VOL. XVI NO. 4

ROCHESTER, NEW YORK

MARCH 1978 50¢

Aloha! What a winter. It's weather like this that makes me wish I was going to Hawaii with the Circul-8-ors again. They are leaving on March 4. I am feeling mighty low standing here in snow up to my aa...nkle. The heck with it, I'm going in and put on my grass skirt and reminisce. Let me tell you about that first trip.

I went with the Circul-8-ors, a group of traveling square dancers, nice people but a little mercenary. The Genesee dancers paid them ten dollars to leave me on an island, but the Hawaiian dancers paid them twenty dollars to take me back. Soooo, they double crossed the Genesee club and brought me back. They may have left me there anyway, if they had found out how I always managed to be first on those tour buses. I would walk on backwards and they thought I was getting off the bus. Sneaky, huh?

Speaking of buses, in Honolulu, they are numbered R1, R2, S18, etc. Well, it happened. I got the numbers mixed up, got on a bus, and it took me to the wrong island. This was not easy and I had to help paddle back.

Square dancing on the islands? Yes sireee, lots of clubs dancing the same rounds and squares as here. I danced with them and soon they were paying me three coconuts to stay out of their sets.

There were some dancers that were different. They wore unique dance costumes. Men wore wrap-arounds and no shirts. How about that, no shirts. Of course, they didn't have to pin on any badges. The women wore Ti leaves or straw skirts and large brassieres for tops, weather they needed to or not, but nooo 54-yard petticoats, not even one yard. None. What else? Oh yeah, they wore hot pants instead of pettipants under their skirts. Mustn't forget them! So much for clothes.

Their Caller calls thru a large sea shell and the sound that comes out sounds like the mating call of a bull moose in the Grand Canyon. The dancers moved so gracefully that when they formed an Ocean Wave it really moved like an ocean wave. I could actually feel a spray, either that or somebody spit into the trade winds.

Now there were some others that they called the Tahitians Twirlers. Oh, boy! what beauties! Their caller accompanied them by letting out grunts and beating on an old wooden sewer pipe. Woweee! when they get those straw skirts moving it looks like a hurricane in a wheat field. One girl, I was sure was going to start a grass fire. It was no surprise to me that volcano Kelaulia erupted the next day.

The language, well, it's different. I learned that a Mai Tai is a drink. You don't wear it. Well, after the third one, you might. Muu Muu is not a cow and a Lei is a flowered necklace. One important greeting that I memorized is Pehea oe opu pe koo which means "How is your belly button?" I don't get many chances to use it.

The island square dancers referred to me as a Pupule Malihini, which I found out meant "off balance stranger." To that I say

Mahalo anyway,
Hal Abberger

Leukemia Dance Newsletter

Dear Friends,

I wrote the last newsletter in January from a hospital bed - and once again I'm writing from a hospital bed - Oh yes - a different room but needless to say not a most exciting place to be. I'd much rather be out on the dancing floor with you - greeting you and asking you to join us March 18th, at Sperry Sr. High, Henrietta, to make the Leukemia Dance a **BIG SUCCESS** - Since Jim and I are unable to do this we are asking each or you to please help us get the word around. Please invite everyone class and club to come help these kids with Leukemia/Cancer to a better chance at life.

This is an especially sad day for Jim and me - just 2 years ago we lost our son Jimmy to Leukemia. Please help us fight so that sometime in the near future parents won't say they have lost a child due to Leukemia or Cancer.

If each of you would invite just 3 other couples to come to the dance, we know there would be a great turnout. Many have said "you can't have the dance now, you can't walk or talk" - But, I know this dance is going to "GO" - even if I can't get out to see people. Because Square Dancers make the dance not me and I know they will see that it is a success.

Even though I won't be walking by then. I should be able to talk - and I'm going to be there. Come and see!. My motto has always been "If there's a will there's a way" - and I've got the will!

During this hospital stay I've decided to use my face mask (the one with the long hose) to add to the "Snuffleupagus" costume for the Sesame Street characters. See - some good comes out of everything.

Those of you who have seen the flyers will be reminded of the great time everyone had at last years dance. This year promises to be just as great - with beautiful prizes, awards and great collection of local callers and cuers.

Our committees are working hard, and we are really counting on each of you to help us this time. We can't do it without you!

Thanks so much to you all.

See you there!

CHALLENGE DANCING NEWS

CHALLENGE DANCING IN THE ROCHESTER AREA

CODE OF CONDUCT FOR CHALLENGE TAPE WORKSHOP

1. Keep your voice low and your temper under control. It takes two people to fight. The person who can control his emotions always has the upper hand.
2. Do not be too critical of another's shortcomings. As we all have some weakness it could be you who is wrong next.
3. Help your set dance its best. We all need help sometimes, but be kind about it.
4. Admit your mistakes. It is better to admit when you know you are wrong than to try to cover up or cause a delay in working the material. Admit also when you do not understand material; it happens to all of us.
5. When a problem occurs about how to do a call on a tape, refer to whatever references are available. If no answer is found, discuss alternate solutions and try them, one at a time.
6. Always dance as though to a live caller. Don't give up trying just because it's a tape and can be gone back to. At the end of a tip we can go back and work problem areas. Stopping all the time will kill reaction time.
7. Always try to act in the best interest of the group. Think "is this going to hurt our ability to work together?" before you say or do something that could hurt someone's feelings.
8. Be willing to accept constructive criticism. The purpose of the workshop is to build a set capable of advanced dancing. Another person can often see your mistakes when you cannot.
9. Remember always: The one single factor responsible for small workshops breaking up is the fighting and hurt feelings they can lead to. We must all keep in mind how we feel when someone is overly critical to us and see that it does not happen here. Instead if you know where the problem is in a figure, try to phrase your comments or advice to the person as privately as possible and without being overly critical or using ridicule.
10. Remember this is fun. So smile, keep your voice low, be kind and help your corner.

