try it for a while and see how it works?

Q: Well, maybe. How is it supposed to work?

A: When a club's dance schedule is sent to the Promenader, it would include for each dance a letter code to indicate what kind of dance it will be. These groupings are suggested by CALLERLAB and your caller can give you more details.

B = basic - The first 38 basic calls, which most classes will have learned by Christmas time.

EB = extended basic - The first 54 basic calls, about where a class would be by Valentine's Day

M = mainstream - The 68 basics that a class will normally learn plus the 10 additional calls labeled "Mainstream Experimental" --some of which may eventually become Mainstream basics.

M1 = mainstream plus 1 - includes 12 additional calls.

M2 = mainstream plus 2 - adds yet another 12 calls.

A = advanced  
 CB = basic challenge  
 C = challenge

each involves yet more calls which dancers will be expected to know. These lists will be changed from year to year as new calls are added and others dropped.

/ = all position - This slash after any of the above codes will indicate that calls will be given from unusual positions and therefore stress the dancers' knowledge of positioning. This may be done to varying degrees and in the future it may be desirable to indicate the amount of all position used.

Q: How do we know which identification to use?

A: Again, discuss it with your caller. He or she will have the CALLERLAB lists. Decide what your club enjoys doing--this isn't a competitive activity, it's an enjoyable, relaxing one. Do your own thing, and tell others what that is, so they can join you if it's their thing too.

## Pioneer Squares

It is time again to put on those dancing shoes and begin another season of square dancing. It was a fun-filled summer; at times though a little "too hot", but it sure was better than our cold and snowy winter.

Well, now that the summer is almost over, and its time for the changing of the seasons...that's not all that's going to change....PIONEER SQUARES are changing their dancing night in hopes that a greater number will be able to come and enjoy our fun-filled nights of square and round dancing. We will be dancing on TUESDAY nights, rather than on Friday nights, as we did in the summer, so check your calendar carefully!

Here's something you'll really like--for a little variety and for your dancing pleasure, we will be having Joh McNally calling for us once again this year and his wife Sue will now be doing the round dances for us too! Plus, we are also planning on having a special dessert at every dance, which will include the recipe, so that we can all compile our own personal Pioneer Square Cookbook; and we're sure it will be super fantastic, since this past year has proven to us that we have some of the best cooks around. One more plus, if you like to earn those dangles we can help you add to your collection, because one a month we will be featuring a "Earn A Dangle Dance".

Save the dates SEPTEMBER 13, and SEPTEMBER 20, because those are the nights that we are inviting all of our friends and Pioneers to bring their recruits for our OPEN HOUSE -- a guaranteed fun-filled night for everyone and best of all it is free!! Classes will begin on Sept. 27 and will be every Tuesday night from 7:00 thru 8:30 PM at the East Rochester First Presbyterian Church - 109 East Avenue - East Rochester, NY. And... don't forget that then from 8:30 - 11:00 every Tuesday the club will be dancing right in the same place!

Our picnic of July 23 is over, but all of the pleasant memories are still with all of us, and we're sure they will remain with us for a long time. A great time was had by all, thanks to the generosity of Howard and Eltha Aldridge for letting us have our picnic at their beautiful home.

Our swimming-square dancing picnic of August 27 was the perfect way to end our summer season and look forward to and plan our special activities for a super special year ahead. Like in all of our activities that we do together as a group, a super fun-filled time was had by all.

Last but by no means least, we would like to thank the officers -- Jim and Dorothy Cutter, our presidents; Bill and Nell Burton, our vice-presidents, and Jon McNally our caller and his wife Sue for the great job that they have all done this past year in helping to make our club grow and have such good times with one another.

We wish to also at this time extend our deepest sympathy to Dorothy Cutter, who lost her Mother, and to Bill Woodhall, who lost his Father, this past summer, and to let them know that they our in our prayers.

Summer is gone...and now that school is back in session, vacation time is over with, it is just about time for us to give up our summer sports and picnics, and we've all had a nice rest, and hopefully all of those who were sick this past summer have recovered...so, now let's dust off our dancing shoes and come and bring your friends to see us out at Pioneer Squares every Tuesday night. We'd love to have you all! The more the merrier!

HAPPY DANCING

## Singing Squares

As the saying goes, "Seldom does your money and your vacation run out at the same time", but summer is over, and for "Singing Squares" it was busy as well as a fun-filled time.

We had dancing as usual every week through June. August 9th several couples put on an exhibition at Monroe County Fair, along with the "Village Squares". The campout at Skybrook (Aug. 12-14) with dancing on the 13th, gave everyone a preview of things to come at "Singing Squares" Open House Wed., Sept. 14 at Thomas Edison School, 1612 Buffalo Rd. 8 PM with callers Al Howe and Elwood Johnson. Club level dancing will begin Sept. 21 - Al Howe, caller and Mike Callahan calling Sept. 28th. Same time - same place.

Our club name "Singing Squares" seems to be misleading, as some people think it means we only do "singing calls". Don't ever believe it! We do "hash" calls, as well, and some are really "hot hash".

Come "square up" with us and see for yourself.

John and Lorene Fratta

## Promenading B's

Once again it's time to get the swarm "buzzin" back. Our Queen Bee, Julie VanDeusen and her drone, Frank (they are our new presidents) have already started the activity in the hive. Open House is Sept. 16th at 8:00 PM. We will be dancing every Friday night after that. Check the schedule for time and place.

Our camp-out was a little wet again this year but that didn't stop us. Chef Angie cooked pancakes twice (because they were so good). The kids had a great time doing crafts and a few moms can make the "niftiest" towel holders. Ron Potch, our caller, gave us all a real work-out at the dance Saturday night. Sunday seemed like a great day for action so Ronnie's Raiders challenged Carol's Campers to a volleyball game. Carol's Campers are challenging the Raiders to a rematch. After that, we had to get our strength back and our picnic started. What a feast, we could hardly fly after that. Marilyn and Bob did a great job on games for the kids, then Frank made them crank their own ice cream. That sure brought back memories. Thanks to all the helpers who keep on working for our club.

Our new worker bees (officers) are:

## Lima Grand Squares

Yes folks, this is it! The new season at Lima Grand Squares. With an exciting cast swirling, ducking, dodging, diving thru, under, over and around! Sometimes we even do what the caller calls, however, these momentary lapses of order and decorum are not to be mistaken for the real Lima Grand Squares who would now stand up, but got lost on the way.

We will have Open House on Sept. 9 and again on the 16th. If you want to liven up Friday night well come see us neighbor. Last year we had an old-timers night and got to see many of the former square dancers in the area - to you folks an especially big invitation to come see us again.

Two quick notes, our picnic at Lou & Rita Lamberts was just great. Lou & Rita have been members of our group for many years and it's a real pleasure to have them. The campout at Skybrook was well attended and well enjoyed.

Cliff & Diane Gollus

## Rochester Rollaways

With a summer behind us that was filled with a variety of High Level weeks, Advanced Mini-weeks, Challenge Week-ends, and numerous workshops, I think it is time for all good Rollaways to mark time, get their sets-in-motion and strut on down to Oakview School at 8 o'clock sharp, where BOB GAMBELL will want us to look good, by golly, with a touch of class.

On Sept. 23 we will have Deuce Williams calling and on the 30th, Ross Howell "Big Daddy".

In the meantime PLAN AHEAD, to attend the Fall Campout, Oct. 1st at Hamlin Beach State Park with Ross Howell calling C-1 level with extra C-2 tips.

The Meaghers became the proud grandparents of a beautiful baby girl, July 27th.

If you have any trouble with "Stars", "Galaxies", or "Orbits", check with our renowned authority - Russ (the astronomer) Jenkins who appeared on a local TV show August 10th.

Barb Vreeland will again be doing the Dance-O-Rama scheduling for 1978, so if you have any ideas or suggestions, please contact her.

So until next month, keep your level up.

Bob & Jeannette Meagher

## Swinging BB's

We would like to congratulate the members of our graduating class of 1977. We held our Trail End Dinner on June 4, at which we had a delicious Swiss Steak Dinner, thanks to Lane and Hilda McCord.