So you see, challenge dancers are merely furthering the general concepts of square dancing, and they always support their regular square dance clubs by service and attendance just as other square dancers do. The extra effort that challenge dancers put forth is for the normal reasons of enjoyment of square dancing and associating with the nicest people in the world.

Contra Corner

by Ed Butenhof

Do you dance to relax and meet people rather than for challenge?

When you square dance, do you look forward to the singing call part of the tip so you can relax and enjoy moving with the music?

Do you feel a little cheated when the caller "hashes up" the singing call so you can't relax?

Do you enjoy doing a grand square precisely with the music so that everyone ends at the same time?

If answered yes to those questions, then you'll love CONTRAS.

The basics are easy; you learned most of them in the first ten lessons, but you'll be amazed at the number of ways they can be combined!

Most of all, the phrasing of the music controls your timing. You flow with the music, not with someone's amplified voice. And moving with the music is what dancing is all about

Try it, if you like dancing, you'll love CONTRAS.

NEWS

Wyco Promenaders

We missed the January 27th dance because of bad weather. So we're looking forward to leaving the farm, cows, kids, snow and all and get down to Warsaw this Friday night to the Pot Luck Supper and dance. Chip Kellogg will be calling if he can make it out of Rochester. When we last talked to him, he was wishing for a little more snow so he could test out his snow blower! We have to give Chip credit for coming to Warsaw in all kinds of weather. We really enjoy his calling even though sometimes we're not dancing what he is calling or as he puts it - he's not calling what we're dancing. One thing is for sure, we always have a lot of fun dancing and visitors are welcome to join us.

On March 3rd we're looking forward to having Gary Bubel as our guest caller. March 17th we'll have a Pot Luck Supper and Dance starting at 6:30 and the March 31st dance will start at 8:00 with Chip Kellogg calling; all to be held at the Warsaw Elementary School.

Which Way Whirlers

One long winter month is behind us and the Which Way Whirlers have had their share of cancellations, We look forward to better roads and dancing conditions. If you haven't danced to our new caller Gary, yet, do try to make it over, I think you will like him.

It was a fun night, on January 7, when 8 couples visited the Swinging Eights and danced to Bruce Shaw and Mike Callahan, and we hope many of the class members from other clubs will come to our special dance on March 11. This is a Saturday night, for class and club, with Bruce Shaw.

See you on a Corner

Village Squares

Thank heaven for Square Dancing. We've certainly needed it to keep our spirits up this winter.

Bill Burton is recuperating at home (411 West Filbert Street, East Rochester, 14445) after surgery. Hope to see you back at the dances soon Bill.

It was great to have Helen and Dick Castor back dancing with us after Dick's surgery and long recuperation.

If you enjoy Round Dancing, come out on Monday's at 7:30 Bernie Hayward does a fantastic job cueing. Dick Casper does an equally great job calling the squares at 8 PM. Join us at the Fairport Methodist Church for dancing at its best.

Speaking of great dancing. Don Hanhurst will be our special caller for our Spring Dance on Sunday, March 5, 2-5 PM also at the Fairport Methodist Church, 31 West Church Street. Come on out and join the fun.

Mary Kailburn

Belles & Beaus

Howdy All,

Once again, we made our great return to the dance floor on January 16, after 27 days away from Holmes Road, due to holidays and the big storm; even our caller, Art Harris wondered if those couples on the floor were Club or Class!? We needed a bit of polish on the basics, but it was nice to see so many "smiles" on many embarrassed faces!

As your reporter, my apology for not winning favor from those great lovers and all Valentines everywhere, is forthcoming. Would serve me right if my men friends snubbed me forever. Heart month really has great significance to me, and during February I love everybody...?

Looking back, once again, Bev and Walt Smith spent a memorable Xmas getting acquainted with their first granddaughter, Christina, 19 months old. Valid reasons for the delay, but they sure made up for lost time, with all the grandchildren receiving generous amounts of love and attention.

Also many thanks to everyone who helped to make our Christmas party at Three Acres such a memorable evening, especially decoration and entertainment and, of course, Art.

The Weavers, Bernie and Bob, joined the ranks of retirees, as of February 1st. Sure don't look old enough, but noticeably more relaxed and jovial.

The high winds in Buffalo's area, which were supposed to become the "Blizzard of '78," blew in 30 sets for the "Hard Times Dance" enjoyed by the Harris Squares on January 28th. Dancers appeared in blue jeans, torn shirts, or whatever! The hot chicken soup served at 11:30 PM was a welcome ritual for this occasion, regardless of attire. Mike and Kathy Harris represented the Belles 'N Beaus.

Larry Dunn was tops as usual and Chet and I really think we saw those "little green men!?"

Ev and Dar Tummonds have returned from California, after spending the holidays with family and numerous grandchildren. They were proud to report they ran into Hazel and Larry Spaven at a square dance in Sun City, Arizona, and were told to carry salutations and good wishes to their square dancing friends.

At this writing, we are looking forward to dancing with our class on February 20th at Holy Cross School, for Holmes Road School will be closed.

March is the month for the Irish and, if we don't mention St. Pat's Day, the "Unluck" of the Irish will befall me. Such wrath we must escape, so have a Happy and Glorious St. Patrick's Day!

So long from Greece Snow Country,
Your Reporters,
Betty & Chet Selbert

MUSICIANS? If you would like to adapt your talent for square dancing there will be a very special workshop offered by the Golden Link organization on April 8. An afternoon workshop directed by Marshall Barron from Boston will precede an evening dance (students of the workshop will provide the music) with Tom Bohrer calling. The dance is open to the public. Interested? Phone Butenhofs or Mitzi Collins/Tom Bohrer. We do need to develop dance musicians-- please help us find some.

On January 13th we surprised Mike and Wanda with a shower and tried to convey to them that they were going to have twins. On January 18, 1978 the stork really surprised them with twin boys, Patrick and Shawn. Congratulations Mike and Wanda and to Grandma and Grandpa Gereroth too!

Thanks to Beryl and Dawn Ames and committee for the fine job they did on our Valentine Dance. Hope the class enjoyed themselves.

Bruce Shaw called for us on February 10th, and he sure was all wound up for his usual good times. He always manages to have some real good chuckles for us.

Mike Callahan will be calling for us on St. Patrick's Day and should be in real rare form.. For Mike so likes St. Patrick he named one of the twins after him.

Copy Cats

First of all, congratulations to Mike & Wanda Callahan on the birth of their baby boy, Patrick. First of all, congratulations to Mike & Wanda Callahan on the birth of their baby boy, Shawn. Please note this column is non-discriminatory and gives almost equal attention to each of the new Callahan twins, even though Patrick is 8 minutes older than Shawn; or is Shawn 8 minutes older than Patrick . . . ? (Or is Mike 8 years older after this whole episode!)?

DUTCH TREAT

Did you happen to notice the tall, handsome, young blond Adonis who dropped in at our January dance at Bayview YMCA? That was Frans Jansen a 1974 Copy Cat, here for a few days from Merselo, Holland. Wife Liselotte and daughters Ester and Petra couldn't make the trip this time but send their best wishes to their Copy Cat friends. It only proves, you never forget your square dancing friends.

SIDELINERS

It was good to see Bill Manciocchi (and Mary) watching from the sidelines even if he was on crutches recovering from knee surgery.

WIGGLE-WIGGLE

Get your hips in shape! Jerry (wiggle-wiggle) Bradt will be guest caller for the Copy Cats March 11. Be prepared for another fun evening!

GONE TO POT

Thanks to Bea & Ozzie Ostertag, the February pot luck supper & dance will carry happy memories for a long time!

Happy St. Patrick's Day to you all.

Dot & Al Pheilshifter

Country Twirlers

As we step into their shoes, we wish to extend a special thanks to the previous officers for the fine job they did in 1977. Thanks to them, we have many happy memories of this past year.

It seems that 1978 got off to a slow start for dancing and a fast start for snowing. Our first two dances of the year had to be cancelled due to an excess of the white stuff. It was not until late January that Mike Callahan was able to ease us back into the swing of things. Let's hope that the weather holds up and we don't have any March or April surprises from the Gremlin of Winter! With that note, we turn our minds and snow shovels to cheerier and warmer things.

While our caller, Jim McQuade and his wife Gert vacation in Florida, our March 10th dance will be called by Jerry Carmen and Bob Slomcenski. Our guests for the evening will be Genesee Dancers and Rainbow Squares.

Jim will be back with us on Saturday March 18th. However, the location of the dance has been changed to Thomas Edison High School on Buffalo Road.

Ed Ortman is home recovering from surgery, and we hope that we will see him dancing again very soon.

Looking ahead, plan to dance with us on Friday March 31st when we will have Red Bates as our guest caller.

So for now, Happy Dancing, Happy Shovelling and remember to always wear a smile. You'll be surprised at how many are returned to you!

Callers' Profile

Jack Sadwick is the Class caller for Tecumseh Squares and Class and Club caller for the Jacks N Jills Teens in West Irondequoit.

Jack and his wife Joann started dancing in 1974. At that time they were members of a Roller Skating Club, and had been putting on skating demonstrations. The club was introduced to Grand Square and they were asked to perform it on skates. The following September they packed their skates away and took up dancing.

When Jack is not calling, he is employed by Eastman Kodak Company. Jack and Joann live in West Irondequoit with their four sons: Steve 15, Tim 13, Gregg 12 and Rick 8. He credits his children with being responsible for getting him into calling.

The children in his neighborhood decided to put on a dance program one summer and he was approached to help them with an introduction to Square Dancing. That summer they danced in the driveway and in September moved into a nearby school at which time the Jacks N Jills were formed. At this point he was caught up with the enthusiasm and satisfaction of being able to instruct new groups of dancers and has been at it ever since.

When the Sadwicks are not dancing -camping and water skiing is a very important part of their life.

Someday Jack hopes to be able to call all aspects of Square Dancing. Jerry Haag is his favorite caller. He has found that his involvement in dancing and calling has been a very rewarding experience for his family and himself.

EKC-O Squares

We have been having lots of snow this winter and some days it is beautiful with the fresh snow falling. If we could find some good in everything and EVERYONE, I'm sure each day would be more pleasant for everyone concerned if each of us did just that. Also this is so when we are dancing because anyone can make a mistake, even tho sometimes each of us find it quite difficult to admit it. So please SMILE all you dancers and be gracious. Thank you.

Speaking of dancing the class will dance the entire evening with the club on March 3rd with Jim Dutton calling. This will be our last dance at Elmgrove. For the rest of March and the first two Fridays in April we will dance at Kodak Park. The schedule is: Bob Gambell calling on March 10th, Ken Anderson on March 17th, NO DANCE on March 24th, Ken Anderson on March 31st, Paul Andrews on April 7th and Ken Anderson on April 14th. Our faithful Betty Wolcott will be cueing the rounds.

Every week now when Ken is calling at EKC-O's, he will donate one call to be done in "all position dancing". It is fun and a challenge, come and give it a try.