On June 10-12 our campout was held at Lakeside Park. A picnic at Bob and Dorothy Brunshidle's on July 16 was just great. After seeing their slides from a trip to Mexico City, we would all like to go there soon. The campout on August 5-7 with all that hiking, bicycling, dancing, games and exploring was lots of fun.

We're glad to see Archie Dorrance home from Park Ridge Hospital and active again. The Howards are expecting their first grandchild soon. I'm sure the Wilcoxes will have some fond memories to share when they get back from their trip to California.

We would like to congratulate our new officers for the coming year: President, Herb and Kay Wendt; Vice-president, Jack and Lucille Harrington; Treasurer, Paul and Ros Krebs, and Secretary, Bill and Gail Babeck.

Birthday wishes for September go to Mary Howard and Bob Brunshidle.

We invite all our members to come to our Open House dance to be held on Sept. 17. Bring interested friends (They're free!) and help us get the season off with a flying start.

Ernie and Dorothy Willett

## Swingin' Eights

The "Good Old Summertime" is coming to an end, and with some fond vacation memories behind us, we now happily look ahead to a season of fun and dancing.

In July our club held a family picnic at Ellison Park and twenty families attended. Everyone had a great time. There was the every favorite baseball game. The hilarious point of the picnic was the egg throwing contest and sack race.

Following is our dance schedule:

- Sept. 10 - A "Pot Luck Supper" will be served at 6:30 PM at Hosea Rogers School. Please bring either a casserole, salad or dessert. Round dancing will start at 8 PM with Sue McNally and squares with Jon McNally.
- Sept. 17 - Dance at Hosea Roger School, the caller will be Chip Kellogg.
- Sept. 24 - "OPEN HOUSE" at Hosea Rogers School at 8 PM. Now is the time to invite your friends to come for an evening of fun and fellowship square dancing with our club. Bruce Shaw will be the caller.
- Oct. 1 - Dance at Hosea Roger School, the caller will be Bruce Shaw.

We welcome you all to come and dance with us often or always.

"Swingin' Eights" if you have any news Joe and I would like to hear from you.

Happy Dancing  
Joe and Loretta

## Tecumseh Squares

Open House - Tues. Sept. 13 Red Men's Club,  
1001 Lexington Ave. 8 PM  
First Class- Tues. Sept. 20 Red Men's Club,  
1001 Lexington Ave. 8 PM

For information call Bob & Helen Ellicot, 544-6083.

Hope all of you are eager and ready for a new season of fun! Our Open House will be on Tues. Sept. 13. Bring a friend or enemy and show them how much fun we have in square dancing. The future of any club lies in its classes. The lessons this year will be in the adjoining room at the Red Men's Club from 7:00-9:30 PM. This is especially convenient for all of our "trick worker" friends. The lessons will start Sept. 20 and will remain open for a few weeks. Jack Sadwick will be our instructor. We are delighted to have you with us Jack.

The notorious two who are the backbone of our club will be back this year. (Don't tell them, but we really enjoy their calling and cueing!) THEY, ofcourse, are none other than Bruce Shaw calling and Bob Slomcenski cueing. And don't forget Nora! Bob would be in a mess instructing without his able assistant.

Round dance lessons will be in the Red Men's Club lodge room behind the bowling alleys. It is not necessary to be a Red Men club or Tecumseh member to attend these classes. In fact, it is not necessary to be a Red Men club member to belong to Tecumseh. Round lessons will be on Sunday from 7:30 - 10:00 PM starting Oct. 2. The class will be limited to 35 couples because of the size of the room. It's on "first register, first dance" basis. Call or write Nora Slomcenski, 20 Culverton Road, Rochester, NY 14609 for registration.

Be seeing you around the square.

Ed and Sue Sulewski

## Triggers

Hi,

Hope everyone had a nice, relaxing summer and is back safe and sound to start another season of square dancing (especially those who had auto accidents this past summer!)