Jean Kuchman made a cute pint size float which helped in collecting from you generous dancers \$34.32, which will be sent to The Square Dancers of America in California who made the Rose Bowl Square Dance float. This will help them pay expenses. Thank you Jean and all you dancers who contributed.

Jean also gave her time and made the square dance signs placed in the long halls at Elmgrove directing dancers to EKC-O dance auditorium. Thanks again Jean, I'm sure this has helped many find our location.

Dance-O-Rama tickets will be on sale at EKC-O's in March. This dance is for every dancer no matter what level you dance. Each dancer can choose a room that he or she or both will feel comfortable in. So join in on the fun and buy your tickets early.

The EKC-O's Round Dance Class has started as of February 23rd which is on Thursday nites at Kodak Office. It is open to all interested dancers and there is still time to join them at \$3.00 per couple each lesson. Call Frank or Norma Salvagio at 223-7906.

See you at a dance.
God love each of you,
Ken and Marcia Wishau

SNOW! SNOW! everywhere, will it end soon! How about the 16 couples who danced the night of the big storm threat. Orlo & Rita Hoadley came back from beautiful Hawaii in the midst of it all.

How about Wanda & Mike Callahan - with twin boys no less. We warned Mike about calling "DOUBLE" too often. CONGRATULATIONS!

Congratulations go also to all our new grandparents Gloria & Norm Steinmiller - Ed & Alice Jeffrey - Bob & Lou Vincent. Bob & Lou spent the holidays in Texas with daughter Carol and the birth of a granddaughter on December 30 and New Year's Eve in Colorado for the marriage of son Jim. They now boast five grandchildren, 3 boys - 2 girls.

Our sympathy to all who have lost loved ones, especially George Lupold. All those on the sick list, we miss you. See you dancing soon?

Don't miss the Gloria Roth dance March 16th.

Be seeing you

..... dance with your feet, not with your head

ED BUTENHOF believes that every dance program should have lots of variety. He feels that this is best achieved, not by an endless succession of "new" terminology, but by changing rhythm, tempo, style and formation of the dancing.

We do contras, squares, couple dances, line dances, mixers.... , you name it, we do it. No prior experience is needed; just a quick run-through, follow the prompts and listen to the music-- no frowns and no hassles.

Bring your "non-square dancing" friends as well as your "ex-square dancing friends. Families and singles are definitely welcome; class members, too.

WHERE? The BROOKSIDE School in Brighton (see the map below).

WHEN? Every Friday at 7:30 (the exceptions on date and place are also noted)

WHY? Because there's nothing else like it in Rochester

HOW? Ed's experience includes traditional squares as well as modern; folk dancing; contras; English Country dancing; ballroom dancing and rounds

WHO? You, we hope, and everyone who enjoys dancing- all kinds of dancing

COST? \$1.50 per person (\$.75 under 16)

Glass Slippers

Can you believe the snow we're having this year? So far we've lost three Mondays of dancing because of the storms. We'll just have to dance harder to make up for lost time!

The Glass Slippers were guests of the Country Twirlers on February 4. Ten of us made it through the snow, and we had a great time.

Our club was also invited to dance with the Singing Squares, but because of the weather, we were unable to join them. We're hoping to be invited another time when the weather is more agreeable.

Red and white was the color theme for our Valentine Ball. Invited guests were the Boots 'n Slippers and Spin 'N Wheels.

Our next special dance, Leprechauns' Leap, will be held on the first day of spring, March 20. Hopefully, we will celebrate St. Patrick's Day, and the END of winter. Jim Wheeler, from the Buffalo area, will be our guest caller. We have invited the Singing Squares from Rochester, and our "cousins", the Country Swingers from Morton. (We share Ron Fotch as our regular caller.)

On March 27, we'll have a guest caller, but at this time we haven't a confirmation; so we'll send flyers to our friends in the Federation when plans are definite.

Be sure to go to the Leukemia Dance on March 18th. You'll have a good time and you will also be supporting a good cause.

(continued next column)

The Glass Slippers' Board of Directors has been working hard to boost membership and attendance at weekly club dances. (It seems that many clubs throughout the country do have to combat dropouts.) We'd like to share with you some of the changes we are putting into effect.

1. Rather than having a workshop on the first Monday of the month, we're having thirty minutes of workshop every time we dance, so that we can reach more people.

2. We're doing more square dancers' rounds, generally dividing the program like this: two tips of hash and squares, and then a round, with a line dance every once in a while for the young and the young-at-heart.

3. We're inviting other clubs to join us at our special dance each month.

The Glass Slippers are glad to have guests at any dance, so if you don't know what to do with yourself on a Monday night (and there's not a blizzard in progress!), come on out to the Campus School in Brockport and join us in a square. You can call me at 637-4755 if you need directions to find us.

CARD OF THANKS

"Square dancers are the nicest people..." We have all heard this statement before. In the past few weeks, it has been proved again so many times to Wanda and me. We would like to take this opportunity to thank our clubs for their generous gifts and to thank our square dance friends from all over this area for the many, many cards and well-wishes on the birth of our twin sons, Patrick Michael and Shawn Christopher. We feel very fortunate to have so many friends.

The Callahans. Mike, Wanda, Patrick and Shawn

Kuntry Kuzzins

Our new officers are busy planning the years activities. Our 1978 officers are: President Sam & Reka Farnsworth, Box 66 Granger St., Port Gibson, NY 14537 - Vice Pres. Elwood & Helen Covey - Sec. John & Ruth Canne-Treas. Dick & Edna Facer.

We are happy with our new class and the progress they are making. Jon and Sue McNally need a big thank you, for the start of another good year for Kuntry Kuzzins. Jon will be helping us move our feet both this year and next. Thank you Jon and Sue.