Of the 24,642 people who attended the National Convention in Atlantic City, six couples represented our club. They included Jo & Frank Manicone, Eve & Dave Orlen, Mable & Bob Wordingham, Sylvia & Burt Butler, Lila & Harold Pierce (who flew down the last day), and our favorite caller and Taw Myron and Peg Huss. Some of the highlights were the March of the States, dancing in the Miss America Hall and dancing on the Boardwalk. It was quite an exciting experience finding out what different states the dancers in your set were from.

Congratulations to Myra and Joe Kirkenaer, who became the proud parents of a baby girl on August 8, and Audrey and Vic Bates, who are proud grandparents of a baby boy--their eight grandchild!

The club members were invited to attend the wedding of Robin Wordingham to Melvyn Stoller on August 6th. We wish them many years of happiness.

We are sorry to lose Carol & John Parnell, who are leaving Rochester for a teaching job in Newburg, New York. We wish them the best of luck.

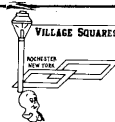

We wonder how the weather is in Los Angeles, CA and Indianapolis, Indiana? Hello out there!

Sue and Bill Corbin were back in the city for a visit. Several couples went down to Ithaca to visit them in their new home. It was so good to see them again.

It was quite a family reunion for Norma and Fred Twietmeyer when 99 family members consisting of 3 or 4 generations gathered at Mac's Sirloin House. Bet they had a lot to talk about!

Last, but not least, be sure you have circled the 24th of September for our Hamlin Beach picnic, which is always one of the highlights of the year.

Keep on dancing,  
Jeanne & Bob McConkey

## Village Squares

NOTICE! There is no truth to the rumor that summer was lazy! Hazy? - yes. Crazy? - with Stanley around this is an unfortunate certainty. But Lazy? - never!

Village Squares has been honing it's dancing skills in anticipation of the "new season". We'll start an Open House on Tuesday, Sept. 13th for all the prospective dancers and follow it up with a free lesson on the 20th. If you know someone who would like to dance on a Tuesday night send them over from 8 to 10 PM and we'll make Tuesday their favorite day.

We will not be dancing Labor Day but will return on the 12th with the "Monday Nite Frolies" Do you have your TGIM T-shirt? Think of all the Mondays you needed a ray of sunshine - Village Squares is the answer!

A quick word on our picnic, hats off to the Gormans and everyone else who helped make it a real fine time.

See everyone Monday, the "Ghost'man" kicks off with aa workshop at 8:00 and Dorothy will be cueing the side-close-side group.

Cliff & Diane Collus

## Wayne Westerners

Once again it is time for us all to get back in the swing of Square Dancing and as we circulate around the room we will all be talking about the fun we had this summer as we tried to load the boat so that it would sweep over the ocean wave. Or how we would circle around the camp fire and peel potatoes for the hash while the children played on the nearby see saw or begged to ride on the Ferris wheel.

In the corner there is gossip about a partner trade and how some girls run after men, and a group of men discuss the best way to wheel and deal and trade in the business world.

Now the caller walks around the corner, slides thru the crowd and starts the music. It is time to square up - vacation is over!

Now, all kidding aside - since it is the start of a new year, with a new caller, Jeff Elmore, in a new place, Williamson Elementary School - don't you think we should start off with a new spirit and a resolution to forget all old problems and begin to make this year a real success? It's up to us - let's try!

## Web Spinners

The Web Spinners are really looking forward to our new season, which starts Sept. 9 at the Klem Road School in Webster. Come join us on Friday nights for fun and sociability. We are having an Open House on Friday, Sept. 16, and would like to have any couples interested in learning Western Square Dancing come and join us at 8 PM. Gordy Copeland will cue Rounds.

We have had a simply super summer, dancing at Webster Recreation on Wednesday nights. The campers among us had some really fine campouts. Our Wagon Master Mike Ianancone, did an excellent job organizing our campouts. Thanks, Mike. (What two ladies stayed up all night at Safari?)

We also had a picnic at Ellison Park where we had the pleasure of having Fred Thorpe from England call for us. The Thorpe family (taw, Eileen) were guests of our caller, Bill Wilcox, and his taw, Judy. Fred also joined Bill in calling at our Wednesday night dance.

Irma Hallauer is on the sick list. We all wish you a speedy recovery, Irma.

Keep dancing.

Bill and Dot Chambers

MY PET ROCK IS YELLOW ROCK!

## Which Way Whirlers

It has been a quiet summer for the Which Way Whirlers, as we took off our dancing shoes, to put on Summer Sandles, to enjoy our vacations. Anita and Al came back looking rested and happy after a trip to California, and Bob Lemley has retired as Postmaster, to spend his days playing golf and nights dancing.

On Aug. 6 the club got together for a picnic, although Bob and I were dancing in Canada, that weekend, I am sure they had a wonderful time. Dan Dedo will be our guest caller on Sept. 10. I hope our club will turn out for this wonderful caller. Gary Bubel will be our caller this year, with Bernie on the rounds.

Come dance with us, we would love to have you.

See you on a Corner  
Mermie and Bob Lemley

## WYCO Promenaders

The WYCO Club has spent a wonderful summer dancing at the United Church in Warsaw. With Chip doing the calling, the hall was full most every night.

We have had really great times but one of the highlights of our summer dancing fun was a lamb barbecue. Our gracious host and hostess were Denny and Pat Swartz from Attica. Dancing from 2 PM in the afternoon till dark with time out for our delicious meal at 7 o'clock. You know we have really good cooks in our club.

Everyone thought that Chip was calling "Rain dances" because the only time it seemed to rain was when he started calling. There was swimming and canoeing for those who wanted. In fact our host took Chip and Sue for a combination canoe trip and swim. When they came out of the water fully clothed, it seems Chip's blue jeans "bled" clear thru. So you might say that we ended up with our own "Blue Chip stock".

Our summer fun is not over. Our last dance at the church will be Sept. 9. Before we return to the school there will be Pike Fair demonstration and our annual picnic.

Leo & MaryEllen Parsons are the pround grandparents of a bouncing baby girl - Jennifer Lynn, 9 lbs. 10 oz. born July 20, 1977 to their son, Sgt. David and Debbie Parsons in Augsburg, Germany. It really amazed them - a 25th wedding anniversary in June and a first grandchild in July! Leo and Mary Ellen are also former members of the Batavia Twirlers. Leo also was a member of the Callers Co-op and caller for the Alabama Jubileers. The Parsons were transferred to 209 Maple Circle, Rose Manor, Smithfield, N.C. 27577, in February by Sylvania.

Sept 23, we will be back at Warsaw Elementary School with Jim Dutton as our guest caller. Everyone knows what a good time we always have when Jim calls.

Oct. 5 is our "Open House". If you know of anyone who wants to take lessons bring them along for an evening of free dancing. Show them what a good time we have.

If you've never danced with us at our club or better yet if you have, come and join us on the dance floor. We'll be sure to say "welcome".

## Twirl-A-Rounds

The summer dancing was cool as a cucumber at Hidden Valley Recreation Club with air conditioning. Then to top off a hot time dancing—the real cooler—a dip in the pool. I noticed George could go the full length of the pool underwater—who pulled him up anyway???

Another summer has vanished, however I am looking forward to the warm weather lingering for a spell yet. The best part is yet to come-- Back to Regular dancing. What is your pleasure? Twirl-A-Rounds aims to please. There are now 3 stages to choose from:

Beginner - Monday 7:30-8:45	Thomas Edison School
E-Z Rounds-Monday 8:45-10:30	Thomas Edison School
Regular - Wednesday 7:30-8:00	Intermediate Basics and Brush-up
8:00-10:30	Dance & Dance & Dance

Who do you know that would like to dance? Now is the time to get them started or back into the swing. There is a "stage" with "coach", Dot & Howie DeGraves, every Monday and Wednesday...

The Special Dance for September is the 21st - The Presidents Ball. Bring a friend and join the friendliest rounds in town. In charge of the evening are Norma and Chuck Dolan and Una and Geogre Shaw. Norma is normally quite congenial but I noticed she is out campaigning the 21st as the "Watergate Wiggle"...What Next ????

Sorry Charlie!!! Due to circumstances beyond our control the demo for Long Ridge was cancelled...

See you round.....