Starting February 9th our classes will be held at Roosevelt School in East Newark. Our club dances are still at Kelley School, Pierson Avenue, Newark, NY.

The Kuntry Kuzzins enjoyed a fine turn out of 11 squares for their Mike Callahan - Debbie Wilkinson special, thanks to all, we will have a special night with these callers again next year.

The Kuntry Kuzzins also enjoyed a Valentine Box lunch dance on Saturday, February 11, with food and dancing for all.

We wish to thank the Federation for accepting us again this year. Keep up the good work. United we stand and dance.

Kuntry Kuzzins are planning two specials in March. On March 11th we are having a Spring Fling with Bill Bartsch, and on March 25th, Bruce Shaw is leading us in a sing-a-long.

On April 1st, we plan an April Fool's club and class dance with "our" caller Jon McNally. See you at Kelley School, Pierson Avenue, Newark, NY. 8:00 to 11:00 PM. \$3.50/couple.

Hi Dancers - -

January and February have been snow-bound months therefore cancellation calls for a make-up date: April 22nd in place of January 14th. Don't be a "Shut In" join us in keeping your blood circulating by dancing to our caller Bill Wilcox and Linda Wolf our round dance cuer.

Many braved the bitter wintery weather January 28th to dance with our club -- eleven squares to be exact.

When one is called a "Square" it reminds me of love and friendship. Speaking of Love our Valentine Dance February 11th was successful as always. It was open to all Class members starting last Fall also Club members. Our thanks to chairpersons John and Cathy Zwieczynski and their committees for making this special celebration a big hit.

February 25th Mo Howard braved the trip from Syracuse to be our guest caller. He kept everyone swinging with his fast and smooth singing calls.

Our sincere congratulations to Mike and Wanda Callahan for their surprise gift from God--twin boys. Heard Daddy is recuperating nicely and of course Mommy too.

Our new class dancers are doing just great under Bill's guidance. Keep up the good work Guys and Dolls you'll be full pledged S.D. before you know it.

It has been reported that the Clarks and Scotts are enjoying their dancing in Arizona---sounds like a nice place to do it in. Hope to see you back here someday.

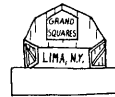

(continued next column)

We were so glad to see the cast off your arm Ann S. Now it will be easier to grab your corner partner. Right!

Remember only one dance in March the 11th because of the Easter holiday. Three in April, the 8th with guest caller Dick Casper and the 22nd and 29th with Bill Wilcox.

To all travelers -- safe journey and have fun.

See ya soon,
Don & Gene Evert

Lima Grand Squares

Are you beginning to feel as if you are suffering from a case of "cabinitis"? Does the prediction of another snow storm make you feel like crawling back into bed and pulling the covers over your head? Well, we at Lima Grand Squares feel we have a solution for this - at least for one night. The idea for this started last Fall and has been brewing ever since, just waiting for the right time to erupt. Soooo - ta ta -- Here it is:

The date is March 3rd; the event is a Sauerkraut and Hot Dog Supper. Now, this is not an ordinary, out-of-the-can Libby sauerkraut supper. Certain members of our club prepared the cabbage for this last Fall and have been letting it age since then (like good wine, cabbage must age to make good sauerkraut). This will be a club/class dance and squaring-up will be at 8 PM with our own Dick Casper calling. The H.D. & S. Supper will follow at 10:30 PM - and wait until you see what all we can do with sauerkraut.

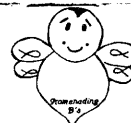

A few familiar faces have been missing on Friday nights. We know that between the snow, flu, and winter vacations to parts unknown, our people have been busy. We sure do miss you and hope to see your sunny smiles soon. Many thanks to all visitors and club members who braved the "elements" to come join us the night Tom Trainor called.

For the past month Dick has been having a workshop from 9:00 - 9:30 P.M. To all who join us, do try to be there by workshop time so that you don't miss out on the new calls.

This column is due and the hour is late so let me just close with a short reminder: H.D.& S. Supper - March 3 Club/Class Dance.

Until next month, keep heading "south" on 15A to Lima.

Paul & Barbara Kolstee

Promenading B's

We're getting ready for the Big Event on April 1st. The black lights are ready and waiting. The special effects start at 7:30. Join us at our 5th annual Black-out Dance. White or light colored shirts, blouses, dresses and a pair of white gloves add quite an aura to the dance floor.

We are looking forward to the WYCO Promenaders as guests on March 10th.

March 17th is St. Patrick's Day. It has become our custom for the B's class members to host this special dance. They do a great job and it's their chance to show us all how well they are doing. Their leader and ours, Ron Fotch, is very proud of them.

Come "strut your stuff" with us.

Dick and Donna Pringle

Friendship Squares - Geneva

We were most grateful for the Rochester area people who came to our Don Hanhurst dance. We hope they had as good a time as we did. The weather sure was no help.

Ken Anderson makes his way to Geneva for a special dance on Sunday, March 19. We'd love to see you make the trip! He's a sure bet for a good time. Phil and Nancy Rude will cue rounds.

See you next month. Happy St. Patrick's day!

Agnes Jurgens

Magic Squares

Magic Squares will no longer be doing its disappearing act on Saturday nights! We have found a new home at the Manchester Methodist Church in the village of Manchester, on West State Street which is at the stop light on Main Street (Rt. 21). Head west on State Street and the church is on the right hand side. There is plenty of parking out back (provided the snow isn't too deep) and the side door will bring you down stairs where you'll find music, food and a good time.

We would like to extend an open invitation to have all of you join the Magic Squares on March 18, for the Shamrock Ball. Wearing of the GREEN is a must! When you take leprechauns and combine them with the magic of Bob Ellis calling, anything is possible!!

On April 1st, (no fooling either) there will not be a club dance. The Magic Squares are taking a night off from regular club dancing to visit friends in square dancing to the South of us.

Looking forward to spring (and who isn't), sunshine and warmer weather spurs the Magic Squares on in making plans for our visit from Marv Lindner of California. Marv will be with us on May 14th, so mark the date on your calendar now! With the winter we have been experiencing, we can't make any promises on the weather outside, but we can promise you a good time and lots of sunshine inside. Marv has a way of making us all feel sunny! We hope that the snow is on its way out when this goes to print, and we wish you all good health and good dancing.

Bev & Tom Cheney

Merry Mixers

We have an interesting program set up for the last half of our dancing season, one of which is the Hobo Party on April 3rd.

The Valentine Party was a happy event, that was enjoyed with Ben and Saddle's Class attending. They are going to be good dancers someday.

We wish a speedy recovery for three of our people, Rose Marie Bryant, Henry Cossia and Harlan Fisher, from their illness, and welcome them back to dancing.

Bob VanThof and June Foster are getting our turtles show back on the road again. So all you turtles lets keep in touch.

Happiness is dancing with "Merry Mixers" Single Square Dance Club of Rochester.

Marie Dickinson

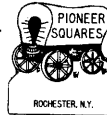

Naples Valley Squares

Despite the snow, members of the Merry Mixers and Henrietta Friendship Squares drove down to dance with us recently. We really enjoyed having them and hope they'll come again.

Hope you'll all come down and see us.

Have a nice Easter!

Phelps and Barb Greene

Pioneer Squares

Having a hard time keeping warm this very snowy, cold winter? Well, come and dance with us on Tuesdays. One tip will make you warm all over. Hopefully the worst of the snow is now over so everyone can get out again.

A good time was had by all at our Valentine dance and Valentine dangles were earned by all who were there.

Don't forget our annual Shamrock Caper Dance on March 17th. A special shamrock dangle will be offered to everyone who's even a little bit Irish! (Isn't everyone on St. Patrick's Day?) Check our ad in this issue for all the details.

All the Pioneers wish to say hello to Bill Burton and hope he's well on the road to recovery. Hope to see you soon Bill, you and Nell are missed by all.

Our guest clubs for March 14th are the Copy Cats and Tecumseh Squares. We look forward to dancing with you.

Yours in square dancing,

Bob and Mary Ann Beikirch

Rainbow Squares

Our thanks and appreciation to all the people who attended our Annual Snowflake Dance. As always, it was a pleasure to dance to Mike Callahan. It was grand to see so many class members there and it was astounding to see how well they danced. All clubs will welcome such good dancers and great people when it comes time for them to join the clubs.

Our Valentine's Day box social was loads of fun-- and good eating too! Hearts and flowers were the order of the day as the ladies tried to decorate the prettiest box so theirs would bring the highest bid. Then the couple who ate together, danced together. Guess you could call that the square dancers' version of wife swapping!

Our members certainly have diverse interests when it comes to making vacation plans. Paul and MaryAnn Heiler headed for the Adirondacks for cross country skiing, while Norm and Edna Coates went on a Caribbean cruise for sunning. Each couple came back saying there's nothing like it. Can they both be right? And then there's Ken and Lil Boss who celebrated their 25th Anniversary with a second honeymoon in the Poconos. Not sure what they went for! The rest of us, unfortunately, had to stay here and brave a Rochester February as best we could.

Things to look forward to in March include our St. Patrick's Day dance on March 15---and SPRING?! Hope many of you can join us. If you have any questions concerning any of our dancing dates, feel free to call any of the club officers: President, Stan and Dot Davis; Vice President, Norm and Edna Coates; Secretary, Bill and Betty Pedersen; or Treasurer, Joe and Ruth Buechel.

John and Joyce Tydings

Rochester Rollaways

"Good Callers", Good Dancers", "Fun Dancing", that is what Rollaway people are saying.

Despite the snow and cold weather we have had all but one of our scheduled dances.

We would like to welcome our newest members to the club - Lee Welch and Vera Hollenbeck.

Do you know that one of our members is a world traveler. Yes, Ken Worth just returned from Greece. His business takes him all over the world.

Keep in mind these dates:

Dance-O-Rama - May 6th

Ron Libby Weekend - May 19 and 20

Keep Smiling!

Bob & Jeannette Meagher

Singing Squares

We made it through the wild month of January with its' blizzards and near-blizzards and a lot of cancellations. With Spring just around the corner, we are looking forward to the Special dances scheduled for March and April. March 15th is the Wearin' of the Green St. Patrick's Dance with Al Howe calling all the Irish Jiggs.

Everyone knows by this time that Mike Callahan is "Daddy-Daddy" of twin boys. Now we know why his favorite call is "Swing Thru-Double". Mike will be calling for our "Luau Special Dance" March 29th. It is class and club. Everyone put on your grass skirts and loud shirts and come to Thomas Edison School - 1612 Buffalo Road and get your "lei at our luau." See ad in this issue of Promenader for complete details.

April 5th we have a guest caller - Don Pratt. All you Pratt's Katts come join us for an evening of fun and good dancing.

Singing Squares is indeed happy to have so many guests at our dances. We welcome you and we try to be a very friendly club. After all - that is what square dancing is all about. Besides being a lot of fun and good exercise, it is a time of meeting old friends and making new ones. Please refer to our schedule in this issue for date, time and place of our dances. We shall look forward to seeing you there.

We are now in the temperamental month of March with its blusters and blows; but each day the sun climbs higher; each day April is nearer. So get it out of your system, March. Your blusters and blows are a price we gladly pay to be on the climbing side of summer.

Hope to "Ping Pong Circulate" with you soon.

John and Lorene Fratta

Swingin' Eights

Hi! Despite the snow, we danced last month and had a good time. Glad to see so many could make the one dance that January would let us have.

The Dance-O-Rama is May 6th this year from 1 PM. 'til midnight, at the State University College at Brockport. Tickets may be purchased from the Fleishers.

(continued next column)

Mary Prado was in the hospital for major surgery but is home now and feeling better. We're thinking of you Mary!

March 18th - Regular dance at Hosea Rogers Middle School, Bruce Shaw calling. Rounds - 8:00 PM with Mike Liberti - Squares at 8:30 PM.

April 1st - SING-A-LONG for club and class. Bruce Shaw calling at Hosea Rogers, 219 Northfield Rd. Mike Liberti will be cueing the rounds.

Swinging BB's

We've been a little behind on our column for the past couple of months, but the Swinging BB's have been squaring up whenever Old Man Winter has not been on a rampage. Due to school closings brought on by inclement weather, we have missed one or two, but now that the New Year is in full swing, warm yourselves up each week by do si doing with your pretty little taw to the calls of Uncle Bob Brunshidle.

Proud grandparents Mary and Al Howard brought along their first grandchild to one of our dances.

Jim and Mary Messer expect to be living it up in Florida sometime in March.

Bill and Gail Babeck are going camping (Yes, in winter, Yet!) in Black Creek Park.

We're looking forward to a Valentine Dance on February 10, combining dancing and eating our just desserts (Ohh, the calories!) brought by members. Celebrating their anniversary on Valentine's day are Lane and Hilda McCord. Then on February 25 our favorite caller and his wife Dottie will be hosting a potluck party and dance at their home. On March 18th our class will join us for another special St. Patrick's Day dance and supper combined, at which members will again bring their favorite dishes. Look up in your schedule for other dates in March.

Till next month,

Ernie and Dorothy Willett

Swinging Singles

One caller after another kept us swinging and happy on January 23, at the Annual Amateur Caller's Night. One gal sang about "doing it her way," another admitted that "he's a guy who's kinda shy," while another insisted on singing about "wheat lands!". Callers included Mike Liberti, Bev Linehan, Tim Craig, Don Felice, Jeanne Phillips, Dave Tarantino, Chuck Meyers and Bev Payne. Ten gallon hats hid the identity of Poncho and Cisco who ended a fun evening western style - good singing, bullets, holsters -- the works!

Of course! Eleven PM - Two AM is a PERFECT time for bowling! At least Swinging Singles thinks so. Besides the bowling on Saturday, February 18, there was a delicious buffet spread. Wine was the prize for a strike when the red pin was the head pin.

Think international. Think delicious. The annual International Dinner is coming up - Saturday, March 18. More details later.

Here's 'til Monday.

Kathy

Tecumseh Squares

February certainly was a month! Hope all of you listened to the radio for cancellations on those snow-er-than-usual nites. (We've had more than our share of those this year!) Our Sesame Street dance certainly brought a lot of characters out of the woodwork and some of them weren't in costume. Hope all of them come back for more fun and perhaps a few more of you. The more the better.

March looks like Bruce Shaw R and R month. My only hesitation is, "what's a Shaw like after rest and recuperation"? Are we ready for this? We probably won't have time to giggle about it because Bob and Lory Morrison will keep us busy on March 7th and Jon McNally will keep us going on March 21st. And wait until you see what's coming out of the woodwork on Tecumseh Nite also scheduled for the 21st. Will we get feathered or scalped? All of the above mentioned callers are excellent. The Morrison's are from Erie, Pa. and harmonize on the singing calls. They are national callers and have been in this area before. Jon is one of our local callers and really enjoyable. We are fortunate to be in an area with such good callers (cuers too!). They are not only talented but personable too. They put in long hours at the dances and at home practicing. Just ask Ed. He tried it for two weeks until the neighborhood filed a petition to quit or else! Thank your callers especially when they have called a better-than-usual dance. That goes for our cuers too!

April is something else. Have you ever heard of an Italian-Polish-Pot-Luck Dinner Dance? I think it means Kabasa, spaghetti and alka-seltzer. It should be a lot of fun! More details will be in the next Promenader or check the flyers. Call Jo LaVil at 235-2055 or Gay Sedor at 671-6748 for ideas on what to bring. It's open to all. Come and join us!

Do you get the American Square Dance magazine? We do and thoroughly enjoy it. We've heard that you can get the subscription (one year) and also go to a terrific dance at the same time. Is that what they call a "subscription dance"? Save May 23rd and find out. Lots of people will be there--especially Stan Burdick and Bruce Shaw.

Hope to see you across the square sometime soon.

Sincerely,
Ed and Sue Sulewski

A surprise party at Streb's Steak House was given in honor of Peg's and Myron's birthdays. The party was given by the current and nine former presidents. At this time a new club was formed called The Myron Huss Fan Club, and badges were presented signifying the occasion. Anyone who wishes may purchase a badge from Harold Pierce.

Amateur night was held January 31st. Those participating were George Yuna, Len Hall, Harold Pierce and Bob McConkey calling squares and Martha Haungs cueing rounds. They all did a fine job. I think we will all agree it is not as easy as Myron makes it look!

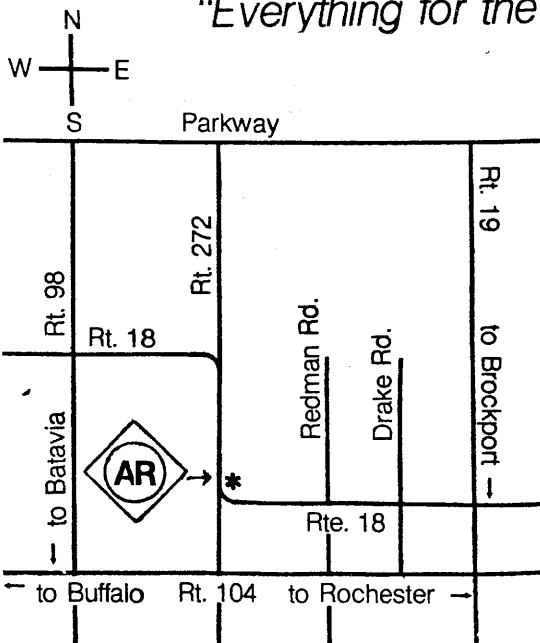

International Night will be held March 14th with everyone bringing a covered dish to pass. We will eat at 6:30. Please bring your place settings. Beverage and dessert will be furnished.

Our guest clubs for the month of March are: Country Twirlers, Magic Squares, WYCO Promenaders, and Wayne Westerners. Hope you have as much fun dancing with us as we do having you join us.

Keep Swinging,

Twirl-A-Rounds

Neither snow storms or school closings have slowed the plans of the T-A-R's!!! We are continuing with our monthly parties, which have always been enjoyed by all. Do take a turn 'n' sign the party sheet - the rewards are gratifying. Make "simple" is the key word for the parties.

We have been learning some new dances with lots of patience from Howie 'n' Dot. "Temptation", "Ester" 'n' "Summer Wind". Oh! those "double naturals" 'n' "Double reverses", will spouse 'n' I ever master them?

So happy to have Don 'n' Connie back dancing with us again; and we wish Gloria Snell a speedy recovery too.

The Falls are still traveling out west, also the Mack's have escaped the snow flurries for a few weeks down south - Lucky folks!

"IMPORTANT ANNOUNCEMENT" - Due to conflicting school events, our St. Patrick's Ball will be held March 8th from 8:30 to 10:30 with all Round Dancers invited as our guests. For further details look for flyers at your club or call Dot DeGrave 594-9518.

Did you know that we have another talented seamstress among us? Judydel Hinkson has opened "Woodland Stitchery" in her home at 8561 Peachy Road, Bergen, NY. Hours 10-5, Mon. - Sat. Happiness is "Creativity."

Gee - have you noticed the unusual places people are wearing their badges these days?? At least we know who they are when they leave.

The moment I picked up my pen
Inspiration fled -
Now, I sit and gaze around -
Nothing in my head -----

Nothing but snow, that is! This will be the winter we will remember for the cancellations - I hope by the time this is printed that it will be in the past and we are back dancing on a regular schedule!

We want to greet all our friends who escaped to the sunny south between storms - may you enjoy the sunshine! And our best wishes to all members of the club who, because of family sickness or other problems, have had to miss dancing with the Club. We want to assure you that you have been missed and we hope you will soon be back.

February saw the Class dancing with the Club for our Valentine party. Great dancing, Class! Keep up the good work.

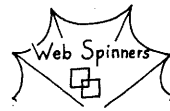

Don't forget in March we will be dancing on Wednesday the 22nd instead of our regular Thursday night.

I was informed that I didn't mention our caller's name in the last issue - I'm sorry and I want to correct that oversight - I want everyone to know that we still appreciate our caller, Jeff Elmore and his wife, Sally and her singing calls. Thank you, Jeff and Sally Elmore!

SPECIAL NOTICE - The Class Level Dance for March is on March 9, our regular dance night - and all classes are invited. See you there!

The Hales

P.S. Don't forget that Mo Howard will be calling on March 30.

Web Spinners

The snow and cold of this winter have just made Web Spinners more anxious than ever to dance. Fortunately, we have just had to miss one dance. We'll make up for that on February 24.

Our Class Night and Style Show was a howling success. We are turning out a lot of super dancers in this class. They all seem to enjoy it so. Nine class couples attended the Beginner's Ball at the Redmen's Club with as many angels going with them. They all had a super time, topped off by refreshments at the Cullian's.

We had a good turnout for our ALL SINGING CALL NIGHT - it was such fun and we are all looking forward to the next one scheduled for March 31.

We have some people on the sick list - Amy Tice is in Genesee Hospital, Marge Liedecker is in Northside, and Ruth Van Der Brooke is soon going in for surgery. We hope you all recover rapidly and are back dancing with us. We sure miss you.

Don't forget the St. Patrick's party at the Firemen's Hall on March 17. Sure and then, it will be a blast.

See you on the Square,
Bill and Dot Chambers

Jack of Hearts

With memories of a fine dance with Ron Libby still high in our thoughts, the Jack of Hearts now looks forward to two more big events:

1. Our annual meeting, which will be a social as well as business affair, as we break bread together, then discuss and finalize our plans for the coming year. The meeting will be held at the Taffets on Sunday, March 12th. We're to come with ideas to share, a dish to pass and a hearty appetite.

2. Our class graduation party and dance, on Wednesday, March 29th. This class has been such an enthusiastic group and Ted Whitacre such an exacting teacher that these couples are dancing at a very accomplished level, and will, we predict, make a smooth transition into dancing with the club. Several of the club couples have taken advantage of the opportunity to work with the class these past few weeks as they learn their final calls, from "all positions". Since the All Position Concept is becoming the expected thing in Advanced dancing, we will have need of more work in this area. It's remarkable how puzzling, then intriguing and finally how satisfying it is to do our calls from such an array of positions.

Try it - you'll like it!
